

The ultimate husband in Chinese chapter 3616-3620

Chapter 3616

“Haha...”

Hu Ben was very excited when he saw Yue Feng, he walked over quickly and put his arms around Yue Feng’s shoulder: “I thought you would fall into the abyss and never come back up again. Seeing that you are all right now, I am relieved!”

These words came from the bottom of my heart.

Feeling the simplicity and honesty of Hu Ben, Yue Feng showed a smile: “Yeah, I’ve always had good luck.”

When he said this, Yue Feng had the appearance of the White Tiger King in his mind, and his heart was a little bit suffocated.

Ma De, in order to deal with Queen Suzaku, the White Tiger King doesn’t care about my life or death at all. It is so despicable to have such a loyal subordinate as Hu Ben.

After a few words of greetings, Hu Ben pulled Yue Feng involuntarily and returned to the Beast League to see the White Tiger King.

Yue Feng wanted to refuse, but thinking that he would need the help of the Beast League to leave here, he had to follow Hu Ben.

call!

Soon, in front of the Beast League Stone Hall, Yue Feng saw that the previous battlefield had been cleaned up. Not only that, in the stone hall, there are also many seats.

The seats were filled with wine and delicacies.

The White Tiger King sat on the main seat with a look of pride and excitement. The leaders of the Beast League and the subordinate Feiyu League members were sitting on both sides below.

In the entire stone hall, it was indescribably lively.

In the previous battle, the White Tiger King knocked down his old enemy, Queen Suzaku, into the abyss, and then subdued many members of the Feiyu League. Happy, he set up a banquet to celebrate.

Swish!

At this moment, Yue Feng followed Hu Ben into the stone hall. In an instant, the noisy stone hall suddenly became quiet, and countless pairs of eyes converged on Yue Feng at the same time.

Whether it was the Beast League or the members of the Feiyu League, they were all astonished.

“Didn’t he fall into the abyss with Queen Suzaku? Why...”

“He didn’t die...”

In the sound of astonishment, the White Tiger King was also shocked, and looked at Yue Feng in a daze, completely stunned. Living.

“Oops!”

After a few seconds, the White Tiger King reacted and said with a big laugh, “It turns out that it is Your Excellency Long Zun, hurry up, take a seat!” The

voice fell, and someone immediately arranged a seat for Yue Feng.

Yue Feng was not polite and sat down directly.

At this time, the White Tiger King was full of smiles and said to Yue Feng, “This time you can defeat Queen Suzaku and subdue the members of the Feiyu Alliance. Your Excellency Yue Feng has contributed greatly.”

“By the way, at that time, Queen Suzaku will This king is very heartbroken when you crashed into the abyss, and now I am so relieved to see Your Excellency Yue Feng safe and sound.”

“Now that the Beast Alliance and Feiyu Alliance have merged into one, and Your Excellency Yue Feng has returned safely, this is really true. Double happiness is coming, hahaha...”

Haha!

Seeing the pretentious look of the White Tiger King, Yue Feng sneered in his heart.

Mad, this White Tiger King is quite capable of pretending.

However, Yue Feng did not show it on his face, but said with a smile: “Let Your Excellency the White Tiger King worry!” The

White Tiger King smiled and said again: "Your Excellency Yue Feng, the Queen Suzaku fell into the abyss with you, she is now How's the situation?"

When he said this, the White Tiger King looked indifferent, but his eyes flickered with complexity.

If Queen Suzaku, like Yue Feng, is also safe and sound, it will be troublesome.

Swish!

The voice fell, and the eyes of the entire stone hall converged on Yue Feng again.

In particular, the members of the Feiyu League were looking at Yue Feng with anticipation in their eyes. You must know that they only joined the Beast League under the pressure of the White Tiger King before, not willingly.

This... In

the face of the White Tiger King's question, Yue Feng scratched his head and said slowly: "Queen Suzaku is gone!"

Yue Feng is a smart person, so naturally he won't tell the truth, especially when he gets bird ancestors power thing.

Haha...

Hearing the answer, the worries in the White Tiger King's heart were completely dissipated, and he was extremely excited.

The surrounding members of the Feiyu League are all saddened. In their hearts, if Queen Suzaku is still there, the Feiyu League will still have a day of revival, but now, Queen Suzaku is gone, all hope is shattered. .

Chapter 3617

While dejected, many members of the Feiyu League looked at Yue Feng with resentment.

You must know that the Beast League and the Feiyu League were originally evenly matched. It was precisely because of this Yue Feng that the Feiyu League suffered such a heavy blow. Not only did the Queen Suzaku perish, but the members of the Feiyu League had to surrender to the White Tiger King.

It can be said that the Feiyu League is in such a situation that this Yue Feng cannot escape.

