

The ultimate husband in Chinese chapter 3571-3580

Chapter 3571

I'm going!

Seeing this scene, Yue Feng, who was hiding in the room, was instantly stunned, completely shocked.

Master is worthy of being the number one person through the ages, he is so daring. Even the Nine Heavens God is not in his eyes. In this world, those who dare to say such big things, I am afraid that they will not be able to find a second one.

"That's the case!"

At this time, Gong Ao reacted, with an indescribable expression of embarrassment and helplessness: "Mr. Guigu, please rest, please don't disturb me rashly, and don't blame me!" After

speaking, he greeted the surrounding magic soldiers and quickly Leave.

The moment he flew into the air, Gong Ao glanced at Guiguzi's courtyard unwillingly.

To be honest, Gong Ao was very unwilling to leave like this, but there was nothing he could do. The Guiguzi in front of him, even when His Majesty saw him, had to give three points of courtesy. presumptuous?

"Search with all your strength in the vicinity!"

Flying out of the range of Ghost Immortal Mountain, Gong Ao clenched his fists and shouted coldly.

Mad, that Yue Feng dared to threaten me with the matter of Zhenguo, even if he searched the entire Divine Realm, he would still be caught.

"Yes."

Dozens of divine soldiers responded in unison and began to search around Guixian Mountain.

However, after searching around Guixian Mountain, he didn't even see the shadow of Yue Feng. For a time, Gong Ao was extremely annoyed.

"Holy General!"

This chapter is provided by . Visit for daily update.

At this moment, a divine soldier came up and guessed: "I think that Yue Feng must be hiding in Mr. Guigu's small courtyard, otherwise, with his strength, it is impossible to run away. There is no shadow." The

voice fell, and the other magic soldiers nodded.

"Yes, he must not run far!" "Maybe he will hide in Mr. Guigu's room!"

"Your Excellency, let's just break in!"

When it came, Gong Ao's face was extremely ugly.

In the next second, Gong Ao looked around and said angrily: "You said it lightly, Mr. Guigu, His Majesty must be courteous by three points when he sees him. Isn't I asking for trouble when I forcefully break into his yard?"

"Then, Gong Ao was annoyed, and waved his hand: "Go, go back first!" The

surrounding magic soldiers did not dare to talk nonsense any more, and followed Gong Ao to leave quickly.

the other side.

Seeing Gong Ao taking people away and hiding in the house, Yue Feng suddenly breathed a sigh of relief.

At this time, Guiguzi walked in indifferently and looked at Yue Feng with a frown: "Yue Feng, what the hell is going on?" While asking, Guiguzi looked up and down at Yue Feng.

He clearly sensed that Yue Feng, who was in front of him, possessed a primordial spirit in his body, but he was a little unstable.

At this time, Guiguzi was very puzzled. You must know that although Yue Feng has good talent and aptitude, in just a few years, it is impossible to reach the realm of Shattered Void.

Uh...

Facing Guiguzi's question, Yue Feng scratched his head, and immediately told all his own experiences over the years.

At the end, Yue Feng said with a bitter face: "Master, when the portal was opened, I was planning to leave God's Domain and return to Kyushu, but who knew that Fu Zhen

suddenly appeared and kept chasing me. At that time, I had no choice, so I hid in the spirit. Orchard...”

“Afterwards, I was arranged to deliver precious fruit to Empress Hua Zhao, and I couldn’t leave Yuyao Xianyuan, so I had to use Yi Rong San to pretend to be the God of Nine Heavens. How could I know that I met this Gong Ao again...”

Phew!

Chapter 3572

Hearing this, Guiguzi was stunned.

This Yue Feng is really daring. Not only did he steal the precious fruit, but he also impersonated the Nine Heavens God. If any of these charges were picked up, it would be enough for him to die a hundred times.

Seeing that Guiguzi was silent, Yue Feng didn’t dare to talk nonsense, and his heart was up and down.

“Haha..”

Seeing Yue Feng’s expression, Guiguzi couldn’t help laughing: “Look at how nervous you are, it’s not that you stole the precious fruit, it’s no big deal, there are countless precious fruits in Lingguo Garden, nine days. Even God can’t finish it, so it doesn’t matter if you steal two of them.”

“As for the fake Nine Heavens God, Gong Ao and some divine soldiers saw it. They didn’t have any conclusive evidence, and they didn’t dare to do anything to you.”

Saying this At that time, Guiguzi looked relaxed. It seems that these things, in his heart, are not worth a groan at all.

Speaking of which, Guiguzi also knew how serious what Yue Feng did, but he was arrogant, and more importantly, he was very protective of his shortcomings. At this time, when he saw that Yue Feng was nervous, he used this method to comfort him.

