Chapter 3526

As long as this teleportation array is built, you can easily enter the realm of the gods. I am really excited when I think about it.

“Well...”

At this moment, Mrs. Lanya, who had been in a coma next to her, woke up faintly and let out a soft moan.

Hearing this soft moan, Yue Feng's heart trembled, and he felt that his bones were going to be crisp.

The next second, Yue Feng hurried over and helped Mrs. Lanya up: “Are you alright?” After speaking, Yue Feng observed Mrs. Lanya's situation and found that she was just a little weak, and the rest was fine. .

Mrs. Lanya shook her head, indicating that she was fine, and then asked curiously, “Fengtao, what happened just now? Is this place about to collapse?”

Huh!

Yue Feng took a deep breath, smiled and comforted: “It's nothing, it's just a small accident, don't panic!”

Just now, when Fuxi appeared, and the real matter of Chaos Teleportation, Yue Feng decided not to tell Mrs. Lanya for the time being. After all, these Things are too shocking.

Hearing this, Mrs. Lanya nodded and didn't ask any more questions.

At this time, Yue Feng looked around and urged Mrs. Lanya: “I have something very important to do, please stay around. Once someone comes, don't let them approach, you know?”

” At these times, Yue Feng's face was serious, but his heart was very relaxed. To be honest, this place is too big, like a labyrinth, and there are traps in each passage. Even if someone breaks in, it is difficult to reach the location of the teleportation array.

“Okay!” Mrs. Lanya nodded in agreement without thinking.

She didn't know what Yue Feng was going to do, but as long as he spoke, Mrs. Lanya would do her best.

Yue Feng stopped talking nonsense, walked slowly to the center of the altar, and began to gradually improve the incomplete teleportation formation left by Fuxi.

This chapter is provided by . Visit for daily update.

At the beginning, Yue Feng was still very relaxed, but slowly began to struggle. You must know that this chaotic teleportation formation is very different from the formation that Yue Feng has learned before. energy, and it takes a long time, at least a few days.

In a blink of an eye, a day passed.

At this time, Yue Feng was still busy, sweating profusely, while Mrs. Lanya was always standing around.

Seeing the sweat on Yue Feng's forehead at this time, Mrs. Lanya wanted to go over and wipe him, but she was afraid of disturbing Yue Feng, so she held back.

Soon, another half day passed.

At this time, Yue Feng had reached a state of ecstasy.

Crash...

But at this moment, I heard footsteps in the passage not far away, and then I saw two groups of people walking in.

One of the group of people, most of them in armor with the emblem of the sun embroidered on it, was obviously the guards of the royal city of the Sunrise Principality.

In front of these royal guards, there was a man with a proud look, dressed in a gorgeous robe, and his imposing manner was Zhan Chao, who had a grudge against Yue Feng.

At that time, the Taiyuan Mountains shook violently, and the king sent Zhan Chao to lead his troops to check.

The other group of people wore different clothes, but they all wore uniform epaulettes on their shoulders, and they were all members of the Bounty Alliance.

The leader was a handsome young man, Karen who had a relationship with Yue Feng before.

Chapter 3527

Karen is Xue Mi'er's cousin. At that time, Yue Feng was in a huge cave under Storm City and encountered a giant dragon, Karen and Xue Mi'er. In order to escape, Karen

used gravel to kill Yue Feng and the giant dragon Trapped together, and later, he was played by Yue Feng.

Like Zhan Chao, Karen was also sent by the Bounty Alliance to investigate the situation.

Nima!

Seeing Zhan Chao and Karen, Yue Feng was stunned and his mood suddenly became worse.

How did you meet these two idiots.

Mrs. Lanya, who was standing beside her, was also surprised. There are so many people all at once, what should I do?

Um?

At the same time, Karen and Zhan Chao also saw Yue Feng, and their expressions were stunned.

Then, when his eyes fell on Mrs. Lanya, she was even more stunned.

Gudong!

The next second, whether it was Zhan Chao and Karen, or the people behind them, they couldn't help swallowing.

beautiful!

So beautiful.

At this time, Mrs. Lanya, although she was a little tired after staying here for two days, still couldn't hide her charming demeanor, especially her charming and delicate face, which made Zhan Chao and Karen's eyes straight.

Facing the eyes of everyone, Mrs. Lanya was very unhappy.

The next second, Mrs. Lanya took a step forward and said, "Fengtao is doing something very important, don't come here."

Important thing?

Hearing this, Zhan Chao frowned and was very disdainful. Yue Feng and Mrs. Lanya, who are alone, can do anything good in such a hidden place?

Thinking to himself, Zhan Chao chuckled and said to Mrs. Lanya: "I heard that Mrs. Lanya left the Golden Lion Principality. I thought she was looking for a place to live in seclusion, but I didn't expect that she would actually mix with a palace guard."

When he said this, Zhan Chao gave Yue Feng a contemptuous look.

When he was in the Principality of Zuri, Zhan Chao thought that Yue Feng was not pleasing to the eye, and finally designed to capture him and sent him to the Principality of Golden Lion as a prisoner. He thought Feng Tao would be dealt with, but he never thought that Feng Tao would be In the Principality of the Golden Lion, the wind and water are flourishing.

A few days ago, Zhan Chao represented the Principality of Ziri and sent an envoy to the Principality of the Golden Lion. He was defeated by Yue Feng in the Golden Lion Tournament. , Seeing Yue Feng and Mrs. Lanya together again, my heart is full of jealousy and resentment.

Hearing Zhan Chao's ridicule, Mrs. Lanya's face flushed, and she couldn't help but shout: "Shut up!"

Zhan Chao sneered, no longer teasing Mrs. Lanya, but observing the surrounding situation.

What is this place?

Looking around, Zhan Chao was secretly startled, and saw that in front of him was a huge altar with various round stone pillars placed on it, which was very complicated and mysterious.

At this time, Zhan Chao still didn't know that it was not an altar at all, but a teleportation formation.

call!

Karen, who was standing on the other side, stared blankly at Mrs. Lanya, unable to recover for a long time.

It has always been heard that there is a Lady Lanya in the Principality of the Golden Lion, who is beautiful and unparalleled.

But when she saw Yue Feng, Karen immediately frowned, and a burst of anger rose in her heart.

In the cave below Storm City, this Fengtao relied on being able to be with the giant dragon, causing him to lose face in front of his cousin, but now, he is actually with Mrs. Lanya, who seems to have a very good relationship.

This Fengtao is a clown, how can He Dehe get involved with Mrs. Lanya?

The more Karen thought about it, the more unbalanced it became.

“Fengtao!”

