

## The ultimate husband in Chinese chapter 3501-3510

Chapter 3501

Call!

Hearing this, Lolita bit her lip and said softly, "Leave me alone, you can go."

After seeing Maddie's true face at the beach before, Lolita realized that she might have really misunderstood Yue It's windy, grandpa's death has nothing to do with him.

To be honest, Lolita is very happy to see Yue Feng again at this time. However, the Du Men family at this time has been controlled by Du Leng and secretly colluded with Maddie.

More importantly, the Twelve Paladins will arrive later, Yue Feng is only one person, how could he be an opponent?

Hearing this, Yue Feng showed a smile and comforted: "Lolita, don't worry about me."

"Yue Feng!"

At this time, Maddie reacted and pointed at Yue Feng and shouted: "You dare to do something with me. Your special code is dead." The

voice fell, and the other people around also recovered, and couldn't help but talk about it.

"This Yue Feng is really rampant!"

"Yeah, it's okay to come to the banquet to make trouble, and he dares to beat Mr. Maddie. It's really outrageous!"

Everyone criticized, and Yue Feng didn't panic at all.

The next second, Yue Feng looked at Maddie and said word by word, "Mady, it's not certain who will die today." As he

said that, Yue Feng's eyes were cold, and he swept over every guest present: "At that time, I was in the old man's house. At the funeral, I said that what you families brought to me, I will beg back one by one. And today, I want you families to kneel and apologize in front of me!" A

cold voice resounded throughout the banquet hall. .

This chapter is provided by . Visit for daily update.

Listening to Yue Feng's words, the surroundings were instantly silent!

Haha...

After a few seconds of silence, everyone present burst into laughter!

"What did he say, he wants all of our families to kneel down and apologize to him? Hahaha!"

"What does he mean, to deal with all our families at the same time?"

"Hehe, he should have forgotten how he escaped from the pearl in the first place. City."

Phew!

Seeing this scene, Lolita bit her lip and couldn't help shouting at Yue Feng, "Don't be impulsive!"

She knew that Yue Feng was very strong, but no matter how strong he was, he was only one person!

"Lolita!!"

Feeling Lolita's worry, Yue Feng showed a smile and comforted: "Don't worry about me!"

After saying that, Yue Feng looked around the audience and said coldly: "Since I dare to come today, I'm not afraid that you will do something to me, and I tell you, if I leave today, there is no need for your banquet to go on!"

Hearing this, everyone present was stunned, this Yue Feng really knew Bragging, obviously he is a fugitive, but he says he is like a VIP.

The next second, Maddie took the lead in reacting, looking at Yue Feng and sneered: "Yue Feng, I noticed that your skin is getting thicker and thicker. Today's banquet is to celebrate the Dumen family in charge of Pearl City, and the Temple of Light will also participate. , You said that if you left, the celebration banquet would not go on? Could it be that a small character like you can still represent the Temple of Light?"

"I see that you have said so much, and the ultimate goal is to gain Lolita's favor. Go back to the Dumen family, because the Dumen family will soon be in charge of Pearl City, right?"

When he said this, Maddie's face was full of disdain, and in his heart, he thought that Yue Feng was so calm and just bluffing.

When the voice fell, everyone around also reacted.

“Master Maddie is right!”

“Back then, when Yue Feng was the son-in-law of the Dumen family, he was very good at bragging...”

A bunch of idiots!

Hearing these comments, Yue Feng sneered secretly, and said lightly to Maddie: “I want to return to the Dumen family? Let me tell you, if it wasn’t for Lolita, I wouldn’t even bother to come to this kind of banquet.”

Chapter 3502

Seeing Yue Feng’s serious look, Maddie was calm on the surface, but he was a little nervous in his heart.

Could it be... Yue Feng has something to do with the Temple of Light?

For a time, the atmosphere in the hall became a little subtle.

“Master Maddie!” Du Men came over and whispered to Maddie: “Could it be that what Yue Feng said is true? He is really from the Temple of Light?”

When he said this, Du Men was inexplicably nervous!

If Yue Feng is really from the Guangming Temple, then it will be troublesome!

call!

Maddie took a deep breath, his eyes changed, and after a few seconds, he said lightly: “Impossible, if he is from the Temple of Light, he should come with the Twelve Paladins. However, he came with Thea, Why are you panicking?”

