

The ultimate husband in Chinese chapter 3431-3440

Chapter 3431

Although in the square just now, he tamed a dozen golden lions at once, shocking the audience and causing the queen to seal the commander position, but Yue Feng was not happy at all.

It's been three days, and I haven't found the sacred book, which is really worrying.

A sneeze.

In the irritability, Yue Feng sneezed a few times.

Nima, who is talking about me behind my back?

"Fengtao!"

Just as Yue Feng was muttering secretly, he heard An Qi's cry from outside the door.

The next second, I saw An Qixing hurried in, her delicate face full of excitement.

Yue Feng smiled bitterly: "His Royal Highness An Qi, this is where the guards live, why are you here?"

"I am the Queen's sister." An Qi tilted her head and said with a charming face: "The entire palace is my home, Where do I want to go, who can control me?"

Said, An Qi took Yue Feng's hand and asked impatiently: "Fengtao, you have tamed so many golden lions just now, it's really amazing, you called me Is the animal language good?" What the hell

! This Angie is really a headache.

At this moment, Yue Feng was almost on the verge of crying without tears. He couldn't find the holy scriptures, but he encountered this quirky An Qi.

Thinking to himself, Yue Feng scratched his head and said solemnly: "Beast language is not something that ordinary people can learn, it requires talent, it's innate, understand..." Of course he can't own the beast ring. Said, so, Yue Feng can only talk nonsense.

Hearing this, An Qi was full of confusion, and finally gave up.

This chapter is provided by . Visit for daily update.

“Okay, I won’t learn it anymore.” An Qi shook her head: “It’s really profound, by the way, what other special skills do you have?”

Yue Feng smiled and said casually: “My skills are all Little tricks, nothing.”

As he said that, Yue Feng suddenly thought of something and took the opportunity to say, “But I’ve been studying ancient books recently.”

Ancient books?

Hearing this, An Qi was stunned.

Yue Feng nodded and said seriously: “It’s a book left by the ancients, it contains the wisdom of the ancients, it’s amazing, there is one book, what is the holy book of jade, I don’t know if His Highness An Qi has heard of it? “

When he said this, Yue Feng looked casual, but there was some expectation in his eyes.

On my own, I don’t know when I will be able to find the sacred book, and An Qi, who is the queen’s sister, may be able to help.

“This ancient book, I seem to have seen my sister study it. It is made of exquisite white jade. It is very beautiful, but it is only half a volume...” An Qi replied while thinking.

Yue Feng suddenly became excited and couldn’t help holding An Qi’s hand: “Really? Do you know where it is?”

An Qi’s body trembled and glared at Yue Feng: “What are you doing? You want to take me It’s cheap.” As the Queen’s younger sister, An Qi is at the age of the flower season, and anyone who sees it is polite, and no man has dared to take the initiative to hold his hand.

Uh...

Yue Feng looked embarrassed, and quickly let go: “I was a little excited just now, His Highness An Qi calmed down.”

Pfft!

Seeing that he was a little nervous, An Qi couldn’t help laughing, with a bright smile: “Look at how nervous you are, I’m just trying to scare you.”

After speaking, An Qi looked serious: “You honestly say, why are you so interested in that holy scripture jade book?”

“This...” Yue Feng thought for a while, then smiled: “Didn’t I say it just now, I l’ve been interested in ancient books recently, and knowing that the palace has a collection of holy scriptures, I wanted to open my eyes.”

Hearing this, An Qi no longer doubted: “Well, I’ll find an opportunity that day to ask your sister, But you have to promise me, listen to me in the future, do whatever I ask you to do, and don’t refuse.”

“Okay!” Yue Feng didn’t even think about agreeing.

As long as you can find the sacred book, these conditions are nothing.

Chapter 3432 is

great.

Seeing Yue Feng’s agreement, An Qi cheered happily, then chatted with Yue Feng for a few words, and left happily.

call!

Watching An Qi leave, Yue Feng breathed a sigh of relief, and his mood suddenly improved.

With An Qi’s help, I believe that I will be able to get the holy book of jade very soon.

Thinking to himself, Yue Feng sat on the chair and comfortably brought himself a glass of wine.

“Your Excellency Fengtao...”

At this moment, a guard walked in and said respectfully, “Mrs. Lanya sent someone to invite your Excellency to the Furong Manor.”

When he said this, the guard looked respectful , At this time, Yue Feng is the commander of the palace guards, can you be polite?

Um?

Madam Lanya looking for me?

Hearing this, Yue Feng was shocked and almost jumped up.

