

## The ultimate husband in Chinese chapter 3621-3630

### Chapter 3621

Yes, Yue Feng exerted the power of bird ancestors.

Speaking of which, if it was a day ago, Yue Feng would never have made a bet with Lan Ling Peacock, but after possessing the power of Bird Ancestor, it will be different.

However, Yue Feng knew in his heart that Bird Ancestor's power was no trivial matter. Therefore, when he made a bet with Lanling Peacock just now, Yue Feng did not show off the mountains or water, but at this time, after reaching the top of the mountain, the power of the ancestors of the bird broke out.

Whoosh ....

At this moment, I saw Yue Feng's figure, constantly shuttled back and forth in the lightning, if it was someone else, they would have been struck by lightning long ago, but Yue Feng's speed is many times faster than lightning.

While the figure was constantly shuttled, Yue Feng took action, and kept collecting stone lotuses.

At this time, the stone hall is here.

Ugh!

Seeing Yue Feng's figure, submerged in countless lightning bolts, Hu Ben turned his head and couldn't bear to look again, feeling extremely sad in his heart.

The White Tiger King also had a look of regret, and said to himself: "Your Excellency Yue Feng is too brave, it's a pity..."

Saying this, the White Tiger King's eyes flashed with a bit of indifference. , Speaking of which, Yue Feng is indeed a talent. Without him, the White Tiger King would not have conquered so many members of the Feiyu League, but then again, no matter how powerful Yue Feng is, he is also a member of the Qinglong family.

In this case, the White Tiger King would naturally not care about Yue Feng's life or death.

call!

Hearing the regret of the White Tiger King, the surrounding Beast League members also fell silent.

As for Lan Ling Peacock and the members of the Feiyu League, they all looked indifferent. This Yue Feng, who indirectly killed the Queen Suzaku, was killed by lightning and was completely retribution.

This chapter is provided by . Visit for daily update.

“All right!”

Finally, the White Tiger King reacted, looked around and said, “It seems that Your Excellency Yue Feng is unlikely to come back alive, everyone come in, and the banquet continues!”

After speaking, the White Tiger King was about to return to the stone hall, but at this moment In an instant, seeing the direction of the top of the mountain, the whole person was stunned.

Swish!

At the same time, the eyes of the audience followed the eyes of the White Tiger King, all of them in shock.

“Yue Feng... he’s actually fine!” In the

next second, someone shouted, and the surrounding area exploded.

I saw that in the dust and smoke on the top of the mountain, a handsome figure rushed out with a cold look, it was Yue Feng.

In a twinkling of an eye, Yue Feng landed on the open space in front of the stone hall, dressed in a long gown, his demeanor remained the same, and there was no sign of being struck by lightning all over his body.

This...

Seeing that Yue Feng came back safely, whether it was the White Tiger King, Lan Ling Peacock and the others, their eyes widened in disbelief.

This... this Yue Feng, was not struck by lightning, how is this possible?

Especially Lan Ling Peacock, her delicate body trembled faintly, and her mind was blank.

She had tried the power of the lightning herself, and it was so terrifying. At that time, Lan Ling Peacock also tried her best to avoid the bombardment of the lightning and successfully collect the stone lotus, but the process was also full of dangers.

And this Yue Feng seems to be more relaxed than himself.

How is this possible?

“Haha...”

At this time, Hu Ben reacted, rushed over with a loud laugh, and praised Yue Feng: “Your Excellency Yue Feng, I knew you would be fine.”

“But then again, you are really amazing. With so much lightning raging, you can still come back safe and sound.”

At this time, Hu Ben was sincerely happy. Although he didn’t have much contact with him, he already regarded Yue Feng as a friend in Hu Ben’s heart. , can’t you be happy to see him okay at this time?

However, at this moment, someone next to him sneered: “What if you can come back safely? If you didn’t pick up the stone lotus, you still lost?”

Yes!

Chapter 3622

Hearing this, there was a lot of discussion around.

“That’s right, Shi Lian didn’t collect it, what’s there to be happy about?”

“I’ve been busy for a while, I think it’s amazing, and I still lost in the end?”

“Hurry up and kneel down to the bar for Lan Ling Peacock.” The

surrounding discussion came , Lan Ling Peacock also recovered from the shock, with a proud sneer on his face.

Immediately afterwards, Lan Ling Peacock said indifferently to Yue Feng: “You lose, fulfill the bet!” The voice was not loud, but it was full of mockery.

What if this Yue Feng could come back safely? If you don’t collect Shilian, you won’t be able to win yourself at all.

Ha ha!

