

The ultimate husband in Chinese chapter 3601-3610

Chapter 3601

The Queen Suzaku at this time is almost furious!

Originally, he was caught off guard by killing the Beast Alliance today, but he was completely disrupted by this Yue Feng. If it weren't for this Yue Feng, he would not have been trapped in the stone formation, nor would he have been attacked by the White Tiger King.

When she thought that she fell into the abyss, the members of the Feiyu League might be persecuted by the White Tiger King, and Queen Suzaku was even more anxious.

“Queen Suzaku!”

Feeling the anger of Queen Suzaku, Yue Feng showed a smile: “You are too domineering, just now you Feiyu League and Beast League fought, I was just watching the battle, but your subordinates did not He shot at me indiscriminately. At that time, I was forced to help the Beast League!”

“Also, if you didn't want to catch me just now, you wouldn't have been attacked by the White Tiger King. Besides, I was still attacked by you. Hit it down...”

When he said this, Yue Feng was very depressed.

Nima, that White Tiger King is really insidious. In order to destroy the Suzaku Queen, it is simply a no-brainer. After all, he is also the Dragon Zun of the Qinglong family, and he has no scruples.

Huh....

Hearing this, Queen Suzaku bit her lip tightly and couldn't help mocking: “Don't come with me like this, you help the Beast League, you are my enemy! Also, even if you are killed by the White Tiger King As a chess piece, it deserves it!” What the

hell!

At this moment, Yue Feng was speechless and said with a wry smile: “Queen Suzaku, in fact, I think your Suzaku clan and Baihu clan are the four innate beasts, there is no need to do this, and you are all trapped here. , it should be a group...”

Before she finished speaking, she was interrupted by Queen Suzaku: “Shut up, this is our business, you are not qualified to judge!”

Saying that, Queen Suzaku's eyes flashed with anger, and she shouted: "No matter what, I will kill you today!" The

voice fell, Queen Suzaku struggled to stand up and slapped Yue Feng with a palm!

This chapter is provided by . Visit for daily update.

Ugh!

Seeing Queen Suzaku's palm hitting, Yue Feng did not panic at all, but sighed in his heart, because Yue Feng clearly felt that Queen Suzaku's palm had no strength at all.

Obviously, Queen Suzaku was hit hard by the White Tiger King's raid before.

Yue Feng took a step back, easily dodging the palm, and said slowly: "Queen Suzaku, let's fall into this abyss together, we are connected by fate, why kill each other?"

"Shut up!" Suzaku The Queen reprimanded in a low voice and hit Yue Feng again.

Seeing her so persistent, Yue Feng could not laugh or cry. Speaking of which, the Queen Suzaku was very weak at this time, and Yue Feng could easily subdue her.

But after thinking about it, Queen Suzaku was in such a situation, and it really had something to do with her, so she held back!

Under such circumstances, Yue Feng had no choice but to continue to dodge, while at the same time consoling Queen Suzaku: "You have suffered such a serious injury, so don't bother, save your energy!"

However, Queen Suzaku would not listen to her and would not start it. Attacking, Yue Feng is very helpless, just defending, not attacking.

Swish swish...

At this moment, there was a burst of breath fluctuations from the top of the head, and then, three figures were seen, and they quickly landed.

Hearing the movement, Queen Suzaku immediately stopped.

Yue Feng also looked at it subconsciously.

I saw that these three figures were three young men, all of them were quite tyrannical in strength. They were all wearing gorgeous golden robes and had extraordinary temperament.

These three young men were the subordinates of Queen Suzaku, and the leader was called Jin Peng, the leader of the Jin Peng clan.

When Queen Suzaku brought the Feiyu League members to attack the Beast League, she ordered Jin Peng to stay at the Feiyu League station. According to the plan, Queen Suzaku would return soon. I couldn't wait for the news from Queen Suzaku, so I had to bring my subordinates to check.

Chapter 3602

As a result, when he arrived near the Beast League, Jin Peng learned that Queen Suzaku was shot into the abyss. Jin Peng didn't have time to think about it, and immediately brought two right-hand men, avoiding the eyes and ears of the White Tiger King, and went down to the abyss to check.

Speaking of which, this abyss is unfathomable, but all members of the Feiyu League are good at flying, so Jinpeng reached the bottom of the abyss smoothly.

Suzaku Queen!

At this moment, seeing Queen Suzaku, Jin Peng's face was overjoyed, and he was very excited.

Afterwards, feeling that Queen Suzaku's aura was extremely weak, Jin Peng was stunned for a moment, then turned his eyes and began to mutter in his heart.

