

The ultimate husband in Chinese chapter 3491-3500

Chapter 3491

After taking control of the Temple of Light, Yanhong began to study the practice of the Temple, but the magic of the Temple of Light was created by Fuxi back then based on the background of this world. It is very profound and Yanhong is very difficult to comprehend.

In the past two days, Yanhong often came to question Yarina, but Yarina still refused to speak, which made Yanhong very annoyed.

call!

Facing Yanhong's threat, Yarina's delicate face showed no mood swings, and said lightly, "I have said before that only the true goddess of light can practice this divine art, and your goddess' position is from me. Do you think I will tell you what I stole from here?"

Hearing this, Yan Hong's pretty face changed: "It seems that you are really not afraid of death."

Om!

The voice fell, and a powerful aura burst out from Yan Hong, the air in the entire secret room was distorted, and the powerful aura was almost breathless.

Immediately, Yanhong stopped talking nonsense and walked towards Yarina step by step.

What the hell!

Feeling the breath of Yanhong's eruption, Yue Feng was secretly shocked.

I haven't seen you for a few days, this Yanhong's strength has become so strong?

"You..."

Seeing Yanhong getting closer and closer, Yarina's beautiful face was a little pale, and she said in a panic, "Don't mess around, I'll just tell you!"

When she said this, Yarina was flustered on the surface, but she was very calm in her heart. With Yue Feng around, she was not flustered at all.

"That's right!"

This chapter is provided by . Visit for daily update.

Seeing Yarina finally compromising, Yanhong showed a smile: "It's good to be like this, you don't have to suffer so much."

At this time, Yanhong was very excited. After cultivating the divine art of the temple, no one in this world would be her opponent.

Thinking to herself, Yanhong stepped forward and asked Yarina to tell her the secret.

Whoosh!

At this moment, a figure, as fast as lightning, rushed out from behind the stone bed and slapped Yanhong with a palm.

It was Yue Feng.

The reason why Yue Feng hid was to wait for the chance to raid. After all, Yan Hong's current strength was too strong, and Yue Feng had no idea what to do one-on-one. Seeing Yanhong's attention at this time, it was all on Yarina, Yue Feng did not hesitate, and sure enough he shot.

Om...

rushed to the front, a violent breath burst out from Yue Feng.

"It's you!"

Seeing Yue Feng, Yan Hong's delicate body trembled and she was furious.

At this time, Yanhong never expected to meet Yue Feng here.

No wonder the knights who were guarding outside were gone. It turned out that they were all the ghosts of Yue Feng.

"Yanhong!" Yue Feng showed a smile, but his tone was unquestionable: "I didn't intend to raid you, but there is no way, you made a mess of the Temple of Light, and you still want to rule the entire Roland Continent, I have to Do this!" The

voice fell, Yue Feng's inner strength surged, and a palm shot out like lightning.

boom!

All of this happened so fast, it was almost a flash of lightning, Yan Hong didn't have time to react, and was directly hit on the shoulder by this palm, she heard Yan Hong groan, and the whole person flew out at once.

In the next second, Yanhong hit a pit on the wall of the secret room, and then fell down, a trace of paleness on her delicate face.

Seeing this scene, Yue Feng took a deep breath.

The raid was finally successful.

At the same time, Olina also sat up, her face full of joy: "Teacher, it's a success!"

"You guys!"

Seeing this scene, Yan Hong was extremely angry, and at the same time, she was also extremely shocked.

This goddess of light, actually called Teacher Yue Feng?

Chapter 3492

Aware of Yanhong's expression, Olina couldn't hide her pride: "I didn't expect that, Your Excellency Yue Feng is my teacher, just before you came in, you have already opened the shackles on my body..."

Yan Hong snorted coldly, but did not respond, but silently adjusted her internal energy and regained her strength.

At this time, Yue Feng took a step forward and said to Yanhong, "Yanhong, give it up, you and Miaoying are both fairy spirits, how good is it to be free? Why do you want to rule the entire continent?"

"Shut up!"

Yanhong An angry body trembled, she pointed at Yue Fengjiao and shouted: "The villain who can only raid from behind, you are not qualified to teach me a lesson!"

After saying that, Yanhong's eyes flickered coldly, and continued: "Yue Feng, do you think you can save me? The Goddess of Light can turn the situation around? You are wrong, the Temple of Light is still under my control. Where are the Twelve Holy Knights?"

When she said the last sentence, Yan Hong looked at Yue Feng coldly, full of is resentment.

