

The ultimate husband in Chinese chapter 3461-3465

Chapter 3461

And the Holy Reverend in front of him, in just a few minutes, refined the antidote. This is simply unheard of.

Seeing Tianma's face of admiration, Yue Feng smiled slightly.

The next second, Yue Feng took out the rest of the antidote and handed it to Tianma: "This rest of the antidote, when you go back, give it to Jinshi and the others to take, you must be careful not to let Yanhong know about it. , After the detoxification, don't openly conflict with Yanhong, remember!"

"When I accompany the Queen to Pearl City, we will contact you secretly."

When he said this, Yue Feng had a serious look on his face.

To be honest, Yue Feng was also very anxious to learn that Yanhong controlled the Temple of Light, but he knew in his heart that if he directly confronted Yanhong, it would only make the situation worse. Identity, follow the Queen to participate in the Holy Light Ceremony. At that time, Yanhong will be in the light and she will be in the dark, and things will be easy to handle.

After instructing Tianma a few more words, Yue Feng returned to his room.

"Your Excellency Commander!"

As soon as he entered the room, he heard a guard outside politely say: "Your Majesty the Queen summoned."

Yue Feng responded and immediately walked towards the Queen's resting palace. The queen is looking for herself now, it must be for the Holy Light Ceremony.

call!

Arriving at the Queen's bedroom, Yue Feng couldn't help but take a deep breath.

I saw that the queen was sitting there quietly in a long white dress, her charming curves were soul-stirring, especially her beautiful face, which made people fall deeply when they saw it.

However, at this time, Yue Feng was in no mood to appreciate these.

"Fengtao!"

This chapter is provided by . Visit for daily update.

At this time, seeing Yue Feng come in, the queen smiled lightly: "You are here!"

Yue Feng respectfully said: "Your Majesty has called me here, what is your order?"

At this time, the queen was in a good mood and smiled: "In two days, I will go to Pearl City to attend the Holy Light Ceremony. I want to give the goddess of light a gift. But this gift is rather special, and I want you to take care of it." As

she spoke, the Queen handed a beautiful metal box to Yue Feng.

What the hell!

Yue Feng took the metal box and was stunned.

The design of this metal box is too complicated.

You can see that this metal box is the size of a basketball and is square, but it is composed of hundreds of metal blocks. These metal blocks are like the building blocks of the Kyushu continent. Each piece is different in shape, but tightly combined Together, very delicate.

Yue Feng looked at it and couldn't help muttering: "What kind of gift, you need someone to take care of it?" The

queen smiled, and then her delicate face showed a bit of seriousness: "Of course it's not an ordinary gift, speaking of it, The contents in this box have a lot to do with the Temple of Light, and it can be said that it belongs to the Temple of Light in the first place."

After speaking, the Queen looked at Yue Feng and continued: "You have heard of the Holy Scripture Jade Book. Is it? It is rumored to be the treasure of the Temple of Light... A thousand years ago, there was a civil strife in the Temple of Light. Coincidentally got this second half volume."

What? Holy Book of Jade?

Hearing this, Yue Feng was shocked, his head was buzzing, and he was ecstatic!

In this strange metal box, is the next volume of the holy book of jade?

Haha...

It really takes no effort to get through the iron shoes.

At this time, Yue Feng was indescribably excited and excited. You must know that he stayed here incognito for nearly half a month, and he was trying to find a way to find this half volume of the sacred book, but unfortunately, there was no clue at all.

At this time, the Queen actually took out the sacred book and handed it over to Yue Feng for safekeeping. This is simply an unexpected joy, can you be unhappy?

Chapter 3462

Seeing Yue Feng's expression, the Queen frowned: "Fengtao, why are you so happy?"

Uh...

Yue Feng was very embarrassed and scratched his head: "Nothing, Her Majesty trusts me so much, let me In addition to being honored, I am also very happy to keep the gift."

When he said this, Yue Feng looked serious, but secretly sweated for himself.

Nima, just now, I was so overwhelmed that I almost lost my mind.

Hearing this answer, the Queen nodded with satisfaction, and exhorted: "Then don't let me down, take good care of it until you see the Goddess of Light!" After

speaking, the Queen thought of something, and continued: "In this box If there is a mechanism, forcibly opening it will cause a fire, remember." The

mechanism?

Yue Feng was stunned for a moment, then smiled and said: "Don't worry, Your Majesty, I will take good care of it, and I will not open it privately." He promised, but his eyes couldn't hide the excitement.

I finally got the second volume of the holy book of jade, how could I not open it and take a look? Even if there is an agency, it will not be difficult for me.

After the queen warned a few more words, Yue Feng stepped back.

Haha...

