

The ultimate husband in Chinese chapter 3516-3520

Chapter 3516

Yin Shan's face changed, she was completely angry, and she was also a little shocked at the same time. She never thought that this wind wave was so strong.

For a time, the atmosphere of the entire hall was extremely depressed.

"Sect Master!"

Seeing that the situation was getting worse and worse, Mrs. Lanya walked out quickly, knelt on the ground, and pleaded with Yin Shan, "Please, let him go."

Looking at Yue Feng's body filled with thorns, Mrs. Lanya felt both guilty and distressed.

"Eat what's inside and out." Yin Shan's eyes flashed with anger, and she ordered Rachel: "Put her and Fengtao in death row together."

Seriously, in Yin Shan's heart, Mrs. Lanya helped her I was very relieved to have stolen the holy scripture jade book, but at this time, seeing that she had been helping this man to beg for mercy, she immediately became angry.

"Yes, Sect Master." Rachel responded, then called the guards outside and dragged Yue Feng and Mrs. Lanya down.

ten minutes later.

In the death row, Yue Feng sat there, his face full of aggrieved.

At this time, Yue Feng's hands and feet were still tightly bound, and the wooden thorns on his body were not removed.

Mrs. Lanya sat aside, her hands and feet were tied, with tears on her beautiful face, she kept apologizing: "Fengtao, I'm sorry, I'm really sorry..."

Phew!

Seeing the sincerity on Mrs. Lanya's face, Yue Feng breathed a sigh of relief, and said lightly: "You stole the sacred book, why did you lie to me? There is no big family chasing you, right? Why are you? Want to betray the Queen?"

Hearing this series of questions, Mrs. Lanya bit her lip, her delicate face full of entanglements.

This chapter is provided by . Visit for daily update.

A few seconds later, Mrs. Lanya responded slowly: "Why did you ask me to betray the Queen? She didn't send my husband to fight, and my husband wouldn't die. Although he gave me a title, it would change my happiness for the rest of my life. Is it?"

When she said this, Mrs. Lanya looked sad and angry.

Yes, she betrayed the Queen all because of her husband's death.

Uh...

Hearing this, Yue Feng was silent all of a sudden, yes, this Madam Lanya was in her prime, but her husband suddenly died, and it would be unacceptable for any other woman.

"Fengtao!"

At this time, Mrs. Lanya calmed down, her delicate face full of guilt: "I never thought of harming you, it was Rachel who heard our conversation last night that she wanted to arrest you. Seeing the sect master, I really don't want to do this..."

Although the man in front of him was a celebrity by the Queen's side, after a night of spring rain with him, Mrs. Lanya had a crush on him and couldn't hate him at all. , And at this time, seeing him trapped in death row because of himself, it was even more uncomfortable.

Ugh!

Seeing Madam Lanya's attitude, Yue Feng secretly sighed.

They have already been arrested, so there is no need to bother with Mrs. Lanya.

"Okay, don't feel bad, I didn't blame you!" Yue Feng sighed and smiled.

Hearing this, Mrs. Lanya smiled.

The next second, in the face of the situation in front of her, Mrs. Lanya frowned: "Then what should we do now? If you don't help translate the sacred book, the sect master will definitely not let you go."

Yue Feng smiled. Laughing and comforting: "Don't panic!"

Saying that, Yue Feng thought of something, and said to Mrs. Lanya: "By the way, I taught you acupuncture points before, you haven't forgotten, hurry up, click on my acupuncture points." The

whole body was covered with wooden thorns, and Yue Feng was in pain. Forbearance, can't stimulate internal force at all, the only way is to seal the acupoints.

As long as the acupoints are sealed, there will be no consciousness, and there will be no torment of pain. Only then can Yue Feng be able to stimulate his inner strength and force out the thorns.

Chapter 3517

Hearing this, Mrs. Lanya nodded quickly, and then hit Yue Feng's acupuncture point with her elbow. Speaking of which, Mrs. Lanya's first acupuncture point was not skilled at all, but she had Yue Feng's instructions, so it was an instant success.

call!

After the acupoints were sealed, Yue Feng suddenly felt that the pain all over his body disappeared without a trace, so he silently urged his inner strength and began to force out the wooden thorns stuck on his body. After ten seconds, dozens of wooden thorns were all forced out.

At the same time, the ropes on the hands and feet were easily shaken by Yue Feng.

Haha...

After regaining his freedom, Yue Feng felt relaxed, and his eyes flashed with anger.

Mad, who was tortured for no reason, and when he was released from the death row, he must find the phantom sect master to settle the account.

