

The ultimate husband in Chinese chapter 3671-3680

Chapter 3671

Yue Wuya is right, that Luo Jue's arrival completely broke the balance of the Kyushu rivers and lakes.

Buzz....

just as he was talking, he saw a few figures, flying quickly.

Several people dressed in uniform to serve, with the sign of Xiangyun on it, are the people of Tiandao Alliance.

The one headed by him has a treacherous look on his face.

This person is called Guo Dong. He used to be the head of a small sect. He was cunning and despicable. At that time, he joined the Heavenly Dao Alliance at the Nine Heavens Conference. Because of his smooth behavior, Luo Jue was very much used. When he got to the front, Guo Dong looked up and down at Yue Wuya

and Sun Dasheng, and showed a smile: "It turned out to be Sect Master Yue and Sect Master Sun, please leave here."

.

If Guo Dong had seen Yue Wuya and Sun Dasheng before, he would not have dared to let out the air, but at this time, as a member of the Heavenly Dao Alliance, he naturally did not take Sun Dasheng in his eyes.

"Guo Dong!"

At this moment, Sun Dasheng frowned and said angrily: "What do you mean? Didn't see me and Sect Master Yue meditating here? Hurry up and don't disturb us."

Yue Wuya next to him, With a look of indifference, he didn't even look at Guo Dong.

mad.

Hearing this, Guo Dong was very upset, but he still said patiently: "Sect Master Sun, don't be angry, it's like this, this Yuxu Peak is favored by our Lord Tianzun, and we want to build a teleportation array here, so ..."

The Tianzun in Guo Dong's mouth was Luo Jue, meaning the supreme ruler of the Tiandao Alliance.

This chapter is provided by . Visit for daily update.

“Go to your code!”

Sun Dasheng had a fiery temper, and he couldn't help it in an instant, and he yelled: “What is your Tianzun fancy? Are you blind? This Yuxu Peak is within the scope of Tianmen and has always been under the jurisdiction of Tianmen, how can it become your Tiandao Alliance? Where? Hurry up, or don't blame me for being rude.” The

voice fell, and Yue Wuya couldn't help but say: “Guo Dong, go back and tell you Tianzun, although our Tianmen is low-key, it's not easy to mess with.”

Uh... ..

Seeing this situation, Guo Dong's face was gloomy and uncertain, and he wanted to explode, but thinking of the strength of Sun Dasheng and Yue Wuya, he still held back.

At this moment, another figure flew up to the top of the mountain, dressed in black robes, and a powerful aura pervaded his body.

It was Luo Jue.

Today, Luo Jue is looking everywhere for a place to build a teleportation array, which is convenient for contacting the Divine Realm, but he has not been able to find a suitable place. Today, he came to Yuxu Peak. Seeing that there is a lot of spiritual energy here, he is very satisfied, so he asked Guo Dong to come to the peak for inspection. , As a result, after waiting for a while, Guo Dong did not come back to resume his life, so Luo Jue had to come up and take a look.

“Your Excellency Tianzun!”

Seeing Luo Jue, Guo Dong quickly greeted him.

Luo Jue nodded, then looked at Sun Dasheng and Yue Wuya, smiled and said, “Sect Master Sun, Sect Master Yue, stay safe.”

Sun Dasheng was too lazy to talk nonsense, and asked: “Luo Jue, this is the place of Tianmen, what do you have? Occupy power?”

“Occupy?”

Hearing this, Luo Jue was stunned for a moment, then his eyes narrowed slightly, and he said word by word: “Master Sun, what you said is very wrong, in this world, everyone Under the jurisdiction of the Nine Heavens God, even those royal families are His Majesty's human subjects, and as the messenger sent by His Majesty, I represent His Majesty the Nine Heavens God!”

“In other words, I want to occupy the total area of your Huaguo Mountain. Tan, you have to obediently let me out, understand?”

As he spoke, Luo Jue said it was an understatement, but there was no doubt about it.

What? Do you want me to give up the Huaguoshan main altar?

It's not arrogance, it's just too much bullshit.

In an instant, Sun Dasheng was burning with anger!

“Crack!”

Sun Dasheng's eyes were instantly blood red, his whole body exploded with power, and the Heaven-Opening Axe appeared in his hand!

Chapter 3672

“Okay, in that case, let me experience the strength of your divine envoy, do you have the qualifications to let me give up the Huaguoshan main altar!” After the words

fell, Sun Dasheng's mind went blank, and he chopped it with an axe!

Sun Dasheng had a bad temper, how could he bear it when facing such an arrogant Luo Jue!

hum!

In an instant, a touch of golden light came directly to Luo Jue.

