Chapter 3541

is the twelve Holy Knights of the Temple of Light.

Whoa!

Seeing the Twelve Paladins, everyone present immediately exploded, and they were all excited.

“Holy Knight...”

“Even people have come to the Temple of Light. It seems that there are treasures in this place.”

Under the discussion, many people looked at Yue Feng’s eyes with deep respect. You must know that the Temple of Light has an extremely noble status in the entire Roland Continent.

Facing the excited expressions of everyone, the Twelve Paladins were extremely indifferent.

Yes, the Taiyuan Mountains shook violently, and when the Temple of Light learned of the situation, it sent the Twelve Paladins to investigate.

Um?

The next second, seeing the situation in front of them, the twelve Holy Knights frowned secretly.

what’s the situation? The two gangs confronted each other.

The twelve holy knights at this time clearly saw that the various forces in front of them were divided into two waves at this time, and they were confronting each other, and the smell of gunpowder was full.

On the side with the few people, a proud figure stood on the stone pillar, not the Holy Reverend Yue Feng, but who was it?

The saint was besieged?

Seeing this, the Twelve Paladins looked at each other in shock and anger.

“Your Excellency Paladin!”

At this moment, Karen reacted and walked up to please: “This Fengtao and the Bloody Hand organization have colluded with each other to threaten the safety of the entire continent.”

Saying that, Karen pointed to Yue Feng Miao Ying beside her: “And this woman, who pretended to be His Highness the Goddess of Light before, begged all the Holy Knights to help us destroy her together.”

The voice fell, and many people around nodded.

At the same time, looking at Yue Feng’s eyes, there is also a coldness.

No matter how strong this Feng Tao is, it is impossible for him to be the opponent of the Twelve Paladins.

Swish!

At this moment, the faces of the Twelve Paladins changed, and they glared at Karen at the same time.

Is this person looking for death? To deal with His Royal Highness.

Feeling the gaze of the Twelve Paladins, Karen’s heart tightened, and her mind suddenly became confused.

Did you say something wrong?

Probably not. Half a month ago, the story of the false goddess of light was spread in the six major duchies. At that time, the Twelve Paladins also captured this woman next to Yue Feng...

Thinking about it, Karen said again. : “Your Excellency Paladins, this wind wave is extremely sinful and must be...”

“Shut up!”

At this moment, the Pegasus Paladin couldn’t help it. Before Karen could finish speaking, his figure flashed and came directly to Karen. , slapped it directly.

At this time, Tianma was very annoyed, Mad, this guy dared to say that the Holy Venerable sin was extremely sinful.

“Clap!”

The slap was heavy, and a crisp sound was heard, Karen covered her face, her face swollen high.

Hiss..

Seeing this scene, everyone around couldn't help but gasped, and looked at Tianma blankly, speechless.

what's the situation?

There is no problem with what Karen said. Why did Your Excellency Paladin suddenly act? Even if you want to fight, you should fight this storm.

"Your Excellency Paladin!" Karen was also beaten, staring blankly at Tianma, almost crying, "This Fengtao colluded with the Bloody Hand Organization, and let his own woman pretend to be His Highness the Goddess of Light, shouldn't he deserve to die? "

"Crack!"

Chapter 3542 The

Pegasus Paladin was so angry, he raised his hand and slapped it again, shouting angrily: "How dare you talk nonsense? Your Excellency is upright, how can someone like you be slandered?"

"Your Excellency Paladin !"

Karen was full of unwillingness, and retorted with a bitter face: "But it's a fact that he colluded with a blood-handed organization..." Just halfway through, Karen suddenly stopped, trembling faintly.

What did your Holy Knight say just now?

Holy? Is this Fengtao the Holy Venerable of the Temple of Light?

Seeing Karen's expression, Tianma's icy face showed no expression at all, and said coldly: "I tell you, Your Excellency Fengtao, is the saint of our Guangming Temple, and his status is equal to that of His Highness the Goddess. He is so noble. Identity, you need to cooperate with the Bloody Hand Organization?"

"Have you thought about the consequences of slandering His Royal Highness?"

What? !

At this moment, everyone around was dumbfounded.

This... this Fengtao is the holy deity of the Temple of Light, and his status is equal to that of His Highness the Goddess?

Karen has been completely stupid! I thought that this Fengtao was just an opportunistic clown, and it was just good luck to have a relationship with the Bloody Hand Organization, but I never thought that he was the Holy Venerable of the Temple of Light.

Behind Karen, Su Lin, who was so cold and cold, was also stupid.

At this moment, Su Lin felt her legs soften, and her delicate body couldn't help but take a few steps back.

A few days ago, after the Holy Light Ceremony was held in Pearl City, Su Lin heard the news that there was a new saint in the Temple of Light, whose status was very respected, and that this saint appeared at the banquet of the Dumen family later, which caused a stir. The audience was sensational.

At that time, Su Lin was still thinking about the opportunity to send someone to the Dumen family to inquire and get to know the Holy Highness. But he never imagined that the wind and waves in front of him were the Holy Venerable.

quiet!

At this moment, the entire teleportation array was silent.

Many people were shocked. They could see that the Twelve Holy Knights with prominent identities were standing in front of Fengtao at this time, with a respectful face!

