

The ultimate husband in Chinese chapter 3666-3670

Chapter 3666

At this time, Hongsheng reacted, suppressed his anger, and said to the colorful Lingfeng: "We Beiminghai have no hatred or resentment with your demon clan, so there is no need to beat people, right?"

Hongsheng loves Li very much. Of course, seeing her being slapped by Qi Cai Lingfeng, she couldn't help it.

"No grievances?"

Qi Cai Lingfeng's pretty face was frosty, and she glanced at Li Ran coldly: "She is rude to Your Excellency Yue Feng, shouldn't she fight?" The

voice fell, and the white tiger king next to him said: "Yes, Yue Feng is the commander-in-chief of all our demon clan. If you disrespect him, you are provoking our demon clan."

What?

Hearing this, Hongsheng was shocked, and the whole person froze there.

This... this Yue Feng, is the commander of all the demon clan?

Did you hear it wrong?

You must know that the demon clan is arrogant by nature, especially the existence of the White Tiger King, and even the Nine Heavens God didn't even care about it at the beginning, otherwise, the God Realm would not have launched a god war back then. At this time, he was so respectful to a human being.

Li Ran is also stupid!

At this moment, her legs felt weak, and her delicate body couldn't help but take two steps back.

She could see that the colorful phoenix in front of her, the White Tiger King, and the hundreds of thousands of demon clan members behind them were extremely respectful to Yue Feng.

quiet!

For a moment, the audience was silent, and a drop of a needle could be heard clearly.

At this time, Qi Cai Lingfeng looked at Li Ran coldly: "You are disrespectful to Your Excellency Yue Feng, and you have to be detrimental to him, how can I spare you?"

Saying that, Qi Cai Lingfeng looked around and said loudly: "Your Excellency Yue Feng, lead us to break through the ten thousand-year seal. He is the benefactor of all our demon clan, and his enemy is our enemy.

"Tens of thousands of demon clan members responded in unison.

"Not bad!"

"Kill them both." An

angry shout came, and Li Ran was so frightened that his delicate body was trembling, his legs were weak, and he couldn't stand still.

Pfft!

Hongsheng was even more frightened. He knelt on the ground and begged for mercy at Yue Feng: "Yue Feng, I'm sorry, we have no eyes..." Hongsheng's mind is quick, and he knows that if he doesn't show anything, the situation will get worse and worse.

Yue Feng looked indifferent and ignored it. Instead, he looked at Li Ran coldly.

Seeing this situation, Hongsheng pulled Li Ran: "Junior sister, apologize quickly."

At this time, Hongsheng was very frightened. If Yue Feng didn't forgive himself and his junior sister, then the trouble would be big. You know, there are hundreds of thousands of powerful monsters around here.

"Yue Feng..."

At this moment, Li Ran bit her lip, walked up to Yue Feng, and said in a low voice, "I'm sorry, I was offended before..." The

voice was so small that you couldn't hear it if you didn't listen carefully. .

At this time, Li Ran never dreamed that one day he would apologize to a little book boy, and he never thought that he would be so servile in front of him!

Yue Feng was expressionless and looked at her with a smile: "It's just an apology and it's over? What did you do to me before? I remember

it clearly." Feeling

Yue Feng's anger, Li Ran The delicate body trembled, hesitated, and then knelt directly in front of Yue Feng.

Pfft!

"Yue Feng, I was wrong before, I was too self-willed, and now I know I was wrong, please forgive me and my senior brother." Li Ran kept begging for mercy, and the stubbornness was completely gone.

Chapter 3667

Facing Li Ran's constant pleas, Yue Feng chuckled and said, "I ask you, where did Mr. Guigu go? What the hell happened here?"

Huh...

At this moment, Li Ran no longer dared to hide anything, he let out a sigh of relief, and quickly responded: "Mr. Guigu was taken away by His Majesty the Nine Heavens God."

As soon as he finished speaking, Hongsheng next to him said, "Speaking of which, this The matter is still because of Your Excellency Yue Feng, your impersonation of the Nine Heavens God made His Majesty very angry..."

After speaking, Hongsheng explained the situation in detail at the time, and at the end, Hongsheng looked complicated. : "In order to protect you, Mr. Guigu refused to reveal your whereabouts, and was finally quoted by the Nine Heavens God as Tianlei..."

What?

Hearing this, Yue Feng froze on the spot as if struck by lightning, his mind buzzing blankly.

A few seconds later, Yue Feng reacted, clenching his fists, extremely anxious.

For my sake, Master was arrested by the Nine Heavens God, and suffered from thunder. No, I must find a way to rescue Master.

