

The ultimate husband in Chinese chapter 3521-3530

Chapter 3521

Under the shock, Yue Feng was about to speak, but after careful observation, he realized that the figure sitting on the throne was a corpse.

dead?

Yue Feng frowned, and for some reason, seeing the corpse on the throne, he felt an inexplicable feeling in his heart.

“Fengtao, there is a person above.” At this time, Mrs. Lanya also saw it, and couldn’t help saying: “It looks like he has been dead for a long time!”

Hmm!

Yue Feng nodded, then walked up to the altar and began to crack the formations.

These formations are very mysterious. If other people come here, they must be helpless. However, Yue Feng is proficient in “Bai Qi Shen Formation”, so it is not difficult to decipher these formations.

Finally, several formations were completely cracked by Yue Feng, and then Yue Feng walked over to check the corpse on the throne.

Boom!

However, at this moment, Yue Feng sensed violent vibrations under his feet, as if there was an earthquake. Countless gravels fell from the top of his head, and the entire Taiyuan Mountains were shaking violently.

Damn, what’s going on?

Yue Feng was stunned, and he clearly felt that a violent and unparalleled force was madly gathering towards the altar.

This...

At the same time, Mrs. Lanya was also trembling, and her heart was shocked.

On the other side, Yin Shan is still in the long passage, looking for a way out!

At this time, Yin Shan was in a very bad mood.

I thought that I would be able to catch Yue Feng and Mrs. Lanya quickly by entering the cave, but I never thought that they would lose so many men all at once.

hum!

Just when Yin Shan was secretly annoyed, suddenly, she sensed the ground under her feet, and there was a burst of strong vibrations, and then, the entire Taiyuan Mountain Range shook.

what happened?

Yin Shan's delicate body trembled, and she was secretly startled. She clearly felt that the strong vibration was not far from her.

"Sect Master?"

At this moment, not far from the passage, several figures came quickly, it was Rachel and a few guards.

Seeing Rachel, Yin Shan breathed a sigh of relief, tried her best to calm herself, and then asked, "Where are the others?"

"They all fell into the trap and died." Rachel responded in a low voice, her tone full of tension and sadness.

Rumble.

Just as he was talking, the violent vibration came again, and at the same time, a powerful breath raged in the passage.

Rachel frowned: "What the hell is going on? It feels like the entire Taiyuan Mountains are about to collapse."

Phew!

Yin Shan took a deep breath and said calmly: "Such a big movement must be unusual, go, go and have a look!" The

voice fell, and Yin Shan was astonished, and quickly rushed towards the altar. Originally Yin Shan was here, she was lost. direction, but the vibration from the altar was too strong.

Rachel everyone quickly followed.

.....

The vibration from the Taiyuan Mountains quickly spread throughout the Roland Continent!

For a time, the royal families of the six major duchies sent people to the Taiyuan Mountains to check.

At this time, in the Principality of Tianxing, in the Guangwu Academy.

Mr. Fu Zheng, standing quietly in the resting yard, looked in the direction of the Taiyuan Mountains and frowned.

Behind him, more than a dozen disciples also looked up at the sky, and they were all shocked.

Just now, Mr. Fu Zheng was teaching the students, when suddenly, there were violent vibrations, and everyone present was stunned.

At this time, I saw the direction of the Taiyuan Mountains, a violent force surged across the world, and the dark clouds rolled like the end of the world.

“teacher!”

Chapter 3522

Finally, a disciple reacted and couldn't help but asked Mr. Fu Zheng, “Why is there such a strong vibration all of a sudden?”

Mr. Fu Zheng pondered and said slowly: “Such a big If there is movement, there must be an expert in the world, see this direction is the Taiyuan Mountains, hurry up, prepare immediately, let's go check it out!”

“Yes, teacher!”

...

On the other side, the Bloody Hand Organization General Forum!

In the main altar hall, Olina sat there quietly, her beautiful face showing a bit of solemnity.

Below stood dozens of organizational elites.

Just now, the earth suddenly shook violently, and Olina didn't understand the situation, so she hurriedly called her subordinates to ask.