Whew...

As soon as the voice fell, I saw twelve figures, rushing in quickly, all of them wearing golden armor with strong aura.

It was Tianma, Jinshi and others.

Seeing this scene, Yarina suddenly became nervous. She believed that the twelve holy knights were loyal to her. However, they had all been poisoned by Yanhong before. If they disobeyed Yanhong's order, the consequences would be disastrous.

At this time, Yarina didn't know that the poison of the Twelve Paladins had been cured by Yue Feng.

Seeing Tianma, Jinshi and others, Yue Feng didn't panic at all, instead he showed a smile.

"You guys!"

At this time, Yan Hong directed at Tianma and the others, and loudly ordered: "Take him to me immediately."

However, when the voice fell, Tianma, Jinshi and the others stood there without moving.

Swish!

At this moment, Yan Hong's anger rose, and she shouted: "Can't you hear it? Why don't you do it right away?" After the

voice fell, Jin Shi couldn't help but roar: "You hateful woman, use despicable means to control the light The temple, the goddess of house arrest, the sin is unforgivable."

Tianma and other holy knights also shouted.

"Yes, our dignified paladins, how can we obey you?"

"Don't point fingers at us."

Hearing these words, Yan Hong's body trembled, and she was furious.

In the next second, Yan Hong glanced coldly at Tianma and the others, and said coldly, "You are courting death, don't forget, the poison in your body is only half cured, if you dare not obey my orders, you will end up dead. ."

Hearing this, Tianma, Jinshi and the others looked at each other and couldn't help but laugh.

At this time, Yue Feng also showed a smile, and teased at Yanhong: "Yanhong, I haven't seen it yet? The poison on their bodies has already been resolved." After

speaking, Yue Feng continued: "Yes. Oh, I forgot to tell you that I am still the Holy Venerable of the Temple of Light. So, I will never sit back and watch what you do in the Temple of Light."

What?

As soon as these words came out, Yan Hong's delicate body was shocked, and she stared at Yue Feng and was speechless.

This Yue Feng... is the Holy Venerable of the Temple of Light? How come you never know?

"The Twelve Holy Knights!"

At this moment, Yue Feng stopped talking nonsense, pointed at Yan Hong and shouted: "Take her immediately."

"Yes, Your Highness!" Upon hearing the order, Tianma, Jinshi and the others responded in unison, and then burst out with holy power, rushing directly thinking of Yanhong.

For a time, twelve figures, as fast as lightning, directly surrounded Yanhong.

call!

Seeing this scene, Yue Feng showed a smile and said to Yanhong: "Yanhong, give it up, don't struggle!"

Each of these twelve holy knights is the strength of the Holy Spirit. fear.

Chapter 3493

Hearing this, Yan Hong sneered, without the slightest expression on his face: "Yue Feng, you thought you had attacked me before, and now you have these twelve white-eyed wolves to help you, you can defeat me?"

"You underestimate me too much!" Oh

!

As the voice fell, a terrifying aura erupted from Yan Hong's body, and the surrounding air seemed to freeze in an instant.

"Kacha!"

At the same time, Yan Hong's jade hand slowly raised, and she saw a pitch-black chain appearing in Yan Hong's hand. It is the Chain of Underworld God.

At the same time that Duan Yu's power was absorbed, the Chain of the Underworld God also fell into Yan Hong's hands.

As soon as the Chain of Underworld God came out, not only the secret room, but the entire temple, and even the entire Pearl City were covered by a thick black mist.

What the hell!

Seeing the Chain of the Underworld God, Yue Feng was shocked. This divine weapon of Hades was actually in Yan Hong's hands.

While muttering in his heart, Yue Feng broke into a cold sweat for the Twelve Paladins. Because he clearly felt that Yanhong's injury had almost recovered.

At this time, Yue Feng was very shocked.

In that palm just now, she used eight layers of skill. No surprise, Yanhong needs to cultivate for at least half a month, and at this time, in less than half an hour, she has recovered?

At this time, Yue Feng didn't know that after Yanhong completely integrated the power of Hades, not only did his strength greatly increase, but his healing ability also improved a lot.

At this moment, feeling the bursting aura of Yanhong, Yalina was inexplicably nervous, and her delicate body trembled faintly.

At the same time, Tianma, Jinshi and others were also secretly shocked.

Such a strong breath.

What kind of weapon is this? It looks so unique.

"Don't panic everyone!"