Hearing this, Yue Feng immediately felt relieved.

Haha...

With Master’s words, what are you afraid of?

“Yue Feng!”

At this moment, Guiguzi's expression became serious, and he urged Yue Feng: "Anyway, it is a huge hidden danger that you rush into the realm of the gods. From now on, you will stay with me, When I deploy the teleportation formation, I will send you away."

When he said this, Guiguzi looked serious.

Although Guiguzi is not afraid of the Nine Heavens God, but Yue Feng steals precious fruits and impersonates the Nine Heavens God, which is a heinous crime, so for Yue Feng's safety, it is better to let him stay here.

Um!

Yue Feng nodded, and then asked: "Master, how long do I have to wait here?"

"Two or three days!" Guiguzi pondered, and said, "In these two or three days, you will stay here, Qian Qian. You must not run around, let alone leave Ghost Immortal Mountain, you know?"

Yue Feng nodded again, and then said curiously: "Master, as far as I know, the portal in God's Domain has a special supervisor, you can deploy it without authorization. Will it be a teleportation formation? Will it not violate the laws of the God's Domain?"

Hehe...

Hearing this, Guiguzi suddenly laughed: "The laws of the God's Domain can't control me, you must know that I am a hidden person in the God's Domain now. the one."

Hermit?

Hearing this, Yue Feng was stunned.

In the next few minutes, through Guiguzi's explanation, Yue Feng gradually understood that it turned out that the powerhouses who came to the Divine Realm from the broken void of the human world will be received by the Nine Heavens God, and then given two choices, one of which is to be loyal to the Nine Heavens God and be awarded an official position. , Just like Gong Ao and Fu Zhen, the second option is to retreat to seclusion, and Guiguzi belongs to the second option.

Speaking of which, Jiutian God had tried his best to invite Guiguzi to serve him, but Guiguzi was very firm. In the end, Jiutian God had to agree and sent Guixian Mountain to Guiguzi as a place of seclusion.

It can be said that in the realm of the gods, there is no one other than Guiguzi who can have this kind of treatment.

It is precisely because of the respect and courtesy of the Nine Heavens God that the previous Gong Ao did not dare to be presumptuous to Guiguzi.

Knowing these circumstances, Yue Feng suddenly nodded, and at the same time admired Guiguzi even more.

Of course, even if Guiguzi has a detached position in the God Realm, he cannot deploy the teleportation array without authorization, but Guiguzi has thought about it and quietly sends Yue Feng back to Kyushu to destroy the teleportation array. As long as the Nine Heavens God does not know, there will be nothing wrong.

.....

the other side! Haotian Palace!

Haotian Palace, the place where the Nine Heavens God handles affairs, is majestic and magnificent.

At this time, the God of Nine Heavens was sitting on the throne with a leisurely expression, while below, Fu Zhen knelt there in a little panic.

Chapter 3573

On both sides of the hall, there are two rows of priests standing neatly.

“Fu Zhen!”

Jiutian God said slowly, “You are in such a hurry to have an audience, what the hell is going on?”

Shua!

The words fell, and the priests on both sides also focused on Fu Zhen.

Fu Zhen took a deep breath, adjusted his emotions, and said, “Reporting to Your Majesty, it’s about the Kyushu Continent...” In the next few minutes, Fu Zhen relayed everything Yue Feng told him.

At the end, Fu Zhen said cautiously: “The ghost world at this time is completely in a state of no owner. I hope Your Majesty will give instructions as soon as possible.”

What?

Hearing this, whether it was the Nine Heavens God or the surrounding priests, their expressions changed.

Over the years, the God of Nine Heavens has seldom cared about the affairs of the human world. He never thought that so many things happened in the continent of Kyushu and the ghost world.

Soon, the God of Nine Heavens calmed down and looked around: "You Qing family, what do you think?" The

voice fell, and a priest stepped out and shouted righteously: "Your Majesty, that Hades is very ambitious. If you want to rule the human world, your power is swallowed up, and it is completely your own fault."

"Also, those humans in the Kyushu Continent are also very hateful. They swallowed the power of the Hades, and even delusionally wanted to be the new Hades. Speaking of which, the Kyushu Continent and the Underworld, it's time to rectify it again." The

voice fell, and the other priests nodded in agreement.

"Yes, it really should be rectified."

"Yes, there is no time to delay..."

The words of the priests, you sent me a sentence, and the face of the God of the Nine Heavens was extremely ugly.

Finally, the God of Nine Heavens took a deep breath and said slowly: "Pass my imperial order, and you can send an envoy to the continent of Kyushu."

