

The ultimate husband in Chinese chapter 3451-3460

Chapter 3451

Use the golden lion of the lower sage to deal with the golden lion of the upper sage, there is no possibility of winning.

Yue Feng showed a smile and comforted: "Don't panic, we can't lose!"

At this moment, Yue Feng looked confident.

When he asked about Zhan Chao's rules just now, Yue Feng thought of the allusion to 'Tian Ji's horse racing' in the Kyushu mainland.

This allusion tells the story of Sun Bin, a famous advisor in the Warring States Period. At that time, Sun Bin used to be a counselor under the great general Tian Ji, and Tian Ji liked to race horses with the prince of Qi State very much. Sun Bin found out that the horses in the competition were divided into upper, middle and lower classes, so he said to Tian Ji: Use your inferior horses to deal with them. Their top horses, use the top horses against their medium horses, and then use the medium horses against their inferior horses, and you can win the unfamiliar.

At that time, Tian Ji adopted Sun Bin's strategy and really won the horse race.

Yue Feng was familiar with the ancient books of Kyushu, and he couldn't be more familiar with this allusion.

"Haha..."

At this time, Zhan Chao, who was on the opposite side, couldn't help laughing, and shouted at Yue Feng, "Your Excellency Feng Tao, are you so unconfident about your golden lion? If you choose, you can't change it."

At this time, Zhan Chao didn't realize Yue Feng's true intention, thinking that Yue Feng had made a low-level mistake.

idiot!

Yue Feng chuckled lightly, glanced at Zhan Chao, and said lightly: "Don't worry, I won't change it after I choose." After saying that, he walked towards the golden lion of the next Saint Venerable.

When he got to the front, Yue Feng secretly urged the imperial beast ring and said to the golden lion: "Golden lion, golden lion, in this first fight, you will definitely not be able to beat the opponent, you don't have to go all out, wait until the right time. When the time comes, take it easy."

In Yue Feng's heart, although the golden lion is a beast, it is also a living creature.

“Roar!”

This chapter is provided by . Visit for daily update.

The golden lion heard Yue Feng's exhortation clearly and let out a low roar in response.

“Tsk tsk...”

Seeing this scene, Zhan Chao sneered: “Your Excellency Fengtao, did I read it wrong? You were talking to Jinshi just now? Haha... It's just a beast, can he understand you? “

Yue Feng didn't bother to pay attention to it, he waved his hand and signaled the fight to start.

In an instant, the two golden lions were driven into the arena.

“Roar!”

At this moment, I saw Zhan Chao's golden lion, with an aura like a rainbow, let out a roar, and pounced directly.

Yue Feng's golden lion was not to be outdone, roaring and attacking, and instantly bitten together.

There are two golden lions, one upper tier saint and one lower tier saint, and their strengths are very different.

After fighting for a few minutes, Yue Feng's golden lion gave up his counterattack and lay on the ground with his belly turned upside down. This was a sign of weakness to his opponent. The golden lion is quite spiritual and obeyed Yue Feng's previous instructions.

Sure enough, Zhan Chao's golden lion stopped attacking when he saw that the opponent was submissive.

“Haha...”

Seeing this scene, Zhan Chao couldn't help but sneered at Yue Feng: “Your Excellency Fengtao, you lost the first game, I don't think you need to... “

Huh?

Halfway through the words, Zhan Chao saw the two golden lions behind Yue Feng, and suddenly understood something, and the whole person was stunned.

The opponent now has the golden lions in the upper and middle ranks, and on his side, the golden lions in the middle and lower ranks are left, and they continue to fight, as if they have no chance of winning.

Whoa!

At the same time, the Queen and the people around them finally understood Yue Feng's strategy and cheered one by one.

"I seem to understand..."

"Haha, I see it too. Using one's own strengths to deal with the opponent's weaknesses, Lord Fengtao's strategy is really wonderful."

"Yes, Lord Fengtao's thoughts . The agility is really admirable."

The admiration of the crowd came, and the queen also showed a smile, looking at Yue Feng's eyes, full of admiration.

At this time, Yue Feng looked at Zhan Chao with a smile: "Zhan Chao, do you still need a comparison in the second game?"

"..."

Zhan Chao blushed and opened his mouth, but he couldn't say a word.

Chapter 3452

Call!

After more than ten seconds, Zhan Chao reacted and nodded at Yue Feng: "Your wit is really admirable. There is no need to compare the next two games, I lost!"

Seriously, Xiang Yue Feng admits defeat, and Zhan Chao has ten thousand reluctance in his heart.

