Chapter 3661 The

White Tiger King sneered: "Want me to surrender? Yue Feng, stop daydreaming." The tone was firm and unquestionable.

Yue Feng smiled slightly and said, "King White Tiger, do you think you still have a choice?"

Hearing this, King White Tiger laughed in the sky, but his eyes couldn't hide the resentment: You are just a human, what qualifications do you have? command us? I tell you, as long as my White Tiger King doesn't die, I will pay back today's revenge tenfold.

Alas!

Seeing this situation, Yue Feng sighed and said lightly: "Since this is the case, we have nothing to talk about. When the voice fell, Yue Feng took out a few long things from the spirit beast sack that he carried with him.

He saw that these things were extremely sharp, not only that, but there was also a strange power fluctuation inside.

It was the prison dragon thorn . At

that time, when Yue Feng was in Roland Continent, he encountered a giant dragon in a huge cave in the back mountain of Storm City. At that time, the dragon was stabbed by Fuxi with a prisoner thorn. Later, Yue Feng subdued the giant dragon, and the prisoner thorn also He put it away and kept it on his body.

What is this?

Seeing the imprisoned dragon thorn in Yue Feng's hand, especially when he felt the strange energy contained in it, the White Tiger King's heart trembled, and he was a little inexplicably frightened.

Seeing the White Tiger King's expression, Yue Feng showed a smile.

"White Tiger King, this thing is called the Dragon Prisoner. Yue Feng's face was relaxed, and he said slowly: "The prison dragon thorn is specially invented by humans to deal with the Qinglong family. Once stabbed, no matter how powerful the dragon, it will lose its ability to fly and suffer. "

“The taste of imprisoned dragon thorn, even the Qinglong family can’t bear it, do you want to give it a try?” “

When he said this, Yue Feng looked relaxed.

Huh...

The surrounding Lan Ling peacocks, colorful phoenixes, and tiger Ben all felt a chill in their hearts. Is the prison dragon thorn in Yue Feng’s hands really so powerful? Even the Qinglong family can’t bear it?

At this time, the White Tiger King, who was dying by the fire, could hold it?

For a time, Hu Ben wanted to ask for mercy, but when they saw Yue Feng’s firm eyes, they held back. Speaking of which, everyone in Hu Ben also knew that Yue Feng did this just to force King White Tiger to surrender and would not take his life.

“Yue Feng.”

At this time, the White Tiger King took a deep breath, endured the pain all over his body, and shouted at Yue Feng: “Don’t scare me, my White Tiger clan has been inherited for thousands of years, what scene have you never seen? One? The little dragon thorn, just want to scare me?”

“What means do you have, even if you use it, if I frown, I will not be the White Tiger King.” In the

last sentence, the White Tiger King’s voice was extremely hoarse, but his eyes flashed. Unruly.

“Okay!”

Hearing this, Yue Feng was very helpless, he stopped talking nonsense immediately, picked up a dragon thorn, and stabbed it directly on an acupoint on the back of the white tiger king.

At this moment, I saw the white tiger king tremble, a heart-wrenching pain came, and his eyes were instantly congested, but the white tiger king had a tough personality, and he just gritted his teeth and didn’t shout.

Phew...

Feeling the tenacity of the White Tiger King, Yue Feng couldn't help but secretly admired that, as expected of the King of the White Tiger Clan, he could endure this kind of pain.

Thinking to himself, Yue Feng smiled: "It's quite resistant." When the voice fell, Yue Feng did not hesitate at all, and stabbed all the prisoner dragon thorns in his hand on the White Tiger King.

"hiss...."

This time, the pain that the White Tiger King felt instantly multiplied. Under the severe pain, the White Tiger King's face was instantly pale, and his forehead was dripping with cold sweat! His whole body was shaking like a sieve, and he kept sucking in the cold air.

At this time, the White Tiger King only felt that his body was torn in half. Not only that, but his entire body's strength was sealed to death. Without personal experience, it is impossible to know the pain.

Yue Feng stood aside with a leisurely expression.

Chapter 3662

Isn't this White Tiger King able to resist? Let's see how long he can last.

At the same time, the surrounding colorful phoenixes, together with Hu Ben, were also terrified.

At the beginning, the White Tiger King could still resist, but as time passed, the pain from his body became stronger and stronger, and the White Tiger King couldn't hold it anymore. He was twitching and dripping with cold sweat. It has completely lost its previous majesty and is miserable.

"White Tiger King, how are you thinking?" Yue Feng asked with a smile when he was almost done.

"I..."

The White Tiger King at this time was extremely weak and his dignity was completely wiped away. He nodded and said, "Your Excellency Yue Feng, I have accepted it. In the future, I will follow the White Tiger King to the death."