Facing Lan Ling Peacock’s cold arrogance, Yue Feng smiled slightly: “Who told you that I lost?” With that, Yue Feng put his hand into the spirit beast’s bag, and threw the stone lotus in it on the ground at will.

Wow...

There are dozens of stone lotuses scattered on the ground. These stone lotuses, if you take out any one, are bigger and better than those collected by Lan Ling Peacock.

quiet!

At this moment, the entire stone hall was silent as death, almost a needle dropped, and you could hear it clearly.

Whether it is the Beast League or the Feather League, they are all stupid.

“This...” I don’t know who it is, I couldn’t help swallowing my saliva and muttered: “My God, not only did we avoid all the lightning in such a short period of time, but also collected so many stone lotuses. “

This voice is like a fuse, and all of a sudden, the audience’s discussion sounded like a tide.

“How did this Yue Feng do it?”

“Yeah, how could he be a human being who has the ability to fly in the sky faster than Lanling Peacock?”

At this time, these members of the Beast League and Feiyu League did not know that Yue Feng had the power of the ancestors of birds. Although it is a human, in terms of the ability to fly in the sky, it is not comparable to the Lanling Peacock.

At this time, Lan Ling Peacock’s delicate body was trembling, and she stared at Yue Feng blankly, completely dumbfounded.

My heart was even more shocked.

impossible!

This Yue Feng is just a human being, how could the ability to fly in the sky be faster than me?

Moreover, in such a short period of time, so many stone lotuses can be collected.

“Okay!”

Just when Lan Ling Peacock was shocked, Yue Feng slowly walked over and said with a smile: “The game is over, you lost, now you can fulfill the bet!”

Shah!

The voice fell, and the eyes of the audience suddenly converged on Lan Ling Peacock.

Lan Ling Peacock's beautiful face instantly flushed red, biting her lip, indescribably humiliated and embarrassed.

At this time, Lanling Peacock was very angry. He thought that with the help of this celebration banquet, this Yue Feng could make a fool of himself, but he never expected that he would shoot himself in the foot with a stone.

"Lanling Peacock!"

At this time, the White Tiger King said, "I would like to admit defeat. If you lose, you must fulfill the bet, and hurry up and kneel down to the bar for Your Excellency Yue Feng."

When he said this, the White Tiger King looked indifferent . .

In the eyes of the White Tiger King, the game just now was just to liven up the atmosphere of the celebration feast. It doesn't matter who wins or loses, and it doesn't even consider the majesty of Lan Ling Peacock.

"I..."

Hearing this, Lan Ling Peacock's delicate body trembled, and her whole body was full of resistance.

This Yue Feng indirectly killed Queen Suzaku, how could he kneel to him?

Chapter 3623

"Forget it, forget it!"

At this moment, Yue Feng waved his hand and said with a smile at Lan Ling Peacock: "The game just now was just a game, you don't need to take it seriously, let's just give it to you. I'll just pour a glass of wine!"

Yue Feng won the Lanling Peacock and was in a good mood, but he didn't get carried away.

Yue Feng could see that Lanling Peacock had been making things difficult for himself just now, entirely because of Queen Suzaku, so he didn't want to care about it. After all, Yue Feng got the power of bird ancestors from Queen Suzaku.

What?

Hearing this, Lan Ling Peacock was stunned.

This Yue Feng did not let himself kneel?

Muttering in her heart, Lan Ling Peacock walked over slowly and poured a glass of wine for Yue Feng.

Um!

Yue Feng nodded, drank the wine in the cup, and then smiled at Lanling Peacock and said, "Don't be too confident in what you do in the future. Otherwise, it will be self-defeating."

At this moment, Lanling Peacock said with a smile. His face turned red, and he was very unhappy.

This Yue Feng, who was just lucky enough to win over him, actually put on a pedigree.

Thinking to herself, Lan Ling Peacock wanted to refute a sentence, but she held back.

"Haha..."

At this moment, the White Tiger King couldn't help but clapped his hands and said to Yue Feng, "It's really wonderful, I didn't expect Your Excellency Yue Feng to collect so many stone lotuses at once, but I'm very curious. How did you do it?"

At the same time as he asked, there was curiosity in the eyes of the White Tiger King.

You must know that the Lanling peacock flies very fast, but even so, it can only collect one stone lotus, and this Yue Feng, just a human, not only successfully collected the stone lotus, but also the number of stone lotus is more than the Lanling peacock. dozens of times more.

This is simply incredible.

Swish!

The voice fell, and the eyes around him suddenly converged on Yue Feng. Like the White Tiger King, they are also very curious.