But there is no way, the next two games, there is no possibility of winning.

Whoa!

Seeing Zhan Chao admit defeat, the audience cheered.

"Fengtao!"

At the same time, An Qi was also smiling happily, looking at Yue Feng's eyes full of admiration.

Excited, An Qi suddenly forgot her identity, hugged Yue Feng's arm intimately, and said with a smile, "How did you come up with this method? It's so clever."

Yue Feng looked dangerous: "It's nothing, It 's just an idea!"

There are countless allusions in the Kyushu mainland, and just name one is a classic among the classics.

Phew...

Seeing this scene, everyone around looked complicated.

Her Royal Highness An Qi seemed to be a little overexcited. As the Queen's younger sister, she was so close to Feng Tao at this time, which was really inappropriate.

At the same time, the Queen's delicate face also revealed a bit of subtlety, and she couldn't help but softly said: "An Qi..."

Hearing the call, An Qi was stunned. I understood something, my face blushed, and I quickly let go of my hand.

What happened to yourself? So many people actually held Feng Tao's arm.

But then again, Fengtao is witty and has to be admired.

"Fengtao!"

At this moment, the queen's eyes fell on Yue Feng, her beautiful face couldn't hide her inner appreciation, and she said slowly: "Yes, such a wonderful fight is really rare, it didn't disappoint me. !"

When she said this, the queen's eyes were full of smiles.

Yue Feng smiled slightly, very humble: "Your Majesty praised it!"

At this moment, other people around him also gathered around, and they all flattered and praised Yue Feng.

"Your Excellency Fengtao, you are a rare talent."

"Yes, our Golden Lion Principality has a person like Your Excellency Fengtao, why don't you get stronger?"

"The fight just now is really admirable."

In the face of everyone's praise, Yue Feng smiled and responded one by one, very relaxed and comfortable.

Mad!

Seeing this scene, Xibo, who was not far away, had a very ugly face. He thought that Yue Feng might lose this golden lion fight, but he never expected that Yue Feng would win so easily.

The next second, Xibo thought of something, and a cold smile appeared on his face again.

Let this Feng Tao be proud for a while. He took brain-eating insects last night, and he will definitely make a fool of himself in public.

"Emissary of Zhan Chao!"

At this time, the queen looked at Zhan Chao and smiled: "Although the golden lions you bred in the Principality of the Sun are very powerful, you have no experience after all, and it is normal for you to lose this battle. "

When she said this, the Queen gave Yue Feng an approving look, thinking of indescribable joy. After all, he earned enough face for the Golden Lion Principality. A lot of credit.

Although she was very happy in her heart, the queen still did not show it. After all, the messenger of the Sunrise Principality was watching from the side. As a queen, she couldn't be too overjoyed.

"Uh..."

Zhan Chao was very embarrassed when he heard these words, but he still managed to squeeze out a smile: "Your Majesty is right, it is reasonable for me to lose this fight..."

Having said that, Zhan Chao looked at Yue Feng and continued: "Your Excellency Feng Tao's strategy is very admirable!" After

saying this, Zhan Chao's mood was very depressed.

I thought that this golden lion fight would make the principality of the golden lion lose face, but I never imagined that this wind wave was extremely witty, and in the first fight, it was invincible.

"All right!"

Chapter 3453

Hearing Zhan Chao's words, the queen was indescribably happy, and said slowly: "It's not easy for the messenger to come, and I won't mention this fight for the time being. I have already ordered someone to prepare a banquet in the hall. , please come to the envoy." The

voice fell, and the queen returned to the main hall first.

The crowd followed.

When I entered the hall, I saw that the banquet was ready.

"Everyone!"

At this time, after seeing everyone seated, the Queen smiled, raised her glass, and looked around: "This is the first time that the envoy Zhan Chao has come to our Golden Lion Principality, we must treat it well, come, for our sake and For the peace of the Principality of the Sun, let's toast him together." The

voice fell, and everyone raised their wine glasses one after another. Zhan Chao

was frightened, stood up quickly, and said with a smile, "Your Majesty is serious, how can I be able to let Her Majesty and your Excellencies toast me together?"

And do.

At this time, Zhan Chao seemed to be calm, but he couldn't panic, and his eyes were always on Yue Feng.

This Feng Tao, who had plotted against him before, and then sent him to the Golden Lion Principality as a criminal, thought he would die, but he never thought that he would become a celebrity beside the Queen.

And just now, the Golden Lion had lost to him in the competition. At this time, Feng Tao could be said to be in high spirits. If he found a way to deal with him, it would be troublesome.