At this time, Olin looked around and said lightly: "Have you found out what happened?"

An elite quickly walked out and said respectfully, "Back to the big leader, my subordinates went out to check just now, it seems to be the legend of the Taiyuan Mountains. Here..." The

voice fell, and another elite said: "Big leader, the Taiyuan Mountains is the highest mountain range in the entire continent, and suddenly there is such a violent vibration, I am afraid that there will be a great change, the subordinate proposes, you can go to check.!"

Hmm!

Hearing this, Olin nodded and agreed: "Yes, immediately call up the staff and head to the Taiyuan Mountains."

.....

At this moment, Yue Feng is here.

Hum...

As the vibration became stronger and stronger, the power raging throughout the altar became stronger and stronger.

Yue Feng's inner strength was so deep that he could barely hold it back, but Mrs. Lanya's body was so fragile that she couldn't hold it any longer.

After an unknown amount of time, the violent shaking finally subsided.

call!

Yue Feng breathed a deep sigh of relief and was about to go over to check on Mrs. Lanya, but at this moment, he noticed something strange behind him.

What the hell!

Yue Feng immediately turned his head to look, and when he saw it, the whole person immediately shuddered.

He saw an old man standing quietly behind him. This old man was dressed in a sackcloth robe. He looked ordinary, but his eyes were bright, and his body was filled with an aura that could not be blasphemed.

What made Yue Feng even more horrified was that this old man was not alive, but was made entirely of strength.

Although it is illusory, the feeling of this old man to Yue Feng is incomparably real.

Not only that, Yue Feng had an indescribable feeling towards the old man in front of him. That feeling was very close, but very strange.

“Not bad!”

Finally, the old man looked at Yue Feng quietly, and said slowly, “It’s been nearly two thousand years, I thought that no one would be able to find this place, and even if someone discovered this place by accident, it would be impossible to break open the one I set up. Six-path formation, but I didn’t expect that these six-path formations would be easily broken by you.”

“Looking at your young age, you have such high attainments in the formation technique, if my guess is correct, you are not from this continent. , but from Kyushu.”

Hiss!

Hearing this, Yue Feng was shocked, and looked at the old man blankly, and the whole person was stupid.

Awesome, you can guess where I come from!

etc...

The next second, Yue Feng reacted and said respectfully to the old man: “Dare to ask the senior, but Fuxi?” In this Roland Continent, no one knew his origin, and he came out of Fuxi. After all, Fuxi also came from the Kyushu Continent.

“Not bad!” Fuxi nodded with a smile.

call!

Hearing the answer, Yue Feng couldn’t help but take a deep breath, unable to calm down for a long time.

Looking at the situation, the corpse on the throne of the altar was Fuxi’s body. Yue Feng thought that two thousand years ago, Fuxi broke the void and left this world, or found a place to live in seclusion, but he didn’t expect that he died in the In the Taiyuan Mountains.

At the same time, Yue Feng also realized that this huge labyrinth-like place was built by Fuxi.

But what is he doing here, building such a place?

Chapter 3523

In doubt, Yue Feng couldn't help but ask: "Senior Fuxi, where is this place?"

"Chaos Teleportation Array!" Fuxi responded lightly.

When answering these four words, Fuxi looked calm, but there was a bit of complexity in his eyes.

Chaos teleportation array?

Hearing this, Yue Feng's heart shuddered, and he was inexplicably excited.

Could it be that if you activate this formation, you will be able to teleport to the continent of Kyushu? If true, that would be great.

Thinking to himself, Yue Feng said excitedly: "Senior, I once saw what you wrote on the sacred book of Guangming Temple, and it recorded the way to return to Kyushu..."

When he said this, Yue Feng was extremely excited, but was interrupted by Fuxi just halfway through.

"Yes, I did write on the jade book, the way to go to other worlds." Fuxi said with a solemn expression, "This way is to pass through this Chaos Teleportation Array." After speaking, Fuxi turned his head: "However, this teleportation array has not been completely completed, and this chaotic teleportation array cannot reach the continent of Kyushu."