Under such circumstances, the members of the Feiyu Alliance present hated Yue Feng to the core. However, due to the presence of the White Tiger King, the members of the Feiyu League did not dare to show it.

Haha...

Hearing this, the White Tiger King was in a very happy mood, raised his hand and said, "That's great, starting from today, we monster clans will no longer have the difference between the Feiyu League and the Beast League, we are all a family. "

Come on, for the sake of our unity, have a toast!"

Queen Suzaku has been a thorn in the eyes of the White Tiger King for thousands of years, and now she is finally removed by herself, can you be unhappy?

The voice fell, and everyone in the stone hall raised their wine glasses.

Yue Feng also drank a glass of wine, with a smile on his face, but he was extremely bored.

"Your Excellency the White Tiger King!"

At this moment, among the members of the Feiyu League, a slender and graceful figure slowly stood up and said softly, "I am so happy today, just drinking is boring, why don't you make a little show, come Liven up the atmosphere." The

tone was clear and sweet, it was Lan Ling Peacock.

Swish!

At this moment, the eyes of the entire stone hall converged on Lan Ling Peacock.

Especially the Hu Ben, all of them looked straight.

I saw this orchid peacock, not only has a delicate face, but also an indescribably slim and charming figure.

Yue Feng also saw his eyes go straight.

This orchid peacock, transformed into a human form, is simply too beautiful, especially its temperament, which is comparable to Queen Suzaku.

"Haha..." The

White Tiger King was in a good mood, nodded and said, "Okay, I don't know what show Lan Ling Peacock wants to play?"

Lan Ling Peacock smiled lightly, glanced at Yue Feng, and said slowly: "I heard that this Your Excellency Yue Feng is the Dragon Lord of the Qinglong Clan, he is erudite and talented in everything."

After speaking, Lan Ling Peacock's eyes flashed slyly: "It's better to let Your Excellency Yue Feng show his strength, so that we can open our eyes! "

When the last word fell, Lan Ling Peacock looked at Yue Feng with a hint of coldness.

Yes, Lanling Peacock did this to make Yue Feng make a fool of himself in public. You must know that the Feiyu League came to attack the Beast League before because Lanling Peacock was raided by Hu Ben, and Queen Suzaku was not angry, so she brought her subordinates to ask for one. statement.

It can be said that Lanling Peacock is not only the most powerful subordinate of Queen Suzaku, but also has a private relationship with her sisters. Now, because of this Yue Feng, Queen Suzaku has perished into the abyss, which makes Lanling Peacock very sad and angry.

However, Yue Feng is the VIP of the White Tiger King, Lan Ling Peacock can't blatantly trouble Yue Feng, but in any case, he must make a fool of himself in public.

Show strength?

Hearing this, the White Tiger King nodded with a smile: "Okay, this proposal is good."

Then, the White Tiger King turned to look at Yue Feng: "Your Excellency Yue Feng, what do you think?"

Yue Feng took a deep breath and smiled: "Since everyone is so interested, it's okay for me to show my strength, but I just want to ask, how does this beautiful peacock lady want me to show it?" The

last sentence fell. , Yue Feng's eyes fell on Lan Ling Peacock.

Lan Ling Peacock chuckled lightly: "As the Dragon Lord of the Qinglong family, you can shock the audience just by showing it off. Do you need me to remind you?"

Uh...

At this moment, Yue Feng scratched his head, a little embarrassment.

Chapter 3618

He could see that this Lanling Peacock was deliberately trying to embarrass herself in public, and no matter what she showed later, as long as she said some demeaning words, her face would be lost.

Thinking to himself, Yue Feng showed a smile, looked at Lan Ling Peacock and said, "It's just that it's boring for me to show it alone, so let

's have a test." Public shame.

"Okay!"

Lan Ling Peacock nodded without any hesitation, "What do you want to compare?"

When saying this, Lan Ling Peacock looked confident.

In her heart, Yue Feng helped the White Tiger King to defeat the Suzaku Queen. She was completely lucky, and her own strength was considered average. Competing with herself was completely looking for abuse.

"How to compare, you decide!" Yue Feng laughed.

Whoa!

When the voice fell, the entire stone hall was in an uproar.

"This Yue Feng is very confident."

"Yeah, this Lanling Peacock is the right-hand man of the Suzaku Queen, and his strength is extraordinary. He is only the dragon of the Qinglong clan, how could he be Lanling Peacock's opponent!"

"Interesting, this is interesting. It's over..." The

surrounding discussion came, Lan Ling Peacock was also stunned, frowning and looking at Yue Feng.

This Yue Feng is very confident, he dares to ask himself to make rules.