At this moment, Yue Feng reacted and shouted at Tianma and the others: "Listen to my arrangement, Tianma, take two steps forward, Jinshi, take five steps to the left, Gemini, Take a walk to the right..."

When he shouted these words, Yue Feng was anxious on the surface, but his heart was unusually calm.

That's right, what Yue Feng asked the Twelve Paladins to deploy was a formation called the Shifang Reverse Killing Formation.

The Shifang Reverse Killing Formation, among the Baiqishen Formation, is a top-level formation. Yue Feng rarely uses it, but the strength of Yanhong in front of him is too terrifying, so he can only give it a shot.

Whoa!

Hearing Yue Feng's cry, the twelve holy knights, without the slightest hesitation, moved their figures one after another and surrounded Yanhong in the middle.

This...is this an array? It feels wonderful.

Seeing this scene, Yalina's delicate body trembled, inexplicably excited. Originally, Yalina didn't understand the formation technique, but after recognizing Yue Feng as her teacher, she also gained some understanding of the formation technique.

At this time, Yarina clearly saw that the twelve holy knights cooperated with each other under the command of Yue Feng, which seemed to be chaotic, but every step was very mysterious.

In an instant, Yanhong was trapped inside. Even if she had the Chain of the Underworld God in her hand, she could not rush out for a while.

In the blink of an eye, half an hour passed, but Yanhong was still unable to break out of the formation, and became extremely irritable.

Whoosh!

Seeing that Yanhong lost his mind, Yue Feng knew that the opportunity was coming. You must know that fighting at this level is the most taboo to be impatient. At that time, Yue Feng did not hesitate, his figure flashed and rushed into the battlefield, facing Yanhong's back. Raid away.

At this moment, Yanhong was all focused on the Twelve Holy Knights, and she never thought that Yue Feng would rush over.

Papa..

When he got to the front, Yue Feng turned on the electricity and sealed several acupoints of Yanhong at once. He saw Yanhong's delicate body trembling, unable to move at all, and her delicate face was also flushed red, ruthless. He stared at Yue Feng, extremely angry.

“Yue Feng, are you only going to make raids?” Yan Hong almost exploded with anger, shouting at Yue Fengjiao.

Chapter 3494

Hearing this, Yue Feng smiled and sneered at Yanhong: “The so-called winner and loser, besides, the way you used to control the Temple of Light wasn’t very glorious, right?”

” You...”

Yan Hong’s face flushed and she wanted to refute, but she didn’t know how to speak.

“Your Majesty!”

At this moment, Tianma walked over quickly, pointed at Yanhong and shouted: “This woman is so hateful,

just kill it.” As soon as the voice fell, Jin Shi and the other holy knights also They all drank.

“That’s right, this woman is so hateful, I can’t stay.”

“It’s all her, and she almost ruined the reputation of the Temple of Light.”

“Kill her directly...”

The anger of the crowd came, Yan Hong’s delicate body trembled, and The child was a little flustered.

Seriously, if it falls into the hands of others, Yan Hong is not afraid at all, because she is the body of a fairy, and ordinary means cannot kill her at all, but Yue Feng is different, he is very clear about Yan Hong’s origin, there are many ways Let her live rather than die.

call!

Yue Feng took a deep breath, looked around, and said lightly, “Although this woman is hateful, she is not guilty of death, so let’s go down and watch.”

When he said this, Yue Feng looked at Yanhong’s eyes, full of expression. complex.

To be honest, Yanhong’s actions during this period were very abhorrent and made Yue Feng very annoyed, but she still couldn’t bear to kill Yanhong.

This...

Seeing what Yue Feng said, Tianma, Jinshi and the others were all in a hurry.

At this moment, Yalina came over and said softly: "Have you not listened to the words of the Holy Venerable?"

Speaking of which, Yalina has been imprisoned for the past few days. She hated Yanhong very much, and wanted to She immediately killed Yan Hong, but she knew that Yue Feng must have his reasons for doing so.

"Yes!"

Seeing Yalina speaking, Tianma and the others didn't say anything, they responded in unison, and then pushed Yanhong down.

"Teacher!"

Seeing everyone leaving, Yalina came over, unable to hide her excitement, and said to Yue Feng, "Teacher, it's really thanks to you this time!"

Yue Feng smiled slightly: "What's your politeness?"

"Teacher, where have you been during this time?" Lolita asked curiously.

Yue Feng did not hide it, so he told the experience of this period in detail.

call!

