

The ultimate husband in Chinese chapter 3581-3590

Chapter 3581

“At that time, there were not only gods in the realm of the gods, but also countless immortal birds and rare beasts. These immortal birds and rare beasts included the phoenix clan, the dragon clan, and Qiongqi, Yingzhao, unicorn, gluttonousWait!”

“But gradually, after the power of these immortal birds and rare beasts gradually increased, the gods felt threatened, so they collectively referred to them as the demon clan, and then launched a war of gods to defeat the demon clan in one fell swoop. “

That very big war lasted for a long time. During this period, many immortal birds and rare beasts, knowing that they were not the opponents of the gods, escaped from the realm of the gods and went to the human world. Among them was the dragon clan. As well as Qiongqi, Qilin, etc., and those who leave the realm of the gods are called divine beasts in your human world.”

“And those who did not leave continued to fight against the gods, but they did not escape their pale fate in the end.”

“God After the war, all the resisting monsters were sealed in a sinister place, and this place will be the place where the monsters are sealed.”

When he said this, Immortal Venerable Beiming kept paying attention to Guiguzi's reaction.

call!

Knowing this, Guiguzi took a deep breath and asked, “According to what you said, outside the cave is the ruins of the battle of gods, and this barrier is the entrance to the sealed land?”

“Not bad!” Immortal Venerable Beiming clicked nod.

Guiguzi didn't have time to think, and immediately made a decision: “In that case, let's go in and bring Yue Feng back.” After speaking, he was about to enter the barrier.

“Mister Guigu!”

At this moment, Immortal Venerable Beiming's expression changed, and he quickly stopped Guiguzi: “In this sealed land, countless demon clans have been imprisoned, and after being imprisoned for so many years, the demon clan must be full of resentment. If we enter rashly, I'm afraid we won't be able to bring that little book boy out, and we'll be in danger.”

“Sir, you must know that the demon clan was able to fight with the gods, and the power was not weak. The two of us are not opponents at all!”

Hearing this, Guiguzi was stunned.

He could see that Immortal Venerable Beiming was not joking. Back then, when the demon clan could fight against the gods, their strength must be very strong.

This chapter is provided by . Visit for daily update.

But Yue Feng was his most admired disciple, so he couldn't just watch him enter a dangerous situation and ignore it.

Thinking to himself, Guiguzi immediately took out his hexagram plate and began to divination for Yue Feng. Guiguzi is the number one person in the ages, he knows everything, he is perfect in everything, and he is a genius in divination.

Seeing Guiguzi take out the hexagram plate, Immortal Venerable Beiming didn't speak and watched closely.

Soon, Guiguzi made a divination, and his expression eased a lot.

“Mr. Guigu, how is it?” Immortal Venerable Beiming quickly asked. At this time, he completely lost the aura of a generation of Immortal Venerable, but was cautiously in front of Guiguzi.

After all, Yue Feng strayed into the land sealed by the demon clan, all because of Li Ran's mischief.

Guiguzi breathed a sigh of relief and said slowly: “The hexagram says that Yue Feng's entry into the sealed land of the demon clan this time is full of dangers, and he will experience many disasters, but in the end it will turn into good fortune.”

After speaking, Guiguzi looked at it. The enchantment in front of him said with emotion: “Perhaps, this is an experience for Yue Feng.”

At this time, Guiguzi had no worries at all, because the hexagram said clearly that Yue Feng had mistakenly entered the demon this time. There is no danger in the land sealed by the clan, but an opportunity.

In this case, Guiguzi is not only no longer worried, but is somewhat happy for Yue Feng. You must know that opportunities are not for everyone.

That's it!

Hearing this, Immortal Venerable Beiming finally breathed a sigh of relief, and at the same time looked at Guiguzi curiously: "Dare to ask Mr. Guigu, who is this Yue Feng?"
To

be honest, Guiguzi is a generation of strange people, but at this time he A little book boy attaches so much importance to it, people have to doubt it.

Guiguzi smiled slightly: "The secret must not be leaked!" After

speaking, Guiguzi said slowly: "It's alright, let's go back and discuss the Tao."

Then one word fell, and Guiguzi walked out of the cave.

Xianzun Beiming looked suspicious, looked at the barrier, and then walked out.

.....

the other side!

In the endless chaos, Yue Feng was confused and only felt that he had a bizarre dream.

Chapter 3582 I

don't know how long it took, Yue Feng slowly woke up!

Nima, where is this?

The moment he opened his eyes, Yue Feng looked around. Immediately stunned.