At this time, Zhan Chao stared closely at Yue Feng: “What the hell is going on here? What does the vibration of the Taiyuan Mountains have to do with you?”

His tone was full of commands, unquestionable.

If it was normal, Zhan Chao would not dare to talk to Yue Feng like this. After all, Yue Feng was very strong, but Zhan Chao could clearly see that Yue Feng was sweating profusely and looked very weak.

Chapter 3528

Moreover, there are only him and Mrs. Lanya here, so they are not afraid at all.

Swish!

When the words fell, Karen also looked at Yue Feng closely, waiting for his answer.

Yue Feng chuckled and said lightly to Zhan Chao, “I told you what happened here, and you wouldn’t understand. If you were smarter, you would leave immediately with someone.”

Yue Feng said lightly . He glanced at Karen: “It’s the same for you, leave quickly and don’t interfere with my work.”

At this time, Yue Feng was very irritable, and the Chaos Teleportation Array had not yet been deployed, so this group of uninvited guests came.

Mad!

Yue Feng’s attitude made Zhan Chao very unhappy, and said coldly: “Fengtao, the special code is putting on airs in front of me. Do you think this is the Principality of the Golden Lion? Is there a queen beside you to support you?

”, shouted at Yue Feng: “I think you are courting death!”

With that, Karen tilted her head and shouted at Zhan Chao: “This kid is so arrogant, come together and kill him!”

Karen is very shrewd, He knew that Yue Feng was very strong, so he relied on his own group, and if he was not an opponent, he decided to unite with Zhan Chao.

Hearing this, Zhan Chao couldn't ask for it, nodded and shouted: "Go on, kill Feng Tao for me!"

Hu La!

The voice fell, and hundreds of royal city guards burst into a howl, rushing towards Yue Feng.

"Kill!"

At the same time, Karen also shouted, bringing the people from the Bounty Alliance, coming straight to Yue Feng.

"you..."

Seeing this scene, Mrs. Lanya's delicate body trembled, and she couldn't help shouting: "You stop..." At the same time as she shouted, Mrs. Lanya wanted to rush over and block in front of Yue Feng.

However, as soon as he took two steps, he was intercepted by several people from the Bounty Alliance.

Nima, these two little people.

Seeing Zhan Chao and Karen rushing over with someone at the same time, Yue Feng cursed secretly, and at the same time comforted Mrs. Lanya: "Don't worry about me."

Om!

When the voice fell, Yue Feng's inner strength exploded, and he rushed directly into the crowd.

"Nine Dragons Ascension!" The

four words, like Zalei, were shouted from Yue Feng's mouth.

Roar!

The moment the voice fell, the surrounding air distorted instantly, a terrifying storm, and then, nine golden dragons appeared in front of everyone.

"Ah..." The

next second, under the aura of Jiutian Jinlong's powerful aura, a scream came, and many people fell into a pool of blood.

It lasted for a few minutes, and the nine-day golden dragon gradually disappeared, and Zhan Chao and Karen's subordinates, combined at least three hundred people, died under this skill!

Yue Feng stood there proudly, like a killing god, but his face was a little pale.

He had been deploying the formation method before, and Yue Feng's internal power had consumed a lot. Just now, he released Jiulong Shengtian, which took away a lot of internal power.

This...

Seeing this scene, Zhan Chao and Karen's expressions changed greatly and they were horrified.

The strength of this wind wave is so terrifying.

Just one skill killed so many people... Also, what are the nine golden beasts that appeared just now?

Mrs. Lan Ya, who was not far away, was also trembling, but she felt her legs were softening. She looked at Yue Feng and was shocked.

Is this his true strength? So strong!

Chapter 3529

"Huh..."

Finally, Karen reacted and shouted at Zhan Chao: "Your Excellency Zhan Chao, this Feng Tao is very strong, I'm afraid we are not opponents."

It's just a skill, kill it So many people, it's terrifying.

When the words fell, the surrounding Bounty Alliance and many of Zhan Chao's subordinates also retreated subconsciously, looking at Yue Feng's eyes with deep fear.

Zhan Chao took a deep breath and shouted, "What are you panicking about? His strength is almost exhausted. Let's go together, he won't last long." The

voice fell, Zhan Chao took the lead and rushed towards Yue Feng again.

"Come on!"

"Yes, let's go together."

Seeing Zhan Chao rushing forward again, Karen and the people around followed closely without hesitation.

“Fengtao...you be careful...”

Seeing this scene, Mrs. Lanya couldn't help exclaiming. She really wanted to help Yue Feng, but as a weak woman, she could only watch and worry.

Nima, these people are crazy.

Seeing Zhan Chao, Karen and others attacking again, Yue Feng frowned and lost his calmness before.

Due to the deployment of the Chaos Teleportation Array, Yue Feng consumed a lot of internal energy, and at this time he was already feeling tired. If he continued to fight, the situation would only get worse.

However, Yue Feng knew very well that Zhan Chao and Karen would not let them go even if they were submissive.

Mad, since you're going to fight, come on.

Thinking to himself, Yue Feng's eyes were blood red, like an angry lion, rushing into the crowd again.

In the blink of an eye, half an hour passed, the battle became more and more intense, and Yue Feng became more and more powerless.

He saw that Yue Feng was covered in blood. These blood belonged to the enemy and his own. Around him, the fallen enemies were almost piled up into a hill.

And Yue Feng still stood there proudly, like a god of death.

However, that cold face was a bit pale.

At this time, Yue Feng's internal strength was severely depleted, and he was almost unable to withstand it.

“Haha...”

Seeing Yue Feng's state, Zhan Chao was full of excitement and howled loudly: “He's dying, everyone kills him.” When the

voice fell, Zhan Chao clenched his sword tightly and fought with Yue Feng.

At the same time, Karen attacked from behind and stabbed Yue Feng with a sword.

At this time, Yue Feng, focusing on Zhan Chao, did not expect Karen to attack from behind. By the time he reacted, it was too late.

“Puchi!”

This sword directly pierced Yue Feng’s shoulder, and in an instant, blood gushed out, staining the ground red.

Speaking of which, if Yue Feng’s strength was at his peak, Zhan Chao and Karen would not have to pay attention at all, but now, it is Huluo Pingyang being bullied by dogs.

Mad!

Yue Feng endured the pain and gave Karen a cold look. This guy is too despicable, he dare not fight him head on, he will only attack from behind.

Aware of Yue Feng’s gaze, Karen did not panic at all, but instead mocked proudly: “Fengtao, today is your death, give up struggling, haha...”

When she shouted this, Karen looked relieved.