Hearing this, Yalina was very emotional: "I didn't expect that so many things happened in just a few days. By the way, teacher, that Yanhong, in my name, invited all the royal families of the six principalities. When we arrive at Pearl City, what should we do next?"

Yue Feng smiled and comforted: "Don't panic, we can just take this opportunity to let the six principalities sign a peace treaty."

"Okay, I understand!" Ya Lina is a smart woman, she immediately understood what Yue Feng meant, her smile was like a flower, and she was indescribably charming.

After chatting for a while, Yue Feng left the temple. You must know that when he came to Pearl City this time, Yue Feng came with the Queen as a palace guard. After being out for so long, he had to go back and return to his life.

.....

At noon the next day, the entire Pearl City was indescribably lively.

Because today is the day when the Hall of Light is held in the Temple of Light.

I saw that around the temple, it was crowded with people, almost a sea of people. They all wanted to look like the goddess of light, but with the Templars guarding them, these people could not enter the temple at all.

Even so, the enthusiasm of the people could not be stopped.

In the temple, the royal families of the six principalities gathered together, quietly waiting for the appearance of the Goddess of Light. The royal families of the six major duchies were originally at odds with each other, but at this time they gathered in the hall, and no one dared to be presumptuous.

After all, the one to see later is the Goddess of Light.

Chapter 3495

Wow!

After waiting for a few minutes, accompanied by a burst of restlessness, I saw Yarina walking in slowly, surrounded by the twelve holy knights.

At this moment, the royal families of the six major duchies were all shocked and indescribably excited.

beautiful!

So beautiful!

I saw that Yalina was wearing a golden robe at this time, showing her perfect figure vividly, wearing a colorful crown on her head, and her face was exquisite and immortal temperament.

For a time, all the kings present were stunned, and their eyes did not blink.

Even the Queen of the Golden Lion Principality was amazed.

“Everyone!”

At this time, Yalina slowly sat on the throne, looked around and smiled softly: “The main purpose of holding the Holy Light Hall this time is for the peace of the entire Roland Continent. I want you to sign a covenant with the six principalities. , you can never start a war.”

When she said this, Yalina looked serious, and her heart was indescribably relaxed.

To be honest, Yanhong, in the name of the Goddess of Light, held the Holy Light Hall in Pearl City, intending to control the royal family of the six princes, and finally achieve the

purpose of ruling the entire continent. This matter seriously affected the reputation of the Light Temple.

Fortunately, even if Yue Feng appeared, the situation was reversed.

This...

Hearing this, the royal families of the six major duchies were immediately stunned.

All of you here are thinking of conquering other principalities, unifying the entire continent, and now wanting to sign a peace treaty.

Seeing their expressions, Yalina frowned slightly, a little unhappy.

“What?”

At this moment, the hot-tempered Golden Lion strode out and said coldly, “His Highness the Goddess said it herself, why don’t you express your opinion? Do you still want to start a war and make the people’s lives miserable?”

” Falling down, a powerful aura erupted from the golden lion’s body.

At the same time, Tianma also said: “Whoever doesn’t want peace today will no longer be blessed by our Temple of Light. Think about it.”

Hearing this, the royal family of the six princes trembled.

If you lose the protection of the Temple of Light, the consequences will be unimaginable.

“His Royal Highness Goddess!”

Finally, the Queen of the Golden Lion Principality was the first to react and respectfully said to Yalina, “We, the Golden Lion Principality, are willing to follow the advice of the Goddess.”

Seeing the Queen’s first statement, the other dukes and royal families also followed suit. They all agreed.

Seeing this situation, Yalina was very satisfied, smiled lightly, looked at the Queen and said, “The Queen has such knowledge and mind, which is really admirable!”

“Thank you Goddess for your praise!” The Queen’s delicate face was full of expressions. humble.

At this time, Yalina thought of something, looked around, and said softly: "After you sign the peace covenant, go back to your own territory. By the way, this Pearl City, our Temple of Light will only be used for a few days. The previous killing of the city lord Seth was just an accident. As for the new city lord of Pearl City, I propose to leave it to the Dumen family!"

After saying this, Yarina looked at the king of the Crescent Principality: "This arrangement, What do you think?"

Yes, it was Yue Feng's suggestion to let someone from the Dumen family be the new city lord, and Yalina obeyed Yue Feng's words, so she said it in the hall at this time.

Well...

Seeing that the goddess of light took the initiative to ask herself, the king of the New Moon Principality was stunned for a moment, then reacted and nodded: "Yes, yes, yes, since it is the goddess's proposal, why don't you want to?"