I can see that there is an endless forest in front of me, the sky is gray, and the spiritual energy between heaven and earth is very weak. Compared with the innate spiritual energy that is filled in the realm of the gods, it is almost one heaven and one underground, and even the spiritual energy of heaven and earth here is not as good as that of Kyushu. mainland.

In the forest, Yue Feng saw some rare and exotic beasts, but these rare and exotic beasts did not have the slightest immortal energy, but were filled with a violent aura.

"Hey..."

Just when Yue Feng was looking at him, those rare and exotic beasts in the forest also found him, and they screamed suddenly, and then rushed over.

What the hell!

Seeing these rare and exotic beasts rushing over, Yue Feng was taken aback, and quickly stood up, and at the same time summoned Fang Tianhuaji.

At the same time, Yue Feng shouted: "Hey, I just passed by here, I didn't provoke you, don't mess around." When he said this, Yue Feng activated the beast ring on his body.

Only by activating the beast ring, these rare and exotic beasts can understand Yue Feng's meaning.

Yue Feng thought that he used the beast ring to calm down these rare beasts.

However, what made Yue Feng depressed was that those rare and exotic beasts were going crazy one by one. They didn't mean to stop at all, but instead launched a fierce attack.

Nima!

At this moment, Yue Feng wanted to cry without tears, so he had no choice but to hold Fang Tianhua halberd tightly and fight with these rare and exotic beasts.

Speaking of which, Yue Feng was very weak after being beaten by Li Ran before, and these rare and exotic beasts are not only strong, but also very vigorous. In contrast, Yue Feng is not an opponent at all, but relying on Fang The sharpness of the Tianhua Halberd also blocked the siege of these rare and exotic beasts.

Whoa!

Half an hour later, these rare beasts realized that they could not defeat Yue Feng, and left one after another.

Seeing this, Yue Feng sat on the ground with a sigh of relief.

Nima, I can finally breathe a sigh of relief.

Afterwards, Yue Feng looked around again, extremely puzzled.

What the hell is this place? Why so dead? Except for rare birds and exotic beasts, can you see no one?

Whoosh! Whoosh! Whoosh!

Just as Yue Feng frowned secretly, he heard a few piercing sounds.

Yue Feng instantly became vigilant and looked up at the sky at the same time.

hiss!

As a result, Yue Feng was shocked, he couldn't help taking a breath, and the whole person was stunned for a moment.

I go, what is this?

Yue Feng had a big mouth and rubbed his eyes with his hands, surprised.

He saw that more than a dozen figures were flying towards him, and each of these figures was weirder than the other.

Human tiger head? Is this code a monster?

And the others, some with horse-faced faces, and some with leopard heads.

There is also a woman with a beautiful face, indescribably charming and charming, just like a fairy, but she has a long snake tail on her lower body...

For a while, Yue Feng froze there, completely stunned.

Chapter 3583

At this time, Yue Feng still doesn't know that these are the demon clan sealed here.

Whoa!

Just when Yue Feng was secretly surprised, these strange-looking guys had already arrived in front of him. The one with a tiger head at the head looked at Yue Feng up and down, full of hostility: "Who are you? Why are you here?" The

tone was sharp . , showing a rebellious attitude!

Uh....

Yue Feng scratched his head, feeling inexplicably uneasy in his heart, and said, "I passed through a barrier, and then I arrived here."

After speaking, Yue Feng showed a smile, and said very politely: "How many times do you dare to ask? How can I get out of here?"

At this time, Yue Feng was very careful, he clearly sensed that these were not good things in front of him, and that each of them was terrifying, in this case, it was natural to be more polite.

Yue Feng still doesn't know that these are all the monsters trapped here.

Enchantment?

Hearing this, several demons looked at each other, and then the demon with the head of a tiger asked Yue Feng, "Are you from God's Domain?"

Yue Feng nodded.

In an instant, several demons looked at Yue Feng's eyes, showing a bit of hostility.

what's going on?

Seeing the other party's expression, Yue Feng panicked inexplicably.

At this time, Yue Feng didn't know that this was the place where the demons were sealed, so he didn't understand what it meant that he came from the God's Domain.

Gudong.

Two seconds later, Yue Feng reacted, secretly swallowed his saliva, and said to the tiger demon: "This big brother, I just came here by accident, it's all accidental, that... If you don't know How to send me back, I'll go by myself..." The

voice fell, Yue Feng turned and was about to leave.

Yue Feng could see that the people in front of him, who were neither human nor demon, looked like they were facing a formidable enemy as soon as they heard the Divine Realm.

"When you reach the land of our demon clan, do you still want to leave?"