When she was in the square before, Mrs. Lanya’s charming smile was still reminiscent of Yue Feng, but she didn’t expect that in less than two hours, Mrs. Lanya sent someone to invite him.

Thinking to himself, Yue Feng couldn't help but ask: "What's wrong with Mrs. Lanya?"
The

guard shook his head: "This, my subordinates are not very clear!"

Alright!

Yue Feng didn't ask, got up and walked out of the room. When he got to the palace, he saw a slender figure waiting there quietly. It was Mrs. Lanya's maid.

Seeing Yue Feng coming out, the maid hurriedly bowed and said politely, "Your Excellency Fengtao, please."

Yue Feng nodded and got into the unicorn car next to him.

Soon, at Furong Manor, Yue Feng couldn't help feeling secretly.

What a beautiful and elegant place.

I can see that in the manor, there are clusters of flowers, and all kinds of exotic flowers and plants are competing for beauty.

call!

Finally, under the guidance of the maid, Yue Feng came to a side hall, but the moment he stepped in, he was stunned when he saw the scene inside, and at the same time he couldn't help taking a deep breath.

I saw a graceful figure lying quietly on the soft couch in the side hall.

It was Mrs. Lanya.

At this time, Mrs. Lanya was wearing a long white dress. The material of this long dress was similar to the silk of Kyushu, showing a translucent state. The perfect curve was looming and extremely charming.

It seems that he has just drunk, and his delicate facial features are red.

More importantly, Mrs. Lanya was lying there at this time, very lazy and relaxed, coupled with that unique charming temperament, any man would fall into the trap when he saw it.

Gudong!

After watching it for more than ten seconds, Yue Feng finally came to his senses. He stepped forward and said respectfully, "Fengtao has seen Madam!" Although Yue Feng

is the commander of the guards, Madam Lanya enjoys the treatment of a marquis and cannot be compared in terms of status. .

While speaking, Yue Feng kept looking up and down Mrs. Lanya's charming figure.

To be honest, Yue Feng didn't want to be so rude, but it was hard to restrain, after all, this Madam Lanya was really charming.

"Your Excellency Fengtao!"

Mrs. Lanya smiled lightly and sat up from the soft couch, her tone indescribably soft and pleasant: "I thought that Your Excellency was the commander, it would be difficult to invite, but I didn't expect you to come, Do it, don't be rude!"

Yue Feng smiled slightly, and was not polite, walked in and sat on the chair next to him.

Immediately afterwards, Yue Feng couldn't help but ask: "I don't know why Mrs. Lanya suddenly called me here, why?"

Mrs. Lanya smiled softly: "Before in the palace square, you tamed a dozen heads at once. The golden lion shocked the audience. It is a rare talent. I am very curious. As far as I know, no one has been able to do this in the Roland continent for thousands of years. Moreover, it is the first time I have heard of the beast language. ."

Chapter 3433

It's because of the animal language again.

Hearing this, Yue Feng smiled, and immediately started talking nonsense: "Is this, in fact, the word beast language, I came up with it myself, I have the ability to communicate with beasts since I was born, I don't know if this is considered a What..."
As he

said that, Yue Feng's gaze couldn't help but scrutinize Mrs. Lanya.

After watching it for more than ten seconds, Yue Feng woke up.

Oops, she is so rude, will Mrs. Lanya be angry?

Thinking to himself, Yue Feng paid attention to Mrs. Lanya's expression, but was surprised to find that she was not at all unhappy, but adjusted her sitting posture to show her most charming curves.

Gudong!

Seeing this, Yue Feng couldn't help swallowing his saliva again.

This woman really sucks.

“Huh..”

At this time, after listening to Yue Feng’s nonsense, Mrs. Lanya couldn’t help but sigh: “It turns out that Your Excellency Fengtao is very talented, I thought this animal language can be learned by everyone, just To learn something from you, now it seems that I have no chance.”

“However, your Excellency is also a rare talent in our Golden Lion Principality. Today, Your Excellency is willing to come to my Furong Manor. It is really my honor.

” After the last sentence, Mrs. Lanya got up and walked to the table, stretched out her jade hand and poured two glasses of fine wine.

Afterwards, Mrs. Lanya handed one of the cups to Yue Feng and said with a tender smile, “I wonder if Your Excellency Fengtao is interested in having a drink with me?”
The

looming perfect curve, slender legs, and such a close distance, Yue Feng I just felt my throat was dry and my brain was a little foggy.

“Oops!”

Just when Yue Feng was stunned, he saw that Mrs. Lanya didn’t stand still, she screamed softly, and was about to fall to the ground.

Yue Feng reacted quickly, and quickly embraced Mrs. Lanya in his arms.

hiss!