Seriously, Xiang Yue Feng bowing his head, the White Tiger King felt ten thousand reluctance in his heart. But the White Tiger King knew very well in his heart that if he continued to consume it, he would be disabled.

Um!

Seeing that the White Tiger King finally compromised, Yue Feng showed a smile, nodded and said, "Okay, okay." With that, Yue Feng took off the prison dragon thorn, then took out a healing medicine and handed it to the White Tiger King.

Huh....

Seeing this scene, whether it is the colorful phoenix or the tiger Ben, they are all relieved.

Great, Yue Feng subdued the White Tiger King, and the entire demon clan finally didn't have to fight.

"Okay!"

At this time, Yue Feng looked around and said slowly, "Everyone, make some adjustments, and then cooperate with me to break the last two magic circles. When the time comes, I will take everyone out of this place." The

voice fell, The whole place was boiling.

"Great."

"Lord Yue Feng, long live, long live..."

Soon, under the command of Yue Feng, everyone camped in place to recuperate, and until the next morning, Yue Feng began to crack the remaining two magic circles.

Emperor Tian paid off. After two days of hard work, the remaining two circles were completely broken by Yue Feng.

Boom boom boom....

The moment the last magic circle was broken, I heard a burst of roars, coming from the sky, all of a sudden, the sky was dark, like the end of the world, and then I saw the enchantment shrouded in the sky. , shattered...

WOW!

Seeing this scene, whether it was the White Tiger King or the Colorful Lingfeng, they all cheered, and some even cried with joy.

"After so many years, we can finally go out."

"Your Excellency Yue Feng, you really didn't lie to us..."

Om!

Just when the White Tiger King was extremely excited, they saw that after the barrier in the sky collapsed, a huge beam of light descended from the sky, and finally formed a portal in front of everyone.

Seeing the portal, whether it was Yue Feng or the White Tiger King, their eyes suddenly became scorching hot.

“Everyone!”

At this time, Yue Feng couldn't hide his excitement, looked around, and said slowly: “With so many of us, rushing into the Divine Realm through the portal will definitely attract the attention of the Nine Heavens God, so I will go first. Check the situation, you guys are here waiting for my news.”

When he said this, Yue Feng looked serious.

You must know that thousands of years ago, the God Realm launched a war of gods because the demon clan threatened their status, trapping many demon clans in this place, so that the God Realm could sit back and relax, and at this time, the entire demon clan was released by himself. , once the Nine Heavens God knows, it is no trivial matter.

Chapter 3663

“Understood!”

Hearing Yue Feng's words, the White Tiger King and Lan Ling Peacock all nodded.

Seriously, it's hard to leave here. Whether it's the White Tiger King or Lan Ling Peacock, they can't wait and want to leave as soon as possible, but they also know that Yue Feng is right, and the monsters present add up. , There are hundreds of thousands of people who suddenly enter the realm of the gods, and they will definitely be known by the Nine Heavens God.

Yue Feng explained a few more words, then turned around and entered the portal.

With a brief sense of dizziness, Yue Feng opened his eyes and saw the scene in front of him, the whole person was in a good mood.

Nima, finally returned to the realm of the gods.

What makes Yue Feng even more delighted is that his location is just outside the cave where he entered the sealed land of the demon clan before. This place is very close to Guixian Mountain.

After walking away for so many days, I don't know what happened to Master. If Master knew that he ruled the entire demon clan, he would definitely be very happy.

Thinking about it, Yue Feng urged his figure to rush towards Guixian Mountain quickly, and his mood was extremely urgent.

Soon, when he arrived at Guixian Mountain, Yue Feng was stunned when he saw the scene in front of him.

what's the situation?

I saw that the beautiful Guixian Mountain had turned into ruins at this time, and the original quiet courtyard had disappeared, leaving only a huge deep pit.

Yue Feng saw that the deep pit was dark, and there were traces of lightning strikes everywhere.

After a few seconds, Yue Feng reacted and felt inexplicably nervous.

Immediately, Yue Feng couldn't help shouting: "Master, where are you, Master?"

He shouted dozens of times with a look on his face, except for his own echo, he couldn't hear Guiguzi's response at all. In an instant, Yue Feng was even more anxious.

It's broken, Ghost Immortal Mountain has become like this, and the master is not there, is there really something wrong?

Whoosh..

Just when Yue Feng was extremely anxious, he saw a figure flying from the sky not far away, with a bit of pride on his delicate face.

It was Li Ran who had driven Yue Feng into a corner.

Behind Li Ran, a cold figure followed closely, it was her senior brother Hongsheng.

