

The ultimate husband in Chinese chapter 3361-3365

Chapter 3361

Moreover, this temperament is comparable to that of a goddess.

What?

Is this goddess of light fake?

Hearing this, both Tian Yi and the soldiers on both sides changed their expressions.

She originally thought that these twelve holy knights were specially summoned to guard Storm City, but she never expected that the situation had changed so people were caught off guard. This goddess of light turned out to be a fake.

In this way, the Twelve Paladins and her are enemies, which is too beneficial for him.

Thinking about it, Tian Yi was inexplicably excited.

“Speak!” At this moment, the golden lion glared at Miao Ying, no doubt: “Who the hell are you? Why are you pretending to be the goddess?”

“I will pretend to be whoever I like.” Miao Ying said lightly, “You don’t care. !”

Now that her identity was revealed, Miaoying was too lazy to hide it.

Swish!

Hearing this, the golden lion was furious, and said coldly: “Okay, very good, since that’s the case, you can just go ahead and capture it!” The voice fell, and the golden lion burst into holy power. In an instant, a terrifying aura formed around him. storm.

In the next second, the golden lion clenched his fists like a cannonball and came directly towards Miaoying.

The golden lion was so fast that Miaoying couldn’t dodge it, but she didn’t panic at all, and fluttered her palm to greet him.

boom!

The fist and the palm touched, and a dull vibration was heard, and the surrounding air was stagnant. At this moment, the golden lion trembled, and the volley was shaken back more than 100 meters.

As for Miao Ying, her delicate body swayed slightly.

Obviously, in the fight just now, Miao Ying had the upper hand.

Although the golden lion is the strength of the Holy Spirit, Miaoying is the body of the fairy, gathering the spiritual energy between heaven and earth, of course, the golden lion is not her opponent.

So strong!

At this moment, Jin Shi only felt that his heart was stuffy. After stabilizing his figure, he looked at Miao Ying in shock and anger, and his face was full of incredible!

This... This woman is so powerful.

call!

Seeing this scene, everyone below was dumbfounded.

This fake goddess of light is so powerful that the Paladins are not her opponents?

At the same time, the remaining eleven paladins also frowned secretly and looked solemn.

“Goddess of Light’s subordinates are not very strong.” Miao Ying was suspended in mid-air, smiled lightly, and said softly.

To be honest, Miao Ying has a kind heart and would not mock her at all, but she was affected by Yue Feng for so long before.

hateful!

The golden lion’s face turned red, and it was unspeakably ugly. With so many people present, he was so despised by this woman, where would he put his face?

The next second, the golden lion was too lazy to talk nonsense, so he flew up and charged towards Miaoying again!

“Golden Lion, let’s deal with her together.”

The other eleven holy knights spoke, and then rushed over quickly, and saw a golden figure flickering, quickly surrounding Miaoying.

Seeing the twelve Paladins attacking together, Miao Ying did not dare to despise her, she bit her lip tightly and said, “Do you want to come together? Very good!”

The voice fell, and a terrifying aura erupted from Miao Ying's body, and for a moment, the surrounding air seemed to stagnate. Immediately, they fought fiercely with the Twelve Paladins.

call!

Seeing the fierce battle in front of him, everyone below was stunned.

Just saw Miao Ying and the Twelve Paladins, the figures constantly shuttled in the air, causing the sky to be turbulent, like the end of the world, which was very shocking.

And many men are even more feasted!

Miao Ying's face is exquisite, and her figure is even more perfect. At this time, she is fighting fiercely with the twelve holy knights in mid-air. The charming curves are disappearing and appearing from time to time, and many of the men below have their eyes straight.

Chapter 3362 In the

blink of an eye, half an hour has passed, the Twelve Paladins still haven't defeated Miao Ying, and Miao Ying has never been able to break out of their siege.

At first, with her light and quick movement, Miao Ying was able to deal with it calmly, but gradually she became unstoppable. Her delicate face was pale.

To be honest, if they were to fight alone, none of the twelve holy knights could be Miao Ying's opponents, but they could unite with amazing power.

boom!

Finally, taking advantage of Miao Ying's inattention, the golden lion rushed over from the back and slapped her on the shoulder.

After landing, Miao Ying hadn't stabilized her figure yet, and the remaining eleven holy knights had already surrounded her and tied Miao Ying with five flowers.

call!