After saying that, Maddie looked at the time and continued: “The time is almost up, we are ready to meet the Holy Knight Your Excellency, this Yue Feng, let him live a little longer.”

Seriously, Maddie at this time I really want to kill Yue Feng, but the banquet is about to start. If you really want to make a move, the banquet will really not go on.

Maddie thought about it, firstly receive the Twelve Paladins, and when the banquet is over, he will deal with Yue Feng and Thea. Anyway, with so many families around, no matter how strong Yue Feng is, he can’t stand his own crowd.

“Everyone!”

Hearing Maddie’s words, Du Leng nodded, and then looked around with a smile: “The banquet will start soon, everyone, sit down!” The

voice fell, the guests present, sit down quickly, no one pays attention to Yue Fenghe Thea.

“Yue Feng!”

At this time, Lolita came over and took Yue Feng’s hand: “You go quickly, Du Leng and Maddie will definitely not let you go, when the banquet is over, they will join hands to deal with you, and other families, they I want you to die.”

Phew!

Feeling Lolita’s worry, Yue Feng breathed a sigh of relief and smiled, “Don’t be afraid, I can handle it!”

Lolita was so anxious, but she didn’t know what to say.

At this moment, Thea, who had been silent, said softly to Lolita: “Lolita, you believe in Yue Feng!”

Lolita did not know Yue Feng’s identity, but Thea was clear. He is the Holy Venerable of the Temple of Light, not to mention Pearl City, even the six major duchies, he does not take it seriously.

Whoa!

Just as he was talking, he heard a burst of turmoil in the surrounding people.

“Your Excellency the Paladin is here!”

“So strong, so majestic.”

In the exclamations of the crowd, they saw twelve handsome figures slowly walking into the hall. The uniform golden armor was majestic and majestic. Twelve Paladins.

“Haha..”

At this moment, Du Leng squeezed out a smile, hurriedly greeted him, and said in a pleasing manner, “My Dumen family is truly honored to be here with the twelve paladins.”

At the same time, the surrounding guests , and they all gathered around, one by one with compliments and excitement on their faces. You know, the Twelve Holy Knights are in front of you, the existence of the famous mainland.

Facing everyone's compliments, the Twelve Paladins looked calm. At the same time, his eyes also exchanged secretly with Yue Feng.

Yue Feng sat there without making a sound.

"All right!"

Finally, Tianma, the leader, looked around and said indifferently: "The main purpose of our visit this time is not to attend the banquet, but to announce the candidate of the city lord."

Said, the golden lion on the side took out an appointment from his body. The book, this letter of appointment, was issued by the Temple of Light.

Swish!

In an instant, the eyes of the audience all focused on the golden lion.

Especially Du Leng, the excitement and excitement on his face could not be concealed, he was the patriarch of the Dumen family, and the position of the city lord must be his own.

Under everyone's attention, the golden lion opened his mouth slowly, his voice was loud, and it spread throughout the Dumen family: "It has been decided by the venerable Goddess of Light, that the new city lord of Pearl City will be succeeded by a member of the Dumen family, she is Miss Lolita. !"

Chapter 3503

What?

Hearing this, there was an uproar in the audience.

Shouldn't the city lord be Du Leng? You know, he is the patriarch of the Dumen family, the most qualified. How did you suddenly become Miss Lolita?

Du Leng froze there, his head buzzing, and the whole person was stupid.

what happened? Is the city owner Lolita?

Maddie was also stunned, staring blankly at the golden lion, thinking that he had heard it wrong.

I thought that after Du Men became the city lord, with his own support behind him, he could completely control the Pearl City in his hands, but he never thought that the last person to succeed the city lord would be Lolita.

And Lolita, who was standing beside Yue Feng, was trembling even more, completely bewildered by this sudden change.

Become the new city owner? Is this dreaming?

At this moment, the golden lion came over, handed the appointment letter to Lolita, and said politely, "Miss Lolita, I hope that after you become the city owner, you can think of everything for the people."

Well!

Lolita responded and took the appointment letter, still feeling a little dizzy.

This is, Yue Feng smiled and said to Lolita: "Lolita, congratulations, I believe you can do it."

Yes, it is Yue Feng's meaning to accept Lolita as the city owner of Pearl City .

"Yue Feng!"

At this time, Lolita's eyes were full of surprise and confusion: "What's going on? Did you know in advance that I would be appointed as the city lord?"

