

The ultimate husband in Chinese chapter 3611-3615

Chapter 3611

"You are not my opponent!" In the

next second, a few faint words came out of Guiguzi's mouth.

Hearing this, Gong Ao's face was extremely ugly, as if he had been greatly humiliated: "Stop talking nonsense, let's capture it!" After

speaking, Gong Ao accelerated.

Guiguzi chuckled, his right hand slowly raised, blocking Gong Ao's shot, and then he and Gong Ao fought fiercely in mid-air.

At first, Gong Ao was very relaxed, but gradually he was suppressed by Guiguzi.

call!

At this moment, whether it was the Nine Heavens God, or all the priests and soldiers, they all frowned and were shocked.

Gong Ao is not Guiguzi's opponent?

You must know that Gong Ao is a fierce general under the Nine Heavens God. Almost everyone knows his strength in the realm of the gods? However, fighting against Guiguzi at this time not only did not take half a cent of the advantage, but was suppressed so quickly.

More importantly, this Guiguzi looked leisurely and calm from beginning to end. Obviously, he did not exert his full strength in the fight against Gong Ao.

For a time, many priests whispered.

This Guiguzi's strength is really unfathomable, and he was able to suppress Gong Ao without fighting back.

At this time, Nine Heavens God reacted and took a deep breath. At the same time, there is a bit of complexity in the eyes of Guiguzi.

I really did not expect that this Guiguzi was so powerful.

This chapter is provided by . Visit for daily update.

It seemed that it was a bit hasty to let Gong Ao fight.

“Buzz!”

At this moment, Guiguzi waved his hand casually, and a burst of palm force directly forced Gong Ao back dozens of steps.

Gong Ao staggered to stabilize his figure, his face was extremely ugly, and finally retreated to the side of Jiutian God, and said ashamed: “Your Majesty, this subordinate is ashamed, this Guiguzi is very strange, I...”

Before he could finish, he was caught by Jiutian. God interrupted: “Okay, if you can’t beat it, you can’t beat it, don’t look for an excuse!”

Uh...

Gong Ao’s face suddenly turned red, and at the same time, his eyes were fixed on Guiguzi, unable to hide his anger.

Mad, if it wasn’t for this Guiguzi, he wouldn’t be ashamed in front of His Majesty.

At this time, Jiutian God looked around: “Who else can go up and fight Guiguzi?” When he said this, Jiutian God’s face was extremely cold.

With so many priests and god soldiers, it would be too embarrassing if they couldn’t win even a Guiguzi.

call!

The voice fell, and many of the surrounding priests looked at each other and lowered their heads subconsciously. No one dared to take the initiative to ask Ying to fight.

Even Gong Ao is not an opponent, who would dare to go up.

Seeing this scene, Jiutian God’s face was extremely gloomy. These rubbish, one by one on weekdays, was better than the other, but when it came to a critical time, all of them could not be counted on.

“Your Majesty!”

At this moment, Gong Ao cautiously said: “This Guiguzi does have some skills. If he continues to fight like this, it will definitely affect His Majesty’s reputation. It is better to directly use Tianlei to deal with him.”

Quoting Tianlei?

Hearing this, Jiutian God’s face instantly became solemn, and he hesitated at the same time.

You must know that the power of Tianlei is very powerful, unless it is a last resort and cannot be used easily. In the battle of the gods ten thousand years ago, in order to deal with the demon clan, God's Domain used Tianlei to kill countless demon clan at that time, and it was never used again.

Moreover, Guiguzi is alone in front of him, but citing Tianlei seems to be overkill.

Chapter 3612

Seeing that the Nine Heavens God hesitated, Gong Ao continued: "That Yue Feng pretended to be His Majesty, ignoring the power of the heavens, it was a crime that deserved death, Guiguzi not only did not hand him over, but also openly confronted His Majesty, and being punished by Tianlei is also well deserved. "

Your Majesty, there is no need to hesitate."

Hearing this, Jiutian God's eyes flickered, and he finally nodded, "Okay!" After saying this, Jiutian God slowly raised his right hand.

hum!

In an instant, the sky and the earth changed color, and dark clouds gathered in the sky.

Immediately afterwards, I saw a thunder and lightning in the rolling dark clouds, tearing the clouds apart, which was very terrifying.

Thunder?

Seeing this scene, Guiguzi's face changed, and his calmness was gone, and his heart instantly panicked.

You must know that cultivating in the realm of the gods, every time you reach a certain realm bottleneck, you need to break through the calamity. In the middle, there are a total of ninety-nine eighty-one calamities, and among these eighty-one calamities, the thunder calamity is The most terrifying.