Zhan Chaoyue became more and more flustered, almost unable to sit still.

Zhan Chao's expression was seen by Yue Feng.

Haha...

Especially seeing Zhan Chao's cold sweat, Yue Feng couldn't help laughing secretly, this guy is afraid of revenge on him.

To be honest, if it was a few years ago, Yue Feng would never have missed this opportunity, but after so many things, he had seen it long ago, and he was too lazy to care about Zhan Chao.

“Fengtao!”

Just when Yue Feng was secretly laughing, he saw Xibo stand up and said with a fake face: “The golden lion fight just now was really exciting. Although the game was small, it was also for us The Golden Lion Principality has saved face, come, I will toast you!”

Said, Xibo came over and poured a glass of wine for Yue Feng himself.

When pouring the wine, Xibo was all smiles, but his eyes were a bit gloomy.

Yes, Xibo wanted to make Yue Feng make a fool of himself in public. You must know that people who take brain-eating worms usually look normal, but once they drink alcohol, the brain-eating worms will become active in the human body, which will lead to people behavior out of control.

At this time, Xibo took the initiative to pour wine for Yue Feng, just to have a brain-eating worm attack.

However, Xibo at this time didn't know that last night, Yue Feng didn't take the brain-eating worm at all.

Um?

Seeing Xibo suddenly showing his favor to him, Yue Feng couldn't help frowning secretly.

There is nothing to be courteous, either a traitor or a thief, what kind of bad idea is this Xibo going to do?

Thinking to himself, Yue Feng's mind turned quickly, and he understood something at once.

By the way, when I used the brain-eating worms for the experiment last night, the brain-eating worms would become extremely active when I encountered alcohol. It seems that this Xibo thought I was taking the brain-eating insects and wanted to drink alcohol.

Mad, this guy is really insidious.

Understanding this, Yue Feng remained calm, then picked up the wine glass and took a sip.

Haha...

Seeing Yue Feng drinking, Xibo was indescribably excited.

In the next second, Xibo said with a smile: "Your Excellency Fengtao, it is admirable that you can make the golden lion obedient. I really want to know how you tame the golden lion."

Said, Xibo Looking around: "I think everyone is very curious, right?"

At this time, Xibo deliberately brought up the topic, just to distract Yue Feng's attention, so as to take the opportunity to drink him.

The voice fell, and many people around were booing.

"Yes, Your Excellency Fengtao's Beast Language is a masterpiece." "

Seriously, I've always been curious."

"Lord Fengtao, is there any trick to that Beast Language?"

Come, Yue Feng smiled without saying a word, and looked at Xibo quietly.

Chapter 3454

Xibo's careful thoughts cannot escape Yue Feng's eyes.

Mad, this sibo still wants to drink me?

Muttering in his heart, Yue Feng smiled slightly and responded: "Speaking of which, I actually discovered this beast language by accident. I have been able to communicate with beasts since I was a child..." The matter of controlling beasts through the beast ring, of course Can't tell.

Since this Xibo wants to act, let's have a good time with him.

While talking nonsense, Yue Feng picked up the jug and smiled at Xibo: "Your Excellency Xibo, as the commander-in-chief of the guards, how can you pour me wine? I can't afford it.

", you are responsible for guarding the safety of the entire royal city, and your credit is the greatest, and it is also an example for me to learn from."

After saying this, Yue Feng brought Xibo a glass of wine.

At the moment of pouring the wine, Yue Feng secretly cast a ghost hand and quietly threw something into the wine glass. He saw that the thing was transparent. After throwing it into the wine glass, it immediately merged with the wine.

It was the brain-eating worm that Yue Feng had put away last night.

Yue Feng thought about it, isn't this Xibo trying to make himself ugly? Then 'use the way of the other, and give the body back', let him also taste the taste of this brain-eating insect.

Not only that, when Yue Feng was studying the brain-eating worm last night, he also added something to the brain-eating worm based on his superb alchemy experience.

"Haha!"

Hearing Yue Feng's compliments, Xibo was too beautiful, a little overwhelmed: "Your Excellency Fengtao, you are really polite."

He raised his glass and drank it.

At this time, in Xibo's heart, he thought that Yue Feng had become soft on himself, and he also wanted to release his quarrel with Yue Feng, but thinking that Yue Feng had already taken brain-eating insects and could not be recovered, he could only blame him for his bad luck.

Xibo didn't know that the brain-eating worm had just been taken by him.

call!

Seeing the scene in front of her, the queen was sitting there, but her eyebrows were frowning.