At the moment when Yue Feng turned around, the tiger demon frowned and let out a loud cry. Then, the figure came directly towards Yue Feng like a cannonball.

Snapped!

Yue Feng's body was weak and his strength had not recovered, so he couldn't react at all. When he saw the tiger demon attacking and grabbing Yue Feng's arm.

"Hey..."

Yue Feng wanted to cry without tears, and quickly said: "Big brother, I really didn't intend to intrude into your territory. We have something to say, there is no need to do it!"

At this time, Yue The wind is very depressed.

Nima, today is really bad luck. First, I was chased by that crazy woman from Li Ran. Now it's not easy to catch my breath, but I meet these guys who are neither human nor demon.

Depressed, Yue Feng wanted to resist, but the tiger demon's arm was so powerful that Yue Feng only felt that his arm was clamped by iron clamps, and he couldn't break free at all.

"Shut up!" Yue Feng's explanation, the tiger demon couldn't listen to it at all, and scolded

: "Don't argue with us, since you are from God's Domain, you must be a spy sent by God's Domain."

, said coldly: "Don't talk nonsense with him, take him directly to the leader!" The leader?

Hearing this, Yue Feng was puzzled. These people are not human beings or demons, and there are alliance leaders?

boom!

Just when Yue Feng was secretly curious, he saw the tiger demon suddenly raise his hand and hit Yue Feng on the back of the head.

Nima, these guys are crazy.

Chapter 3584 I

have already explained it myself, but I have to do it!

After half an hour.

When Yue Feng woke up faintly, he found himself on a half hillside, not far ahead, was a large-scale stone hall. On both sides of the stone hall gate, there were many statues of giant beasts.

What the hell is this place?

Yue Feng rubbed his head, secretly surprised.

At this moment, a burly figure came, it was the tiger demon who had knocked Yue Feng unconscious before, and dragged Yue Feng up: "Awake? Follow me to see the leader of the alliance. Are you a spy from God's Domain? , the leader will know as soon as he asks."

Yue Feng did not respond, and his heart was very bitter.

This tiger demon, at first glance, is a straight-minded guy, and he believes that he is a spy from God's Domain.

However, God's Domain is the ruled place of the Nine Heavens God and is respected by all walks of life. Why is this tiger demon so hostile to God's Domain?

Thinking to himself, Yue Feng didn't dare to ask more when he saw the tiger demon with a stern face.

The tiger demon has amazing arm strength, picked up Yue Feng with one hand, and walked towards the stone hall along the stone steps in front of him.

At first, Yue Feng was still calm, but gradually he was very surprised.

I saw that on the two roads leading to the stone hall, there were many monsters with tiger heads, standing there neatly, all wearing uniform armor, five steps at a post, ten steps at a post, and the guard was heavily guarded.

What the hell!

Seeing this scene, Yue Feng was shocked.

With so many people and tiger heads, this is the tiger demon's lair?

Yue Feng clearly sensed that these tiger monsters standing on both sides of the road are very powerful, and they can easily crush Yue Feng!

Under the shock, Yue Feng did not dare to relax at all, and let the tiger demon carry himself into the stone hall.

hiss!

Entering the stone hall, and seeing the scene in front of him, Yue Feng was suddenly dumbfounded, and he couldn't help gasping for air!

I saw a huge stone throne in the center of the stone hall. This throne was carved from a special stone, with a black texture and white lines on it. With a domineering aura.

On the throne, at this time, a majestic man was sitting, dressed in a yellow and white robe, with a strong aura.

On the two sides below the throne, there were more than a dozen figures standing quietly, which Yue Feng had seen before, some with leopard heads, some with human heads and snake bodies...

Seeing these, Yue Feng was heartbroken. Those who went down were very panicked, and at the same time noticed that all those present were beasts, and there was not a single bird.

shit.

At this moment, looking at the man on the throne, Yue Feng only felt a coercion blowing towards his face, and he could hardly breathe.

At the same time, the man on the throne also looked up and down at Yue Feng with a puzzled look on his face.

“Hu Ben!”

Finally, the man asked the tiger demon beside Yue Feng, “Who is this?”

The man on the throne is the White Tiger King. Thousands of years ago, Pangu created the world, and the four congenital spirits were nurtured between the heaven and the earth. The beasts are Qinglong, White Tiger, Suzaku and Xuanwu. After that, the four major spiritual beasts derived their own races.

Today, the white tiger clan has lasted for 30,000 years. Because the white tiger is one of the four innate spirit beasts and has a long lifespan, the one sitting on the throne at this time is only the fifth-generation white tiger king.

