

## The ultimate husband in Chinese chapter 3441-3450

Chapter 3441

“Goddess!”

Finally, Jin Shi took the lead in reacting, taking a step forward and respectfully said to Yarina: “These two women, one of them is the person who pretended to be the goddess before, and the other is her accomplice.”

Said At these times, Jin Shi pointed at Yanhong and Miaoying. Hearing this ,

Yalina’s eyes locked on Miaoying, her tone soft and dignified: “Why are you impersonating me?”

surprise.

This woman is not only beautiful, but also has a strange power, and this power has never been seen before.

At this time, Yarina didn’t know that Miaoying was not a human being at all, but a fairy.

Miao Ying bit her lip lightly and replied, “It’s a condition of my promise to Zuri Principality to pretend to be you, so as to make excuses for them to start a war.”

In Miao Ying’s heart, these things had nothing to hide, so she just said it directly.

Seeing her answer truthfully, Yarina nodded.

In the next second, Yarina noticed something and turned her head to look at the Golden Lion and the other eleven Paladins: “Golden Lion, what happened to each of you?”

Yarina clearly felt that the Golden Lion and others, All of them were pale and weak.

The golden lion looked ashamed and smiled bitterly: “My subordinate is ashamed. When I caught these two women before, I was injured a little, but it was not a big problem!” The

voice fell, and the remaining eleven Paladins nodded in agreement. .

In their hearts, as a paladin, they were poisoned because they underestimated the enemy.

This chapter is provided by . Visit for daily update.

Moreover, when she was on the road before, Yan Hong also said that she came to see the goddess in the temple to ask some questions. Moreover, the goddess is powerful and is not afraid of what Yanhong and Miaoying will do.

What?

Twelve paladins were actually injured by these two women?

At this moment, both Yarina and the other knights outside the hall were stunned.

You must know that the Twelve Paladins, but the most powerful subordinates of the Goddess of Light, are invincible together. In the entire Roland Continent, there are almost no opponents, and they were injured by two women, which is incredible.

But on the other hand, if these two women were ordinary people, they wouldn't pretend to be the goddess of light.

Soon, Yarina recovered and said to Jin Shi and the others, "You've worked hard, please step back and rest first!"

"Yes!" Jin Shi and the

others responded in unison, and then stepped aside.

At this time, Yarina's eyes fell on Miaoying again: "The first time I pretended to be me was to make an excuse for the daily principality to start a war, I can understand this, but now the war has subsided, I ask you, why do you want to impersonating me?" The

voice was not loud, but there was no doubt about it.

This...

Miao Ying bit her lip, a bit of embarrassment on her delicate face, she didn't know how to respond.

Then, Miao Ying turned her head to look at Yan Hong. The second time impersonating the Goddess of Light was Yan Hong's idea, so she could only explain it.

At this moment, Yanhong took a step forward and looked at Yarina with a half-smile, "I asked her to do it for the second time I faked you."

Huh?

Yarina frowned and couldn't help but said, "Why?"

Yan Hong didn't talk nonsense, and said straight to the point: "Let's be honest, we are from other worlds, and we don't belong here at all. I heard that you have a supreme position in this world and know everything, so I want to see you."

Other worlds?

Hearing this, a bit of surprise and doubt appeared on Yarina's beautiful face.

Chapter 3442

At the same time, the twelve holy knights standing on both sides, as well as other knights, were also stunned.

Are these two women from another world?

No wonder the breath that pervades his body is so special.

At this moment, Yanhong took out a jade ring from her body: "If you don't believe it, you can take a look at this, this is something from our world, you don't have it here at all!"

A maid came over, took the jade ring, and then respectfully Hand it over to Ariana.

call!

At this moment, looking at the exquisite jade ring in her hand, Yalina's delicate body trembled faintly, and she was shocked.

Such a beautiful jade, this pattern, this carving technique, the entire Roland Continent can't find a second one. Could it be that what she said was true?

hum!

Just when Yalina was secretly surprised, she saw Yanhong sneer, her figure was astonished, her jade hand raised, and a palm hit Yalina.

Yes, Yanhong took out the jade ring in order to divert Yarina's attention and facilitate her raid.

At this time, Yalina was all focused on Yuhuan, and she never thought that Yanhong would suddenly attack.

"Yanhong, you..."

"Stop!"

Seeing this scene, both Miaoying and the surrounding twelve holy knights were all shocked.

Immediately afterwards, Miao Ying and the Twelve Paladins were about to stop her, but they were still a step behind.