"Yes, Your Majesty!"

Fu Zhen and the surrounding priests agreed in unison.

.....

the other side.

Under Guiguzi's arrangement, Yue Feng rested in the room for a long time.

After sleeping for a long time, Yue Feng was refreshed, and then he started to meditate and cultivate to consolidate the primordial spirit in his body. Because Guiguzi was teaching him, Yue Feng made rapid progress.

Before you know it, the day goes by.

The next morning, Guiguzi asked Yue Feng to take a walk outside, and then deployed a teleportation array in the room alone.

call!

At this moment, Yue Feng stood in the yard, looking at the fairy cloud in the distance, his heart was peaceful, but at the same time, he was also a little anxious. One day in God's Domain, and one month in Kyushu Continent.

I hope Master can get the teleportation array ready soon.

Whoa!

Just when Yue Feng was sighing inwardly, he saw three figures flying fast from the horizon not far away, two men and one woman, one of them was an old man, wearing a gray-white robe, white beard and white hair, and immortal air.

The other man looked in his thirties, with a heroic expression and extraordinary aura.

The woman looked in her mid-twenties, wearing a blue short skirt, she looked youthful, and her big eyes were very lovable.

The three of them had a strong aura all over their bodies, and they were obviously not ordinary people.

What the hell!

Chapter 3574

Seeing these three people, Yue Feng was shocked, these three will not be Gong Ao's companions, let's catch him.

Thinking to himself, Yue Feng wanted to return to the room and avoid these three people, but it was too late.

Almost in the blink of an eye, the first child and the second child landed in the small courtyard, and the eyes of the three of them converged on Yue Feng.

Especially the woman, who looked at Yue Feng up and down, looked very curious.

The next second, the girl turned her head towards the old man and said, "Isn't Mr. Guigu living alone? Why does he have a young boy here?" The

old man didn't speak, just smiled.

Seeing this, Yue Feng breathed a sigh of relief and realized that the three people in front of him were not Gong Ao's companions, otherwise, this girl would not be curious about her identity.

At this time, Yue Feng didn't know that the old man in front of him was Immortal Venerable Beiming, and the young men and women around him were all his disciples, the man's name was Hongsheng, and the woman's name was Li Ran.

Like Guiguzi, Beiming Xianzun is also a hermit. Because he lives in seclusion and is located in the Beiming Sea, he is called Beiming Xianzun. At that time, Guiguzi had just broken the void and came to the realm of the gods. Because he had long admired the name of Guiguzi, he went to the place specially. Come to visit, one to two to go, the two sides have become close friends.

But today, Immortal Venerable Beiming had nothing to do, so he brought two disciples to visit Guixian Mountain.

At this time, Li Ran looked up and down at Yue Feng: "Hey, what's your name? Why are you here?"

"I..."

Facing Li Ran's question, Yue Feng opened his mouth, because he didn't know the identity of the other party, I didn't know how to respond.

"Ha ha.."

Just when Yue Feng was embarrassed, he heard a loud laugh coming from behind him, and then, Guiguzi walked out of the room with a smile on his face.

"It turned out to be Immortal Venerable Beiming, you have lost your way!" When he got to the front, Guiguzi smiled at Immortal Beiming: "Please come inside."

"Mr. Guigu, don't be so polite." Immortal Beiming smiled, and then Greeting Hongsheng and Li Ran, they walked into the room, and Yue Feng followed.

"Go, make a pot of tea!" Guiguzi instructed Yue Feng as soon as he arrived in the room.

Yue Feng did not dare to disobey, and hurried to make a pot of tea.

When making tea, Yue Feng quietly pulled Guiguzi and asked curiously: "Master, where is this distinguished guest?"

Guiguzi smiled and whispered: "This is Immortal Venerable Beiming, and his two Apprentice, Immortal Beiming is indifferent to fame and fortune, so like me, he is also a hermit. This Immortal Beiming also has great ability, so you can't neglect it, you know?"

"As for the two around him, it is him. The man's name is Hongsheng, the woman's name is Li Ran, Hongsheng is aloof and arrogant, and Li Ran is more playful..."

Hearing this, Yue Feng nodded silently.

Soon, the tea was ready, and Yue Feng hurriedly brought it over.

At this time, Immortal Beiming asked Guiguzi with a smile: "Mr. Guigu, haven't you been living in seclusion all the time? Why is there a young offspring suddenly?"

Guiguzi smiled and said casually: "This is me A novice book boy, although living alone is comfortable, it's still good to have someone around to take care of it."

When he said this, Guiguzi looked very calm.