... On the

other side!

In the secret room behind the temple. Yanhong's hands and feet were tied with iron chains, and her expression was depressed.

The original plan to rule the entire continent was about to succeed, but at the last moment, it was destroyed by Yue Feng. Not only that, but he became a prisoner. No one else could stand it.

The ultimate husband in Chinese chapter 3496-3500

Chapter 3496

"Yanhong!"

Just when Yanhong was secretly annoyed, she heard footsteps coming from the secret room, and then Yue Feng walked in slowly.

When he got to the front, Yue Feng said with a smile: "How does it feel to be a prisoner?"

Shuh!

Seeing Yue Feng, Yan Hong's delicate face suddenly flushed with shame and anger: "Yue Feng, do you still have the face to see me? When I was in Pearl City, I could have

killed you, but I finally spared you. My fate, but you attacked me from behind, you are still a hero

of the Nine Provinces...” Facing Yanhong’s abuse, Yue Feng was not at all angry, he smiled and said, “Yanhong, you are still not awake until now. I’m not here to quarrel with you, I’m asking you, where is Miaoying?”

When he said this, Yue Feng seemed to be smiling, but his eyes flashed with anxiety.

After catching Yanhong last night, Yue Feng searched all over the temple, but did not see Miaoying’s shadow at all.

“Tsk tsk...”

Yan Hong didn’t answer immediately, but couldn’t help mocking: “You two are really affectionate and righteous.”

“Where is she?” Yue Feng frowned, now gone patience.

Yan Hong did not show weakness, and said coldly, “You have hurt me so badly, why should I tell you?”

Hu!

Hearing this, Yue Feng was very annoyed, but he still sneered and said: “Okay, you won’t tell me, will you, then I will hand you over to the Twelve Paladins for disposal, you can think about it, then You have poisoned them, will they let you go easily?”

“You...”

This chapter is provided by . Visit for daily update.

Yanhong’s tender body trembled, her eyes flickered uncertainly, she finally gave in and responded, “Three days ago, after we came to Pearl City, Miaoying left.”

Yanhong didn’t lie, Miaoying was repeatedly beaten by her . Taking advantage of it, he completely lost trust in Yanhong, so after arriving at Pearl City, he left alone.

What the hell!

Seeing that Yanhong didn’t seem to be lying, Yue Feng was stunned, wanting to cry without tears.

This luck is too bad. I thought that if I controlled Yanhong, everything would be over, but I never thought that I still missed out with Miaoying.

The Roland Continent is so big, where will Miaoying go?

At this moment, Yue Feng was indescribably lost, and turned around to leave.

“Hey!”

Just two steps away, she heard Yanhong shouting anxiously: “Yue Feng, you still won’t let me out? What are you going to do?”

“Yanhong!” Yue Feng looked back at her, faintly Said: “You are too evil, honestly stay in the Temple of Light. When I find Miaoying, I will see you again.” The

voice fell, and Yue Feng strode away.

“Yue Feng, you bastard...” Yan Hong was so angry that she kept scolding, but Yue Feng had already gone far.

...

On the other side, the Hall of Holy Light has ended.

At this time, in the temple, the royal family of the six princes had already left.

Yarina sat on the throne, looking at the mountains of gifts in front of her, her delicate face did not show the slightest joy. These gifts were all sent by the royal families of the six major duchies.

“Tianma, return all these gifts!” Yarina ordered to Tianma.

As the goddess of light, she is aloof, and naturally she will not be overjoyed by these worldly gifts.

“Yes.” Tianma replied, and asked for the gift to be taken out.

However, at this moment, Yue Feng walked in quickly and shouted, “Wait.”

When he said this, Yue Feng quickly searched the gifts.

When he came out of the secret room just now and learned that the Holy Light Ceremony was over, Yue Feng rushed over immediately, because he knew that the Queen of the Golden Lion Principality had already given the Thousand Changes Exquisite Box to Yarina, which contained the second half of the volume. Holy Book of Jade.

call!

Seeing Yue Feng coming in, Tianma hurriedly stopped and looked confused at the same time.

Your Excellency wants these gifts?

Chapter 3497

Yalina was also curious and couldn't help but said: "What's wrong?"

Yue Feng took a deep breath and said slowly: "The second half of the sacred book is in these gifts." Yue Feng walked over and searched for it, and soon found the thousand-changing exquisite box.

Haha...