In the blink of an eye, Yanhong rushed to Yarina, and a powerful aura burst out from Yanhong. .

“You are so bold!!”

Seeing the explosion of Yanhong, Yalina’s delicate face was full of anger. This is the Temple of Light, and this woman dares to do something to herself in public.

In a panic, Ya Lina was about to dodge, but Yanhong was too fast.

boom!

With this palm, Yan Hong burst out with all her strength, and slapped Yarina on the shoulder, she heard Yarina groan, and her delicate body was blown away.

Pfft!

After flying more than 100 meters away, Yalina finally fell heavily on the square outside the temple, her face was pale, she was indescribably weak, and a trace of blood overflowed from the corner of her mouth.

Yarina clearly felt that the woman’s palm directly disrupted the holy energy in her body.

quiet!

At this moment, there was a dead silence inside and outside the entire temple.

Finally, Miao Ying was the first to react and shouted at Yanhong, “Yanhong, what are you doing?” She said yes, she just asked this goddess of light some questions, why did she do it?

Yanhong showed a smile and said lightly: “Miaoying, we have been away from the illusory realm for so long, and we have experienced so many things, why are you still so naive?”

“There is an old saying in the Kyushu continent, which is called ‘when it comes, Ze Anzhi’. Since we were spread to this Roland Continent by the chaotic vortex, it is God’s will, why should we go back?”

“To tell you the truth, the real purpose of my coming here is not to ask her for advice at all, but to replace it. Her position as the goddess of light.”

Those words, like thunder, rang in the ears of everyone present.

At this moment, both Miao Ying and the others around her were all stunned.

Soon, Miaoying reacted, anxious and angry: “Yanhong, you are lying to me again!”

At this time, Miao Ying was very regretful. She had known that Yan Hong had such ambitions, she should not have listened to her before, and once again pretended to be the Goddess of Light.

Whoa!

At the same time, the golden lion and the other paladins also recovered and shouted angrily at Yanhong.

“You despicable and sinister woman, lie to us...”

“It’s really like a snake...”

Chapter 3443

“Damn, it’s terrible.”

Like Miao Ying, the Twelve Paladins at this time were also very angry.

I thought that Yanhong used the poison to force herself to bring her to the temple, just to see the goddess and ask some questions, but she never thought that she wanted to replace the goddess of light.

Invisibly, these people are her accomplices by bringing wolves into the house.

In anger, Jin Shi and others wanted to rush over to check on Yarina’s situation, but they were all poisoned and extremely weak.

Hearing the angry shouts of the Twelve Paladins, Yanhong looked indifferent.

In the next second, Yanhong looked at Miaoying and said lightly: “Miaoying, you are really stupid, I replaced the goddess of light, it is only good for us, not bad, think about it, as long as I control the temple of light, After that, everything we do will be easy.”

Hearing this, Miao Ying wanted to refute, but she didn’t know how to speak.

“Huh!”

At this time, Yalina stood up slowly, her face was pale, and she stared at Yanhong and said, "I didn't expect you to be so beautiful, yet so evil in your heart. Can you control the Temple of Light?"

Yarina was very annoyed when she said this.

It's shameful to be attacked by a woman, the dignified goddess of light, but I have to say that this woman's power is really strong.

Thinking to herself, Yalina glanced at Yanhong coldly, she really underestimated the enemy just now!

"Haha!"

Feeling Yarina's anger, Yanhong didn't panic at all and smiled: "Whether you have the strength to control the Temple of Light, you will find out later."

"By the way, I forgot to tell you that in addition to being injured by us, these twelve Paladins were also poisoned."

"Do you think they caught us both? Actually, I asked them to bring me to see you. Yours."

When saying this, Yan Hong's delicate face was full of pride.

What?

Hearing this, Yalina's delicate body trembled, and she couldn't help but look at Jin Shi and the others.

Seeing Yarina looking over, Jin Shi and the others were all ashamed and lowered their heads one by one.

Seeing this situation, Yan Hong became more and more complacent, and continued at Yarina: "You have been injured by me, and the lives of the twelve holy knights are also in my hands. Tell me, is this Temple of Light? Already under my control?"

"Bold!"

At this moment, a roar came, followed by a burly figure, swiftly approaching, with a strong aura permeating his body.

A golden armor, majestic, the realm of the Holy Spirit.

It was the head of the knights in charge of guarding the temple, Taito.