Yue Feng smiled and didn't answer immediately, but looked around and said slowly: "Don't ask so many questions. Next, we will avenge the old man."

After speaking, Yue Feng's eyes fell on Maddie. : "Maddy, I will now give you one last chance to tell the story of how you killed the old man Du Men."

Maddie!

At this time, Maddie was still immersed in consternation, and suddenly heard Yue Feng's words, and suddenly became furious: "Yue Feng, don't spit blood, the death of the old man Du Men has nothing to do with me, he was killed by you."

Immediately, Maddie shouted at Lolita again: "Lolita, don't believe what Yue Feng said, he is a scum, he..."

Slap!

Before he could finish his words, he saw Tianma walking quickly, his face gloomy, and he slapped Maddie fiercely.

This slap, Tianma's shot was very heavy, and he heard Maddie groan, and turned around a few times, and finally sat on the ground with half of his face swollen.

call!

Seeing this scene, everyone around was stunned, and the entire hall was silent.

Maddie was also beaten, sitting on the ground, staring blankly at Tianma, feeling both grievances and fears: "Your Excellency Paladin, I...Did I do something wrong?"

" He scolded: "You are so bold, dare to insult our Holy Highness, are you courting death?"

Holy Venerable?

Hearing this, Maddie only felt his head buzzing, staring at Yue Feng blankly.

What did the paladin say? Holy? Yue Feng is... Holy Venerable?

Phew..

At the same time, everyone around couldn't help gasping for air.

Is this Yue Feng the Holy Venerable of the Temple of Light?

For a while, the entire hall was silent!

Even if a needle falls on the ground, you can hear it clearly!

The major families present looked at each other and felt that it was difficult to breathe. No wonder Yue Feng was so arrogant and confident today. It turned out that he was the Holy Venerable of the Temple of Light!

Chapter 3504

This...

At this moment, Lolita bit her lip tightly, almost bleeding from the bite. She stared at Yue Feng blankly, unable to hide her inner shock, but felt her legs were weak.

At this time, Lolita finally realized that Yue Feng has been hiding, this man, like the ocean, is unfathomable.

call!

At this moment, Yue Feng breathed a sigh of relief, and looked at Maddie with a half-smiling smile: "What? Are you still not willing to plead guilty?"

"

In the next second, Maddie explained in detail how he hired a killer to kill the old man Du Men, and how to frame Yue Feng with Seth.

Seriously, confessing his guilt in public, Maddie felt ten thousand conflicts in his heart, but there was nothing he could do. Yue Feng was the Holy Venerable of the Temple of Light, and there were twelve Holy Knights around.

This...

Knowing these circumstances, the entire hall suddenly exploded.

"It turned out that Mr. Maddie did it?"

"I really didn't expect it."

"We were all deceived..."

Under the discussion, everyone glared at Maddie. The family will not offend Yue Feng.

"Maddy!"

At this moment, Lolita trembled and glared fiercely at Maddie: "You are a beast, why did you kill my grandfather? Why?"

At this time, Lolita was angry and angry again Guilt.

It's all Maddie, which caused him to misunderstand Yue Feng.

In the face of Lolita's questioning, Maddie knelt there, trembling and trembling, unable to say a word.

At this time, Yue Feng walked over and gently comforted Lolita: "Lolita, people can't be resurrected from the dead, don't be too sad, Maddie has pleaded guilty. As the city owner, what should you do?"

Lolita responded, waved her hand, called the guard, and put Maddie in the prison.

Huh...

Seeing this scene, everyone from the major families present was inexplicably nervous.

At this time, Yue Feng looked around and said lightly to the major families present: "You should have any questions, right? If not, you can come over and kneel down and apologize to me."

After saying that, Yue Feng showed a smile. Continuing: "Of course, you can also choose to refuse, but the price is that you don't want to stay in Pearl City in the future!" There

is no doubt about this.

Yue Feng is not talking big, as the Holy Venerable of the Temple of Light, he doesn't even care about the royal families of the six major duchies, and dealing with families like Pearl City is a piece of cake.

Hearing this, everyone present looked at each other in dismay, their faces were earthy, and they didn't dare to breathe. Some were timid, and their legs were weak, and they could hardly stand.

I thought that Yue Feng was just a clown who couldn't get on the stage, but now he has become the one who dominates the fate of the entire Pearl City. How can these big families not be shocked?

Pfft!

