

The ultimate husband in Chinese chapter 3566-3570

Chapter 3566

At this moment, Yue Feng, who was hiding behind the tree, was also stunned.

This Gong Ao and these divine soldiers are really daring. Those precious fruits are specially provided to the Nine Heavens God and Empress Hua Zhao, how dare they make up their minds.

However, Yue Feng didn't care, and only hoped that Gong Ao and these divine soldiers would leave quickly.

"This thing..."

At this time, Gong Ao reacted, took a deep breath and said, "Be careful..." As

he was talking, a gust of wind came, Yue Feng couldn't hold back, and suddenly sneezed .

"Ah..."

Leng Buding heard the sneeze, whether it was Gong Ao or those magic soldiers, they were all startled, and then, their eyes locked on the tree where Yue Feng was hiding.

In the next second, Gong Ao frowned and shouted angrily: "Who is hiding there? Come out!" After the

voice fell, Gong Ao waved his hand, and dozens of magical soldiers suddenly surrounded him.

Nima!

Seeing this, Yue Feng knew that he couldn't hide it, so he just had to bite the bullet and walk out.

Whoa!

Seeing Yue Feng, Gong Ao and the others all froze there, trembling with fear.

His Majesty?

At the same time, Gong Ao couldn't tell the doubts in his heart.

No, the majesty came down to taste the precious fruit before, chatted with the empress for a while, and then left, why, now hiding behind a tree outside Yuyao Xianyuan?

Feeling the shock of Gong Ao and others, Yue Feng looked indifferent and did not say anything.

For a time, the atmosphere seemed a little depressing and subtle.

“Your Majesty!”

Finally, Gong Ao reacted, secretly swallowed his saliva, and said cautiously, “Why are you here?”

Yue Feng smiled, then his face sank, and he used ventriloquism to imitate Jiutian God’s tone: “You have no guts. Xiao ah, plan together with your subordinates to secretly taste the precious fruit? You know

the guilt!” When he said this, Yue Feng looked angry, but his heart was up and down.

It is against common sense to pretend to be the Nine Heavens God and hide behind a tree. In order to avoid Gong Ao’s suspicion, he can only take the lead.

Pfft!

At this moment, Gong Ao’s body trembled, and he quickly knelt on the ground, his face full of fear: “Your Majesty atonement, my subordinates and I are just talking nonsense, how can we dare to secretly taste the precious? I beg Your Majesty for mercy.” The

voice fell, and the man behind him Dozens of divine soldiers also quickly knelt down, sweating profusely.

It’s over, His Majesty knew about the plan to secretly taste the precious fruit, and it’s completely over.

Haha...

Seeing Gong Ao and the others sweating coldly, Yue Feng didn’t look on his face, but he snickered in his heart.

He just said casually, and scared Gong Ao and the others into this. But I have to say that with Yi Rongsan and ventriloquism, the nine-day god that I fake is so similar.

Feeling proud, Yue Feng raised his hand at Gong Ao and said with a smile: “Okay, don’t be nervous. Speaking of which, today’s matter is indeed due to Niangniang’s ill-consideration. She doesn’t care about those precious fruits. Satisfaction can be rewarded to you, after all, you are so loyal.”

“Get up, I’ll pretend I didn’t hear what you said just now, but let’s not be an example, you know?”

After saying the last sentence, Yue Feng’s tone was gentle, and his expression was very relaxed and casual.

Chapter 3567

Seriously, Yue Feng just planned to scare Gong Ao, and didn’t even think about punishing him. After all, Yue Feng is just a fake nine-day god, how can he really punish Gong Ao.

Yue Feng thought about it, first scare Gong Ao, then send him away, and then take the opportunity to leave.

This...

Gong Ao stood there blankly, staring blankly at Yue Feng, unable to calm down for a long time.

what’s going on? Your Majesty is not to blame?

You are not dreaming.

You must know that your plan just now was a serious crime. Even if the matter of Zhen Guo, His Majesty did not care, but he was dissatisfied with the Empress, he did not even take it to heart. You must know that His Majesty was very kind to Empress.

According to common sense, if you show your dissatisfaction with the goddess, His Majesty must be furious, and at this time, His Majesty is not only not angry, but also speaks for himself...

For a while, Gong Ao’s mind becomes more and more blurred.

At the same time, Gong Ao also felt that His Majesty in front of him seemed to be different from before, a little unfamiliar.

Under the doubts, Gong Ao suddenly had a bold assumption in his mind.

Could it be that...

His Majesty in front of me is fake?

As soon as this thought flashed, Gong Ao himself was startled, but thinking about it carefully, it was very possible, you know, just an hour ago, Gong Ao personally escorted the Nine Heavens God from Yuyao Xianyuan.