Yue Feng couldn't tell how excited he was when he got the Thousand Changes Exquisite Box. What made him even more excited was that the Thousand Changes and Exquisite Boxes had already been opened. Obviously, the Queen gave Yarina a gift at that time. At the time, he opened the Thousand-Change Exquisite Box.

Whoa!

Hearing Yue Feng's words, whether it was Yarina, Tianma and others, their hearts were shocked, and they were all inexplicably excited.

This box contains the second half of the holy scriptures?

At this time, Yue Feng couldn't wait to open the box.

Um?

When I saw what was inside, I was stunned, my mind buzzed, and it went blank.

I saw that it was empty and there was nothing inside.

Nima? How could this be?

At this moment, Yue Feng was completely blinded. The Queen herself said at the time that the second half of the Holy Book of Jade Books was hidden in this box, how could it not be there?

Is it the Queen who lied?

But... she is the queen, and she is a gift to the goddess of light, how could she lie?

This...

At the same time, Yarina, Tianma and the others were also stunned there.

Finally, the golden lion was the first to react and said angrily, "The queen of the principality of the golden lion is so daring, she dares to deceive the goddess, she should not have gone far, I will go after it."

After saying that, the golden lion was about to rush out . Temple.

Before taking two steps, he was stopped by Yue Feng: "Golden Lion, don't be impulsive, there must be no secret about this matter." He believed that the Queen's personality would not deceive the Goddess of Light.

When the words fell, Yarina also said: "Yes, Jinshi, calm down." She didn't know why there was nothing in the box, but she believed in Yue Feng.

The golden lion scratched his head and stepped aside.

At this moment, Yarina said to Yue Feng, "Are you going back to the Golden Lion Principality?" Her tone was somewhat reluctant.

Yue Feng shook his head: "I won't go back for now, I have other things to do."

In Yue Feng's heart, it is important to find out the truth and find the second half of the sacred book, but before leaving, you must help Luo Li Tower regains the position of the patriarch.

Knowing that Yue Feng had something to do, Yarina didn't say much, and left Pearl City with the others and returned to the Temple of Light, while the Twelve Paladins stayed.

Because before Yarina was in the main hall, she suggested that the Dumen family govern Pearl City, and let the Twelve Paladins handle the specific related matters.

A few minutes later, Yue Feng and the twelve holy knights sent Yarina to the beach.

"Holy Venerable!"

Seeing Yarina leaving, Tianma came over and asked respectfully, "Just now, the Dumen family held a banquet and sent an invitation to our temple, do you want to go?"

Banquet?

Yue Feng frowned?

Seeing Yue Feng's expression, the golden lion said with a smile: "To learn that the Du Mun family's patriarch Du Leng is going to govern Pearl City, he is so happy. He is so honored, and of course he has to entertain other families."

Hearing this, Yue Feng couldn't help sneering, that Du Leng, really thought he could be the city lord?

Thinking to himself, Yue Feng ordered Tianma and others: "You go first, I'll wait a moment!"

"Yes, Your Highness!"

Tianma, Jinshi and others agreed in unison, and then rushed to Dumen family.

Yue Feng returned to the temple and removed his previous disguise.

Yue Feng thought about it, this time back to the Dumen family, he will no longer use any false identity, but will go back as Lolita's husband.

Chapter 3498

Half an hour later, Yue Feng took off his disguise and walked out of the temple.

Um?

As soon as I got outside, I saw Thea.

"Yue Feng!?"

Seeing Yue Feng, Xia was stunned for a moment: "Why didn't you continue to pretend?"

Yue Feng smiled: "No need."

Xia pondered, nodded and said, "That's right. , you have a prominent status in the Temple of Light, and in the entire Pearl City, who would dare to be arrogant to you

? "Why don't you go? It's going to be a good show later, let's go, let's go together!"

Seeing Yue Feng say this, Thea nodded.

A few minutes later, when they arrived at the gate of the Dumen family's manor, they saw all kinds of luxurious unicorn cars, which almost filled the gate. The Dumen family was about to take over Pearl City, and all the major families came to fawn over it.

Because Thea had an invitation, the guards at the door didn't stop her at all.

However, when they saw Yue Feng, the guards widened their eyes.

This... isn't this Uncle Yue Feng?

A month ago, he killed the master and was regarded as a scum by the major families. Finally, he escaped from Pearl City, but he did not dare to come back.

In shock, several guards wanted to come over to catch Yue Feng, but when they saw Thea beside him, they couldn't summon the courage.