Seeing the golden glow, Luo Jue's mouth curled into a trace of disdain: “I don't know what the sky is high and the earth is thick, with your strength, you dare to be wild in front of this deity.”

The moment the words fell, a powerful breath came from Luo Jue. It burst out! He raised his hand slightly.

“Clang!”

Luo Jue's palm seemed to be an understatement, but it contained the power of heaven and earth. He heard a dull sound, and the golden light instantly dissipated. Then, Sun Dasheng only felt a powerful force coming, and the whole person shook back. After several steps, his face was instantly pale!

At this time, although the strength of Sun Dasheng has reached the peak of the peak, and he also has a magical weapon such as the opening axe, Luo Jue is from the realm of the gods.

The strengths of the two sides are not comparable at all.

Whoa!

Seeing this scene, the surrounding Guo Dong and others were extremely excited.

At the same time, Guo Dong did not forget to mock at Sun Dasheng: "Sun Dasheng, just show off your ability in front of me, and dare to challenge our Lord Tianzun? It's just looking for death."

Nima...

heard At these words, Sun Dasheng was furious and shouted: "Come again!"

The words fell, and Sun Dasheng held the opening axe tightly and charged towards Luo Jue again.

"It's too much!"

Luo Jue snorted coldly, raised his hand slowly, and saw the spiritual energy of heaven and earth around Yuxu Peak, quickly gathering around him, the next second, a flame jumped out of his palm, tumbling up and down , In an instant, the surrounding air was instantly distorted by the high temperature.

It is the blazing flames that only God's Domain has.

Feeling the scorching temperature of the blazing fire, Sun Dasheng's heart trembled.

"Uncle Great Sage!"

Seeing this scene, Yue Wuya's face changed greatly, and then he stimulated his inner strength and waved in the air to form a protective barrier, blocking Sun Dasheng!

boom!

In the blink of an eye, the flames burst out, slammed into the barrier fiercely, and a loud noise erupted, terrifying heat swept away, and the entire Yuxuquan seemed to be on fire.

That protective film also shattered instantly, Yue Wuya and Sun Dasheng were directly shaken and flew out, flying more than ten meters away, and fell on the edge of Yuxu Peak.

Mad!

Yue Wuya spat out a mouthful of blood, stood up quickly, glared at Luo Jue, and was secretly shocked.

powerful!

As expected from God's Domain, this Luo Jue's strength is too terrifying.

Sun Dasheng was also pale and very embarrassed.

"Going against God's Domain is self-destruction!" Luo Jue glanced proudly at Yue Wuya and Sun Dasheng, and said lightly: "I will say it for the last time, starting from today, you are not allowed to take another step on Yuxu Peak, otherwise, there will be consequences. Be conceited." When the

voice fell, Luo Jue greeted Guo Dong and the others and prepared to leave.

"Cao Nima!"

However, before taking two steps, he heard Sun Dasheng's roar. At that time, he didn't know where the strength came from. He held the opening axe tightly and charged towards Luo Jue again.

Sun Dasheng has a hot personality, and he has been walking around the world for so long. When has he suffered such a useless feeling?

Chapter 3673

"Great Sage Uncle!"

Seeing this scene, Yue Wuya was so anxious that he couldn't help shouting.

This Luo Jue is so powerful, but the great saint uncle is provoking one after another. Isn't this self-inflicted humiliation?

Yue Wuya shouted, and was about to rush up to stop Sun Dasheng, but he was still a step too late.

boom!

Seeing the figures of Sun Dasheng and Luo Jue collide, there was a loud noise, and then, Sun Dasheng looked miserable and stepped back.

"Uncle Great Sage, don't be impulsive!" Yue Wuya was sweating profusely and couldn't help shouting.

The Great Saint Uncle's temper is so hot, he knows he can't beat him, but he has to fight!

"Y'er, the Heavenly Dao Alliance is so deceiving that they don't take us seriously at all. If we back down today, they will be even more aggressive!" Sun Dasheng's eyes were blood red, and he couldn't help howling loudly.

call!

Hearing this, Yue Wuya took a deep breath and fell silent.

Yes, this Tiandao Alliance, today occupying Yuxu Peak, tomorrow will occupy the Tianmen main altar, if it blindly retreats, where will Tianmen and Huaguoshan still have a foothold? Thinking to himself, Yue

Wuya held the Overlord Hammer tightly and said loudly: "Okay, Uncle Great Sage, I will help you, and today I will teach you a lesson to the messenger from this God's Domain!"

It exploded and came directly towards Luo Jue!

hum!

In an instant, the two exploded their inner strength at the same time, the surrounding air suddenly distorted, and two powerful breaths directly locked Luo Jue, with astonishing power!