After she left Storm City, Xue Mi’er had been obsessed with Feng Tao, and she kept accusing Karen of being wrong. This made Karen very annoyed and secretly vowed to kill Feng Tao, but today, she finally had the opportunity to get rid of it. He is, can you not be happy?

Haha...

At this time, Zhan Chao was also very excited, and praised Karen: “Your Excellency is very skilled, this sword stab is wonderful, the stab is good, haha...”

With that, Zhan Chao directed at Yue Feng sneered and said, “Fengtao, lead to death obediently, don’t make unnecessary struggles!”

Chapter 3530

Hearing this, Yue Feng sneered and ignored it!

“Fengtao! How are you?”

Seeing this scene, Mrs. Lanya couldn’t help exclaiming, tears remained, and she felt distressed.

Yue Feng shook his head and comforted: “It’s okay!”

At this time, Zhan Chao and Karen brought their subordinates and surrounded them again.

“Want me to die? You guys are not qualified!”

At this moment, Yue Feng was completely rushed, his eyes were instantly blood red, Yangtian roared, and then he quickly sealed the acupuncture point on his shoulder to stop the blood.

The next second, Yue Feng summoned Fang Tianhua halberd and waved it fiercely.

Roar!

He heard a scream from Fang Tianhuaji, and then, a blood-colored light burst out, instantly shrouding the hundreds of people around him.

“Ah...”

A scream came out, and the people shrouded in blood-colored light, without exception, all fell into a pool of blood.

Mad!

Seeing this situation, Zhan Chao's eyes were instantly congested, and he was shocked. This wind wave is about to die, and such a terrifying attack can break out. If this person is not eliminated, it will become a serious problem.

Thinking to himself, Zhan Chao clenched his sword tightly, his figure burst out, and he slashed directly behind Yue Feng.

stab.

This sword was fast and ruthless, Yue Feng had no time to dodge, and a deep blood was cut out from the entire back, and the bones were deeply visible. Under the severe pain, Yue Feng's body trembled and fell directly to the ground.

“Don't...!” Madam Lanya collapsed completely and stood there with tears streaming down her face. At the same time, she wanted to come over to help Yue Feng, but was blocked by a few people from the Bounty Alliance, so she couldn't get over.

In Mrs. Lanya's heart, Yue Feng felt very guilty when she was arrested by the sect master because of herself. At this time, it was even more heartbreaking to see him being besieged by everyone again.

Yue Feng's face was pale, and when he heard Madam Lanya's call, he showed a smile and comforted: "Don't cry, I have encountered situations that are more dangerous than this, and I still don't pay attention to these rabble!"

Hehe...

Hearing this, Zhan Chao's face was full of disdain: "I still speak madly? Everyone, this wind wave is dead. Quickly take his life." The

voice fell, and a roar erupted from the surrounding people.

Looking at the people rushing up, Yue Feng's eyes flickered. At this time, he really wanted to use the white lotus cold fire. As long as the white lotus cold fire was used, Zhan Chao and Karen would never be able to stop them.

But in this case, it is possible to accidentally hurt Mrs. Lanya. After all, she has no holy power at all.

Nima, how should this be?

Seeing the enemy getting closer and closer, Yue Feng was entangled.

"Your Excellency Fengtao, don't panic, we're here!"

Just when Yue Feng was anxious, suddenly, from the passage not far away, there was a coquettish shout.

Hearing this coquettish shout, Yue Feng, Zhan Chao and others all turned their heads to look, and everyone was stunned when they saw it!

I saw that thousands of figures rushed out from the maze-like passage, like a tide. These thousands of figures were wearing uniform black and red soft armor with a bloody hand embroidered on their chests.

It is the bloody hand organization.

The leader, dressed in a long black and red dress, is cool and charming, it is Olina.

A day ago, the Taiyuan Mountains shook violently, and Olina immediately brought her subordinates to check it out. After arriving just now, she heard the movement of the fight here, and then saw Yue Feng being besieged by everyone.

Speaking of which, when Yue Feng used the magic pill to force Olina to surrender, Olina felt very humiliated, but after learning about it, she was convinced by Yue Feng's free and easy personality. 's help.

Hiss...

blood...blood hand organization?

Seeing Olina and the thousands of subordinates behind her, Zhan Chao and Karen, their expressions changed, and their gazes converged on Olina, unable to speak for a long time!

The ultimate husband in Chinese chapter 3531-3535

Chapter 3531

For a time, the audience was silent!

In the entire Roland Continent, no one does not know the Bloody Hand Organization.

The Bloody Hand Organization has a large number of people and is powerful, and has even threatened the six major duchies. Over the years, the six major duchies have tried to encircle and suppress the Bloody Hand Organization, but all of them have failed.

At this time, this mysterious and powerful blood-hand organization actually helped Yue Feng.

Moreover, depending on the situation, the big leader of the Bloody Hand Organization has a close relationship with Yue Feng...

At this moment, whether it is Mrs. Lanya, Zhan Chao and others, all of them look at Yue Feng and are extremely shocked!

Especially Mrs. Lan Ya, her delicate body trembled, looking at Yue Feng's eyes, flashing a strange light.

This man has something to do with the Bloody Hand Organization. How many secrets does he have?

"Blood Hand Organization..."

"This wind wave is related to the Blood Hand Organization?"

At this time, Zhan Chao and Karen were unable to calm down for a long time, and whispered at the same time.

At the same time as the discussion, many men's eyes were also staring at Olina, each of them intoxicated, their eyes straightened.

Beautiful, so beautiful.

According to rumors, the big leader of the Bloody Hand Organization is a glamorous beauty with peerless elegance. When I saw it today, it really lived up to its reputation.

I can see that Olina today is wearing a black and red dress, which is charming and sexy, but also gives a cold and arrogant temperament, especially her exquisite curves, any man will be unable to extricate himself when he sees it.

call!

Just when everyone was secretly shocked, Yue Feng was also secretly relieved.

Great, Olina showed up so timely.

While sighing, Yue Feng couldn't help but look at Olina.

I have to say, this Olina is worthy of being a peerless beauty. She has not seen each other for a while and has become more charming and sexy.

“Your Excellency Fengtao!”

Sensing everyone's eyes, Olina didn't pay attention to it at all, but said softly to Yue Feng, “Are you alright?”

Yue Feng endured the pain from the wound and smiled slightly: “It's alright, I can't die!”

Hearing this, Olina relaxed and waved her hand.

Whoa!

After receiving Olina's order, thousands of subordinates rushed over and guarded Yue Feng.

This...

Seeing this scene, both Zhan Chao and Karen frowned, shocked and angry.

The bloody hand organization intervenes, this is not easy to handle.