In an instant, Ruan Xiang fell into his arms, and he couldn’t help gasping for air, and his bones were almost crisp.

So soft, so fragrant.

At the same time, Madam Lanya’s beautiful face was also blushing, and at the same time, her jade hand hugged Yue Feng naturally.

The next second, Mrs. Lanya said softly: “Suddenly I feel a little dizzy, Your Excellency Fengtao, can you help me to the soft collapse?” When saying this, Mrs. Lanya deliberately stuck to Yue Feng’s ear.

What the hell!

At this moment, Yue Feng only felt itchy ears, and a heart beat faster.

Is this Mrs. Lanya implying herself?

Thinking to himself, Yue Feng nodded, and then helped Mrs. Lanya to sit on the soft couch.

Sitting on the soft couch, Mrs. Lanya did not let go of her hand immediately, but still hugged Yue Feng tightly, her face blushing and indescribably beautiful: "Your Excellency Fengtao, it will be dark soon, why don't you go tonight? Just stay with me here."

When she said this, Mrs. Lanya's face was charming, but her eyes flashed with complexity.

Such blatant seduction of Yue Feng was not Mrs. Lanya's true intention, but she had no choice. She had already promised Xibo.

hiss!

At this moment, Yue Feng froze there, his brain buzzing.

Nima, what's going on?

Did I hear it wrong? This Madam Lanya wants to keep me here for the night?

Thinking to himself, Yue Feng couldn't help admiring Mrs. Lanya up close, such a beautiful stunner, who took the initiative to make such a request, and any man would not refuse it.

But at this time, Yue Feng still maintained a bit of rationality, and felt that the things in front of him were very strange.

I only met Mrs. Lanya today. Even if she admires it, it's developing too fast.

Chapter 3434

Thinking to himself, Yue Feng couldn't help but say: "I'm afraid it's not right!"

"What?"

Mrs. Lanya smiled, her delicate face was charming and unbelievably beautiful: "Could it be that I Isn't it beautiful?" After speaking, he stretched out his jade hand and hugged Yue Feng again.

At the same time, Mrs. Lanya's other hand quietly picked up some light red powder and bounced it into the air.

Mrs. Lanya's movements were very light, but Yue Feng was still aware of it.

What the hell!

Aware of this, Yue Feng frowned and couldn't help muttering secretly.

This Mrs. Lanya, asking herself to come, really has a purpose.

Muttering in his heart, Yue Feng did not see through it immediately, but planned to take the plan.

hum!

Soon, after inhaling the powder in the air, Yue Feng only felt a sense of dizziness, but Yue Feng has a physique that is invulnerable to all poisons, so he quickly woke up.

However, in front of Mrs. Lanya, Yue Feng still pretended to be confused.

"A little dizzy, this wine is a little too strong." Yue Feng covered his forehead, pretending to say, while observing Mrs. Lanya's reaction.

Mrs. Lanya smiled softly, let Yue Feng rest on her long legs, and gently rubbed Yue Feng's face with her jade hand: "Since you are tired, just rest here with me..."

While saying this, Lan Mrs. Ya's face was charming, but she was secretly relieved.

Finally got this Yue Feng done.

call!

Hearing Mrs. Lanya's gentle words, Yue Feng only felt that all the bones in his body were going to be brittle. At this time, Yue Feng wanted to know what this Madam Lanya was going to do when she made herself dizzy.

.....

On the other side, the Crescent Principality.

In a valley dozens of miles away from Pearl City, there is a beautiful valley.

At this time, on the shore of the lake in the valley, two slender figures were sitting quietly, one with a long red dress and the other with a long light blue dress. They were graceful and graceful.

It was Yanhong and Miaoying.

Five days ago, after Miao Ying was rescued by Yan Hong, she has been cultivating in this valley.

“Yanhong!”

At this time, after meditating and resting, Miaoying couldn't help but ask Yanhong, “You said you wanted to take me to see Yue Feng, but where is he?”

Yanhong smiled slightly, but did not respond immediately. , but said indifferently: “Miaoying, why are you so eager to see him? Besides, you have not fulfilled the conditions you promised me before.”

Phew!

Hearing this, Miao Ying bit her lip tightly and said, “Okay, what do you want me to do for you?” She promised Yan Hong before that as long as she could see Yue Feng, she would do anything for her.

Yanhong's eyes flickered: “At that time in Storm City, you were besieged by twelve holy knights in the Temple of Light, and you were caught, right?”

“Yes!” Miaoying replied without thinking about it. Those twelve people are very powerful.”