Taitu's status is slightly lower than that of the Twelve Paladins, but his strength is comparable to that of the Golden Lion and others, and he is highly valued by Yarina. Seeing Yarina being raided at this time, she couldn't help it.

Seeing Tai Tu, Yan Hong's eyes were full of contempt: "Beyond one's own strength!"

Yan Hong's gaze made Tai Tu feel extremely humiliated, her eyes were blood red, she summoned a big sword and roared, "Dare to treat the goddess. Take action and die!"

"Knights, defend the goddess, guard the temple!" The

voice fell, and Taito rose into the sky!

swoosh swish...

Hearing Taitu's cry, many Templars rushed up one after another, rushing towards Yanhong like a tidal wave.

In addition to the twelve holy knights, there are thousands of ordinary knights left in the temple, and they are not low in strength.

hum!

In an instant, Tai Tu and nearly a thousand knights erupted at the same time, and the condensed breath distorted the sky, and the momentum was amazing.

However, Yanhong was not panic at all.

"A bunch of ants, if you want to die, I will fulfill you." An icy voice came from Yanhong's mouth, as if from hell.

In the next second, Yan Hong's delicate body rose to the sky, suspended high in the sky, and then raised her jade hand, she saw that a blood-colored light ripped apart the world and swept towards the Taitu people!

Chapter 3444

"Ah!" In the

blink of an eye, everyone in Taitu was swept away by the blood-colored rays of light, and there was a loud noise. Then, one by one fell from the air and fell into a pool of blood.

hiss!

Seeing this scene, both Yarina and the Twelve Paladins were shocked.

The strength of this woman is really strong.

At the same time, Miao Ying, who was standing beside her, was also trembling, staring at Yan Hong, unable to speak.

Haven't seen her for a while, her strength has become so terrifying? Could it be that she has completely integrated the power of Hades?

At this moment, Miao Ying could clearly feel that the strength of Yanhong in front of her had more than doubled compared to the previous one. Obviously, the power of the Hades that Yanhong had obtained from Duan Yu had been completely integrated by her.

At this moment, Yanhong's figure fell to the ground, her delicate face full of arrogance: "How dare you attack me with this amount of strength? I don't know whether to live or die!"

Immediately, Yanhong looked around and said coldly, "Who else is there? If you do n't agree, come up." The

voice was not loud, but there was a palpating aura.

quiet!

The entire Temple Square was silent, and a drop of a needle could be heard clearly.

Seeing the situation, the corners of Yanhong's mouth twitched, and she said to Jinshi and the others, "It seems that no one has any objection. From now on, I am the goddess of light. You guys, lock up this former goddess first.

" At these words, Jin Shi and the others looked at each other in dismay, feeling extremely humiliated.

Seeing that they didn't move, Yan Hong frowned: "What? You don't want the antidote?"

Feeling the coldness in Yanhong's eyes, Jin Shi and the others all trembled, and then Jin Shi hurriedly said, "Yes." After the words

fell, Jin Shi and the others, a paladin, walked over together and helped Yarina. up.

"You guys..."

Yarina wanted to resist, but she was slapped by Yanhong just now, and she was not lightly injured, so she could only shout coquettishly, "Are you going to betray me? " Jin Shi

's face was full of bitterness, and he hurriedly whispered : "Goddess calm down, we can't help ourselves like this, but don't worry, we will rescue you when we find an opportunity. Now, we can only ask the goddess to be wronged temporarily."

When saying this, the golden lion looked sincere.

Jin Lion thought about it, the situation in front of him, and Yan Hong's head-to-head confrontation, was completely courting death. It is better to pretend to be loyal for the time being, and then find a way to deal with her when he gets the antidote and his strength recovers.

Hearing this, Yarina didn't say anything.

Soon, Yalina was imprisoned.

"Pass my order!"

At this time, Yan Hong was sitting on the throne of the temple, with a smile on her beautiful face, she said slowly: "Immediately look for a person named Yue Feng, and after finding it, bring it to me immediately. !"

"Yes." The knights present responded in unison.

At this moment, Yanhong was very happy, looked at the silent Miaoying, smiled and said: "Miaoying, have you seen it, with the supreme power, there is nothing that cannot be done, you will soon be able to meet Yue Feng! "

Hoo!

Miaoying sighed softly: "I hope you don't lie to me this time!"

..... On the

other side, Furong Manor.

In the room, after a lot of cloud and rain, Yue Feng released all the evil fire to Mrs. Lanya.

Under Yue Feng, Mrs. Lanya's delicate face still had a trace of blush, her eyes were staring at Yue Feng with a bit of anger, shyness, and complexity.