What happened to this Yue Feng? Last night, I wanted him to help him to deal with Xibo, but now, he and Xibo were having a good time with each other, looking like they were happy.

Aware of the Queen's gaze and staring at him from time to time, Yue Feng quietly gave her a comforting look.

Afterwards, Yue Feng chatted with Xibo for a while.

Seeing that Yue Feng had been drinking a lot, Xibo knew that he was almost done, so he was about to return to his seat.

However, before taking two steps, Xibo suddenly trembled and suddenly felt that something was wrong.

At this time, Xibo's face changed suddenly. He clearly felt that his dizziness was heavy. Not only that, but there seemed to be something in his mind, rushing to and fro.

Not only that, but the mind is also confused.

This... This is clearly a sign of taking brain-eating insects...

“Your Excellency Xibo!”

Seeing Xibo’s expression, Yue Feng showed a smile and walked over slowly: “What’s wrong?” At the same time, Yue Feng’s expression seemed concerned, but there was a bit of mockery in his eyes.

Xibo’s brows were furrowed, and he looked at Yue Feng with surprise. I saw Yue Feng’s face was red and full of energy, and it didn’t look like he had taken brain-eating insects at all.

This Feng Tao, I drank a lot of wine just now, why is there nothing at all?

As for himself, at this time, it looks like a brain-eating insect attack.

What the hell is going on here?

Seeing that Xibo was speechless, Yue Feng chuckled lightly, with a playful expression on his face: “Your Excellency Xibo, the feeling of taking brain-eating insects is very uncomfortable, right!”

What?

At this moment, Xibo’s face changed suddenly, and he looked at him in surprise: “You.... What did you say?”

“Haha...”

Yue Feng smiled and said: “Okay, Xi Bo, you don’t have to pretend, last night you plotted against me and wanted me to take brain-eating worms, but unfortunately, I found out in advance.”

Hearing this, Xibo was shocked and angry, and at the same time he understood something.

Chapter 3455

Mad! Madam Lanya, this bitch, actually lied to me.

In a panic, Xibo looked around the audience, but suddenly found that Mrs. Lanya said that she was ill today and did not come to the palace at all.

Huh...

At this moment, the eyes of everyone around looked over, and they couldn't help but whisper.

"What's the situation?"

"Lord Fengtao, I didn't have a good chat with Lord Xibo just now, why did you change your face?" "

What happened to Lord Xibo? His face is so white?"

Always keep an eye on Sibó.

In the next second, Yue Feng took a deep breath, walked slowly to Xibo, and said word by word: "After I saw through your tricks last night, I took that brain-eating worm away."

"And just now When I poured you wine, I put that brain-eating worm into your glass."

"Speaking of which, I've never heard of a brain-eating worm before, so I'd love to see it, someone took it. After that, what will be the reaction?"

Hearing this, Xibo felt cold all over, staring at Yue Feng, almost fainting from anger.

Mad, thought that Yue Feng would make a fool of himself in public, but he never expected that he would shoot himself in the foot. However, when he poured the wine just now, he didn't notice anything unusual.

That brain-eating worm, how did he put it into his wine glass?

At this time, Xibo still didn't know that Yue Feng's 'ghost hand' stunt was superb, and no one could see through it.

"Your Excellency Xibo!"

Seeing Xibo's face getting more and more ugly, Yue Feng showed a smile and mocked: "Is there anything else to say?"

"You..."

Xibo's face was hideous, and under the attack of the brain-eating worm, his whole body trembled. , couldn't help shouting: "Well, you Fengtao, you dare to poison me in public."

Said, Xibo looked around, and finally looked at the queen and shouted: "Your Majesty, Fengtao hurt me, you want to Be the master for me."

Phew!

Hearing this, the queen took a deep breath and looked at Yue Feng, not knowing what to do for a while.

The Queen has no idea about the brain-eating worm, and she doesn't know how to make a choice due to the sudden situation in front of her.

At this time, Yue Feng sneered and said to Xibo: "Xibo, stop playing this trick, it's useless, this brain-eating worm was meant for you to deal with me, and as a result, today's consequences are self-inflicted and self-inflicted."

"You are talking nonsense!" Xibo was completely mad and shouted: "What brain-eating worm, I have no idea what you are talking about? On the contrary, you poisoned me in public today in the main hall, which is a fact.

"I'm the commander-in-chief of the guards, if something goes wrong today, you can't escape the guilt." With the

last sentence, Xibo almost roared out.

Anyway, no one at the scene knew about his plot against Feng Tao, and Feng Tao's one-sided words could not be called evidence.

Whoa!