But he could kill Feng Tao just by looking at it, so giving up like this was too embarrassing.

“Okay, very good!”

Finally, Zhan Chao reacted and glared at Yue Feng: "I thought you were just a clown, but I didn't expect that you are also related to the Bloody Hand Organization. The Bloody Hand Organization is huge and seriously threatens the security of the Grand Duchy, since we encounter it today, we will catch you all."

These words were just words.

When the words fell, Karen shouted: "Yes, none of you people want to leave today."

Speaking of which, the Bounty Alliance and the Bloody Hand Organization originally meant that the river did not make the well, but in order to get rid of Yue Feng, Karen couldn't care less.

Besides, with Zhan Chao as an ally, Karen didn't panic at all.

Two idiots.

Yue Feng couldn't help but chuckle, too lazy to pay attention.

Olina frowned, and her beautiful face also showed a bit of gloom, she first looked at Zhan Chao, and then at Karen: "Just because the two of you join forces, it will be destroyed. Our Bloody Hand Organization? Do you have this strength?"

Om!

Chapter 3532 The

voice fell, Olina's holy power broke out, and a powerful breath swept out.

At the same time, thousands of subordinates pulled out their long swords in unison, flashing a cold light, the momentum was like a rainbow, and it was terrifying.

Gudong!

Seeing this, Zhan Chao couldn't help swallowing his saliva, unable to hide the fear in his eyes.

At the same time, Karen bowed her head, unspeakably embarrassed.

The next second, Karen whispered to Zhan Chao: "Your Excellency Zhan Chao, we are understaffed, we really fight, I'm afraid it is not the opponent of the Bloody Hand Organization."

In the fierce battle with Yue Feng just now, Zhan Chao's Wangcheng guard, as well as Karen's companions, almost half of the casualties were lost. At this time, facing the elites of thousands of bloody hands, there was no chance of winning.

Zhan Chao was silent for a while, a little in a dilemma.

Whoa!

At this moment, I heard footsteps coming from a passage not far away, and then I saw tens of thousands of people gathered.

What the hell!

Seeing this scene, both Yue Feng and the others were stunned!

It can be seen that among these tens of thousands, there are guards from major principalities and people from various forces. There is no doubt that these people are all here to explore the Taiyuan Mountains.

Um?

At this moment, seeing the situation in front of them, all these forces secretly frowned.

“Blood Hand Organization and Bounty Alliance?”

“And the guards of the Royal City of the Sun-Zhiking Principality...”

“Depending on the situation, they are going to fight...”

Under the discussion, many people saw the huge teleportation formation behind Yue Feng, and felt the powerful aura contained in it, and they were all inexplicably excited.

“What is this?”

“It contains such a strong power.”

“It seems that the source of the vibration of the Taiyuan Mountains is here!”

Hearing these people’s comments, Yue Feng took a deep breath and said slowly:
“Everyone, Behind me is a teleportation formation, but this teleportation formation is not yet perfect, so please don’t approach it rashly.”

When he said this, Yue Feng had a solemn expression on his face.

The Chaos Teleportation Array, after spending a lot of internal strength and energy, is about to be completed, and there must be no mistakes.

Teleportation Array?

Hearing this, everyone present looked at each other in disbelief.

Only Zhan Chao and Karen stood there sneering.

“Everyone, don’t believe this Feng Tao’s words.”

Zhan Chao recovered quickly, looked around and shouted, “What kind of teleportation array is made up by this Feng Tao, there is obviously a huge treasure hidden here, Yue Feng wants to smuggle with the Bloody Hand Organization, and naturally he doesn’t want us to share a piece of the pie. Just say yes.”

After that, Zhan Chao pointed at Yue Feng with a dignified look on his face: “Also, this Fengtao is upright on the surface, but it is actually a bloody hand. The spies of the organization, as well as the previous false goddess of light, are also related to him, so the treasures here must not be obtained by Fengtao and the Bloody Hand Organization...”

When he said this, Zhan Chao was full of pride. He knew very well in his heart that when he and Karen united, they were not the opponents of Yue Feng and the Bloody Hand Organization at all, but as long as the forces present were incited, the situation would be different.

Whoa!

Hearing this, everyone present was in an uproar, and tens of thousands of pairs of eyes suddenly converged on Yue Feng.

This Feng Tao... turned out to be a member of the Bloody Hand Organization?

At this time, you have to organize with the Bloody Hand to swallow the treasures in the Taiyuan Mountains?

Thinking about it, many people looked at Yue Feng’s eyes with strong hostility. You must know that the Bloody Hand Organization is huge, not only the number one enemy of all forces, but also the confidant of the six principalities.

Nima!

Feeling the eyes of everyone around, Yue Feng frowned secretly, and glared at Zhan Chao at the same time. Mad, this Zhan Chao is really despicable and shameless. If the United Karen can’t beat me, he incites others to deal with me.

Chapter 3533

This...

At the same time, Olina trembled, her beautiful face showing a bit of anger and nervousness.

This Zhan Chao is so hateful, he wants to kill someone with a knife?

To be honest, with the current strength of the Blood Hand Organization, the entire continent is not afraid of any principality except for the Temple of Light. However, if the dozen or so forces in front of them are added together, if they want to deal with the Blood Hand Organization, it will be different.

No matter how strong the Bloody Hand organization is, it is not an opponent of so many forces.

call!

Finally, Olina reacted and looked around coldly: "No matter what your purpose is, whoever dares to hurt Your Excellency Fengtao today, my bloody organization, will definitely be at odds with him !

"

, Everyone present was heart palpitations, and at the same time, they were furious.

In the next second, Zhan Chao looked closely at Olina and sneered: "Okay, very good, as expected of the big leader of the Bloody Hand Organization, his tone is really big." After

speaking, Zhan Chao looked around and continued: "Everyone, this bloody hand organization is so arrogant, if we don't unite, we will be defeated by her one by one!"

Zhan Chao roared when the last sentence fell, and charged directly with the Wangcheng guards behind him.

"Go!"

"Too arrogant!"

"Together with the Bloody Hand Organization!" The

surrounding forces were also furious, howling and rushing towards Olina.

Seeing this scene, Olina's petite body trembled with anger, and her delicate face was a little pale. Although she was not afraid of these forces, the disparity in the number of people was too great. In this battle, it would be difficult for the Bloody Hand Organization to win.

"Ah..."

At this time, the thousands of elites of the Bloody Hand Organization had been besieged, and many people screamed and fell in a pool of blood.

At this moment, Olina bit her lip tightly, and anger flashed in her eyes.

“The Bloody Hand Organization listens to the order and fights back immediately!” Olina shouted, her delicate body flashed, and she directly rushed into the enemy group.