Yanhong nodded: “Well, you can help me find the twelve holy knights.”

What?

Miao Ying's delicate body trembled, and she stood there: “What are you doing with them?”

Yan Hong's delicate face showed a bit of arrogance: “It is said that the most powerful goddess in this world is the goddess of light. She is admired by thousands of people. I want to replace her.”

When saying this, Yan Hong's eyes flashed. firm.

Yanhong is not only arrogant, but also extremely ambitious. Since she has come to another world, she must be called an existence standing on the peak.

Seeing her expression, Miao Ying was stunned for a moment, and then she reacted: “But how do I know where the Twelve Paladins are?”

Yan Hong smiled, with a serious face: “Before you pretended to be the Goddess of Light, these Paladins are If you want to lead them out, the best way is for you to pretend to be the goddess of light again.”

“No!”

Chapter 3435

Miao Ying trembled, shook her head and refused: “I won’t impersonate anyone again.” She pretended to be the goddess of light before, which triggered wars and led to the displacement of many people. Miao Ying has a kind heart. Very regretful, how could it continue to fake the goddess of light.

Seemingly guessing that she would refuse, Yan Hong was not angry, she chuckled lightly, “Forget it if you don’t want to, and don’t want to know where Yue Feng is in the future.”

“You...”

Miao Ying stomped her feet, angrily. No, after several struggles in her heart, she nodded and said, “Okay, I promise you, but this is the last time I will pretend to be the Goddess of Light.”

Yan Hong nodded, and then rushed towards Pearl City with Miaoying.

Ten minutes later, Yanhong and Miaoying arrived over Pearl City.

It was noon at this time, and I saw an endless stream of pedestrians on the streets of Pearl City. Indescribably bustling and prosperous.

Soon, the two Yanhongs suspended in mid-air were noticed.

“Look, there are people in the sky!” Someone

shouted, and in an instant, the people of the entire Pearl City raised their heads to look at Yan Hong, all of them were dumbfounded.

Just in the middle of the sky, I saw two women, long skirts flying, beautiful curves, and beautiful facial features, as if they had been carefully crafted, they were absolutely beautiful.

“It’s so beautiful!”

“Is this a goddess descending to earth?”

Many people exclaimed in shock.

Soon, the turmoil alarmed the city lord Seth.

“Beautiful lady!”

At this moment, Seth was stunned when he saw Yanhong. After a few seconds, he quickly said respectfully, "I don't know why the lady came to Pearl City all of a sudden?" Back then,

Yue Feng was slandered and killed Du Men The old man has become a sinner in Pearl City. When the two sides fought, Yan Hong suddenly appeared and injured Yue Feng, shocking the audience. Seth was there at the time. When he saw Yan Hong, he recognized it immediately. .

At this time, Seth, while talking, his eyes moved back and forth on Yanhong and Miaoying.

These two women, one is more beautiful than the other, I don't know what is the relationship between them.

At this moment, when she heard Seth's call, Yanhong did not respond immediately, but looked around the city, a clear and cold voice resounded in the sky: "People from Pearl City, listen, the one next to me is the Goddess of Light. Your Highness, from now on, Pearl City will be directly ruled by the Goddess

! Hearing this, there was an uproar in Pearl City. The extremely beautiful woman next to her is actually the Goddess of Light? Not only that, but the goddess also rules Pearl City? Even Seth was shocked, and the whole person was blinded. As for Miao Ying, who was suspended in mid-air, her face was indifferent, without the slightest expression. Her appearance is to cooperate with Yanhong, and she doesn't need to speak at all. A few seconds later, Seth reacted and smiled bitterly at Yanhong: "This... Pearl City is under the jurisdiction of the New Moon Principality, how can it be ruled by a goddess, and..." "There is so much nonsense!" After she finished speaking, she saw Yanhong's pretty face froze as she spit out four words coldly, and then she raised her jade hand, and a burst of shock shot out, just wanting to be enveloped by Seth.

boom!

That blood-colored shock was as fast as lightning, and Seth couldn't dodge at all. The whole person was shocked and flew out, flying a few hundred meters, hitting the city gate, and died tragically on the spot!

hiss!

The entire Pearl City is silent!

The mayor died like this?

Seeing this situation, in Pearl City, whether it was the defenders or the common people, they couldn't help gasping for air, and they were extremely frightened!

“Yanhong!”

At this moment, Miaoying’s body trembled and she was furious. She couldn’t help but blamed Yanhong: “How did you kill? We didn’t agree, just let me pretend to be the goddess of light? No? Killing innocent people?”