Finally, Manni was the first to react, knelt on the ground and said to Yue Feng, "Yue Feng, I'm sorry!" At this time, Manni completely lost her previous pride, but was indescribably frightened!

Puff, puff!

Seeing that someone took the lead, people from other families also hurriedly knelt down.

Seriously, kneeling down to Yue Feng, the hearts of these families are 10,000 reluctant, but they know in their hearts that if they don't apologize to Yue Feng today, the family will be over!

call!

Seeing this scene, Yue Feng stood there with an indifferent expression, without the slightest expression fluctuation.

The next second, Yue Feng's eyes fell on Du Leng, and he said lightly: "Du Leng, I heard that you robbed the position of Lolita's patriarch, right?"

Chapter 3505

Gudong!

Hearing this, Du Leng swallowed his saliva subconsciously, and hurriedly knelt down at Lolita: "Lolita, it's the second uncle that's wrong, the second uncle shouldn't collude with Maddie to snatch your heir's position, let alone You should be forced to marry Maddie, you...forgive second uncle!"

Lolita stood there, biting her lip, and didn't respond.

Speaking of which, Lolita was already desperate, but she didn't expect the turn of the tide. Not only did she become the city owner, she found out the real murderer of her grandfather, and even the cunning second uncle knelt in front of him and asked for forgiveness.

At this time, Lolita was very complicated. She wanted to deal with Du Leng, but she couldn't be ruthless. After all, this was her own second uncle.

Ugh!

Seeing this scene, Yue Feng secretly sighed.

This Lolita is still soft-hearted.

Thinking to himself, Yue Feng waved at the guards outside the door: "Take Du Leng down and lock him up temporarily!"

"Yes!" Several guards responded and dragged Du Leng out.

"Okay!"

At this moment, Yue Feng showed a smile and said to Lolita: "The matter is finally resolved, I am relieved. You can ask Thea about the governance of Pearl City, I believe she'll be happy to help you."

Seriously, Yue Feng really wanted to stay in Pearl City for a few more days, but the second half of the Holy Scripture Jade Book had not been found, and Miaoying didn't know where she went, these two things Son, don't delay.

Lolita was very thoughtful, she heard something at once, and said softly, "Yue Feng, are you leaving?"

Hmm!

Yue Feng nodded: "I still have some important things to do!"

Lolita's delicate face was full of reluctance: "Then will you come back in the future?"

“Yes!” Yue Feng showed a smile: “If there is a chance, I will definitely come back to see you.”

After saying this, Yue Feng smiled. The wind waved at Lolita, turned and walked out.

Twelve Paladins, hurry up to keep up.

call!

Watching Yue Feng’s figure go away, Lolita stood there, feeling lost and unable to calm down for a long time.

.....

Yue Feng and the Twelve Paladins left the Dumen Family Manor.

“Holy Venerable!” After leaving

the manor, Tianma couldn’t help but say: “If you need help with anything, just tell me!”

Yue Feng didn’t think about it, and ordered: “Help me find Miaoying immediately, please.”

Looking for Miao Ying and the second half of the sacred book, the two things are equally important, but Yue Feng is alone and lacks the skills to do it at the same time.

After Yue Feng thought about it, he returned to the Principality of the Golden Lion and asked the Queen about the sacred book. You must know that at that time, the queen said that the sacred book was in the thousand-changing exquisite box, but it was opened in the temple at that time. When the thousand-changing exquisite box was empty, there was nothing in it. Yue Feng knew that there must be a secret in this matter, and he had to go back and find out.

As for the Twelve Paladins, let them help find Miaoying.

“Holy Venerable, don’t worry, we will do our best to help you find that Miss Miaoying.” Tianma responded respectfully, then turned and left with the other Paladins.

Watching the Twelve Holy Knights walk away, Yue Feng did not stop, and immediately rushed towards the Golden Lion Principality.

Half an hour later, Yue Feng finally arrived at the boundary of the Golden Lion Principality.

At this time, night fell, and Yue Feng saw a forest in front of him, so he walked in and prepared to rest.

Um?

However, as soon as he entered the woods, Yue Feng frowned, and then he heard the sound of a fight coming from the depths of the woods, which was very intense.

## **The ultimate husband in Chinese chapter 3506-3510**

Chapter 3506

Muttering in my heart, Yue Feng quickly walked in.

What the hell!