How is this possible? In addition to being stronger, this guy has no other special abilities. It turned out to be the Holy Venerable of the Temple of Light.

In the shock of the audience, only Mr. Fu Zheng looked at Yue Feng with admiration.

genius!

Truly a genius.

When he first saw Yue Feng's strength in Tianzhao City, Mr. Fu Zheng knew that this young man was extraordinary, and he would definitely do something earth-shattering in the future.

But I didn't expect that he could actually be the saint of the Temple of Light.

"This..."

Finally, Karen reacted, almost frightened, and apologized to Yue Feng for not listening: "His Royal Highness, I was wrong, please don't remember the villain..."

Yue Feng sneered and said nothing.

Karen was in a hurry: "Your Excellency, please forgive me, forgive me..."

Saying that, Karen's eyes flashed, pointing to Zhan Chao, who had passed out, and shouted: "Your Majesty, in fact, I was also confused by this Zhan Chao before, it was him who said you were a despicable villain who colluded with the Bloody Hand Organization."

Seeing Karen's panicked appearance, Yue Feng chuckled and ignored it.

"His Royal Highness!"

At this moment, Tianma walked over quickly and said respectfully, "How do you deal with this villain?" After saying that, he didn't forget to give Karen a stern look.

"Look at the disposal." Yue Feng said expressionlessly.

To be honest, Yue Feng really wanted to kill Karen and Mad with his own hands. If it weren't for him and Zhan Chao's malicious slander, he would not have been besieged by various forces, and the Blood Hand Organization would not have suffered such a heavy loss.

However, after the previous fierce battle, Yue Feng had really consumed too much internal energy, and at this time, he had no strength at all.

Tianma is a smart person, he immediately understood what Yue Feng meant, nodded and said, "Understood!" As the

voice fell, Tianma's holy power exploded, clenched his sword, and waved directly at Karen.

hum!

I saw a dazzling light, fast thunder, and directly shrouded Karen.

Chapter 3543

"Ah!" In the

next second, I heard Karen screaming, his heart was pierced, blood sprayed out, and then he fell to the ground and died.

hiss!

Seeing this scene, everyone around couldn't help but gasp. At the same time, one by one was also enveloped in endless fear.

It's over, Karen slandered the Holy Venerable and was directly killed by His Excellency the Paladin, and just now, the people like him besieged the Holy Venerable together, I am afraid that they will not escape the guilt.

Thinking of these, many people have weak legs, almost unable to stand.

"Holy Venerable!"

At this moment, the golden lion came out, first looked around, and then respectfully said to Yue Feng, "How do you deal with these people?" After saying that, the golden lion's holy power exploded and swept the audience.

The strength of the Holy Spirit made everyone present panic.

Yue Feng did not respond, his eyes swept over everyone. Although the expression is indifferent, it gives a strong aura that can't be breathed.

Pfft!

Feeling Yue Feng's gaze, everyone was trembling with fear. Then, a few cowardly knelt down at Yue Feng and kept begging for mercy.

"Your Majesty, spare your life!"

"Forgive your life..."

Putong Putong...

Seeing that someone took the lead, the others no longer hesitated, and they bent their knees one after another. In an instant, they knelt down in front of Yue Feng.

Seeing this scene, Yue Feng chuckled and waved his hand: "Okay, since you were all bewitched by Karen and Zhan Chao, I won't bother with you about what happened before. Let's all go out."

Hearing this, everyone kneeling there was relieved.

Whoa!

The next second, everyone quickly stood up and left one after another.

A few minutes later, around the teleportation formation, only Yue Feng, the Twelve Paladins, Miao Ying, and Olina were left.

At this time, Tianma and others also noticed the huge teleportation formation in front of them.

Afterwards, Tianma asked very curiously, "Holy Venerable, what exactly is this place?"

At the same time, everyone around looked at Yue Feng, all of them very curious and looking forward to it.

call!

Yue Feng took a deep breath and said slowly: "This is the Chaos Teleportation Array, but it has not been fully deployed. If it is deployed, through this teleportation array, you can enter the Divine Realm."

Divine Realm? where is that?

Hearing this, Tianma and the others were stunned.

Compared with the Kyushu Continent, Roland Continent knew very little about the Divine Realm, and did not even know that there was a Divine Realm.

"Okay!"

Seeing everyone's confusion, Yue Feng showed a smile: "I will explain to you now, you will not understand, when you have enough strength, you will know everything through the teleportation array to the realm of the gods. "

After saying this, Yue Feng began to command the twelve holy knights to help deploy the formation.

In the past, when Yue Feng deployed alone, it not only consumed a lot of internal energy, but also the progress was very slow. Now that the Twelve Paladins are here, it can save a lot of trouble.

The order of Yue Feng, the Twelve Paladins did not disobey.

In the blink of an eye, a few hours passed, and the Chaos Teleportation Array was finally completed.

Haha...

At this moment, Yue Feng was indescribably excited, Nima, he could finally go back.

Excited, Yue Feng said to Olina, who was not far away: "The Tongtian Pill in your body has already been solved. Thank you for your help today. We will have a future."

Hearing this, Olina was very happy . , At the same time, there is still some reluctance in my heart: "Are you going to leave here through this teleportation array?"