What?

Hearing this, Yue Feng was stunned, confused.

Looking at Yue Feng's expression, Fuxi smiled slightly and began to explain: "You know the realm of the gods and the realm of ghosts!"

Yue Feng nodded quickly.

In the Kyushu Continent before, the Nine Heavens Saintess that I met came from the Divine Realm.

As for the ghost world, Yue Feng is even more familiar. At that time, the ghost world Hades, in order to rule the Kyushu continent, secretly subdued the traitor Jed of the Rakshasa clan, and the King Guangping of the Apocalypse continent.

Just when Yue Feng was thinking about this, he heard Fuxi say slowly: "The realm of the gods, the realm of ghosts, and the world of humans are three different worlds. If practitioners in the human world want to enter the realm of ghosts, they will either die or pass the lead. Soul Path."

"And it is even more difficult to enter the realm of the gods. Unless your cultivation realm reaches a very high strength, you can shatter the void and enter the realm of the gods, but for thousands of years, people who can reach this realm are almost It's a handful."

Phew!

Hearing this, Yue Feng nodded in agreement.

Because what Fuxi said was right, the Divine Realm was simply out of reach for ordinary practitioners.

However, what does this have to do with the chaotic formation in front of you?

Looking at Yue Feng's expression, Fuxi seemed to have guessed what he was thinking, and smiled slightly: "Actually, there is another way for practitioners to enter the realm of the gods, which is to pass through the chaotic void." The

chaotic void?

At this moment, Yue Feng's heart was shocked, and he seemed to understand something vaguely: "The chaotic void that the predecessors said is the place where the chaotic vortex is formed?"

"Not bad!" Fuxi nodded.

Immediately, Fuxi looked at Yue Feng: "If I guessed correctly, you came to this world through the chaotic vortex."

Yue Feng nodded.

Fuxi continued: "That's right, you have to know that the human world is not only the Kyushu continent and the Roland continent, but there are many more, and these human worlds are not disconnected from each other, but between the gods and the realm. They are all separated by the chaotic void."

Chapter 3524

"In other words, if you want to return to the Kyushu continent, you need to enter the God's Domain through the Chaos Void, and then return to the Kyushu World from the God's Domain."

“Of course, when a vortex appears in the Chaos Void, it is possible to send you directly. To the Kyushu world, but the probability is too low, and it is also very dangerous, you must know that the chaotic vortex contains extremely strong destructive power and phagocytic power.” At the

end, Fuxi looked at Yue Feng in a complicated way: “So, you can survive in the chaotic vortex and be teleported to this world, which is very lucky.”

Phew!

Hearing this, Yue Feng nodded silently, and his heart was also stunned.

It turned out to be so.

Muttering in his heart, Yue Feng suddenly thought of something, and asked Fuxi curiously: “Senior, I already understand what you said, but I still have some questions, why are you trying so hard to get this Chaos Teleportation Array? ?”

When he said this, Yue Feng’s eyes were full of confusion.

You must know that with Fuxi’s strength, he can freely enter and leave the human world, the realm of the gods, and the realm of ghosts, but it took such a large project to create a chaotic teleportation array, which is really incomprehensible.

Fuxi did not answer directly, but pondered.

After more than ten seconds passed, Fuxi looked at Yue Feng and said slowly: “You may not know that after the great god Pangu opened up the world, the whole world was not divided into the realm of gods, the realm of humans and the realm of ghosts!”

“At that time, people and gods They lived together, respected each other, and were equal to each other.”

“But later, after the concept of rank and identity appeared, God became superior by virtue of his powerful ability.”

“After that, the whole world is divided into three parts, and the place where gods live is called God’s Domain, which is completely above the human world and the ghost world. In the eyes of those gods, all beings in the human world, like ants, are not worthy of living with them at all. A world. Therefore, in order to prevent humans from sneaking into the realm of the gods, a chaotic void was created.

“

Hearing these words, Yue Feng froze there, unable to calm down for a long time.

What Fuxi said almost overturned Yue Feng's worldview.