Seeing this scene, the defenders in Storm City were all shocked.

After Miaoying was arrested, how could the tens of thousands of troops in the city stop the hundreds of thousands of coalition troops?

The hundreds of thousands of coalition troops outside the city were extremely excited.

Especially Tian Yi, indescribably excited and excited.

At this moment, the golden lion slowly walked over and said to Tian Yi, "You are the commander of the coalition forces. This woman is pretending to be the goddess of light. She has done a lot of crimes. Now I will leave it to you!

"Lina specifically explained that if she finds a woman who is impersonating herself, she will deal with it on the spot, and there is no need to bring it back to the Temple of Light.

Now that Miao Ying was captured, Golden Lion wanted to kill him on the spot, but so many people around him watched, considering his identity and the prestige of the Temple of Light, Golden Lion held back and decided to hand it over to Tian Yi.

"Understood, Lord Paladin!" Tian Yi was stunned and nodded quickly.

The golden lion stopped talking nonsense, and after explaining a few more words, he took the other paladins and left quickly.

"Here!"

Tian Yi directed at the men beside him as soon as his forefoot left. "Immediately lock up this woman, and the others, follow me to attack the city!" The

voice fell, and several soldiers came over and tied the five-flowered Miao. Ying took it down.

Whoa!

At the same time, hundreds of thousands of coalition troops, led by Tian Yi, attacked Storm City like a tidal wave.

"Withdraw... Let's get out, get out..."

Seeing this scene, the defenders in Storm City were terrified one by one. Then, I don't know who shouted. Abandoned the city and fled, full of fear!

No one is stupid, everyone has seen it, Miaoying was arrested, this battle can't be fought, even if Miaoying is a fake goddess of light, but her strength is unfathomable, and even she has been arrested, how can this battle be beat? !

.....

the other side!

Abel was very happy when he learned that Yue Feng had devised a strategy, repelled hundreds of thousands of coalition forces, and once again defended Tianzhao City, so he took Yue Feng to Wangcheng to meet the king.

Along with them, there are Hongshang and Zhan Chao.

At this moment, the luxurious and elegant palace of the King City was filled with a joyful atmosphere.

The king sat there, smiling.

Abel, Zhan Chao, Hongshang, and other city lords sat down one by one, looking happy.

Since the start of the war, the Principality of Day by Day has been victorious, can you not be happy?

At this time, everyone did not know that the Storm City occupied a few days ago had been breached by another coalition of the five major duchies. Not only that, Miao Ying's false identity was revealed and she was arrested.

Facing the pleasant atmosphere in front of him, Yue Feng sat there with a calm expression on his face.

“Your Majesty!”

At this time, Abel stood up and said politely to the king, “It was all thanks to this Mr. Fengtao that he was able to defend Tianzhao City.” He pointed at Yue Feng next to him.

Swish!

Chapter 3363 The

voice fell, and the eyes of the king and other city lords all converged on Yue Feng.

This person dressed in ordinary clothes, what ability does he have to defend Tianzhao City twice in a row?

However, at this moment, Zhan Chao stood up and said disapprovingly: “Abel, I think you are flattering this wind wave. Tianzhao City avoided the war twice, and this wind wave did participate, but you said it was all about him. The credit is a bit exaggerated.”

After speaking, Zhan Chao explained the situation in detail.

At the same time, looking at Yue Feng's eyes, is also full of disdain and contempt.

This guy is just lucky, what credit can he have?

Whoa!

Knowing the details, whether it was the king or others, there was an uproar.

With the strength of the Holy King, this person killed the gentleman with the strength of the Holy Venerable?

Moreover, they also advocated that troops should be stationed on the hillside, and they defeated hundreds of thousands of coalition troops with ease... huh

!

Feeling the eyes of everyone, Yue Feng smiled slightly and said to the king: "Your Majesty, the city lord Zhan Chao is right, Tianzhao City can avoid the war twice, thanks to the efforts of Tianzhao City's soldiers, and I, it's just luck."

Yue Feng didn't think about any reward, so he didn't bother to explain.

After all, Feng Shui is difficult to explain to these people.

"Sir..."

At this moment, Abel was a little anxious, and was very upset for Yue Feng. But as soon as he said two words, he was interrupted by Yue Feng with his eyes.

"Ha ha!"