After all, Yue Feng is only a human being, and it is unbelievable that he can beat Lan Ling Peacock in the ability to fly in the air.

Lan Ling Peacock also looked closely at Yue Feng, and was equally curious.

This...

Yue Feng scratched his head, smiled and said: "Actually, there is no trick, just luck."

Good luck?

Hearing this answer, there was an uproar in the audience.

This is too easy to say. White Tiger

King is a smart person. It can be seen that Yue Feng is just perfunctory. He didn't ask any further questions, and smiled: "Okay, but I have to say, the game just now was really exciting."

He raised his glass and looked around the audience: "Come on, today is a day to celebrate, everyone must be drunk and never return !

"

In unison.

This celebratory feast lasted for several hours and didn't end until very late.

During this period, Yue Feng asked the White Tiger King a lot about the formation. However, the clues he got were very few. After all, the monsters trapped here did not understand the technique of formation, otherwise , has already broken the enchantment.

Early the next morning, Yue Feng went to see the White Tiger King.

Chapter 3624

"Your Majesty the White Tiger King!"

At this time, in the stone hall, Yue Feng looked sincere and said to the White Tiger King: "I plan to investigate the situation of the enchantment, and I am sure that Your Excellency the White Tiger King can arrange some manpower for me.

" The

White Tiger King nodded and said with a smile: "Now that the Beast League and the Feiyu League are one, and there is no internal fighting, it is time to find a way to get out of here. Your Excellency Yue Feng said so, I really can't ask for it.

" Then, the White Tiger King said to the Qicai Lingfeng and Lan Ling Peacock next to him: "Since Your Excellency Yue Feng wants to investigate the enchantment, you should help."

Qicai Lingfeng is the leader of the Phoenix family. She is charming and sexy, but her personality is incomparable. Cold and arrogant.

Lanling Peacock is the leader of the Peacock family.

“Yes, Your Excellency the White Tiger King!”

At this moment, Qi Cai Lingfeng and Lan Ling Peacock responded in unison, but their expressions were a bit complicated.

They didn't really surrender to the White Tiger King. At this time, the White Tiger King asked them to accompany Yue Feng to explore the enchantment together, and they were somewhat conflicted.

Just in front of the White Tiger King, he didn't show it.

A few minutes later, Yue Feng and Qicai Lingfeng left the stone hall with dozens of Feiyu League members.

Along the way, Yue Feng kept asking about the enchantment. However, Qi Cai Lingfeng was arrogant and taciturn, and Lan Ling Peacock lost to Yue Feng in the competition yesterday, and was also ignorant, which made Yue Feng very uncomfortable. depressed.

“You two!”

Yue Feng couldn't help but smile bitterly: “I know that you have resentment towards me for the death of Queen Suzaku, but you should be clear that the Beast Alliance and Feiyu Alliance become one, and the most important thing is to break the Leave the enchantment and get out of here, instead of endless infighting.”

“So, you have to do your best to help me, you know everything you can say, you can say everything, do you understand?”

Phew!

Hearing this, Qi Cai Lingfeng and Lan Ling Peacock looked at each other.

In the next second, Lan Ling Peacock breathed a sigh of relief and said slowly, “We have been trapped for tens of thousands of years, and we can't leave. Can you really break the barrier?”

There was deep doubt in his words.

Yue Feng couldn't help laughing: “If you don't tell me the situation, how do you know if I'm sure?”

Lan Ling Peacock pondered for a while, and said slowly: “Well then, I'll tell you what I know and see. Do you have that ability?”

For the next half an hour, Lan Ling Peacock explained the situation of the entire Demon Clan Sealed Land in detail.

It turned out that the enchantment above the Demon Race Sealed Land was formed by the condensed formation of four huge circles. This was a huge circle, which was deployed in four directions, east, west, north and south, and the distance between them was tens of thousands of miles.

In the past ten thousand years, while the Feiyu League and the Beast League were fighting, Queen Suzaku also sent her subordinates to investigate the four circles in detail. However, these four circles are too mysterious and complicated, and many demon clans fight against each other. I don't know anything about any technique, so despite numerous investigations, there has been no progress.

Four huge arrays?

Knowing these circumstances, Yue Feng's eyes flashed, and he quickly said to Lan Ling Peacock: "Quick, take me to see the four arrays."

At this time, Yue Feng was very excited.

Since the source of the enchantment is four arrays, then there is no need to be afraid. After all, his accomplishments in the formation and one technique have reached the peak of the realm.

Lanling Peacock responded, and together with Qicai Lingfeng, took Yue Feng to the nearest western formation.