And the tiger demon who caught Yue Feng was the number one general around the White Tiger King, Hu Ben.

Hearing the White Tiger King’s question at this time, Hu Ben hurriedly said: “Return to the leader, this guy, who came from the enchantment of God’s Domain, must be a spy, so I caught him!”

“

Hearing this, the White Tiger King’s expression changed, and his eyes flashed with intense hostility.

At this time, seeing Yue Feng standing there dumbfounded, Hu Ben scolded: “Have you seen our Beast League White Tiger King, why don’t you kneel?” He said, and kicked Yue Feng’s leg fiercely.

Chapter 3585

Yue Feng stood unsteadily and knelt down directly.

Beast League? White Tiger King?

The moment he knelt on the ground, Yue Feng was furious, and at the same time, he was also very puzzled.

The next second, Yue Feng smiled wryly at the White Tiger King: "This... this king, I just broke in unintentionally. It's not a spy of the God's Domain at all. This is a complete misunderstanding."

Misunderstanding?

Hearing this, Hu Ben was indescribably angry, and shouted: "The gods of the gods, and the gods of the nine heavens, all are despicable despicable people, they all deserve to die, you are from the gods, what are you not a spy?" The

voice fell. , the other beasts and monsters around have also opened their mouths and attacked Yue Fengkou.

"Back then, if it wasn't for the gods' war, we wouldn't have been trapped here."

"Don't talk nonsense with him, just kill him."

The accusations of the demons came from you and me, and Yue Feng only felt the head It's old, but I slowly understand the situation. I know that thousands of years ago, there was a battle of gods, and all these are the demon tribes who were sealed here.

In the battle of the gods that year, the demon race had countless casualties and hated the realm of the gods, so it is no wonder that knowing that Yue Feng came from the realm of the gods, would be so hostile.

"Okay!"

At this moment, the White Tiger King looked around and waved his hand: "Don't be arguing, since this person is from the God's Domain, there is no need to ask any more questions, just drag him out and cut it."

When he said this, the White Tiger King's face There was no mood swing at all. In the battle of gods that year, the Baihu family suffered heavy casualties and almost wiped out their clan, and they hated God's Domain to the core.

Knowing that Yue Feng was from the God Realm at this time, the White Tiger King did not show any condolences.

"Yes!"

Hu Ben responded, walked over and grabbed Yue Feng, and was about to drag him out for execution.

Nima?

Yue Feng was taken aback and wanted to cry without tears.

If you broke into this place by mistake, you will be beheaded. This is too wrong. You must know that the grievances between the God Realm and these monster races have nothing to do with you at all.

Depressed, Yue Feng didn't have time to think about it, so he activated the power of his primordial spirit and tried to break free from Hu Ben.

Feeling Yue Feng's struggle, Hu Ben said with a sneer, "You don't need to struggle anymore, when you get here, your life is ours."

Yue Feng didn't respond, and continued to activate the power of Yuanshen.

"Roar!" In the

next second, a dragon roar was heard, and then a shadow of a dragon disappeared in front of Yue Feng. It is the soul contract between Yue Feng and Xiao Xi. Speaking of which, the soul contract between Yue Feng and Xiao Xi will not be easily revealed, but Hu Ben is a strong man of the White Tiger clan, and he displays the power of spirit beasts.

And Xiaoxi belongs to the dragon clan, and is also the power of spirit beasts. It is considered to be of the same origin as the white tiger clan. Therefore, under the pressure of Hu Ben, the soul contract between Yue Feng and Xiao Xi was revealed.

Um?

Seeing this scene, whether it was the White Tiger King sitting on the throne, or Hu Ben and the other beasts and monsters around, they were all stunned.

For a while, there was silence in the stone hall.

"Boy!"

Finally, the White Tiger King came to his senses, stood up slowly, and asked Yue Feng, "What is the relationship between you and the Qinglong clan!"

Shuh!

At the same time, Hu Ben and other beasts were also staring at Yue Feng, waiting for his answer.

"I..." Yue Feng was stunned for a moment, and then realized that the other party might be talking about the Shenlong family, and responded, "I am the Dragon Zun of the Shenlong family!"

Long Zun?

Hearing this, the White Tiger King frowned secretly, his face was indifferent, but he was shocked.

The ultimate husband in Chinese chapter 3586-3590

Chapter 3586

You must know that Qinglong is the first of the four innate spirit beasts. To be the Dragon Lord of the Qinglong family, he must not be a generalist.

At the same time, Hu Ben and the surrounding beasts and monsters were also stunned.