“Nima’s!” Yue Feng clenched his fists tightly. Seeing that the Blood Hand Organization was implicated by him, Yue Feng was completely furious, and his body was filled with terrifying evil spirits.

hum!

In the next second, Yue Feng’s internal power exploded, and together with Olina, they fought fiercely with all the forces present.

.....

On the other side, dozens of miles away from the Taiyuan Mountains, on an avenue, a slender figure is walking silently.

Delicate face, wearing a long white dress, floating like a fairy!

It was Miao Ying.

During this time, Miao Ying was a little lost. Half a month ago, Miao Ying thought that by helping Yan Hong, Yan Hong would be able to take her to see Yue Feng, but in the end, Yan Hong took advantage of her.

After leaving Pearl City at that time, Miao Ying wandered around aimlessly, and at the same time inquired about Yue Feng’s whereabouts.

However, what made Miaoying depressed was that there was no progress at all.

At this time, Miao Ying didn’t know that Yue Feng came to this different world and rarely used his real name, but often used the fake name Fengtao.

After walking for more than an hour, I saw a small town appeared in front of me.

call!

Seeing the town, Miao Ying breathed a sigh of relief, finally having a place to rest.

Thinking to herself, Miao Ying entered the town and found a tavern, ready to drink some water to rest.

Entering the tavern, Miao Ying saw that there were several men sitting on the table at the entrance. These men, all dressed in uniform black clothes, all had bad expressions on their faces.

It is the people of the fantasy world.

Before, Yue Feng and Mrs. Lan Ya suddenly disappeared from the death row. At that time, Yin Shan was very annoyed. While leading people to explore the burrow, she also sent some men to look for it near the Taiyuan Mountains.

The few people sitting in this tavern were sent by Yin Shan.

Miaoying didn't care when she saw these people from the phantom world, she found a place and asked for a glass of water.

At this moment, several people from the Huanshimen started to complain to each other.

"I've been searching for almost two days, and there is no whereabouts of Fengtao and Mrs. Lanya..."

"I think the two must have entered that hole!"

Chapter 3534

"Yeah, we can go back and return to life!"

Several people's comments were whispered, but Miao Ying still heard them.

Feng Tao?

At this moment, Miao Ying silently recited the name in her heart, and her eyes suddenly flashed with a strange brilliance.

This name seems to be a fake name that Yue Feng used before.

Could it be that Yue Feng has been using a fake name in this world?

Thinking of this, Miao Ying was so excited that she walked over to a few people from the phantom world.

"Excuse me!"

When she got to the front, Miao Ying said very politely: "Where is the Feng Tao you said?"

Huh...

At this moment, several people from the Huanshimen suddenly converged on Miaoying. Body, for a long time unable to extricate themselves.

This woman has such a beautiful temperament.

After more than ten seconds, the one in the lead reacted and looked at Miaoying with a smile: "Beautiful lady, what are you doing with Fengtao? Are you also his party?" Co-party?

Hearing this, Miao Ying frowned: "Did something happen to him? Tell me!"

"Hehe..."

The man laughed evilly: "That guy named Fengtao offended us. Lord, he was thrown into death row, and although he escaped, he couldn't escape from the palm of our sect master's hand." As he

spoke, the man looked up and down Miao Ying, his eyes straightened: "Since you and Feng Tao know each other, then come with us."

At the same time, several other people around were also laughing and booing.

In their hearts, Miao Ying is just a beautiful woman, not a threat at all.

Miaoying was very unhappy when she noticed the eyes of these people.

hum!

In the next second, Miao Ying exploded with power and directly enveloped these people.

At this moment, the hearts of several people trembled, and they were inexplicably frightened. They clearly felt that this beautiful woman in front of her had unfathomable strength, especially the breath that burst out, making people breathless.

"Where is the main forum of your organization? Take me there immediately!" Miao Ying said coldly, too lazy to talk nonsense.

"Yes, yes..."

...

At this moment, Yue Feng is here.

The fierce battle between the two sides continues.

It's just that the disparity between the numbers of the two sides is too great, and the bloody organization is only a few thousand people, while Zhan Chao and these forces add up to tens of thousands of people, almost one enemy ten.

Under such circumstances, many elites of the Bloody Hand organization fell into a pool of blood.

Ha ha!

At this moment, Zhan Chao was indescribably proud and arrogant, his eyes fixed on Olina: "What kind of bloody hand organization, it's just that. Die!" After the

voice fell, Zhan Chao directly thought of Olina and rushed towards !

At the same time, Karen and other powerhouses also surrounded Olina.

Olina snorted coldly, without panic at all, and fought fiercely with Zhan Chao.

call!

Seeing this scene, Yue Feng scolded secretly and became anxious.

Olina is not weak, but she is not an opponent of so many people.

Anxious, Yue Feng wanted to rush up to help, but after the previous fierce battle, his internal strength was almost exhausted, and he couldn't rush at all!

In the next second, Yue Feng calmed down, quickly exited the battlefield, sat cross-legged on the ground, and began to recover his inner strength.

On the battlefield, in less than ten minutes, Olina couldn't hold on anymore, her delicate body kept trembling, and her beautiful face was a little pale.

The next second, Olina's red lips lightly opened, and her cold voice spread throughout the audience: "You shameless people, even if I die today, I will make you pay a heavy price."

Chapter 3535 When the

last word fell, she saw Olina holding the long sword in her hand and holding it high above her head. In an instant, a dazzling brilliance condensed and crashed down.

That ray of light, like thunder and lightning, finally formed a huge sword shadow.

Um?

Seeing this scene, Yue Feng, who was recovering his inner strength, was stunned.

This sword shadow cast by Olina is very different from the sword art of the Kyushu Continent, but its power is very strong.

boom!

Just when Yue Feng was muttering secretly, he saw the huge sword shadow fall into the crowd, and a roar erupted.

When the huge sword shadow fell, Zhan Chao and the people from all sides changed their faces greatly, and at the same time retreated and dodged, but the area covered by the sword shadow was very large, and many people did not react and were directly swept by the sword shadow. middle.

“Pfft...”

The people who were swept by the sword shadow, without exception, spit out a mouthful of blood, and at the same time their figures staggered back. After stabilizing their figures, they looked at Olina in amazement.

Is this the strength of the leader of the Bloody Hand Organization?

Really strong.

“Hey...”

Finally, Zhan Chao reacted and sneered at Olina: “As expected of the leader of the Bloody Hand Organization, he is really powerful. If I guess right, this is your strongest move, right?”

When he said this, Zhan Chao covered the wound on his shoulder, and he was also swept by that sword shadow just now.