What the hell!

Half an hour later, when he arrived in front of the Western Method Array, Yue Feng was completely stunned when he saw the scene in front of him, and he was extremely shocked.

You can see that the magic circle in front of you is completely built in a huge deep valley. At the bottom of the valley, hot magma is surging, and the flames can reach a height of several hundred meters. This entire valley is a huge furnace.

In this environment, let alone breaking the magic circle, I am afraid that it will be roasted to death by the scorching high temperature before it is close to the valley.

Chapter 3625

Call!

At this moment, Lan Ling Peacock calmed down and said to Yue Feng: "This is one of the magic circles. Over the past ten thousand years, Queen Suzaku has asked us to explore this magic circle more than once, but this valley is full of fireworks, which is very dangerous. ..."

When saying this, Lan Ling Peacock looked at the magic circle in the valley, with a bit of fear in his eyes.

Yue Feng nodded, then said with a smile: "I see, you guys are waiting here, I'll take a look inside this magic circle."

What?

Is he going to enter the magic circle?

In an instant, whether it was the Lanling Peacock or the colorful Lingfeng next to him, they were all stunned.

"Just because of your human flesh and blood, I'm afraid that you will be burned to death before you get close to the magic circle." After a few seconds, Qi Cai Lingfeng reacted and couldn't help but sneer.

In Qi Cai Lingfeng's heart, Yue Feng in front of him was completely trying to be brave.

You must know that the flames in this valley are so terrifying that even the colorful phoenix dare not approach it rashly. It can be said that the only person who can enter this circle is the Queen Suzaku.

After all, Queen Suzaku belongs to fire, but she is no longer there, and this Yue Feng, who went to the array to check with an understatement, was simply overconfident.

When the voice fell, the dozens of Feiyu League members around couldn't help but whisper.

"This Yue Feng is crazy!"

"That's right, this valley is full of fire, how can he get in as a human? It's just looking for death." The

surrounding muttering came, Lan Ling Peacock also frowned and said to Yue Feng. :  
"Don't mess around."

When he said this, Lan Ling Peacock's eyes were full of complexities.

Of course, Lan Ling Peacock is not worried about Yue Feng's safety, but is afraid that Yue Feng's rash intrusion will change the pattern of the circle. It doesn't matter when he dies, if the circle cannot be cracked, it will be troublesome.

Ha ha...

Facing Lan Ling Peacock's expression, Yue Feng smiled slightly: "I don't have full confidence, how dare I go in? Don't worry, if something goes wrong, I will take care of it alone." The

voice fell, and Yue Feng tapped his toes. On the ground, he flew up and flew towards the magic circle in the center of the valley.

"You..."

Seeing this scene, Lan Ling Peacock wanted to stop it, but it was too late. Seeing that Yue Feng was very fast, he was 100 meters away in the blink of an eye.

"Forget it!"

At this time, Qi Cai Lingfeng pulled the Lan Ling peacock down, and said lightly: "Since he wants to die, let him go."

The magic circle in front of him, Fei Yu League spent nearly ten thousand years, None of them were broken. This Yue Feng was just a human being, and it was impossible to find a way to crack the magic circle.

Hearing this, Lan Ling Peacock stopped speaking, but his eyes were still fixed on the direction of the magic circle.

I saw that Yue Feng was in front of the magic circle, and his figure was quickly drowned by the huge flames around him.

call!

At this moment, whether it was Lan Ling Peacock or the dozens of Feiyu League members behind him, they couldn't help but sweat for Yue Feng. The flames were burning so fiercely that Yue Feng entered like this, and it was not a moment. Burnt to ashes?

At this time, Yue Feng is here.

When approaching the magic circle, Yue Feng activated the power of bird ancestors in his body, and at the same time activated the spirit flame of the sky bird, forming a transparent protective film around his body.

Heavenly Fire Spirit Flame is a new fire formed by the fusion of Queen Suzaku's Fire Spirit and White Lotus Cold Fire. Its characteristics are more than ten times stronger than that of White Lotus Cold Fire. Naturally, it is not afraid of these blazing flames.

I saw that the moment the protective film was formed, the flames burning around Yue Feng were immediately isolated, and then Yue Feng easily entered the magic circle.

call!

## **The ultimate husband in Chinese chapter 3626-3630**

Chapter 3626 As

soon as he entered the magic circle, the scene in front of him suddenly made Yue Feng stunned, and he couldn't help taking a deep breath.

Damn... This seems to be the legendary Tianjue Annihilation Array.

