

The ultimate husband in Chinese chapter 3681-3690

Chapter 3681

Wow!

Hearing this, the entire hall was in an uproar, and everyone looked at each other, inexplicably excited.

It is certainly not a trivial matter that is related to everyone's honor and disgrace.

Later, in the crowd, I don't know who couldn't help but ask: "Your Excellency Tianzun, what's the matter?"

Luo Jue showed a smile and said slowly: "I'm going to start a war and let the Heavenly Dao Alliance spread its power in the world of Kyushu. "

War?

Hearing this word, many people were shocked.

In the next second, the entire hall was discussing.

"Tianzun is finally going to take action."

"Yeah, at the Kyushu Conference at that time, those big sects were disdainful of Tianzun, very hateful. Especially Tianmen, Huaguoshan..."

"Yes, Tianmen It's time to give them some color with Huaguoshan and other sects."

In the hearts of everyone, they thought Luo Jue was going to deal with Tianmen and Huaguoshan and other major sects. After all, at the Kyushu Conference at that time, the sects of Tianmen and Huaguoshan did not take Luo Jue seriously.

Everyone's discussion kept coming, but the eight saintess Zi Yan and Huanxiang were secretly anxious.

If Luo Jue was going to deal with Tianmen, it would be troublesome.

"Tianzun!"

This chapter is provided by . Visit for daily update.

Finally, Huanxiang couldn't help it, and asked Luo Jue, "Are you going to do something to Tianmen? I don't think it's right. Since Tianmen was established, it has always held the belief of punishing evil and promoting good. , to benefit the rivers and lakes, and

safeguard the justice of the rivers and lakes, if we rashly take action against Tianmen, the fundamental teacher will be unknown.”

When the words fell, Zi Yan also said: “Yes, the purpose of our Tiandao Alliance is to maintain the balance of the rivers and lakes, and rashly initiate disputes, I am afraid that public opinion will be lost.”

At the same time, the other six saintess also nodded. go along.

Like everyone else, the eight saintess also thought that Luo Jue was going to deal with Tianmen.

call!

Hearing this, Luo Jue took a deep breath and his face became gloomy: “Huanxiang, Ziyan, don’t forget your identities, you Nine Heavens Saintess, from the God’s Domain, naturally everything must be subject to the rules of the God’s Domain.

” Besides, I didn’t say that I was shooting at Tianmen, why are you all excited?” The words were slow and slow, but full of aura.

Not to deal with Tianmen?

At this moment, Huanxiang and Ziyan’s expressions suddenly softened a lot.

“Okay!”

At this time, Luo Jue slowly stood up and said seriously: “I won’t play dumb riddles anymore. This time, the goal of our Heavenly Dao Alliance is not the Jianghu faction, but the Qinglong family.”

What?

Hearing the last four words, the entire hall was instantly silent, and everyone was stunned.

Especially the heads of the sects below, their eyes widened, thinking that they heard it wrong.

Qing.... Qinglong clan?

At the same time, the eight saintess Huanxiang and Ziyan also trembled.

Looking at the expressions of everyone, Luo Jue chuckled and said slowly: "You don't have to guess, the Qinglong family is the Shenlong family that you mentioned in the Kyushu continent."

"Perhaps you still don't know that tens of thousands of years ago, the Qinglong clan and other monster clans openly fought against the God Realm. At that time, the God Realm launched a divine war and sealed up all the monster clans. Only the Qinglong clan escaped and hid in the Kyushu continent."

"Just recently, I have the whereabouts of the Qinglong clan. When I find their habitat, I must capture all the Qinglong clan. Since you are a member of the Tiandao Alliance, you have the responsibility to cooperate with me and obey my dispatch, understand. Is that right?"

Luo Jue looked righteous when he said this.

Huanxiang, who was sitting on both sides, and the eight saintess Zi Yan also had indifferent expressions. As a member of the Divine Realm, of course they knew the grievances between the Qinglong family and the Divine Realm.

Wow...

Knowing these circumstances, the entire hall was once again in an uproar, and many people were talking about it.

"It's no wonder that there will be dragons in our Kyushu. It turned out to be escaping from the realm of the gods."

Chapter 3682

"I really didn't expect that this dragon family has disappeared for thousands of years, and it can still be found by Tianzun.... Admired." During the

discussion, many voices complimented Luo felt, but there were also many people, frowning, Eyes are complicated.

"Your Excellency Tianzun!"

Finally, I don't know who shouted: "This Qinglong family is powerful and has the power to destroy the sky and destroy the earth. Can we fight together with our sects?" The

voice fell, and many people rushed nod.

"Yeah, I'm afraid it will be destroyed by the dragon clan before it gets close."

"Your Excellency Tianzun, this is no trivial matter, you have to think twice." In the

discussion, the eight saintess Huanxiang and Ziyang also have beautiful eyebrows. Locked tightly, looking dignified.

Because everyone said it well, the Qinglong clan is very powerful, Luo Jue rashly launched a war, the odds of winning are not big.

Hehe...

Hearing these words, Luo Jue smiled slightly, with a confident look: "You don't need to worry, I won't let you and the Qinglong family face head-to-head, and then you just need to follow my instructions."