At this time, Yue Feng couldn't help but said: "I want to ask, the Shenlong family has always lived on Shenlong Island, why are you called the Qinglong family?" The

White Tiger King was stunned, and then chuckled: "Thank you for being Dragon Lord. , Don't you know that the dragon in your mouth is actually the blue dragon, the head of the four congenital spirit beasts?" The

four congenital spirit beasts?

At this moment, Yue Feng was stunned, unable to recover for a while.

At this moment, Hu Ben sneered, unable to hide the contempt in his heart: "What is the head of the four great spirit beasts? Back then, when the Divine Realm launched a divine war, the Qinglong clan fled without a fight and hid in the human world. It is really shameful."

"If the Qinglong clan didn't escape without authorization, our entire demon clan would not have suffered a disastrous defeat, nor would they have been trapped in such a place." The

voice fell, and the other beasts and beasts around also nodded their heads in anger.

Phew...

Hearing this, Yue Feng couldn't help taking a deep breath and suddenly understood.

It turned out that the Shenlong clan on Shenlong Island turned out to be Qinglong, the head of the four innate spirit beasts. In order to avoid the battle of gods, he inhabited the mainland of Kyushu.

Understanding this, Yue Feng showed a smile and said, "I think the reason why Qinglong avoided the battle of gods back then must have their own plans." To

be honest, Yue Feng didn't want to comment too much on the battle of gods back then, but As the Dragon Zun of the Azure Dragon Clan, seeing the White Tiger King and the beasts and monsters around him at this time, he had a deep resentment towards the Azure Dragon Clan, so he couldn't help but say a few words to the Azure Dragon Clan.

As soon as the words fell, Hu Ben couldn't help but scolded: "You are a human, what can you understand? The Qinglong family fled without a fight back then. It was a cowardly act, and it is useless to explain it."

This chapter is provided by . Visit for daily update.

Uh...

Hearing this, Yue Feng was very embarrassed and smiled bitterly, not knowing how to speak for a while.

At this time, the White Tiger King looked at Yue Feng and said, "What's your name?"

"Yue Feng!" Yue Feng answered truthfully without concealing it.

The White Tiger King pondered for a while, and looked at Yue Feng up and down: "Since you are the Dragon Lord of the Qinglong family, why are you in the God's Domain?"

When he said this, the White Tiger King's eyes were full of suspicion.

At this time, Hu Ben couldn't help but ask: "Honestly explain, are you representing the Qinglong clan and serving in the Divine Realm?"

Hu...

Yue Feng took a deep breath, showed a smile, and said, "You misunderstood, I Coming to God's Domain, it's a long story..." In the next ten minutes, Yue Feng explained how to come to God's Domain through the Chaos Teleportation Array.

Of course, Yue Feng did not hide his experience in the God's Domain in the past few days.

Whoa!

At this moment, after listening to Yue Feng's narration, the entire stone hall was in an uproar.

The White Tiger King looked at Yue Feng with bright eyes, and said with a smile: "I really can't see that you, a human being, can turn around the hypocrites of the God Realm, and admire them!"

When he said this, the White Tiger King was completely gone. Hostility, the view of Yue Feng greatly changed.

At the same time, Hu Ben was also very excited, put his arms around Yue Feng's shoulders, and laughed loudly: "Haha, stealing the precious fruits from Lingguo Garden, and pretending to be the God of Nine Heavens, these are fun to listen to."

The surrounding beasts and monsters also cast admiring glances at Yue Feng.

You must know that the beasts and monsters present were very hostile to the Divine Realm because of the battle of the gods. At this time, they were very happy to know what Yue Feng had done in the Divine Realm. After all, the enemy of the enemy is the friend.

For a time, the originally depressing atmosphere eased a lot at this moment.

Seeing this scene, Yue Feng had a smile on his face, and he was secretly relieved.

Nima, it's so dangerous. Fortunately, I am the Dragon Lord of the Azure Dragon Clan. Otherwise, I would be dead now.

Chapter 3587

Fortunately, Yue Feng thought of something, and asked curiously at the White Tiger King: "Your Excellency the White Tiger King, I heard from you that in the battle of the gods, all the spirit beasts were under the suppression of the gods."

Saying, Yue Feng looked around: "But, why is there only your white fox family here, and no other orcs!"

Hu!

Hearing the question, White Tiger King's calm expression suddenly became complicated.

At this moment, a man in a green shirt came out slowly and smiled at Yue Feng: "Your Excellency Long Zun, I am the Xuanwu King of the Xuanwu family."

After speaking, the Xuanwu King looked around and continued. Said: "Our innate family of four great spirit beasts, except the Qinglong family, are all sealed here."