Tianjue Annihilation Formation, in "Baiqi Divine Formation", there are only sporadic records. It is said to be one of the most powerful formations in the world at the beginning of the world.

Because there is no detailed record in the Baiqi Divine Formation, but Yue Feng can still see at a glance that the huge formation in front of him is the Tianjue Annihilation Formation, because Yue Feng can see that the raging flames in the entire valley are inextinguishable. , which is inspired by this magic circle.

It seems that it will take some time.

After being stunned for a few minutes, Yue Feng reacted and began to sit there cross-legged, trying to crack the formation.

One minute...

two minutes...

in the blink of an eye, ten minutes passed, and I saw Yue Feng sitting in the center of the circle, motionless, completely entering the realm of self-forgetfulness, you know, this kind of annihilation The formation is very delicate and complex, and even Yue Feng cannot break it in a short period of time.

At this time, Lan Ling Peacock is here.

Seeing that ten minutes passed, Yue Feng did not appear. Whether it was Lan Ling Peacock and Colorful Spiritual Wind, or the dozens of Feiyu League members behind, all of them were impatient.

Finally, a member of the Feiyu League couldn't help but said: "I haven't come out for so long, it must have been burned to ashes, what should we do?" The

voice fell, and the other members of the Feiyu League nodded.

Lan Ling Peacock bit her lip tightly and did not respond, but her heart was complicated.

This Yue Feng was so impulsive, he would not have come with him if he knew earlier.

This chapter is provided by . Visit for daily update.

"Huh!"

At this time, Qi Cai Lingfeng lost his patience, sighed lightly, and said lightly to Lan Ling Peacock: "I thought this Yue Feng was so capable, but in the end he was just an arrogant person, looking at the situation, people must have been burned to death, we don't have to wait, go back to the White Tiger King."

When she said this, Qi Cai Lingfeng's cold and arrogant face did not fluctuate in the slightest. In her heart, Yue Feng was just a human being. Life or death has nothing to do with her.

Um!

Lan Ling Peacock nodded and was about to leave with Qi Cai Lingfeng.

However, at this moment, one of the Feiyu League members glanced at the magic circle in the valley, and suddenly the whole person was stunned, and then couldn't help exclaiming: "Oh my God... The fire around the circle seems to be extinguished!"

What?

Hearing the shout, Lan Ling Peacock and Colorful Lingfeng, as well as the surrounding Feiyu League members, all looked back subconsciously, and their hearts trembled when they saw this.

I saw that the raging fire in the entire valley was quickly extinguished at a speed visible to the naked eye.

Huhuhu....

In less than a minute, except for the magma at the bottom of the valley, there was no trace of flames, and the temperature in the air suddenly dropped a lot.

This...

Seeing this situation, Lan Ling Peacock and Qi Cai Lingfeng looked at each other, both inexplicably shocked.

what 's wrong? Why did the fire suddenly go out?

Whoosh!

And just when they were in shock, they saw a figure, fast lightning, flying out of the formation, with a handsome and tall figure and a cold face.

Who is not Yue Feng?

What? He...he didn't even die!

Seeing Yue Feng, the entire valley was dead silent, whether it was Lan Ling Peacock, Qi Cai Ling Feng, or the members of the Fei Yu Alliance, all of them were dumbfounded, and their eyes were full of disbelief.

Chapter 3627

Whoosh!

Just when everyone was shocked, the figure of Yue Feng came quickly and landed steadily.

“You...”

At this moment, Lan Ling Peacock calmed down and couldn't hide the shock in his heart: “You broke this magic circle?”

Yue Feng smiled and nodded: “Yes! You didn't see it, in the valley. Has the flames disappeared?”

At this time, Yue Feng was in a very relaxed mood. He originally expected that it would take a few hours to break the Tianjue Annihilation Array, but it broke in less than an hour. Can you be unhappy? ?

Speaking of which, Yue Feng's ability to break the Kaitianjue annihilation formation so quickly was not entirely due to luck. Over the years, in addition to completely understanding all the formations in the Baiqishen formation, Yue Feng has also learned the essence of many formations and techniques from Guiguzi.

Hearing the answer, Lan Ling Peacock trembled, staring blankly at Yue Feng, speechless.

It was really broken by him.

Queen Suzaku was a subordinate of this magic circle. After trying countless times, they were all helpless, but at this time, it took him less than half an hour to break it.

If you hadn't seen it with your own eyes, who would have believed it?

At this moment, Qi Cai Lingfeng also looked at Yue Feng closely, with a strange brilliance in his eyes.

I didn't expect this Yue Feng to have such ability, it's really hidden. No wonder he was so appreciated by the White Tiger King.