However, there was a hint of arrogance at the corner of Luo Jue's mouth: "Come together? Very good!" When the

voice fell, Luo Jue raised his hand and waved, and two rays of light burst out, welcoming Sun Dasheng and Yue Wuya respectively.

Boom!

Feeling the terrifying power contained in the light, Yue Wuya and Sun Dasheng looked at each other, and then they were about to dodge, but they were still a step behind! The body was directly hit by the light, and immediately, the two groaned and fell towards the bottom.

"Pfft..."

After landing, Yue Wuya spit out a mouthful of blood before he could stand still!

Sun Dasheng staggered back a few steps. Although he didn't spurt blood, his face was pale, and he was obviously not seriously injured.

“Sun Dasheng!”

At this time, Luo Jue looked at Sun Dasheng up and down, his eyes flashed with a touch of brilliance, and he said word by word: “I will give you a chance, if you are willing to merge Huaguo Mountain into the Tiandao Alliance, I can forget about it. Unpleasant.”

When he said this, Luo Jue’s tone was indifferent, but there was no doubt.

In Luo Jue’s heart, Sun Dasheng is a very difficult thorn to deal with, and he also has the axe weapon. Since he has torn his face today, he will take this opportunity to take him down, otherwise, there will be endless troubles.

“Bah...”

Sun Dasheng sneered, without hesitation, he spit at the ground in front of Luo Jue.

“You are courting death!”

Sun Dasheng’s attitude completely angered Luo Jue.

Click!

When the words fell, Luo Jue stopped talking nonsense, slowly raised his right hand, and saw a strange long sword in his hand.

This long sword is extremely sharp on one side, and the other side is full of serrations, with a golden halo flowing on it.

This sword is Luo Jue’s personal weapon, called Tianjue Sword. It was given to Luo Jue by God in the Nine Heavens in those days.

Huhuhu...

As soon as the sword came out, the surrounding wind suddenly whistled, and the temperature in the air dropped a lot in an instant.

Nima!

Seeing this scene, Yue Wuya clenched his fists and broke into a cold sweat for Sun Dasheng.

Chapter 3674

Luo Jue’s understated move just now, he and the Great Sage Uncle couldn’t stop it. At this time, Luo Jue showed his weapon, I was afraid that the Great Sage Uncle would be in danger.

call!

Feeling the fighting spirit permeating Luo Jue's body, Sun Dasheng couldn't help but take a deep breath. Cold sweat broke out on his forehead, but his face was still full of rebelliousness.

Mad, even if he were to die today, he would not bow his head to him.

hum!

Luo Jue didn't talk nonsense. With a strong wave, he heard a whistling sound that stunned the heavens and the earth. It came from the Heavenly Jue Sword. Then, a dazzling ray of light ripped apart the world and came straight to Sun Dasheng.

Seeing this scene, Yue Wuya really wanted to come and help, but he was injured by Luo Jue just now.

bring it on!

Sun Dasheng's eyes were blood red, and instead of retreating, he advanced, and he completely burst out the power of the whole body, condensing on the opening axe, trying to resist Luo Jue's attack.

hum.

Just saw the opening axe, after Sun Dasheng injected his inner power, a golden light burst out, illuminating the world.

Bang!

The next second, Luo Jue's burst of light slammed into the opening axe, and saw the power of the opening axe instantly dissipated. Then, when he heard Sun Dasheng let out a muffled groan, the whole person was shocked and flew out. It flew more than 100 meters before falling heavily to the ground.

Sun Dasheng's strength is at the peak in the Kyushu Continent, but facing Luo Jue, it is still a lot worse. During the fierce battle just now, Sun Dasheng was already shocked. At this time, facing Luo Jue's weapons, he was completely unable to stop him.

After all, Luo Jue was sent by Jiutian God, and his strength was much stronger than Jiutian Xuannv.

"Great Saint Uncle!"

Seeing this scene, Yue Wuya's eyes were bloodshot, and he couldn't help shouting. At the same time, he wanted to rush over to check Sun Dasheng's injury, but his body was too weak to stand up.

"Sun Dasheng"

At this moment, Luo Jue stared at Sun Dasheng closely, with a proud tone in his tone: "Isn't it very powerful just now, just a few tricks will not work?" As he

said, Luo Jue clenched the Tianjue sword tightly, slowly walked towards Sun Dasheng.

A strong breath permeated the whole world.

"I'll give you one last chance to bring Huaguo Mountain and merge into my Heavenly Dao Alliance." Luo Jue said coldly when he got there.

"Haha..."

Hearing this, Sun Dasheng laughed in the sky, his eyes full of determination: "The person who made my Dasheng submissive soft has not yet been born, just because you are a little messenger, you want me to admit defeat? Dream about it."

