

## The ultimate husband in Chinese chapter 3591-3600

Chapter 3591

Nima!

Seeing more than a dozen Feiyu League members chasing after him, Yue Feng was both angry and funny.

Is there something wrong with the brains of this gang of Feiyu League? When they came out of the Beast League Stone Hall, they belonged to the Beast League?

Muttering in his heart, Yue Feng speeded up and circled around the huge beast statue in front of him and circled with these Feiyu League members.

“Listen to the Beast League!”

While circling, Yue Feng took a deep breath and shouted at the defeated Beast League, “If you don’t want to be destroyed, listen to me and immediately converge on the statue!”

Huh?

Hearing this, many members of the Beast Alliance frowned secretly.

What did the Dragon Venerable of the Azure Dragon Clan say? Want us all to listen to him?

At this time, the Beast League has been defeated like a mountain, can they still recover the situation?

At the same time, the White Tiger King not far away also frowned secretly and couldn’t help but say, “Yue Feng, what are you going to do?”

“Help you defend your enemies!” Yue Feng responded loudly.

Hearing the response, the White Tiger King hesitated, then looked around and shouted: “Quick, everyone listen to Yue Feng, and quickly gather around the statue!”

When he said this, the White Tiger King looked at Yue Feng’s eyes, Full of suspicion, not sure if Yue Feng really has the ability to turn the situation around.

But at this time, the situation was urgent, and the White Tiger King had no choice, so he simply let Yue Feng try.

This chapter is provided by . Visit for daily update.

Whoa!

Seeing the White Tiger King open his mouth, the Beast League members who were scattered around, immediately gathered around the statue.

At this moment, Yue Fengqi raised his dantian and shouted loudly: “The one on the left of the statue takes ten steps back, the one on the right and the back takes five steps back, and the one in front doesn’t move. After taking his place, immediately counterattack!”

The beast at this time All the members of the alliance suffered heavy casualties, and there were tens of thousands of them who fainted on the ground.

But after hearing Yue Feng’s order, the remaining members of the Beast League did not hesitate at all, and immediately moved quickly according to Yue Feng’s order.

Swish!

At this moment, Queen Suzaku, who was proudly suspended in mid-air, locked her gaze tightly on Yue Feng, flashing a bit of disdain.

Afterwards, Queen Suzaku sneered at the White Tiger King: “Baihu, is this the military advisor you just appointed? Seeing that he is young, his skills are not very good!

”, made such a low-level mistake, and still want to turn the tide of the battle?”

Huo!

At this moment, the other members of the Feiyu League around also laughed. “This guy looks at Miansheng . I

’ve never seen him before. The White Tiger King actually handed over the command to him?” Come on, the White Tiger King clenched his fists, his face extremely ugly. At the same time, the White Tiger King felt a little regretful in his heart. Yes, although this Yue Feng is the Dragon Lord of the Qinglong family, but his strength is average, can he turn the tide of the battle? Isn’t it a bit hasty to give him the command. Um? Then, when the White Tiger King frowned secretly, a scene that shocked everyone appeared.

Originally, the members of the Beast League were defeated by the Feiyu League and completely collapsed. However, at this time, the Beast League, under the command of Yue Feng, moved quickly and formed a situation of encirclement. surrounded.

Yes, the situation turned around.

What?

At this moment, whether it was the White Tiger King or the Suzaku Queen, their faces were full of surprise, and their hearts were extremely shocked.

What's happening here?

Chapter 3592

“This...”

At this moment, Queen Suzaku's delicate body trembled. Yue Feng, who was standing tightly on the statue, was shocked and speechless on her delicate and arrogant face.

This battle was originally won by Feiyu Alliance, but this guy turned the situation around.

He... how did he do it?

Also, what did the White Tiger King call him just now? The Qinglong family...Long Zun?

“Haha...”

Finally, the White Tiger King reacted to Yue Feng's incomparable admiration: “I didn't expect that Your Excellency Yue Feng still has this skill. It's amazing! It's amazing!”

When he said this, the White Tiger King was completely shocked From the heart.

To be honest, when I first knew that Yue Feng was the Dragon Lord of the Qinglong family, the White Tiger King was still a little skeptical. After all, Yue Feng's strength was not very outstanding, but seeing Yue Feng turn the situation around, the White Tiger King's opinion of him, Immediately there was a great change.

“Baihu, what did you say?” Queen Suzaku couldn't help asking.

At the same time, Queen Suzaku's eyes were also locked on Yue Feng.

The White Tiger King laughed loudly and shouted at Queen Suzaku, “What? Is there something wrong with Queen Suzaku's ears? Didn't you hear it just now? Your Excellency Yue Feng is the Dragon Lord of the Azure Dragon Clan!”