Yan Hong said with a look of indifference: “Don’t show your love in front of me, what’s the big deal just to kill a city lord? I did this to attract the Twelve Paladins to appear as soon as possible.”

The ultimate husband in Chinese chapter 3436-3440

Chapter 3436

Speaking, Yanhong looked around, and the cold voice resounded over the entire Pearl City again.

“There should be no objection now. All the defenders listen and immediately notify the other nearby city lords. Within a day, they will come to see His Highness the Goddess.”

When the last sentence fell, Yan Hong’s delicate face showed A smile.

Miao Ying entered Pearl City as the goddess of light. As long as this matter spreads, I believe that the twelve holy knights will come soon.

“Yes...”

At this moment, the Pearl City defenders present were all terrified and at the same time responded.

Soon, the nearby towns were shocked when they learned that the Goddess of Light appeared in Pearl City and killed Seth. At the same time, the Temple of Light also got the news, and immediately sent twelve Holy Knights to investigate.

After half a day!

Yanhong and Miaoying are meditating in Seth’s manor.

Buzz...

Suddenly, I saw a dozen golden figures coming over the sea in the distance, coming quickly, each with a powerful aura.

It was the Twelve Paladins.

Sensing the powerful aura fluctuation, Yanhong stood up at once, her delicate face showing a bit of excitement: "It's coming quite fast!"

After speaking, Yanhong smiled at Miaoying and said, "Miaoying, I'll see you next."

Miao Ying nodded and said at the same time, "Yanhong, I can help you, but don't hurt anyone else." As she spoke, Miao Ying's toes were a little on the ground, and her figure looked like a graceful figure. Qinghong, flew high into the sky, and greeted the Twelve Holy Knights.

This chapter is provided by . Visit for daily update.

Swish!

Before reaching the front, the eyes of the Twelve Paladins suddenly locked on Miao Ying.

In the next second, the golden lion at the head couldn't help shouting angrily: "It's you again! You are not small, how dare you pretend to be the goddess again and again, courting death?"

When he said this, the golden lion was full of anger, I was a little surprised.

This woman, who was in Storm City at the beginning, had already been caught by herself, why did she run out again?

At the same time, the other Paladins also glared at Miao Ying.

In an instant, the atmosphere above the entire Pearl City was extremely dignified, almost overwhelming.

However, Miao Ying did not panic at all, looked at the golden lion and said indifferently: "Don't talk nonsense, I will win first."

Om!

The voice fell, and a powerful breath burst out from Miaoying's body.

"Beyond your own power!" The golden lion roared coldly, and rushed up first.

Buzzing...

At the same time, other holy knights also burst into holy power, and cooperated with the golden lion to surround Miao Ying in mid-air, and then a fierce battle broke out between the two sides.

At this time, the Twelve Paladins did not take Miaoying seriously at all. After all, they had joined forces to capture her in Storm City before, and naturally they would not take Miaoying seriously.

However, none of the twelve holy knights knew that besides Miao Ying in front of her, there was a powerful Yanhong hidden in the dark below.

At this time, sensing the movement outside, the people of Pearl City walked out of the door one after another, looking up at the fierce battle in the air, all of them were extremely shocked.

Bang Bang Bang... During

the fierce battle, I saw the twelve Holy Knights cooperate with each other and force Miao Ying to retreat.

Whoosh!

However, at this moment, a slender figure suddenly rose into the sky and attacked the golden lion, wearing a blood-red dress, drawing a gorgeous streamer in the air.

It is Yanhong.

Yes, Yanhong's plan was to attract the twelve holy knights in the light, while she was looking for opportunities in the dark.

What?

Suddenly seeing Yanhong, Jin Shi was taken aback, and at the same time wanted to turn around to fight back, but it was too late.

boom!

Yanhong slapped a palm and slapped the back of the golden lion fiercely. He heard a groan, and the figure fell directly.

"Golden Lion be careful!"

Chapter 3437

"Why is there another one?"

"It's so strong."

At this moment, the remaining Paladins were also shocked. Seeing the Golden Lion being raided, they were even more shocked, and they rushed towards Yanhong. Come.

The twelve holy knights are a whole, and the power of the joint outbreak is very strong, but at this time, the golden lion was raided, and there were only eleven people left, and the strength was greatly weakened.

Bang Bang Bang...

Soon, with the cooperation of Yan Hong and Miao Ying, the remaining eleven Paladins were all severely injured by Yan Hong and fell to the ground one by one.

However, Yanhong didn't stop there, the figure immediately fell to the ground, raised her jade hand, and sealed all the acupoints of the twelve holy knights.

Gudong, Gudong...