And the dozens of Feiyu League members behind them were even more stupid, unable to speak for a long time.

"Okay!"

Facing the amazed eyes around him, Yue Feng looked relaxed and said with a smile: "It's a magic circle that has already broken one, it's still early, take me to find another one."

Lan Ling Peacock nodded, and was about to respond when suddenly, he heard a wave of breath coming from the sky not far away.

In an instant, whether it was Lan Ling Peacock or Yue Feng, they all looked up subconsciously!

What the hell!

Seeing this, Yue Feng's heart was shocked, and he couldn't help taking a breath!

I saw a large golden bird, flying rapidly, there are thousands of them, covering the sky and the sun, very spectacular!

In front of these big golden birds, are five men in golden robes.

The leader, with a gloomy face and a powerful aura all over his body, is Jinpeng!

Madd, it's him!

Seeing Jinpeng, Yue Feng's expression changed, and he was furious.

At the bottom of the abyss, Jin Peng took advantage of Queen Suzaku's weakness and forced Queen Suzaku to hand over her power. Yue Feng arrived in time and was almost beaten to death by Jin Peng. At the last moment, Queen Suzaku chose to burn her own life and kill her. The power was passed on to Yue Feng.

After that, Yue Feng, relying on the strength of Bird Ancestor, beat Jin Peng and fled.

In Yue Feng's heart, before leaving the sealed land of the demon clan, he must find Jinpeng and kill it to avenge Queen Suzaku. After all, Queen Suzaku was forced to death by Jinpeng. But I didn't expect to meet so soon.

Swish!

At this moment, Jin Peng's eyes also locked on Yue Feng, and he was furious.

Mad, bumped into this guy.

At that time, after Jinpeng escaped from the abyss, he quickly gathered the Jinpeng clan and gathered other members of the Feiyu League. However, the White Tiger King subdued most of the Feiyu League members and became stronger. In the past two days, he has been in the Encircle and suppress Jinpeng.

Under such circumstances, Jin Peng took the clan and kept fleeing everywhere. Just now, Jin Peng led the clan as he passed by the neighborhood. Seeing that the flames in the valley were extinguished, he came to check it out of curiosity, but unexpectedly, he ran into Yue Feng.

"Good boy!"

Chapter 3628

At this time, Jin Peng's eyes were fixed on Yue Feng, and his tone was full of gloom:  
"We meet again!"

Phew!

Feeling the resentment in Jin Peng's eyes, Yue Feng looked indifferent, chuckled lightly, and did not respond.

At this time, Jin Peng's eyes fell on the colorful Lingfeng and Lanling Peacock, and his tone was full of mockery: "Tsk tsk, I didn't expect that Lanling Peacock and Colorful Lingfeng, who have always been loyal to Queen Suzaku, now not only take refuge in You killed the enemy and mixed with a despicable and shameless human being!"

"Queen Suzaku has always regarded you very highly, but you have taken refuge with the White Tiger King, don't you feel ashamed?"

When he shouted this, Jin Peng's eyes showed deep cunning.

When the Feiyu League was established, Jinpeng, Qicai Lingfeng and Lanling Peacock were both the right-hand men of Suzaku Queen, but in terms of status, Jinpeng was far inferior to Qicai Lingfeng and Lanling Peacock.

Compared with Jinpeng, Queen Suzaku has always valued the colorful Lingfeng and Lanling Peacock more.

This matter has always made Jin Peng brooding, and when he saw Lan Ling Peacock, he couldn't help laughing at it.

“Jin Peng!”

Hearing Jin Peng's ridicule, Qi Cai Lingfeng's pretty face changed, and she said coldly, “You don't have to be yin and yang here, we have never betrayed Queen Suzaku!”

Qi Cai Lingfeng has a cold and arrogant personality, and acts straight. When I saw Jin Peng's rude words, I couldn't help it!

When the words fell, Lan Ling Peacock took a step forward and said to Jin Peng: “Yes, we did not betray the Queen, and allegiance to the White Tiger King is just an expedient measure.”

When saying this, Lan Ling Peacock looked at Yue Feng vigilantly. at a glance.

This Yue Feng is the VIP of the White Tiger King, he can't let him spread the matter about his false surrender!

Seeing Lan Ling Peacock's eyes, Yue Feng suddenly understood something, smiled slightly, and said lightly: “Don't worry, I'm not from the White Tiger King. Whether you really rely on him or not has nothing to do with me!”

Phew!

Hearing this, Lan Ling Peacock breathed a sigh of relief.

“Okay!”