What?

Queen Suzaku's delicate body was shocked, and she was completely stunned.

At the same time, the members of the Feiyu League also looked at Yue Feng and were shocked.

The Qinglong family went to the human world to avoid disaster when the war of gods happened, and then lost contact with the major demon clan, and this is still the place where the demon clan is sealed, how could the Dragon Lord of the Qinglong clan appear in the here?

Seeing Queen Suzaku's expression, the White Tiger King was even more proud and continued: "By the way, I haven't told you yet, the Qinglong family has already joined our Beast League. So, Queen Suzaku, you Feiyu League should surrender."

Yes, The White Tiger King said this on purpose, in order to disturb Queen Suzaku's state of mind. In fact, the Qinglong family, who are on Shenlong Island on the mainland of Kyushu, did not join the Beast League at all.

The Qinglong family joined the Beast Alliance?

Sure enough, hearing this, Queen Suzaku's delicate face suddenly became difficult to look at, and there was a hint of panic in her eyes.

You must know that after being trapped here for so many years, the Feiyu League and the Beast League are constantly fighting. The strength of the two sides is equal. No one can do anything about the other. But now, the Qinglong family has joined the Beast League, and the strength of the Beast League has been greatly enhanced. The alliance is extremely disadvantageous.

At this time, Queen Suzaku didn't realize that the White Tiger King was all made up.

"Everyone of the Beast League!"

Just when the White Tiger King was frightening Queen Suzaku, Yue Feng, who was standing on the statue, raised his hand and waved: "Now we can fight back!"

"Kill..."

Hearing the command, the Beast League The members of the tribe, without the slightest hesitation, exploded their strength one after another and started a counter-offensive.

"Ah!"

At this moment, the Feiyu League was surrounded by the Beast League, and one by one lost their way. Facing the Beast League's counterattack, in panic, they were too late to resist, and they screamed and fell from the air.

call!

Seeing this scene, Queen Suzaku bit her red lips tightly, her face was pale, her delicate body was trembling, and her heart was even more angry!

She saw that the Feiyu League, which had the ability to win, fell into a pool of blood one by one under the counterattack of the Beast League.

“Queen!”

At this moment, the leader of the Phoenix Clan, Hong Ling quickly approached, and said to Queen Suzaku with a complicated expression: “The situation is over, why don’t you retreat!”

When he said this, Hong Ling looked respectful.

Although Phoenix is the king of birds, in terms of seniority, it is completely inferior to Suzaku. You must know that Suzaku is one of the four innate spirit beasts after the creation of the world. Many bird families are born of Suzaku, and it can be said that Suzaku is the ancestor of all birds.

Speaking of which, Hong Ling, like Queen Suzaku, felt that the battle was won at first, but at this time, seeing Yue Feng turning the situation around, Hong Ling knew that the battle had been lost.

call!

However, Queen Suzaku did not respond, and her eyes were tightly locked on Yue Feng.

Chapter 3593 The

next second, Queen Suzaku’s red lips lightly opened, and she said coldly: “Long Zun of the Qinglong family, right, you want to help the Beast League oppress our Feiyu League? I want to see if you have the strength!”

Om...

The voice fell, and Queen Suzaku rose up, a terrifying aura erupted from her body, and her figure was like a giant, coming straight towards Yue Feng.

Queen Suzaku is witty and clever. This Yue Feng uses his troops like a god, and has become the backbone of the Beast Alliance. As long as he is captured, the situation can be brought back.

What the hell!

Seeing Queen Suzaku approaching quickly, Yue Feng's expression changed, and without hesitation, he turned around and rushed towards the top of the mountain behind.

While running, Yue Feng did not forget to shout: "Queen Suzaku, have you made a mistake, your opponent is the White Tiger King, what are you doing to me?"

Hearing this, Queen Suzaku chuckled: "Don't play tricks with me, you are the Dragon Lord of the Qinglong clan, and now help the Beast League and fight against our Feiyu League, who am I not going to catch you?" The

voice fell, Queen Suzaku's speed increased, and the distance between Yue Feng and Yue Feng was getting closer and closer.

Phew...

Seeing this scene, the White Tiger King wanted to rescue him, but the distance was too far and he was completely powerless.

At the same time, Hu Ben in the battlefield couldn't help shouting: "Your Excellency Yue Feng, be careful."

Then, Hu Ben looked at Queen Suzaku: "Suzaku, you are also the ancestor of all birds, Feiyu League. Don't you feel ashamed to take action against a human at this time?"

Hu Ben had a straightforward personality, and when he caught Yue Feng, he thought he was a spy in the Divine Realm, but later in the stone hall, he learned that Yue Feng's true identity was Qinglong The Dragon Lord of the family, Hu Ben knew that he was reckless, and felt a little guilty towards Yue Feng.