Yue Feng nodded: "What about the Vermilion Bird family?"

Shuh!

At this moment, whether it was the White Tiger King, the Xuanwu King, or the tiger beasts and beasts, their expressions changed slightly, and anger appeared in their eyes.

The next second, Hu Ben couldn't help saying: "Don't mention those flat-haired beasts, who have been trapped in this ghost place for so long, those flat-haired beasts don't want to unite with everyone and leave together, but they always think about fighting for the right to lead... "

Uh...

Hearing this, Yue Feng was stunned, and in the next half an hour, Yue Feng finally understood the cause and effect through inquiries.

It turned out that after being trapped here, the various monster clans were relatively united at first, but gradually conflicts emerged. In the end, all the bird clan and the beast clan were divided into two major alliances and fought with each other.

A family of birds, including Suzaku, Phoenix, Peacock, Crane and other species of birds. The Feather League formed.

The beast clan, including the white tiger, the basalt, the leopard, etc., finally formed the beast alliance.

In the thousands of years trapped in the land of the demon clan, there have been countless battles between the Feiyu League and the Beast League.

After understanding this, Yue Feng was a little dumbfounded.

These demon clans are really interesting. They are all sealed here. They are still engaged in internal strife. They don't know how to unite.

Of course, Yue Feng did not say these thoughts.

"Your Excellency the White Tiger King!" Yue Feng showed a smile and said to the White Tiger King, "Is there a way to get out of here?"

Yue Feng did not want to participate in the grievances between the Monster Race and the Divine Realm. At this time, he just wanted to leave here as soon as possible.

At this moment, the White Tiger King and Hu Ben looked at each other with a hint of embarrassment on each other's faces.

The next second, the upright Hu Ben laughed at Yue Feng and said, "Your Excellency Long Zun, you are so interesting. If we could leave, we wouldn't be trapped for so many years."

"If we want to leave, we must destroy God's Domain. The enchantment deployed here, but the enchantment is very powerful, with our current strength, it cannot be broken at all."

What?

Hearing this, Yue Feng wanted to cry without tears.

In the next second, Yue Feng thought of something and couldn't help but say: "But... when I came in, the barrier in the cave didn't block anything at all?" The

White Tiger King smiled: "You may not know, that The barrier is a one-way barrier, that is to say, you can come in from the outside, but it is impossible to get out from the inside."

Nima!

Hearing the answer, the last glimmer of hope in Yue Feng's heart was instantly shattered.

Destroy the enchantment to leave? These monsters have been trapped for so many years, and there is no way to do it. Can't they get out by themselves?

Seeing Yue Feng's expression, Hu Ben patted him on the shoulder and comforted him: "Your Excellency Yue Feng, don't be so downcast, since you are the Dragon Zun of the Qinglong family, you represent the Qinglong family to join our beast alliance, when the time comes, wait for us to be together. After defeating the Feiyu Alliance formed by those flat-haired beasts, they can all unite and destroy the enchantment."

Yue Feng scratched his head and hesitated for a while.

Chapter 3588

Although he is Dragon Zun, he has no right to represent the entire Qinglong family.

Boom...

Just when Yue Feng was hesitating about how to respond, suddenly, a huge roar came from outside the stone hall, followed by a scorching hot breath.

“It’s not good!” In the

next second, a tiger demon warrior rushed in and shouted: “The Feiyu League is calling!”

What?

The White Tiger King’s expression changed, he stood up abruptly, and walked out quickly.

Hu Ben and other members of the Beast League followed, only Yue Feng stood there with a bewildered face.

what’s going on? Is this a fight?

Muttering in his heart, Yue Feng also quickly walked out of the stone hall.

hiss!

When he got outside, seeing the scene in front of him, Yue Feng couldn’t help taking a deep breath.

I saw that the entire sky was densely packed with soldiers from the Feiyu League. These Feiyu League soldiers, the phoenixes with flames on their tails, and the colorful peacocks formed a terrifying aura that enveloped the whole world, which was very amazing.

In front of the army of the Feiyu League, several slender figures were quietly suspended there.

The head of the one, wearing a colorful feather coat, has a delicate face, charming curves, and a powerful aura that contempts the world permeates the whole body.

It is the Suzaku Queen.

Gudong!

Seeing Queen Suzaku, Yue Feng felt his throat dry and his eyes straightened.

I thought that the monsters trapped here were all half human and half beasts, but I never thought that the Queen of Suzaku in front of me was so beautiful.

