

## The ultimate husband in Chinese chapter 3651-3660

Chapter 3651 When the

voice fell, Jin Peng raised his hand and waved: "Encircle!"

Whoa..

When the voice fell, thousands of men behind him erupted and surrounded Yue Feng and Qicai Lingfeng.

For a time, the atmosphere was dignified, and the war was about to break out.

Buzzing...

However, at this time, a strong breath came from not far away. In an instant, neither Yue Feng nor Jin Peng couldn't help looking at it.

Seeing this, Yue Feng's expression relaxed, and a smile appeared on his face.

hiss!

On the other hand, Jin Peng's expression changed, and he couldn't help taking a breath!

I saw tens of thousands of members of the Beast Alliance coming in a mighty manner, surrounding the area of 1,000 square meters, like an iron barrel. A, suspended in mid-air, majestic, with an amazing aura.

Oops!

At this moment, Jin Peng's expression changed, from anger to anxiety.

Nima, did this White Tiger King come so soon?

In Jin Peng's plan, first capture the power of bird ancestors in Yue Feng's body, and then, when he has the power of bird ancestors, after the strength is enhanced, he will talk to the white tiger king.

But how did he never expect that before the power of Bird Ancestor was obtained, his whereabouts were found by the White Tiger King.

"Jin Peng!"

At this time, the White Tiger King's eyes were fixed on Jin Peng, his tone was cold, and he couldn't hide his arrogance: "I see you still running there now!"

Huh!

Feeling the powerful momentum of the White Tiger King, Jin Peng was nervous in his heart, but he pretended to be very calm.

At this time, the White Tiger King tilted his head to look at Yue Feng: "Your Excellency Yue Feng, are you all right?" His mouth was polite, but his eyes were full of suspicion.

At the same time, the White Tiger King couldn't help but look at the colorful Lingfeng beside Yue Feng and muttered in his heart.

This Yue Feng and Qi Cai Lingfeng said that they were going to investigate the situation of the enchantment, but one day passed, but they did not report anything.

"It's okay!"

At this time, facing the White Tiger King's question, Yue Feng responded, "Although this Jinpeng is cunning and despicable, he can't do anything to me." The

White Tiger King arrived, and Lan Ling Peacock was saved.

Hearing the response, the White Tiger King nodded, and then glared at Jin Peng: "Jin Peng, Queen Suzaku is dead, the Feiyu League and the Beast League have merged into one, only you Jinpeng clan are still wandering around, you think, just rely on You Jinpeng family, can you compete with me?"

"Also, this Mr. Yue Feng is my guest, you dare to deal with him, but you just ignore me." The

words were full of majesty and domineering.

Gudong.

Jin Peng secretly swallowed his saliva, turned his eyes, and smiled: "Your Excellency the White Tiger King, you are serious, you are so strong, how can I dare to fight against you? A big gift to honor you." A

big gift?

Hearing this, the White Tiger King was stunned: "What a gift."

Jin Peng smiled slightly, then raised his finger to Yue Feng, and said loudly: "This gift is the power of the ancestor of the bird on Yue Feng. Your Excellency the White Tiger

King, perhaps you don't know, before the Queen Suzaku died, the power of the ancestor of the bird was used. It was passed on to Yue Feng, and let Yue Feng revive the Feiyu League. Also, Lan Ling Peacock and Qi Cai Lingfeng are loyal to you on the surface, but they have secretly colluded with Yue Feng..”

“This day, I have been chasing Yue Feng. Three Feng, I want to seize Yue Feng and dedicate the power of his ancestors to you.”

When he said this, Jin Peng's face was sincere, but his eyes flashed with cunning.

Jin Peng knew very well that in the current situation, continuing to fight against the White Tiger King would be nothing but courting death. It would be better to shift the White Tiger King's attention to Yue Feng.

## Chapter 3652

As long as the White Tiger King and Yue Feng fight, he can take advantage of the fisherman.

Swish!

Hearing this, the White Tiger King's eyes instantly locked on Yue Feng.

At the same time, tens of thousands of members of the Beast League all focused on Yue Feng, all of them shocked.

This... This Yue Feng got the power of the ancestor of the bird from Queen Suzaku?

“Your Excellency Yue Feng!”

Finally, the White Tiger King reacted and asked Yue Feng, “Is what Jin Peng said true? You got the power of the ancestors of birds?” You know, the power of bird ancestors is no trivial matter.

call!

Yue Feng took a deep breath and replied slowly: “Yes, but the situation is not what Jin Peng said, although I got the power of Bird Ancestor, I never thought of participating in the battle between your Beast League and Feiyu League. You know, I just want to get out of here as soon as possible.”