Finally, the king reacted, looked at Yue Feng with a smile, nodded and said, "No matter what the truth is, Tianzhao City can be saved, you have no credit, but also hard work!"
To

be honest, the king couldn't see what Yue Feng had. What's special, but he trusts Abel very much. Since he is a talent recommended by Abel, he can never be wrong.

After speaking, the king said to the maid next to him: "Give Mr. Fengtao a glass of wine!"

"Yes, Your Majesty." The

maid hurried over and poured a glass of wine for Yue Feng.

"Now that we are in the Principality of Sunrise, to complete the great cause of unification, it is the time to employ people." The king looked at Yue Feng with a smile, and said slowly: "And Abel also respects you very much. I announce that from now on, I will seal you. For the Duke."

Whoops!

In an instant, there was an uproar in the hall.

Abel and Hongshang both showed smiles, very happy for Yue Feng!

On the other hand, Zhan Chao and the other city lords were shocked and looked at Yue Feng with even more hostility.

It is a great favor for a commoner to be able to drink with the king in the hall.

And now, the king has given him the title of duke.

This kid, how can He De He Neng?

If you were someone else, you would be overjoyed to get such a reward.

However, Yue Feng was indifferent and smiled at the king: "Thank you, Your Majesty!" To be honest, Yue Feng didn't want to be a duke, but the king had already spoken. If he refused, it would be too shameful.

What?

Hearing Yue Feng's response, Zhan Chao and several city lords were startled, and they were all shocked and angry.

This wind wave is so rude.

His Majesty sealed the duke, but he didn't even know how to kneel down to thank him, and just sit there motionless, how unruly!

At this time, the king also frowned secretly, but he was in a good mood today, so he didn't care about Yue Feng.

Chapter 3364

"Everyone!"

At this time, the king looked around and said with a slight smile: "During this period of time, we have reported many successes in the Principality day by day. Today, let's celebrate."

With that, the king raised his glass.

For a time, all the city lords also raised their glasses one after another.

“Your Majesty!” At this time, Zhan Chao stood

up and smiled at the king: “I am so happy today, why not let Tomita paint a song to enhance the wine, how about it?”

Tomita.

Futian is the lord of Lingyun City, and a famous painter in Zuri Principality, and he has a good relationship with Zhan Chao.

Swish!

The voice fell, and the eyes of other city lords also converged on Futian, and they all echoed and applauded.

“That’s right, Tomita came to do a painting.”

“I haven’t seen Tomita painting for a long time...”

“Today is a rare opportunity!”

With the support of everyone, Tomita slowly stood up and smiled at the king: “Since everyone’s interest is so high, then I’ll do a painting on the spot!”

“Okay!” The

king smiled and nodded, and then ordered someone to prepare the case, as well as pen, ink and paper. As you can see, the pen is a beautiful quill, and there is no brush in this Roland Continent.

painting?

At this moment, Yue Feng’s heart moved, and he also became interested.

When he was still a young master in the Yue family, Yue Feng had studied Eastern and Western painting, which was considered to be somewhat accomplished. At this time, he really wanted to see the painting art of Roland Continent.

Soon, everything was ready, Tomita picked up the quill and began to draw seriously.

For a time, whether it was the king or the city lords like Zhan Chao, they all looked at them seriously, each with anticipation on their faces.

You must know that Tomita’s painting art is not only famous in the Principality of Zuri, but also has a certain influence in the entire Roland Continent. As long as the paintings he paints, they must be classics.

In contrast, Yue Feng had a leisurely look on his face.

A few minutes later, under the watchful eyes of everyone, Tomita finally drew a landscape map, and said to the king with a smile: "Your Majesty, this is a map of mountains and rivers I drew, which means that we can pass day by day and unify the continent and mountains and rivers as soon as possible. Forever!"

With that, Tomita raised the scroll for everyone around him to appreciate.

I can see that the mountains and rivers on the picture are majestic, the water is gurgling, and the far and near scenes are very cleverly outlined, which is a rare masterpiece.

Whoa!

In an instant, Zhan Chao and the other city lords stared at the scroll and couldn't help but admire.

"Good painting!"

"Mountains and rivers are forever, this means too good."

"As expected to be the number one painter in our Daily Principality, amazing..."

Under the admiration of the people around, the king nodded in approval, his eyes revealing Admiring it, he laughed and said, "Haha, well, this painting of Tomita is very good, it means that the mountains and rivers are forever, it is very appropriate, not bad."