"Madam!" Looking at Madam Lanya's eyes, Yue Feng said with a smile: "Why are you looking at me like this? Are you still not satisfied

?" Hearing this, Mrs. Lanya's face flushed, and she said angrily, "Get out of the way!" Yue Feng smiled and got up.

## Chapter 3445

“You...” The more she thought about it, the angrier Mrs. Lanya said: “Wait for death!” She was a dignified countess, but was blasphemed by this person.

However, he has a highly poisonous body on his body. If he touches himself, he will soon die from the poison. This can be regarded as a punishment for him.

call!

Hearing this, Yue Feng was stunned for a moment. He was in a trance. When Xibo was there, he seemed to say that Mrs. Lanya was poisonous. ?

However, if you are immune to all poisons, what are you afraid of?

Thinking to himself, Yue Feng showed a smile and said to Mrs. Lanya: “It’s romantic to be a ghost, haha...” After saying that, he walked to the table, poured a glass of wine, and drank it slowly. stand up.

“You...”

Mrs. Lanya was ashamed and angry, this Fengtao really didn’t know whether to live or die, he had already been infected with his own poison, and he still spoke so impolitely.

Thinking to herself, Mrs. Lanya stopped talking, but looked at Yue Feng coldly, waiting for him to die.

One minute...

two minutes...

soon, ten minutes later, Yue Feng’s face was red, and there was no sign of poisoning.

This...

Seeing this scene, Mrs. Lan Ya’s body trembled, and her whole body was covered.

How could this be? “I’m surprised, right!” Yue Feng put down his wine glass and said with a smile: “My physique is quite special, and I won’t invade

a hundred poisons. So, if you want to see me die from poison, I’m afraid you’ll be disappointed again.”

?

Hearing this, Mrs. Lanya bit her lip tightly, unable to speak for a while, and deep down, she was extremely complicated and tangled.

No wonder he was so bold and dared to touch himself.

Thinking to herself, Mrs. Lan Ya couldn't help but looked at Yue Feng, a blush appeared on her charming and delicate face.

To be honest, Madam Lanya hated Yue Feng to death just now, and wished that he would die immediately, but knowing that he was not afraid of poison, Madam Lanya's mood suddenly had some subtle changes.

Since her husband's death, Mrs. Lanya has been a widow. Because of her highly poisonous matter, no man dares to touch her. She felt the taste of a man-woman affair in Yue Feng just now, and suddenly hated Yue Feng.

You know, Mrs. Lanya at this time is just a good age.

Seeing Mrs. Lanya's silence, her expression became subtle, Yue Feng couldn't help but ask: "Will Mrs. still kill me?"

"Fengtao!"

Mrs. Lanya did not answer immediately, but silently put on her clothes and bit her lip. , said softly: "Let's go, and pretend nothing happened tonight!"

At this time, Mrs. Lanya had a different feeling about Yue Feng, but she held her own identity and would not say it herself.

"Madam, don't worry!"

Yue Feng showed a smile and said seriously: "Since you don't care, I won't talk nonsense!"

After speaking, Yue Feng turned around and continued: "However, Xibo plotted against me, I will never let this go."

What?

Hearing this, Mrs. Lan Ya's delicate body trembled, and she looked at Yue Feng in disbelief: "How do you know?" When Xibo came in just now, he was clearly still in a coma.

Yue Feng smiled slightly: "Do you think I was really in a coma just now? I just pretended, I heard everything Xibo came in and said to you, otherwise, when you used brain-eating worms to deal with me just now, how could I? Suddenly getting up?"

At this moment, Madam Lanya was completely stunned.

Yue Feng said no more, walked over, picked up the brain-eating worm that had fallen on the ground before, and after putting it away, smiled at Mrs. Lanya: "Madam, it's getting late, take a good rest, I'm leaving. !" The

last sentence fell, Yue Feng opened the door and strode away.

call!

At this moment, seeing Yue Feng's figure disappear into the night, Mrs. Lanya stayed there, unable to calm down for a long time.

I thought that tonight was well planned, but I didn't expect that nothing could be hidden from him. This man is really unfathomable.

## **The ultimate husband in Chinese chapter 3446-3450**

Chapter 3446

Shortly after Yue Feng left, Mrs. Lanya got dressed and tidied up at the same time.

After doing this, Mrs. Lanya ordered Xibo to be called.

"Haha.."