When he said this, Yue Feng gave Jin Peng a cold look, his heart was full of anger.

Mad, this Jinpeng is so despicable, he even wanted to use the White Tiger King to deal with me.

Hearing this, the White Tiger King's eyes flickered and he pondered.

"Hehe..."

At this time, Jin Peng sneered and shouted at Yue Feng: "Okay Yue Feng, you don't have to pretend, Lan Ling Peacock and Colorful Lingfeng, who said before, didn't really want to join the White Tiger King. Your Excellency, I and my subordinates all heard it at that time."

"It's a fact that they have done their best to help you this day..."

After saying the last sentence, Jin Peng said eagerly at the White Tiger King: "Your Excellency the White Tiger King, This Yue Feng has ulterior motives and is still a human being, so don't hesitate, don't hesitate."

Under the bewitched by Jin Peng, the White Tiger King made a decisive decision and shouted: "Come on, take Yue Feng and Qi Cai Lingfeng down." Having said that, it is no trivial matter that Yue Feng, a human being, has obtained the power of bird ancestors. Once left alone, the consequences will be unimaginable.

The White Tiger King has thought about it, and he will take Yue Feng first, while the Jinpeng family are weak and weak, so it is not a cause for concern.

Nima!

Seeing the outbreak of the Beast League, Yue Feng was shocked and angry, and he never thought that the White Tiger King would be successfully bewitched by Jin Peng.

At the same time, Qi Cai Lingfeng was also anxious.

The next second, Qi Cai Lingfeng shouted at the White Tiger King, "Your Excellency the White Tiger King, don't believe Jin Peng's words, he wants us to kill each other."

However, the White Tiger King ignored Qi Cai Lingfeng.

At the same time, a burly figure rushed out quickly, it was Hu Ben.

At this time, Hu Ben looked anxious and said to the White Tiger King, "I also think Jin Peng's words are not credible. Your Excellency Yue Feng, before helping us deal with the Queen Suzaku, he is our friend!"

Hu Ben has an upright personality, and he doesn't do anything about it. I would like to believe that Yue Feng will unite the colorful peacocks against the Beast League.

"Shut up!" The

White Tiger King's face was gloomy, and he shouted angrily at Hu Ben: "Yue Feng got the power of Bird ancestors, but he kept it from us. He was so ulterior motive, he must take it down and interrogate it properly."

"But..." Hu Ben looked anxious . . . , but also to speak for Yue Feng.

However, as soon as he said two words, he was interrupted by the White Tiger King: "Hu Ben, you help Yue Feng to speak everywhere, do you also want to betray me?"

Shah!

Hearing this, Hu Ben trembled, and quickly lowered his head and said, "I don't dare." Then he silently stepped aside.

Buzz buzzing...

At this time, countless Beast Alliance members burst into force and rushed to Yue Feng's eyes.

Chapter 3653

At the same time, the colorful Lingfeng was also surrounded.

"I'm afraid you won't be successful?" Qi Cai Lingfeng shouted, and went straight to face it, fighting fiercely with hundreds of Beast Alliance members.

Madd, it seems that this battle cannot be avoided.

At this moment, Yue Feng did not hesitate at all, his figure rose into the sky, and then he raised his right hand, the air around his body suddenly distorted, and then a dark purple flame jumped out.

It is Tianque Lingyan.

The Heavenly Sparrow Spirit Flame is a brand-new strange flame derived from Yue Feng's fusion of the power of the White Lotus Cold Fire and the Suzaku Queen, and its power is even more terrifying.

"Huhu!" In the

blink of an eye, the Sky Sparrow Spirit Flame formed a sea of purple-red flames, sweeping towards the surrounding Beast League members, and in the purple-red flames, there were also streaks of thunder light.

Obviously, this is the power of thunder and lightning that Yue Feng had just absorbed in the Five Thunder Execution Formation.

What?

Seeing the scene in front of them, the faces of the Beast League members who rushed in front of them changed greatly, and then they urged their energy to form a protective film in front of them.

Chi Chi...

The flame spread to the protective film, making a burning sound, and in a blink of an eye, the protective film was burned and disappeared. Immediately afterwards, many members of the Beast League, who had no time to escape, were instantly drowned in the sea of flames, let out bursts of screams, and fell from the air.

Hiss...

Seeing this scene, the rest of the Beast League members couldn't help but gasp.

What is this fire? so horrible.

In panic, the remaining Beast League members all retreated subconsciously. Although they still surrounded Yue Feng, none of them dared to approach rashly.

At the same time, the White Tiger King also looked gloomy.

Mad, this Yue Feng has the power of Bird Ancestor, and his strength has increased so much.