It stands to reason that the Nine Heavens God is no longer in Yuyao Xianyuan at this time, but at this time, His Majesty appeared at the door, and was hiding behind a tree... All this, it is hard not to make people think too much. .

What the hell!

Seeing Gong Ao staring at him without blinking, his eyes flickering faintly, Yue Feng's heart skipped a beat, and he suddenly had a bad idea.

It's easy for me to be that I won't be seen through by this Gong Ao, right?

Probably not, that Yi Rong San is unparalleled in the world, even Princess Dongling didn't see it before, how could Gong Ao see through it?

But no matter what, you have to leave as soon as possible.

Muttering in his heart, Yue Feng cleared his throat and said lightly to Gong Ao: "Okay, there's nothing else to do, you can continue patrolling!"

However, Gong Ao stood there and didn't mean to move at all.

Yue Feng frowned: "Gong Ao, do you have anything else to do?"

"Your Majesty."

Gong Ao's eyes flickered, with a humble look: "I have nothing else to do, I just want to know where Your Majesty is going, Your subordinates are good escorts!"

As he said, Gong Ao looked at Yue Feng's expression.

At this time, Gong Ao became more and more suspicious that there was something wrong with His Majesty in front of him.

Escort me?

Hearing this, Yue Feng was stunned for a moment, then shook his head and said, "I want to walk around Yuyao Xianyuan, I don't need your escort!"

After saying this, Yue Feng turned around and left.

At this time, Yue Feng also realized that Gong Ao was doubting himself and wanted to escape quickly.

"Your Majesty, wait!"

However, before he took two steps, he saw Gong Ao shouting, and then moved his figure to block in front of Yue Feng.

Oops!

Seeing this situation, Yue Feng's heart trembled, and at the same time, he looked shocked and angry: "Gong Ao, you are not too brave, you dare to stand in my way?"

Hu...

At this moment, the surrounding magic soldiers, was also dumbfounded, looking at Gong Ao in a hurry.

What happened to Your Excellency? Going to stop His Majesty's way, are you crazy?

Chapter 3568

"Your Majesty!"

In the face of Yue Feng's anger, Gong Ao did not panic at all, and said slowly: "Your Majesty calm down, your subordinates dare not stop His Majesty, but just thought of something, three days later it will be Dongling It's the princess's birthday. Your Majesty is walking around Yuyao Xianyuan. Are you thinking of preparing a gift for the princess? If it's because of the gift, your subordinates would like to share your worries for your Majesty!"

Gong Ao said this with a sincere expression on his face, but His eyes were somewhat cunning.

Three days later, it will not be Princess Dongling's birthday at all. If His Majesty in front of him is real, he will definitely point out his mistakes. If he does not point out, but uses the topic, it means it is false!

What? Princess Dongling's birthday in three days?

Hearing this, Yue Feng was stunned! The next second, Yue

Feng smiled and nodded: "Gong Ao, it's rare for you to have such a heart, but I have already prepared Princess Dongling's gift, so I don't need to share your worries."

He waved his hand: "Okay, you step back."

At this time, Yue Feng didn't know that he had fallen into Gong Ao's trap.

Mad, it really is a fake!

Hearing the answer, Gong Ao completely concluded that what was in front of him was the fake Nine Heavens God. He no longer hesitated, and shouted angrily: "Bold thief, dare to pretend to be Your Majesty, and die!"

Om!

The voice fell, and a terrifying aura erupted from Gong Ao's body, and then a palm hit Yue Feng.

Seeing Gong Ao's palm hitting, Yue Feng was startled, and he didn't have time to dodge, so he quickly raised his hands to resist.

boom!

The next second, when the two of them touched each other, they heard a dull vibration, and then, the strong energy, like a storm, dissipated towards the surroundings.

Under the raging rage, the Yi Rong scattered on Yue Feng's face fell off one after another, revealing his true colors.

Dengdeng...

At the same time, Yue Feng was shocked back dozens of steps, a mouthful of blood spurted out, and his face was instantly pale.

"Good boy!"

At this moment, seeing Yue Feng's true face, Gong Ao was furious and said with a sneer, "A fruit servant from a Lingguo Garden in a mere mere area dares to pretend to be His Majesty, I think you are really tired of living! "

Shh!

At the same time, the surrounding divine soldiers also reacted one by one, glaring at Yue Feng.

I thought this His Majesty was real, but I never imagined that it was a fake fruit servant.

At this time, these divine soldiers were extremely angry. Mad, was frightened by a fruit servant just now. It would be difficult for anyone to calm down about this matter.

"Haha!"