Yue Feng knew that all kinds of spirit beasts between heaven and earth could completely transform into a human form at a certain level, but the transformed human form was even more beautiful than a fairy, and the Queen Suzaku in front of her was the first and only one.

“Suzaku.”

Just as Yue Feng sighed inwardly, the figure of the White Tiger King erupted, hovering in mid-air and looking at Queen Suzaku from afar, shouting, “You are not too timid, dare to bring down my Beast League to provoke me.” Huh

!

Facing the anger of the White Tiger King, Queen Suzaku looked indifferent and did not panic at all, and said coldly: “Baihu, I won’t talk nonsense with you, your subordinate Hu Ben, who injured my subordinate Lan Ling Peacock before, you immediately put him Hand it over, otherwise, I will level the hall of your Beast League.”

When she said this, Queen Suzaku glanced at Hu Ben coldly, her eyes showing killing intent.

A day ago, Hu Ben launched a surprise attack while Lanling Peacock was alone, causing Lanling Peacock to be seriously injured and still in a coma. How can I endure the tiger Ben’s surprise attack?

Facing the glares from Queen Suzaku, Hu Ben did not panic at all, standing there with an arrogant face.

“Haha...” The

White Tiger King laughed even more, mocking at Queen Suzaku: “Suzaku, your subordinate was injured by Hu Ben, she is inferior to others, you still have the face to seek justice? If I were you I have no face to come out.”

When he said this, the White Tiger King glanced at Hu Ben, his eyes full of approval.

Hu Ben injured Suzaku Queen’s subordinates, and gave the entire Beast League a face, can you be unhappy?

Ha ha...

At the same time, many members of the Beast League below also burst into laughter.

Chapter 3589

Swish!

Hearing the mockery of the White Tiger King and the surrounding Beast League members, Queen Suzaku’s beautiful and arrogant face instantly became extremely ugly.

“Okay, very good!”

After a few seconds, Queen Suzaku looked at the White Tiger King coldly, and said tenderly, “It seems that you don’t intend to hand over Hu Ben. If that’s the case, then there’s nothing to say!” The

voice fell, Queen Suzaku raised her jade hand, and her icy voice resounded throughout the world: “All members of the Feiyu League obey the order, kill me, and step down here!”

At this time, Queen Suzaku was very angry. Since being trapped in this place, The Beast League headed by the White Tiger has always wanted to force itself to surrender. At the beginning, the two sides were really fighting with swords and guns, but later, the members of the Beast League began to make some tricks later.

Yesterday, Hu Ben used despicable means to raid Lanling Peacock, which has already offended Queen Suzaku, and at this time, White Tiger King made such a blatant mockery that no one else could bear it.

“Kill!” The

voice fell, and the members of the Feiyu League flying in mid-air burst out with a scream of killing that resounded through the sky and rushed down!

Ha ha.

Seeing this scene, the White Tiger King chuckled, with disdain flashing in his eyes. The Beast League and the Feiyu League were evenly matched. In the past ten thousand years, I don’t know how many battles have been fought, and the White Tiger King is not wrong at all.

In the heart of the White Tiger King, Queen Suzaku led her subordinates to spread wildness in the Beast League’s territory, completely asking for hardships.

“Everyone obey the order and meet the enemy!” An angry shout came from the mouth of the White Tiger King.

Whoa!

As soon as the voice fell, Hu Ben took the lead, the whole body exploded with strength, and directly met the Feiyu League!

At the same time, the surrounding Beast League members also rushed forward like a tide.

In the blink of an eye, a fierce battle broke out between the two sides.

This...

Seeing this scene, Yue Feng couldn't help taking a deep breath and was extremely shocked.

It's too fast!

At the beginning, the members of the Beast League could easily deal with the impact of the Feiyu League, but gradually there were casualties. Because Feiyu League, all of them are birds and rare birds, completely occupy the air superiority.

On the side of the Beast League, although they can fly in the air, in mid-air, the mobility of the members of the Beast League is not as flexible as that of the Feather League.

"Ah!"

Soon, a few minutes passed, and many members of the Beast League were seen losing their combat effectiveness amid the screams.

On the other hand, on the Feiyu League side, the formations neatly arranged in the air are almost impeccable. Even if there are fierce generals like Hu Ben who keep attacking, they cannot break the formation of the Feiyu League.

"White Tiger King!"

At this moment, Queen Suzaku shouted at White Tiger King with a cold and arrogant expression: "If you regret it now, you should surrender Hu Ben's life and surrender to me, otherwise, today I want your Beast League to be wiped out! Hearing this, the

White Tiger King looked up to the sky and laughed loudly: "Want to destroy my Beast League? Are you daydreaming!"