In the next second, the White Tiger King couldn't help shouting: "Everyone, be careful, don't get burned by his fire!" After

hearing this, the members of the Beast Alliance did not dare to underestimate the enemy, and kept their distance from Yue Feng one by one. , and then broke out their skills and attacked Yue Feng.

hum!

In an instant, tens of thousands of Beast Alliance members erupted together, and the entire sky distorted.

Seeing this scene, Yue Feng did not panic at all. He calmly activated the power of Bird Ancestor, and saw a group of blood-colored rays of light burst out from Yue Feng's body, and then, a piece of blood-colored feathers condensed around Yue Feng, and finally formed a huge Vermilion Sparrow shape.

This Suzaku form was transformed from the power of Bird Ancestor. It was more than 100 meters long and filled with powerful defensive power.

Bang bang bang... The

next second, thousands of skills bombarded and burst out, all of which were blocked by the transformed Suzaku.

quiet!

At this moment, both the White Tiger King and Jin Peng were all stunned.

So many attacks were easily blocked by Yue Feng.

This is too perverted.

In shock, the White Tiger King's eyes flashed with incomparably hot rays of light. Is this the power of Bird's Ancestor's power? Really strong, today I will get it no matter what.

call!

Seeing this scene, Lan Ling Peacock and Colorful Lingfeng were extremely excited.

"Your Excellency the White Tiger King!"

At this moment, Jin Peng couldn't help shouting: "This Yue Feng has just obtained the power of Bird Ancestor, and he hasn't fully integrated yet. He can't last long." As he

spoke, Jin Peng's eyes flickered. Dangerous.

Yes, Jin Peng's purpose is to let the White Tiger King personally take action. When the White Tiger King and Yue Feng are both defeated, Jin Peng will take the opportunity to raid and capture Yue Feng.

"Retreat all!"

Hearing Jin Peng's shouting, the White Tiger King took a deep breath, waved his hand, and signaled the Beast Alliance to step down.

Chapter 3654

Immediately afterwards, the figure of the White Tiger King erupted, heading straight for Yue Feng.

In a blink of an eye, the White Tiger King came to Yue Feng with a cold look in his eyes: "Yue Feng, you really can fight, I have so many men, I can't catch you, I'll come and see the power of your bird ancestors! "

The White Tiger King!” Yue Feng was frightened and helpless: “You have been fooled by Jinpeng, he just wants us to kill each other, so that we can take advantage of the fisherman!”

However, the White Tiger King at this time only If you want to get the power of Bird Ancestor, you don't listen to Yue Feng's words at all.

hum!

The White Tiger King was too lazy to talk nonsense, a powerful aura burst out from his body, and the surrounding air seemed to be stagnant in an instant!

The powerful coercion pervades the world, and the people who are suppressed panic!

The next second, the White Tiger King slowly raised his right hand and punched Yue Feng!

Nima...

Feeling the rapid lightning speed of the White Tiger King, Yue Feng scolded secretly. At this time, he didn't have time to dodge.

Facing the siege of the Beast League just now, Yue Feng consumed a lot of power, so he didn't dare to be careless at this time.

Bang!

In an instant, the fists of the two sides collided fiercely. Yue Feng only felt an overwhelming force coming from the mountains.

Nima!

The strength of this White Tiger King is worthy of being one of the four innate spirit beasts, and he has the power of the ancestors of birds, so he can barely block this punch!

At the same time, Lan Ling Peacock below was even more nervous, and a heart was mentioned in his throat.

Not far away, Qi Cai Lingfeng wanted to come over to help, but was surrounded by the Beast League and couldn't rush over.

Haha...

Seeing this scene, Jin Peng's mouth twitched into a smile.

The White Tiger King finally made his move. When both of them were defeated, he made a surprise attack and captured Yue Feng.

“Yue Feng, let’s capture it.” At this time, the White Tiger King looked at Yue Feng up and down, and said coldly, “No matter how you got the power of Bird Ancestor, you must hand it over to me today.”

Om!

The voice fell, and the air around the White Tiger King suddenly condensed! A terrifying force spread out from his body crazily!

“Blood Dance Crazy!”

A few cold words came out of the White Tiger King’s mouth, and in the next instant, the world changed color! Only heard a blast of thunder and a bang!

In the next second, I saw that the spiritual energy between heaven and earth was madly gathering around the White Tiger King, and the heaven and earth were instantly shrouded in a thick blood-colored fog!

What the hell!

Yue Feng’s face changed, and his heart was inexplicably panic.

Of course he knew this skill. At that time, Queen Suzaku was injured by the trick of the White Tiger King.

call!