Queen Suzaku is injured, do you have a chance?

Queen Suzaku has three powerful assistants, namely Phoenix, Peacock and Jinpeng.

In Jin Peng's heart, his ability is no worse than that of Phoenix and Peacock, but he is not valued by Queen Suzaku at all. Take this Feiyu League's attack on Beast League as an example, Queen Suzaku did not bring Jinpeng, but let him stay. at the station. This made Jin Peng very upset.

However, Queen Suzaku's strength is strong, and although Jin Peng has complaints in his heart, he does not dare to show it.

At this time, seeing that Queen Suzaku was seriously injured, Jin Peng's mind instantly became active, and a bold thought flashed in his mind.

Taking advantage of Queen Suzaku's weakness, seize the power of bird ancestors in her body. You must know that Suzaku is the ancestor of all birds, and has a very powerful bird ancestor power. As long as the bird ancestor power is obtained, Jinpeng can surpass the phoenix and the peacock.

What the hell!

At this moment, seeing the three Jinpeng approaching, Yue Feng's heart was shocked, and he suddenly became nervous.

Yue Feng was very thoughtful, and he could guess from Jin Peng's three outfits that he was the subordinate of Queen Suzaku.

"Queen Suzaku, we will have an appointment in the future!" In the

next second, Yue Feng reacted, greeted Queen Suzaku, turned around and ran away.

Queen Suzaku hated herself to the core, and it was only because she was weak that she couldn't hurt herself. Now three subordinates suddenly came, and the situation was completely different. It would be too late if she didn't run.

Sure enough, seeing Yue Feng escape, Queen Suzaku frowned.

Immediately, Queen Suzaku ordered Jin Peng, "Jin Peng, grab this person immediately!"

Huh!

Hearing Queen Suzaku's order, Jin Peng stood there without moving, not chasing Yue Feng at all.

In Jinpeng's heart, the Queen Jinpeng was very weak at this time, and it was a good opportunity to replace her. How could it be possible to waste time on a human being?

"Jin Peng?"

Seeing Jin Peng standing still, Queen Suzaku came on fire for no apparent reason, and shouted tenderly, "Can't you hear my order?" After saying that, Queen Suzaku looked at the direction Yue Feng was leaving, anxious.

This Yue Feng can use some rocks to trap himself, which is very unusual. If he can escape successfully, there will be endless troubles.

"Haha!"

At this moment, the corners of Jin Peng's mouth twitched, and he looked at Queen Suzaku with a smile: "Suzaku, you're just a human, you don't need to spend a lot of time, let's talk about business!"

Business?

Hearing this, Queen Suzaku frowned and said displeased: "What is the matter!"

At this time, Queen Suzaku was very annoyed. This Jinpeng not only disobeyed his orders, but also called himself a taboo, which is simply presumptuous!

However, Queen Suzaku was holding her own. She didn't have an immediate attack, but wanted to see what Jin Peng was going to say.

Chapter 3603

Feeling the displeasure of Queen Suzaku, Jin Peng didn't panic at all.

In the next second, Jin Peng took a few steps forward and looked at Queen Suzaku with a half-smiling smile: "Suzaku, do you know that after you fell into this abyss, most of the members of the Feiyu League have surrendered to the White Tiger King. ."

What?

Hearing this, Queen Suzaku's delicate body trembled, and the whole person was stunned.

Many members of the Feiyu League have all taken refuge in the White Tiger King?

For a time, Queen Suzaku was inexplicably indignant, and at the same time she couldn't help but blame herself. If she hadn't underestimated the enemy, she wouldn't have made a mess.

"Suzaku!"

Just when Queen Suzaku was blaming herself, Jin Peng said coldly, "All of this is because you are too conceited. For the future of Feiyu League, I will show you a way to pass on the power of Bird Ancestor. Give me, in the current situation, only I, Jinpeng, can revive the Feiyu League!"

Swish!

At this moment, Queen Suzaku's heart was shocked, her eyes fixed on Jin Peng, and she shouted: "Jin Peng, you are so bold, how dare you commit this crime?"

At this time, Queen Suzaku was extremely annoyed.

She never thought that Jin Peng, who has always been loyal to her, would be so insidious at this time, and she actually wanted the power of her bird ancestors. You must know that Bird Ancestor's power is the source of his own power. Once lost, it will be completely useless.

“The following is a crime?”

Jin Peng couldn't help laughing at the sky, his eyes were full of gloom and abuse:
“Suzaku, it is undeniable that as one of the four innate spirit beasts, your strength is far higher than mine, but don't forget , how did you become the leader of the Feiyu Alliance, I fully supported you at the beginning, and I have always been loyal to you, but what about you?”