At this time, seeing Queen Suzaku chasing Yue Feng, Hu Ben suddenly became worried.

After all, Queen Suzaku is so powerful that Yue Feng can't be an opponent.

Queen Suzaku didn't seem to hear Hu Ben's mockery, and all her attention was on Yue Feng.

Nima!

Seeing Queen Suzaku chasing after her, Yue Feng wanted to cry without tears.

Soon, at the top of the mountain, the Queen Suzaku was less than fifty meters away from Yue Feng!

At this moment, Yue Feng panicked, Nima, if she was caught by Queen Suzaku, the consequences would be unimaginable.

Under the tension, Yue Feng saw a lot of rocks on the top of the mountain, and he immediately had an idea.

“Go to hell!”

At this moment, Queen Suzaku raised her jade hand and hit Yue Feng with a palm.

Yue Feng hurriedly dodged to the side, narrowly avoiding the palm, and when he stabilized his figure, cold sweat broke out.

Nima, the strength of this Suzaku Queen is simply too terrifying.

Shocked in his heart, Yue Feng shouted with a smile: “Queen Suzaku, you have a noble status and a detached status, and I am just the Dragon Lord of the Qinglong family, a junior. If you kill me, are you not afraid of being laughed at?” As

he said, Yue Feng moved a stone behind him.

Although the situation at hand was critical, Yue Feng was very calm. After thinking about it, he kept bringing up topics to divert Queen Suzaku’s attention, and then used these rocks to deploy the formation.

As long as you deploy the formation and trap Queen Suzaku, you will be safe.

You must know that Queen Suzaku, although she is the ancestor of all birds and one of the four innate spirit beasts, like the White Tiger and Qinglong, she does not understand the formation method at all. Otherwise, she would not have been trapped here for so many years. Unable to break through the barrier.

“Hmph...”

Hearing Yue Feng’s words, Queen Suzaku’s delicate face was full of contempt: “Kill you? You are not qualified to let me kill you, so you can just grab it.” The

voice fell, and Queen Suzaku rose up and went again. A palm hits Yue Feng.

call!

Yue Feng was secretly relieved, fortunately, this Queen Suzaku wants to capture me alive, so don’t worry.

Thinking to himself, Yue Feng dodged again, and while dodging, he did not forget to move the surrounding stones.

## Chapter 3594

Huh?

Seeing this scene, the White Tiger King and Hu Ben in the battlefield below all frowned secretly.

What's up with this Yue Feng? Facing the attack of Queen Suzaku, it's fine if you don't resist, and keep moving the surrounding stones?

Those stones, can help him defeat Queen Suzaku?

In the blink of an eye, ten seconds passed.

In these ten seconds, Yue Feng almost tried his best to avoid several attacks from Queen Suzaku. These times, Yue Feng was surrounded by danger, but in the end he avoided it.

At the same time, Yue Feng's formation was finally deployed successfully.

call!

At this moment, Yue Feng wiped the sweat off his face, but his heart was very relaxed. Standing in the formation, he said to Queen Suzaku, "I won't hide anymore. If you want to catch it, catch it."

When he said this, Yue Feng looked weak, but slyness flashed in his eyes.

Um?

Hearing this, Queen Suzaku was about to step forward, but after taking two steps, she felt that something was wrong, and her beautiful face showed a bit of solemnity!

The stones around this guy look a little weird!

Seeing Queen Suzaku becoming cautious, Yue Feng sneered: "Queen Suzaku, I have given up struggling, why did you stop? Don't you know that I am the Dragon Lord of the Azure Dragon Clan, afraid of revenge from the Azure Dragon Clan?"

", Yue Feng made a smug look: "If that's the case, take your subordinates and leave!"

Yue Feng could see that Queen Suzaku was vigilant and deliberately used the Qinglong clan to stimulate her!

"To shut up!"

Queen Suzaku's pretty face changed, and she said coldly: "What are the Qinglong clan? I need to be afraid of them? Just follow me!" After the

voice fell, Queen Suzaku rushed into the stone formation without any hesitation.

Hahaha...

This Queen Suzaku looks shrewd, didn't she fall for it in the end?

Seeing the Queen Suzaku barge in directly, Yue Feng was indescribably excited, and at the same time, his face was full of confidence.

You must know that what Yue Feng deployed just now was the Immortal Lost Formation!

The Immortal Fascinating Formation is the most profound and mysterious formation among the Baiqi Divine Formation. As the name suggests, even if the immortals enter, they will be dazed and confused, and don't even think about coming out.

When Yue Feng first encountered Gonggong, he used this Mysterious Immortal Formation to trap Gonggong.