When he got inside, seeing the scene in front of him, Yue Feng was shocked and completely stunned.

Just saw the open space in the woods, two groups of people are fighting endlessly, one of them has more than 100 people, all dressed in black, but actually tough.

Yue Feng clearly felt that these men in black were all very strong, and the lowest one also had the strength of Saint Venerable.

Dozens of guards fought fiercely with these men in black.

Behind these guards, several unicorn cars were parked there, beside the car, a few maids, guarding a slender woman, shivered.

This woman, with a delicate and charming face, and an even more exquisite body, is indescribably charming. It is Mrs. Lanya who has spent a night with Yue Feng.

Obviously, Mrs. Lanya was traveling with her family and encountered a group of men in black blocking the way.

But seeing this scene, Yue Feng frowned secretly, very puzzled.

This is the border of the Principality of the Golden Lion, why is Mrs. Lanya here? With so many family members?

You must know that Mrs. Lanya is the only woman in the Golden Lion Principality who enjoys the title of honor. She has an extraordinary position in the royal city. At this time, such a delicate woman appears in this remote rural area. Can you not doubt it? ?

In his heart, Yue Feng did not show up immediately, but hid behind the tree and watched quietly.

in the battlefield.

In the face of the ferocious attack of the men in black, dozens of guards lost and retreated, and they were about to lose their strength.

This chapter is provided by . Visit for daily update.

call...

Seeing this situation, Madam Lanya's delicate face was full of anger and anxiety.

"Haha.."

At this moment, the leading man in black laughed loudly and teased at Madam Lanya: "Mrs. Lanya, I advise you to give up your resistance, your subordinates are not ours at all. Opponent."

This leading man in black, called Mo Shan, is a powerful, lower Saint Emperor realm.

Hearing this, Mrs. Lanya bit her lip tightly and waved her jade hand, signaling the guard to stop.

After receiving the order, dozens of guards quickly retreated to Madam Lanya.

Seeing Mrs. Lanya's cooperation, Moshan nodded approvingly: "As expected of Mrs. Lanya, who is well-known throughout the royal city, she is quite knowledgeable about current affairs." After

speaking, Moshan raised his hand and signaled his subordinates to stop.

Facing Moshan's ridicule, Mrs. Lanya was very unhappy, but her face was indifferent: "Who are you? Why are you blocking my way?"

Moshan smiled and said straight to the point: "Madam, don't panic, we won't hurt you, we just want you to hand over something."

"What?" Madam Lanya asked subconsciously.

Mo Shan smiled and spit out a few words: "The second half of the Holy Book of Jade Books."

What?

Hearing this, Mrs. Lan Ya's body trembled, and she stared blankly at Mo Shan, completely losing her calmness just now.

At the same time, Yue Feng, who was hiding behind the tree, was also shocked, and his eyes were fixed on Mrs. Lan Ya, indescribable astonishment.

This man in black asked Madam Lanya for the second half of the sacred book?

Could it be that Mrs. Lanya took the holy scripture jade book in the thousand-changing exquisite box?

Chapter 3507

Speaking of which, Mrs. Lanya has a distinguished status, is trusted by the Queen, and has the right to enter and leave the palace freely. If she quietly takes the second half of the sacred book, it is entirely possible.

Thinking of this, Yue Feng secretly observed Mrs. Lanya to see how she would answer.

“You...”

At this time, Mrs. Lanya reacted and said to Moshan: “What is the second half of the sacred book? I don’t know what you are talking about.”

When she said this, Mrs. Lanya had a face on her face. Seriously, but there is a bit of complexity in his eyes.

Yes, the second half of the sacred book in the exquisite box was taken by Mrs. Lanya. The night before the queen went to Pearl City, Yue Feng was raiding Xibo’s house, so Mrs. Lanya took advantage of it. Taking the opportunity, he slipped into Yue Feng’s resting room, and quietly opened the Thousand Changes Exquisite Box.

Speaking of which, only the Queen can open the Thousand-changing Exquisite Box, but Mrs. Lanya often goes in and out of the palace, and she has a good relationship with the Queen. She has seen the Queen play with the Thousand-changing Exquisite Pagoda. Mrs. Lanya is smart, and after seeing it for a long time, she will learn how to open the thousand-changing exquisite box.