Well!

Yue Feng nodded: "If there is a chance in the future, maybe I will come back."

Said, Yue Feng tilted his head and ordered the twelve holy knights: "This teleportation array must be strictly guarded, remember, must be Only when the power of the Holy Spirit can activate the teleportation array."

When he said this, Yue Feng looked serious, you must know that the chaotic teleportation array was created by Fuxi, and it can mobilize the power of the chaotic void, which should not be underestimated. , it cannot be activated at all, and if it is activated rashly, it will only backfire.

Chapter 3544

"Yes, Holy Venerable!" The twelve Holy Knights agreed in unison.

Yue Feng explained a few more words, then took Miao Ying's hand and slowly walked into the center of the teleportation array.

Immediately afterwards, Yue Feng opened the teleportation array and saw a dazzling light shining from the center of the teleportation array. At the same time, a strange force instantly enveloped Yue Feng and Miaoying.

"Yue Feng!"

At this time, Miao Ying was also inexplicably excited, and said softly: "Through this teleportation array, can we return to the Kyushu Continent?"

Yue Feng smiled and nodded: "Of course not, we want to He was first teleported to the Divine Realm, and then returned to the Kyushu Continent from the Divine Realm!"

Hearing this, Miaoying nodded, and then thought of something: "By the way, where is Yanhong? We left without her?"

Yanhong ?

Yue Feng took a deep breath and said slowly, "I won't take her for the time being."

Thinking of Yanhong, Yue Feng's mood suddenly became complicated.

Also a fairy, Miao Ying has a kind heart, while Yan Hong is not only evil but also ambitious. If she is brought back to the Kyushu Continent, there will be boundless disasters, so it is better to keep her in this Roland Continent.

After all, at this time, Yan Hong was locked in the Temple of Light, and it was difficult to escape, so let her reflect on it.

Seeing Yue Feng's serious face, Miao Ying stopped talking.

hum!

At this time, the ray of light from the formation was getting stronger and stronger, and then, Yue Feng and Miao Ying only felt that their eyes were dark, and they were instantly teleported away.

At this moment, seeing the silhouettes of Yue Feng and Miao Ying being teleported away, the Twelve Paladins, Olina and others were all stunned there.

This...

This teleportation array can really send people away.

Amazing.

With emotion, the twelve holy knights pointed towards the place where Yue Feng disappeared, and said respectfully in unison: "Respectfully send the Holy Venerable..."

..... the

other side.

During the teleportation, Yue Feng only felt dizzy, but still held Miao Ying's hand tightly.

When he was sucked into the chaotic vortex before, Yue Feng lost contact with Miao Ying. This situation must never happen again.

I don't know how long it took, Yue Feng finally stepped on the ground.

hiss!

The moment he opened his eyes, Yue Feng couldn't help taking a deep breath, and the whole person was dumbfounded.

I can see that there are fairy mists all around, and the mountains are not far away, and there is a small stream not far away. The water is crystal clear and the scenery is pleasant.

The scene in front of him is like a gorgeous and elegant landscape painting.

Not only that, next to the stream, there are several rare birds and cranes, strolling leisurely.

What made Yue Feng even more excited was that the surrounding air was filled with incomparably pure and rich spiritual energy. Breathing this spiritual energy, the whole person was refreshed.

What the hell!

After being stunned for a few seconds, Yue Feng reacted and patted his forehead, his heart shaking inexplicably.

Is this the realm of the gods?

Fuxi really didn't lie to me, this place is so rich in spiritual energy, it is really a good place to practice.

Miao Ying on the side was also stunned by the beauty in front of her.

"so beautiful!"

Miao Ying took Yue Feng's hand, and her beautiful face was full of amazement: "This place is so beautiful, even more beautiful than the illusory realm..."

Yue Feng smiled and was about to speak, but just here When I saw the top of the mountain not far away, the light was shining, and I was stunned.

Is there light on the top of the mountain?

Discovering this, Yue Feng was inexplicably excited.

You must know that this is the realm of the gods. Where there is light, there must be opportunities.

"Let's go and have a look!" Yue Feng didn't have time to think, he pulled Miao Ying and flew directly towards the top of the mountain.

Chapter 3545 A

few minutes later, Yue Feng and Miao Ying finally reached the top of the mountain.

What the hell!

At this moment, seeing the situation in front of him, Yue Feng was stunned.

I saw that there were twelve columns neatly arranged on the top of the mountain. These columns formed a circle, and each stone column was engraved with complicated runes.

Yue Feng could see at a glance that this was the Twelve Heavenly Array.

The Twelve Heavenly Array is the top-level formation in the Baiqi Divine Formation. To deploy this formation, one needs not only extremely high attainments in the formation technique, but also a very strong internal force.

When he was studying the Twelve Heavenly Arrays, Yue Feng had tried it, but he gave up because the internal energy consumption was too serious.

At this time, when he saw the twelve heavenly formations in front of him, Yue Feng was very shocked.

Nima!

As expected of God's Domain, on top of this kind of mountain, a Twelve Heavenly Array was built casually.

Under the shock, Yue Feng looked towards the center of the formation, and the whole person was stunned again.

Just saw that there is a stone gate in the center of the formation, and the stone gate is faintly shining, giving people the feeling that it is both real and a little illusory.