Facing the anger of Gong Ao and others, Yue Feng chuckled lightly and said lightly: "Gong Ao, even if I pretend to be Your Majesty, you are not much better than me. , Your Majesty really knows, what the consequences will be, do you know better than me?"

Anyway, if you have seen through, there is no need to pretend, it is better to discuss the conditions with this Gong Ao.

“You’re courting death!”

Hearing this, Gong Ao’s face instantly turned hideous. Speaking of which, it’s better that Yue Feng didn’t say these things. When he mentioned Zhenguo, Gong Ao couldn’t calm down. You know, he is a saint. General, the status is detached, how to let a small fruit servant hold his handle?

At this moment, Gong Ao’s heart was directly moved with killing intent, and the Zijin Flame Spear was clenched tightly.

The purple-gold flame spear is Gong Ao’s sidearm. It belongs to the mid-grade magic weapon. In the realm of the gods, weapons are divided into four grades: low, medium, high, and top-grade.

“Om!”

I saw Gong Ao slowly raising his hand, and a terrifying power fluctuation erupted from the purple-gold flame gun. Then, a terrifying gun shadow condensed and slammed Yue Feng directly!

This spear shadow, carrying the terrifying power of tearing apart the world, was formed entirely by Gong Ao’s power, and it was so terrifying.

shit.

Yue Feng was shocked, and he clearly felt that the moment he was enveloped by the shadow of the gun, all his strength was suppressed.

At this time, Yue Feng was very frightened. He knew that Gong Ao, as a holy general in the sky, was very powerful, but he never thought that he would be so powerful.

Chapter 3569

Nima!

In panic, seeing that the shadow of the spear was about to approach, Yue Feng didn’t have time to think about it, so he hurriedly activated the power of his primordial spirit, and at the same time summoned Fang Tianhuaji, standing in front of him to resist!

Bang!

The shadow of the gun was like a thunderbolt, slamming on Fang Tianhuaji, and then Yue Feng let out a groan. The whole person was shocked and flew out, and flew more than 100 meters before falling heavily. on the ground.

When he resisted Gong Ao's palm power just now, Yue Feng had already consumed a lot of internal energy. At this time, he could not resist Gong Ao's skills.

You must know that the other party is the holy general of the sky, and Yue Feng has only just possessed the primordial spirit. The strength of the two is not on the same level at all.

"Boy!" At this time, Gong Ao stared at Yue Feng with a proud tone: "No matter what your purpose of impersonating Your Majesty is, if you meet me, you will be considered unlucky!" As

he spoke, Gong Ao clenched his hands Holding the purple-gold flame gun, he slowly walked towards Yue Feng.

A terrifying aura filled the world and completely enveloped Yue Feng!

call!

Seeing this scene, the surrounding magic soldiers couldn't help but shouted.

"His Royal Highness, kill him!"

"If you dare to impersonate Your Majesty, you will be punished for your sins."

Especially the magic soldier who had made plans with Gong Ao before was the favorite.

After all, he proposed to let Gong Ao secretly taste the precious fruit. This is a capital crime. This matter must not be leaked, so this fruit servant named Yue Feng must die!

Done!

Seeing Gong Ao getting closer, Yue Feng secretly swallowed his saliva, wanting to cry without tears!

With such a huge disparity in strength, there is no way to fight, do you really want to die here?

No, I haven't returned to the Kyushu Continent yet, so I can't give up my life like this.

The next second, a tenacious belief in survival flooded Yue Feng's mind, and then, Yue Feng raised his hand and waved, and saw a white flame jump out, forming a lotus shape in the air.

At the same time, the surrounding temperature rose suddenly.

It is Bai Lian Leng Huo.

call!

Immediately afterwards, Bai Lian roared up in cold flames, directly thinking of Gong Ao floating away.

Um?

Seeing Bai Lian Leng Huo, both Gong Ao and the surrounding magic soldiers were all taken aback.

Especially Gong Ao, who looked at Yue Feng with deep surprise.

As a holy general, Gong Ao naturally knew Bailian Lenghuo.

“Good boy, I didn’t see it before, but he has Bailian cold fire!” Gong Ao said in surprise, before waiting for Bailian cold fire to approach, he quickly backed away.

Speaking of which, Gong Ao, as a holy general in the God Realm, possessed a divine body, and Bailian Lenghuo could not burn him at all, but Bailian Lenghuo was the number one strange fire in the world, which could not kill Gong Ao, but could burn him.

Taking advantage of Gong Ao’s retreat and dodging, Yue Feng didn’t have time to think about it, he turned around and ran away.

At this moment, Yue Feng mobilized all the power and brought the speed to the extreme. In the blink of an eye, he was hundreds of meters away.

“Run?”