After getting the second half of the sacred book, Mrs. Lanya sent someone to send it out of the royal city overnight, and then she took her family and planned to escape from the Principality of the Golden Lion. After all, the second half of the sacred book was given to the goddess of light by the queen. If she knew that the gift had been stolen, the queen would be furious. If she found out the truth, the consequences would be disastrous.

However, Mrs. Lanya never thought that when she reached the border, she was about to leave the Golden Lion Principality, but was intercepted by a group of men in black.

“Haha!”

Hearing Madam Lanya’s answer, Mo Shan sneered, shook his head and said, “Madam, don’t pretend to me. If there is no definite news, I will not ambush here.”

When he said this , Moshan looked confident.

At this time, Moshan seemed to be a mountain bandit who robbed halfway. In fact, his true identity was a spy sent by the New Moon Principality to the King City of the King of the Golden Lion.

Moshan has been lurking in the Golden Lion King City for three years. In the past three years, many eyeliners have been placed among the princes and nobles of the Golden Lion Duchy. Even Mrs. Lanya has Moshan people.

Therefore, Mrs. Lanya secretly stole the gift from the Queen to the Goddess of Light, and Moshan got the news right away.

This...

Moshan's words made Mrs. Lanya feel a little flustered.

It is impossible for outsiders to know about the fact that he secretly stole the sacred book and jade book, except for his own cronies.

Could it be that there are traitors among your own cronies?

Thinking of this, Mrs. Lanya and Moshan looked at each other, shook their heads and said, "Whether you believe it or not, I really don't have the second half of the holy book."

Moshan's face sank, and he said coldly: " Alright, very good, it seems that Madam doesn't shed tears until she sees the coffin."

After speaking, Mo Shan shouted, "Brothers, save Madam Lanya's life, and kill all the others."

Whoops!

The last sentence fell, and more than 100 men in black around, burst out with holy energy, and surrounded Mrs. Lanya.

Seeing this situation, Mrs. Lan Ya was furious and shouted: "You mountain bandits are really lawless..."

At the same time, the surrounding guards all had blood-red eyes.

"Protect Madam!"

"Never let them hurt Madam."

"Kill!"

After a while of howling, dozens of guards rushed forward and fought these men in black again.

However, the disparity between the two sides was too great. In the blink of an eye, many guards fell into a pool of blood, and the entire forest was filled with a strong bloody smell.

Seeing her subordinates fall one by one, Mrs. Lanya bit her lip, almost bleeding.

Chapter 3508

“Hey!”

Seeing Mrs. Lanya’s expression, Moshan was extremely proud and laughed: “Madam, if you don’t want all your subordinates to die, hand them over.”

Mrs. Lanya bit her lip, There was no response, and I was extremely anxious.

The sacred book is the treasure of the Temple of Light, how can it be handed over so easily?

But if you don’t pay, not only will these guards be killed, but you will also be in danger.

“Stop!”

Just when Mrs. Lanya was secretly struggling, she suddenly heard a cold drink, and then, a handsome figure slowly walked over.

There was a somewhat relaxed smile on his face, and a cynical temperament permeated his body.

It was Yue Feng.

Speaking of which, Yue Feng didn’t want to show up, but he had a night of spring rain with Mrs. Lanya, so she couldn’t ignore it. More importantly, Mrs. Lanya was also related to the second half of the missing sacred book.

Swish!

Suddenly saw a person appear, whether it was Moshan or the other men in black around him, his eyes suddenly converged.

“Fengtao?”

At the same time, Mrs. Lanya trembled, her delicate face showing a bit of surprise and joy.

Fengtao is here, and there is help.

Seeing Madam Lanya's happy face, Yue Feng nodded and motioned her not to worry.

"Fengtao?"

At this time, Mo Shan reacted, looked up and down at Yue Feng, and said coldly: "You are that Fengtao, the celebrity next to the Queen?"

After speaking, Mo Shan's face showed a bit of gloom, and continued: "I heard that you can speak animal language, and you are very good at making the queen happy, but this is not a royal city, no matter how noble you are, you must listen to me when you come here. Yes, if you are sensible, kneel on the ground and don't move, otherwise, don't blame me for being rude!"

In Moshan's eyes, this wind wave is not only the strength of the Holy Venerable, so it is not necessary to take it seriously. Yue Feng looked at him, looked at the nonsense, and spit out a word: "Go away!"

In the eyes of others, Moshan's group is very powerful, in Yue Feng's eyes, they are just a bunch of ants.