Not long after Guiguzi came to God's Domain, before he arrived at the calamity, he never thought that the Nine Heavens God would use Tianlei in order to catch him.

"Guiguzi!"

At this time, seeing Guiguzi's expression changed, Gong Ao was proud and mocked loudly: "You blatantly disobeyed His Majesty's will, and your sin is unforgivable. Now His Majesty has quoted Tianlei, if you know each other, kneel immediately. Accept the defeat and hand over Yue Feng!"

“Otherwise, once Tianlei is activated, it will be too late for you to regret it.” As the voice fell, Jiutian Shen also frowned slightly, and said seriously to Guiguzi: “Mr. Guigu, what is Yue Feng? Who are you, who can let you take such a big risk, but also protect him!”

Phew!

Guiguzi breathed a sigh of relief and said lightly: “Your Majesty needs no more words, no matter what, I will not agree to your conditions.” Yue Feng offended Tianwei, and if he was caught, his life would be guaranteed, so he couldn’t say anything anyway. his whereabouts.

Seeing that Guiguzi’s attitude was so resolute, Jiutian God was so annoyed that he stopped talking nonsense and directly triggered Tianlei.

boom!

In an instant, I saw a thunderbolt, which fell directly from the rolling dark clouds. The huge lightning was like a beam of light connecting the heaven and the earth, which was very shocking.

The thunder and lightning slashed straight down and hit Guiguzi. Suddenly, the entire Guixian Mountain vibrated violently. Dust and smoke filled the area for hundreds of miles, and the small courtyard next to it also disappeared.

Seeing this scene, Gong Ao and the surrounding priests did not have the slightest sympathy, and their faces were indifferent.

Dare to openly confront the Nine Heavens God, this is the end.

Finally, the dust and smoke gradually subsided, and I saw that in the scorched black, Guiguzi stood there quietly, his robes had been reduced to pieces, but he was safe and sound.

What?

Seeing this scene, whether it was the Nine Heavens God or Gong Ao and the others, they were all shocked and stunned.

This... This Guiguzi actually resisted a thunderbolt?

How can it be?

Especially Gong Ao, his eyes widened and he looked at Guiguzi tightly, full of inconceivable.

If this thunderbolt was his own, his primordial spirit would definitely be destroyed, but this Guiguzi was unscathed.

“Guiguzi!”

At this time, Nine Heavens God reacted, looked at Guiguzi closely and said, “I didn’t expect that you can withstand a thunderbolt, it is really rare, I really give you the last chance, hand over Yue Feng, and I will withdraw. Thunder.”

When saying this, Jiutian God’s eyes showed some anticipation.

Speaking of which, Jiutian God has always admired Guiguzi, otherwise he would not have given him a Guixian Mountain as a place of seclusion. At this time, seeing that he can withstand the thunder, Jiutian God’s heart, even more love for talent.

You must know that in the entire Divine Realm, there are almost very few people who can resist the thunder with their physical bodies, except for the God of Nine Heavens and Empress Hua Zhao.

Chapter 3613

Guiguzi smiled lightly: “I have made up my mind, Your Majesty doesn’t need to persuade me!”

When he said this, Guiguzi’s tone was firm, but his face was pale. The thunderstorm just now had traumatized him, and if he continued, he would definitely not be able to hold it.

But for Yue Feng’s safety, Guiguzi refused Jiutian God without hesitation.

Swish!

Hearing this, Jiutian God’s face instantly turned gloomy. You must know, in front of the surrounding priests, being so rejected by Guiguzi, where would you put your face?

At the same time, the entire Guixian Mountain was also silent, and everyone’s eyes were locked on Guiguzi, revealing a deep complexity.

This Guiguzi is really hard. His Majesty gave him a chance, but he refused.

For a time, the atmosphere was extremely depressing and heavy, and many of the surrounding priests, as well as those gods and soldiers, all fell silent, and the atmosphere did not dare to breathe.

“Guiguzi!”

At this moment, Gong Ao stepped forward, pointed at Guiguzi and shouted, "You really don't know how to praise you. Your Majesty appreciates you and gives you one last chance, but you still haven't grasped it properly.

" Look, before Yue Feng pretended to be His Majesty, you secretly ordered it?"

Hearing this, Guiguzi chuckled lightly and said lightly: "Whatever you say, in short, I will not tell Yue Feng's whereabouts."

Gong Ao was stunned for a moment, and then said to the God of Nine Heavens: "Your Majesty, you heard, this Guiguzi protects Yue Feng with all his heart, and doesn't take you seriously at all!"