At this time, Fuxi's face was solemn and complicated: "Speaking of which, my situation is similar to yours. Two thousand years ago, when I was cultivating in the Kyushu Continent, I inadvertently entered the chaotic vortex, and was then passed on to this world.

"At that time, I only wanted to return to the Kyushu Continent, but after I learned about the situation in the Divine Realm and the human world, my heart was very unbalanced."

"Why can only God be in the Divine Realm? You must know that the spiritual energy of heaven and earth in the Divine Realm is the most abundant and purest. If a person cultivates in the realm of the gods, it is almost twice the result with half the effort. But to enter the realm of the gods, one has to go through thousands of difficulties and obstacles, and even never get there in a lifetime."

"God sent messengers to the human world to educate and spread the word. The level of status is itself a kind of enslavement of thought, which is very unfair to human beings."

"So I want to build a Chaos Teleportation Array to break this inequality. As long as the Chaos Teleportation Array is successfully built, the threshold for people to enter the realm of the gods, it will be greatly reduced, and at that time, many supernatural powers will be able to reach the realm of the gods!" At the

end, Fuxi looked at Yue Feng with bright eyes: "Now, do you understand?"

Phew!

Yue Feng took a deep breath, feeling extremely touched and shocked in his heart.

It turns out... this chaotic teleportation array is of such great significance.

I have to say that Fuxi was named the emperor of the Kyushu Continent and a legend in the Roland Continent.

In his heart, Yue Feng respected Fuxi even more.

In the next second, Yue Feng couldn't help saying: "Senior, after hearing you say so much, you should be quite sure about building the Chaos Teleportation Array, but why didn't it succeed?"

Chapter 3525

Hehe...

Hearing this, Fuxi laughed, with a bit of sadness on his face: "Some things are easier said than done, you must know that building a chaotic teleportation array requires the help of chaotic voids. Power."

"However, the power of the Chaos Void is too unstable."

"I spent fifty years, tried various methods, and spent countless energy and effort, and finally created this teleportation array, but at that time, I've reached the point where I'm running out of fuel."

"After I took my last breath, I was very sorry, and at the same time, I hoped that someone in the future would be able to arrive here, continue what I haven't done, and build this Chaos Teleportation Array completely. Good."

"I've waited for more than two thousand years."

When he finished the last sentence, Fuxi was full of emotion and sighed.

call!

Hearing this, Yue Feng took a deep breath and sighed incomparably.

Then, Yue Feng couldn't wait to say: "In this case, I ask the seniors to teach me the method of building." When he said this, Yue Feng knelt respectfully.

To be honest, since becoming a cultivator, there are very few people who can sincerely admire Yue Feng. The adoptive father Ouyang Zhennan, the two masters, Sword Demon Nangong Jue and Guiguizi, are all gone. At this time, among these admirers, there was another Fuxi in front of him.

You must know that a formation can be created in the human world, and it is already an existence that the world looks up to, and Fuxi in front of him not only created the innate gossip that has been passed down for thousands of years, but also created a chaotic teleportation array that can go directly to the realm of the gods.

This can no longer be described as shocking, it is simply unprecedented, and no one has come since.

"Okay!"

Seeing Yue Feng's sincere expression, Fuxi nodded approvingly: "Ruzi can be taught, Ruzi can be taught." When he saw Yue Feng successfully break the six-path formation just now, Fuxi knew that there was someone who had succeeded in building the Chaos Teleportation Array. At this time, when Yue Feng took the initiative to say it, he was very pleased and happy.

In the next second, Fuxi looked solemn: "You're fine. The steps to build this Chaos Teleportation Array are very complicated and complicated. Once any link goes wrong, all previous efforts will be forfeited, and at the same time, there will be danger of no bones left..."

"After that, Fuxi explained the details of the construction of the Chaos Teleportation Array in detail.

Yue Feng knelt there, memorizing every word of Fuxi firmly, daring not to slack off.

Soon, more than an hour later, Yue Feng had completely understood the construction of the Chaos Teleportation Array, but at this time, Fuxi's figure also began to appear illusory.