At this time, Jin Peng sneered and said to Lanling Peacock, “You said you didn't betray Queen Suzaku, why are you with this human?”

Lanling Peacock and Qicai Lingfeng looked at each other and were stunned. .

Is he loyal to Queen Suzaku, and what does it have to do with Yue Feng?

“Jin Peng, what do you mean? Make it clear!” Qi Cai Lingfeng frowned, coldly said.

Hehe...

Jin Peng's mouth curled into a sneer, and at the same time glanced at Yue Feng, and continued word by word: "At that time, Queen Suzaku was shot into the abyss by the White Tiger King. Although she was seriously injured, it did not endanger her life. He was healed."

"However, the queen was very unlucky. She encountered this sinister and cunning human. He not only killed the queen, but also took away the power of bird ancestors!

"Ten thousand times is not a pity." In the

last sentence, Jin Peng almost roared.

What?

Hearing this, whether it was Lan Ling Peacock or Colorful Lingfeng, all of them were shocked, and then their eyes locked on Yue Feng.

Nima!

Yue Feng's expression changed, and he was furious.

This Jinpeng is really despicable. The wicked sued first. It was clearly that he wanted to snatch the power of the bird ancestors from the Queen of Suzaku, but now he bites back.

Thinking to himself, Yue Feng took a deep breath and scolded Jin Peng coldly: "Jin Peng, you spit out blood, but what is the truth, you know better than me!"

Chapter 3629

Said, Yue Feng took a deep breath and said to Lan Ling Peacock: "The real situation is that Jin Peng committed the crime, taking advantage of Queen Suzaku's serious injury, and trying to rob the power of Bird Ancestor."

At this time, Yue Feng, I was very angry, Ma De, in the abyss, in order to protect Queen Suzaku, he was almost killed by Jin Peng, but now, Jin Peng is slandering himself in public.

Phew...

Hearing this, Lan Ling Peacock's delicate face was extremely solemn.

Lan Ling Peacock has a calm temperament. At this time, Yue Feng and Jin Peng are holding their own words, and it is difficult to tell them apart. She chooses to wait and see quietly.

Colorful Lingfeng is the same.

At this time, Jin Pengdao sneered, and said to Yue Feng sullenly: "You are still arrogant, you have taken the power of bird ancestors from the queen, this is iron proof, you can't tolerate quibbling!"

" , Jin Peng pretended to squeeze out a few tears, and said with grief and indignation: "I only regret that I didn't arrive in time and let the Queen be murdered by you, but I swear, I will kill you to avenge the Queen." I

have to say, Jin Peng The acting is very similar, especially the sad look, which is moving.

Swish!

Hearing this, Lan Ling Peacock and Qi Cai Lingfeng's eyes locked on Yue Feng again. Afterwards, Qi Cai Lingfeng could n't

help asking Yue Feng, "Is what Jin Peng said true? Did you really kill the Queen and take away the power of Bird Ancestor?" At this moment, whether it was Lan Ling Peacock or the dozens of Feiyu League members behind him, they also looked closely at Yue Feng, waiting for his answer. Yue Feng took a deep breath, nodded and said: "Yes, I got the power of the ancestors of birds, but this is the Queen Suzaku, who passed it on to me at the cost of burning life."

"Pass it on to you?"

Jin Peng couldn't help but pointed at Yue Feng and shouted: "The power of bird ancestors is the source of the power of all our bird races, and you are just a human, why did the queen pass it on to you? You? Don't you think it's ridiculous to make up such a low-level lie?"

Said, Jin Peng shouted at Lan Ling Peacock: "Lan Ling Peacock, Colorful Lingfeng, now the evidence is conclusive, don't hesitate to kill him directly. , to avenge the queen."

At this time, Jin Peng's eyes were full of viciousness.

To be honest, Jinpeng wanted to act immediately at this time, but thinking that Yue Feng had the power of the ancestor of the bird, and his strength was too strong, he decided to incite the colorful phoenix and the peacock with Lanling.

Jin Peng thought about it, and when Yue Feng and Lan Ling Peacock were both defeated, he would take action to clean up the mess.

As soon as the voice fell, the Jinpeng clan all started to drink coquettishly!

“That’s right! This human being is so abhorrent, we must not spare him lightly!”

“Kill him and avenge the queen!”

“Kill him...” The

surrounding anger kept coming, Yue Feng looked calm, watching Jin Peng said: “You really can confuse black and white. At that time, you committed the following crimes and forced Queen Suzaku to a desperate situation. In desperation, you passed on the power of bird ancestors to me. Now you bite back, you really have a face.”