“In your heart, you have always reused the phoenix and peacock. If there is anything good, you are always the first to think of them.”

“As far as this matter is concerned, in your heart, I am only qualified to stay at the station.”

Jin Peng The more he talked, the more excited he became, his eyes flashing with madness.

call!

Seeing that she was sober, Queen Suzaku breathed a sigh of relief and said slowly,
“That's why you want to replace me?”

“That's right!” Jin Peng said without hesitation, gritted his teeth, “You were injured by the White Tiger King today. It's God's will. Haha... I'm destined to rise up today, Jinpeng.”

Said, Jinpeng stared at Queen Suzaku: “Accept your fate, pass on the power of bird ancestors to me!”

“You traitor!”

Queen Suzaku On the delicate face, there is a bit of determination: “My Suzaku is one of the four innate spiritual beasts, and the power of bird ancestors is innate. How can you have a shameless person like you.”

“I want bird ancestors . Power, unless I die!”

Om!

After the last sentence fell, Queen Suzaku raised her jade hand, and a burst of light flashed from her body. Then, in front of Queen Suzaku, the air suddenly ripped apart, and a red flaming sword appeared!

This fiery sword was blood-red, burning with a scorching flame. When it appeared, the surrounding temperature suddenly increased dozens of times.

“Do you still want to resist? I'm afraid you won't have a chance!”

Jin Peng's eyes flickered when he saw Queen Suzaku summoning the sword, showing a bit of fear, but he quickly calmed down, because he knew that Queen Suzaku was already at this moment. The end of the crossbow.

buzzing....

Jin Peng didn't talk nonsense. He raised his right hand and grabbed a golden long knife. At the same time, the two companions by his side quickly summoned weapons!

Immediately afterwards, three figures of Jinpeng fought fiercely with Queen Suzaku.

Speaking of which, Queen Suzaku is very powerful. In normal times, the three Jin Pengs are not opponents at all, but Queen Suzaku was injured by the White Tiger King before, and she is extremely weak. At this time, facing the siege of Jinpeng and the three, she is completely unable to resist.

Soon, Queen Suzaku was stubbornly suppressed, and her actions were very critical.

.....

the other side!

Yue Feng did not return, and ran for a few minutes before slowing down.

strangeness!

Chapter 3604

The three subordinates of Queen Suzaku are not weak, but they didn't catch up?

Muttering in his heart, Yue Feng stopped, the more he thought about it, the more he felt that something was wrong.

Why don't you go back and have a look?

After making up his mind, Yue Feng immediately returned the same way.

What the hell!

Soon he arrived at the previous place, and the scene in front of him made Yue Feng stunned.

I saw that Queen Suzaku was being besieged by Jin Peng and the three of them. She only had the ability to parry, and she had no power to fight back. Her delicate face was pale and weak.

What's the matter!

For a time, Yue Feng only felt that his brain was buzzing, and the whole person was confused.

Aren't those three guys in golden robes the subordinates of Queen Suzaku? How did you get into a fight with Queen Suzaku? Is this a rebellion?

"Suzaku!"

Just when Yue Feng was muttering, he heard Jin Peng shouting proudly: "Don't support it, your current strength is not our opponent at all, let's give it up, obediently use the power of bird ancestors. Pass it on to me! As long as you agree, I can save your life."

Queen Suzaku bit her lip and did not respond, but her eyes were extremely determined.

She thought about it, if she died here today, Jin Peng would not be able to succeed.

call!

Seeing this scene, Yue Feng frowned, Nima, it turns out that these three guys really rebelled.

Muttering in his heart, Yue Feng's mind quickly turned, thinking about how to rescue Queen Suzaku.

Speaking of which, Queen Suzaku wanted to kill Yue Feng just now, and Yue Feng didn't want to take risks for her, but the Feiyu League's rout today was indeed caused by Yue Feng. Moreover, the fact that Queen Suzaku can be severely injured by the White Tiger King is also directly related to Yue Feng.

Under such circumstances, seeing Queen Suzaku in danger, it was difficult for Yue Feng to sit back and watch.

Nima!

However, after thinking about it for a while, Yue Feng didn't think of a way. It was dark all around, and there was not a single stone, so there was no way to deploy the formation.

It's even worse to rush up directly. These three guys are very strong, and they rush up rashly. I'm afraid that Queen Suzaku will not appear, and they will also put themselves in danger.

How to do?

For a time, Yue Feng was so anxious that he scratched his head.

In the next second, Yue Feng looked around again, looking at the dim environment around him, he suddenly had a flash of inspiration and had an idea.