At this moment, the next second Lan Ling Peacock also trembled, causing Yue Feng to break into a cold sweat.

Just now, when the White Tiger King punched, Yue Feng was able to block it with all his strength. Now that the White Tiger King is performing a stunt, I am afraid that Yue Feng can’t stop it.

hum!

At this time, the White Tiger King did not talk nonsense, his figure burst out from the blood mist, like a flash of lightning, and in front of him, a huge blood-colored tiger ripped apart the world and rushed towards Yue Feng.

Yue Feng didn’t have time to think about it, so he hurriedly used his inner strength to block Fang Tianhua halberd in front of him!

Bang!

The bloody tiger slammed into Fang Tianhua's halberd, and he heard Yue Feng let out a groan, and the whole person was shocked and flew out, flying more than 100 meters before falling heavily to the ground.

When he was besieged just now, Yue Feng had used up a lot of the power of Bird Ancestor, and at this time, he could not resist the stunt of the White Tiger King.

After all, this is one of the four innate spirit beasts, and its strength is on an equal footing with Queen Suzaku.

Chapter 3655

"Yue Feng!"

Seeing this scene, Lan Ling Peacock below couldn't help exclaiming.

Qi Cai Lingfeng also changed her pretty face. She couldn't hide her inner worries. She wanted to rush over to check Yue Feng's injury, but she was all under the White Tiger King and had no chance at all.

"Yue Feng!"

At this moment, the White Tiger King stared at Yue Feng with a proud tone, "Just because you are a human, do you want to fight against me?"

After speaking, the White Tiger King softened his tone and said hypocritically: "Yue Feng, I am not the villain who crosses the river and demolishes the bridge. I have never forgotten that you helped me deal with the Queen Suzaku, but the power of this bird ancestor does not belong to you humans, so hurry up and hand it over." As

he said, The White Tiger King slowly walked towards Yue Feng.

Strong breath, suffocating.

At this time, the White Tiger King was extremely proud, because Yue Feng, who was in front of him, obviously did not have the strength to fight again.

"Okay!" Seeing the White Tiger King getting closer and closer, Yue

Feng took a deep breath and smiled bitterly: "It's supposed to be like this, I don't have to insist, I will give you the power of bird ancestors!"

Feng raised his head and shouted at the sky: "Queen Suzaku, I'm sorry, I have to live up to your expectations of me."

When he shouted these words, Yue Feng looked unwilling, but there was a bit of cunning in his eyes. smile.

Yes, Yue Feng's weakness was faked, and he did not intend to give the power of the ancestor of the bird to the White Tiger King. At this time, it was just a false compromise.

Yue Feng knew in his heart that if he continued to confront the White Tiger King head-on, the result would be a lose-lose situation. In this way, Jin Peng's trick would succeed.

Ha ha...

Hearing this, the White Tiger King looked up to the sky and laughed, unable to hide his inner pride. I thought that Yue Feng would fight to the death, but I didn't expect to compromise so quickly, can you be unhappy?

Lan Ling Peacock and Colorful Lingfeng were shocked.

This... what's going on with this Yue Feng? He also expected him to revitalize the Feiyu League, but he was so soft so easily.

What?

At the same time, Jin Peng, who had been watching the game not far away, was also stunned.

Madd, did you hear me wrong?

This Yue Feng, want to hand over the power of bird ancestors to the White Tiger King? If this is the case, isn't his plan to let them kill each other in vain?

Thinking to himself, Jin Peng was secretly anxious, but the situation in front of him was not easy to interrupt.

"Yue Feng!"

Finally, Qi Cai Lingfeng reacted and shouted at Yue Feng: "Yue Feng, what are you doing? The power of Bird Ancestor was passed on to you by the Queen, how can you hand it over? Are you worthy of the Queen?"

As soon as the words fell, Lan Ling Peacock stomped his feet in a hurry: "Yue Feng, don't hand over the power of Bird Ancestor, don't..."

Alas!

Hearing this, Yue Feng had a bitter look on his face, and said helplessly: "Qicai Lingfeng, Lanling Peacock, I don't want to give it up either, but you have seen the

current situation, if we continue to fight, none of the three of us will survive. It is better to face the reality.”

Having said that, Yue Feng looked at the White Tiger King and continued: “Your Excellency the White Tiger King, is one of the four innate spirit beasts, and his status is on an equal footing with Queen Suzaku, I believe that he got the bird ancestor. After the power, you will definitely be able to lead all of your ethnic groups to successfully leave this ghost place.”

When he said this, Yue Feng looked serious, but his heart was very speechless.