Jin Peng His face turned red, and he was speechless for a moment.

In the next second, Jin Peng was too lazy to talk nonsense and shouted at Lanling Peacock: “Lanling Peacock, colorful phoenix, this Yue Feng has the power of bird ancestors, and the evidence is like a mountain, he is the murderer of the Queen, what else do you have? Can you be hesitant?” The

voice

fell, Lan Ling Peacock and Qi Cai Lingfeng looked at each other, and then the figure burst out and came directly towards Yue Feng.

To be honest, Lan Ling Peacock and Colorful Lingfeng originally did not believe that Yue Feng would kill Queen Suzaku, but he has the power of bird ancestors, which is an irreversible fact.

Nima!

Seeing Lanling Peacock flying in at the same time as Qicai Lingfeng, Yue Feng was very depressed and said helplessly: “You really don’t believe me? This Jin Peng is bloody, the truth is not what he said at all.”

Chapter 3630

Lan Ling Peacock bit her lip and said coldly: “Stop talking nonsense, no matter what the truth is, you have the power of bird ancestors, this is a fact.”

Om!

The voice fell, and a powerful breath burst out from Lan Ling Peacock's body, quickly covering Yue Feng.

At the same time, Qi Cai Lingfeng also raised her jade hand and hit Yue Feng with a palm.

In the face of this situation, Yue Feng wanted to cry but had no tears, so he had no choice but to mobilize the power of Bird Ancestor, and the two Lanling Peacocks fought fiercely in mid-air.

Haha...

Seeing this scene, Jin Peng was suspended in mid-air, indescribably excited.

Lan Ling Peacock and Qi Cai Lingfeng were finally deceived by themselves. With the two of them to deal with Yue Feng, they could sit on the mountain and watch the tiger fight and wait for work.

On the battlefield!

Yue Feng and Lan Ling Peacock, two, three figures, constantly shuttled each other in mid-air.

Lan Ling Peacock and Qi Cai Lingfeng cooperated tacitly. Every time they made a shot, they could cause a twist of air, which was very powerful. Speaking of which, if it was a few days ago, Yue Feng would have been defeated long ago, but at this time, he has the power and strength of the ancestors of birds. The present is not what it used to be, and for a time it was on par with Lan Ling Peacock.

In the blink of an eye, half an hour passed, and the two sides were still on a par.

After being unable to stand for a long time, Lan Ling Peacock was a little anxious, and couldn't help but said to Jin Peng: "Jin Peng, come and help."

At this time, Lan Ling Peacock felt both grief and anger, and shock.

The Yue Feng in front of him is really despicable. He actually killed the queen and captured the power of Bird Ancestor. No wonder he was able to collect so many stone lotuses on the top of the mountain in yesterday's competition.

Today, no matter what, we have to catch him.

However, in the face of Lan Ling Peacock's shout, Jin Peng was suspended there, looking calm and composed, and had no intention of helping.

Jinpeng's purpose is to make Yue Feng and Lan Ling Peacock lose both, so how could they take action earlier? After all, Yue Feng has the power of bird ancestors, and his strength is very strong. Jinpeng's rash shot will only consume his own strength.

Soon, another half an hour passed. Whether it was Yue Feng, Lan Ling Peacock and Qi Cai Lingfeng, their strength was almost exhausted under the fierce battle, and their faces were pale.

"Haha, go to hell, kid!"

Seeing this situation, Jin Peng knew that the time was right, he didn't hesitate at all, he laughed loudly, then swooped down, lightning fast, and slapped Yue Feng's back with a palm!

hum!

The moment he rushed to the front, a powerful aura burst out from Jin Peng. .

Madd, this shameless villain.

At this moment, when he saw Jin Peng attacking from behind, Yue Feng was startled, and his eyes were blood red.

To be honest, when Jin Peng made a slander just now, Yue Feng knew that Jin Peng would definitely make a surprise attack, but he never thought that he would be so blatant and not cover up at all.

"Boy!" The corner of Jin Peng's mouth rose slightly, unable to hide his excitement and hatred, and said coldly: "I said, I will kill you with my own hands to avenge the queen, you, go to hell!" As the

voice fell, Jin Peng's inner strength surged. Move, shoot out with one palm.

boom!

Jinpeng's speed was too fast, Yue Feng didn't have time to react, this palm slammed into Yue Feng's back, and he heard a dull vibration, Yue Feng's blood spurted wildly, and the whole person flew out at once.

Pfft!

After flying more than 100 meters away, Yue Feng sprinkled a rain of blood in the air, and finally fell heavily on a huge rock. The pain came, and he almost fainted.