But Zhan Chao didn't panic at all, because he clearly felt that Olina's breath was very weak after performing this sword shadow move.

Olina bit her lip and didn't respond, and there was no mood swing on her beautiful face. However, there was some anxiety in my heart.

Because Zhan Chao was right, at this time, Olina was at the end of her power.

“Okay, very good!”

At this time, Karen also reacted, looking at Olina with a half-smile: “It is rumored that the strength of the leader of the Bloody Hand organization is about to reach the realm of the

Holy Spirit. I saw it today, and it really is. Saying that, Karen turned around and smiled evilly: “

However, no matter how strong you are, it's almost consumed by now, haha, tell you, today, neither of your bloody organization and Fengtao want to live. Leave.”

Om!

The voice fell, and Karen's holy power exploded, heading straight for Olina.

At the same time, other powerful forces around also erupted, and together with Karen, they surrounded Olina.

“Despicable and shameless!”

Seeing the crowd burst out, Olina's face flushed red and she was furious.

At this time, Olina had just released her peculiar skills, which consumed too much energy and no longer had much energy. Facing the siege of Zhan Chao, she had no strength to fight back, and was forced to retreat again and again.

Not far away, the thousands of elites of the Bloody Hand Organization were also killed and wounded, and the number of people was almost lost.

Done!

Seeing this, Olina's face turned pale, and her delicate body trembled faintly.

If it goes on like this, everyone will die here.

call!

At the same time, Yue Feng was also secretly anxious and stood up directly. Speaking of which, Yue Feng originally planned to regain some internal strength and fight side by side with Olina. But seeing so many casualties of the Bloody Hand, it was difficult to calm down.

“Everyone!”

At this time, Yue Feng took a deep breath, and his clear voice spread throughout the audience: “There is no treasure in this place, don't be fooled by Zhan Chao and Karen, and I'm not a bloody hand organization at all. So, the matter here has nothing to do with the Bloody Hand Organization, if you really want to do something, just come to me...”

The ultimate husband in Chinese chapter 3536-3540

Chapter 3536

When he said this, Yue Feng looked serious.

“Hehe!”

Hearing this, Karen sneered, attacking Olin and mocking Yue Feng: “Fengtao, you don’t need to argue, if there is no treasure in this place, how could it possibly trigger the Taiyuan Mountain Range? Vibration, and, if you are not a member of the Bloody Hand Organization, why would the Bloody Hand Organization help you without hesitation?”
The

voice fell, Zhan Chao nodded in agreement and shouted: “Yes, everyone, don’t listen to this Fengtao sophistry, let’s work together. Kill him, and the people of the Bloody Hand Organization, none of them can let them run away!”

Cho Nima said.

Hearing this, Yue Feng’s eyes were extremely red, and the anger in his heart was rising.

Zhan Chao and Karen, these two idiots, are really despicable villains. At this time, they are still slandering me.

“Okay!”

Yue Feng took a deep breath, his eyes flashing with anger: “Since you have to do this, don’t regret it later.”

Regret?

Hearing these two words, whether it was Zhan Chao, Karen and others, they were all stunned.

A few seconds later, many people burst into laughter.

“Haha...” Zhan Chao looked at Yue Feng closely, and mocked loudly: “Fengtao, I really don’t know what qualifications you have to speak up now, the current situation has been firmly under our control, do you think you are Can you turn it around? Why do you? With that mouth of yours? Haha...” The

voice fell, and the surroundings burst into laughter again.

Yue Feng sneered and said nothing.

Seeing this situation, Olina bit her lip and shouted at Yue Feng, “Your Excellency Fengtao, if you can’t do it, go first, we will block them!”

With the current situation, the best way is to let Feng Tao leave first. She believes in Yue Feng’s strength. If she can leave safely today, she will definitely help herself to take revenge.

However, Yue Feng shook his head: “I won’t go! If you want to go, let’s go together!”

Hearing this, Olina stomped her feet in a hurry. Why is Feng Tao so stubborn?

“Haha!”

At this moment, Zhan Chao sneered: “Let’s go? Do you think you can still go today? Leave all your life behind!”

Yue Feng ignored it, took a deep breath, and jumped onto the teleportation array. on a stone pillar.

In the next second, Yue Feng shouted at the trapped elites of the Blood Hand Organization: “Everyone in the Blood Hand Organization listens to my order, and all take ten steps back!”

When he shouted these words, Yue Feng’s eyes flashed with determination and harmony. confidence.

Yes, Yue Feng is preparing to deploy a large formation to turn the situation around.

Huh...

At this time, the Bloody Hand Organization had already suffered more than half of the casualties, and there were only less than 2,000 people left. At this time, when they heard Yue Feng’s cry, they were all confused.

What is this for?

But seeing Yue Feng’s self-confidence, many people didn’t think much about it and immediately stepped back.

Olina frowned, she wanted to stop it, but she didn’t know why, but she held back. She knew that Yue Feng must have his reasons for doing this.

At this time, Zhan Chao couldn’t help laughing loudly: “Fengtao, do you still want to turn the situation around? Don’t be too naive.”

Yue Feng ignored it, and continued to command loudly at the less than 2,000 people: "Five hundred people in front of you. People, ten paces to the east, five hundred people to the left, twenty paces to the west, faster!"

"

Hearing this, the people in the Bloody Hand Organization moved their steps according to Yue Feng's instructions without any hesitation.

However, at the same time as they moved, Zhan Chao and Karen took the opportunity to attack, and for a while, less than 2,000 people remained, and hundreds more fell in a pool of blood.

Chapter 3537

Haha..

Seeing this scene, Zhan Chao was extremely proud, and mocked at Yue Feng: "Fengtao, with this ability, don't come out and show shame. Today, none of you can survive, so don't Struggling!"

Yue Feng didn't seem to hear Zhan Chao's mockery. He organized the crowd at the bloody hands and shouted again: "The five hundred people behind, move five steps to the right immediately, and once you are in place, immediately counterattack!"

Seeing Yue Feng shouting like crazy, Zhan Chao was full of disdain and continued to laugh.

However, at this moment, the next scene in front of him made Zhan Chao's face change greatly, and at the same time, everyone else was stunned.

It can be seen that there are less than 2,000 people left in the Blood Hand Organization. At this time, under the command of Yue Feng, they cooperate with each other, both offense and defense, and defend like an iron wall. Not messy.

Not only that, under the counterattack of the Bloody Hand Organization, the forces of all parties have damaged a lot of people.

This....

Seeing this scene, Zhan Chao, Karen and others felt their brains buzzing and were shocked.