Gong Ao shouted angrily, his eyes fixed on Yue Feng, and he greeted dozens of divine soldiers, chasing after him.

Yue Feng is here.

Flying fast all the way, Yue Feng didn’t dare to stop at all, because he saw that a few hundred meters behind him, Gong Ao was chasing after dozens of magic soldiers with dozens of soldiers.

Nima!

It can’t go on like this.

Seeing that he couldn't get rid of Gong Ao and others, Yue Feng was very anxious.

Unknowingly, when he came to a mountain range, Yue Feng saw that there was a small courtyard on the top of the mist-shrouded mountain. The courtyard was quiet and elegant, like a paradise.

Chapter 3570

At this time, Yue Feng had been flying for nearly an hour and was too tired. At that time, Yue Feng didn't think much, landed quickly, and rushed into the yard.

Keep flying, Gong Ao will catch up sooner or later, so it is better to take the risk and hide in this yard.

"Who?"

As soon as Yue Feng's feet landed, he heard a thick voice, followed by an old man walking out of the room with an indifferent expression and a breath that should not be underestimated.

Holy crap, is there anyone living here?

Suddenly seeing the old man, Yue Feng was startled, and then, seeing the old man's face, he was completely stunned.

Seeing this old man, the whole body is full of immortal energy, it is Guiguzi.

"Master!"

Yue Feng was stunned for a few seconds before he reacted. Surprised and delighted, he rushed over and knelt in front of Guiguzi: "Master, my disciple Yue Feng greets you."

At this moment, Yue Feng couldn't tell Excited.

A few years ago, Guiguzi Shattered the Void left the Kyushu Continent and met Yue Feng for the last time. At that time, Yue Feng was sad and reluctant. In Yue Feng's heart, he didn't know how long it would take to reach the realm of Guiguzi and break the void. See you again with Guiguzi.

At this time, suddenly in this divine realm, he met Guiguzi, could Yue Feng not be excited?

"Yue Feng?"

At this moment, Guiguzi was also extremely surprised, looking at Yue Feng up and down: "Why are you here? You are still sweating profusely, what happened?"

“Master, now is not the time to greet each other.” Yue Feng gave a wry smile and said a long story short: “I am being pursued by the Holy General Huntian, I beg Master to help me!”

What?

Hearing this, Guiguzi was taken aback and his expression became solemn.

You must know that the Holy General Huntian, but the person beside the Nine Heavens God, has extraordinary strength, and Yue Feng actually provokes him, which is a lot of trouble.

However, Guiguzi quickly calmed down and said to Yue Feng: “Don’t be afraid, you go to the house and wait for me first, remember, don’t make a sound without my prompt, let alone come out!”

Hmm!

Yue Feng nodded, responded, and quickly ran into the house.

Speaking of which, Yue Feng was a little worried at first, but after thinking about it, Guiguzi is the most amazing person in thousands of years. Even if Gong Ao catches up here, Guiguzi has a way to deal with it.

Whoa!

As soon as Yue Feng entered the house, he saw Gong Ao roaring with dozens of divine soldiers.

After landing, Gong Ao approached and said politely to Guiguzi: “Mr. Guigu, did you see a young man passing by here?”

Gong Ao looked around while asking.

“No!” Guiguzi looked indifferent and answered very simply.

call!

Hearing the answer, Gong Ao took a deep breath and frowned secretly.

No, that kid is missing in this area. Except for Mr. Guigu’s yard, he has no other place to hide.

Thinking to himself, Gong Ao said to Guiguzi: “Mr. Guigu, is it convenient for us to enter the room and search!?”

Gudong!

Seeing this scene, Yue Feng, who was hiding in the room, couldn't help swallowing his saliva, and his heart suddenly hung up.

Mad, this Gong Ao is too thief, he actually found this place, he is in the room, but he can't come in and search.

Anxious in his heart, Yue Feng watched Guiguzi's reaction through the crack of the door.

"No!" Guiguzi still had no expression on his face, and refused very decisively: "Gong Ao, although you are the holy general of the heavens, you should be clear that this Guixian Mountain was given to me by the Nine Heavens God, and this is mine. The place, even if the Nine Heavens God comes, it has to be approved by me."

"Today I'm meditating, and I can't let anyone disturb you. If you want to find someone, go to another place!"

At this moment, Gong Ao His face was embarrassed, and he was speechless.

Because Guiguzi is right, this Guixian Mountain was indeed given to Guiguzi by the Nine Heavens God. You must know that Guiguzi has an extremely lofty position in the continent of Kyushu, and was even named the number one person through the ages. After Shattered Void came to God's Domain, It is also a guest of honor treated by the Nine Heavens God.