At this time, in the battlefield not far away.

Under the constant attack of Jin Peng and her companions, Queen Suzaku's face was pale, her delicate body was trembling, and she was almost unable to hold on.

"Haha..."

Jin Peng sneered and mocked: "Suzaku, don't resist, this place is so hidden, you wouldn't think someone came to save you!"

When he said this, Jin Peng was extremely proud, his eyes twinkling. Excited glow.

He clearly felt that Queen Suzaku couldn't hold it anymore. As long as she was restrained, she could gain the power of Bird Ancestor. Can you not be excited?

hum!

As soon as the words fell, Jin Peng sensed that there was a wave of aura in the darkness not far away.

Immediately afterwards, a low and majestic voice came: "There is a sound of fighting ahead, go and check immediately."

"Yes!"

Jin Peng's face changed greatly when he heard these voices.

It was broken, and the White Tiger King came down with his hands.

In the next second, Jin Peng didn't have time to think about it, and greeted his two companions: "Hurry up, hurry up!" With that, Jin Peng took the first step and ran towards the distance.

Chapter 3605

While leaving, Jin Peng glanced at Queen Suzaku, very unwilling.

Ma De, seeing that he was about to restrain Queen Suzaku, he suddenly gave up, he was really unwilling, but the White Tiger King was here, if he didn't leave quickly, it would be too late.

The two companions were also panicked, followed Jin Peng and quickly disappeared into the darkness.

call!

Seeing the three Jin Peng escape, Queen Suzaku breathed a sigh of relief, and at the same time, she also looked vigilantly in the other direction, her heart was bitter.

Although Jin Peng is gone, the White Tiger King is about to rush over. Is it true that he is doomed today?

Just when Queen Suzaku was a little desperate, she saw a handsome figure walking slowly not far away, with a cynical smile on her face.

It was Yue Feng.

“You...”

Seeing Yue Feng, Queen Suzaku’s delicate body trembled, her beautiful face was full of surprise, and she was completely stunned.

What’s the matter, I heard the voice of the White Tiger King just now, why... it was Yue Feng?

Haha...

Seeing Queen Suzaku’s expression, Yue Feng looked leisurely and said with a smile: “Queen Suzaku, did those three traitors flee away?”

Yue Feng felt extremely relaxed when he said this.

“You...” Queen Suzaku took a deep breath, unable to hide her doubts, and asked, “Yue Feng, how could it be you? Where is the White Tiger King?”

While asking, Queen Suzaku couldn’t help but look behind Yue Feng , and found that there was nothing behind Yue Feng, and there was no figure of the White Tiger King.

“Don’t look for it, I was the one who spoke just now!” Yue Feng said with a smile.

That’s right, the voice of ‘White Tiger King’ just now came from Yue Feng. At that time, Yue Feng couldn’t think of any other way. When he had an idea, he used ventriloquism to imitate the tone of the White Tiger King, creating the illusion that the White Tiger King was coming.

I have to say that Yue Feng imitated the tone of the White Tiger King so vividly that he not only successfully deceived the three Jin Pengs, but even Queen Suzaku didn't notice it.

What?

Hearing this, Queen Suzaku was stunned for a moment, staring at Yue Feng blankly, her eyes full of incredulity.

Can he imitate the voice of the White Tiger King?

The next second, Queen Suzaku couldn't help but ask: "How did you do it?"

At this time, Queen Suzaku's hatred for Yue Feng was not as strong as before, and at the same time, she was a little more curious.

Yue Feng laughed and said disapprovingly: "It's nothing, it's just a little trick." After speaking, Yue Feng came over and asked, "Are you okay

?" "Are you okay?

"

When he got up, he let out a low moan, his eyebrows were knitted together, and his face was full of pain.

At the same time, blood kept coming out of her. Obviously, in response to Jinpeng's three sieges just now, Queen Suzaku was injured again, and the injury was very serious.

What the hell!

Seeing this scene, Yue Feng was startled, and at the same time, he couldn't express his admiration.

This Queen Suzaku has a very tough character, she didn't even shout after being so badly injured.

I thought to myself, Yue Feng was going to help him.

Whoa!

However, at this moment, I heard footsteps not far away, and then I saw the three Jin Pengs, clutching their weapons, and rushing back.

In the blink of an eye, three Jin Pengs arrived.

“Ma De!”

Seeing the scene in front of him, Jin Peng had a grim expression on his face: “As expected, I guessed it, the White Tiger King is not here at all.” Jin Peng was very nervous when he fled just now, but he quickly calmed down.