Qi Cai Lingfeng and Lan Ling Peacock were once the right-hand man of Queen Suzaku, and they were very powerful. Unfortunately, their minds were too simple, and they didn't realize that they were pretending to compromise.

you....

### **Chapter 3656**

Hearing Yue Feng's words, Lan Ling's peacock-like body trembled.

Qi Cai Lingfeng couldn't bear it anymore, pointed at Yue Feng and cursed: “Shameless, Yue Feng, you are a coward, the queen really saw the wrong person, Lan Ling Peacock and I are even more blind... “

Qicai Lingfeng became more and more angry, and wanted to rush over to teach Yue Feng, but was quickly stopped by the men of the White Tiger King.

“Haha...”

Seeing this scene, the White Tiger King was indescribably happy, and praised Yue Feng: “Very good, you humans have a saying that those who know the current affairs are Junjie, Yue Feng, you really don't have one. Let me down, after you give me the power of Bird Ancestor, you will always be the guest of our White Tiger clan.” After

speaking, the White Tiger King smiled and looked at Yue Feng: “Okay, I won't say more, let's go. Hand over the power of Bird's Ancestor.”

Phew!

Yue Feng took a deep breath, nodded, and then raised his hands slowly, activating the power of his primordial spirit, a flash of red light flashed out, slowly in front of Yue Feng, and then condensed into a fist-sized red bead.

I saw that the bead was dazzling, and a flame was burning on the surface. The moment the bead was formed, the surrounding temperature instantly increased a lot.

Haha...

Seeing this scene, the White Tiger King stared at the bead with incomparable excitement.

The surrounding Beast League members were even more excited. This Yue Feng has handed over the power of Bird Ancestor. As long as the White Tiger King gets it, he can easily rule all the ethnic groups. At that time, everyone can unite and leave here.

The power of bird ancestors!

At the same time, Jin Peng, who was not far away, was also instantly excited, his eyes were like poisonous snakes, staring at the red beads, extremely hot.

Previously at the bottom of the abyss, when Queen Suzaku passed the power of Bird Ancestor to Yue Feng, the situation at that time was like this. Queen Suzaku broke out her final strength and separated the power of Bird Ancestor from her body to form a bead that burned with flame.

This chapter is provided by . Visit for daily update.

Jin Peng did not know that he was completely fooled by Yue Feng.

A bunch of idiots.

Looking at the White Tiger King and the expressions of everyone in Jinpeng, Yue Feng was secretly amused.

That's right, what Yue Feng condensed was not the power of bird ancestors at all, but a fire bead condensed by the spirit of the sky bird. The purpose of this was to stimulate Jinpeng.

Yue Feng knew in his heart that Jin Peng would never just watch Bird's Ancestor's power being obtained by the White Tiger King, and he would definitely not be able to resist.

Done!

Not far away, colorful Lingfeng and Lanling Peacock, their delicate faces were filled with incomparable anxiety and despair.

Yue Feng handed over the power of Bird Ancestor to the White Tiger King, and now Feiyu League has no chance of turning over.

“Okay, haha, very good!”

At this moment, the White Tiger King calmed down, unable to hide his excitement, and immediately moved his figure to grab the fire bead in front of Yue Feng.

At this time, the White Tiger King didn't realize that he was tricked by Yue Feng, and the power of the bird ancestors was not at all in front of him.

“Ma De, the power of Bird Ancestor is mine, go to hell!”

However, at this moment, only a loud shout came, and then, a figure flashed lightning, rushing from behind the White Tiger King, and slapped it towards White Tiger King!

It is Jinpeng!

Yue Feng guessed right, Jin Peng just talked nonsense, the purpose is to let Yue Feng and the White Tiger King kill each other. The king's clothes softened, and he took the initiative to hand over the power of bird ancestors.

Jin Peng is very ambitious, thinking about gaining the power of Bird Ancestor and then defeating the White Tiger King, how could such a thing be allowed to happen?

At this time, seeing that the White Tiger King's attention was all on the power of Bird Ancestor, Jin Peng did not hesitate and made a decisive move.

Chapter 3657

Om!

Rushing to the front, a powerful aura burst out from Jin Peng. .

“Jin Peng!!!”

Feeling the danger coming from behind, the White Tiger King was shocked, and when he looked back at Jin Peng, his eyes were instantly blood red, and he gritted his teeth and roared: “You dare to raid me, you are courting death!”

At this time, the White Tiger King, I never thought that Jin Peng, who was servile to him just now, would dare to surprise him.

“White Tiger King!”

Feeling the White Tiger King's anger, Jin Peng did not panic at all, his face couldn't hide the excitement and madness, and shouted: “Do you really think I will want you to surrender? This bird ancestor's power should belong to me. , Whoever robs me will die!”  
As the

voice fell, Jin Peng's inner strength surged, and he slapped it out with a palm.