"I really want me to surrender and ask your Nine Heavens to come in person." When the last sentence was shouted, Sun Dasheng's face was full of madness.

Swish!

Hearing this, Luo Jue's eyes flashed with a strong killing intent: "Okay, since you are so stubborn, then I will die as you wish

!

" Luo Jue mobilized his divine power, and a terrifying sword shadow erupted from the Tianjue Sword in his hand, like a bolt of lightning, coming straight towards Sun Dasheng.

At this time, Luo Jue was completely impatient, and what made him extremely angry was that Sun Dasheng, who was in front of him, even called the Nine Heavens God's name, which was simply intolerable.

It is completely disrespectful to directly call the Nine Heavens God's name, and must be killed.

Ha ha...

Seeing this scene, several Guo Dong not far away were extremely proud, and their eyes were full of ridicule and indifference.

This Great Sage Sun, relying on himself as the head of Huaguo Mountain and his relationship with Tianmen, was arrogant and arrogant, and he was killed by Luo Jue at this time, which was completely deserved.

Mad!

Seeing Luo Jue's sword shadow erupting again, Sun Dasheng clenched his fists tightly, without the slightest panic, only unwilling in his heart.

Did it die like that? I'm so unhappy.

Chapter 3675

"Great Sage Uncle!"

At the same time, Yue Wuya also shouted and rushed forward without hesitation, trying to present this sword shadow, but that sword shadow was too fast, rubbing Yue Wuya's side, can't stop it at all.

hum!

Seeing that Sun Dasheng was about to be split in half by the sword shadow, suddenly, a powerful breath came from not far away, followed by a petite and slender figure that appeared in front of everyone.

Wearing a light pink short skirt, she is a bit playful and cute, with finely carved jade-like facial features, which is lovable, but her whole body is filled with a strong aura.

It was Xiao Xi.

During this time, Xiao Xi has been in retreat and practice in the Ouyang family. Today is the day to go out. Half an hour ago, I learned that Yue Wuya and Sun Dasheng were meditating in Yuxu Peak. When he arrived, he saw that Luo Jue was shooting against Sun Dasheng.

In Xiao Xi's heart, Sun Dasheng is Yue Feng's sworn brother, how can he watch him have an accident?

Whoa!

As soon as Xiao Xi appeared, whether it was Luo Jue or Guo Dong and others not far away, they were all stunned.

Afterwards, Guo Dong reacted a few times and looked at Xiao Xi without blinking, his eyes were straight.

Such a petite and delicate beauty.

But... the breath that pervades this body is so strong.

Um?

A few seconds later, Luo Jue reacted, frowning at Xiao Xi, indescribably surprised.

This.... the power of this woman is not the power of human beings, it seems to be the power of Qinglong...

Bang!

Just when Luo Jue was muttering in secret, he saw Xiao Xi raised his hand and waved, and a force burst out. In an instant, he met the sword shadow displayed by Luo Jue, and he heard a shock, and the sword shadow collapsed. trace.

“Little aunt...”

Seeing this scene, Yue Wuya was surprised and delighted, and couldn't help but shout. Although Xiao Xi appeared to be Yue Feng's personal maid, she was actually Yue Feng's confidante. According to her seniority, Yue Wuya naturally called her aunt.

At the same time, Sun Dasheng wiped the cold sweat from his forehead, and laughed at Xiao Xi: “Haha, Xiao Xi, you came in time, otherwise, my life will be explained.”

Saying this At the time, Sun Dasheng was extremely relaxed.

You must know that in the Ouyang family, Xiao Xi's strength is the strongest. After all, she has the power of the Shenlong family in her body, which is not comparable to human practitioners.

Hearing the words of Sun Dasheng and Yue Wuya, Xiao Xi smiled lightly and said, “Brother Dasheng, Ya'er, don't worry, no one can hurt you when I am here today.” When the words

fell, Xiao Xi looked up and down Luo. absolutely.

“You're not ashamed, just because you are a woman, you want to keep them?”

Facing Xiao Xi's gaze, Luo Jue was too lazy to talk nonsense, his body exploded with divine power, a figure burst out, and slapped Xiao Xi with a palm.

In Luo Jue's heart, no matter what the relationship between this woman and the Qinglong clan is, since he dares to stop himself from killing Dasheng Sun, he must get rid of it together.

call!

Seeing Luo Jue burst out, Xiao Xi did not panic at all, bit her lip lightly, raised her jade hand and attacked.

Bang!

In the next second, the two palms collided, and Luo Jue only felt an overwhelming force coming from the mountains, and, in this force, contained the terrifying power of the Azure Dragon, Luo Jue groaned and stepped back a dozen times. step.