After making up his mind, Yue Feng untied the ropes of Mrs. Lanya's hands and feet.

"Fengtao..."

At this time, Mrs. Lanya looked closely at Yue Feng: "How did you shake off the rope?" She is a member of Huanshimen, and she knows the power of Huanshimen. The ropes are all special, and the wind and waves in front of them are easily shaken away.

Simply incredible.

At this time, Mrs. Lanya didn't know that Yue Feng's surface was in the realm of sainthood, and her real strength was beyond her imagination.

Yue Feng smiled and was about to explain, but when he saw Madam Lanya behind him, he was stunned.

I saw that there was a gap on the wall behind Mrs. Lanya. This gap seemed to be very ordinary, but Yue Feng could clearly feel that there was a faint aura in the gap.

In the gap on the stone prison wall, there is actually aura filled with spiritual energy?

Muttering in his heart, Yue Feng walked over slowly, his inner strength surged, and he slapped the crack with a palm.

boom!

After a dull sound, a hole appeared in front of Yue Feng and Mrs. Lanya. It's dark inside, and I don't know where it leads.

Yue Feng clearly saw that outside the entrance of the cave, a stone formation was deployed with a few stones.

“Strange!”

Seeing this, Yue Feng couldn't help but mutter to himself: “I didn't expect that there is still another mystery in the death row. What is this place?”

Madam Lanya next to her was also shocked, but she heard Yue Feng's words immediately responded: “This is the Taiyuan Mountain Range, the highest place in the entire Roland Continent.” The

highest place?

Hearing this, Yue Feng frowned, thoughtfully.

In the next second, Yue Feng asked Mrs. Lanya: “Since you are from Huanshimen, do you know where this cave is?”

Mrs. Lanya shook her head: “I joined Huanshimen for several years. I have never heard the sect master say that there is a hole under the main altar, and I believe that the sect master does not know about it, otherwise, this place would have become a forbidden place.”

Yue Feng nodded, and immediately thought of something, he took out one from his body. The crumpled map came out. This map was found from Auf when she helped Xue Mi'er capture the big bandit leader Auf.

When he got the map at that time, Yue Feng found a place on the map that was specially marked. Yue Feng always believed that the marked place should be a hidden treasure, so he didn't take it to heart.

Now that I think about it, the place marked on the map seems to be the Taiyuan Mountains.

Phew...

At this moment, Yue Feng unfolded the map, looked at the location of the red dot, and was suddenly inexplicably excited.

Sure enough, the red dot above is in the Taiyuan Mountains.

“This..”

Chapter 3518

At the same time, Mrs. Lanya also trembled, looking at the map tightly, she was shocked: “The position of the red dot seems to be where we are at this time.”

Saying, Lan Yafu The man looked at the hole in front of him and said, “Could it be that there is a treasure in it?”

“If it’s just an ordinary treasure, it won’t be so obscure. There must be some secrets in it.” Yue Feng said lightly, and walked to the entrance of the hole. Observe carefully.

At this time, Yue Feng clearly found that the stone formation at the entrance of the cave had a strong aura, but it was covered with dust, which was obviously old.

“Go, go in and have a look!”

After observing, Yue Feng no longer hesitated, greeted Mrs. Lanya, and walked in first. The stone formation in front of him is just a simple five-element formation. For Yue Feng, it is not difficult at all.

Madam Lanya responded, followed closely behind Yue Feng, and entered the stone formation.

A few seconds later, Yue Feng and Mrs. Lanya passed through the stone formation and entered a long passage, which seemed to lead to the center of the earth.

I don’t know how long it took, Yue Feng and Mrs. Lanya finally came to an empty secret room. They saw that this secret room was the size of two basketball courts, and there were more than a dozen secret passages around the secret room. connected.

What the hell!

Seeing this scene, Yue Feng couldn't help but secretly swallowed a mouthful of saliva. Seriously, when he saw the maze-like place in front of him, Yue Feng was a little confused.

Mrs. Lanya was also stunned, unable to describe the shock: "Why does this place look like a maze?"

Yue Feng did not respond, but carefully observed the surrounding situation. After a few seconds, Yue Feng chose a secret path and directly walked in.

However, after a few steps, Yue Feng suddenly stopped.

"What's wrong?" Mrs. Lanya asked quickly, her beautiful face couldn't hide her nervousness.

Yue Feng waved his hand to signal her not to speak. At the same time, his eyes were fixed on the ground, and he saw that the passage in front of him was paved with square rocks, and the colors of these rocks were different from each other. Some are deep, some are shallow.