Seeing this situation, everyone in the entire hall was in an uproar.

"This... is it really Your Excellency Feng Tao who poisoned Commander Xibo?"

"It depends on the situation!"

"Why?"

The crowd continued to talk, and the queen also frowned, and at the same time, looking at Yue Feng's eyes, it was a bit complicated.

What the hell is this wind doing? Even if you want to deal with Xibo, you can't use this method. If you talk to him, how will you convince the public in the future?

However, Yue Feng had a calm expression on his face.

"Xibo!"

At this time, Yue Feng looked at Xibo with a half-smile, and said word by word, "It seems that you really can't cry without seeing the coffin."

The ultimate husband in Chinese chapter 3456-3460

Chapter 3456

At this time, Xibo, under the attack of brain-eating insects, kept sweating, his robes were soaked, his face was pale, and he couldn't tell how miserable he was.

Hehe...

Hearing Yue Feng's words, Xibo sneered, then took out a few white pills from his body and stuffed them into his mouth.

These white pills can suppress the brain-eating worms. Xibo can get the brain-eating worms, and naturally there is an antidote for suppressing the brain-eating worms.

Antidote?

Seeing this scene, Yue Feng smiled slightly: "It's useless!"

When he said this, Yue Feng had a leisurely expression on his face.

When he put brain-eating worms in the Xibo wine glass just now, Yue Feng also put a truth pill, truth pill, as the name suggests, after people eat it, they will answer any questions they have, and they will never tell lies.

This kind of truth pill, in the Wuji pill technique, is originally a trick to tease people, and the effective time does not exceed ten minutes. .

What?

Hearing this, Xibo was shocked, and then sneered and retorted: "Fengtao, don't play tricks with me, I..."

Halfway through, Xibo only felt that his mind was completely confused, almost blank.

Seeing this, Yue Feng knew that the truth pill started to attack, and immediately asked loudly: "Xibo, last night, did you plot against me and plan to give me something that eats brain worms?"

"Yes...Yes!" Xibo responded subconsciously, sweating all over his head.

When he said this, the expression on Xibo's face was extremely wonderful.

This chapter is provided by . Visit for daily update.

what happened?

How did you admit it to yourself?

At this time, Xibo fell into panic all of a sudden. He wanted to deny the wishes in his heart, but for some reason, his mouth seemed to keep calling.

Haha...

Hearing the answer, Yue Feng showed a smile, indescribably excited.

Unexpectedly, this truth Dan is quite useful.

Wow...

Seeing this scene, both the Queen and the people around were stunned.

Xibo wanted to plot against Feng Tao last night, and he admitted it himself?

At this time, Yue Feng continued to ask Xibo: "I'll ask you again, did you also participate in Mengyi's rebellion ten days ago?" The

voice was not loud, but it was full of majesty.

Swish!

At this moment, the eyes of everyone in the audience were fixed on Xibo.

Follow Meng Yi to rebel? It's a big crime of beheading.

Especially the queen, sitting there seemingly calm, but indescribably excited.

If Xibo admits it, it would be great. To be honest, the queen has been worrying about how to find evidence of Xibo's rebellion, but she didn't expect that Yue Feng would openly interrogate him in the hall in this way. .

"I..."

At this time, Xibo was dripping with cold sweat in an instant, and he hesitated to deny it.

You can't admit this, otherwise, you'll be completely finished.

However, he not only took the brain-eating worm, but also took the truth pill, his mouth was completely out of his control, he nodded and said, "Yes, I also participated in the night of Mengyi's rebellion!"

Wow!

The voice fell, and the entire hall exploded in an instant.

“What? Xibo he... actually rebelled with Meng Yi?”

“I didn’t expect Xibo to be so ambitious.”

“No wonder Meng Yi was so arrogant and domineering at that time. It turns out that Xibo was his comrade.. ..”

Everyone’s discussion, you and I came, Xibo’s face was ashen, and he slumped on the ground all of a sudden, trembling.

Chapter 3457 is

over.

It’s over now.

But what’s going on here? How can I tell the truth all by myself?

At this time, Yue Feng showed a smile and respectfully said to the Queen: “Your Majesty, this Xibo admits to rebelling with Meng Yi, the crime is extremely heinous, how to deal with it, please let your Majesty send it.”

When he said this, Yue Feng was relaxed.

I promised to help the queen deal with Xibo before, but now I have finally done it.

“Very good!” The

Queen nodded, looking at Yue Feng’s eyes, full of admiration and praise: “Fengtao, you have done a great job this time, and I will definitely reward you!” As

she spoke, the Queen’s delicate face became heavy After cooling down, he said coldly at Xibo: “Xibo, what else do you have to say?”

