

The ultimate husband in Chinese chapter 3411-3415

Chapter 3411

At this time, Tu Li flattered Yue Feng with a face: "Since it's a misunderstanding, look at this..."

Before he could finish speaking, Yue Feng waved his hand and said, "It's alright, you all leave."

Tu Li hurriedly nodded, then thought of something, glanced at Xi Lang who was not far away, and couldn't help saying: "Your Excellency, that guy was very rude to you just now, do you want me to teach him a lesson and vent your anger?"

Speaking, Tu Li glared at Xi Lang fiercely.

Mad, it's all this bastard, and he almost killed the big leader's VIP.

Feeling the killing intent in Tu Li's eyes, Xi Lang couldn't help shivering, his face was extremely pale, his legs were weak, and he could hardly stand still.

call!

Yue Feng took a deep breath, shook his head and said, "No need, you should leave here as soon as possible." To

be honest, Yue Feng was also very annoyed when Xi Lang handed over Yue Feng's life to Tu Li, but now it's getting late, Yue Feng didn't want to worry about these, and just wanted to return to the palace as soon as possible. After all, it was the most important thing to find the sacred book.

"Okay!"

Seeing Yue Feng's refusal, Tu Li couldn't hold on, and after agreeing, he left with many of his subordinates.

gone?

Seeing this scene, whether it was An Qi or Xi Lang and the others, they were all full of astonishment, and at the same time secretly relieved. Especially Xi Lang, who secretly wiped away his cold sweat.

It's so dangerous. Fortunately, these people are gone. Otherwise, the consequences will be unimaginable.

The next second, Xi Lang reacted, strode towards Yue Feng, and asked coldly, "Hey, what happened just now?"

This chapter is provided by . Visit for daily update.

When the words fell, An Qi also came over and looked at Yue Feng with a puzzled face: "Fengtao, what's going on, why did those people respect you so much just now?"

Yue Feng smiled slightly and said lightly: "It's nothing, The boss of this group of people just now recognized the wrong person and regarded me as a benefactor in the past, so I will do whatever it takes and let them go."

Benefactor?

Hearing this, An Qi was stunned for a moment, then nodded approvingly.

This Feng Tao is not strong, but his brain is quite exciting.

But Xilang next to him had a look of disdain: "Ma De, I thought what was going on, but it turned out to be the wrong person."

After speaking, Xilang thought of something, stared at Yue Feng, and asked: "No, These people are not weak, and they are not fools, how can you admit the wrong person, honestly, are you and them in the same group? Did you deliberately show it to us just now?"

When he said this, Xi Lang Yi His face was arrogant, like a prisoner.

Nima!

Yue Feng frowned and suddenly became angry.

Is this Xilang mentally ill? I just saved you. If you don't appreciate it, you still slander me?

Thinking to himself, Yue Feng chuckled and said to Xi Lang, "If I were with them, I would have left with them just now. What are you still doing here

?" Lang said without thinking: "You were sent by them to sneak into the palace, of course you want to stay."

Stupid.

Yue Feng cursed secretly, and didn't bother to talk nonsense, said lightly: "Okay, since you doubt me, then catch up with them and ask, I guess they haven't gone far."

“You...”

Xi Lang's face flushed, and he suddenly became angry, but he couldn't refute it.

Tu Li's gang, all of them are so powerful, Xi Lang is afraid to hide, how dare they chase after them and question them?

“Okay, okay!”

Seeing the two quarreling, An Qi couldn't stand it anymore, and frowned, “Don't say a word, it's so late now, I haven't seen the giant dragon, I'm hungry too, you guys go. Get me something to eat. After I finish eating, I'm going back to the palace.”

Seeing that An Qi spoke, Xi Lang stopped saying anything, and hurriedly greeted his subordinates and went to find something to eat near the cave.

Chapter 3412

Yue Feng did not go out, but stayed at the entrance of the cave.

“Hey!”

Xilang was displeased, and said coldly at Yue Feng: “His Royal Highness An Qi is hungry, didn't you hear? Are you still looking for something to eat?”

At this time, Xilang looked at Yue Feng more and more. The wind is less pleasing to the eye.

Yue Feng replied with a blank expression: “There are so many of you, where is it my turn to find food? Besides, I am the palace guard, and I have to protect the safety of His Highness An Qi at all times, so how can I just leave?”

“

Hearing this, Xi Lang's face was extremely ugly, and the guards around him, looking at Yue Feng, also flickered with displeasure.

This guy dares to challenge Master Xi Lang, he is really courting death.