Portal?

Yue Feng frowned and couldn't help muttering.

Then, seeing the engraving on the stone gate, Yue Feng suddenly became excited. Although it was engraved with ancient characters, Yue Feng could easily recognize it.

Because it is written on it, this stone gate leads to the continent of Kyushu.

Haha...

At this time, Yue Feng was indescribably excited and excited.

This is really good luck. As soon as I came to God's Domain, I found the portal to the Kyushu Continent.

"Yue Feng!"

Seeing Yue Feng so happy, Miao Ying couldn't help but ask: "What are these stone pillars and the stone gate inside? Why are you so happy?"

Yue Feng smiled slightly: "This is The portal to Kyushu, Miaoying, we are lucky."

Is that right?

Hearing this, Miao Ying showed a smile, and she was also happy.

"However, if we want to go in, we need to break the Twelve Heavenly Formation first." Yue Feng took a deep breath, and after speaking, he let Miaoying wait in place, and then stepped forward to break the formation alone.

Half an hour later, the formation was broken.

call!

At this moment, Yue Feng wiped the sweat from his forehead, secretly rejoicing in his heart.

Fortunately, I am familiar with the "Bai Qi Shen Formation", otherwise, I will be stumped by these twelve heavenly formations, but I will not be able to return to the Kyushu mainland.

Thinking about it, Yue Feng greeted Miao Ying to enter the center of the formation.

Um?

However, when he reached Shimen, Yue Feng frowned. He clearly sensed that Shimen did not respond at all, and there was no power surge at all.

what's going on? Isn't this a portal?

Muttering in his heart, Yue Feng looked around, and soon found that a fist-sized spirit stone was inlaid on one side of the stone gate. The surface of the spirit stone had colorful rays of light flowing, and it also contained strange energy.

Seeing this spirit stone, Yue Feng immediately understood something, and quickly walked over, put his hand on the spirit stone, and silently urged his inner strength.

hum!

The moment he injected his inner strength into the spirit stone, he saw a dazzling ray of light emerge from the stone gate.

Haha...

Seeing this situation, Yue Feng was very excited, this spirit stone is really the mechanism that opens the portal.

Thinking of this, Yue Feng hurriedly shouted at Miao Ying: "Come in."

Miao Ying responded, and hurriedly walked into the stone gate. She saw the dazzling light that enveloped her at once, and then Miao Ying's figure disappeared. In front of Yue Feng.

Yue Feng was very excited, and injected some internal strength, and then released the spirit stone.

In the next second, Yue Feng was ready to enter Shimen.

hum!

At this time, the ray of light from the formation was getting stronger and stronger, and then, Yue Feng and Miao Ying only felt that their eyes were dark, and they were instantly teleported away.

At this moment, seeing the silhouettes of Yue Feng and Miao Ying being teleported away, the Twelve Paladins, Olina and others were all stunned there.

This...

This teleportation array can really send people away.

Amazing.

With emotion, the twelve holy knights pointed towards the place where Yue Feng disappeared, and said respectfully in unison: "Respectfully send the Holy Venerable..."

..... the

other side.

During the teleportation, Yue Feng only felt dizzy, but still held Miao Ying's hand tightly.

When he was sucked into the chaotic vortex before, Yue Feng lost contact with Miao Ying. This situation must never happen again.

I don't know how long it took, Yue Feng finally stepped on the ground.

hiss!

The moment he opened his eyes, Yue Feng couldn't help taking a deep breath, and the whole person was dumbfounded.

I can see that there are fairy mists all around, and the mountains are not far away, and there is a small stream not far away. The water is crystal clear and the scenery is pleasant.

The scene in front of him is like a gorgeous and elegant landscape painting.

Not only that, next to the stream, there are several rare birds and cranes, strolling leisurely.

What made Yue Feng even more excited was that the surrounding air was filled with incomparably pure and rich spiritual energy. Breathing this spiritual energy, the whole person was refreshed.

What the hell!

After being stunned for a few seconds, Yue Feng reacted and patted his forehead, his heart shaking inexplicably.

Is this the realm of the gods?

Fuxi really didn't lie to me, this place is so rich in spiritual energy, it is really a good place to practice.

Miao Ying on the side was also stunned by the beauty in front of her.

"so beautiful!"

Miao Ying took Yue Feng's hand, and her beautiful face was full of amazement: "This place is so beautiful, even more beautiful than the illusory realm..."

Yue Feng smiled and was about to speak, but just here When I saw the top of the mountain not far away, the light was shining, and I was stunned.

Is there light on the top of the mountain?

Discovering this, Yue Feng was inexplicably excited.

You must know that this is the realm of the gods. Where there is light, there must be opportunities.

“Let’s go and have a look!” Yue Feng didn’t have time to think, he pulled Miao Ying and flew directly towards the top of the mountain.

Chapter 3545 A

few minutes later, Yue Feng and Miao Ying finally reached the top of the mountain.

What the hell!

At this moment, seeing the situation in front of him, Yue Feng was stunned.

I saw that there were twelve columns neatly arranged on the top of the mountain. These columns formed a circle, and each stone column was engraved with complicated runes.

Yue Feng could see at a glance that this was the Twelve Heavenly Array.