“Your Majesty, Your Majesty, I was wrong...” Xibo was so frightened, he knelt there and kept kowtow.

The effective time of the truth pill can only last for ten minutes. At this time, Xibo has woken up, but it is too late.

Under the panic, Xibo couldn’t help but shouted: “Your Majesty! It’s not my fault, it’s all about Mengyi! He forced me to betray Your Majesty.”

Hearing this, the Queen chuckled lightly, not at all concerned. Move: “Mengyi is dead, you can say whatever you want, but it’s a fact that you cooperated with Mengyi to rebel and betray me.”

After speaking, the queen was too lazy to talk nonsense, and said to Yue Feng: “Fengtao, today You have done a good job in dissecting Xibo, and Xibo will be handed over to you. In addition, the investigation of Xibo’s property and his party will also be handed over to you!”

“Yes, Your Majesty!” Yue Feng responded quickly.

When the words fell, Yue Feng called the guards and dragged Xi Bo out.

Huh...

for a while, the entire hall was silent.

Except for the Queen, everyone looked at Yue Feng with deep awe.

This wind wave is really powerful. With just a few words, Xibo admits the rebellion. Be very careful in front of him in the future.

Especially Zhan Chao, who sat there and didn’t dare to move.

Oops!

Even Xibo, who had the entire Wangcheng, was planted in Fengtao’s hands, and he had offended him before, so he didn’t know if he could leave safely this time.

Seeing Zhan Chao’s expression, Yue Feng showed a smile.

Haha... This Zhan Chao is very flustered at the moment, should we take the opportunity this time, should we get rid of him too?

“Your Majesty!”

Just when Yue Feng was thinking about this, he saw a palace knight walking in quickly, looking very flustered: “Report to Your Majesty, a distinguished guest has come to the Temple of Light and said that he wants to meet His Majesty.”

Guangming temple?

Hearing this, whether it was the Queen or Yue Feng and others, they were all stunned.

You must know that for thousands of years, the Temple of Light is not only sacred, but also very mysterious. It has never appeared in front of the world easily, especially the

Goddess of Light who lives in the temple, and it is the highest belief of the people of the entire continent.

And at this time, the Temple of Light suddenly sent someone, how could you not be shocked?

Yue Feng frowned secretly.

What did the Temple of Light send people to do? Could it be that... Yarina knew that she was in the Golden Lion Principality?

At this time, Yue Feng still didn't know that the position of Yarina's goddess of light had been taken away by Yanhong, and the temple at this time was also controlled by Yanhong.

"Quick..."

Finally, the Queen reacted and said quickly, "Quickly invite your distinguished guests into the hall." As she finished speaking

, she saw a tall and handsome figure walking slowly into the hall.

In golden armor, majestic, indescribably handsome, he is one of the twelve holy knights, the Pegasus Holy Knight.

It's him?

Seeing Tianma, Yue Feng couldn't help showing a smile, and at the same time, he was also a little puzzled.

He came to the Golden Lion Principality, what the hell happened?

Chapter 3458

At this time, under the watchful eyes of everyone, the Pegasus Paladin slowly walked to the center of the hall.

The next second, the Pegasus Paladin politely said to the Queen, "Paladin Pegasus, I have seen Her Majesty the Queen." After saying this, he bowed slightly, but did not kneel.

The Pegasus Holy Knight is the right-hand man of the Goddess of Light, one of the twelve Holy Knights, with a detached status, and is also famous throughout the Roland Continent. When he meets the rulers of the six major duchies, he does not need to kneel at all.

The Queen showed a smile and said softly, "Your Excellency the Paladin is exempt from the ceremony!" Then, she asked the maid beside her to bring a chair.

As the ruler of the Principality of the Golden Lion, the Queen was originally high above, but at this time she was not polite to the Pegasus Paladins. You must know that the Temple of Light has a deep influence on the entire continent, and even the Queen believes in the Goddess of Light. , At this time, seeing the subordinates of the Goddess of Light, they will naturally treat each other with courtesy.

The Pegasus Paladin responded, walked over, and sat on a chair.

Um?

However, at this moment, seeing Yue Feng standing beside the Queen, the Heavenly Horse Paladin was stunned.

This...isn't this His Excellency the Holy One?

Why is he in the Golden Lion Principality? Apparently, he also served as a bodyguard beside the queen.

Thinking to myself, the Tianma Paladin was very excited and was about to stand up to say hello, but before he stood up, he was stopped by Yue Feng with his eyes.