Seeing this scene, Yue Feng had mixed feelings: "Senior, you..."

He knew that what appeared in front of him was just a trace of Fuxi's remnants left in this Roland Continent, just like when he saw Kuafu and Nuwa before. Like residual thoughts, it will disappear completely if it doesn't stay for too long.

Even so, Yue Feng was still very reluctant.

"Haha..."

Feeling Yue Feng's sentimentality, Fuxi laughed, unspeakably free and easy: "Boy, don't be sad, we're just parting for a while, I'm meditating in God's Domain now, wait until you successfully build Chaos Teleportation Array, come to God's Domain, let's have a good chat."

"Don't let it go, don't let me down!"

After saying the last sentence, Fuxi waved at Yue Feng, and the figure became completely illusory. After a few seconds, disappeared completely.

call!

At this moment, Yue Feng took a deep breath, facing the direction where Fuxi's figure disappeared, solemnly assured: "Senior, rest assured, I will definitely fulfill your long-cherished wish and build this Chaos Teleportation Array."

When he said this, Yue Feng looked around. Looking around, I was inexplicably excited and revered.

The ultimate husband in Chinese chapter 3526-3530

As long as this teleportation array is built, you can easily enter the realm of the gods. I am really excited when I think about it.

“Well...”

At this moment, Mrs. Lanya, who had been in a coma next to her, woke up faintly and let out a soft moan.

Hearing this soft moan, Yue Feng's heart trembled, and he felt that his bones were going to be crisp.

The next second, Yue Feng hurried over and helped Mrs. Lanya up: “Are you alright?” After speaking, Yue Feng observed Mrs. Lanya's situation and found that she was just a little weak, and the rest was fine. .

Mrs. Lanya shook her head, indicating that she was fine, and then asked curiously, “Fengtao, what happened just now? Is this place about to collapse?”

Huh!

Yue Feng took a deep breath, smiled and comforted: “It's nothing, it's just a small accident, don't panic!”

Just now, when Fuxi appeared, and the real matter of Chaos Teleportation, Yue Feng decided not to tell Mrs. Lanya for the time being. After all, these Things are too shocking.

Hearing this, Mrs. Lanya nodded and didn't ask any more questions.

At this time, Yue Feng looked around and urged Mrs. Lanya: “I have something very important to do, please stay around. Once someone comes, don't let them approach, you know?”

” At these times, Yue Feng's face was serious, but his heart was very relaxed. To be honest, this place is too big, like a labyrinth, and there are traps in each passage. Even if someone breaks in, it is difficult to reach the location of the teleportation array.

“Okay!” Mrs. Lanya nodded in agreement without thinking.

She didn't know what Yue Feng was going to do, but as long as he spoke, Mrs. Lanya would do her best.

Yue Feng stopped talking nonsense, walked slowly to the center of the altar, and began to gradually improve the incomplete teleportation formation left by Fuxi.

This chapter is provided by . Visit for daily update.

At the beginning, Yue Feng was still very relaxed, but slowly began to struggle. You must know that this chaotic teleportation formation is very different from the formation that Yue Feng has learned before. energy, and it takes a long time, at least a few days.

In a blink of an eye, a day passed.

At this time, Yue Feng was still busy, sweating profusely, while Mrs. Lanya was always standing around.

Seeing the sweat on Yue Feng's forehead at this time, Mrs. Lanya wanted to go over and wipe him, but she was afraid of disturbing Yue Feng, so she held back.

Soon, another half day passed.

At this time, Yue Feng had reached a state of ecstasy.

Crash...

But at this moment, I heard footsteps in the passage not far away, and then I saw two groups of people walking in.

One of the group of people, most of them in armor with the emblem of the sun embroidered on it, was obviously the guards of the royal city of the Sunrise Principality.

In front of these royal guards, there was a man with a proud look, dressed in a gorgeous robe, and his imposing manner was Zhan Chao, who had a grudge against Yue Feng.

At that time, the Taiyuan Mountains shook violently, and the king sent Zhan Chao to lead his troops to check.