Yue Feng is his apprentice's business, and he must not say it. After all, Yue Feng came from the human world. He used to steal precious fruits and pretend to be the God of Nine Heavens. Therefore, for Yue Feng's safety, Guiguzi can only be said to be his own book boy.

Book boy?

Hearing this, Saint Venerable Beiming nodded and didn't ask any more questions.

Hongsheng and Li Ran, who were standing behind them, showed a trace of disdain. I thought this young man was Guiguzi's apprentice, but he turned out to be a book boy.

Yue Feng didn't pay attention to the eyes of Hongsheng and Li Ran. This kind of person is judged by appearance, Yue Feng does not know how many he has seen, and he is not in the mood to care about it.

"Master, it's so boring."

After sitting for a while, Li Ran pouted and said, "I want to go out for a walk. It's too boring here. I don't understand what you and Mr. Guigu are talking about."

Bei Ming The Holy Venerable frowned and scolded: "Li Ran, in front of Mr. Guigu, you are not allowed to mess around." Although he said that, there was a bit of pampering in his eyes.

Chapter 3575

Seeing this scene, Guiguzi laughed and said, "It's alright, young man! Just let her go."
Seeing Guiguzi open his

mouth, Immortal Venerable Beiming sighed lightly and said to Li Ran, "That's good. Come on, go outside and keep in mind, you can only be nearby, you can't leave Guixian Mountain." After

speaking, Immortal Beiming ordered Hongsheng: "Go too, look at Li Ran, don't let it go. She's playing like crazy outside." As a master, Immortal Venerable Beiming knew Li Ran too well, this female apprentice, quirky and quirky, was a headache.

Um!

Hongsheng nodded and took Li Ran out the door.

When he walked to the door, Li Ran suddenly took Yue Feng's hand and said with a smile, "Come along too, you are Mr. Guigu's book boy, and you are obliged to familiarize us with the environment." What the hell

!

Suddenly being held by Li Ran, Yue Feng was stunned, his mind buzzing.

This Li Ran is not only playful, but also a familiar one. The first time he met you, he directly held hands.

Moreover, he is not Guiguzi's book boy at all, but his direct disciple, how could he accompany Li Ran out to play?

Muttering in his heart, Yue Feng looked at Guiguzi for help, Guiguzi looked as usual and nodded at Yue Feng.

Seeing Guiguzi acquiesced, Yue Feng had to follow Li Ran out.

"Hello."

As soon as he walked out of the small yard, Li Ran said to Yue Feng with a condescending attitude, "Since you are a book boy of Guiguzi, you are very familiar with this place? I heard that the environment of Guixian Mountain is complex and there are many interesting things to do. The place, take us to see it."

Yue Feng was stunned for a moment, and said lightly: "I've only been here for two days, and I'm not familiar with this place, otherwise, you can go around by yourself."

Swish!

Hearing this, Li Ran was displeased: "Huh? You are a little book boy, you are not too small."

Hongsheng next to him also said: "That is, do you know who we are? Our master and you ghosts. Mr. Gu's best friend has neglected us, and Mr. Guigu will definitely not spare you lightly."

When he said this, Hongsheng looked contemptuous.

In his heart, Yue Feng was just a little book boy, and he should be respectful to himself and his junior sister, but at this time, he had a nonchalant attitude, which was really unruly.

Ugh!

Yue Feng sighed softly and was too lazy to say more, so he had to lead the way ahead.

However, although Yue Feng had been here for a day, he had been in the yard all the time. He was not familiar with the environment of Guixian Mountain at all, so he could only lead Hongsheng around.

After walking for a while, Li Ran felt very bored. Looking at Yue Feng in front of him, he suddenly became more playful and whispered to Hongsheng with a smile: "Senior brother, this little book boy doesn't seem to be willing to play with us, why don't we give it to him? Let me teach you a lesson." The

voice was so low that only Li Ran and Hongsheng could hear it.

Hongsheng pondered for a while, and said in a low voice, "How do you teach me?"

Li Ran's eyes flashed with a hint of slyness: "Under the supervision of Master recently, I have been able to completely control the real fire of the five elements, so I will use the real fire of the five elements to control him. My clothes are on fire." As the

voice fell, Li Ran slowly raised his right hand, and saw a multicolored flame jumping out.

It is the real fire of the five elements.

"No!" Hongsheng was stunned, and shook his head decisively.

You must know that the Five Elements True Fire is the most proud stunt of the Holy Venerable Beiming. It has the characteristics of extremely cold and is very dangerous.

Hongsheng knew that Li Ran just wanted to tease Yue Feng, but using the Five Elements True Fire was a bit too rash. After all, the other party was just a little book boy.