Yue Feng paid no attention to the gazes of several guards, and entered the front hall with Thea.

call!

Entering the front hall, Yue Feng couldn't help taking a deep breath when he saw the scene in front of him.

I saw that in the entire front hall, celebrities from the entire Pearl City gathered, almost all the people from the major families came, and in the crowd, Du Leng and Maddie were standing there, chatting and laughing with the people around them.

Especially Du Leng, he was almost elated.

I thought it was an unexpected joy to be able to retake the patriarch from Lolita when I returned to Pearl City this time, but I never imagined that the Dumen family was named by the Goddess of Light and was in charge of the entire Pearl City.

In Du Leng's heart, he was the patriarch of the Dumen family, and the position of the city lord was naturally done by himself.

And Maddie next to him was also smiling.

Although it is not the Maiwei family who is in charge of Pearl City, Du Leng is his own puppet. He is the city owner. At that time, the real power will still be in his own hands. Can you be unhappy?

call!

Seeing Du Leng and Maddie excited from a distance, the corners of Yue Feng's mouth twitched, revealing a trace of disdain.

Immediately, Yue Feng greeted Thea, ready to find a place to sit.

Tianma and Golden Lion haven't appeared yet, so let's keep a low profile for now.

"Huh?"

However, at this moment, a yin and yang strange voice came from the side: "Isn't this the famous female knight Thea in Pearl City? Tsk tsk, a month ago, I fled in fear of crime, but I didn't expect it to return. Dare to come back!" The

voice fell, and a woman dressed in a very flamboyant and coquettish dress directly greeted her.

Swish!

Seeing this woman, Thea frowned, unable to hide her disgust.

This coquettish woman is Manny, the eldest young lady of the Manluo family. This woman is notoriously bitter and mean in Pearl City, which makes Thea disgusted.

At this time, Thea was very depressed. She never thought that she would meet this difficult woman when she first came to the Dumen family!

At the same time, Yue Feng also frowned secretly.

Mad, why is this Manny here? When Yue Feng and Lolita held their wedding, Manni also came. She said a lot of sarcastic things at that time, of course Yue Feng knew it.

While muttering in his heart, Yue Feng couldn't help but look at this Manni secretly, and found that, after not seeing him for a month, this Manni was getting more and more sexy. She was wearing a long wine red dress, showing her sexy collarbone, and the snow white underneath. Also exposed a lot.

Chapter 3499 I

have to say that this Manni is also good-looking, but she is too bitter and mean.

At this time, in the face of Manni's mockery, Thea frowned and said angrily, "Who told you that I absconded in fear of crime?"

Hearing this, Manni chuckled lightly, and her eyes fell on Yue Feng. Suddenly the body trembled, and the whole person was stunned!

Yue Feng?

Dare he come back?

A few seconds later, Manni reacted and screamed nervously: "Oh my god, isn't this Yue Feng, a fugitive? Yue Feng, you're very brave, how dare you come back?"

Yue Feng chuckled: "Why should I? Don't you dare to come back?"

Said, Yue Feng walked to the chair next to him and sat down.

Seeing this situation, Manni suddenly became excited: "Oh, do you think you are still the son-in-law of the Dumen family? You were lucky to escape last time, and now you dare to come back, you just don't know what to do!

", Manni shouted at the surrounding: "Everyone, come and see, the fugitive Yue Feng is back, and he also came to the banquet of the Dumen family..."

When saying this, Manni looked very proud. He glanced at Yue Feng.

A fugitive, still putting on airs in front of me, waiting for you to cry.

Swish!

As soon as the voice fell, the eyes of the surrounding people all focused on Yue Feng, and in an instant, the entire front room exploded.

"Yue Feng?"

"It's really him..."

"You're not too daring to come back."

Under everyone's discussion, looking at Yue Feng's eyes, there is even more hatred. You must know that when the major families besieged Yue Feng, they hurt a lot of people.

Hearing the movement here, Maddie and Du Leng walked over quickly.

When he got to the front, Du Leng looked around and asked, "What's going on?" At the same time, his eyes also fell on Thea, showing a bit of complexity.

Last night, Thea took a person named Fengtao and broke into the family. Du Leng still remembers this.

At this time, Maddie also saw Thea and smiled: "It turned out to be Thea..." Halfway through, Maddie was stunned when he saw Yue Feng next to him.

Yue Feng? Are you dazzled?

Thinking to himself, Maddie rubbed his eyes, looked again, and found that it was indeed Yue Feng.

Mad!