Uh!

Seeing this scene, Yue Feng couldn't help but burst into laughter.

What the hell, just this kind of painter can also be called a masterpiece? In the Kyushu mainland, this is at most the level of a middle school art class!

"Shhh!"

The expression of Yue Feng, the people around didn't pay much attention, but Zhan Chao looked at him. In an instant, Zhan Chao's face was gloomy, and he couldn't suppress his inner anger.

"Fengtao!" In the

next second, Zhan Chao finally couldn't help it and shouted angrily at Yue Feng: "What are you laughing at? Do you even know how to paint?"

When the king named him a duke just now, Zhan Chao I was very upset, and at this time, when I saw Yue Feng laughing at my friend's words, I couldn't help it.

idiot!

In the face of Zhan Chao's anger, Yue Feng cursed secretly, then said with a smile: "If you can laugh, I can't laugh?"

When he said this, Yue Feng didn't care.

"you..."

Chapter 3365

Zhan Chao's face flushed, and he didn't know how to refute for a while.

At this time, the king looked at Yue Feng and couldn't help but said, "What? Mr. Feng Tao, do you also know how to paint?"

"A little!" Yue Feng nodded.

The king smiled slightly: "Then what do you think of Tomita's painting?" As he spoke, his eyes were full of anticipation.

Yue Feng stood up slowly, looked at Futian's landscape map, and said lightly: "The painter is fine, but the artistic conception is not enough. In general, it's just average!"

What?

generally?

Hearing this, no matter it was the king, everyone present was stunned.

This Feng Tao, with such a big tone, dares to comment on Tomita's paintings like this.

"It's really interesting!"

Finally, Zhan Chao reacted and glared at Yue Feng and said, "You seem to understand what you said, but what about the mood, do you know who he is? The Principality of Ziri, and even the entire Roland Continent, is the most influential. A powerful painter."

At the same time, the other city lords around couldn't help but criticize them one after another.

"Yes, don't pretend to understand!"

“I think this guy is really grandstanding.”

The most influential painter?

Hearing these words, Yue Feng smiled lightly, too lazy to explain.

At this time, Hongshang next to him was also a little anxious, and gently pulled Yue Feng: “Fengtao, don’t talk nonsense.”

Although this Fengtao does have many advantages, it cannot be commented in this way. Tomita’s painting.

Yue Feng smiled and signaled Hongshang not to be nervous.

“Fengtao!”

At this moment, Futian also reacted, looked at Yue Feng, and said slowly: “You said that my paintings are average, it seems that you are very accomplished in painting!”

Yue Fengrao He scratched his head, and said humbly, “I don’t dare to be good at it, that is, I just understand a little bit.”

Haha...

Hearing this, Zhan Chao and many people around couldn’t help but burst into laughter.

This guy, so soon coward?

At this time, Zhan Chao couldn’t hide his contempt, and sneered at Yue Feng: “I see you don’t understand anything. Since you don’t understand, don’t talk nonsense, so as not to be embarrassed!”

At the same time, several people around, also They all nodded.

“That’s it.... Don’t talk nonsense in the future!”

“I thought it was so powerful.”

“I think this person has just become a duke, and he is a little carried away...”

Listening to everyone’s words, Tomita showed a smile.

In the next second, Futian looked at Yue Feng with a generous face and said: “Okay, since you said that, I won’t care about you anymore. If you are interested in painting and want to learn painting in the future, I can teach you. !”

You teach me?

Hearing this, Yue Feng couldn't help laughing: "Futian, to be honest, your paintings are really average, so don't put on airs!"

Seriously, if Futian didn't say this, Yue Feng would also I won't be serious with him, but his high-spirited attitude makes Yue Feng very unhappy.

Swish!

Hearing this, Tomita's body froze there, his face extremely ugly.

Mad, this guy really doesn't know how to flatter.

At the same time, the entire hall also exploded.

"It's crazy..."

"This wind wave, I really don't know how to praise..."

Even Abel and Hong Chang's expressions changed, and they suddenly became anxious.

Soon, Tomita reacted and was about to explode with anger, and said coldly to Yue Feng: "Very good, very good, listen to you, your realm in painting is going to be higher than mine, in this case, Just ask you to draw a picture on the spot, and let me ask for advice!"