The moment he entered the room, seeing Yue Feng's absence, Xi Bo smiled: "Good lady, how is the plan going?" When he said this, Xi Bo was full of anticipation.

call!

Mrs. Lanya breathed a sigh of relief and responded, "The brain-eating worm has been successfully fed to Feng Tao. He didn't notice anything after waking up, and he has now left."

At this time, Mrs. Lanya's face was indifferent, but her heart It's not stressful.

The plan was seen through by Feng Tao long ago. Not only that, but he also had his body occupied by him, and the brain-eating worm did not let Yue Feng take it at all. It was just such a thing, how could he tell Xibo?

Haha..

Hearing this, Xibo couldn't be more excited: "That's great, Madam, you have helped me a lot. I heard that there will be an envoy from the Principality of the Sun tomorrow who will meet the Queen. When the time comes, the Queen will definitely be there. The

banquet is set, and Feng Tao takes the brain-eating worm, so he will definitely make a fool of himself at the banquet.”

“As long as he makes a fool of himself at the banquet and loses the face of our Golden Lion Principality, the Queen will definitely not forgive him, haha... At

this time, Xibo was very excited and didn't realize that he was deceived by Mrs. Lanya.

At this moment, Mrs. Lan Ya accompanied her and said with a smile: “Then congratulations to Your Excellency Commander-in-Chief.”

other side.

This chapter is provided by . Visit for daily update.

Yue Feng returned to the palace and went to his room. Seeing that it was still early, he began to study the brain-eating worm.

call!

After careful observation, Yue Feng was very surprised, and saw that this brain-eating worm was only the size of a fingernail, and its whole body was transparent. It was difficult to find it in any place.

In particular, throw the brain-eating worm into the water glass and completely melt with the water.

After observing for a while, Yue Feng couldn't help feeling secretly.

I didn't expect that there are such strange things in this different world.

Yue Feng thought about it, if there is a chance, he must give this brain-eating worm to Xibo, and he will use his own way and give him his body. ‘

Having made up his mind, Yue Feng collected the brain-eating worms, and took advantage of the night to quietly head towards the Queen's palace. At this time, the Queen should have a rest, just in time to look up the sacred book.

Speaking of which, although An Qi promised Yue Feng to help him find the sacred book, but An Qi is very strange, and when she gets the sacred book, who knows if she will make excessive demands. In this case Next, Yue Feng still feels that it is better to rely on himself.

Um?

When approaching the Queen's bedroom, I saw bright lights inside.

What the hell!

Yue Feng hurriedly slowed down his steps, and at the same time froze for a while, it's so late, the Queen hasn't rested yet?

"Who?"

At this time, the guards guarding outside the palace found Yue Feng and couldn't help but scold him.

When he was discovered, Yue Feng didn't panic at all. He walked up and said, "It's me!"

Seeing Yue Feng, several guards hurriedly saluted, "I've seen Your Excellency Commander." It's not what it used to be, so you're welcome.

Yue Feng nodded, indicating that there is no need to be more polite.

"Is it Feng Tao outside?"

At this moment, the Queen's voice came out from the bedroom, which was indescribably soft and pleasant, and at the same time revealed a bit of majesty.

Yue Feng hurriedly said, "Yes, Your Majesty."

"Come in!"

Yue Feng did not dare to disobey and slowly walked into the bedroom.

Um?

When he arrived in the bedroom, Yue Feng was stunned when he saw the scene in front of him.

Chapter 3447

saw that the queen was sitting in front of the desk, her delicate face showing a bit of solemnity and exhaustion, and there were many files on the desk.

This queen seems to be high on weekdays, who can know the hard work behind her!

At this moment, Yue Feng couldn't help feeling secretly.

"Fengtao!"

At this moment, the Queen looked at Yue Feng and said softly, "You came just in time, I have something to ask you."

Yue Feng suddenly panicked.

I'm going, I'm going to find the holy book of jade, I won't let her know, right?

Thinking to himself, Yue Feng walked over.

As soon as she arrived, the queen pushed over the file on the case: "Before Mengyi used the assassin to make a riot in the palace, and took the opportunity to rebel. Afterwards, I dealt with many of his comrades. But I didn't expect that there are still fish caught in the net, look."

Hearing this, Yue Feng frowned, and then took the file.

Sibo?

The next second, Yue Feng was taken aback when he saw the contents of the dossier, and saw that the contents of Xibo and Mengyi's conspiracy to rebel were recorded in detail.