After sealing the acupoints, Yanhong took some pills from her body and stuffed them into the mouths of the twelve paladins. These paladins swallowed them subconsciously before they could react.

Just after swallowing the pill, the golden lion headed by him suddenly trembled, only to feel a sharp pain coming from his lower abdomen.

At the same time, the other Paladins also frowned, each one breaking out in cold sweat.

Haha...

Seeing this situation, Yan Hong looked smug: "Don't stare at me like that, the food I give you is a potent poison that I developed by myself, if there is no antidote within three days, it will kill you!"

When I left the illusory realm, Yanhong stayed with Yue Feng for a while, learned some alchemy skills from Yue Feng, and developed a poison, which is not a problem at all.

"Made!"

Hearing this, Jin Shi's complexion changed suddenly, and he looked at Yan Hong in surprise: "What a vicious woman, dare to poison me, have you thought about the consequences?" The

voice fell, and the remaining eleven The paladin was also furious and shouted at Yanhong.

"Dare to poison us, you are courting death!"

"Hurry up and take out the antidote!"

At the same time, the twelve paladins wanted to activate their holy power, but to their astonishment, their bodies were completely immune to the pain. Controlled, unable to move at all.

At this time, the twelve holy knights didn't know yet that Yanhong had tapped their acupoints, and they couldn't move at all if they didn't untie the acupoints.

"Why can't I move?" Jin Shi's face was hideous, and his eyes were blood red.

At the same time, the expressions of the other eleven Paladins also changed, and they were inexplicably panicked!

"Ma De, I can't move anymore!"

"Me too..."

"How could this be?"

Seeing this scene, Yan Hong sneered at Jin Shi, "I have tapped the acupoints for you, so naturally you can't move. alright ."

Pointing holes?

Hearing this, Jin Shi was stunned, and his anger grew even stronger.

In the next second, Jin Shi tried his best to calm himself down, took a deep breath, and said to Yan Hong, "What do you want?"

At the same time, the remaining eleven paladins also glared at Yan Hong.

Yanhong didn't panic at all, showing a charming smile, and said slowly: "Don't worry, I don't want your lives, I just need you to take us to the goddess of light!"

"As long as I see the goddess of light, I will give it to you immediately. Your antidote!"

Whoa!

Hearing this, the faces of the twelve Paladins changed greatly, and then they refused without thinking.

"Do you want to see His Highness the Goddess?"

"How noble is the Goddess, how could it be possible for you to see it?"

"Stop dreaming!" The

Twelve Paladins accused one after another, with a cold and arrogant tone in every tone.

Hearing this, Yan Hong smiled slightly, and said coldly, "Okay, since you don't agree, I won't force it. Anyway, you were poisoned, and you were given acupoints by me, so you won't survive for three days."

"I told you . You, this kind of poison, the entire Roland Continent, only I can solve it."

After speaking, Yan Hong greeted Miao Ying, and was about to turn around and leave.

Chapter 3438

"Wait!"

As soon as he took two steps, he heard the golden lion scream, his face full of unwillingness, showing deep horror.

Yanhong stopped and looked back at him with a smile: "What? Changed your mind?"

Jin Shi took a deep breath, let go of his previous arrogance, and whispered, "...I promise you!"

When he said this, Golden Lion was very suffocated. He didn't want to be submissive, but he couldn't help it. If he died of poison in three days, he would be too aggrieved.

Seeing his promise, Yanhong's mouth twitched, and then she looked at the other Paladins: "How about you?"

Huh!

The remaining eleven Paladins looked at each other and nodded.

"We have no opinion!"

Nothing is more important than life, and no one wants to die.

Seeing the twelve holy knights, all of them were subdued, Yan Hong's delicate face was full of pride, and then she went over and untied their acupuncture points.

This...

Seeing this scene, Miao Ying bit her lip lightly, her mood was indescribably complicated.

Yanhong acted too ruthlessly, she helped her deal with the twelve holy knights, and she didn't know whether it was right or wrong.

“Okay!”

At this moment, Yan Hong smiled slightly and said, “Now that you have resumed your actions, you can take me to see the Goddess of Light!” The

twelve holy knights nodded, and then boarded a boat by the sea, heading towards the light. to the island where the temple is located. Being poisoned, the Twelve Paladins could not fly.

.....

On the other side, Furong Manor.

Seeing Yue Feng closed his eyes, Mrs. Lanya thought he had passed out.

The next second, Mrs. Lan Ya put Yue Feng on the soft couch, then walked to the table and poured herself a drink.

Yue Feng quietly opened his eyes and saw Mrs. Lanya’s gaze, looking at the door, as if waiting for someone.