Not only that, Yue Feng noticed that in the place where the front turned, on the walls on both sides, there were some round holes with the thickness of fingers.

These round holes should be the organs.

Realizing this, Yue Feng took a deep breath and warned Mrs. Lanya: "It seems that this place is much more dangerous than we imagined, wait for me to go wherever you go, don't go wrong. That's it."

When he said this, Yue Feng's face was solemn.

Because he clearly felt that the passage in front of him not only concealed hidden weapons, but also filled with a strange power fluctuation in the air. This power made people panic. At that time, Yue Feng broke into the Kyushu Continent for the first time. It was this inexplicable feeling of panic when I was leading the way.

Not only that, this force has virtually suppressed Yue Feng's dantian inner strength. Under such circumstances, it is difficult for Yue Feng to fly with Mrs. Lanya, which means that he will face the danger of triggering the mechanism.

"Okay!"

Hearing Yue Feng's exhortation, Mrs. Lanya nodded quickly, daring not to disobey the slightest, and at the same time she felt even more nervous.

Yue Feng stopped talking nonsense, took a deep breath, and moved quickly towards the passage.

Mrs. Lanya followed closely behind Yue Feng. Wherever Yue Feng walked from, she stepped on which stone bricks she stepped on and was very careful.

Seeing that she was about to pass through this dangerous passage, Mrs. Lanya was dripping with sweat. She seemed too nervous and accidentally stepped on the wrong place.

What the hell!

Yue Feng was taken aback and was about to turn around to make amends, but it was already too late.

Click.

I heard a sound of a mechanism being triggered, and then, the ground under my feet trembled slightly.

In the next second, I saw a stream of light erupting from the round hole in the front wall, towards Yue Feng and Mrs. Lanya. Come, each streamer is an arrow, soaked with kerosene, it will burn.

In an instant, thousands of arrows shot out, and the scene was very shocking.

Chapter 3519

“Fengtao...”

Seeing this scene, Mrs. Lanya’s face turned pale, and she couldn’t help exclaiming.

Yue Feng did not panic at all, he pulled Mrs. Lanya into his arms, and at the same time stimulated his inner strength, forming a protective film around his body.

“Bang Bang Bang!”

I saw that thousands of burning arrows hit the protective film one after another, and then bounced off, leaving the protective film intact.

Huh...

Mrs. Lanya breathed a sigh of relief, looking at Yue Feng’s eyes, also flashing a strange light.

With a man like this by my side, I feel so safe.

After another ten seconds, the mechanism finally stopped.

“Okay!” Yue Feng let go of Mrs. Lanya and said with a smile: “Fortunately, I responded in time, otherwise, we would all be shot into hedgehogs!”

Mrs. Lanya nodded with lingering fear: “Fengtao, it is really thanks to you! I’m really sorry just now, I’m too nervous.”

Yue Feng laughed, comforted a few words, and continued walking towards the depths of the passage with Mrs. Lanya.

.....

the other side!

In the hall of Huan Shimen, Yin Shan sat there with a gloomy face, still angry because of Yue Feng.

You especially thought that it was even more difficult for Mrs. Lan Ya to help outsiders to beg for mercy.

“It’s not good!”

At this moment, a guard rushed in in a panic and shouted, “Sect Master, it’s not good!”

Yin Shan was already annoyed in her heart, but when she saw the guard’s appearance, she became angry and shouted, “What does it look like to be in a panic? What’s the matter, such a fuss?”

Gudong!

The guard swallowed his saliva and stammered: “The two people in the death row are gone, and there is a strange big hole in the wall of the death row.”

What?

Hearing this, Yin Shan’s body was shocked, and she immediately stood up: “How can two big living people run away silently?” After speaking, she quickly walked towards the death row.

Rachel and others around, hurry up and follow.

Soon, when they reached the death row, they were all stunned when they saw the scene in front of them, whether it was Yin Shan, Rachel and others.

I saw that there was an unfathomable hole in the wall of the death row, and Yue Feng and Mrs. Lanya had disappeared.

In this...

death row, when did such a hole exist?

“What are you doing?”

Finally, Yin Shan reacted, and directed at the surrounding subordinates, she shouted angrily: “Come in and bring them back to me.” The situation in front of them is obvious, Yue Feng and Mrs. Lanya entered the cave.

“Yes!” The

voice fell, and dozens of guards rushed towards the entrance of the cave.

However, after entering the stone formation at the entrance of the cave, dozens of guards were all dumbfounded.