It turned out that when Meng Yi attacked the queen that night, Xibo also secretly called his subordinates outside the palace, ready to cooperate with Meng Yi. Later, Meng Yi was killed by the queen. After Xibo knew the situation, he immediately canceled the plan.

Mad, I didn't expect this Xibo to be a wolf's ambition.

"Fengtao!"

At this moment, the Queen looked closely at Yue Feng: "Are you willing to help me deal with Xibo?"

Yue Feng was stunned for a moment, then smiled: "This file is the proof, just take Xibo for inquiry tomorrow." The

queen shook her head: "These files are not proof at all, and Xibo is cunning and treacherous. When the time comes, you will definitely find a bunch of reasons to justify yourself."

Phew!

Hearing this, Yue Feng pondered, and couldn't help but ask: "Your Majesty, why do you believe me so much?"

“Since Mengyi rebelled, I discovered that there are many hidden dangers in the Principality, and the people I can trust, Very few.” The Queen responded slowly.

What the Queen said is right. There are only a handful of people who can trust her very much in the current Golden Lion Principality.

At this moment, Yue Feng was very sympathetic: “Don’t worry, Your Majesty, I will do my best to help you eradicate this Xibo.”

When he said this, Yue Feng’s face was serious, but there were bursts of sneer in his heart.

Mad, this Xibo, secretly conspired with Mrs. Lanya to figure out how to deal with him, but now the Queen has spoken, which is a pleasant surprise.

The queen explained a few more words and let Yue Feng back down.

....

the next morning early in the morning. The queen called everyone in the hall to discuss political affairs, and Yue Feng was also called over. Originally, Yue Feng was ineligible, but now he is the commander of the palace guards, and his identity is different.

When I arrived at the main hall, I saw Xibo and many city lords have arrived, standing neatly on both sides of the main hall.

The queen sat on the throne, wearing a gorgeous robe, showing her exquisite figure perfectly, with a thousand manners, and her whole body was filled with a powerful royal majesty.

Seeing this scene, Yue Feng took a deep breath, walked over, and stood beside the Queen.

“Report!”

At this moment, a knight walked in quickly, knelt on the ground and said respectfully: “Your Majesty, the envoy of the Principality of the Sun, come to see me!” The

queen nodded and said, “Let him come in.”

Shui!

The voice fell, and everyone in the hall looked towards the door of the hall.

I saw a man walking in slowly. Wearing a dark green robe with extraordinary imposing manner, it is Zhan Chao, the city lord of Aoki City, the Principality of Ziri.

Nima, it's him!

At this moment, seeing Zhan Chao, Yue Feng's heart trembled, and a wave of anger also rose faintly.

Chapter 3448

At that time, the Principality of Ziri failed to launch the war, and then the five principalities put pressure on the Principality to surrender Yue Feng, otherwise they would jointly attack the Principality of Ziri.

The Principality of Ziri was under pressure, so Zhan Chao secretly calculated Yue Feng, and then handed over Yue Feng.

Yue Feng will never forget this.

At this time, seeing Zhan Chao as a messenger who came to meet the Queen of the Golden Lion Principality, Yue Feng had a hard time calming down.

call!

At this time, Zhan Chao walked to the center of the hall and bowed 90 degrees to the Queen: "Zhan Chao, the Principality of the Sun, see Her Majesty the Queen!"

As he spoke, Zhan Chao couldn't help but stare at the Queen.

Beautiful, so beautiful.

I have always heard before that the Queen of the Golden Lion Principality is a peerless beauty, like a goddess descended to earth, and seeing her today, she really deserves her reputation.

"Wow!"

Seeing Zhan Chao's eyes being so rude, everyone present was furious.

It's so rude for this Zhan Chao to stare at the Queen so recklessly!

Soon, Xibo came out and scolded Zhan Chao coldly: "You are so bold, you dare to look directly at Her Majesty the Queen, are you all so rude in the Principality of the Sun?"

"Om!"

When he said this, a very strong breath burst out from Xibo, and his eyes locked Zhan Chao tightly.

For a time, the atmosphere in the entire hall was depressed, and it was almost breathless.

“call...”

Feeling the powerful aura on Xibo, Zhan Chao's expression changed, and then he smiled slightly: “This is Your Excellency Xibo, the commander of the guard army, don't get me wrong, how dare I be rude to Her Majesty the Queen? It's the first time I saw Her Majesty the Queen. , I was shocked by His Majesty's face and temperament for a while, and there was only awe in his heart, no blasphemy at all.”