At this time, the Queen Suzaku in front of her, although she was stronger than Gonggong, was still helpless in the face of the Immortal Bewildering Array!

Um?

After entering the stone formation, Queen Suzaku was secretly shocked.

what happened?

At this time, Queen Suzaku frowned, and realized that she was caught in a trap. She was less than ten meters away from Yue Feng, but she couldn't catch up with him. The surrounding stones seemed to be alive. Change your orientation as you move around!

Time passed by, and the delicate body of the Vermillion Bird Queen was trembling, but she still couldn't catch Yue Feng!

This...

Seeing this scene, the White Tiger King and Hu Ben in the battlefield below were also stunned!

They clearly saw that Yue Feng was very relaxed and content in that piece of stone, and the Queen Suzaku kept urging her figure, extremely fast, but she couldn't catch him, and even the corner of Yue Feng's clothes touched him. not.

“I can’t see it!”

Finally, the White Tiger King reacted and couldn’t help muttering to himself: “Your Excellency Yue Feng, has such a skill!”

As the Four Great Innate Spirit Beasts, although the White Tiger King does not understand the formation technique, But it can also be seen that the stones around Yue Feng seem to be disorganized, but there are hidden secrets.

Chapter 3595 Excited

, the White Tiger King looked around and saw that the Feiyu League was in chaos under the siege of the Beast League. It can be said that the Beast Alliance at this time has already controlled the situation.

On the top of the mountain, Queen Suzaku was still trapped in the stone formation, being played around by Yue Feng.

At this time, seeing that the Feiyu League had collapsed, Queen Suzaku’s delicate body was trembling, and she was extremely anxious. However, the more anxious she was, the more she could not find a way to break through the stone formation.

“Haha!”

Seeing that Queen Suzaku couldn’t dash out of the stone formation, the White Tiger King couldn’t help laughing: “Suzaku, aren’t you going to step down our Beast League today? What? Now you’re trapped by a pile of rocks?

” Let me tell you, today is the day your Feather League is destroyed!”

Om!

The voice fell, and the air around the White Tiger King suddenly condensed! A terrifying force spread out from his body crazily!

“Blood Dance Crazy!”

A few cold words came out of the White Tiger King’s mouth, and in the next instant, the world changed color! Only heard a blast of thunder and a bang!

The White Tiger King slowly raised his right hand and pointed to the sky. In an instant, the spiritual power in the air gathered around him crazily, and the sky and the earth were instantly enveloped in a blood-colored fog!

“He... what is he going to do?”

“What a strong breath?”

“White Tiger King, are you going to use a trick?” In an instant, whether it was the Beast League or the Feather League, they were all shocked. In particular, the members of the Feiyu League were inexplicably panicked.

They clearly felt that in the blood mist, a terrifying force was condensing!

Finally, someone in the Feiyu League reacted and exclaimed: “This.... This seems to be the stunt of the White Tiger Clan, the blood dances wildly.”

Shah!

Hearing this, other members of the Feiyu League around them gathered at once.

At the same time, someone couldn't help but ask: “What is the blood dance crazy?”

The man wiped his cold sweat and said slowly: “The blood dance is crazy, it is the lore skill of the white tiger clan, at the cost of burning their own spiritual blood, come here It caused a devastating blow to the enemy.”

“According to legend, in the battle of the gods, the white tiger family used this skill to fight against the gods. At that time, many gods and soldiers in the gods were severely damaged. I want Queen Suzaku's life.”

Wow!

Hearing this, many members of the Feiyu Alliance changed their expressions greatly, and at the same time wanted to rush up to intercept the White Tiger King, but at this time they were besieged by the Beast Alliance, and they were completely helpless.

“Haha, go to hell!”

At this time, he heard the White Tiger King laughing wantonly, and his figure burst out from the blood mist.

The White Tiger King was extremely fast, like a flash of lightning, and in front of him, a huge blood-colored tiger ripped apart the world and rushed towards the Suzaku Queen on the top of the mountain. This blood-colored tiger was completely driven by the spirit of the White Tiger King. It was made of blood, hundreds of meters long, like a blood-colored hill. There was an air of terror all over.

not good!

Seeing this, Queen Suzaku's face changed, she was extremely frightened, and then she wanted to dodge, but she was trapped in the stone formation and couldn't rush out at all.

At the same time, Yue Feng was also shocked.

Damn, this White Tiger King is too good at finding opportunities to launch a surprise attack while Queen Suzaku was trapped.

However, since he is also in the stone formation, the White Tiger King is not afraid of accidentally hurting his own people?

In his heart, Yue Feng was about to rush out of the formation, but he was still a step late.

boom!

At this moment, I saw a huge blood-colored tiger slamming into the stone formation. Immediately, the entire mountain top was filled with dust and smoke.