Chapter 3606

Afterwards, the more Jin Peng thought about it, the more he felt that something was wrong. This place was at the bottom of the abyss, and it was impossible for the White Tiger King to come down. Thinking of this at that time, Jin Peng decisively returned with his companions.

Nima!

Seeing the three Jinpeng go and return, Yue Feng’s face changed, and he secretly complained in his heart!

Queen Suzaku also trembled, unable to express her anxiety.

“Go!”

At this moment, Jin Peng did not hesitate, howled, and rushed over with his two companions.

At this moment, Yue Feng didn’t have time to think about it, he directly summoned Fang Tianhuaji, and at the same time blocked the Queen Suzaku behind him: “I’m blocking them, you hurry up!”

Phew!

Seeing Yue Feng standing in front of her decisively, Queen Suzaku instantly became complicated, and she shook her head and said, “You are not their opponent, leave me alone, hurry up!”

In her heart, Jin Peng’s betrayal of herself was a matter of the Feiyu League. , do not want to implicate Yue Feng.

Just as he was talking, the three Jinpeng rushed to the front.

“Where’s the kid!”

At this moment, Jin Peng glanced coldly at Yue Feng and shouted, “Get to the side quickly, or I will kill you together!”

In Jin Peng's eyes, Yue Feng in front of him was a little threatening. None, not at all.

However, Yue Feng did not flinch at all, and said coldly: "As a subordinate, but you commit the following crimes, aren't you afraid of suffering retribution?"

This chapter is provided by . Visit for daily update.

Shuh!

Hearing this, Jin Peng's face was extremely ugly: "You are courting death!" The voice fell, and the long sword in Jin Peng's hand burst out with a dazzling light, and slashed towards Yue Feng!

Yue Feng took a deep breath and quickly raised Fang Tianhuaji to block it.

"Bang!"

In an instant, the long knife and Fang Tianhuaji collided fiercely, and under a huge shock, Yue Feng only felt a terrifying force coming, groaned, and the whole person staggered back!

After taking a full ten steps back, Yue Feng stabilized his figure, his face was pale, and his blood was surging at the same time.

Nima!

Yue Feng took a deep breath and looked at Jin Peng in astonishment.

The strength of this guy is too strong!

"Go to hell!"

Just when Yue Feng was horrified, Jin Peng shouted and charged again.

"Be careful!"

Seeing this scene, Queen Suzaku couldn't help but exclaimed. At the same time, she wanted to rush over to help Yue Feng meet the enemy, but she was too weak, and with too much blood loss, she was completely powerless!

Yue Feng also had a solemn expression on his face, feeling the power of Jinpeng, Yue Feng didn't have time to think about it, he burst out the strength of his whole body and concentrated on Fang Tianhuaji.

boom!

The next second, the silhouettes of Yue Feng and Jin Peng collided, and a terrifying vibration broke out. Immediately after, Yue Feng flew out like a kite with a broken string, and sprinkled a rain of blood in the air.

After flying dozens of meters, Yue Feng landed heavily on the ground.

Speaking of which, with Yue Feng's current strength and his Primordial Spirit in his body, he can already look down on the entire human world, but at this time he is facing Jinpeng. Jinpeng is commonly known as the Golden Winged Dapeng. Although its status is not as good as that of Suzaku, it is also born of a congenital aura.

Back then, when God Domain launched a divine war, Jin Peng fought against tens of thousands of divine soldiers and generals alone. His background was not comparable to Yue Feng's.

"Yue Feng!"

Seeing this scene, Queen Suzaku's delicate body trembled, and she burst into tears: "I told you to leave me alone, hurry up, why don't you leave?"

Yue Feng showed a smile and wanted to respond, But he couldn't speak, he clearly sensed that his Primordial Spirit had been hit hard, and his body was extremely weak.

Chapter 3607

"Haha!"

At this moment, Jin Peng's face was hideous, and he glanced at Yue Feng with disdain: "You are the Dragon Lord of the Qinglong family, right? Your identity is unusual, but your strength is not very good."

"Just You alone want to save Suzaku? Today I'll send you two on the road together!" In the

last sentence, Jin Peng almost howled, his expression extremely crazy.

Afterwards, Jin Peng clenched the long knife and walked towards Yue Feng step by step.

Nima!

At this time, Yue Feng, in addition to being shocked, was also extremely desperate.

It's over, it's over now, I thought that with ventriloquism, the three Jin Pengs would be scare away, and Queen Suzaku would be fine, but I never expected that Jin Peng would come back.

What Yue Feng didn't expect was that Jinpeng's strength was so terrifying.