After speaking, Zhan Chao looked at the Queen and continued: “Also, Her Majesty the Queen is gracious and kind, and will forgive me for a while. I 'm sorry.”

When he said this, Zhan Chao looked calm.

After the failure to launch the war, the Principality of Ziri tried to repair its relationship with the other five principalities. As a messenger, Zhan Chao, of course, had to be neither humble nor arrogant.

“Okay!”

At this time, the Queen's red lips lightly opened, and she said, “Xibo, please step back first, this Zhan Chao said it well, the behavior just now is not rude!”

Seeing the Queen's opening, Xibo took a deep breath Breathe, step aside.

At this time, Zhan Chao showed a smile and said to the Queen, “Your Majesty, it's really inappropriate for us to start a war rashly before the Principality of Ziri. This time I'm here to express my apology.” After

that, Zhan Chao continued. : “Furthermore, this time, I brought a gift on purpose.” A gift?

Hearing this, whether it was the queen or the people in the hall, all of them became interested.

Afterwards, Xibo frowned and said angrily: “Where is the gift?”

Zhan Chao smiled slightly: “It's a bit abrupt to say, I brought three powerful golden lions, which are now in the square outside. “

Golden lion?

For a time, everyone in the hall was stunned, and then they couldn't help laughing.

Ha ha....

This Zhan Chao is really interesting. He even brought a golden lion as a gift. Don't you know that the golden lion is the most indispensable thing in the Principality of the Golden Lion? It can be said that all the Golden Lion populations in Roland Continent live in the Golden Lion Principality.

In the face of everyone's laughter, Zhan Chao did not get angry at all, and said slowly: "Speaking of which, the three golden lions I brought, whether it is breed or bloodline, are the best of the best, please, Her Majesty, move one View." The

voice fell, and he took the lead out of the hall.

The queen pondered for a while, stepped down from the throne and went outside the hall, followed by Yue Feng and Xibo!

call!

Chapter 3449 Arriving

outside the main hall, everyone was stunned when they saw the scene in front of them!

I saw that there were three huge iron cages on the square, and three powerful golden lions were locked in them. The golden hair was very pure and majestic, and it was no worse than the domestication of the king's palace.

"This...these three golden lions are really superb!"

"I didn't expect that the Principality of Zuri would be able to tame such a powerful golden lion."

"It seems that the Principality of Ziri is really sincere this time!"

"Yue Feng frowned secretly in response to everyone's discussion. Mad, this Zhan Chao is very insidious. He came to visit the Golden Lion Principality this time and brought three golden lions on purpose. There must be another purpose.

really.

Just when Yue Feng was muttering in secret, he saw Zhan Chao salute the Queen and said with a smile, "Your Majesty, as we all know, your Golden Lion Principality is the best at taming golden lions, I wonder if you are interested, take your domesticated golden lions, and compare with these three golden lions."

As he spoke, Zhan Chao looked casual, but his eyes flashed with cunning.

This time, Zhan Chao is visiting on behalf of the Ziri Principality. In addition to easing the relationship with the five principalities, he also wants to show his strength. Isn't the Golden Lion Principality good at domesticating golden lions? If it can use these three golden lions to defeat the golden lions of the Golden Lion Principality, it will be too much of a face.

Whoa!

At this moment, Xibo and the people around him all had solemn expressions, and there were many discussions.

"What did he say? To compare these three golden lions with our golden lions?"

"Haha, this Zhan Chao seems to be a little more confident!"

"But then again, these three golden lions are really strong. There is a holy realm at one end."

Listening to everyone's discussion, the queen also frowned.

At this time, Zhan Chao showed a smile and said slowly: "These three golden lions are the strength of the upper sage, the middle sage, and the lower sage, as long as you also pick out three golden lions with equal strength. , to play a friendly game."

"I'm just making a suggestion, it doesn't matter whether you win or lose, I just want to have fun. If Her Majesty doesn't want to, then forget it! Hehe..."

These words seem to be innocuous. , but everyone present felt a sense of being provoked invisibly after listening to it.

This Zhan Chao said it nicely, but it was just a friendly match, but if the Golden Lion Principality lost, it would be too embarrassing.

call!

At this time, the Queen reacted and looked around: "What do you think?"

Seeing the Queen asking, everyone looked at each other, not knowing how to respond.

This friendly match is about the face of the Golden Lion Principality, and no one dares to express an opinion rashly.

"Your Majesty!"