Thousands of people blocked tens of thousands of people, how is this possible?

At the same time, Olina, who was originally anxious, was also trembling, staring blankly at Yue Feng, speechless in shock.

Under such a disadvantage, he can turn the situation around. This man is too powerful.

And Mrs. Lan Ya, who was standing not far away, her legs were even weaker, and she looked at Yue Feng with shock! At this time, she clearly saw that thousands of people organized by the Bloody Hand were fighting against tens of thousands of enemies.

There are only less than 2,000 people left in this bloody hand organization.

But under Feng Tao's command, the opponent's tens of thousands of people were unable to break through their line of defense.

Yue Feng stood on the stone pillar with a calm expression.

Yes, at this time, Yue Feng deployed the Bafang Tianlong Formation. In "Bai Qi Shen Array", it belongs to the upper-middle-class formation.

When he was in the Kyushu Continent, the martial arts of the Diyuan Continent wanted to elect the leader of the alliance. At that time, in the offensive and defensive competition, Yue Feng used this Bafang Tianlong Formation to block the siege of more than a dozen sects. Elected leader.

Seeing that the Blood Hand Organization was besieged just now, the situation was critical, Yue Feng immediately thought of this formation.

You must know that the Bafang Tianlong Formation is a very powerful formation. Once the deployment takes shape, no matter how many troops you have, don't even think about taking a step forward!

"This...!"

Finally, Karen reacted and looked at Yue Feng with a frown: "What's going on here? How did he do it?" Completely incomprehensible!

At the same time, Zhan Chao also frowned and his face changed.

At this time, Zhan Chao was very annoyed!

Ma De, he could destroy the Bloody Hand Organization and Feng Tao, but he never thought that at the last critical moment, Feng Tao really turned the situation around.

Swish!

Frightened, Zhan Chao's eyes locked on Yue Feng instantly, and his expression was incomparably crazy: "Everyone, kill this Feng Tao, as long as you kill him first, these people in the bloody organization will have no resistance!"

Although Zhan Chao Mean, but also a smart guy. Although he didn't know how Yue Feng did it, he also understood the principle of catching the thief first.

hum!

As soon as the words fell, Zhan Chao rushed over like a cannonball, and at the same time, he slammed a palm and hit Yue Feng fiercely.

Mad!

Seeing Zhan Chao rushing towards him, Yue Feng frowned secretly, seemingly calm, but a little flustered in his heart.

You know, Yue Feng has consumed too much internal energy. Although he has recovered a little, it is still a drop in the bucket. He has not recovered much at all. At this time, facing the imposing Zhan Chao, it is difficult to stop him.

"Fengtao, be careful!"

Seeing this situation, Mrs. Lanya, who was not far away, couldn't help but exclaimed, her beautiful face was a little pale, and tears gushed out.

"careful!"

Chapter 3538

At the same time, Olina also gave a coquettish cry, and then she was about to rush over, but there were too many enemies in front of her, and she couldn't break through in a short period of time.

In anxiety, Olina raised her eyebrows and shouted at Zhan Chaojiao: "If you dare to hurt Your Excellency Fengtao, I will not spare you!"

Hearing this, Zhan Chao sneered: "Take care first. You can do it yourself." Saying that, Zhan Chao's holy force exploded, speeding up.

In the blink of an eye, Zhan Chao was already in front of Yue Feng.

"Go to hell!" Zhan Chao roared, and the palm exploded with almost full force.

Nima!

Yue Feng scolded secretly, before he could think about it, he was about to face the attack. To be honest, at this time, Yue Feng consumed too much internal energy and was not sure to defeat Zhan Chao at all, but at this moment of life and death, there was no other chosen.

“Om!”

Just when Yue Feng was about to fight Zhan Chao to the death, suddenly, he sensed a strong spiritual force coming from behind him, and then, a slender figure, like a frightened star, was in front of Yue Feng, he took Zhan Chao's palm.

“Boom!” In the

next second, a dull sound was heard, and then Zhan Chao let out a miserable cry, and the whole person was shocked and flew out, flying more than 100 meters before falling heavily.

At the moment of landing, Zhan Chao spat out a few mouthfuls of blood, his face was extremely pale, and finally his eyes darkened, and he passed out directly.

This...

the situation suddenly reversed, and everyone present was stunned. Then, everyone's eyes were focused on the slender figure in front of Yue Feng.

hiss.

Seeing this, everyone couldn't help but take a breath, and all of them were stunned!

This is a very beautiful woman, dressed in a long white dress, with an exquisite figure and extremely charming, it is Miao Ying. I met a few people from Huanshimen in the small town tavern before, and when she heard the news of Yue Feng, Miaoying rushed over directly.

At this time, many people were stunned!

Who is this woman? Such a strong strength.

At this time, Miao Ying didn't care about the gazes of the people around her at all, her charming eyes stared at Yue Feng tightly, and she was very excited.

Found, finally found him.

Miao Ying?

At this moment, Yue Feng also stared blankly at Miao Ying, only to feel his brain buzzing!

Are you dazzled?

Thinking to himself, Yue Feng rubbed his eyes.

It's really Miaoying!

At this time, Miao Ying stepped forward and looked at Yue Feng closely: her delicate face was full of distress,

and she said softly, "Yue Feng, how are you? Are you okay?" Holding Yue Feng's face, look at this, look at that, for fear that he is injured.

"I'm fine... I'm fine..." Yue Feng shook his head, showing a smile, and at the same time, tears of joy appeared in his eyes.

After several months, I finally found her.

And seeing Miao Ying's appearance at this time, Yue Feng's nose was even more sore.

I haven't seen each other for a few months. Miaoying has really lost a lot of weight. She has a good heart. What happened to her when she was not by her side during this period of time.

"Wow..."

At this moment, Miao Ying couldn't help herself. She fell into Yue Feng's arms and couldn't help crying: "Yue Feng, I thought I would never see you again... I miss you so much..." Time, I have been thinking about it, looking forward to seeing Yue Feng again. Seeing him now, all my thoughts have turned into tears!

Chapter 3539

"Okay... don't cry..." Yue Feng hugged her tightly and comforted her gently: "This time, you are suffering, in fact, I have been looking for you..."

Hearing this, Miao Ying smiled.

Um?

This... this superb beauty, is Feng Tao's woman?

Seeing this scene, everyone present frowned, and at the same time, all eyes converged on Miao Ying, unable to speak for a long time!

beautiful!

charming! sexy!

All the beautiful words in the world seem to be insufficient to describe Miaoying.

“This...” Finally, someone

in the crowd shouted, “This woman, who seems to be the one who pretended to be the Goddess of Light, was rescued by another woman in Storm City at the time.”

go along.