At this time, the White Tiger King's tone was very arrogant, but his heart was extremely anxious!

He clearly saw that the members of the Beast League were stubbornly suppressed by the Feiyu League in the air. They only had the ability to parry, and had no ability to fight back. If they continued, the situation would become more and more unfavorable.

However, surrendering to Queen Suzaku is absolutely impossible!

"Okay, let's see how long you can last!"

Queen Suzaku stopped talking nonsense. With a wave of her jade hand, she saw that nearly a hundred phoenixes roared, covering the sky and the sun, and countless phoenix tails were flying, which was incomparably gorgeous.

“Haha...”

Immediately after, these phoenixes let out a loud chirping in unison, and then one by one, they spewed out spiritual fires. These spiritual fires are phoenix spiritual fires unique to the phoenix clan, and can burn all things.

For a time, hundreds of phoenix spirit fires gathered together and instantly formed a sea of flames, which spread towards the beast alliance members below. Under this extremely scorching high temperature, the entire sky followed, and the power was terrifying.

What the hell!

Chapter 3590

Seeing this situation, Yue Feng was secretly shocked. He clearly sensed that the power of these Phoenix Spirit Fires gathered together was very powerful, even more terrifying than Li Ran's Five Elements True Fire.

Phew...

At the same time, the expressions of the White Tiger King and the Beast League members also changed drastically.

“Quick!” In the

next second, the White Tiger King couldn't help but shouted: “Quickly deploy the defense!” The Phoenix Spirit Fire is extremely powerful. Once burned to the point of death or injury, nearly a hundred phoenixes erupted at the same time. Flexible and even more terrifying, even the White Tiger King would not dare to despise it.

Buzz....

The voice fell, and the surrounding Beast League members urged their energy to form a protective film in front of them.

It was at this moment that the Phoenix Spirit Fire spread out, and when it touched the protective film, it made a burning creaking sound. It was seen that the protective film successfully blocked the Phoenix Spirit Fire. pale.

Obviously, the protective film was displayed, which consumed a lot of their strength.

“I was lucky enough to block it?”

Seeing this scene, Queen Suzaku frowned, then sneered: “Even if you block it, it's just a defeated soldier!”

Immediately, Queen Suzaku shouted again, "The Beast Alliance can't hold on any longer. Stop it, let's all work together to destroy them!" The

voice fell, and the figure of Queen Suzaku swooped down, directly rushing into the formation of the Beast Alliance.

bang bang bang....

I saw that the Queen Suzaku at this time was like an elf, her figure was agile and elegant, and the aura that permeated her body was extremely terrifying. Wherever the figure passed, all the members of the Beast League were shaken out, and these were shaken and flew out. The members of the Beast League all turned pale, either losing their combat effectiveness or fainting directly.

In less than a few minutes, behind Queen Suzaku, thousands of Beast Alliance members fell to the ground.

"Kill!"

Seeing this scene, the Feiyu League's morale was boosted, and they let out a howl, and attacked from the air again.

"Ah..."

At this time, the Feiyu League, under the leadership of Queen Suzaku, was on a tear, and heard screams from the Beast League. For a time, it was difficult to form a formation, and it was beaten step by step. defeat.

Made!

The White Tiger King's face was extremely ugly. He saw with his own eyes that his subordinates fell one by one under the attack of the Feiyu League.

Frightened and anxious, the White Tiger King kept shouting: "Don't panic, everyone, form a formation to defend against the enemy."

However, the morale of the Beast League members at this time was greatly reduced, and they could not listen to the White Tiger King's words at all. backed away in panic.

For a time, the situation turned one-sided.

Whoa!

It was at this moment that dozens of Feiyu League members instantly locked on Yue Feng and rushed over.

Yes, these Feiyu League members regard Yue Feng as a member of the Beast League. After all, just now, Yue Feng and the White Tiger King came out of the stone hall together, and many members of the Feiyu League saw it.

“Catch him!”

Rushing to the front, a member of the Feiyu League shouted, and then rushed over.

Nima!

Seeing this situation, Yue Feng wanted to cry without tears, and shouted: “Hey, you guys fight, don’t hurt the innocent, I’m just watching the battle, I don’t belong to the Beast League.”

While shouting, Yue Feng turned and ran behind .

“Stop talking nonsense, stop!”

“You came out of the stone hall just now, and you said that you are not from the Beast League?”

“Don’t believe him, among the Beast League, one is more sinister and shameless.”
More than a

dozen members of the Feiyu League, They shouted angrily and attacked Yue Feng at the same time.