The Twelve Heavenly Array is the top-level formation in the Baiqi Divine Formation. To deploy this formation, one needs not only extremely high attainments in the formation technique, but also a very strong internal force.

When he was studying the Twelve Heavenly Arrays, Yue Feng had tried it, but he gave up because the internal energy consumption was too serious.

At this time, when he saw the twelve heavenly formations in front of him, Yue Feng was very shocked.

Nima!

As expected of God’s Domain, on top of this kind of mountain, a Twelve Heavenly Array was built casually.

Under the shock, Yue Feng looked towards the center of the formation, and the whole person was stunned again.

Just saw that there is a stone gate in the center of the formation, and the stone gate is faintly shining, giving people the feeling that it is both real and a little illusory.

Portal?

Yue Feng frowned and couldn’t help muttering.

Then, seeing the engraving on the stone gate, Yue Feng suddenly became excited. Although it was engraved with ancient characters, Yue Feng could easily recognize it.

Because it is written on it, this stone gate leads to the continent of Kyushu.

Haha...

At this time, Yue Feng was indescribably excited and excited.

This is really good luck. As soon as I came to God's Domain, I found the portal to the Kyushu Continent.

"Yue Feng!"

Seeing Yue Feng so happy, Miao Ying couldn't help but ask: "What are these stone pillars and the stone gate inside? Why are you so happy?"

Yue Feng smiled slightly: "This is The portal to Kyushu, Miaoying, we are lucky."

Is that right?

Hearing this, Miao Ying showed a smile, and she was also happy.

"However, if we want to go in, we need to break the Twelve Heavenly Formation first." Yue Feng took a deep breath, and after speaking, he let Miaoying wait in place, and then stepped forward to break the formation alone.

Half an hour later, the formation was broken.

call!

At this moment, Yue Feng wiped the sweat from his forehead, secretly rejoicing in his heart.

Fortunately, I am familiar with the "Bai Qi Shen Formation", otherwise, I will be stumped by these twelve heavenly formations, but I will not be able to return to the Kyushu mainland.

Thinking about it, Yue Feng greeted Miao Ying to enter the center of the formation.

Um?

However, when he reached Shimen, Yue Feng frowned. He clearly sensed that Shimen did not respond at all, and there was no power surge at all.

what's going on? Isn't this a portal?

Muttering in his heart, Yue Feng looked around, and soon found that a fist-sized spirit stone was inlaid on one side of the stone gate. The surface of the spirit stone had colorful rays of light flowing, and it also contained strange energy.

Seeing this spirit stone, Yue Feng immediately understood something, and quickly walked over, put his hand on the spirit stone, and silently urged his inner strength.

hum!

The moment he injected his inner strength into the spirit stone, he saw a dazzling ray of light emerge from the stone gate.

Haha...

Seeing this situation, Yue Feng was very excited, this spirit stone is really the mechanism that opens the portal.

Thinking of this, Yue Feng hurriedly shouted at Miao Ying: "Come in."

Miao Ying responded, and hurriedly walked into the stone gate. She saw the dazzling light that enveloped her at once, and then Miao Ying's figure disappeared. In front of Yue Feng.

Yue Feng was very excited, and injected some internal strength, and then released the spirit stone.

In the next second, Yue Feng was ready to enter Shimen.

The ultimate husband in Chinese chapter 3546-3550

Chapter 3546

"Who? Dare to open the portal without authorization?"

However, at this moment, an angry shout came from behind, and then, a powerful force instantly enveloped Yue Feng.

What the hell!

Yue Feng was startled, and he looked back quickly, and was immediately stunned.

Just saw an elegant figure coming quickly, this is a middle-aged man, wearing a moon-white robe, giving people a sense of immortal style, and his whole body is filled with unfathomable strength.

When I went to the top of the mountain just now, there was no one around.

Where did this man come from?

Feeling the unfathomable strength of the other party, Yue Feng only felt his brain buzzing.

At this time, Yue Feng didn't know that this middle-aged man who suddenly appeared was the superintendent of this place, Fu Zhen. The Supervision Department, as the name suggests, is the exclusive official who supervises this teleportation formation. It was directly appointed by the Nine Heavens God of the Divine Realm.

At this moment, Fu Zhen looked up and down at Yue Feng, and said coldly: "Good boy, you dare to open the portal without authorization, do you know the crime?" The

voice fell, and Fu Zhen raised his hand and waved.

hum!

An extremely strong force surged out, directly dispelling the power that Yue Feng injected into the spirit stone, and the light from the portal disappeared instantly.

Nima!

Seeing this situation, Yue Feng was shocked and angry.

This chapter is provided by . Visit [for](#) daily update.

This person is too domineering. He came over and closed the portal. How can he go back to the Kyushu Continent now?

"Boy, follow me!"

Just when Yue Feng was secretly frightened and angry, Fu Zhen didn't talk nonsense, his figure flashed and charged directly towards Yue Feng.

call!

Seeing Fu Zhen rushing towards him, Yue Feng did not hesitate at all, turned around and ran. When he rushed out of the Twelve Heavenly Array, Yue Feng did not forget to hit the two stone pillars with his palm, slightly changing the Twelve Heavenly Array.