“Yes, it’s her!”

“I was in Storm City at the time.”

“I didn’t expect that she was the woman of Fengtao.” When

everyone’s comments came, Karen’s eyes flickered, and she couldn’t help shouting: “Everyone is watching. Here, this Fengtao, not only colluded with the Bloody Hand Organization, but also let his own woman pretend to be the Goddess of Light, such a person must be eliminated today.”

When saying this, Karen’s face was gloomy.

Speaking of which, at the moment when Miao Ying appeared just now, she knocked Zhan Chao unconscious with one palm, and Karen was very afraid.

But after thinking about it, there are so many people around, no matter how powerful this woman is, she is only one person, so there is no need to panic.

Whoa!

As soon as the voice fell, the eyes of the surrounding people locked on Miao Ying at once, revealing a strong hostility.

In an instant, the air was filled with the smell of gunpowder.

Seeing this scene, Miao Ying did not hesitate at all, she stood in front of Yue Feng decisively, and looked around: “If I am here today, no one wants to hurt him.”

Aware of Miao Ying’s determination, Yue Feng took a deep breath and said Unbelievably moved.

Although Miao Ying is just a fairy, her heart is too kind, and she is really fortunate in her life to get to know such a confidante.

However, under the emotion, Yue Feng was a little worried.

After the fierce battle before, Olin's bloody hand organization has damaged a lot of people. Even with the help of the formation and Miaoying, I am afraid it will not last long.

Huh...

Everyone in Karen also took a deep breath, their eyes focused on Miao Ying, revealing deep fear.

This woman, who knocked Zhan Chao unconscious with one palm, is very powerful. With her help, I'm afraid it will be difficult to destroy the Bloody Hand Organization and Feng Tao today.

quiet!

For a time, the two sides quietly confronted each other, temporarily reaching a deadlock.

Whoa!

However, at this time, I saw two groups of people appearing in the passage not far away.

Among them, there were nearly 10,000 people, wearing uniform silver armor, and the leader was a heroic woman with soft armor and a silver sword.

It is the commander-in-chief of the Flying Eagle Principality, Su Lin.

Another wave, with only a few dozen people, was led by an old man, Mr. Fu Zheng and his disciples.

Seeing the arrival of the Principality of the Eagle and the Guangwu Academy, Karen and others were inexplicably excited.

"Mr. Fu Zheng and Your Excellency Su Lin."

"That's great. With the help of Mr. Fu Zheng and Your Excellency Su Lin later, Fengtao and the Bloody Hand Organization will not be able to fly." During the

discussion, everyone in Karen showed a smile.

Um?

Seeing Mr. Fu Zheng, Yue Feng was stunned for a moment, and then showed a smile.

Chapter 3540

In Tianzhao City before, Yue Feng once fought with Mr. Fu Zheng's students. At that time, Mr. Fu Zheng admired Yue Feng very much and invited him to join Guangwu Academy, but Yue Feng refused and said that he would go there if he had the opportunity in the future. Visiting Guangwu Academy.

In Yue Feng's heart, he and Mr. Fu Zheng were one-sided, but he didn't expect to see them again here.

Thinking to himself, Yue Feng's eyes fell on Su Lin, and he couldn't help but admire.

Such a temperamental woman.

Speaking of which, Yue Feng has been to many places among the six principalities of Roland Continent, but Feiying Duchy has not been there yet, so I did not expect that Feiying Duchy has such a charming female commander.

"Your Excellency Su Lin, Mr. Fu Zheng!"

At this time, Karen reacted and said to Su Lin and Mr. Fu Zheng: "You are here at the right time, this Feng Tao colluded with the Blood Hand Organization and let his own woman Fake goddess of light, we want to destroy them with a single sentence, but they are resisted by life-threatening resistance, please help."

Speaking of the last sentence, Karen looked at Yue Feng coldly, her eyes were ruthless.

When the words fell, Su Lin frowned and looked Yue Feng at once.

On the other hand, Mr. Fu Zheng was indifferent.

The next second, Mr. Fu Zheng walked out slowly, smiled at Yue Feng, and greeted: "Your Excellency Feng Tao, we meet again."

Yue Feng nodded: "Yes, the last time we met was a month ago, It seems that we really have a fate."

What?

Hearing the conversation between the two, Karen and the others were stunned.

This... This Feng Tao knows Mr. Fu Zheng?

Also, the relationship seems to be pretty good.

“Everyone!”

At this moment, Mr. Fu Zheng looked around and said loudly, “Your Excellency Feng Tao is a rare cultivation genius. I believe he is not the kind of person you imagine. Among them, There must be some misunderstanding.”

When he said this, Mr. Fu Zheng looked serious.

Although he didn’t meet Yue Feng much, Mr. Fu Zheng had an intuition that this Feng Tao was not a wicked person.

Hearing this, Karen’s face changed, and she said displeasely, “Mr. Fu Zheng, do you want to protect this Feng Tao?”

Shuh!

At this moment, the eyes of others around him also locked on Mr. Fu Zheng, waiting for his answer.

Mr. Fu Zheng took a deep breath, shook his head and said, “I’m not trying to protect him, I just think that things can be said slowly, and there’s no need to fight!”

Karen frowned and sneered.

At this time, I saw Su Lin walking out slowly and said to Mr. Fu Zheng, “Even if this Feng Tao is a rare cultivation genius, it is a fact that he is with the people organized by the Bloody Hand.”

When he said this , Su Lin’s delicate face was full of determination.

Although Su Lin just arrived, she didn’t know what happened here, but seeing the Bloody Hand Organization was there, Su Lin didn’t have time to think about it, she made a decisive decision to eradicate Yue Feng and the Bloody Hand Organization together. After all, in the Principality of Flying Eagle, the Bloody Hand Organization is the first target to eradicate.

The next second, Su Lin didn’t talk nonsense and waved her hand.

Whoa!

In an instant, the 10,000 soldiers behind her immediately surrounded the bloody hand organization with all the forces.

What the hell!

Seeing this scene, Yue Feng was taken aback and frowned secretly.

This Su Lin looks delicate, but she acts so decisively.

Muttering, Yue Feng wanted to cry but had no tears.

In the current situation, he and the Bloody Hand Organization were already at a disadvantage. Now that Su Lin has come, the situation is even more unfavorable.

Haha...

And Karen, who was not far away, was extremely proud and excited.

With Su Lin's help, Feng Tao is dead today.

hum, hum, hum!

At this moment, one after another powerful breath came from the passage, and then, a dozen golden figures came quickly, each wearing golden armor, majestic.