At this moment, Xibo walked out of the crowd and shouted: "Since this Zhan Chao has said it, let's compare it, but I have a suggestion." After speaking

, Xibo pointed to Yue Feng: "Mr. Fengtao, don't you know the animal language? This time, leave it to him." The

last sentence fell, Xibo's expression was calm, but his eyes flashed coldly.

Yes, Seabow did it on purpose.

This golden lion fight is about the face of the principality of the golden lion. Once it loses, Yue Feng, as the person in charge, will be to blame. More importantly, Yue Feng took brain-eating insects last night, which will definitely cause problems. Yes, at that time, the Queen will definitely not be able to spare him.

At this time, Xibo didn't know that Shang Yuefeng didn't take brain-eating insects last night.

Swish!

At this moment, the eyes of everyone in the audience suddenly converged on Yue Feng, and at the same time, many people nodded in agreement.

"Yes, Your Excellency Fengtao is proficient in animal language. Under his command, our golden lions will definitely be able to show their

might .

"

The discussions kept coming, Yue Feng frowned, and he couldn't help but scolded secretly in his heart.

Mad, this Xibo is really insidious, and wants to make a fool of himself anytime, anywhere.

Chapter 3450

Huh?

At the same time, Zhan Chao also discovered Yue Feng, and he was stunned.

Zhan Chao's eyes were always on the Queen before, and he didn't notice Yue Feng at all. When he saw Yue Feng at this time, he only felt his brain buzzing.

This Feng Tao, who was sent to the Golden Lion Principality as a prisoner at the beginning, should not be locked in a prison? How did you become a palace guard? Moreover, the status is still high?

Seeing Zhan Chao's shocked look, Yue Feng sneered.

"Fengtao!"

At this moment, the queen said softly: "Everyone recommends you, what do you mean?"

Yue Feng took a deep breath and smiled slightly: "Since you all trust me so much, then this time the competition, leave it to me."

"Okay!" The queen nodded, and then instructed the knights behind her to pick the golden lion.

Soon, three golden lions were selected, and their strengths were the same as those brought by Zhan Chao. They were the strengths of the upper saint, the middle saint, and the lower saint.

call!

At this moment, the surrounding people suddenly quieted down, and at the same time their eyes were extremely complicated.

Although the Golden Lions on both sides had the same strength, once they lost, the Principality of the Golden Lions would be embarrassed.

Seeing this scene, Zhan Chao showed a smile.

Haha...

The people from the Golden Lion Principality seem to be nervous.

This time, even if he loses in the golden lion battle, it doesn't hurt. After all, the Principality of Zuri is not good at domesticating golden lions at all. If it wins, it will be even better. After returning, the king knows that he will definitely reward him.

Thinking to himself, Zhan Chao looked at Yue Feng triumphantly: "Your Excellency Feng Tao, are you ready?"

Yue Feng chuckled and said lightly, "It's just a golden lion fight, what's the point of preparing? You say Let's talk about the rules."

Rules?

Zhan Chao was stunned for a moment, then smiled: "Whatever, the three golden lions can go up together, or they can compete separately."

One idiot!

Hearing this, Yue Feng smiled secretly, this Zhan Chao, who just wanted to be in the limelight, didn't even think about the rules in advance, he was really stupid.

Thinking to himself, Yue Feng said word by word, "Well, the three golden lions will be divided into three trials and two wins in three rounds, how about it?" .

"Okay!" Zhan Chao nodded in agreement without thinking about it.

At this time, under the Queen's order, many guards used iron fences to encircle the square into a battle arena.

Zhan Chao was full of confidence, walked over directly, and released the golden lion whose strength was the saint of the upper section.

call!

Seeing this scene, everyone's eyes converged on Yue Feng.

In the first match, the opponent released the strongest golden lion. Judging from this situation, the opening was a fierce battle.

However, Yue Feng did not panic at all, and released a golden lion here. However, the strength of the golden lion released is that of the next Saint Venerable.

What?

Seeing this scene, both the Queen and the others were stunned.

What is this wind wave doing?

Using a golden lion of the lower saint to deal with the golden lion of the upper saint of the other party, isn't this a loser?

In shock, Xibo couldn't help shouting: "Fengtao, what are you doing? Are you afraid we can't lose?" Said that, but Xibo was excited.

Haha...

This wind wave must be the brain-eating worm in the body, otherwise how could it be so stupid?

At the same time, the queen frowned.

An Qi, who was standing on the side, couldn't help but come over and pulled Yue Feng and said, "Fengtao, did you choose the wrong one?"