## **The ultimate husband in Chinese chapter 3596-3600**

Chapter 3596

"Pfft, pfft..."

Under the raging power of this terrifying force, the stone formation collapsed directly. At the same time, Queen Suzaku and Yue Feng both trembled and spit out a mouthful of blood.

"Hehe!" The

White Tiger King was full of pride, his eyes locked on Queen Suzaku, and he walked step by step: "Suzaku, you and I have been fighting for so many years, but in the end, you still won't lose to me? If you surrender to me now It's still too late."

"Bah!" The

voice fell, and Queen Suzaku couldn't help spit, her beautiful face was covered with frost: "Baihu, you are a despicable villain, your subordinates will only sneak attacks, and you are no better. Where are you going, just like you, you still want me to surrender? Go in a dream."

When she said this, Queen Suzaku was angry and suffocated.

If it weren't for being trapped in these rubble and fighting openly and aboveboard, the White Tiger would have no chance to defeat himself.

"Hey!"

At this time, Yue Feng wiped the blood from the corner of his mouth, and said to the White Tiger King: "White Tiger King, before you take action, can you inform me in advance? Your own people have been accidentally injured by you."

At this time, Yue Feng was very surprised. Depressed, this White Tiger King is so reckless, he didn't even care about his own people in order to defeat Queen Suzaku.

However, the White Tiger King ignored Yue Feng at all.

"Okay, very good!"

At this time, the White Tiger King stared closely at Queen Suzaku: "Suzaku, you are still unwilling to be soft, your bones are really hard, if that's the case, then go to hell!"

Om!

This chapter is provided by . Visit for daily update.

The voice fell, and the figure of the White Tiger King erupted, as fast as thunder, and slapped the Queen Suzaku with a palm.

Just now, when the White Tiger King performed the stunt 'Blood Dance Crazy Sky', Queen Suzaku had already been severely injured. At this time, seeing the White Tiger King attacking again, Queen Suzaku wanted to dodge, but was helpless.

boom!

This palm directly hit Queen Suzaku on the shoulder, and after hearing Queen Suzaku groan, the figure was directly shaken and flew out, but at the moment of flying, it slammed into Yue Feng's body impartially.

What the hell!

Yue Feng didn't have time to dodge, and was knocked out by Queen Suzaku, and in an instant, the two figures fell into the abyss behind!

Nima!

At the moment of falling, Yue Feng almost wanted to cry without tears.

Your own luck is too bad.

“Your Excellency Yue Feng!”

Hu Ben couldn't help exclaiming when he saw this scene, and rushed to the top of the mountain at the same time, but after a step, he saw the figures of Yue Feng and Queen Suzaku, who had disappeared into the abyss.

Hu Ben has a straightforward personality. After a short contact before, he has already regarded Yue Feng as his own. At this time, seeing him being knocked into the abyss by Queen Suzaku, he was immediately anxious.

“Haha...”

The White Tiger King, who was suspended in mid-air, was extremely proud. He looked up to the sky and laughed loudly: “Suzaku, Suzaku, you have finally lost to me!”

At this time, the White Tiger King was extremely excited. He did not feel the slightest sadness because Yue Feng fell into the abyss. In his heart, although Yue Feng was the Dragon Lord of the Qinglong family, in the final analysis, he was just a human. Worth it.

After a burst of laughter, the White Tiger King looked down at the Feiyu League below: “Your Queen Suzaku has fallen into the abyss, and she will die for a lifetime. Those who are sensible, surrender to me.”

“Otherwise, kill without mercy!”

The last few words are extremely cold and unquestionable.

Phew...

Feeling the momentum of the White Tiger King, all the members of the Feiyu League present had complex eyes.

A few seconds later, several members of the Feiyu Alliance knelt down towards the White Tiger King: “Subordinate, see the White Tiger King!”

Chapter 3597

“See the White Tiger King!” The

next second, the rest of the Feiyu League members also chose to compromise, and instantly knelt down.

To be honest, to surrender to the White Tiger King, the members of the Feiyu Alliance are very resistant in their hearts, but there is no way, Queen Suzaku has been knocked down into the abyss, if you don't surrender, the end will be death.

.....

the other side!

God's Domain, Yutian Palace.

Nine Heavens God was sitting on the throne, and his majestic face was showing a bit of sinister at this time.

The many priests on both sides stood respectfully on both sides, and they did not dare to come out. The entire Yutian Palace was filled with a depressing atmosphere.

Below, there was a man kneeling, trembling and sweating.

This man, with an ordinary appearance, is Shi Geng, the newcomer of Lingguo Garden.

call!