Back in his room, Yue Feng couldn't wait to study the metal box.

At the beginning, Yue Feng was still full of confidence, but after trying it more than a dozen times, he still couldn't open the metal box, and suddenly felt a little depressed.

Nima, this metal box is too complicated!

Depressed, Yue Feng wanted to stimulate his inner strength and directly destroy the metal box, but thinking of the Queen's previous advice, if he forcibly opened it, the box would catch fire, so he held back.

For a time, Yue Feng was sweating profusely.

Mad, the second volume of the holy book of jade is in the box, but if you can't get it, anyone else will be depressed.

"Fengtao!"

At this moment, I heard a call from outside, and then, a slender figure walked in, dressed in a long yellow dress, indescribably beautiful and moving.

It was Angie.

What the hell!

Seeing An Qi coming in, Yue Feng wanted to put away the metal box, but it was too late.

"Huh?" An Qi saw the metal box at once, walked over quickly, and asked Yue Feng curiously: "The thousand-changing exquisite box? Isn't this sister's favorite thing? Why is it here with you?"

This metal box, called a thousand-changing exquisite box, is the queen's favorite plaything. As the queen's sister, An Qi naturally knows it.

However, at this time, An Qi did not know that this thousand-changing exquisite box contained the second volume of the holy book of jade, and was to be given to the Goddess of Light as a gift.

Thousand-changing exquisite box?

Hearing this, Yue Feng was stunned for a moment, and then asked: "What is the name of this thing?"

An Qi didn't think about it, and replied: "The thousand-changing exquisite box, as the name suggests, there are a thousand kinds of changes, each All kinds of changes are very complicated, if you don't understand it, it's hard to solve it."

Nima!

Yue Feng only felt that it was a big head. It was just a metal box with a thousand kinds of changes. No wonder it was so difficult to open.

Thinking to himself, Yue Feng hurriedly said, “Your Highness An Qi, will you open it?”

When he said this, Yue Feng’s eyes were full of anticipation and excitement.

Angie is the queen’s sister, and she must know how to open it.

“How can I know that?” An Qi shook her head, and said in an angry voice: “This thousand-changing exquisite box, only my sister can open it!”

Alas!

Hearing the answer, Yue Feng sighed, very depressed, and was happy, thinking that An Qi could open it.

At this moment, An Qi reacted and looked at Yue Feng with a frown: “By the way, why is this thing in your hands?”

This...

Yue Feng scratched his head, feeling a little embarrassed for a while.

The queen told herself several times just now not to try to open this box, but she didn’t listen, and An Qi saw it. An Qi told the queen, it would be troublesome.

How can I explain it so that An Qi does not doubt it?

“Your Excellency!”

Just when Yue Feng was secretly worried, he saw a guard quickly walk to the door and respectfully said: “The team has been assembled, please instruct Your Excellency Commander.”

Chapter 3463

Huh?

Yue Feng froze there, a little confused for a while.

what’s going on? What does a good assembled team do?

At this time, An Qi suddenly thought of something, and reminded Yue Feng: “Oh, how did you act

as a commander? Earlier in the hall, my sister asked you to be responsible for checking Xibo’s property, have you forgotten?” what.

Yue Feng patted his forehead. In the main hall, the queen did say that she was responsible for checking Xibo's property, how could she forget?

At this time, An Qi was very excited and took Yue Feng's hand: "Let's go, it must be fun to search the house, you must take me there."

I go!

Yue Feng couldn't help laughing, what's so fun about raiding a home? But did not refuse.

At the same time as going out, Yue Feng put away the thousand-changing exquisite box, and he was also secretly relieved.

Fortunately, the guard arrived in time and diverted An Qi's attention. Otherwise, I really don't know how to explain it to An Qi.

Half an hour later, Yue Feng and An Qi came to Xibo's manor with a team of guards.

What the hell!

Half an hour later, the guards piled Xibo's property together. After Yue Feng counted it, he couldn't help but sigh.

This Xibo has been the commander-in-chief of the guards for several years and has accumulated a lot of wealth.

I saw a lot of jewelry piled up together, plus a few boxes of gold coins, that piece of gold was shining. Almost all the eyes flashed.

An Qi also had a look of anger: "This Xibo, who has looted so much money, is really abominable."

Speaking, An Qi said to Yue Feng: "Fengtao, when you deal with Xibo, be sure to call me, I have to teach him a lesson." When saying this, An Qi waved her pink fist, very cute.

Haha...

Seeing An Qi's appearance, Yue Feng couldn't help laughing.

At this moment, a guard walked over quickly and said politely, "Your Excellency, I found a secret passage in Xibo's bedroom."

Secret passage?