The other group of people wore different clothes, but they all wore uniform epaulettes on their shoulders, and they were all members of the Bounty Alliance.

The leader was a handsome young man, Karen who had a relationship with Yue Feng before.

Chapter 3527

Karen is Xue Mi'er's cousin. At that time, Yue Feng was in a huge cave under Storm City and encountered a giant dragon, Karen and Xue Mi'er. In order to escape, Karen used gravel to kill Yue Feng and the giant dragon Trapped together, and later, he was played by Yue Feng.

Like Zhan Chao, Karen was also sent by the Bounty Alliance to investigate the situation.

Nima!

Seeing Zhan Chao and Karen, Yue Feng was stunned and his mood suddenly became worse.

How did you meet these two idiots.

Mrs. Lanya, who was standing beside her, was also surprised. There are so many people all at once, what should I do?

Um?

At the same time, Karen and Zhan Chao also saw Yue Feng, and their expressions were stunned.

Then, when his eyes fell on Mrs. Lanya, she was even more stunned.

Gudong!

The next second, whether it was Zhan Chao and Karen, or the people behind them, they couldn't help swallowing.

beautiful!

So beautiful.

At this time, Mrs. Lanya, although she was a little tired after staying here for two days, still couldn't hide her charming demeanor, especially her charming and delicate face, which made Zhan Chao and Karen's eyes straight.

Facing the eyes of everyone, Mrs. Lanya was very unhappy.

The next second, Mrs. Lanya took a step forward and said, "Fengtao is doing something very important, don't come here."

Important thing?

Hearing this, Zhan Chao frowned and was very disdainful. Yue Feng and Mrs. Lanya, who are alone, can do anything good in such a hidden place?

Thinking to himself, Zhan Chao chuckled and said to Mrs. Lanya: "I heard that Mrs. Lanya left the Golden Lion Principality. I thought she was looking for a place to live in seclusion, but I didn't expect that she would actually mix with a palace guard."

When he said this, Zhan Chao gave Yue Feng a contemptuous look.

When he was in the Principality of Zuri, Zhan Chao thought that Yue Feng was not pleasing to the eye, and finally designed to capture him and sent him to the Principality

of Golden Lion as a prisoner. He thought Feng Tao would be dealt with, but he never thought that Feng Tao would be In the Principality of the Golden Lion, the wind and water are flourishing.

A few days ago, Zhan Chao represented the Principality of Ziri and sent an envoy to the Principality of the Golden Lion. He was defeated by Yue Feng in the Golden Lion Tournament. , Seeing Yue Feng and Mrs. Lanya together again, my heart is full of jealousy and resentment.

Hearing Zhan Chao's ridicule, Mrs. Lanya's face flushed, and she couldn't help but shout: "Shut up!"

Zhan Chao sneered, no longer teasing Mrs. Lanya, but observing the surrounding situation.

What is this place?

Looking around, Zhan Chao was secretly startled, and saw that in front of him was a huge altar with various round stone pillars placed on it, which was very complicated and mysterious.

At this time, Zhan Chao still didn't know that it was not an altar at all, but a teleportation formation.

call!

Karen, who was standing on the other side, stared blankly at Mrs. Lanya, unable to recover for a long time.

It has always been heard that there is a Lady Lanya in the Principality of the Golden Lion, who is beautiful and unparalleled.

But when she saw Yue Feng, Karen immediately frowned, and a burst of anger rose in her heart.

In the cave below Storm City, this Fengtao relied on being able to be with the giant dragon, causing him to lose face in front of his cousin, but now, he is actually with Mrs. Lanya, who seems to have a very good relationship.

This Fengtao is a clown, how can He Dehe get involved with Mrs. Lanya?

The more Karen thought about it, the more unbalanced it became.

"Fengtao!"

At this time, Zhan Chao stared closely at Yue Feng: "What the hell is going on here? What does the vibration of the Taiyuan Mountains have to do with you?"

His tone was full of commands, unquestionable.