Thinking to himself, Yue Feng waved at the two Hongsheng: "Okay, let's go."

In Yue Feng's heart, Guigu's safety is the most important thing, and he is too lazy to care about brother and sister Li Ran.

"Thank you, Your Excellency Yue Feng, thank you..."

Hongsheng's face was overjoyed, and he was grateful for Yue Feng's winning streak, and then pulled Li Ran away quickly.

“Everyone!”

As soon as his forefoot left, Yue Feng looked around, his eyes swept over the White Tiger King and Qi Cai Lingfeng one by one: “Mr. Guigu treats me well, and now for me, I was taken away by the Nine Heavens God, I must not just sit back and watch, what do you all mean?”

Wow.. The

voice fell, and the audience suddenly exploded.

“Does it need to be said? Go directly to Yutian Palace and rescue Mr. Guigu.”

“Yes, I will give my full support.”

In the hearts of these monsters, without Yue Feng, they could not have successfully left the sealed land. It can be said that Yue Feng gave them freedom.

More importantly, the Monster Race and the Divine Realm also have a mortal hatred. At this time, knowing that Master Yue Feng was arrested, he naturally supported him without hesitation.

“Your Excellency Yue Feng!”

At this time, the White Tiger King came over and shouted: “We have been trapped in the God Realm for nearly ten thousand years, and this feud must be settled with the God Realm. Since your master has been arrested, it will be new and old. Hate is counted together.”

“Okay!”

Hearing this, Yue Feng’s blood surged, nodded, and immediately led the hundreds of thousands of demon clans, heading towards the Yutian Palace.

.....

At this moment, in the Imperial Palace.

Nine Heavens God is sitting on the dragon chair, his majestic face is full of dignity.

The many priests below stood there one by one, and their expressions were a bit complicated.

Just now, there was a strong aura vibrating in the area of Ghost Immortal Mountain, and the whole sky darkened. Nine Heavens God realized that something had happened, and immediately summoned many priests to inquire about the situation.

“Everyone!” At this time, the Nine Heavens

God looked around and said indifferently: “There was a tremor in the area of Guixian Mountain just now, what is going on, does anyone know the situation?”

No one came out to answer.

“Your Majesty!”

After a few seconds, Gong Ao slowly walked out and said respectfully, “When we arrested Guiguzi, His Majesty quoted Tianlei, causing the area of Guixian Mountain to be razed to the ground. The tremor in the area of Xianshan may be related to the thunder of the sky a few days ago, and it was caused by the residual power of the thunder.”

Hmm!

Hearing this, Jiutian God pondered for a while, nodded and said, “No matter what the situation is, you immediately lead the troops to check it out.”

Chapter 3668

“Yes, Your Majesty!” Gong Ao responded, and was about to dispatch troops to go to the Guixian Mountain area to check.

hum!

However, before Gong Ao could set off, he saw a figure coming quickly from the sky outside. The figure was tall and handsome, with a cold face, holding a Fang Tianhua halberd.

It is Yue Feng!

Swish!

At this moment, the eyes of the entire Yutian Palace converged on Yue Feng.

It's him...

Gong Ao's heart is shocked, his face is full of astonishment, this kid pretends to be His Majesty and implicates Guiguzi, how dare he appear at this time?

Thinking to himself, Gong Ao roared at Yue Feng: “Yue Feng, you are impersonating Your Majesty, and you cannot be punished for your crime. Now that the entire Divine Realm is chasing you, you still dare to throw yourself into the net?”

“If you came to confess your guilt, already it’s too late.”

Wow... the

voice fell, and the surrounding priests suddenly burst into an uproar.

Yue Feng? This person is Yue Feng who pretends to be His Majesty?

At the same time, the Nine Heavens God also had a gloomy face, and his eyes were shining brightly.

boom! Jiutian

God slammed down the dragon chair, glared at Yue Feng and scolded: “Yue Feng? You pretended to be me and fled in fear of the crime, what should be the crime?”

central.

“Nine Heavens God, I don’t want to talk nonsense.” At the center of Yutian Palace, Yue Feng stood proudly, looked at Yue Feng, and said word by word: “I just ask you, where is Mr. Guigu imprisoned by you?”

Yue Feng’s attitude made Jiutian God very annoyed, but he still said coldly: “Mr. Guigu, it’s heaven’s rule to indulge and protect you and be locked up by me. If you don’t want to continue to implicate him, immediately confess your guilt and punish him.”