After a moment of silence, Jiutian God looked at Shi Geng closely, and said coldly, "You said just now that the impostor named Yue Feng took over your identity?"

"Yes." Shi Geng nodded cautiously.

At that time, after Shi Geng arrived at Lingguo Garden, after listening to the narrations of Juanhong's fairies, he knew that he had been impersonated, so he immediately investigated Yue Feng, but he couldn't find any clues, but this matter was no trivial matter. After several hesitations, he decided to come to see Jiutian God to report the situation.

Whoa!

At this moment, the entire Yutian Palace was in an uproar.

Someone pretending to be the fruit servant of Lingguo Garden is simply lawless. Although the fruit servant has a humble status, he is also helping the Nine Heavens God to take care of Zhen Guo, and has a heavy responsibility.

At this moment, Gong Ao, who was standing by the side, walked out slowly and respectfully said to the Nine Heavens God: "Qi, Your Majesty, this Yue Feng is not only a fake fruit servant, but also in the Yuyao Xianyuan of Empress Hua Zhao at that time. Your Majesty, at that time, my subordinates were going to arrest him, but he ran away!"

Gong Ao's face was calm when he said this, but his heart was extremely complicated.

To be honest, Yue Feng ran away under his nose two days ago, which made Gong Ao very embarrassed. He planned to keep it secret, but at this time, Shi Geng sued Yue

Feng about the fake fruit servant. After thinking about it, I decided to report what happened two days ago.

After all, these things cannot be hidden.

Swish!

Hearing this, Jiutian God's face was extremely ugly, his anger was also rising, and he shouted angrily: "This Yue Feng is simply lawless!"

The many priests on both sides were also extremely angry.

"How dare you pretend to be Your Majesty!"

"You must be severely punished!"

In the discussion of the priests, Gong Ao stood there with no expression on his face.

"Gong Ao!"

At this time, the Nine Heavens God looked at Gong Ao and asked, "I ask you, where is Yue Feng fleeing to?"

Gong Ao quickly responded: "Avoid, at that time, my subordinates chased the area around Guixian Mountain. , that Yue Feng disappeared. At that time, his subordinates went to Mr. Guigu's residence to inquire, but Mr. Guigu did not allow his subordinates to search."

After speaking, Gong Ao thought for a while and continued: "This subordinate feels that , that Yue Feng may have something to do with Mr. Guigu!"

Hu...

Hearing this, the entire Yutian Palace was instantly silent.

Many priests looked at each other with complicated expressions.

Mr. Guigu, in the human world, is regarded as the number one person through the ages. Bogutong knows everything today, and even the Nine Heavens God is treated as a guest. If the daring Yue Feng is related to Mr. Guigu, it would be bad. done.

At the same time, Jiutian God also frowned and pondered.

Chapter 3598

A few seconds later, Jiutian God stared at Gong Ao: "Gong Ao, is what you said true?" In Jiutian God's heart, he respects Guiguzi very much, and does not want to believe that a lawless Yue Feng will be related to Guiguzi.

This...

Gong Ao scratched his head with a look of hesitation.

Yue Feng and Guiguzi are related, it is completely his own guess, there is no evidence.

For a while, Gong Ao was flustered, if he couldn't prove it, he would be deceiving you.

"Your Majesty!"

Just when Gong Ao was in a state of panic, a priest came out and said to the Nine Heavens God: "I met Immortal Beiming yesterday, and seeing him angrily scolding his female disciple, I asked curiously, Immortal Beiming asked. But it was secretive. Later, the minister secretly inquired. It turned out that Immortal Beiming went to Guixian Mountain as a guest. As a result, the female disciple was very naughty and had a conflict with Mr. Guigu's little book boy. For this reason, Immortal Beiming punished him. Female disciple!"

Having said that, the priest analyzed: "As we all know, Mr. Guigu has been living alone not long after he came to God's Domain, why suddenly there is a little book boy beside him? The minister guessed that this little book boy might be the daring one. The Yue Feng!" The

last sentence fell, and the entire Yutian Palace was in an uproar again.

"Your Majesty!"

At the same time, Gong Ao suddenly became excited: "It seems that your subordinate's guess is correct, this Yue Feng is indeed related to Mr. Guigu!"

At this time, Gong Ao was very excited.

That's great, the clues that someone said, they are not deceiving you.

Jiutian God pondered for a while, and then ordered the soldiers outside the hall: "Go, immediately summon the female disciple of Immortal Beiming!"

"Yes!"

Upon receiving the order, the divine soldier responded and hurried to Beiminghai.

After a while, Li Ran came to the main hall and knelt down respectfully at the Nine Heavens God: "Li Ran, Beiminghai, I have seen Your Majesty!" Although Li Ran is rather unruly, but he must behave himself when he has met the Nine Heavens God.