If it was normal, Zhan Chao would not dare to talk to Yue Feng like this. After all, Yue Feng was very strong, but Zhan Chao could clearly see that Yue Feng was sweating profusely and looked very weak.

Chapter 3528

Moreover, there are only him and Mrs. Lanya here, so they are not afraid at all.

Swish!

When the words fell, Karen also looked at Yue Feng closely, waiting for his answer.

Yue Feng chuckled and said lightly to Zhan Chao, "I told you what happened here, and you wouldn't understand. If you were smarter, you would leave immediately with someone."

Yue Feng said lightly. He glanced at Karen: "It's the same for you, leave quickly and don't interfere with my work."

At this time, Yue Feng was very irritable, and the Chaos Teleportation Array had not yet been deployed, so this group of uninvited guests came.

Mad!

Yue Feng's attitude made Zhan Chao very unhappy, and said coldly: "Fengtao, the special code is putting on airs in front of me. Do you think this is the Principality of the Golden Lion? Is there a queen beside you to support you?"

"", shouted at Yue Feng: "I think you are courting death!"

With that, Karen tilted her head and shouted at Zhan Chao: "This kid is so arrogant, come together and kill him!"

Karen is very shrewd, He knew that Yue Feng was very strong, so he relied on his own group, and if he was not an opponent, he decided to unite with Zhan Chao.

Hearing this, Zhan Chao couldn't ask for it, nodded and shouted: "Go on, kill Feng Tao for me!"

Hu La!

The voice fell, and hundreds of royal city guards burst into a howl, rushing towards Yue Feng.

“Kill!”

At the same time, Karen also shouted, bringing the people from the Bounty Alliance, coming straight to Yue Feng.

“you...”

Seeing this scene, Mrs. Lanya’s delicate body trembled, and she couldn’t help shouting: “You stop...” At the same time as she shouted, Mrs. Lanya wanted to rush over and block in front of Yue Feng.

However, as soon as he took two steps, he was intercepted by several people from the Bounty Alliance.

Nima, these two little people.

Seeing Zhan Chao and Karen rushing over with someone at the same time, Yue Feng cursed secretly, and at the same time comforted Mrs. Lanya: “Don’t worry about me.”

Om!

When the voice fell, Yue Feng’s inner strength exploded, and he rushed directly into the crowd.

“Nine Dragons Ascension!” The

four words, like Zalei, were shouted from Yue Feng’s mouth.

Roar!

The moment the voice fell, the surrounding air distorted instantly, a terrifying storm, and then, nine golden dragons appeared in front of everyone.

“Ah...” The

next second, under the aura of Jiutian Jinlong’s powerful aura, a scream came, and many people fell into a pool of blood.

It lasted for a few minutes, and the nine-day golden dragon gradually disappeared, and Zhan Chao and Karen’s subordinates, combined at least three hundred people, died under this skill!

Yue Feng stood there proudly, like a killing god, but his face was a little pale.

He had been deploying the formation method before, and Yue Feng's internal power had consumed a lot. Just now, he released Jiulong Shengtian, which took away a lot of internal power.

This...

Seeing this scene, Zhan Chao and Karen's expressions changed greatly and they were horrified.

The strength of this wind wave is so terrifying.

Just one skill killed so many people... Also, what are the nine golden beasts that appeared just now?

Mrs. Lan Ya, who was not far away, was also trembling, but she felt her legs were softening. She looked at Yue Feng and was shocked.

Is this his true strength? So strong!

Chapter 3529

"Huh..."

Finally, Karen reacted and shouted at Zhan Chao: "Your Excellency Zhan Chao, this Feng Tao is very strong, I'm afraid we are not opponents."

It's just a skill, kill it So many people, it's terrifying.

When the words fell, the surrounding Bounty Alliance and many of Zhan Chao's subordinates also retreated subconsciously, looking at Yue Feng's eyes with deep fear.

Zhan Chao took a deep breath and shouted, "What are you panicking about? His strength is almost exhausted. Let's go together, he won't last long." The

voice fell, Zhan Chao took the lead and rushed towards Yue Feng again.

"Come on!"

"Yes, let's go together."