Squeak...

After a while, the door was gently pushed open, and a tall middle-aged man walked in slowly, wearing a gorgeous robe, his expression gloomy, and at the same time showing a bit of excitement.

It’s Xibo.

Mad!

Seeing Xibo, Yue Feng was stunned.

Why is this Xibo in Mrs. Lanya’s manor?

Muttering in his heart, Yue Feng quickly closed his eyes to avoid being noticed by Xibo and Mrs. Lanya.

“Your Excellency Commander!”

At this time, Mrs. Lanya went up to meet Xibo and said to Xibo, “You’ve come.”

Xibo glanced at Yue Feng on the soft couch, and sneered: “Have you got it done?”

Mrs. Lanya Nodding: “It’s done, I was a little worried that this Fengtao won’t take the bait, but the plan is very smooth, and it finally didn’t disappoint you.”

“Haha..”

Hearing this, Xibo couldn't help laughing . When he got up, he looked at Mrs. Lanya with a smile: “With Mrs. Lanya, you go out in person, and there is that man who doesn't like it?”

Said, Xibo hugged Mrs. Lanya in his arms, and his hands were dishonest.

Nima!

Hearing this, Yue Feng became angry and understood something.

It turned out that Mrs. Lanya took the initiative to invite me to come, and was secretly instructed by Xibo.

Thinking of this, Yue Feng wanted to teach Xibo a lesson, but he still held back.

Chapter 3439

At this time, Xibo held Mrs. Lanya more and more presumptuously.

“Hmm...”

Mrs. Lanya let out a low moan, her face flushed, and then gently pushed Xibo away: “Your Excellency Commander, calm down, don't forget that I am terminally ill and cannot be touched by men. Hearing this ,

Xibo let go of his hand reluctantly, and his face was full of regret: “Ma De, Madam is so beautiful, but it's a pity that she can see it and can't touch it!

” When she died on the battlefield, Mrs. Lanya was heartbroken, so she took poison and wanted to leave this world with her deceased husband. How could she know that she had a special body and was immune to the poison.

But because of this, the poison remained on Mrs. Lanya, and it was difficult to get rid of it.

Later, the Marquis Mengyi took a fancy to Mrs. Lanya, who was a widow. One night, the rescuer took Mrs. Lanya to her manor.

Who knew that his subordinate was also a pervert. He wanted to carry Mengyi on his back and enjoy Mrs. Lanya first, but as soon as he touched Mrs. Lanya's body, he was poisoned and died.

At that time, Meng Yi learned of the situation, and he no longer dared to attack Mrs. Lanya's idea.

Of course, Xibo knew about these things, so even though he also had unreasonable thoughts about Mrs. Lanya, he didn't dare to go too far. After all, although beauty is charming, life is not important.

Um?

At this moment, Yue Feng, who was lying on the soft couch, was stunned when he heard the conversation between the two.

This Mrs. Lanya can't be touched by men?

At this time, Xibo had taken advantage of Mrs. Lanya, and took out a whole green flesh worm from her body: "This is called a brain-eating worm, it is said that people will become insane if they eat it, so you will eat it later. "

What?

Mrs. Lanya's body trembled and she was startled: "Commander, if you want to get rid of this Feng Tao, you can just kill it at this time. Why would you give him such an evil thing?"

Xibo smiled coldly: "What do you know? He is being reused by the Queen now. If he dies in your manor, the Queen will definitely investigate. Therefore, we don't need to take this risk."

Said, Xibo took a deep breath and continued: "And , Before Meng Yi rebelled, the Queen's vitality was greatly damaged. If her trusted subordinates suddenly became insane and caused trouble in the palace, I could take advantage of it. If one day I become the king, you will be the hero. . "

Upon hearing this, Mrs. Lanya responded, but her delicate face was inexplicably uneasy.

Nima!

At the same time, Yue Feng, who was lying there, was also shocked and furious.

It turned out that this Xibo not only wanted to deal with me, but also wanted to replace the queen as the king, just like Meng Yi.

So scheming, what an old fox.

Just as Yue Feng was scolding, Xibo handed the brain-eating worm to Mrs. Lanya and left the room.

For a while, the room was very quiet.

Yue Feng squinted his eyes slightly, and saw Mrs. Lanya standing there, her heart was up and down, her face was fluctuating, and she was obviously struggling in her heart.

“Fengtao!”

Finally, Mrs. Lanya came to her senses, walked towards the soft slump, and said to Yue Feng, “I don’t want to hurt you either, but there

’s nothing you can do, don’t blame me!” Mrs. Ya thought that Yue Feng was still in a coma, but she didn’t know that Yue Feng was pretending.