In the next second, Maddie reacted, gritted his teeth at Yue Feng and said, "Good boy, you dare to come back."

Yue Feng sneered and said nothing.

At this time, Du Leng also calmed down and asked Maddie, "Master Maddie, what's the matter?"

Maddie took a deep breath, pointed at Yue Feng and said, "Du Leng, this person is Yue Feng, a month ago, your father, Mr. Du, was killed by him."

"Elder Du was so kind to him, and even betrothed Lolita to him, but this man was very ambitious and wanted to occupy the Dumen family's property, so he secretly killed him. Old man Du Men, everyone present knows about this." The

voice fell, and everyone around nodded.

"Yes, this is a white-eyed wolf."

"Patriarch Du Leng, he is the great enemy of your Dumen family."

"A month ago, this scum escaped by chance, and he must not be allowed to leave alive today."

Du Leng's eyes instantly turned blood red, and he stared at Yue Feng like a hungry wolf.

"Someone!"

Finally, Du Leng roared wildly, pointing at Yue Feng and shouting, "Catch him for me, hang him publicly, and avenge my father!"

Chapter 3500

Wow!

Hearing Du Leng's order, dozens of guards rushed into the hall and surrounded Yue Feng.

Seeing this situation, the surrounding guests avoided one after another. At the same time, they all looked at Yue Feng with a sneer. In their hearts, Yue Feng had thrown himself into the trap and deserved to be beaten to death.

Looking at the guards rushing up, Yue Feng chuckled lightly, not panicking at all.

hum!

In the next second, Yue Feng's internal power exploded, and he saw that dozens of guards were all thrown out before they could react.

What?

Seeing this scene, whether it was Maddie and Du Leng, or the others around, they couldn't help but gasp.

After not seeing him for a month, this Yue Feng's strength seems to have become even more terrifying.

quiet!

At this moment, the entire hall was silent, and a drop of a needle could be heard clearly.

"Huh? Miss Lolita is here!"

At this moment, there was a commotion in the crowd, and then, a slender figure walked into the hall. It was incomparably beautiful, but his face was a little pale. .

It was Lolita.

Speaking of which, Du Leng originally planned to keep Lolita under house arrest, but the Du Men family was going to take charge of Pearl City. With such a great event, Du Leng was in a good mood, so he made an exception to let Lolita come out.

Um?

At this moment, Lolita saw Yue Feng at once, and her heart trembled.

He... how is he here?

Yue Feng was also full of emotion and wanted to go forward to say hello, but seeing the indifference in Lolita's eyes, he held back.

Yue Feng could see that Lolita was deliberately alienating herself because of the old man!

"Lolita!"

At this moment, Maddie walked over with a smile and said to Lolita, "You look good today. From today, your Dumen family will be in charge of Pearl City, you have to be happy."

When the words fell, Du Leng quickly nodded and said, "Yes, after today's banquet, I will make good preparations for your marriage with Mr. Maddie. I know you blame me, but the second uncle is doing this for your happiness."

Hearing this, Lolita's expression did not fluctuate in the slightest, and she looked disheartened.

What?

Yue Feng was shocked, his eyes fixed on Du Leng: "What did you say? Are you going to marry Lolita to Maddie?"

Feeling Yue Feng's gaze, Du Leng felt a chill in his heart and became inexplicably nervous. .

This Yue Feng's eyes are so terrifying.

However, Maddie was fearless, pointed at Yue Feng, and shouted: "Yue Feng, don't pretend to be in front of Lolita. You killed her grandfather. At that time, he fled in fear of the crime, and now he dares to come back to make a big banquet, it's just lawless! "

I tell you, wait for the twelve holy knights of the Temple of Light to come to the banquet. I advise you to leave early."

When he said this, Maddie was full of pride, and his eyes were even more gloomy.

Snapped!

Yue Feng's eyes were blood red, too lazy to talk nonsense, his figure flashed, and he rushed directly to Maddie, and slapped Maddie's face without warning.

"Let me tell you?" Yue Feng looked at Maddie coldly: "Lolita will never be your woman, and you and I both know the death of Old Man Duman, so even if we wait for the Twelve Paladins. I'm here, and I won't be afraid!"

All of a sudden, the audience was silent!

Everyone was shocked and angry, this... This Yue Feng is so mad, how dare he hit Maddie?

Yue Feng ignored everyone's eyes and turned to look at Lolita: "Lolita, don't worry, I will definitely give you an explanation for the death of the old man."