Realizing this, Hongsheng was about to stop it, but it was still a step too late, when Li Ran raised his hand and waved, the five elements were really hot, thinking about Yue Feng and floating over.

call!

This group of five elements of real fire seems to be slow, but in the blink of an eye, it is behind Yue Feng.

The ultimate husband in Chinese chapter 3576-3580

Chapter 3576

Yue Feng reacted very quickly, and when he noticed the movement behind him, he turned around immediately. When he saw it, he was shocked.

I saw a group of colorless flames coming quickly. At that time, Yue Feng didn't have time to think about it, and hurriedly dodged to the side. However, the flame, as if alive, turned a corner and continued to come towards Yue Feng.

What the hell!

what fire is this?

This time, Yue Feng frowned, extremely surprised.

"Haha.."

Seeing this scene, Li Ran was very proud, clapped his hands and smiled: "You little book boy, let you not play with us well, watch me burn your clothes." As

he said, he continued Activate the Five Elements True Fire and approach Yue Feng.

Nima!

Hearing this, Yue Feng was furious, I just didn't take you to play, you're going to burn my clothes? This Li Ran is too unreasonable.

While muttering in his heart, seeing the multicolored flames floating again, Yue Feng didn't have time to think about it, he immediately activated the power of his primordial spirit, and then raised his right hand.

call!

The next second, I saw a white flame jumping out, quickly forming a lotus shape in the air, it was the white lotus cold fire.

To be honest, Yue Feng didn't want to show Bai Lian's coldness, but this Li Ran was so bullying that Yue Feng couldn't bear it.

White flame?

This chapter is provided by . Visit for daily update.

Seeing Bai Lian Leng Huo, whether it was Li Ran or Hong Sheng, their hearts were shocked and they were stunned.

And then, the scene in front of them made them even more stunned.

chi chi...

As soon as the two flames touched, there was a squeaking sound, and then, Li Ran's real fire of the five elements was quickly swallowed by the cold fire of Bailian.

"It was swallowed?" Hongsheng opened his mouth wide, his face full of disbelief: "This... seems to be the first strange fire, Bailian cold fire."

Li Ran was also trembling, looking at Yue Feng, very Shock.

This kid is just a little book boy, how can he have the cold fire of Bailian?

"Hey!"

After more than ten seconds, Li Ran reacted and looked at Yue Feng in a complicated way: "It seems that I underestimate you, but you have Bailian cold fire, come here, fight with me, let me See and see your strength." The

voice fell, Li Ran was astonished, flew up, and hit Yue Feng with a palm.

Seeing this scene, Hongsheng wanted to stop it, but he held back.

Like Li Ran, Hongsheng also felt that there was something wrong with the little book boy in front of him. You must know that Bailian Lenghuo is the number one fire in the world, and even the master, Beiming Holy Venerable, was not sure to integrate, but this little book boy actually had it. Really suspicious.

Nima, this Li Ran is mentally ill.

Seeing Li Ran's palm call, Yue Feng was depressed and annoyed, and couldn't help saying, "Don't go too far."

However, Li Ran didn't listen at all, and instead accelerated.

Seeing this, Yue Feng had no choice but to mobilize the power of his primordial spirit to fight Li Ran fiercely.

At the beginning, Yue Feng thought that Li Ran was just a playful person, and he was simply sparring. What made him depressed was that Li Ran's moves were ruthless, and every move wanted Yue Feng's life. The wind had to resist with all his might.

However, Yue Feng has just possessed the Primordial Spirit. Although Guiguzi has taught him a lot this day, he has gained a lot of understanding of the Primordial Spirit, but he is still no match compared to Li Ran. After all, Li Ran is the most proud of the North Ming Sage. female disciple.

boom!

Finally, just when Yue Feng was about to be unable to stop him, Li Ran slapped him on the back with a slap in the back. He heard Yue Feng groan, and the whole person flew out, flying more than 100 meters, hitting him. On the mountain wall, he fell down.

Chapter 3577

"Pfft..."

At the moment of landing, Yue Feng spurted out a mouthful of blood, his face was pale, and his breath was extremely weak.

mad.

At this moment, the anger in Yue Feng's heart swelled up, his eyes were blood red, and he stared at Li Ran closely, this woman was simply a lunatic.

Snapped!

Before Yue Feng could stand up, Li Ran's delicate body flashed, and he rushed forward, stepping on Yue Feng's face.

In the next second, Li Ran asked condescendingly with a charming face: "Hey, little book boy, tell me honestly, did you steal the skills of Mr. Guigu, so you have the cold fire of Bailian?"

When he said this, Li Ran looked at Yue Feng with contempt.