The voice fell, and Mrs. Lanya was about to stuff the brain-eating worm into Yuefeng’s mouth.

popping...

But she didn’t expect that Yue Feng suddenly sat up, knocked out the brain-eating worm in her hand, and at the same time, with lightning speed, he directly clicked on her acupuncture point.

Yue Feng’s action was quick, but Mrs. Lanya didn’t react at all.

In just a moment, Mrs. Lanya couldn’t move, her delicate body was trembling, and her delicate face was full of surprise: “How...how did you wake up?”

When she said this, Mrs. Lanya was even more horrified to find that she couldn’t move.

Yue Feng chuckled and looked at her playfully: “Mrs. Lanya, I hope I can stay asleep forever! I’m sorry for disappointing you!

“

At the same time, Yue Feng’s eyes couldn’t help but look up and down Mrs. Lanya’s charming curves again.

I have to say that Mrs. Lanya is charming and charming, and her figure is very good. Thinking that this woman and Xi Bo secretly colluded to deal with him, Yue Feng thought of teaching her a lesson.

Madam Lanya was completely flustered, her delicate face flushed red: “You, let me go, what are you going to do?”

Chapter 3440

Yue Feng couldn't help laughing, with a playful expression on his face: "There are only two of us in this room, what do you think I want to do?" After speaking

, Yue Feng's eyes became more unscrupulous.

"You..."

Yue Feng's eyes made Mrs. Lanya uncomfortable, her face flushed, and she was furious: "Close your dog's eyes and get out!"

Get out?

Hearing this, Yue Feng frowned secretly, Mad, you and Xibo conspired to plot against me, is there any reason? Seeing Mrs. Lanya who was close at hand, Yue Feng felt that a nameless fire burst out from his dantian! This evil fire almost made him lose his mind.

In the next second, Yue Feng no longer hesitated, and rushed over!

"Fengtao, you are so bold, I..." Madam Lanya was panicked and kept shouting.

Stab it!

Mrs. Lanya was tapped on acupuncture points, she couldn't move at all, she couldn't tell the panic, and the next second, before she could react, Feng's lips kissed without warning.

At this moment, feeling the breath of Yue Feng, Mrs. Lanya only felt powerless for a while, and then Yue Feng completely took over

... the

other side.

Under the guidance of the twelve holy knights, Yanhong and Miaoying finally came to the island where the Temple of Light is located.

At this moment, Yan Hong and Miao Ying were both tightly bound with their hands. This is what Yanhong asked for, and the purpose is very simple, to make the goddess of light lower her guard.

call!

At the moment of landing, looking at the majestic and solemn buildings on the island, Yan Hong was indescribably excited.

The goddess of light is the highest spiritual symbol in the entire Roland continent. I will see it soon, can you not be excited?

“Yanhong!”

At this time, Miaoying couldn't help but ask in a low voice, “What are you going to do? Why do you tie your hands when we come to see the goddess of light?”

Yanhong smiled and replied, “You twice The fake goddess of light, now coming to her territory, of course we have to show some sincerity.”

“The reason why I saw the goddess of light is to ask some questions. We will send in from the chaotic vortex and return to the Kyushu continent sooner or later. This goddess of light is the pinnacle powerhouse in this world, and she definitely knows how to leave.”

After saying the last sentence, Yan Hong's face was serious, but her eyes flashed cunningly.

Speaking of which, Yanhong's real purpose is to replace the Goddess of Light and rule the Temple of Light, but Miaoying cannot know about these things, because Miaoying is kind-hearted and knows the truth, she will definitely stop it.

“Okay!” Miao Ying nodded and stopped talking.

Yanhong and Miaoying's voices were so small that the twelve holy knights who were leading the way could not hear them at all.

Soon, after passing through the square in front of the temple, I saw many powerful knights lined up neatly and imposingly.

If ordinary people came here, they would definitely be frightened, but Yan Hong and Miao Ying were indifferent.

A few minutes later, Yanhong and Miaoying were brought into the temple by the Twelve Holy Knights.

Swish!

At this moment, Yan Hong and Miao Ying's eyes landed on the throne in the temple almost simultaneously.

I saw a beautiful figure sitting quietly on the throne, dressed in a golden robe, which showed the graceful figure to the fullest, without losing the majesty, and the whole body was filled with a powerful breath.

It is Yarina, the goddess of light.

At this time, Yalina was also quietly looking at Yanhong and Miaoying.

For a time, the atmosphere of the entire temple was somewhat depressing and subtle.