As soon as the words fell, Gong Ao shouted: “Something out of order, Guiguzi concealed your whereabouts, and was punished with thunder by His Majesty. He deserved it. His Majesty didn’t kill him, it was already kind.

“

At this moment, Yue Feng’s eyes were instantly blood red, he clenched his fists tightly, and his nails were deeply embedded in the flesh!

“Heaven’s rule?” Yue Feng gritted his teeth, his anger could no longer be controlled, and glared at Gong Ao and said, “I care what heaven’s rule you are, pretending to be God of the Nine Heavens is my own business, and Mr. Guigu has nothing to do with it!”

With that said, Yue Feng turned his head to look at the God of Nine Heavens: “Let go of Mr. Guigu immediately, otherwise, I will make you pay a heavy price.” The

last sentence, like a message from hell, echoed throughout the entire Yutian Palace!

quiet!

At this moment, the entire Yutian Palace was silent.

The priests present looked at each other in dismay, all stunned.

But a few seconds later, the entire Yutian Palace burst into laughter!

“Hahaha... What did he say? He wants His Majesty to pay the price?” “Has this kid gone crazy and burnt out his brain?”

“Since the establishment of God’s Domain, this is the first time I heard someone say it in Yutian Palace. Such a thing!” When the priests said

you, I laughed, Gong Ao couldn’t help sneering, and looked at Yue Feng playfully: “Yue Feng, I have already checked your identity, it’s only human. How dare a kid be so disrespectful to His Majesty, do you know that with your Majesty’s order, your human world will be wiped out.”

When he said this, Gong Ao’s eyes were full of contempt.

At this time, Jiutian God also chuckled and said to Gong Ao: “No nonsense, just take it!”

“Yes, Your Majesty!” Gong Ao responded, and then the figure erupted and came straight towards Yue Feng .

Chapter 3669

Om!

When the figure was in the air, a powerful aura erupted from Gong Ao’s body, and at the same time summoned a long spear, stabbing at Yue Feng’s heart like lightning.

In an instant, the air in the entire Yutian Palace was distorted, and the power was amazing!

Seeing Gong Ao attacking, Yue Feng’s icy face did not fluctuate at all, and said lightly: “I was not your opponent before, but now and then.” The

voice fell, Yue Feng shouted angrily, and raised his right hand. , I saw a fiery red light burst out, directly covering Gong Ao!

good! What Yue Feng exerted was the power of the bird ancestors passed on to him by the Queen Suzaku.

Bird Ancestor’s power was unparalleled, Gong Ao was too late to react and was directly hit by Hongmang!

boom! As soon as the vibration spread, Gong Ao groaned, and his body was directly shaken out, flying more than 100 meters, and finally landed heavily on the square outside the gate of Yutian Palace.

“Pfft...” At the moment when he landed, Gong Ao’s face turned blue and white, a mouthful of blood spurted out, and he was extremely weak.

What?

This Yue Feng wounded Gong Ao in one move?

Seeing this scene, the many priests present were all stunned, dumbfounded and speechless!

You must know that Gong Ao is a highly used subordinate of the Nine Heavens God, and his strength is strong, while Yue Feng is only a human being, and he was injured in one move.

If you hadn’t seen it with your own eyes, who would have believed it?

“You...”

Gong Ao struggled to stand up at this time, looking at Yue Feng closely, his heart was also full of anger.

Impossible, this kid stole the Lingguo from Lingguo Garden a few days ago, and then he has the primordial spirit. Seeing that he only has the opportunity to escape, he has only seen him for a few days, and his strength has increased so much?

This...

And the Nine Heavens God sitting on the throne has a solemn expression.

The breath on Yue Feng’s body is very familiar, it seems to be the power of the demon clan.

“Yue Feng!” The

next second, Jiutian God looked at Yue Feng coldly: “You always explain, where did you get the power in you?”

When he said this, Jiutian God looked solemn, but he felt a little uneasy. Good foreboding.

“Want to know?”

Yue Feng smiled lightly, then jumped up and rushed into the mid-air outside, his mighty voice rolling out into the distance: “

Where are the reinforcements!” “Yes!” The

voice fell, only to hear a howl , deafening, and then, a black figure appeared in the sky not far away, coming quickly!

From a distance, it was the White Tiger King, the Colorful Lingfeng, and many other monsters, with a total of hundreds of thousands, covering the sky, and soon surrounded the Yutian Palace!

Hiss..

Seeing this scene, whether it was Gong Ao or those priests, all of them trembled in their hearts.

“Monster clan?”

“Aren’t they sealed up?”

“What’s the matter...?”