What’s the matter, why do these stones move the same way? No matter how you go, you can’t get around.

Seeing this scene, Yin Shan frowned, very angry: “What are you doing in there?”

“Sect Master, these stones are a little weird.”

“Yeah, we don’t seem to be able to make it through!”

Yin Shan was even more angry when she heard these guards’ words, and she was also a little shocked at the same time. She could see that these guards were not lying to herself. The stones in front of her were really weird.

In Roland Continent, very few people know the formation technique, and Yin Shan is the same.

However, Yin Shan is a resolute woman, she quickly thought of a way, and said to the other guards behind her: “Go, smash all these stones for me, hurry up.”

Hearing the order, many guards hurried to bring them The hammer smashed at those stones.

Bang Bang Bang...

After half an hour, all the stones blocking the entrance of the cave were smashed, and the formation was completely broken.

At this moment, Yin Shan did not hesitate at all, greeted her subordinates, and rushed in directly.

Chapter 3520

The more you go inside, the more frightened Yin Shan is.

I thought it was just an ordinary hole in the ground, but seeing the slate paved under her feet, Yin Shan realized that things were not as simple as she imagined.

Soon, Yin Shan brought hundreds of subordinates to the secret room that Yue Feng had come to before.

“Sect Master!”

At this time, seeing that there were more than a dozen passages connected to this secret room, Rachel couldn't help but said, “This place should be an ancient ruins, there may be hidden dangers, why don't you stay here, me and others People continue to search.”

Rachel was cautious and didn't want Yin Shan to risk her life.

However, Yin Shan disagreed and said lightly, “It's just an ancient ruin, what's so scary?”

When she said this, Yin Shan's beautiful face showed determination.

As the head of the Huanshi Sect, it would be too embarrassing to be frightened by the environment in front of him. More importantly, we must capture the two Mrs. Lanya as soon as possible. After all, that man named Feng Tao can understand the words on the sacred book.

Saying that, Yin Shan began to deploy: “Rachel, you guys, go to the passage on the left, you guys, go to the passage on the right, and the rest follow me.”

Seeing Yin Shan's insistence, Rachel couldn't say anything else.

For a time, hundreds of people were divided into a dozen groups and probed the surrounding passages.

Yin Shan also entered a passage with more than a hundred people.

Click!

However, just after walking a few steps, I heard strange noises coming from the walls on both sides. Obviously, someone touched the organ.

Yin Shan frowned, and hurriedly stopped everyone. Yet it was too late.

I saw that some black liquid seeped out from the cracks in the front wall, and slipped down the passage. It was a kind of kerosene with extremely low flammability.

“Quickly put out the fire.”

Seeing the kerosene, Yin Shan’s body trembled, and she hurriedly gave a soft drink.

Hearing this, everyone hurriedly extinguished the torches in their hands. Even so, some sparks fell to the ground, igniting the kerosene.

In an instant, the kerosene ignited, and the entire passage instantly became a sea of fire.

Yin Shan reacted quickly, her figure was as graceful as a giant, she quickly retreated to avoid the fire, however, the men she brought with her were not so lucky.

“Ah...” In the

blink of an eye, more than one hundred subordinates were all drowned in the sea of fire, screaming incessantly, and burned to death.

This...

Seeing this scene, Yin Shan’s body trembled, unspeakably annoyed, and at the same time secretly shocked.

Where is this place, there is such a powerful trap.

Then I thought about it, the more dangerous the place, the more treasures there are.

Thinking of this, Yin Shan suddenly cheered up, and after the fire was extinguished, she continued to probe forward.

.....

At this moment, Yue Feng is here.

Yue Feng and Mrs. Lanya continued to investigate while paying attention to the surrounding situation.

I saw that the place behind me, the long and curved passage, had actually changed. Some were surrounded by a wall, and some became an abyss.

Nima!

Only then did Yue Feng realize that this huge labyrinth-like place was constantly changing.

Who the hell built such a place, it's amazing.

I don't know how long it took, Yue Feng and Mrs. Lanya finally came to a huge altar.

hiss!

Seeing the huge altar in front of him, Yue Feng's heart was shocked, and he couldn't help gasping for air!

I saw that there were several trapped formations around the altar. These trapped formations belonged to high-level formations. Once they entered rashly, they would be trapped to death.

Not only that, but in the center of the altar, there is a throne. This throne is entirely carved from black stone. On the throne, there is a figure sitting quietly.

Damn, is there someone here?

Seeing that figure, Yue Feng's heart skipped a beat.