Speaking of which, Li Ran was thinking behind closed doors, but when he learned that the Nine Heavens God had called him, he hurried over.

Nine Heavens God nodded and signaled that he would be excused.

At this time, Gong Ao asked Li Ran, "Let me ask you, you and your master, have you been to Guixian Mountain in the past two days?"

"Yes!"

Gong Ao continued to ask, "Are you and Guigu? There's a conflict between Mr. Guigu's little book boy?"

Li Ran was stunned for a moment, feeling inexplicably frightened: "Yes, I was ignorant at the time, so I started hands with Mr. Guigu's little book boy."

At this time, Li Ran thought that Jiutian God called himself here because he offended Mr. Guigu. After all, Guiguzi was regarded as a guest by Jiutian God.

When he got the answer, Gong Ao's face was overjoyed, and he continued to ask: "What's the name of that little book boy?"

Li Ran bit his lip lightly: "Okay...it seems to be Yue Feng!"

Shuh!

Hearing this, the entire Yutian Palace exploded.

"It's really him..."

"I didn't expect that such a daring thief has something to do with Mr. Guigu."

In the surrounding discussion, Gong Ao was also extremely excited, and said to the Nine Heavens God: "Your Majesty, that Yue Feng pretended to be Your Majesty, you are daring, and he is Guiguzi's book boy, so Guiguzi must have nothing to do with it."

Jiutian God's face was extremely ugly, and he said coldly: "Invite Guiguzi immediately!"

As soon as the voice fell, Gong Ao quickly said: "Your Majesty!"

"Why?" Jiutian God frowned.

Gong Ao took a deep breath and said slowly: "If Yue Feng pretended to be Your Majesty, it was Guiguzi's instigation or instructions, and now His Majesty has summoned, Guiguzi will definitely be prepared, why don't we immediately lead our troops to Guixian Mountain? ."

## Chapter 3599

Hearing this, Jiutian God pondered for a while, nodded and said: "Okay, just as you said!"

After saying that, Jiutian God looked around: "You can mobilize the army and set off on Ghost Immortal Mountain."

"Yes, Your Majesty!"

Soon, tens of thousands of divine soldiers and generals, under the leadership of the Nine Heavens God, marched mightily towards Guixian Mountain.

.....

At this moment, Ghost Immortal Mountain!

In the beautiful courtyard, Guiguzi was sitting there, deducing the divination on the stone table.

It's been a day since Yue Feng entered the sealed land of the demon clan, and he doesn't know what's going on now.

At this time, Guiguzi carefully looked at the hexagrams, preparing to calculate Yue Feng's situation at this time, and suddenly, he sensed a wave of aura that came from not far away.

Guiguzi immediately looked up and saw tens of thousands of divine soldiers and generals coming like a tide, all of a sudden surrounding the entire Guixian Mountain. The leader, with a powerful aura, was the God of Nine Heavens!

Seeing this scene, Guiguzi was stunned for a moment, then slowly stood up and bowed to the Nine Heavens God: "It turns out that His Majesty is here!"

At this time, Guiguzi was very calm.

If others saw this scene, they would have panicked, but Guiguzi was very different from ordinary people. Seeing that the Nine Heavens God led the army, Guiguzi didn't have the slightest fluctuation in his heart.

Nine Heavens God nodded, his face calm.

At this time, Gong Ao stepped forward and shouted at Guiguzi: “Guiguzi, hand over the person immediately!”

Hand in person?

Guiguzi frowned slightly and responded, “Who is it? I don’t know what you’re talking about.”

Guiguzi has a quick mind. As soon as Gong Ao opened his mouth, he knew that it was Yue Feng, so he deliberately pretended to be confused and planned to fool him.

Hearing the answer, Gong Ao said coldly: “Mr. Guigu, don’t pretend to be confused, your book boy Yue Feng, not only pretended to be the fruit servant of Lingguoyuan, but also pretended to be your majesty, offending Tianwei, if you know the person, you will be punished. Hand it over.”

Phew!

Guiguzi took a deep breath, his face was calm, but his heart was secretly complaining.

Oops, what Yue Feng did before has been known to the God of Nine Heavens, these are big troubles!

At the same time, Guiguzi was also a little fortunate.

Fortunately, Yue Feng accidentally entered the sealed land of the demon clan, otherwise, today would be doomed.

Thinking to himself, Guiguzi smiled and said, “Oh, you’re talking about my little book boy! He’s not here.” After speaking

, Guiguzi stepped aside and said calmly, “If you don’t believe me, just search!”

“Haha!

” Ao sneered, no nonsense, and immediately rushed into the room with some magic soldiers and began to search. What only made him annoyed was that the room was empty, how could there be a shadow of Yue Feng?