At this time, Jin Peng walked up to Yue Feng, and without any hesitation, the long knife stabbed directly.

At this time, Yue Feng was extremely weak and completely lost the ability to resist. This knife could not be avoided at all.

call!

Yue Feng took a deep breath and closed his eyes reluctantly.

Did it die like that? It's so frustrating.

hum!

Seeing that this knife was about to pierce Yue Feng, at this critical moment, a terrifying force swept in from not far away, Jin Peng and Yue Feng were both stunned, and then turned their heads to look.

Seeing this, both Yue Feng and Jin Peng were all stunned.

I saw that Queen Suzaku, who was envious and weak, was now quietly suspended in the air, her pale face was somewhat firm and complicated, and a red halo shrouded her body.

At the same time, a terrifying force continuously erupted from Queen Suzaku's body. Under the raging force of this force, the surrounding air has been torn apart, showing a circle of black cracks!

what's going on?

Seeing this scene, Yue Feng was secretly shocked, and at the same time had a bad premonition.

He clearly felt that the Queen Suzaku in front of her had all the strength she had.

"This..."

At the same time, Jin Peng was also stunned, staring blankly at Suzaku, speechless.

Huhuhu.....

In the blink of an eye, the power that Suzaku burst out became stronger and stronger, and then, the red halo that enveloped the whole body condensed into a fist-sized red

bead. The beads were crystal clear, with a deep red flame burning on the surface, and inside, a pattern of a bird spreading its wings could be vaguely seen.

The power of bird ancestors!

Seeing this bead, Jin Peng suddenly became excited, and his eyes were fixed on the red bead, which was extremely hot.

“Yue Feng!”

At this moment, Queen Suzaku’s red lips lightly opened, and she said to Yue Feng: “In this bead, the power of Bird Ancestor and the power of my life are combined, and now I will pass it on to you, please In the future, you must protect my Suzaku family...”

When she said this, Queen Suzaku’s tone was very gentle and gentle, but there was no doubt.

Yes, Queen Suzaku is going to pass on the power of bird ancestors to Yue Feng.

To be honest, as the leader of the Feiyu League and the ancestor of the hundred birds, Suzaku didn’t want to do this, but there was no way, the current situation was already firmly under the control of Jinpeng.

In this case, the only thing Queen Suzaku can do is to pass on the power of Bird Ancestor to Yue Feng before Jin Peng catches her.

Although Yue Feng is a human being, he came back to help Suzaku resist Jin Peng at a critical moment.

What?

Chapter 3608

Hearing Queen Suzaku’s words, Yue Feng was completely dumbfounded, standing there, his head was buzzing.

Suzaku wants to pass on the power of bird ancestors to me?

Thinking to himself, Yue Feng couldn’t help but say: “This is impossible, my strength is still shallow, how can I be qualified to have the power of bird ancestors?”

Although Yue Feng is arrogant, he also has self-knowledge, his current strength, in the human world, perhaps It is rare to meet an opponent, but here, it is completely inferior. After all, this is the place where the monsters are sealed.

More importantly, the power of Vermillion Bird's ancestors is no trivial matter, and it is even related to the future of the entire demon clan. How dare Yue Feng accept it.

However, Queen Suzaku's face was resolute, and Yue Feng could not refuse at all.

Swish!

At this moment, Jin Peng reacted, his face was extremely ugly, and shouted at Queen Suzaku: "Good you Suzaku, I would rather give the power of bird ancestors to a human than to me."

"I tell you, bird ancestors I'm going to make up my mind." The

last word fell, and Jin Peng's figure burst out like a cannonball, rushing directly towards Queen Suzaku.

Yue Feng was taken aback, this Suzaku Queen took the initiative to show the power of Bird Ancestor, didn't it make Jin Peng cheap for nothing? Anxious, Yue Feng wanted to stop him, but he couldn't use any strength on his body.

hum!

In the blink of an eye, Jin Peng rushed in front of Queen Suzaku, and reached out to grab the blood-colored bead. He saw a dazzling light burst out from the bead. At the same time, an extremely strong anti-shock force erupted. Jin Peng had no time to react, the whole person was shocked and flew out.

Flying more than 100 meters, Jin Peng landed heavily on the ground, spurring a mouthful of blood.

How could this be?

Jin Peng stood up quickly, staring at Queen Suzaku, terrified.

Yue Feng was also stunned. He never thought that the power of the ancestor of the bird contained in this blood-colored bead would be so powerful.

"Jin Peng!"

At this moment, Queen Suzaku looked at Jin Peng with a blank expression, and said word by word, "I said before, a scum like you is not qualified to possess the power of bird ancestors, so don't waste your time."