Before, because of Yue Feng, Li Ran was punished by Immortal Venerable Beiming and faced the wall for half a month. Later, Hongsheng interceded, and Li Ran was only detained for three days.

Today, when Li Ran came out to relax, he took Hongsheng to accompany him, and traveled all the way, and came to the vicinity of Guixian Mountain.

Made.

Seeing Li Ran, Yue Feng frowned, and a burst of anger rose in his heart.

It's really a narrow road for the enemy, and I met her again.

Um?

At the same time, Li Ran and Hongsheng also saw Yue Feng and were stunned.

Yue Feng? Didn't he enter the sealed land of the demon clan?

A few seconds later, Li Ran reacted, looking at Yue Feng with a half-smile, and mockingly said, "Oh, isn't this the little book boy? Are you still alive?"

Li Ran said this with contempt in his tone, with anger flashing in his eyes.

If it weren't for this Yue Feng, he wouldn't have been punished by his master and faced the wall for three days.

When the voice fell, Hongsheng couldn't help but said: "Good boy, you can still come out after entering the sealed land of the demon clan."

The tone of the brothers and sisters made Yue Feng very unhappy.

However, at this time, Yue Feng was too lazy to care about it, so he walked up to meet Li Ran and looked directly at Li Ran: "What happened here? Where is Mr. Guigu?"

"Why should I tell you?" Li Ran raised his head with a look on his face of pride.

Nima!

Yue Feng frowned, too lazy to talk nonsense, looked at Li Ran, and said coldly again: "I ask you, what's wrong with Mr. Guigu?"

"Yue Feng"

Chapter 3664

Li Ran's brows are knitted together, and her delicate face shows a bit of contempt: "Do you know who you are talking to? You kneel down and beg me, maybe I can consider telling you."

Just a little book boy, dare to Talking to himself like this, who gave him confidence?

At the same time, Hongsheng also took a step forward and looked at Yue Feng and said coldly: "Boy, you dare to pretend to be the God of the Nine Heavens, you are in trouble."

In Hongsheng's eyes, it is not worth it for Yue Feng to pretend to be the God of the Nine Heavens. pity.

Mad, these two are sick.

Seeing this situation, Yue Feng was too lazy to talk nonsense, turned around and left, and decided to find Guiguzi himself. In his heart, Guiguzi had the ability to penetrate the sky and the earth, and there was no danger. He just left Guixian Mountain for something.

“Stop!”

Just before taking two steps, he heard Li Ran's coquettish shout, followed by a palm to Yue Feng's back, and at the same time, he shouted: “Our business is not over yet, you want to leave. ?”

Buzz!

This palm contains the sound of wind and thunder, and its power is amazing.

Nima.

Seeing Li Ran's surprise attack on him, Yue Feng was very annoyed and cursed inwardly.

Bang!

Yue Feng and Li Ran's palms collided, only to hear a vibration, then Li Ran's delicate body trembled, and he took a dozen steps back. After stabilizing his figure, his face was pale.

Yue Feng, on the other hand, stood proudly on the spot, motionless.

Obviously, this time, Li Ran didn't take advantage of it.

If it was a few days ago, Yue Feng was not Li Ran's opponent at all, but now Yue Feng has the power of Bird Ancestor, his strength has increased greatly, and has surpassed Li Ran.

“You...”

Li Ran stabilized his figure, looked at Yue Feng in shock and anger, and his beautiful face was full of incredible.

This...it's impossible!

In just a few days, this Yue Feng has become so powerful?

Yue Feng sneered and mocked Li Ran: "What? It's not a good feeling to be defeated. Don't be too arrogant in the future."

Li Ran bit her lip tightly, her face flushed, and she held back her fire, but she didn't . Know how to counter.

She never thought that the guy who was chased by her a few days ago and had nowhere to escape would become so powerful at this time.

"Crazy."

At this moment, Hongsheng next to him couldn't help shouting angrily, and then rushed towards Yue Feng.

Hongsheng has a calm personality and did not intend to take action against Yue Feng, but he loves Li Ran, his junior sister very much. At this time, seeing that he suffered a loss from Yue Feng, he couldn't help it.

More importantly, Yue Feng was a repeat offender appointed by the Nine Heavens God. How could Yue Feng be allowed to leave so calmly?

Brain is sick.

Seeing Hongsheng burst out, Yue Feng frowned, then burst into power and fought fiercely with Hongsheng in mid-air.

Hongsheng is Senior Brother Li Ran, and he is also the eldest disciple of Immortal Beiming. His strength is unfathomable, while Yue Feng possesses the power of Bird Ancestor.

call!