At this time, Yue Feng only wanted to ask Lan Yafu about the sacred book, and was too lazy to waste words with Moshan.

Swish!

Hearing this, Mo Shan blushed and became furious: "Ma De, you are courting death!"  
How

dare a guy with the strength of the Holy Venerable dare to talk to me like this?

Just don't know how to live or die.

At the same time, the other black-clothed people around were also furious and shouted!

"He's quite arrogant!"

"It seems that I don't know how to write the dead word!"

"Ma De, I thought this was the royal city..."

Mo Shan was too lazy to talk nonsense, he raised his hand and waved: "Kill him for me!"  
“

Hula... the

voice fell, a dozen men in black howled one after another, and the holy energy burst out, rushing directly towards Yue Feng.

hum!

These men in black are not low in strength. At this time, they erupted at the same time, and their power was amazing. When they saw that piece of air, they were all distorted!

“Ha ha...”

Looking at the dozen or so men in black who rushed up, a trace of disdain appeared on the corner of Yue Feng’s mouth, standing there as steady as Mount Tai, his hands swung violently, and a violent breath burst out.

boom!

In the next second, before a dozen men in black could react, they were enveloped by this violent force, and then screamed and flew out one by one.

The moment they landed, these men in black vomited blood, their eyes darkened, and they all passed out!

What?

Seeing this scene, Mo Shan and the rest of the men in black changed their expressions!

This wind wave is so powerful?

No, he is only in the realm of the Holy Venerable, how can he burst out with such a strong power?

At this time, Mo Shan and the others still didn’t know that Yue Feng seemed to be in the realm of the Holy Venerable on the surface, but his real strength was not something they could imagine.

Chapter 3509

Call!

Seeing this scene, Mrs. Lan Ya was trembling, indescribably excited and excited.

This Feng Tao is indeed a man appreciated by the Queen, especially the way he shot just now, he is really handsome.

Thinking again that he and Fengtao had a night of spring love, all of a sudden, Mrs. Lanya’s charming and charming face suddenly flushed.

“Ma De!”

At this moment, Mo Shan came to his senses, his eyes were like poisonous snakes, and he stared at Yue Feng with a grim expression: “I wanted to save your life, but now it seems that there is no need for that!”

Finally As soon as a word fell, Moshan erupted with holy power, and the figure was like a shooting star, coming directly towards Yue Feng.

call!

Looking at Mo Shan who was rushing towards him, Yue Feng chuckled softly and said very indifferently: “Want my life? I’m afraid... you don’t have that ability.”

At this time, Mo Shan had already rushed to the front and heard this As he spoke, his face instantly turned hideous: “Stop talking nonsense, and lead to death!” As the words

fell, Mo Shan clenched his fists like thunder, and slammed towards Yue Feng.

Yue Feng stopped talking nonsense and greeted him with a punch.

boom!

The two fists collided fiercely, and a low roar was heard.

Click!

Along with the roar, there was a crisp fracture sound, and Mo Shan’s face was pale, and the whole person was shaken back more than 100 meters, and his entire right arm, the bones were broken, and the blood was dripping, looking shocking!

“hiss...”

Mo Shan clenched his teeth and didn’t shout, but he couldn’t help gasping for air because of the severe pain. At the same time, the look in Yue Feng’s eyes was full of horror!

This Feng Tao actually broke one of his arms, he is only in the realm of the Holy Venerable.

“Kill him, kill him for me.” In anger, Okuyama clutched his broken arm and kept howling.

Swish...

The voice fell, and the surrounding men in black rushed towards Yue Feng.

Yue Feng sneered and shot again!

Bang Bang Bang...

In less than two breaths, nearly a hundred men in black were all knocked to the ground by Yue Feng, losing their combat effectiveness one by one.

Huh...

Seeing this scene, Mrs. Lanya clasped her fingers tightly, looking at Yue Feng's eyes flashing with brilliance.

This Fengtao is indeed a talent that the Queen takes a fancy to, so powerful.

hateful!

Mo Shan, who was standing not far away, was full of anger and anger, and his eyes were blood red.

"You have to die today!" With a roar, Mo Shan burst out all his holy energy, ready to fight Yue Feng to the death.

However, Yue Feng was faster, and with a flash, he arrived in front of Moshan, and then he used electricity to seal several acupoints on his body.