The next second, Xi Lang glared at Yue Feng, and took his subordinates to search nearby.

I have to say that the luck of Xilang and others was not bad. After a while, they caught a few rabbits, and then set up a bonfire in the cave and began to roast the rabbits.

With food, An Qi is in a good mood.

Yue Feng was bored. Because of his status, he couldn't eat with An Qi, so he could only wait outside the cave.

Seeing this situation, Xi Lang's eyes flashed coldly, and he greeted a few of his subordinates secretly, and quickly followed.

"Hey!"

Outside the cave, Xi Lang coldly shouted at Yue Feng.

Yue Feng looked back and saw Xilang's cold eyes, and said lightly: "What?"

Yue Feng could see that Xilang came out with a few guards to trouble himself, but he didn't panic at all.

"nothing."

Xi Lang smiled coldly, with an indescribably arrogant tone, and said word by word: "A small palace guard, with a lot of air, just now in front of His Royal Highness An Qi, I don't care about you, but it doesn't mean I forgot. ."

Said, Xi Lang pointed to his feet: "I will give you a chance now, kneel down to apologize to me, and I will forgive you!" The

tone was firm and unquestionable.

Nima!

Want me to kneel down and apologize? Your brain is caught in the door?

At this moment, Yue Feng was stunned for a moment, and then sneered: "For no reason, why should I apologize to you? Also, I just took away those people and helped everyone. If you really want to count, you should tell me. Thank you!"

What?

As soon as these words came out, the guards behind Xi Lang were all stunned.

This guy is too crazy to talk to Master Xi Lang like this.

At the same time, Xi Lang was also angry and said coldly: "Okay, very good, it seems that I really underestimate you, but I tell you, my father is the commander-in-chief of the palace guards, and his status is extraordinary, and you, but It's a small palace guard, you challenge me, have you thought about

the consequences?" At this time, Xi Lang looked proud.

What he said was right. As the son of the commander-in-chief of the guards, Xilang walked almost sideways in the entire royal city. Naturally, a small palace guard would not take it seriously.

idiot!

However, Yue Feng was not nervous at all, but chuckled lightly and turned to enter the cave.

An Qi should have almost eaten by now, and it's time to go back to the palace.

“Stop for me with your special code!”

Seeing that Yue Feng didn't take himself seriously at all, Xi Lang was completely angry. He was so special that so many guards were watching him, but he was ignored by a palace guard. Where would he put his face in the future?

The more Xi Lang thought about it, the more angry he became. He blushed and howled loudly: “Dare to pose in front of me? I think you are courting death!”

Om!

When the words fell, Xi Lang burst out with holy energy, then clenched his fists and called directly at Yue Feng's back.

Chapter 3413 I

saw that wherever Xilang's figure passed, a strong wind raged, and the power was amazing!

With this punch, Xi Lang used all his holy power to kill Yue Feng on the spot.

call!

Seeing this scene, the surrounding guards were very excited.

“Dare to challenge the young master, I'm really tired of living!”

“As expected of the young master, this punch is very powerful.” During the

discussion, no one sympathized with Yue Feng. In their eyes, Yue Feng was just a palace guard, whose status and western Lang Tian is so different, yet so arrogant, it is his own fault to be beaten to death by Xi Lang.

Nima!

Seeing Xi Lang's punch, Yue Feng sneered, and his anger also surged!

This Xilang is really sick, I'm too lazy to care about you, but you slap your nose on your face!

Thinking to himself, Yue Fengqi raised his dantian and prepared to face him with a palm. Although Xilang was not weak, in Yue Feng's eyes, he was not worthy of being an opponent at all.

"Stop it!"

Just when Yue Feng was about to take action, suddenly, a coquettish shout came from the cave.

Immediately afterwards, I saw An Qi walked out quickly with a cold face. She was tasting rabbit meat inside, but when she heard the noise outside, she came out to have a look, and she saw that Xi Lang was fighting with Yue Feng.

At this time, An Qi glanced at Xi Lang coldly and was very angry.

Xi Lang is so arrogant and domineering. Feng Tao just saved everyone, but Xi Lang bullied him.

Seeing An Qi coming out, Xi Lang quickly stopped, and then squeezed out a smile: "His Royal Highness An Qi, are you full?" He said, but his heart was secretly holding back the fire.

I thought that while An Qi was eating, I could teach this Feng Tao a good lesson, but I didn't expect that An Qi would come out so soon.

call!

An Qi took a deep breath and walked past him without looking at Xi Lang.