After stabilizing his figure, Luo Jue looked at Xiao Xi in shock and anger, and said coldly, "What is the relationship between you and the Qinglong family?" The

Qinglong family?

The ultimate husband in Chinese chapter 3676-3680

Chapter 3676 Xiaoxi

frowned and responded lightly: "What is the Qinglong family? You are talking about the Shenlong family, right? Tell you, the patriarch of the Shenlong family, Xiandi, is my sister."

What?

Hearing this, Luo Jue was shocked.

The woman in front of her turned out to be the younger sister of the patriarch of the Qinglong clan. No wonder she was so strong.

At the same time, Luo Jue's mood also became complicated. You must know that ten thousand years ago, the God Realm launched a war of gods. At that time, the Qinglong family knew that they were not opponents of the God Realm and were forced to flee to the human world. In other words, the Qinglong family came thousands of years ago. She has been huddled on Shenlong Island, and she was in such a situation that she was harmed by the gods.

As the messenger of God's Domain, Luo Jue's relationship with Xiao Xi is a feud. At this moment, Xiao Xi

turned to Luo Jue and asked, "Who are you? Why do you want to attack Sun Dasheng?" This... Luo Jue hesitated, not knowing how to answer for a while. If he revealed his identity, it must be an endless situation. After all, the Azure Dragon Clan and the Divine Realm are mortal enemies. "Little aunt!" At this moment, seeing Luo Jue's delay in answering, Yue Wuya couldn't help but say: "His name is Luo Jue, he is an emissary from the Divine Realm, recently established the Heavenly Dao Alliance, to force the Great Sage Uncle's Huaguoshan joins..." In the next minute, Yue Wuya explained the specific situation. Oops! Seeing this situation, Luo Jue's heart was shocked, and he was a little anxious. He originally wanted to perfunctory Xiaoxi, and then made an excuse to leave. After all, the grievances between the Divine Realm and the Qinglong family cannot be solved by himself, but he did not expect that Yue Wuya would tell his identity before he even opened his mouth. come out.

Holy area?

Hearing this, Xiao Xi's delicate face showed a bit of confusion: "Isn't God's Domain a legendary place? It actually exists..."

In Xiao Xi's heart, God's Domain is illusory, and only exists in mythology. Later, Xiao Xi's soul was attached to the dragon egg and became Xian Di's sister, but because of her young age, Xian Di never told her about the grievances between the Dragon Clan and the Divine Realm.

And Long Xiang'er, who has always protected Xiao Xi closely, never mentioned it.

In this case, Xiao Xi's cognition of God's Domain has been stuck in the concept of childhood.

Huh....

Hearing Xiao Xi's words, Luo Jue was stunned for a moment, and then secretly heaved a sigh of relief.

Looking at the situation, this woman does not seem to know the grievances between the Qinglong clan and the Divine Realm. Since this is the case, it will be easier to handle.

This chapter is provided by . Visit for daily update.

"Is Luo Jue?"

At this moment, Xiao Xi looked at Luo Jue and said seriously: "Since you are an emissary sent by God's Domain, you have to maintain the peace of the rivers and lakes in the Kyushu continent, why do you still forcibly occupy the place where you are being attacked? What?"

"This..."

Luo Jue scratched his head with an embarrassed look on his face, and said with a wry smile, "This is a complete misunderstanding..."

After saying that, Luo Jue glanced at Sun Dasheng and continued: "It may be something, I didn't make it clear to this Sect Master Sun. Take Yuxu Peak as an example, we are not occupying it, but borrowing it to build a teleportation formation, so that it is convenient to connect with God

's Domain..." When he said this, Luo Jue's face was very polite, and he was completely different from the cold and arrogant look just now.

Speaking of which, Luo Jue didn't want to let go of his posture, but he had no choice. Xiao Xi in front of him was too powerful. If he really wanted to fight, Luo Jue was not sure at all.

Mad!

Seeing this scene, Sun Dasheng sneered and cursed in his heart.

This Luo Jue is really a villain. When he encounters a strong person, he uses iron and blood methods. When he encounters someone who cannot be beaten, he changes his face.

Yue Wuya, who was next to him, looked at Luo Jue with a bit of contempt.

Chapter 3677

However, Xiao Xi nodded suddenly: "So that's the case."

Xiao Xi's mind is simple, and she didn't realize that Luo Jue in front of her was just perfunctory.

"Little aunt!"

Seeing that Xiao Xi believed, Yue Wuya suddenly became anxious and couldn't help saying: "Don't believe him, this Luo Jue is very deep."

Hearing this, Xiao Xi frowned and then looked at Luo Jue. : "Is that so?"

Damn....

Seeing this scene, Luo Jue was very suffocated. With Yue Wuya and Sun Dasheng around, I'm afraid it will be difficult to deceive this woman.