Huh...

Seeing this scene, the Lanling Peacock and the colorful Lingfeng were all stunned, feeling excited and complicated.

Fortunately, Jin Peng shot, and the White Tiger King could not get the power of bird ancestors for the time being.

It's just... Jinpeng and White Tiger King are not good things. No matter who wins later, it will not benefit the Feiyu League at all.

"Jin Peng!"

At the same time, Hu Ben below was also furious, shouting at Jin Peng: "You are courting death, dare to raid Your Excellency the White Tiger King..." After saying that, Hu Ben burst out, trying to stop Jin Peng.

However, Jinpeng's speed was too fast, like lightning, and Hu Ben had no time to intercept it.

boom!

Jinpeng's speed was too fast, and the White Tiger King had no time to react. With this palm, it slammed into the back of the White Tiger King's handle, and a dull sound was heard, and the White Tiger King was blown away.

Pfft!

After flying dozens of meters away, the White Tiger King hit a boulder and landed heavily.

The moment he landed, the White Tiger King was pale and weak.

The White Tiger King clearly felt that the blood in his body was surging, and Jin Peng's palm had caused him a lot of trauma. However, the White Tiger King's defense is very strong, and the whole body's power is running, and his face quickly returns to normal.

What?

Seeing this scene, whether it was Jin Peng, Yue Feng, Lan Ling Peacock, and others were all shocked.

The defense of this White Tiger King is too strong.

“Jin Peng!”

At this time, the White Tiger King glared at Jin Peng: “You dare to attack from behind, have you ever thought about the consequences?”

Feeling the White Tiger King’s anger, Jin Peng felt extremely uneasy, but still sneered: “White Tiger King, put it away. Your lofty attitude, as I said just now, I will not surrender to you.”

“You hit me just now, and your blood is already disordered, I don’t believe you can still hold it!” In the

last sentence, Jin Peng almost roared out. .

At this time, Jin Peng is tough on the surface, but he has no confidence in his heart. After all, the White Tiger King is too defensive, and he is not an opponent at all, but he has already attacked the White Tiger King just now, and the arrow is on the string.

“Okay, very good!”

Hearing this, the White Tiger King looked grim: “If that’s the case, then go to hell!” The voice fell, and the White Tiger King let out a roar and raised his hands suddenly!

“Roar!”

The surrounding air quickly distorted, and then, an incomparably huge tiger condensed out, carrying unparalleled power, and swept towards Jinpeng!

Seeing the huge tiger rushing towards him, Jin Peng’s expression changed.

Chi Chi Chi...

In the next second, I saw streaks of golden light burst out from Jin Peng’s body. These golden lights were actually flying feathers on Jin Peng’s body. Every golden light was like a sharp arrow.

In an instant, thousands of flying feathers erupted in unison, and the entire sky seemed to be torn apart.

Chapter 3658

Seeing this scene, the White Tiger King snorted coldly, his eyes full of disdain.

“Roar!” The

White Tiger King didn't talk nonsense, he raised his hand and waved, the huge tiger burst out with a roar, the speed suddenly accelerated, and met the flying feathers.

boom! boom! Boom....

In the blink of an eye, I saw the flying feathers erupted from Jinpeng, slammed into the giant tiger one after another, and a violent aura vibrated. Immediately, thousands of flying feathers were directly defeated, turning into a golden light and shadow, Dissipate between heaven and earth!

What?

Seeing this scene, the thousands of Jinpeng's subordinates below were stunned and stunned.

The strength of this White Tiger King is too, too strong, right? !

The leader had already successfully raided him just now, but he didn't even hit him hard, but instead, such a terrifying power erupted.

At the same time, Yue Feng also frowned and secretly rejoiced.

Nima, this White Tiger King is too strong. Fortunately, he successfully lured Jin Peng to take action. Otherwise, he would be the one facing the White Tiger King at this time.

"Haha..." At this time, the White Tiger King smiled contemptuously

, and said to Jin Peng, "But a clown who jumps on the beam, with such a little strength, still wants to defeat me?"

Come.

Jin Peng did not respond, but gritted his teeth to meet him, and fought fiercely with the White Tiger King in mid-air.

At this time, Jin Peng almost wanted to cry without tears.

Knowing this was the result, I was less impulsive just now and went to raid the White Tiger King. Now it is really difficult to ride a tiger.

Bang bang bang...

For a while, I saw the figures of the White Tiger King and Jin Peng, shuttled back and forth in midair, and the burst of breath vibrated, distorting the air.

call!