Seeing this scene, Li Ran was extremely excited, stood below, and kept shouting: "Senior brother, teach him a good lesson."

hum!

As I was shouting, I saw a terrifying aura coming from the sky not far away. In an instant, the world changed, and dark clouds rolled.

The sudden vision of heaven and earth shocked Hongsheng.

At the same time, Li Ran's body trembled, and he couldn't help gasping for air.

I saw in the sky, one after another huge figures, coming from the clouds and fog, each and everyone was huge, and you can see that there are phoenixes with gorgeous feathers, and white tigers that are mighty and domineering... There are hundreds of thousands of them.

Chapter 3665

This...

Seeing this scene, Li Ran only felt that his legs were weak and he couldn't stand still, and murmured: "This... aren't these sealed demon clan? Why... Why did they all come out?"

As a disciple of Immortal Venerable Beiming, Li Ran certainly knew the existence of the demon clan, but the demon clan was sealed by the God's Domain, and there was a powerful barrier in the sealed place, those demon clan were impossible. breakthrough.

At the same time, Hongsheng also had a solemn face, and his heart was extremely shocked.

I saw that there were several powerful figures in front of the army of monsters. One of them was wearing white armor and was majestic. The women next to them were all wearing long skirts, with beautiful faces and slender figures.

It was the White Tiger King and the Colorful Lingfeng.

Originally, according to Yue Feng's explanation, the group of White Tiger Kings waited at the portal, but they waited left and right, and they never saw Yue Feng returning, so they couldn't help but come to God's Domain through the portal.

hiss!

Such a terrifying power.

At this moment, feeling the powerful breath of the White Tiger King and the Colorful Lingfeng, Hongsheng's expression changed, and he couldn't help gasping for air.

Yue Feng, who was next to him, had a calm expression on his face, and then scratched his head.

Just looking for Guiguzi, forgetting that the White Tiger King and Qi Cai Lingfeng are still waiting for him.

"Excuse me!"

At this time, Hongsheng took the lead in reacting, took a step forward, and said to the White Tiger King, "Your Excellency is..." As

he said, Hongsheng looked at the hundreds of thousands of demon tribes behind the White Tiger King. , trembling.

Before he finished speaking, he saw a warrior of the White Tiger clan, the Great Sage: "This is the king of our White Tiger clan."

What? The king of the white tiger clan?

Hearing this, both Hongsheng and Li Ran were shocked.

As disciples of Immortal Venerable Beiming, Hongsheng and Li Ran certainly knew that the White Tiger was one of the four innate spirit beasts, possessing incomparably powerful strength, and the burly man in front of him turned out to be the king of the White Tiger clan, and his strength must be even greater. fear.

"It turned out to be Your Excellency the White Tiger King!" At this time, Hongsheng reacted and said

to the White Tiger King: "I am Hongsheng, the disciple of Immortal Venerable Beiming, and the one next to me is my junior sister Li Ran."

, Hongsheng pointed at Yue Feng, and said indifferently: "As for this, it's just a little book boy with no name."

Hongsheng has a meticulous personality and knows that the demon clan and the gods have an insoluble hatred, but Immortal Venerable Beiming Living in seclusion in Beiminghai is not under the direct jurisdiction of the Nine Heavens God, and Beiming Xianzun did not participate in the battle of the gods that year. In this case, Hongsheng's identity can avoid unnecessary trouble.

The words fell, Li Ran quickly nodded in agreement, and then pointed at Yue Feng: "Yes, this human being is cunning and despicable, our brothers and sisters are going to deal with him, you don't need to pay attention."

At this time, Li Ran just wanted to kill the White Tiger King as soon as possible . Send him away, and then work with his senior brother to deal with Yue Feng.

"Crack!"

However, as soon as he finished speaking, he saw a slender figure walking out quickly, and slapped Li Ran's face without warning!

It is the colorful phoenix.

Qicai Lingfeng has a cold and arrogant personality. She had misunderstood Yue Feng several times before, and she felt very guilty. She was always looking for an opportunity to make amends. At this time, seeing Li Ran being rude to Yue Feng, she couldn't help it.

The slap was heavy, and Li Ran staggered back a few steps, half of his face swollen.

Hongsheng next to him was even more nervous and furious.

“You...?”

Finally, Li Ran reacted, looking at Qi Cai Lingfeng with surprise and anger in his eyes.

He is the most favored disciple of Immortal Venerable Beiming, but he was beaten by a demon woman at this time. How will he meet people in the future?

For a time, Li Ran held back his fire and wanted to explode, but he felt the aura on Qi Cai Lingfeng's body and the White Tiger King beside him, so he held back. Hit hard, it's totally courting death.