Hu!

Hearing Gong Ao's instigation, Jiutian God's anger rose.

The next second, Jiutian God's eyes locked on Guiguzi, and said coldly: "Mr. Guigu, since you are determined to fight against me, then I will fulfill you!" The

last word fell, and Jiutian God slowly raised his hands.

Boom!

In an instant, over the entire Guixian Mountain, the gathering dark clouds rolled up again, and the whole world was filled with a strong chilling aura.

Many of the surrounding priests, as well as Gong Ao, all looked up to the sky, each with incomparably excited and awe-inspiring expressions.

His Majesty triggered Tianlei again, and this Guiguzi was sure to die.

Whoosh!

At this moment, a figure not far away came quickly, with a childlike appearance and immortal aura, it was the Immortal Venerable Beiming who had come to Guixian Mountain before.

"Your Majesty!" When he came to the front, Immortal Venerable Beiming plopped down and knelt in front of Jiutian God, imploringly: "I beg Your Majesty to withdraw Tianlei and spare Mr. Guigu this time. I believe that there must be a misunderstanding in this!

" I beg your majesty to give Mr. Guigu a chance!"

When he said this, Immortal Beiming looked anxious, and in an hour, Immortal Beiming learned from Li Ran that Jiutian God asked her about the conflict with Yue Feng. , and

then led the army to Guixian Mountain. When he learned of the situation, Immortal Beiming had a bad premonition and rushed over immediately.

At this time, when he arrived at Guixian Mountain, he saw that the Nine Heavens God used Tianlei to punish Guiguzi. Immortal Venerable Beiming was both surprised and anxious. He and Guiguzi were close friends and immediately came forward to intercede without hesitation.

In the heart of Immortal Venerable Beiming, Yue Feng was just a little book boy. Even if he made a mistake, the Nine Heavens God didn't need to make such a move.

However!

In the face of Beiming Immortal Venerable's plea, Jiutian God did not show the slightest, and his face was indifferent.

At this time, Gong Ao couldn't help shouting: "Xianzun Beiming, this matter has nothing to do with you, hurry up and step back!"

Chapter 3614

Immortal Beiming looked anxious and asked for mercy, but was interrupted by Gong Ao.

"Xianzun Beiming, everyone knows that you have a good relationship with Mr. Guigu, but do you know that his book boy made a big mistake." Gong Ao shouted with a false face of justice, "That Yue Feng is fake Your Majesty, the crime is unforgivable, and Mr. Guigu not only did not hand over Yue Feng, but he has always protected him."

"Shielding repeat offenders and punishing them with the same crime, Your Majesty cites Tianlei as punishment, which is already considered light!"

What!

Hearing this, Immortal Venerable Beiming was shocked and completely stunned there.

In the heart of Immortal Venerable Beiming, I thought that Yue Feng had just made a small mistake, but he never thought that he would be so bold and pretend to be the God of Nine Heavens.

After being stunned for a few seconds, Immortal Venerable Beiming sighed deeply, and consoled Guiguzi: "Mr. Guigu, since that's the case, you can tell Yue Feng

's whereabouts." Immortal Venerable Beiming at this time was very worried. in a hurry.

Speaking of which, Immortal Venerable Beiming knew that Yue Feng had entered the sealed land of the demon clan, but he and Guiguzi were close friends, so it was hard to say it directly.

Guiguzi smiled at Immortal Venerable Beiming: "Thank you Immortal Venerable for your kindness, but I have already made a decision. In any case, I will not reveal the whereabouts of Yue Feng."

This....

Immortal Venerable Beiming was anxious . No, why is this Guiguzi so stubborn?

Thinking to himself, Immortal Venerable Beiming continued to plead with the God of Nine Heavens: "Your Majesty, please give me one day to persuade Mr. Guigu..."

Just before he finished speaking, he was interrupted by God of Nine Heavens. :
"Xianzun Beiming, you don't need to intercede for him. I gave him a chance, and he doesn't accept it, so I can't blame it!"

The voice fell, Jiutian God's face was extremely cold, and at the same time, the pitcher raised and pointed to the sky!

"Boom!"

At this moment, I heard a blast of thunder, which came from the dark clouds in the sky, followed by a purple lightning that fell on the right hand of the Nine Heavens God!

"Om!"

Immediately, before the people around could react, they saw that a big hole suddenly appeared in the dark clouds in the sky, as if the sky had broken open a big hole, and then, thousands of lightning bolts suddenly appeared from this It fell from the hole and slashed the ground!

quiet!