While muttering in his heart, Luo Jue smiled at Xiao Xi and said, "I am an envoy specially sent by the Nine Heavens to Kyushu. How could I lie? It was indeed a misunderstanding just now."

After speaking, Luo Jue looked at Yue Wuya again. : "I can only say that this Sect Master Yue is too prejudiced against me."

Haha...

Yue Wuya stopped talking, sneered secretly, and then thought of something and whispered to Xiao Xi: "Little aunt, look at the situation. , this Luo Jue is very afraid of the dragon clan behind you, in this case, you can ask him if he can help find my father."

Yue Wuya's voice was so small that only Xiao Xi could hear it.

What?

At this moment, Xiao Xi's delicate body trembled, her heart was inexplicably excited and excited, and she looked closely at Yue Wuya: "Your father? Does the son have any news?" Although Xiao Xi is now the sister of the Dragon Clan's patriarch, her identity is not the same. From the past, but still used to call Yue Feng the son.

Because Xiao Xi knew that without Yue Feng back then, she might still be a little beggar in Dongao Continent. No matter how noble her status became, Yue Feng would always be her son.

call!

Seeing Xiao Xi's excited look, Yue Wuya nodded: "Yes, three days ago, Miss Miaoying, who was involved in the vortex of chaos with her father, suddenly came back, and said that her father was not dead, but was trapped in the vortex of chaos. God's Domain..."

In the next few minutes, Yue Wuya explained in detail what happened to Miao Ying at that time.

Great!

The son is not dead, the son is not dead....

Knowing the situation, Xiao Xi was so excited that tears of joy flashed in her eyes.

For three years, for three whole years, I have always guarded the Ouyang family, firmly believing that Yue Feng is not dead, and will definitely come back one day.

"Little aunt!"

Seeing Xiao Xi's happy appearance, Yue Wuya's mood was also much better, but thinking of the situation in front of him, he said seriously: "This Luo Jue in front of me is an emissary from God's Domain, and he will definitely be able to find his father.

" Since he is so polite to you, why don't you let him help..."

Yue Wuya's tone was complicated when he said this.

You know, when he heard the news about Yue Feng from Miao Ying, Sun Dasheng proposed to ask Luo Jue, but was stopped by Wen Chou Chou, because Luo Jue had a special identity and Yue Feng had trespassed into the Divine Realm. If you rashly tell Luo Jue the situation, it may backfire.

Yue Wuya also thought so. And at this time, seeing Luo Juehui and Xiaoxi being so polite, Yue Wuya decided to give it a try.

Um!

Hearing this, Xiao Xi nodded without thinking.

As long as the young master can come back safely, he will do anything.

call!

At this time, Luo Jue, who was standing opposite, saw Yue Wuya and Xiao Xi have been talking in a low voice, and he was also muttering in his heart.

Sect Master Yue, what are you talking about with this woman?

You're not discussing how to deal with me, are you?

"Your Majesty!"

Chapter 3678

Just when Luo Jue was muttering secretly, he saw Xiao Xi walking slowly, with a gentle face, and said softly, "Since you are from God's Domain, can you do me a favor?"

" At that time, Xiao Xi looked serious, and her eyes flashed with anticipation.

help?

Hearing this, Luo Jue was stunned. The woman in front of her is the younger sister of the Dragon Clan Patriarch. She has an extraordinary position and is tyrannical, so she still needs to help herself?

At the same time, Luo Jue also secretly breathed a sigh of relief.

Since the other party has asked for help, they should not be able to do it with themselves.

Thinking to himself, Luo Jue showed a smile: “Okay, what do you want me to do?”

Seeing that he didn’t refuse, Xiao Xi suddenly got excited and said quickly: “I’m a very good friend, his name is Yue Feng. , I accidentally broke into the God’s Domain, and I was going to return to the Kyushu Continent. I have received it for a long time, and there is no news from him, I want to ask your Excellency God Envoy to help me find it, can you?”

What?

At this moment, Luo Jue’s face changed, and he froze there, only feeling his brain buzzing.

A human, actually broke into the realm of the gods privately?

This is against the rules of heaven and should be punished.

At the same time, Luo Jue also thought that Xiao Xi was a bit ridiculous, knowing that he was the messenger of God’s Domain, but still had to help him find someone... It was really interesting.

However, Luo never showed these mental activities.

At this time, Luo Jue heard of Yue Feng for the first time, because when he was dispatched to Kyushu, Yue Feng’s impersonation of Jiutian God had not been exposed.

A few seconds later, Luo Jue reacted and hesitated: “This, this...”