The book boy in front of him is not very strong. He actually possesses the cold fire of Bailian. He must have secretly learned Mr. Guigu's exercises.

Hongsheng next to him also looked at Yue Feng indifferently. Like Li Ran, Hongsheng also felt that this book boy was strange everywhere.

Nima!

Being stepped on by Li Ran, Yue Feng became furious, gritted his teeth, and said, "Bai Lian Leng Huo, which I merged with myself, and my master..."

At this moment, Yue Feng wanted to say that it had nothing to do with my master, But thinking of his identity as a book boy at this time, he stopped in time and changed his name: "It has nothing to do with Mr. Guigu.

"

Hearing this, Li Ran obviously didn't believe it, and his eyes flashed with tricks and displeasure: "Don't lie to me, with your strength, can you integrate Bailian Lenghuo by yourself? If you don't explain it again, I will show you a good look.

" Li Ran took out a golden soft whip from his body, and said jokingly: "Know this thing, it's called a whip, as long as you get a few whips, your soul will collapse."

When he said this, Li Ran looked proud.

Hongsheng next to him frowned, but did not stop him.

Phew...

Seeing the whip, Yue Feng couldn't help taking a deep breath, and said coldly, "Don't go too far, I'm Mr. Guigu's book boy, if you destroy my soul, Guigu Mr. will definitely not spare you lightly."

Hearing this, Li Ran couldn't help but chuckle: "Don't scare me, my master is Immortal Venerable Beiming, and you are just a new book boy. , do you think Mr. Guigu will fall out with my master over a book boy?"

After speaking, Li Ran raised the whip, no doubt: "Quickly explain, where did your white lotus cold fire come from?"

Yue Feng bit Grinning his teeth, he sneered.

"Looking for death!"

Seeing Yue Feng's attitude, Li Ran stopped talking nonsense, and with a flick of his jade hand, he whipped the whip with a scream, and threw it towards Yue Feng.

Swish....

As soon as the whip passed, the air was torn apart, like a golden lightning bolt, which was amazing.

Seeing that the whip was thrown over, Yue Feng didn't have time to think about it, because he was beaten by Li Ran and was very weak, but he didn't know where the strength came from at the time. Rush forward.

Yue Feng knew that he was not Li Ran's opponent at all, but he could not allow her to be humiliated. He thought about it, after breaking free from Li Ran, he immediately ran back to the yard. At that time, in front of Guiguzi, Li Ran would never dare to be so presumptuous.

However, Yue Feng was unfamiliar with the environment of Guixian Mountain. At this time, he was in a panic, and the direction of running was not the small courtyard where Guiguzi lived, but the outside of Guixian Mountain.

"run?"

Seeing that Yue Feng was still able to break free from his control under such circumstances, Li Ran's pretty face changed, he stamped his feet, and then chased after him while holding the whip.

Hongsheng was also stunned, and then followed closely.

In the blink of an eye, the three figures of Yue Feng and Li Ran rushed out of the range of Ghost Immortal Mountain.

Oops!

Seeing the environment in front of him, it was extremely unfamiliar, and Yue Feng almost wanted to cry without tears.

Chapter 3578

This doesn't seem to be the way back to the yard.

Don't care, let's get rid of the madman Li Ran first.

After making up his mind, Yue Feng continued to run forward. A few minutes later, he came to a black valley. He saw that this valley was scorched and messy, and there was no grass. In the center of the valley, there was an incomparably huge deep pit. , very shocking.

What is this place?

Seeing this scene, Yue Feng was stunned for a moment, and then he saw a cave on the mountain wall not far away. On the big rock beside the cave, there were vaguely engraved a few big characters: The place where the evil spirits are wiped out, those who come will stop.

The place where the evil spirits are wiped out?

Yue Feng frowned secretly, realizing that he had come to a forbidden area, and instinctively wanted to turn around, but he saw that Li Ran and Hongsheng were already chasing after him. At that time, Yue Feng gritted his teeth and rushed towards the cave.

Swish...

At this moment, Li Ran and Hongsheng came quickly, hovering above the black valley.

“This...”

Seeing the place in front of him, Hongsheng frowned secretly and couldn't help but say, “This place seems to be a place of punishment...”

Hearing this, Li Ran lost his madness just now. There was a bit of solemnity on the delicate face, and awe and complexity flashed in her eyes. As a disciple of Immortal Venerable Beiming, Li Ran had heard that thousands of years ago, there was a large-scale eviction of evil in the God Domain. Action, and the place where the incident happened at that time was called the place of punishment.

“Junior sister!”

Finally, Hongsheng reacted and whispered to Li Ran, “Why don't we go back.”