In an instant, the Twelve Sky Array opened again, and Fu Zhen was directly stopped.

Um?

At this moment, realizing that the formation had been changed, Fu Zhen locked on Yue Feng's figure tightly, both annoyed and surprised: "You can actually change the Twelve Heavenly Array, it seems that I underestimate you." As he

said , Fu Zhen recited something in his mouth and returned the stone pillar to its original position. He is the Superintendent of Formation and is naturally proficient in formation techniques.

Then, Fu Zhen's figure erupted, chasing after Yue Feng.

Huhu...

Yue Feng rushed down the top of the mountain, pushing the figure to the extreme, and at the same time not forgetting to look behind.

Seeing this, Yue Feng was almost on the verge of crying, but he saw Fu Zhen chasing closely behind him, and the distance was getting closer and closer.

"Your Excellency!"

Yue Feng couldn't help shouting: "I'm just passing by, I don't mean anything. You don't need to chase so quickly, right?"

"Stop talking nonsense!

" You are a human, but you broke into the realm of the gods, and you rashly moved the portal, there is a rule, I will never let you go." The

voice fell, and Fu Zhen speeded up again.

Nima!

Seeing that the distance was getting tighter and tighter, Yue Feng was secretly anxious.

Nima, this can't be done. This guy doesn't make sense at all. If he is caught, I'm afraid he will never be able to return to Kyushu.

Anxious, Yue Feng saw that there was an orchard not far in front of him, which was full of strange fruit trees.

At this time, Yue Feng, almost in a panic, jumped over the orchard courtyard wall and rushed in.

call!

Fu Zhen, on the other hand, stopped in a hurry and frowned as he watched Yue Feng disappear into the lush fruit trees.

Yue Feng didn't know where this place was, but Fu Zhen knew very well that it was Lingguo Garden, one of the ten forbidden places in the entire God's Domain.

This Lingguo Garden is full of rare spiritual fruits, which are dedicated to the Nine Heavens God. Except for guarding the fruit servants here, no one is allowed to enter rashly without the order of the Nine Heavens God.

Chapter 3547

Fruit Servant, that is, the servant who specially takes care of Lingguo Garden.

At this time, it was the time for Guo Pu to rest, so Yue Feng broke in by accident, and no one knew about it.

call!

The moment he entered the Lingguo Garden, Yue Feng glanced back and saw that Fu Zhen was no longer chasing after him, and suddenly heaved a sigh of relief.

The next second, Yue Feng looked around, and his heart was shocked, and the whole person was extremely excited.

What the hell, there are so many fairy fruits here?

I can see that the surrounding branches are covered with fruits. These fruits include rootless flowers and fruits, five spirit fruits, Tianyu fruits, etc. All of them are treasures that are hard to come by.

Yue Feng once heard Shennong say that because of the abundance of spiritual energy, there are countless precious fruits in the realm of the gods. Ordinary people eat one, and their chances and skills will greatly increase.

You must know that these precious fruits contain an incomparably pure heaven and earth aura.

When he heard this, Yue Feng felt that Shennong was exaggerating a bit, but at this time, seeing so many rare and exotic fruits around, the whole person was inexplicably excited.

Haha... I

thought that when I was chased by that Fu Zhen just now, my internal strength was severely drained, and I was more fortunate.

After eating so many precious fruits, one's own strength will definitely be greatly improved.

Excited, Yue Feng didn't have time to think about it. He picked a red rare fruit directly from the finger in front of him and stuffed it into his mouth.

The precious fruit melted in the mouth, and in just a short moment, Yue Feng could clearly feel that the internal strength that he had just lost had recovered a lot in an instant.

It really works.

Yue Feng was so happy that he couldn't bear it any longer.

hum!

After swallowing these precious fruits, Yue Feng could only feel that an incomparably full of spiritual power was continuously flowing into his dantian, filling his limbs and bones!

Unconsciously, Yue Feng ate a dozen precious fruits, and the spiritual power contained in his dantian became more and more pure.

However, Yue Feng was still a mortal body at this time. He ate so many precious fruits at once, and he couldn't absorb it completely. He just felt extremely uncomfortable.

Not only that, an incomparably hot breath hit Yue Feng's body, as if his whole body was about to burn.

"Ah..." The

pain kept coming, Yue Feng couldn't help but screamed, lying on the ground and rolling.

At this time, Yue Feng was very regretful, Ma De, he knew that he would not eat so much.

At this time, Yue Feng did not know that the precious fruits in Lingguo Garden were dedicated to the Nine Heavens God. Except for the Nine Heavens God, other gods can eat up to three or five brothers at a time. And Yue Feng ate a dozen of them at once, and naturally couldn't stand it.

"Ah..."

Yue Feng fell to the ground and kept yelling. He clearly felt that his body seemed to be on fire, and the intense scorching heat had been attacking him.

Yue Feng kept breathing heavily, trying to control the violent power in his body, but he couldn't control it at all.

Finally, Yue Feng couldn't take it anymore, and suddenly fainted.

After an unknown amount of time, Yue Feng finally woke up.

Um?

The moment he opened his eyes, Yue Feng saw that the sky had darkened and the surroundings were silent.

The next second, Yue Feng felt the situation in his body, and he was stunned.