Seeing this scene, the members of the Beast League and the Jinpeng clan below were all silent and their attention was attracted.

Here's your chance!

At this moment, Yue Feng took advantage of the opportunity to move towards Lan Ling Peacock.

When they got to the front, Yue Feng turned on the electricity, and saw two Jin Peng subordinates who were guarding Lan Ling Peacock.

Immediately afterwards, Yue Feng stepped forward and was about to untie the golden feather rope on Lan Ling Peacock.

"Go away, you traitor!"

However, before Yue Feng's hand touched Jin Yusuo, he saw Lan Ling Peacock took a step back, her delicate face full of anger and hostility: "Don't touch me, let alone you. Come and save me."

In Lanling Peacock's heart, Yue Feng was about to hand over the power of bird ancestors to the White Tiger King just now. If he failed Queen Suzaku, he was a traitor and could never be forgiven.

Shit...

Feeling Lan Ling Peacock's hostility, Yue Feng couldn't help laughing.

The next second, Yue Feng explained: "Lan Ling Peacock, listen to me, I don't really want to..."

Before he could finish speaking, Lan Linglong interrupted.

"You handed over the power of Bird Ancestor, what else is there to explain?" Lan Ling Peacock said coldly, with disdain that could not be concealed in his eyes: "I and Qi Cai Lingfeng were really blind before, I was afraid of you Jinpeng before. It's not good for you, I've been desperate to protect you, if I knew this, I should have let you die at the hands of Jinpeng."

Bang!

Just as he was speaking, he heard a vibration in the air, and saw the King White Tiger punch Jin Peng's heart. In an instant, Jin Peng's blood spurted wildly, and a rain of blood was scattered in the air. Immediately after that, he fainted.

Wow...

Seeing this situation, the entire Beast League group cheered.

The Jinpeng family, on the other hand, sucked in the cold air one by one, incomparably terrified.

Chapter 3659

At this moment, the White Tiger King stood there proudly, and glanced at Jin Peng lightly: "Assault me? Court death!" After the

voice fell, the White Tiger King moved his figure and grabbed the fireball suspended in mid-air in his hand .

The White Tiger King was raided by Jinpeng just now, and he didn't have time to get the fire bead, so the fire bead kept floating in the air.

Haha...

The moment he got the Fire Orb, the White Tiger King looked up to the sky and laughed, extremely proud.

"The power of bird ancestors was finally obtained by me."

At this time, the White Tiger King did not realize that what he had in his hands was not the power of bird ancestors at all, but the fire beads that Yue Feng transformed into with the flame of the Vermilion Bird. .

Whoa!

At this moment, the tens of thousands of members of the Beast Alliance below all knelt down to the White Tiger King, all of them excited and shouting.

"Congratulations to Your Excellency the White Tiger King.."

"Very good, Your Excellency the White Tiger King has obtained the power of the ancestors of the bird..."

In the compliments of many subordinates, the White Tiger King smiled and felt extremely happy.

"Arrest all the Jinpeng family." The White Tiger King ordered.

As soon as the words fell, tens of thousands of Beast League members surrounded thousands of Jinpeng clan, because Jinpeng was in a coma, and the Jinpeng clan had no leader, and none of them resisted.

After subduing the Jinpeng clan, the White Tiger King did not hesitate, mobilized his inner strength and began to absorb the power of the 'Power of Bird's Ancestor' in his hand.

boom!

However, at this moment, an explosion that shocked the world was heard, the fireball in the hands of the White Tiger King instantly burst, and a sea of purple-red flames filled the air, instantly shrouding the White Tiger King.

All of this happened so fast that the White Tiger King couldn't react at all. With a miserable howl on the spot, his whole body fell directly like a big fireball.

Bang!

Falling heavily to the ground, the purple-red flames on the White Tiger King's body showed no signs of going out, but instead burned more and more vigorously.

What?

Seeing this scene, the surrounding Beast League members panicked and wanted to rush up, but they were afraid of the flames on White Tiger King's body and did not dare to approach at all.

"Ah... burn me to death, burn me to death..." The

White Tiger King kept rolling on the ground and howling miserably. Large areas of skin on his body were burned black, which was extremely miserable.

Hu Ben was loyal to the Lord, and rushed up desperately, shouting, "Your Excellency White Tiger King, I will help you put out the fire."

However, just after a few steps, he heard Yue Feng's faint voice and remembered: "Hu Ben, this fire is called Suzaku. Lingyan can burn everything, if you approach him rashly, I'm afraid that you won't be able to save him, but you will risk your own life." The

voice was not loud, but there was no doubt about it.

Huh...

Hearing this, Hu Ben stopped there and glared at Yue Feng: "Yue Feng, why are you doing this? Why do you want to plot against Your Excellency the White Tiger King?"