The fact that he is the Holy Venerable of the Temple of Light cannot be exposed for the time being.

The Pegasus Paladin is a smart person, and he immediately understood that Yue Feng didn't want to reveal his identity.

At this moment, after Yue Feng and Tianma made eye contact, they frowned secretly.

Yue Feng clearly noticed that the face of the Pegasus Paladin was pale, and the whole person seemed to be in a bad mood. He looked a little weak, which was obviously a sign of poisoning.

The dignified Paladin, was actually poisoned?

Muttering in his heart, Yue Feng wanted to ask, but he held back when he thought that this was the palace hall.

Yue Feng felt right, the Tianma Paladin was indeed poisoned. At that time, Yanhong gave the Twelve Paladins a highly poisonous dose in order to go to the Temple of Light. Later, when the three-day deadline came, Yanhong gave the antidote to the Twelve Saints. The knight, though, only gave half the antidote.

In other words, the poison in the body of the twelve holy knights at this time has not been completely eliminated.

“Your Excellency Paladin!”

At this moment, the Queen smiled lightly and asked Tianma, “Suddenly here, what’s the matter?”

Huh!

Tianma took a deep breath, looked around, and said slowly: “Back to the Queen, I came here this time to invite the Queen to participate in the Holy Light Ceremony. In addition to your Golden Lion Principality, the rulers of the other five principalities also accepted it. Invitation.”

When he said this, Tianma’s face was serious, but his heart was very helpless.

Yes, this Holy Light Grand Ceremony is to be held by Yanhong, and the location is in Pearl City. As for the purpose of Yanhong holding the grand ceremony, no one knows.

Speaking of which, the twelve holy knights didn’t want to do anything for Yanhong, but they had no choice, their own life was in Yanhong’s hands, so they could only accept their fate temporarily.

What?

Holy Light Ceremony?

Hearing this, both the Queen and everyone around were stunned.

What kind of celebration is this, why haven’t I heard of it?

Even Yue Feng frowned.

The Temple of Light is going to hold a grand ceremony? Why haven’t I heard Yalina say it before?

At this time, Yue Feng did not know that the Temple of Light had been controlled by Yanhong, and Yalina had been imprisoned.

“Queen!”

At this time, Tianma continued: “The Holy Light Ceremony is organized by the goddess, and the venue is in Pearl City. I hope the queen will not miss it!” Tianma could see that everyone was puzzled, but he did not explain. After all, Yanhong Tianma is not very clear about the holding of this Holy Light Ceremony, he is just here to spread the word.

Whoa!

Chapter 3459 The

voice fell, and the entire hall was suddenly discussing, and everyone's face was full of excitement and excitement.

"It turned out to be organized by the Goddess of Light, you must go!"

"Yes, this is a rare prosperity in a thousand years."

"Finally, I have the opportunity to meet the Goddess of Light.

"I can't wait to rush to Pearl City immediately. You must know that the Goddess of Light is the incarnation of justice in Roland Continent. are you happy?"

In the hearts of everyone, the Goddess of Light holds the Holy Light Ceremony, which must be a good thing related to the peace of the entire continent.

Even the queen is smiling and happy.

In the past two years, there have been frequent outbreaks of wars between the six major duchies, making life difficult for the people. This time, the Goddess of Light will appear in Pearl City to preside over fairness and justice in the world, which is the best.

Like everyone around, the Queen also thinks that it is a good thing for the goddess of light to hold a grand ceremony.

However, Yue Feng, who was standing quietly by the side, frowned secretly.

Not right.

If Alina holds the Holy Light Ceremony, she will definitely tell me before. After all, I am the Holy Venerable of the Temple of Light, and my status is equal to that of the Goddess of Light. It is impossible to hide such an important matter from me.

Also, Tianma was poisoned this day, and instead of helping him get rid of the poison, Yalina sent him out to run errands to spread the word...

At this moment, the more Yue Feng thought about it, the more he felt that something was wrong.

"Your Excellency Paladin!"

At this time, the queen looked at Tianma with a smile: "It's really hard for you to come so far. Please go to rest first. I will definitely go to the Holy Light Ceremony in Pearl City!" , take Pegasus to rest.

At this moment, Yue Feng hurriedly took a step forward and said, "Your Majesty, let me take the Holy Knight to rest." There are too many people in this hall, and there are many questions. Yue Feng is inconvenient to ask Tianma, so he can only take this opportunity now. .

The Queen nodded, no objection.

Feng Tao is the commander of the guards, and letting him arrange for the paladins to rest is also a respect for the Temple of Light.