Soon, Gong Ao came out of the room and asked Guiguzi, “Where are the people?”

Guiguzi ignored Gong Ao, looked at the Nine Heavens God, and said slowly: “Your Majesty, what Yue Feng did before was indeed lawless, but There is also a reason for this, now that Yue Feng is no longer in the realm of the gods, I implore Your Majesty to open the door.”

Shuh!

Seeing Guiguzi ignoring him, Gong Ao was extremely annoyed, and when he heard Guiguzi's words, he couldn't help it, and shouted, "Shut up, that Yue Feng pretends to be Your Majesty, it's not a pity to die 10,000 times, you Jane In a single sentence, this is over?"

The voice fell, and the God of the Nine Heavens, who had been silent, also slowly said: "Mr. Guigu, I have always respected you very much, and I believe what you said, that Yue Feng has done so many things, maybe there is a reason for it, but he faked me, ignoring Tianwei, this matter must not be tolerated, if you tell his whereabouts, I will never embarrass you!"

When he said this, Jiutian God's voice was gentle, but his eyes were full of anger.

You must know that the Nine Heavens God is the master of the gods, and even controls the fate of the human world and the ghost world, but Yue Feng has desecrated his majesty, how can he not be angry?

Guiguzi breathed a sigh of relief, shook his head and said, "Where did Yue Feng go, I don't know!" The

voice was not loud, but there was no doubt.

Among all Guiguzi's apprentices, Yue Feng is the most admired, how could he tell his whereabouts?

Chapter 3600

Swish!

Hearing this answer, whether it was the Nine Heavens God or the surrounding gods and soldiers, their expressions changed.

The next second, Gong Ao shouted: "Good, you Guiguzi, Your Majesty appreciates you so much, treats you well, and even gave you Guixian Mountain unconditionally, but you, for a little book boy, want to go against His Majesty!"

With that said, Gong Ao asked Jiutian God for instructions: "Your Majesty, this Guiguzi doesn't care about you so much, just take it down!"

Jiutian God did not respond, but his face was gloomy, obviously acquiescence!

Seeing the face of Jiutian God, Gong Ao did not hesitate, raised his hand and waved: "Quick, take down Guiguzi!"

Whoa!

The voice fell, and tens of thousands of gods and soldiers rushed forward directly thinking of Guiguzi.

Looking at the tens of thousands of divine soldiers and generals rushing in, Guiguzi didn't panic at all, instead, a bitter smile appeared on his face.

I thought that I would be able to live some leisurely days by ascending into the realm of the gods, but I never thought that the peaceful days would be broken so quickly.

....

on the other side, the place where the demons are sealed!

Huhu...

In the unfathomable abyss, Yue Feng's body kept falling, and the wind whistled in his ears.

Yue Feng saw that the abyss was pitch-black, and he didn't know how deep it was.

Seeing this kind of environment, Yue Feng was inexplicably panicked.

This abyss is bottomless, and I don't know if there is any danger. Also, the White Tiger King's palm is very powerful.

Pfft!

Finally, after an unknown amount of time, Yue Feng's feet touched the ground, and the powerful falling impact force made Yue Feng feel stuffy in his heart, and at the same time he took a dozen steps back before he stabilized his figure.

After standing firm, Yue Feng took a deep breath and looked around, suddenly feeling depressed.

Nima, what is this place below? The light is so dim that I can't see anything clearly.

Whoosh.

It was at this time that he heard a movement above his head, and then, Yue Feng saw a slender figure falling not far away.

Um!

At the moment of landing, the figure let out a tender cry, the voice was very soft, but it showed a bit of pain.

It's the Suzaku Queen!

Seeing Queen Suzaku, Yue Feng hurried over to check the situation!

Swish!

Before taking two steps, Queen Suzaku found Yue Feng, and a strong killing intent flashed in her eyes.

What the hell!

Feeling the killing intent of Queen Suzaku, Yue Feng suddenly became alert and instinctively wanted to retreat, but he quickly calmed down.

Yue Feng clearly sensed that Queen Suzaku was beaten by the White Tiger King before, and she was very weak at this time. His face was pale, and he seemed to be unable to stand up, not threatening himself.

Thinking to himself, Yue Feng put down his guard and began to look up and down at Queen Suzaku.

call!

Appreciating it so close, Yue Feng was stunned.

I have to say that this Queen Suzaku is not only unparalleled in beauty, but also has a unique aura. Even if she is extremely weak at this time, her unique temperament is still eye-catching.

Yue Feng's gaze made Queen Suzaku very embarrassed and angry!

The next second, Queen Suzaku stared at Yue Feng coldly, her eyes full of resentment: "You've hurt me so badly, I'll blow your bones to ashes!"