As soon as the voice fell, Queen Suzaku raised her jade hand, and saw the blood-colored beads turned into a stream of light, flying directly towards Yue Feng.

This...

At this moment, Yue Feng was startled, and subconsciously wanted to dodge, but he was still a step behind, and he saw that the blood-colored bead burrowed directly into Yue Feng's body and disappeared.

hum!

The moment he drilled into his body, Yue Feng only felt an incomparably terrifying power filling his limbs and bones. This power sometimes felt like a burning flame, and sometimes it was like bone-piercing ice.

Yue Feng's mind was tenacious, and he endured the pain without screaming, but his body couldn't help trembling, and his whole body was dripping with cold sweat.

This... is this the power of bird ancestors?

So strong.

"Okay!"

At this moment, Queen Suzaku showed a smile, looked at Yue Feng and said softly: "Now that you have obtained the power of Bird Ancestor, I have no regrets and can leave."

When saying this, Queen Suzaku figured. It gradually became illusory, and then, it turned into a colorful fluorescent light, dissipating in the surrounding darkness.

Before the fierce battle with Jinpeng, Queen Suzaku was at the end of her power, and her strength was exhausted. In this case, Queen Suzaku can only burn her own soul and blood to pass on the power of Bird Ancestor to Yue Feng.

At this time, the power of Bird Ancestor was imparted, and Queen Suzaku also consumed the last trace of her life.

Huh....

Seeing this scene, Yue Feng was completely dumbfounded, staring blankly at the place where Queen Suzaku disappeared, his whole mind went blank.

It turns out.... Queen Suzaku spent her life in order to pass on the power of bird ancestors to me.

Chapter 3609

At the same time, Jin Peng, who was not far away, and his two companions were also stunned, completely stupid.

For a while, the silence was terrifying!

Swish!

Finally, Jin Peng reacted and stared at Yue Feng with endless resentment in his eyes: "Boy, hand over the power of Bird Ancestor, hand it over..."

Under the howling, Jin Peng went crazy, his figure burst out and Get up and come straight to Yue Feng.

At this time, Jin Peng was full of anger in his heart. You must know that the situation in front of him was firmly controlled by Jin Peng. He could have easily killed Queen Suzaku and gained the power of bird ancestors, but he never expected that Queen Suzaku would burn herself The life of bird ancestors passed on to Yue Feng.

The power that should belong to oneself, but is easily obtained by others, it is difficult for anyone else to accept this.

"Go to hell!" Jin Peng howled, the long knife in his hand tore through the air, thinking directly of Yue Feng's head.

Buzz!

At the same time, Jin Peng's two companions also broke out and attacked Yue Feng.

Mad!

At this time, Yue Feng was still saddened by the demise of Queen Suzaku, and his anger was completely ignited when he saw the three attacking Jinpeng.

"Shameless people, get out of here."

A roar came out, Yue Feng rushed into the air, and saw that above his head, blood-colored lotus flames gathered crazily, spinning at a high speed!

Suzaku belongs to fire among the four innate spirit beasts, so the power of bird ancestors is also the power of fire attribute. After drilling into Yue Feng's body just now, the power of bird ancestors merged with the cold fire of white lotus in Yue Feng's body. A new kind of fire was formed.

This new strange fire is more terrifying than Bailian Lenghuo.

In the blink of an eye, these blood-colored lotus flames merged together and condensed into a huge Suzaku Firebird.

To be honest, Yue Feng has just obtained the power of Bird Ancestor, and he has not yet fully controlled it. If he uses it rashly, it may backfire on himself, but in order to defeat the three Jin Pengs in front of him, he can't care so much at all.

“Boom!”

At this moment, Yue Feng's face was hideous, and he almost lost his mind. With a roar, he raised his hand and waved, and he saw the condensed gigantic Vermilion Bird and Firebird, carrying unparalleled power, towards the three Jin Peng. go!

“Death, die!”

Yue Feng's voice was hoarse, and the anger in his heart rose when he thought of Queen Suzaku's burning life just now.

Speaking of which, Yue Feng and Queen Suzaku are not friends, but Queen Suzaku's fate is directly related to Yue Feng.

More importantly, Queen Suzaku did not hesitate to burn her life and passed the power of Bird Ancestor to Yue Feng. If she didn't avenge her, would she still be a human being?

hum!

Along with Yue Feng's roar, he saw the huge Suzaku flamingo slamming into the three Jin Pengs, and in an instant, the three Jinpeng's explosive skills disappeared without a trace.

Immediately afterwards, a loud noise was heard, and the dust was everywhere, and the three Jin Pengs were completely drowned.