In the exclamations, Jiutian God couldn’t help but stand up and looked at the White Tiger King and was shocked. Can’t say a word.

Yue Feng was suspended in the air, Fang Tianhua halberd in his hand, bursting with light.

“Nine Heavens God!” In the

next second, Yue Feng looked directly at the Nine Heavens God: “The power in me was passed on to me by Queen Suzaku, not only that, the Baihu clan, the Xuanwu clan, and other demon clans were all subdued by me. “

Now you say, do I have the strength to stand here?”

“Hand over my master, Mr. Guigu, immediately, otherwise, I will level your imperial palace!”

Chapter 3670 The

last sentence, Yue Feng almost roared out, his eyes were red!

mad!

What a crazy tone!

Hearing this, the expressions of the priests present changed, faintly angry!

You must know that the Yutian Palace is the place where the Nine Heavens God handles affairs, which symbolizes the supremacy, and this Yue Feng, who even despised the majesty of the Nine Heavens God, and colluded with the demon clan, is simply heinous.

“Okay, very good!”

At this time, the Nine Heavens God was even more furious, glaring at Yue Feng and roaring: “You will release the demon clan from the sealed land, causing chaos in the God Realm, I will never forgive you.

” Where will it be, kill them for me, and leave none of them!”

Om! hum! hum!

The last word fell, and hundreds of thousands of divine soldiers and generals rushed toward Yutian Palace like a tide.

Huh....

At this moment, hundreds of thousands of gods and soldiers pulled out their weapons in unison, and the shocking cry resounded throughout the Yutian Palace: “Offend Your Majesty’s Tianwei, kill without mercy...”

The momentum is shocking, resounding through the sky!

Nima!

Seeing this scene, Yue Feng’s face suddenly became solemn, as expected of God’s Domain, the speed of this support is simply too fast. Jiutian God gave an order, and in an instant, hundreds of thousands of gods and soldiers came. However, Yue Feng did not panic at all, looked around, and

shouted at the White Tiger King: “The outcome of this battle is unpredictable. Are you afraid?

“

Shout, one by one is full of fighting spirit.

Trapped in the Sealed Land for nearly ten thousand years, I have long wanted to return to the Divine Realm, but I have been waiting for this day for a long time.

“Kill!”

At this moment, Yue Feng stopped talking nonsense, roared, and then grabbed Fang Tianhua halberd tightly and rushed up first.

Behind Yue Feng, the White Tiger King and hundreds of thousands of demon clans shouted out one after another, and greeted hundreds of thousands of divine soldiers and generals, and the two sides were instantly killed together!

The sound of weapons colliding and screaming constantly echoed around the Yutian Palace!

...

On the other side, the mainland of Kyushu.

The divine envoy Luo Jue formed the Heavenly Dao Alliance, and many sects joined one after another, but there were also some large sects and the royal family who refused to join.

Under such circumstances, the surface of the Kyushu rivers and lakes may seem calm, but undercurrents are surging.

A hundred miles away from the Tianmen General Altar, there is a Yuxu Peak. There is a water pool on the top of the peak.

At this time, next to Yuxu Spring, two people were sitting there cross-legged, meditating and practicing.

One is tall and the other is handsome.

It was Yue Wuya and Sun Dasheng.

Since becoming the second Sect Master of Tianmen, Yue Wuya has been practicing diligently, and his favorite place to stay is Yuxu Peak.

Wen Chou Chou and Sun Dasheng, as elders, every time Yue Wuya came to practice here, they would accompany him personally, but today Wen Chou Chou has something to do, so only Sun Dasheng accompanied Yue Wuya.

At this time, Sun Dasheng breathed a long sigh of relief, finished his practice, stood up slowly, and said to Yue Wuya, “Ya’er, it’s getting late, let’s change it back.”

After speaking, Sun Dasheng said to himself: “Brother Wen has been studying how to enter the realm of the gods for the past few days, but there is no progress at all. It’s really urgent.”

Alas!

Hearing this, Yue Wuya slowly opened her eyes, and she was also very melancholy: “Yes, that Miaoying said that her father is very likely to be trapped in the realm of the gods, but she can’t say the specifics.”

“Also, Luo Jue, the divine envoy sent by God’s Domain, has been expanding its sphere of influence since the formation of the Heavenly Dao Alliance. I heard that the Xicang Royal Family also agreed to join the Heavenly Dao Alliance. According to the situation, I am afraid that the rivers and lakes of the Kyushu Continent will all be destroyed by the Heavenly Dao. Alliance control.”

Hearing this, Sun Dasheng also sighed.