Hu Ben's character is upright, and he realized it later, until now. Understand that the 'Power of Bird's Ancestor' obtained by the White Tiger King is fake.

Yue Feng sighed, nodded and said, "Yes, but if I don't do this, will the White Tiger King let me go?"

Hu Ben's face flushed and he was speechless for a while.

This...

At this time, Lan Ling's peacock body trembled slightly, and she looked at Yue Feng and was stunned.

It turns out... what he just handed over was not the power of bird ancestors.

He did not betray Queen Suzaku!

At this time, the screaming voice of the White Tiger King became smaller and smaller, and he was about to be burned to death. Only then did Yue Feng activate the Vermillion Bird Spirit Flame in his body to extinguish the flames on the White Tiger King.

Chapter 3660

Swish!

At this moment, the White Tiger King's eyes were full of resentment, and he locked onto Yue Feng, and said hoarsely, "Good boy, you are actually arrogant to me?"

At this time, the White Tiger King was almost full of anger. He thought he was in control of the situation. Unexpectedly, it was actually played by this human being.

Yue Feng looked at the White Tiger King with a smile on his face, and said slowly, "White Tiger King, don't blame me. You were bewitched by Jinpeng just now. When you attacked me, it was not fair."

"I killed you." The White Tiger King roared, struggling to stand up.

However, he was burned by the Vermillion Bird Lingyan for a few minutes just now, with wounds all over his body, and he couldn't exert any strength at all.

"Kill me?"

Yue Feng said indifferently, word by word, "King White Tiger, do you think you still have a chance? On the contrary, I will kill you now, but it's as easy as the palm of your hand!"

"But don't worry, I won't kill you now, But there is one condition."

"From now on, whether it is the Beast Alliance or the Feather Alliance, all must obey my orders and dispatch. As for the White Tiger King, from now on, you will also respect me.

” At that time, Yue Feng’s eyes slowly scanned the audience, his expression was dignified, and his tone was unquestionable.

To be honest, Yue Feng didn’t want to worry about the Beast League and Feiyu League, but after the past two days, Yue Feng realized that he was already involved, and he couldn’t get out of it. In this case , it is better to take this opportunity to rule all the demon clan.

Wow...

Hearing this, whether it was the White Tiger King, or the surrounding Beast League clan, as well as the Jinpeng clan, there was an uproar.

“He wants to rule us?”

“Damn, I knew that this human being is sinister and despicable, uneasy and kind.” The surrounding angry shouts kept coming, Yue Feng just pretended not to hear it, and stood there with a leisurely expression.

“Yue Feng!”

At this moment, Hu Ben glared at Yue Feng with a look of grief and anger: “Why do you do this?”

Yue Feng said lightly: “It’s not that I have to do this, the experience of the past two days tells me that I must do this. If this is the case, only in this way, can I take you out of here, otherwise, your internal struggle will continue endlessly.”

Hearing this, Hu Ben was silent.

“I support Yue Feng!”

At this moment, a slender figure walked out quickly, looked around and said, “From now on, our Peacock family swears allegiance to Your Excellency Yue Feng.”

While saying this, Lan Ling Peacock His face was firm, but he looked at Yue Feng with a hint of apology.

I almost misunderstood Yue Feng just now, which made Lan Ling Peacock feel extremely guilty. At this time, only loyalty can make up for it. Moreover, Yue Feng has inherited the power of the ancestor of Queen Suzaku, and it is reasonable to be loyal to him.

When the words fell, Qi Cai Lingfeng followed suit and said, “And me!”

After saying that, Qi Cai Lingfeng looked around: "You all say that Yue Feng is a human, insidious and cunning, but since he came here, he has never taken the initiative to kill. Any ethnic group, and also, he has the power of bird ancestors, and is the inheritor recognized by Queen Suzaku."

"More importantly, he is very skilled at fighting, and he has broken two magic circles before, in other words, He is the only one who can take us out of here."

Phew...

Hearing this, the whole place was silent, all eyes looking at Yue Feng were complicated.

This Yue Feng actually broke two magic circles.

Wow...

After a full tens of seconds of silence, many Beast Leagues and Jinpeng clan knelt down to Yue Feng and shouted in unison, "See Your Excellency Yue Feng."

Seeing this scene, Yue Feng showed a smile.

"You..." The

White Tiger King was furious and trembled uncontrollably. He thought he could control the whole situation today, but he did not expect that it turned out to be a wedding dress for Yue Feng in the end.

At this time, Yue Feng looked at the White Tiger King with a smile: "The White Tiger King, they have surrendered, how about you?"