For a moment, Mo Shan froze there, unable to move.

what happened?

At this moment, Moshan was angry and inexplicably frightened. He clearly felt that his body seemed to be out of control and could not move at all. He didn't know, at this time, the unique acupuncture technique of the Kyushu continent.

At the same time, Mrs. Lanya was also stunned there, staring at Yue Feng in disbelief.

This... this leading man in black seems to be unable to move.

How did Feng Tao do it?

"Okay!"

At this moment, Yue Feng breathed a sigh of relief and smiled at Mrs. Lanya: "It's all done, Mrs. Lanya, don't be afraid, it's all right."

Hearing this, Mrs. Lanya nodded. , then came over and asked Yue Feng curiously: "Fengtao, how did you keep him still?"

Yue Feng smiled slightly: "This is my unique skill, acupuncture!"

Acupuncture?

Mrs. Lanya frowned, and suddenly she remembered, that night, before Feng Tao took possession of her, she seemed to have taped her acupuncture point, and then she couldn't move!

Chapter 3510

Thinking of the scene at that time, Mrs. Lanya's beautiful face turned red again.

The next second, Mrs. Lanya calmed down and smiled at Yue Feng: "Is this acupuncture easy to learn? Can you teach me?"

When she said this, Mrs. Lanya had a smile on her face. But there was a little bit of cunning.

To be honest, Mrs. Lanya was very happy when Feng Tao appeared in time, but after she calmed down, she felt inexplicably nervous!

You must know that she stole the second half of the Holy Book of Jade Books. The Queen knows that she will never let her go, and Feng Tao is the Queen's most trusted subordinate, can you not be nervous?

However, Mrs. Lanya was witty and smart. Seeing that Yue Feng used acupuncture techniques to control Mo Shan, she quickly showed the appearance of wanting to learn to change the topic.

Moreover, if you learn acupuncture points, you will not be afraid of danger in the future.

"This..." Yue Feng scratched

his head: "Acupuncture is not easy to learn." After speaking, Yue Feng briefly explained the distribution principle of acupuncture points in the human body.

Mrs. Lanya Bingxue is smart, she can understand it at a bit, and she quickly understood the tricks. She smiled and said: "This point is so interesting, Fengtao, you are really amazing, you know so much!"

When saying this, Lan Yafu said People were all smiles, but their hearts were secretly anxious.

How can I let Yue Feng leave? Otherwise, it would be troublesome when he asked about the sacred book.

Seeing Madam Lanya's excited look, Yue Feng smiled, and at the same time secretly sighed in his heart.

This lady is truly a stunner.

Who can resist the charm of this laughing allure?

With emotion, seeing Mo Shan next to him, Yue Feng calmed down and quickly patted his forehead.

Just talking to Mrs. Lanya, why did you forget to interrogate this person...

Thinking to herself, Yue Feng walked up to Moshan and asked coldly, "I ask you, who sent you to intercept Mrs. Lanya??"

Phew...

At this moment, Mrs. Lanya bit her lip lightly and became nervous all of a sudden.

This leading man in black knows that he has stolen the sacred book, what should he do?

"Haha..."

Facing Yue Feng's question, Mo Shan didn't respond, but sneered, then bit his tongue in secret, and in an instant, a mouthful of blood spurted out and died.

As a secret spy, Okuyama always had the determination to die in the line of duty. After all, he knew too much information. At this time, it fell into Yue Feng's hands. Knowing that he couldn't escape, he decisively killed himself by biting his tongue.

Nima!

Seeing that Aoshan's expression was wrong, Yue Feng realized something and wanted to stop it, but he was still a step behind.

At this time, seeing Ou Shan's breath, Yue Feng was both annoyed and shocked.

It seems that this leading man in black has a very simple identity. When he is caught, he will bite his tongue decisively and commit suicide. This kind of courage is not something that ordinary bandits can do.

On the other hand, Mrs. Lanya was secretly relieved.

Fortunately, this person committed suicide and did not say anything unfavorable to him.

At this moment, Yue Feng calmed down and turned his head to look at Madam Lanya: “Madam, this person said just now that he wants you to hand over the second half of the sacred book, what’s going on?”

This...

Hearing the question, Mrs. Lanya’s heart trembled, but she pretended to be surprised, she shook her head and said, “This person is talking nonsense, how could I know the sacred book? Feng Tao, you won’t believe the words of a gangster. right?”