Seeing Luo Jue’s expression of embarrassment, Xiao Xi suddenly became anxious, and hurriedly said: “Your Excellency God, as long as you help me find Yue Feng, you will be my benefactor in the future, and I must be grateful.”

As long as Yue Feng can return safely, Xiao Xi will not even have to die.

“Xiao Xi!”

At this moment, Sun Dasheng, who was not far away, couldn’t help shouting: “Why are you begging him? Fengzi is auspicious person, there will be no problem, even if we want to find Fengzi, we don’t need to. He helped.”

When he said this, Sun Dasheng glared at Luo Jue, unable to hide his hostility.

Mad, just now, he almost died at the hands of this Luo Jue.

Xiao Xi bit her lip and didn't respond.

Yue Wuya was both angry and funny, and couldn't help but say, "Uncle Great Sage, don't say a word..."

Speaking of which, Yue Wuya didn't have the slightest affection for Luo Jue, but anyway, the other party's The identity is the messenger of God's Domain. As long as he is willing to help, he will be sure to find his father.

Hearing Yue Wuya's words, Sun Dasheng was still annoyed, but he still closed his mouth.

At this time, Xiao Xi looked at Luo Jue closely, with a very sincere attitude: "Your Excellency God, please."

As soon as the voice fell, Guo Dong walked over quickly and whispered to Luo Jue: "Tianzun, You can't agree to this. You don't know that Yue Feng is even more difficult to deal with than Dasheng Sun. If you help them find Yue Feng and bring them back safely, the situation in Kyushu will definitely be rewritten."

"More importantly, the existence of Yue Feng, It will hinder the development of our Tiandao Alliance."

When he said this, Guo Dong's face was serious, but his eyes flashed with insidiousness.

Back then, when Yue Feng was still around, Tianmen had been rectifying the order of the rivers and lakes, especially the unprincipled sects like Guo Dong, who were the targets of Tianmen's suppression. It can be said that Guo Dong hates and fears Yue Feng, how could Yue Feng return to Kyushu?

Um!

Hearing this, Luo Jue nodded thoughtfully.

The next second, Luo Jue showed a smile, looked at Xiao Xi and said, "Since the girl is so sincere, then I will promise you."

Chapter 3679

Great!

Seeing Luo Jue's promise, Xiao Xi was overwhelmed with excitement, her smile was like a flower, and she was very cute.

Yue Wuya next to him also felt relieved.

Although he was a little unhappy with Luo Jue just now, the other party promised to help find his father, indicating that this Luo Jue is still worth paying.

What?

On the other hand, Guo Dong, who was next to him, was dumbfounded.

Why did Tianzun agree?

Thinking to himself, Guo Dong was so anxious that he couldn't help but said to Luo Jue: "Tianzun, this can't be agreed..." Luo Jue interrupted before he finished speaking.

"Shut up for me, I'm talking to this dragon girl, where is your turn to interrupt?" Luo Jue's face was gloomy, and he scolded coldly: "It's my business to promise to help, what do you have? Relationship? Do you still want to influence my decision?" The

voice was stern and full of aura.

Seeing Luo Jue's anger, Guo Dong was terrified, and quickly said, "My subordinates don't dare, I don't dare..." As he spoke, he stepped aside.

"Haha..."

Luo Jue turned his head and smiled at Xiao Xi: "My subordinates don't know the etiquette, I made you laugh."

At this time, Xiao Xi, in a happy mood, shook his head and said, "Where, tell me Thank you."

Luo Jue nodded, then thought of something, and smiled awkwardly: "I have no problem with helping you find Yue Feng's whereabouts, but I also have something to do, I hope the girl can do it."

When he said this, Luo Jue looked indifferent, but there was a bit of cunning in his eyes.

"What's the matter?"

Xiao Xi said without thinking, in her heart, as long as the other party can help find the son, not to mention one condition, ten conditions, there is no problem.

"It's like this..."

Luo Jue took a deep breath, with a fake look on his face: "The Qinglong family is the first of the four innate spirit beasts. It's a pity that the Qinglong family has been living in seclusion in the human world thousands of years ago."

"It's an honor to meet the girl today, so I want to ask the girl to take me to your habitat and meet your Qinglong family. Patriarch, let me give up my wish." What

he said was extremely sincere, but when he said it, Luo Jue had been observing the changes in Xiao Xi's expression.

To be honest, Luo Jue looked relaxed at this time, but he was actually very nervous.

Yes, Luo Jue is going to take a gamble.

For thousands of years, God's Domain has been exploring the hiding place of the Qinglong family, but they have failed. At this time, the younger sister of the Qinglong family in front of her didn't even know the grievances between her tribe and God's Domain. Luo Jue knew that she had made great contributions. The opportunity has come.