The next second, An Qi came to Yue Feng and said softly, "Feng Tao, did he hurt you just now?" This Feng Tao is only the strength of the Holy King, and definitely not Xi Lang's opponent.

At this time, An Qi did not know that Yue Feng had hidden his strength and broke through the Holy Venerable yesterday. If we really want to fight, the only one to be abused is Xi Lang.

Yue Feng smiled slightly, shook his head and said, "It's alright!"

This...

Seeing this scene, the guards around were stunned, and their faces were all incredulous.

His Royal Highness An Qi is so concerned about a palace guard?

Especially Xi Lang, the handsome face suddenly turned hideous, jealous and annoyed at the same time.

This guy, He De He Neng, can make An Qi care so much about him?

Xi Lang was originally displeased with Yue Feng, but now seeing An Qi caring about him so much, his heart became even more unbalanced.

“Xilang!”

At this moment, An Qi looked at Xilang coldly: “Xilang, you are going too far, Fengtao is the palace guard, I can leave the palace today, thanks to his help, but you Do you do something to him? I’m the queen’s sister, don’t you take it seriously?”

When she said this, An Qi was very angry.

When Tu Li’s gang was there just now, Xi Lang couldn’t help it. Now that there is no danger, he turned to bully his own people. It’s so nasty.

“Uh..”

In the face of An Qi’s accusation, Xi Lang’s face flushed, and he was unspeakably depressed and embarrassed.

The next second, Xi Lang reacted and explained to An Qi with a smiling face: “His Royal Highness An Qi, how did I bully him, I just want to fight with him!”

Said, Xi Lang acted very innocent : “It was all up to him just now, the blood wolves didn’t bother us, how could I do anything to him? I was a little bored just now, so I proposed to have a fight with him. If you don’t believe me, ask these guards! “

Chapter 3414 The

voice fell, and the surrounding guards nodded in agreement.

“Yes, the young master is fighting with him!”

“Yes, what is the identity of the young master? How can you fight with a guard?”

“His Royal Highness An Qi, you have misunderstood our young master.”

Several guards testified one by one. Seriously.

Ha ha...

Seeing this scene, Yue Feng sneered and said nothing.

This Xilang is really a villain, one thing on the surface and one behind it. It is really sad that the commander-in-chief of the dignified guards can give birth to such a son.

call!

Seeing that everyone said this, An Qi no longer pursued it, and said indifferently: "It's so late, what is there to fight?" After speaking, An Qi

said to Yue Feng: "It's getting late, let's go back to the palace. "

Yue Feng nodded, and at the same time he was relieved.

Nima, I wasted most of the day with this An Qi, and finally I have to go back.

"His Royal Highness An Qi!" Xi Lang came over and said flatteringly: "I'll send you off, it's so late now, if you encounter any trouble on the way back to the royal city, I can also protect you!"

"No need. !"

As soon as he finished speaking, Yue Feng said lightly: "I will accompany His Highness An Qi back." He could see that Xi Lang had no good intentions towards An Qi.

Mad!

Xi Lang was instantly angry and shouted at Yue Feng, "What do you mean? Giant dragons have appeared in this place. If you encounter a giant dragon, can you protect His Highness An Qi by yourself?"

At this time, An Qi also said: "Let Xilang follow, there are more people to take care of." Although it is not far from the king's city, the road is rough and the environment is complicated. It is safer to have people like Xilang following.

Seeing An Qi speak, Yue Feng smiled and said nothing more.

Afterwards, the group left the cave and walked down the mountain.

"Roar!"

However, not far away, a deafening roar was heard not far away, and then, a huge figure flew from the night sky not far away.

He has black scales all over his body, and a pair of blood-red eyes like lanterns.

It was the giant dragon that Yue Feng had conquered before.

A day ago, this giant dragon came to this area to find a habitat, but it was discovered that the giant dragon cave left after a short stay. An hour ago, sensing that Yue Feng was here, the giant dragon hurried over to investigate.

You must know that with the relationship between the drop of blood and the recognition of the master, within a hundred miles, the dragon can clearly sense the whereabouts of Yue Feng.

hiss!

Suddenly seeing the giant dragon appear, whether it is Xi Lang and others, or An Qi, their hearts are trembling, and they can't help gasping for air.

There are really dragons.

Moreover, this giant dragon is so big and its breath is so terrifying.

For a time, everyone froze there, dumbfounded.

On the other hand, Yue Feng had a calm expression on his face, very relaxed and natural.

Bang, bang, bang!