Hearing this, Yue Feng and An Qi looked at each other and were stunned.

The next second, Yue Feng instructed the surrounding guards: "You guys stay outside, I'll go in and investigate." With that, Yue Feng quickly approached the bedroom.

Angie follow closely!

When I entered the bedroom, I saw a hidden secret passage under the bed.

Yue Feng and An Qi were very curious and walked down together.

I go!

After reaching the bottom, Yue Feng was stunned when he saw the scene in front of him.

I saw that there was a basement in front of me. This basement was not big, but it was filled with precious herbs, rare ginseng, ten thousand year snow lotus... There were hundreds of species, and Yue Feng was dazzled.

An Qi also trembled, and her eyes were full of shock.

There are a lot of precious herbs, this amount, I am afraid that there are not so many in the palace.

Um? Shocked, An Qi

was attracted by a blood-red fruit in front of her. She walked over to hold it in her hand, and asked Yue Feng curiously, "Fengtao, what kind of herb is this, have you seen it?"

As the Queen's sister, she is well-informed, but there are too many types of precious herbs in front of her, which is beyond her cognition.

Yue Feng looked at it and said with a smile: "This is called the blood spirit fruit, a big tonic, very rare!"

Is that right?

An Qi's eyes lit up, and she took a closer look at the blood spirit fruit, and immediately smelled a refreshing fragrance.

Smelling this seductive fragrance, An Qi couldn't hold it anymore, took a bite, and exclaimed, "It's so sweet..." What the hell

!

Seeing this scene, Yue Feng was taken aback: "How did you eat it?"

An Qi was stunned: "Didn't you say Dabu?"

Hearing this, Yue Feng wanted to cry without tears.

This blood spirit fruit is indeed a great tonic, but it should not be eaten indiscriminately. You must know that the blood spirit fruit is very powerful. An Qi is not a cultivator, and her physique is delicate. How could she be able to bear it?

Chapter 3464

Seeing Yue Feng's anxious face, An Qi frowned slightly, very puzzled.

"What's wrong?"

An Qi couldn't help muttering: "Why are you looking at me like this?" This Yue Feng was really making a fuss, he was so nervous after eating a fruit by himself.

Thinking of this, An Qi throws away the fruit core and has to look at other herbs. However, at this moment, An Qi suddenly trembled, and she felt the whole body, suddenly burning hot, as if she had fallen into a volcano!

"It's so hot!"

An Qi's whole body trembled, her face flushed with pain.

Obviously, this is the consequence of taking the Blood Spirit Fruit by mistake.

Yue Feng guessed well just now, An Qi is not a cultivator, and her body is weak, but she directly ate a blood spirit fruit. The energy of the blood spirit fruit burst out, which is not something she can bear.

"Fengtao, it's so hot, I'm so hot!"

An Qi's body trembled, her red lips parted lightly, and she kept shouting at Yue Feng. At this moment, she could clearly feel the burning heat in her body getting stronger and stronger. .

That feeling, like a fire burning inside the body.

"Ah!"

At this moment, An Qi felt that her whole body was about to be burned. The painful burning sensation made her delicate body tremble, and then she fell to the ground.

“Fengtao, what’s going on here, what’s wrong with me? It’s so hot...it’s so hot!” An Qi couldn’t bear it anymore and asked Yue Feng.

Ugh!

Yue Feng sighed, frowned and said, “You are so rash, the blood spirit fruit is very medicinal... Although you are not a cultivator, you can take it rashly, and you can’t avoid going crazy.”

Going crazy?

Hearing these four words, An Qi’s delicate body trembled, and she stared at Yue Feng blankly, inexplicably frightened. In the Roland Continent, there is no such thing as going crazy, so An Qi doesn’t understand what Yue Feng said, but seeing Yue Feng’s expression, she also knows that the situation is serious.

The next second, An Qi burst into tears: “Fengtao...what should I do? It’s so uncomfortable, am I going to die?”

As she spoke, An Qi hugged her body in both hands and rolled on the ground. It was so painful that she felt her body getting hotter and hotter, and almost her whole body was about to burn.

call!

Yue Feng took a deep breath and gently comforted: “Don’t panic first, let me think of a way.”

When he said this, Yue Feng was calm on the surface, but also anxious in his heart. To get rid of the medicinal properties of the blood spirit fruit, only need The Qingling Pill is fine, but the Qingling Pill on his body has long been used up.

Then Yue Feng looked around, there were many precious herbs in the basement, and it was not a problem to refine the Qingling Pill on the spot.

It’s just... With An Qi’s current situation, can she make the pills by herself?

Nima, forget it!

Soon Yue Feng made a decision to refine the Qingling Pill on the spot.

“It’s so hot, it’s so hot...”