Li Ran shook his head: “Senior brother, what are you afraid of? This place of divine punishment is nothing but ruins. That little book boy was taught a lesson by me. Instead of going to Mr. Guigu, he escaped from Guixian Mountain. Obviously, he has a ghost in his heart. With

that said, Li Ran looked around and saw Yue Feng who had fled to the entrance of the mountain wall. He immediately chased after him without thinking much.

Hongsheng took a deep breath and quickly followed.

In the blink of an eye, Li Ran arrived at the entrance of the cave, and at this time, Yue Feng had just entered the cave.

“Hee hee!”

At this moment, Li Ran was in a good mood when he saw Yue Feng who was in a state of embarrassment. He grinned and

said , “Little book boy, are you still running?”

This crazy woman.

Yue Feng cursed inwardly and sneered: "If you let me go out, I'll go out? Why should I listen to you?"

Shuh!

Hearing this, Li Ran's pretty face sank, a little book boy dared to talk to him like this, he was just courting death.

In the next second, Li Ran's eyes turned to have an idea, and he chuckled: "Okay, you won't come out, right? Let's see how I treat you." With that, Li Ranyu raised his hand, and the five elements of true fire were released again.

Phew...

In the next second, a sea of flames formed at the entrance of the cave, and then the flames quickly spread to the depths of the cave. Speaking of which, after Yue Feng had cast the cold white lotus fire before, Li Ran knew that the Five Elements True Fire couldn't hurt him at all.

However, Yue Feng had just been injured by Li Ran, and he was very weak at this time.

Nima!

Seeing the fire spread in, Yue Feng was full of anger and poured out directly.

Li Ran's guess was good. At this time, Yue Feng was extremely weak and could not use the white lotus cold fire to come out. Although the Five Elements True Fire couldn't hurt him, the scorching flame also made Yue Feng unbearable.

"Hee hee..."

Li Ran stood at the entrance of the cave, clapping his hands and laughing with indescribable excitement as he watched the fire burn recklessly

. Not coming out of the cave is no different from shrinking tortoises.

Chapter 3579

Ah....

Listening to Li Ran's laughter outside the cave, Yue Feng was extremely annoyed. At the same time, as the flames became hotter and hotter, Yue Feng gritted his teeth and touched the depths of the cave.

After walking a dozen steps, Yue Feng saw that not far ahead, there was an energy vortex, filled with powerful energy fluctuations.

Enchantment?

Yue Feng clearly sensed that the energy vortex in front of him was an enchantment.

And this enchantment is obviously much stronger than the enchantment that Juanhong deployed in Lingguo Garden. Not only that, it seems to contain a strange suction.

Isn't this the place where the evil spirits are wiped out? How can there be an enchantment?

At this moment, Yue Feng only felt that his brain was buzzing and he was very puzzled.

Huhu...

At this moment, Li Ran outside the cave could not hear any response, and released the Five Elements True Fire again, seeing that the fire was getting bigger and bigger, and the whole cave was about to burn.

Mad!

Seeing this situation, Yue Feng was indescribably annoyed. It was really unfortunate to meet a lunatic like Li Ran, and he couldn't go out today anyway.

However, the fire in this cave is so big, it is not a problem to continue to hide.

In just two seconds, Yue Feng's brain turned rapidly, and then he gritted his teeth and rushed directly into the enchantment.

Yue Feng thought about it, no matter what was behind the barrier, it was better than being caught by Li Ran.

Om...

At the moment of rushing into the barrier, Yue Feng only felt that the whole person was enveloped by a terrifying force, the surroundings were dark, and then a strong sense of dizziness came, and then he didn't know anything when it was dark.

At this time, outside the cave.

"Junior sister!"

Seeing the fire in the cave getting bigger and bigger, Hongsheng finally couldn't stand it anymore and couldn't help saying: "It's almost done, don't be too foolish."

In Hongsheng's heart, although Yue Feng is just a little book boy, he The younger sister set fire to the cave, which was a bit too much.

“Why am I fooling around?”

Li Ran said with a savage face, disapprovingly: “This guy must have ulterior motives for being a book boy for Mr. Guigu. Mr. Guigu was deceived by him. I did this to clean up Mr. Guigu. The portal.”

Seeing her rebuttal, Hongsheng was dumbfounded.

Li Ran was too lazy to talk nonsense with Hongsheng, and continued to shout at the cave: “Hey, you damned little book boy, can’t you get out?”

However, apart from the raging fire in the cave, there was no response at all.

At this time, Li Ran didn’t know that Yue Feng had entered the barrier in the cave.

Swish....

Just when Li Ran was about to shout, he saw two figures, flying quickly from not far away, Immortal Feng Daogu, it was Guiguizi and Beiming Immortal Venerable.