Soon, the giant dragon landed and walked towards Yue Feng with a step. The huge dragon claws stepped on the ground and made a deafening sound, like an earthquake.

“Master!”

As he approached, the giant dragon looked at Yue Feng with respect, “Why are you here?”

“It's hard to say anything!” Yue Feng's face was bitter.

At this time, Yue Feng secretly communicated with the giant dragon with the Royal Beast Ring, so everyone around didn't know it at all.

At this time, seeing the giant dragon so close at hand, Xi Lang and the others were indescribably terrified, all of them were pale, and they could hardly stand still.

Seeing Xilang's appearance, Yue Feng chuckled, and then said lightly: "Master Xilang, you agreed to protect His Highness An Qi. Now that the giant dragon has appeared, you won't be afraid!?"

Huh ...

Chapter 3415

Hearing this, Xilang's face flushed red, and he argued with a stiff neck: "Who... who is particularly afraid?"

Saying this, Xilang's forehead was full of cold sweat, and his voice was a little too loud tremble.

At this moment, An Qi was also trembling, her delicate face was extremely pale. When I didn't see the giant dragon before, I was full of expectations. Now that I saw it, in addition to being shocked, it was endless horror.

In panic, An Qi couldn't help pulling Xilang, and her voice trembled: "Xilang, what should I do?"

"I..."

Xilang was also panicked: "I don't know either."

Haha....

Seeing this scene, Yue Feng laughed secretly, and then teased at Xilang: "Master Xilang, it is rumored that these giant dragons are evil, since we were discovered by it, someone must be eaten. Come on, let's go, I'll take His Highness An Qi to run first, and you and your Queen will hold it back."

What?

Hearing this, Xi Lang almost jumped up.

I dragged the dragon with my subordinates? What a joke, this giant dragon is so powerful, how many people can't escape death if they stay.

"Run! Run!" In the

next second, Xi Lang couldn't help shouting, and ran down the mountain first, followed by a dozen of his subordinates, each running faster than a rabbit.

In Xi Lang's heart, An Qi's safety is important, but it is not as important as his own life.

In a blink of an eye, Xi Lang and a dozen of his men disappeared without a trace.

“You...”

Seeing this scene, An Qi was furious and stomped her feet in anger!

She never thought that Xilang, who had sworn to protect herself just now, turned into a tortoise when she saw the giant dragon.

“His Royal Highness An Qi!”

Yue Feng smiled slightly and said, “I see, whether some people can be trusted or not, you can see it at a critical moment.”

When is this Feng Tao, and he is still in the mood to say this.

Hearing this, An Qi couldn't help crying and laughing, and at the same time she couldn't be anxious: “Fengtao, what should we do? Will this giant dragon eat us?” As she said, An Qi glanced at the giant dragon in front of her in horror.

Seeing that An Qi was about to cry, Yue Feng gently comforted: “Don't panic!” After

saying that, Yue Feng waved at the giant dragon: “We are just passing by, no offense, let's go!”

Said At the same time, Yue Feng secretly urged the beast-fighting ring to give the dragon an order to leave.

“Master!”

After receiving the order, the dragon responded, “Then I'll go first!” Immediately, his wings vibrated, his huge body flew up to a thousand meters, and disappeared from the sight of Yue Feng and An Qi in a blink of an eye.

Phew...

Seeing this scene, An Qi's body trembled, and her head was buzzing.

The dragon didn't even attack him and Feng Tao?

And.... just now Feng Tao talked to the giant dragon?

After being stunned for more than ten seconds, An Qi finally reacted, full of curiosity, and said to Yue Feng: “Fengtao, did you talk to the giant dragon just now? Can you understand?”

Yue Feng nodded: "Yes, I know a little animal language."

The matter of conquering the giant dragon is no trivial matter, so don't let An Qi know.

Beast language?

Hearing this, An Qi's eyes flashed with brilliance, and she instantly looked at the guard in front of her with admiration.

Immediately, the two continued on the road and walked towards the direction of Wangcheng.

Along the way, An Qi kept asking about the animal language, but Yue Feng had no choice but to make up some things to fool the past. At the same time, he also said some interesting things about the Kyushu Continent, which made An Qi stunned for a moment.

Soon after arriving at the palace, An Qi completely put down the air in front of Yue Feng and took Yue Feng's arm: "Fengtao, you know too much, you will stay in my bedroom tonight and continue to follow along. I'll tell the story, okay?" What the hell

!

Hearing this, Yue Feng was startled and shook his head quickly: "How can this work?"