Dengdengdeng...

At this time, Yue Feng's figure landed and staggered back. Yue Feng could clearly feel that after releasing this terrifying Suzaku Firebird, the strength of his whole body was instantly swept away. Time out!

In extreme weakness, Yue Feng spat out a mouthful of blood and his face was extremely pale.

However, Yue Feng was extremely shocked, and his heart couldn't help beating violently!

I haven't completely mastered the power of this bird ancestor, and I can explode such a terrifying power. If I fully control it, wouldn't it be even more powerful?

Thinking to himself, Yue Feng looked forward with a solemn expression!

I saw that the place where Jin Peng and the three were located was completely trapped by smoke and dust, and they could not see anything at all.

I don't know how long it took, when the dust slowly dissipated, Yue Feng finally saw the situation of Jinpeng three. The three Jin Pengs were all pale with blood on the corners of their mouths.

In particular, Jin Peng's two companions had all their clothes gone, their bodies were covered with burning wounds, and they were swishing with blood.

Jin Peng seemed to be in a state of embarrassment, but he could still stand there, staring at Yue Feng with a pair of eyes, like a dormant poisonous snake.

Nima!

Seeing this scene, Yue Feng's face was cold, but he was secretly shocked.

Chapter 3610

This Jinpeng's defense is too strong, and he exerted the power of bird ancestors, but he did not completely kill him.

Mad!

After staring at each other for dozens of seconds, Jin Peng took a deep breath, gritted his teeth and said to Yue Feng, "Boy, I remember you." After the words fell, Jin Peng greeted the two companions and left quickly.

In a blink of an eye, the three figures of Jin Peng disappeared from Yue Feng's sight.

To be honest, Jin Peng didn't want to leave in such a dismal manner, but he knew in his heart that Yue Feng had already obtained the power of Bird Ancestor, and if he continued to consume it, it would not benefit him at all.

call!

Seeing Jin Peng leave decisively, Yue Feng's face was extremely ugly, and he wanted to catch up, but held back.

Don't chase after poor thieves, and quickly master the power of Bird Ancestor is the most important thing.

Muttering in his heart, Yue Feng sat cross-legged on the ground, comprehending the power of bird ancestors in his body.

Huhuhu...

For a while, the clouds and mists filled Yue Feng's head, and the power in his body continued to rise.

.....

On the other side, God's Domain Ghost Immortal Mountain.

Thousands of divine soldiers and generals erupted together and quickly surrounded Guiguzi.

Seeing this situation, Guiguzi did not panic at all, his expression was very indifferent, and he said to the Nine Heavens God: "Your Majesty, what is the truth of the matter, I haven't figured it out yet, so rashly acted, is it too arbitrary."

Nine Heavens God's face was gloomy and did not respond.

At this time, Gong Ao couldn't help shouting: "That Yue Feng, as your book boy, has the audacity to impersonate His Majesty. This matter has been confirmed, what else do you have to argue?"

Saying that, Gong Ao raised his hand and waved: "Take it!" The

voice fell, and the thousands of gods and soldiers no longer hesitated, and broke out directly at Guiguzi.

Guiguzi smiled bitterly, with his hands behind his back, motionless, as steady as Mount Tai.

hum!

In the next second, Guiguzi's power was urged, and an invisible wave swept out, and I saw that many gods and soldiers were directly shaken out.

This....

seeing this scene, the other gods and soldiers couldn't help but gasp.

Strong....really strong!

This Mr. Guigu is worthy of being regarded as the first person in the human world through the ages. With only his powerful strength, he has knocked back so many gods and soldiers. It is really terrifying!

Nine Heavens God also took a deep breath, his expression extremely complicated.

This Guiguzi, who doesn't hand over Yue Feng, is too presumptuous to openly treat his own army.

"Your Majesty, go down and see how powerful Mr. Guigu is!"

Seeing the expression of Jiutian God, Gong Ao took a deep breath and asked for instructions.

Nine Heavens God nodded: "Okay!"

Although Guiguzi is very strong, but after all, he came to God's Domain not long ago, and Gong Ao has practiced in God's Domain for thousands of years, so he should have a good chance of winning against Guiguzi.

With permission, Gong Ao jumped up without hesitation, and went straight to Guiguzi!

hum!

At this moment, Gong Ao summoned a long spear, turned into a white streamer in mid-air, and quickly stabbed Guiguzi!

I saw that this shot was extremely fast, and wherever it passed, the sky seemed to be transformed into two worlds.

However.

Guiguzi stood there quietly, with an indifferent expression on his face.