At this time, Yue Feng could clearly feel that there was a vague golden figure in the position of Dantian. Not only that, but his body was full of strength, and his body was also extremely light.

This....

Chapter 3548

Feeling the golden figure in the dantian, Yue Feng's whole person froze there, only feeling his brain buzzing, indescribably shocked and excited.

Yuan Ying...

own Yuan Ying?

At this time, Yue Feng was extremely excited. You must know that Nascent Soul is only possessed by gods. The biggest difference between humans and gods is the difference between Dantian and Nascent Soul. When Yue Feng first met the Nine Heavens Saintess, they There are no dantians in the body, but Nascent Souls.

With Nascent Soul, one has the physique of a god. This is something that no human being dares to think about. Now, Yue Feng has a Nascent Soul in his body, can you not be excited?

It seems that he ate these precious fruits himself, which caused the change in his physique.

At this moment, Yue Feng looked at the rare and precious fruits around him, and he couldn't express his emotion. Fortunately, he was blessed with great life and successfully integrated the power of those precious fruits. Otherwise, he would have exploded and died now.

Thinking of this, Yue Feng stood up and prepared to leave Lingguo Garden.

Miao Ying should have returned to the Kyushu Continent now, and she cannot delay.

Yue Feng thought about it, left Lingguoyuan, and went back to find that Fu Zhen. He couldn't beat him before, but now that he has Nascent Soul, it should be no problem to force through the portal.

“Who is it?”

Just when Yue Feng was about to leave, suddenly, a question came from behind him. The voice was pleasant and pleasant, but it was cold.

Oops!

Yue Feng secretly said that it was not good, and turned his head to look at it at the same time, and he was stunned for a moment.

I saw that several women came over quickly, wearing ancient court dresses with flying skirts, giving people an elegant and elegant feeling.

Not only that, each of these women is very beautiful, with exquisite curves under the long skirts, looming, facial features and eyebrows, and fair skin. Coupled with that cold and noble temperament, Yue Feng was immediately stunned.

As expected of God's Domain, the women here are really more beautiful than each other.

Feeling the strength of these women, Yue Feng was taken aback.

So strong!

At this time, Yue Feng didn't know that these women were the fairies who took care of Lingguo Garden.

“Hey!” Feeling Yue Feng's gaze, several fairies frowned secretly, very displeased, and then one of them

asked Yue Feng, “Who are you? Why are you here?”

The woman, called Juanhong, has a straightforward personality and is the street among these fairies.

At this time, while asking, Juanhong couldn't help looking up and down at Yue Feng, her beautiful face was full of doubts.

At the same time, other fairies also spoke.

“What are you doing here in Lingguo Garden?”

“Don't you know that you can't rush in here?”

A few fairies asked, you and I came over, Yue Feng had a smile on his face, but he was secretly anxious.

Is this place called Lingguo Garden? Forbidden land?

Muttering in his heart, Yue Feng took a deep breath and said with a smile: "Several sisters, in fact, I... I'm new here and I'm not familiar with the environment..."

Seriously, Yue Feng didn't know at this time. Where is Lingguo Garden? In a hurry, I can only talk nonsense.

newcomer?

Hearing this, Juan Hong and several fairies looked at each other, and they were all stunned.

A few days ago, there was indeed news from Yutian Palace that the precious fruits in Lingguo Garden have been almost mature recently, and there are not enough staff, so I plan to send a few to help. Could it be this man?

The Yutian Palace is the place where the Nine Heavens God lives, and the Nine Heavens God is the ruler of the Divine Realm and has supreme rights.

Chapter 3549

"You..."

Finally, Juanhong reacted and asked Yue Feng, "You were sent by Yutian Palace?" When she said this, Juanhong's tone was obviously much gentler, no more just hostility.

A few days ago, news came from Yutian Palace that someone would be sent to help, and Yue Feng said that he was new here.

In this case, Juanhong subconsciously regarded Yue Feng as someone sent by Yutian Palace.

Imperial Palace?

Hearing this, Yue Feng was stunned.

Yutian... With such a domineering name, could it be the supreme ruler of the Divine Realm, where the Nine Heavens God lives?

While murmuring in his heart, Yue Feng didn't have time to think about it. He nodded at Juanhong and said, "Yes."

Yue Feng has been in the arena for so many years, and he is already a veteran. Seeing Juanhong's expression at this time, he knows that he said it himself. It's a 'newcomer', by mistake.

Huh...

At this moment, Juanhong smiled lightly and said to Yue Feng: "I was really rude just now. Since it's a newcomer, it's my own." The

voice fell, and the other fairies also spoke one after another. A smiling face.

"It's really a novice sent by Yutian Palace."

"I was shocked just now, I thought it was a break-in by mistake."

Seeing Juanhong and several fairies, all put their guard down, and Yue Feng was also secretly relieved.

If you talk nonsense by yourself, you can get away with it, which is very lucky.

"Right!"

At this moment, Juanhong looked at Yue Feng and asked curiously, "What's your name?"

"Yue Feng!" Yue Feng scratched his head and responded with a smile.

puff!

Looking at his appearance, Juanhong and several fairies couldn't help but laugh.

"This newcomer is so stupid."

"Yeah, it looks so interesting."