But at this moment, An Qi’s face was flushed, her eyes were blurry and crazy: “I’m going to die, I can’t...”

Chi la... The

voice fell, An Qi He ripped off his long skirt.

Yes, under the medicinal stimulation of the blood spirit fruit, An Qi's consciousness began to blur, and she was going crazy. Speaking of which, she is not a cultivator, so how can she withstand the powerful medicinal power of the Blood Spirit Fruit?

What the hell!

Seeing this scene, Yue Feng was startled, and at the same time he couldn't help swallowing secretly.

I saw that at this time, An Qi, because her long skirt was torn off, her charming curves were exposed without any concealment!

More importantly, under the medicinal power of the blood spirit fruit, An Qi's whole body showed a charming crimson color, and her whole body was covered in fragrant sweat. Her beautiful face was extremely painful and indescribably sexy!

After watching it for a few seconds, Yue Feng reacted and walked over quickly: "His Royal Highness An Qi, stay awake!"

Yue Feng was so anxious when he said so.

Chapter 3465 is

broken, the Qingling Pill has not been refined yet, An Qi will not be able to bear it anymore, this is trouble.

Swish!

As soon as she finished speaking, An Qi suddenly stood up and hugged Yue Feng!

Yes, under the onset of the drug effect, An Qi has completely lost her mind at this time.

"An Qi." Yue Feng was startled and anxious, and at the same time he shouted, he was about to reach for An Qi's acupuncture point.

But after thinking about it, the medicinal power in An Qi's body is being attacked. If the acupoints are sealed again, the situation will be even more dangerous.

"It's so hot, so hot..."

Just when Yue Feng was tangled in secret, An Qi, who was completely crazy at this time, came up directly and kissed Yue Feng with her red lips.

At this time, An Qi felt that a flame was burning in her body, and her whole body was about to burn. She instinctively told her that if she didn't find a vent, she would die.

hum!

At this moment, Yue Feng only felt his brain buzzing and blank.

And An Qi became more and more mad. Before Yue Feng could react, she suddenly threw him to the ground, and then began to tear Yue Feng's clothes.

"An Qi... calm down..." Yue Feng was completely stunned, and when he reacted, he was about to push An Qi away.

However, it was too late, by this time the clothes had been ripped off by An Qi.

Um!

The next second, An Qi blushed, bit her lip tightly, and sat down.

All of a sudden, the whole basement was in spring.

.....

On the other side, Pearl City.

Pearl City is one of the most prosperous coastal cities in the Crescent Principality, and today, it is even more lively than ever.

A few days ago, Yanhong killed the city lord Seth and ruled Pearl City, and then took control of the Temple of Light. Then, as the goddess of light, he held the Holy Light Ceremony in Pearl City and invited the rulers of the principalities. join.

This incident caused a sensation in the entire Roland Continent.

There is still one day left before the Holy Light Ceremony, and the rulers of the major principalities are still on their way. However, many people have already rushed to Pearl City, wanting to see the demeanor of the Goddess of Light.

Because the Holy Light Ceremony was to be held, Yanhong used tens of thousands of people to build a temple in Pearl Chen.

At this time in the temple, Yan Hong was wearing a golden robe, which was indescribably sexy and charming, and at the same time, a powerful aura pervaded her body.

Below the shrine, there were dozens of people standing respectfully. These dozens of people were all the city lords of nearby cities, as well as celebrities and dignitaries, including the major families of Pearl City.

There is another day when the Holy Light Ceremony will begin, and Yanhong must ensure that the deployment of the entire Pearl City is foolproof.

“Huh!”

At this moment, Yanhong looked around, and a cold voice resounded throughout the temple: “Have you all remembered what I explained just now? You can’t have any questions, understand?”

“Understood!” Everyone quickly responded. , Indescribably respectful, at the same time, my heart is also excited.

It is a supreme honor to be able to serve the goddess of light, can you be unhappy?

“Your Highness... Goddess!”

At this moment, a young man walked out of the crowd, with a bit of nervousness and excitement on his face, it was Maddie.

To be honest, Maddie, as the young master of the Mai Wei family, is arrogant and domineering in Pearl City, and doesn’t care about anyone, but facing Yan Hong in front of him, his nervous voice trembles.

You know, the goddess of light is in front of you.

Yanhong’s delicate face did not fluctuate in the slightest. She looked at Maddie and said lightly: “What? Do you have a problem?”

Maddie at this time, his palms were sweaty, and he cautiously said: “Respected Highness Goddess, I have no problem, I. ...I just want to join the Temple of Light, and ask the goddess to allow it.”

When he said this, Maddie’s face was sincere, and his eyes were full of excitement and anticipation.