The huge Ghost Immortal Mountain is deadly silent at this time, even if a needle falls on the ground, it can be heard clearly! Everyone present looked at the Nine Heavens God, and their eyes were filled with awe and excitement!

Immortal Venerable Beiming, with a pale face, looked at Guiguzi, extremely worried!

"Mr. Guigu, I gave you a chance, but unfortunately you didn't accept it!" Jiutian God looked proudly and quietly looked at Guiguzi: "If you can withstand these thousands of thunders, what about Yue Feng? It's over, if you can't bear it, then go back with me and accept the interrogation!" The

last sentence fell, and I saw thousands of lightning bolts, streaks of dazzling rays of light between heaven and earth, striking Guiguzi!

call!

Feeling the power of the thousands of thunderbolts, Guiguzi's face was pale, and he wanted to dodge, but these thousands of lightning bolts blocked all his escape routes. How could he dodge? !

Boom, boom, boom!

In the blink of an eye, thousands of lightning bolts slammed on Guiguzi's body. At this moment, the entire Guixian Mountain collapsed, and within a few hundred meters, dust was everywhere!

“call!”

The dust filled the air, drowning Guiguzi's figure all at once. Seeing this, Immortal Venerable Beiming was in a hurry and flew to the sky to see the situation of Guiguzi at this time. However, there was smoke and dust everywhere, and he couldn't see it at all!

Chapter 3615 The

dust filled the sky, which lasted for more than ten minutes.

When the smoke and dust gradually dissipated, the situation in front of him finally appeared!

call!

Seeing the scene in front of them, all the gods and soldiers present took a deep breath!

Immortal Venerable Beiming trembled even more.

I saw that the entire Ghost Immortal Mountain was razed to the ground by the thousands of thunder and lightning, leaving only a huge deep pit, which was several kilometers in diameter and 100 meters deep!

In this pit, a figure fell there, his body was black, blood was dripping, and it was extremely miserable.

It is Guiguzi.

“Mr. Ghost Valley!”

Seeing this scene, Immortal Venerable Beiming couldn't tell the sadness and heartache.

At this time, Gong Ao's figure flashed, rushed into the deep pit, checked the situation of Guiguzi, and reported loudly: "Your Majesty, there is still breath."

When saying this, Gong Ao's tone trembled, and his heart was also extremely shocked.

.

Thousands of thunderbolts did not kill him.

Is that human being?

Whoa!

For a time, those priests, as well as the gods and soldiers, were also in an uproar.

"It didn't die?"

"This Guiguzi's ability to fight is too strong." The

surrounding discussions kept coming, but the Nine Heavens God was expressionless.

"Gong Ao!"

Finally, the God of Nine Heavens calmed down and said lightly: "Take him down and put him in the Heavenly Prison. When his injuries are better, then slowly interrogate him."

"Yes!" Gong Ao responded quickly, and then greeted a few people. Divine Soldier, drag Guiguzi out of the deep pit.

Afterwards, under the direction of the Nine Heavens God, tens of thousands of divine soldiers and generals left the Ghost Immortal Mountain mightily.

Ugh!

Seeing this scene, Immortal Venerable Beiming was extremely heartbroken.

This Mr. Guigu, for a book boy to end like this, it's not worth it.

.....

the other side!

I also know how long it took, Yue Feng slowly opened his eyes, and saw two bright beams burst out. At the same time, the whole body was also filled with an incomparably violent force.

Yes, after a few hours of comprehension, Yue Feng has completely controlled the power of bird ancestors.

Moreover, the new fire formed by the fusion of the Vermilion Bird Spiritual Fire in the power of the bird ancestors and the cold fire of the white lotus, Yue Feng also named it, the Heavenly Sparrow Spiritual Flame.

In this name, there is a bird character, it is Yue Feng to commemorate Queen Suzaku.
call!

At this moment, Yue Feng took a deep breath and stood up, indescribably excited.

With the power of Bird Ancestor, he also has a new Spirit Flame of Different Fire Heavenly Sparrow, and his strength has also improved a lot. When he gets out of this abyss, he will find a way to return to God's Domain.

Thinking about it, Yue Feng tapped the ground with his toes and rose into the sky.

After ten minutes, Yue Feng finally flew out of the abyss and came to the cliff where he fell.

“Long Zun?”

“Your Excellency Yue Feng?”

“He's not dead...”

As soon as he stopped on the cliff, he heard a surprise sound not far away.

Yue Feng looked back and suddenly showed a smile.

I saw that Hu Ben and dozens of Beast League members were dozens of meters away.