Soon, Yue Feng led Tianma out of the hall and went to the resting place at the back.

"Your Majesty!"

As soon as he entered the room, Tianma looked sad, and immediately knelt down to Yue Feng: "The temple of light has changed a lot, and the goddess has been imprisoned. I beg Your Majesty to go back to take charge of the overall situation immediately. "

What?

In the hall just now, Yue Feng felt that something was wrong, and when he heard Tianma's words again, his face changed and his mind was buzzing.

Yarina was imprisoned?

Who has such great ability to imprison the goddess of light?

Thinking to himself, Yue Feng looked anxious and quickly asked: "Come on, what happened?"

Huh!

Tianma took a deep breath and explained the situation in detail. At the end, Tianma looked sad and angry: "It's all those two hateful women who first plotted against our twelve holy knights, and then raided His Highness the Goddess.

" !

Hearing this, Yue Feng's heart was shocked, and he only felt his brain buzzing, and his heart was both joyful and angry.

I thought that Miao Ying was rescued by Yan Hong, and it was a disaster, but she did not expect that she and Yan Hong would control the Temple of Light together.

Don't think about it, these are all Yanhong's attention.

When he thought of Yanhong, Yue Feng's mood was extremely complicated.

Mad, this Yanhong is really lawless, not only controlling the Temple of Light, but also imprisoning the Goddess of Light.

Chapter 3460

"That's right!"

Just when Yue Feng was thinking about these things, Tianma suddenly thought of something: "Then Yanhong specially issued an order to find a person named Yue Feng..." Do

n't wait for him After speaking, Yue Feng smiled: "The Yue Feng she is looking for is me!"

"His Royal Highness!"

Hearing this, Tianma was stunned for a moment, and then said urgently: "Now the temple is being tricked by that woman. It's a mess, only you can turn the tide."

Phew! Hearing this, Yue

Feng took a deep breath and smiled bitterly: "Tianma, don't expect too much from me. If you really want to fight that Yanhong alone, I have no chance of winning."

You know, when she was in the Kyushu Continent, Yanhong devoured the power of Pluto from Duan Yu. When she saw Yanhong in Pearl City before, she was almost completely integrated, and now, another half month has passed. , Yanhong must have succeeded!

Otherwise, Yanhong would not be able to control the Temple of Light smoothly.

This...

Seeing Yue Feng's serious face, Tianma suddenly became anxious: "So, isn't the Guangming Temple hopeless?"

"

Yue Feng smiled and comforted: "Don't panic, the most important thing now is to help you and the other Paladins to remove the poison in your body, otherwise, it will be difficult for me to turn the situation around."

Said, Yue Feng Begin asking about details of Pegasus poisoning.

Tianma didn't hide it, he said it in detail, and finally asked worriedly: "Your Excellency, can you really help us get rid of the poison in our body?"

"Of course!" Yue Feng smiled, very confident.

In the medical science of the Kyushu mainland, the emphasis is on 'seeing, hearing, asking, and cutting'. Yue Feng had studied medicine with Shennong, and his medical skills had reached a very high level. Just through Tianma's description, he immediately knew what poison Yanhong was using.

Speaking of which, although Yanhong is an immortal spirit, her knowledge of poisoning can only be regarded as a skin.

Knowing what kind of poison Yanhong was using, Yue Feng did not hesitate to start preparing the ingredients to refine the antidote for Tianma. This is the palace of the Principality of the Golden Lion, and Yue Feng is the commander of the guards. The herbal materials needed can be easily obtained.

Soon, the materials were ready, and Yue Feng found a pottery and started refining.

This...

Seeing this scene, Tianma was stunned.

Your Excellency, what are you doing? In Roland Continent, there is no such thing as alchemy, so what Yue Feng did was very strange in Tianma's eyes.

Bang!

Soon, with the vibration of the pottery, the antidote was successfully refined.

"Okay!"

Yue Feng showed a smile, took out an antidote from the clay pot, and handed it to Tianma: "Hurry up and take it."

Tianma looked at the antidote suspiciously, and then swallowed it.

A few minutes later, I saw Tianma's pale face, gradually turning rosy, and the poison in his body quickly disappeared without a trace.

hiss!

At this moment, Tianma was indescribably excited and looked at Yue Feng's eyes with deep admiration.

"Your Majesty's medical skills are really amazing." Tianma's face was shocked. He clearly felt that the poison in his body had been completely eliminated, and his holy power had recovered.

You must know that after the Roland Continent was poisoned, there are many solutions, but no matter which way, it is very troublesome.