Thinking to herself, Lan Ling Peacock's eyes flashed with contempt, and then she pointed to a mountain a few miles away outside the stone hall: "Since you want to compare, let's compare, who can get to the top of the mountain in the shortest time. The stone lotus on top!"

When she said this, Lan Ling Peacock's delicate face was full of confidence.

At the same time, the entire stone hall also exploded.

The mountain outside the stone hall is the highest mountain in the entire demon seal land, with an altitude of more than 10,000 meters, which is the closest to the enchantment.

You must know that the reason why many monsters are trapped here and cannot leave is because the barrier is too strong, and that mountain, which is ten thousand feet high, is almost next to the barrier on the top, which is the most dangerous place.

In this case, it is almost impossible to collect the stone lotus above with the power of the enchantment.

The Lanling Peacock is the right-hand man of the Queen of Suzaku, and its flying ability is very strong, and it may be possible to succeed, but this Yue Feng, who is just a human, cannot do it at all.

For a time, many eyes of Shidian converged on Yue Feng, thinking that he would refuse.

After all, as long as your brain is normal, you will not bet with others in areas where you are not good at.

“Okay!”

However, Yue Feng did not hesitate at all and agreed decisively!

What?

Seeing Yue Feng's promise, the entire stone hall was in an uproar again.

The guy actually agreed.

Lan Ling Peacock also frowned, and she never expected that Yue Feng would agree so happily.

In the next second, Lan Ling Peacock didn't talk nonsense, nodded and said, “Very good, then I'll come first.” The voice fell, and the figure rose lightly, turned into a shock, rushed out of the stone hall, and headed towards the top of the mountain.

Wow....

At this moment, everyone in the stone hall poured out one after another, looking up at Lan Ling Peacock.

I saw Lanling Peacock's speed was extremely fast, and it reached the top of the mountain in the blink of an eye. At that moment, I saw the barrier above the top of the

mountain, a terrifying power surged, and this power condensed bolts of lightning, bursting towards Lanling Peacock. And go.

Chapter 3619

Call!

Seeing this situation, many members of the Feiyu League couldn't help but sweat for Lan Ling Peacock.

You must know that the enchantment in the sealed land of the demon clan contains very powerful power, and the lightning condensed is comparable to the thunder of the sky. If it is hit, it will not die or be disabled.

At the same time, Yue Feng frowned, looking at Lan Ling Peacock's figure with a bit of admiration.

I can't tell that this orchid peacock looks delicate and has courage.

Kazuzha...

Just as Yue Feng was muttering secretly, he saw that the top of the mountain was shrouded in lightning, but the figure of Lanling Peacock was extremely agile and elegant, quickly passing between several lightning bolts. pass through.

Afterwards, Lan Ling Peacock paused at the top of the mountain, and then quickly turned back.

In almost a few breaths, Lan Ling Peacock landed at the door of the stone hall, slowly raised his jade arm, and was close to him, holding a stone lotus on his right hand.

And she was completely unscathed. Obviously, the lightning formed by the enchantment just now did not hurt her at all.

Whoa!

Seeing this scene, the Feiyu League members present cheered.

Not only that, the White Tiger King and many members of the Beast League couldn't help but nod their heads in admiration.

"As expected of Lanling Peacock, this speed is really fast."

"Yeah, it's really eye-opening."

Listening to the praises from the surrounding, Lanling Peacock's delicate face showed a smile, revealing a bit arrogant.

The next second, Lan Ling Peacock looked at Yue Feng with a condescending tone: "Yue Feng, it's your turn, if you are not sure, you can immediately admit defeat."

"Of course, if you admit defeat, you have to give in to the middle. I kneel down and make a toast."

When saying this, Lan Ling Peacock's expression was calm, but there was a trace of hatred in his eyes. In her heart, Queen Suzaku was caused by Yue Feng, and it would be considered a bad temper to let him make a fool of himself now.

Huh...

The voice fell, and the eyes of the audience suddenly converged on Yue Feng.

Yue Feng frowned, not knowing whether to laugh or cry, Nima, this Lanling Peacock is trying to embarrass herself on purpose, but she doesn't seem to have any grudges with her.

On second thought, Yue Feng guessed something.

Yes, for the death of Queen Suzaku, I can't escape the guilt, and this Lanling Peacock is Queen Suzaku's most loyal subordinate, and I must hate myself very much in my heart.

Wanting to understand this, Yue Feng smiled at Lanling Peacock and said, "Since I made a bet, why should I take the initiative to admit defeat?"

After speaking, Yue Feng stretched his body and continued: "By the way, wait if I win. Now, you have to kneel down and make a toast to me." To

be honest, Yue Feng admired Lan Ling Peacock very much, but this competition involved his own dignity, how could he voluntarily admit defeat?