Seeing Master and Guiguizi coming, Hongsheng’s expression changed, and he was suddenly nervous.

Li Ran, on the other hand, looked indifferent.

“Li Ran!”

Soon, Immortal Venerable Beiming and Guiguizi landed. Immediately afterwards, Immortal Beiming frowned and asked, “Why did you come here? Where is Mr. Guigu’s little book boy?”

Chapter 3580

While talking, Immortal Beiming looked at the still burning cave and frowned secretly.

Speaking of which, Xianzun Beiming and Guiguizi originally sat in the yard while drinking tea and talking, and didn’t care about the three young people at all, but later, seeing the three of them have been gone for so long and never came back, Immortal Beiming Zun and Guiguizi came out to look for them, but they searched Guixian Mountain and didn’t see the three of them.

Later, on the border of Guixian Mountain, they saw thick smoke rising from the land of punishment from a distance. Immortal Venerable Beiming and Guiguizi didn’t have time to think about it, so they hurried over to check.

“Master!”

At this time, hearing Xianzun's question, Li Ran shook his head and said with a smile: "That little book boy is a liar, I'm teaching him a lesson."

After speaking, Li Ran took what happened just now, He said it quickly, and at the end, Li Ran pointed to the cave: "This little book boy, it's too abhorrent to learn Mr. Guigu's stunts.

" Wind energy can be used at will, and it must be learned from Guigu. After all, Guigu is a generation of strange people, and it is normal to be able to control the cold fire of Bailian.

What?

Guigu was originally indifferent, but when he heard Li Ran's words, he was shocked.

At the same time, Immortal Venerable Beiming's expression changed greatly, and he was furious: "Li Ran, you have caused a big disaster this time." His tone was full of blame.

This Li Ran is so ridiculous that he even set fire to Mr. Guigu's book boy. You must know that although Mr. Guigu has not been in the realm for a long time, his status is detached, and even the Nine Heavens God treats him with courtesy.

"I..."

Li Ran was very aggrieved in the face of Beiming Xianzun's reprimand, and muttered: "This little book boy is very strange, what's wrong with me helping Mr. Guigu to interrogate him? Besides, he has Bailian cold fire. , these flames can't burn him at all."

"Shut up for me!" Venerable Bei

Ming was so angry that he glared at Li Ran: "You have made a big disaster, and you still don't know how to repent? After you go back, face the wall for three months."

Immortal Venerable Ming looked at Guigu very embarrassedly: "Mr. Guigu, I'm really sorry, my apprentice is too rambunctious, please bear with me, I'll go in and bring out the little book boy."

Guigu smiled, but his face was very ugly.

In the Kyushu mainland for thousands of years, Guigu has been regarded as the first person through the ages. Although he has received many disciples, the one that he appreciates the most is Yue Feng. This time, Yue Feng entered the realm of the gods by mistake and caused a big disaster. In order to protect him, Guigu , said that it was his own book boy, but I never thought that this female disciple of Immortal Beiming would actually bully others, block Yue Feng in the cave, and set him on fire...

Guiguzi is very protective of his shortcomings, at this time he is very I wanted to get angry, but I held my identity and held back.

Seeing that Guiguzi's face changed, Immortal Venerable Beiming stopped talking nonsense, raised his hand, and directly extinguished the Five Elements True Fire in the raging mountain, and then the figure flashed and rushed in directly.

Guiguzi followed closely behind!

This...

In the depths of the cave, when they saw the scene in front of them, Immortal Venerable Beiming and Guiguzi were stunned.

I saw that there was an enchantment in front of me, how could there be Yue Feng's figure?

"Look at the situation!" After a few seconds, Immortal Venerable Beiming reacted and said with great embarrassment: "This little book boy has entered the barrier... If I remember correctly, behind this barrier is the monster clan. The Sealed Land!"

When he said this, Immortal Venerable Beiming was anxious and guilty at the same time.

If Yue Feng is still in the cave, there is still room for recovery. If he enters the enchantment, the consequences will be disastrous.

The sealed land of the demon clan?

Hearing this, Guiguzi realized that it was not good, and quickly asked: "What is the place where the demons are sealed, please also explain it to Xianzun, I don't understand.

" .

Ugh!

Immortal Venerable Beiming took a deep breath and explained slowly: "Mr. Guigu, after Pangu opened up the world, humans and gods coexisted in the same world, you know, later, after the concept of stratum emerged, the gods felt that humans were not worthy of living with themselves. A world, in this case, the whole world is divided into three realms, namely the realm of gods, the realm of human beings, and the realm of ghosts."