Luo Jue's plan is very simple, let Xiaoxi take him to the hiding place of the Qinglong family, and after knowing the place, he will find a way to capture all the Qinglong family.

As long as he catches the Qinglong family, he will make a great contribution. At that time, the Nine Heavens God will be seriously injured.

This...

Seeing the sincerity on Luo Jue's face, Xiao Xi was stunned, and then hesitated: "This..."

Although Xiao Xi didn't know the grievances between the Qinglong family and God's Domain, but before leaving Shenlong Island, Xian Di once specially explained that the location of Shenlong Island must not be leaked.

At this time, the messenger of the Divine Realm in front of him actually wanted to take him to Shenlong Island by himself. How could this be possible?

But if they don't agree, the other party will not try their best to help find the son.

For a time, Xiao Xi frowned and hesitated.

call!

Seeing Xiao Xi's expression, Luo Jue breathed a sigh of relief, smiled and said, "Girl, does my condition make you embarrassed?"

Chapter 3680

Luo Jue at this time is relaxed on the surface, but a little uneasy in his heart.

If the other party doesn't agree, it will be embarrassing.

Xiao Xi quickly shook her head: "No, I just need to think about it."

When she said this, Xiao Xi thought of Long Xiang'er. If only Long Xiang'er was by her side, she could also give herself a suggestion, but it's a pity. When he was in retreat in the Ouyang family, Long Xiang'er returned to Shenlong Island and reported the situation to Xiandi.

Thinking to herself, Xiao Xi made up her mind and said to Luo Jue, "Your Excellency, God Envoy, let's do it, you give me two days to think about it. I'll go to Tiandao Alliance to find you directly, how about that?"

"Okay. , good!"

Originally Luo Jue was still a little worried, but when he heard Xiao Xi say this, he immediately smiled: "Then I'll be waiting for the girl in the Tiandao League." After saying that, he greeted Guo Dong and the others to leave.

"Xiao Xi!"

As soon as his forefoot left, Sun Dasheng came over with a displeased expression: "Are you really going to take this Luo Jue to the habitat of the Dragon Clan?"

Xiao Xi shook her head and watched Luo Jue leave. She softly said: "I'm not sure, because my sister said that the location of Shenlong Island cannot be easily told to others. That's why I didn't promise him immediately."

"Let's go back first, wait for Long Xiang'er to come back, Listen to her opinion."

After saying this, Xiao Xi checked Sun Dasheng's injury, knowing that he was only injured by a shock and that there was no serious problem, Xiao Xi was relieved.

Afterwards, Xiao Xi, Yue Wuya, and Sun Dasheng left Yuxu Peak and returned to the Ouyang family.

....

on the other side.

Luo Jue took several Guo Dong and quickly rushed towards the main altar of the Tiandao Alliance.

Along the way, Guo Dong became more and more confused, and couldn't understand why Luo Jue was so polite to Xiao Xi.

"Tianzun."

Finally, Guo Dong couldn't bear it any longer and asked: "Then Dasheng Sun is so arrogant, why did Your Excellency Tianzun spare him? No matter how strong the woman named Xiaoxi is, Tianzun, you are from God's Domain."

Luo Jue said angrily, "What do you know? I'm talking about retreating as advance. If I don't stabilize them first, how can I catch them all in one go?"

Huh...

Hearing this, Guo Dong thought for a while, and suddenly laughed: "I seem to understand."

Luo Jue was too lazy to talk nonsense, and waved his hand: "Stop talking nonsense, immediately send an order to let everyone come to the main altar to gather, I have something important to announce."

"Yes, Your Excellency Tianzun!" Guo Dong hurriedly Agreed, and proceeded to do it.

Half an hour later, the main hall of the Tiandao Alliance.

In the main hall, there are several rows of seats, with nearly a hundred seats. At this time, the seats are full of people, all of them are the heads of various sects who have joined the Tiandao Alliance, as well as the heads of various forces.

On the innermost throne, Luo Jue sat there in a black robe, his expression was indifferent, he was not angry and mighty, and the aura of Tianzun was full of expression.

On both sides of Luo Jue, there are eight seats, on which sit eight slender and charming figures, all wearing long skirts, with graceful figures and full of fairy spirit.

It is the eight saintess Huanxiang and Ziyan.

Suddenly summoned by Luo Jue, the people present did not dare to speak rashly under unknown circumstances.

And Huanxiang and Ziyan are also secretly suspicious.

Suddenly, Luo Jue gathered so many people together, what was he going to do?

For a while, the entire hall was silent.

“Everyone!”

Finally, Luo Jue cleared his throat and said with a smile: “There is an important matter in calling you here this time. This matter is not only related to the rise and fall of the Tiandao Alliance, but also to each of you. personal honor.”