Swish.

Hearing this, Lan Ling Peacock's delicate face suddenly turned cold. Looking at Yue Feng's eyes, there was also a trace of anger.

This Yue Feng is really arrogant.

The surrounding Feiyu League members were also in an uproar.

"This Yue Feng is quite confident."

“Haha, I think it’s a good mouth.”

“That’s right, in terms of Yukong’s flying speed, even the White Tiger King doesn’t dare to be so confident. He is just a human, and he dares to challenge Lanling Peacock. It’s really beyond his own power.”

Hu Ben frowned anxiously amid the surrounding discussions. not.

The next second, Hu Ben walked over quickly, pulled Yue Feng, and said in a low voice, “Your Excellency Yue Feng, I don’t think you should compete anymore, you should just admit defeat, and I’ll talk to you later, you don’t need to kneel down for her, Just pour a glass of wine.”

When he said this, Hu Ben looked serious.

You must know that Lanling Peacock is the right-hand man of the Queen of Suzaku, and has an incomparably excellent flying ability in the sky, so it is easy to pluck the stone lotus from the top of the mountain without being struck by the lightning of the enchantment.

And Yue Feng, although he is the Dragon Lord of the Qinglong family, is a human after all. Even if he can fly in the sky, flying has no innate advantage for him. How could he be the opponent of Lanling Peacock?

Ha ha....

Chapter 3620

Seeing Hu Ben’s serious face, Yue Feng was very moved, and then smiled at Hu Ben and comforted in a low voice, “It’s okay.”

After saying this, Yue Feng looked at the top of the mountain, calculating the distance in his heart.

Seeing Yue Feng standing there motionless, many members of the Feiyu League thought he was timid and couldn’t help laughing.

“Haha, this kid seems to be scared.”

“Let’s just say, he’s only lip-smacking.”

“Not bad!”

Listening to the ridicule around, Yue Feng looked calm and didn’t care.

“Hey!”

At this moment, Lan Ling Peacock couldn't bear it anymore, and said to Yue Feng, "Aren't you starting yet? If you are really not sure, just give up."

Hearing this, Yue Feng couldn't bear it. ZHU laughed: "Our game isn't over yet, how do you know I'm not sure, I think you'd better prepare and wait for me to kneel down at the bar."

"You..."

Lan Ling Peacock's pretty face After a change, the angered body trembled.

Yue Feng took it easy, stopped teasing Lan Ling Peacock, took a deep breath, his figure rose into the sky, and went straight to the top of the mountain.

Um?

Seeing this scene, whether it is the Feiyu League or the Beast League members, they are all stunned.

This guy really dares to go.

Aren't you afraid of being struck by lightning?

However, in shock, many members of the Feiyu League showed disdainful smiles, because they clearly saw that although Yue Feng was very fast, it was still 108,000 miles behind Lanling Peacock.

After all, flying in the sky is the innate advantage of Lanling Peacock, and Yue Feng is only a human being, and no matter how fast he has to be, he can't compare to one-tenth of Lanling Peacock.

Whoosh!

A few seconds later, Yue Feng reached the top of the mountain.

That is, at this moment, an incomparably violent force surged out of the barrier on the top of the mountain, followed by dark clouds, lightning and thunder.

Bang bang bang...

Then, under the violent shaking, I saw one after another thunder and lightning, tearing apart the world and slashing towards the top of the mountain. In the blink of an eye, the entire mountain top was filled with dust and smoke, shrouding Yue Feng's figure.

This....

seeing this scene, the stone hall is silent.

The members of the Feiyu League had complicated eyes, and none of them sympathized with Yue Feng.

This guy had to be brave, and he deserved it when he was struck by lightning now.

Lan Ling Peacock stood there, her delicate body trembling faintly, and her heart was inexplicably excited and excited.

Queen Suzaku was killed by this Yue Feng, and because of the White Tiger King, she couldn't kill him herself. At this time, she could use the power of enchantment lightning to get rid of him.

Ugh!

In the silence, Hu Ben clenched his fists tightly and stared at the dusty smoke on the top of the mountain, anxious.

Your Excellency Yue Feng is really impulsive.

Like the members of the Feiyu League, Hu Ben also believed that Yue Feng was more fortunate and less fortunate.

At this moment, on the top of the mountain.

card wipe...

At this time, on the top of the mountain, thunder and lightning were raging everywhere, it was like the end of the world. However, between the lightning bolts, there was a figure that quickly shuttled back and forth.

This figure is Yue Feng.

At this time, Yue Feng's speed was very fast, and wherever the figure passed, afterimages appeared one after another, which was almost difficult to catch with the naked eye.