At this moment, Juanhong and several fairies did not doubt Yue Feng's identity. Although Yue Feng was dressed in ordinary clothes, he had Yuan Ying. , More importantly, this is the realm of the gods, and it is absolutely impossible for outsiders to break in.

However, they never thought that Yue Feng's Nascent Soul was just formed.

Just talking and laughing, Juanhong waved her hand: "Okay, everyone, don't make fun of Yue Feng, he just came here today and is not familiar with this place, let's take him around."

After speaking, Juanhong and a few fairies started Familiarize yourself with the environment with Yue Feng.

Huh...

At this moment, looking at the graceful figures of Juanhong who were leading the way, Yue Feng was indescribably comfortable.

It's no wonder that for thousands of years, human beings have to work hard to cultivate, to break through the ascension and enter the realm of the gods. It turns out that this place is really heaven. Let's just say that there are a few Juanhongs in front of you. Just pull one out and you can dump the woman in the human world. several streets.

However, while feeling emotional, Yue Feng did not forget his true identity.

You can't go on like this, pretending to be a newcomer yourself, it's okay for a short time, but it will definitely be exposed over time.

Just get out of here quickly.

However, along the way, Juanhong and a few fairies stayed close to Yue Feng, giving him no chance to escape at all.

In this case, Yue Feng had no choice but to follow Juan Hong to familiarize himself with the environment of Lingguo Garden.

What the hell!

At first, Yue Feng was a little careless, but gradually, after getting familiar with the environment of Lingguo Garden, Yue Feng was shocked beyond words. I found out that this Lingguo Garden is very large, almost on top of a Donghai City.

In such a large area, there are more than 3,000 kinds of exotic and precious fruits, and there are thousands of each kind of spiritual fruit, adding up to hundreds of thousands of spiritual fruit trees.

Hundreds of thousands of spirit fruit trees. Moreover, all of them are dedicated to the Nine Heavens God.

Imagining this number, Yue Feng couldn't help but stunned.

Chapter 3550

Nima, these nine days of God's life are too good, and one person can enjoy so many exotic and precious fruits.

"That's right!"

Just when Yue Feng was thinking about it, Yan Hong suddenly remembered something, and turned around and warned, "You were sent from Yutian Palace, you should know the rules, we only have the right to take care of the precious fruits here, remember You

can't enjoy it in private." "If you steal a precious fruit, you will be wiped out of the primordial

spirit. You know that?" Gudong! Hearing this, Yue Feng couldn't help but secretly swallowed his saliva, only to feel a chill down his spine. What the hell, stealing a precious fruit will destroy the primordial spirit? Then I just ate a dozen or so, didn't I want to die without a place to be buried? While muttering in his heart, Yue Feng nodded seriously: "Understood. I understand all these rules, and I will never steal it in private." While talking, Yue Feng and Juanhong also went to an attic. call! At this moment, Yue Feng couldn't help but take a deep breath again, sighing secretly. You can see that the attic in front of you is divided into three floors, with carved beams and painted buildings, exquisite and unparalleled, white jade pillars, pure gold floor, surrounded by clouds and mists, it is really a shrine. "Okay!" Just when Yue Feng was fascinated, Juanhong smiled lightly and said, "This is where we rest. Your room is on the top floor. We'll take you in later. ", Yue Feng suddenly became excited. That's great, when the rest is over, the fairies like Juanhong won't follow him, and then they can take the opportunity to leave.

Thinking to himself, Yue Feng quickly nodded: "Thank you sisters."

Upon hearing this, the fairies Juanhong laughed again.

"This Yue Feng is so funny!"

"Yeah, he looks older than us, so he actually called us sister."

Yue Feng didn't take it to heart at the teasing of Juanhong and the fairies, and just wanted to I want to quickly separate from them, and then leave here.

hum!

But it was at this time that Juanhong slowly raised her jade hand, and then she saw a multicolored streamer condensing and rising into the sky.

The next second, this multicolored streamer formed a huge protective film in the air, covering the entire Lingguo Garden.

shit.

Seeing this scene, Yue Feng was stunned.

what's going on?

At this time, Yue Feng could clearly feel that this huge protective film had very strong energy, just like an enchantment. With his current strength, it would be difficult to break through this enchantment.

Seeing Yue Feng's surprised and shocked expression, Juanhong frowned slightly: "Yue Feng, what's wrong?"

Yue Feng pointed to the huge protective film in the sky: "This is..."

Before he could finish speaking, Juan Hong pursed her lips and explained, "This is the barrier to protect Lingguo Garden. Every day at Mao Shi, when the innate aura is at its strongest, that's not good for Zhen Guo, so you have to protect it, you don't know this. Is it?"

When she said this, Juanhong's face was serious.

She was right, this barrier is to protect Zhenguo, you must know that although Zhenguo absorbs Xuantian aura, but if it absorbs too much, it will be bad.

Therefore, the fairies like Juanhong, who are in charge of taking care of the Lingguo Garden, will open the enchantment when the innate spiritual power is the strongest, to protect the growing precious fruits and prevent excessive absorption.

This...

Hearing this, Yue Feng was stunned.

Unexpectedly, there are so many rules to take care of a Lingguo Garden.

It's just that, if you can't break through the barrier, you can't leave here for the time being?