Seeing Zhan Chao rushing forward again, Karen and the people around followed closely without hesitation.

"Fengtao...you be careful..."

Seeing this scene, Mrs. Lanya couldn't help exclaiming. She really wanted to help Yue Feng, but as a weak woman, she could only watch and worry.

Nima, these people are crazy.

Seeing Zhan Chao, Karen and others attacking again, Yue Feng frowned and lost his calmness before.

Due to the deployment of the Chaos Teleportation Array, Yue Feng consumed a lot of internal energy, and at this time he was already feeling tired. If he continued to fight, the situation would only get worse.

However, Yue Feng knew very well that Zhan Chao and Karen would not let them go even if they were submissive.

Mad, since you're going to fight, come on.

Thinking to himself, Yue Feng's eyes were blood red, like an angry lion, rushing into the crowd again.

In the blink of an eye, half an hour passed, the battle became more and more intense, and Yue Feng became more and more powerless.

He saw that Yue Feng was covered in blood. These blood belonged to the enemy and his own. Around him, the fallen enemies were almost piled up into a hill.

And Yue Feng still stood there proudly, like a god of death.

However, that cold face was a bit pale.

At this time, Yue Feng's internal strength was severely depleted, and he was almost unable to withstand it.

"Haha..."

Seeing Yue Feng's state, Zhan Chao was full of excitement and howled loudly: "He's dying, everyone kills him." When the

voice fell, Zhan Chao clenched his sword tightly and fought with Yue Feng.

At the same time, Karen attacked from behind and stabbed Yue Feng with a sword.

At this time, Yue Feng, focusing on Zhan Chao, did not expect Karen to attack from behind. By the time he reacted, it was too late.

"Puchi!"

This sword directly pierced Yue Feng's shoulder, and in an instant, blood gushed out, staining the ground red.

Speaking of which, if Yue Feng's strength was at his peak, Zhan Chao and Karen would not have to pay attention at all, but now, it is Huluo Pingyang being bullied by dogs.

Mad!

Yue Feng endured the pain and gave Karen a cold look. This guy is too despicable, he dare not fight him head on, he will only attack from behind.

Aware of Yue Feng's gaze, Karen did not panic at all, but instead mocked proudly: "Fengtao, today is your death, give up struggling, haha..."

When she shouted this, Karen looked relieved.

After she left Storm City, Xue Mi'er had been obsessed with Feng Tao, and she kept accusing Karen of being wrong. This made Karen very annoyed and secretly vowed to kill Feng Tao, but today, she finally had the opportunity to get rid of it. He is, can you not be happy?

At this time, Zhan Chao was also very excited, and praised Karen: "Your Excellency is very skilled, this sword stab is wonderful, the stab is good, haha..."

"Fengtao! How are you?"

Seeing this scene, Mrs. Lanya couldn't help exclaiming, tears remained, and she felt distressed.

Yue Feng shook his head and comforted: "It's okay!"

At this time, Zhan Chao and Karen brought their subordinates and surrounded them again.

At this moment, Yue Feng was completely rushed, his eyes were instantly blood red, Yangtian roared, and then he quickly sealed the acupuncture point on his shoulder to stop the blood.

The next second, Yue Feng summoned Fang Tianhua halberd and waved it fiercely.

He heard a scream from Fang Tianhuaji, and then, a blood-colored light burst out, instantly shrouding the hundreds of people around him.

“Ah...”

A scream came out, and the people shrouded in blood-colored light, without exception, all fell into a pool of blood.

Mad!

Seeing this situation, Zhan Chao's eyes were instantly congested, and he was shocked. This wind wave is about to die, and such a terrifying attack can break out. If this person is not eliminated, it will become a serious problem.

Yue Feng's face was pale, and when he heard Madam Lanya's call, he showed a smile and comforted: “Don't cry, I have encountered situations that are more dangerous than this, and I still don't pay attention to these rabble! “

Hehe...

Seeing the enemy getting closer and closer, Yue Feng was entangled.

"Your Excellency Fengtao, don't panic, we're here!"