As long as you unite as one and listen to the dispatch, this battle will be won."

"When the Qinglong clan is captured, I promise that every sect present will be assigned a dragon spirit beast."

Dragon spirit beast?

Hearing the last sentence, everyone in the hall was extremely excited and excited, and their eyes flashed with scorching rays of light.

You must know that dragon spirit beasts are the most powerful spirit beasts of countless people in the world. Three years ago, when Yue Feng showed his dragon spirit beast, he did not know how many people envied him.

And now, Luo Jue promises everyone that as long as the Qinglong family is captured, they will be divided into dragon spirit beasts. Can you not be excited?

This is simply a great benefit.

Under the excitement, someone immediately knelt down towards Luo Jue and said loudly: "Tianzun, don't worry, we will fully cooperate with

Fengleitang." Wow... The

voice fell, and the others knelt down one after another, loudly expressing their loyalty.

"And us..."

"We must unite as one, cooperate with Tianzun, and capture all the Qinglong clan." The momentum was shaking, echoing in the hall.

"Okay, very good!"

Seeing this scene, Luo Jue smiled and nodded approvingly: "Everyone, please get up and help God Realm capture the Qinglong family, you are the great heroes of God Realm, when the time comes, everyone will have a share in the reward. ."

After saying this, Luo Jue looked proud.

call!

Seeing this scene, the eight saintess Huanxiang and Ziyan all looked solemn.

For some reason, they always felt that Luo Jue's actions were a little too hasty.

"Okay!"

At this moment, Luo Jue looked around and said seriously: "From now on, you can go back to select the elites and be dispatched at any time.

" leave one after another.

At this time, Luo Jue stepped down from the throne and said to the eight saintess of Huanxiang: "Several saints, you should also prepare for the Qinglong family. This is a tough battle." When the

voice fell, Luo Jue was also very big. Step out of the hall.

As soon as her forefoot left, Zi Yan couldn't help but sigh and said: "Sisters, what should we do? Although it is our duty to deal with the Qinglong family, but... Yue Feng is the dragon of the Qinglong family. Respect." The

voice fell, and Huanxiang also nodded: "Yes, it's a bit difficult to do now." The

other six saintess were also frowning.

In the hearts of the eight saintesses, Yue Feng was their benefactor. At that time, at the peak of Kunlun, when the eight saintess were about to be alchemy by Duan Yu, Yue Feng risked his death to save each other, and finally the eight saintess were saved, but Yue Feng was Involved in a chaotic vortex.

It can be said that without Yue Feng, there would be no eight saintesses today.

Chapter 3683

"That's it!"

At this time, Zi Yan thought about it and said softly: "When we attack the Qinglong family, let's help the Qinglong family secretly, and it can be considered an explanation to Yue Feng!"

Seriously, Zi Yan didn't want to follow Luo Jue to attack the Qinglong family, but she had no choice. She was a saint from the Nine Heavens. It was her duty to help the God Realm deal with the Qinglong family. In this case, she could only choose to help secretly.

Um!

Hearing this, Huanxiang and the other saintess nodded in agreement.

Now, this is the only way.

...

the next day! Ouyang family.

In the hall, Wen Chou Chou, Sun Dasheng, Yue Wuya, Xiao Xi, Ren Yingying, Xiao Yuruo and others sat there one by one with complicated expressions.

Yesterday, after Xiao Xi and Sun Dasheng returned to the Ouyang family, they told everyone what happened on Yuxu Peak. Everyone was very excited when they learned that Luo Jue helped find Yue Feng. Only Luo Jue was asked to live in the Qinglong family. The matter of the land, everyone can't be sure to pay attention.

Just like Xiao Xi, Wen Chou Chou and others didn't know the grievances between the Divine Realm and the Qinglong family, so they didn't know that Luo Jue did this with ulterior motives.

At that time, everyone discussed for a long time without results. In the end, Wen Chou Chou proposed to wait for Long Xiang'er to return before making a decision.

After all, Long Xiang'er is the dragon envoy of the Qinglong family and knows the situation on Shenlong Island.

However, after waiting for a day, Long Xianger never came back.

"Forget it!"

At this moment, Xiao Xi stood up, her delicate face showing determination: "Don't wait for Long Xiang'er, I'll go directly to Tiandao League to see Luo Jue. Take him to see my sister earlier, but I'll let it go. His wish, he can do his best to help find the son."

Huh...

Hearing this, the entire hall fell silent.

You must know that taking Luo Jue to Shenlong Island is a matter of the Qinglong family, and everyone present is not easy to express their opinions.

“Okay!”

Finally, Wen Chou Chou nodded and said, “But we don’t worry about you alone, so let me go with you.”

Although Xiao Xi is the younger sister of the patriarch of the Qinglong clan, she is also a member of the Ouyang clan. As a big brother, it is natural to protect Xiao Xi’s safety.

However, Xiao Xi shook her head firmly: “No need, Brother Wen, you know, Shenlong Island does not allow anyone to enter, I took Luo Jue back, which has already violated the rules.”

Seeing her say that, Wen Chou Chou had no choice but to nod: “Okay then. , but you have to be more careful.”

Xiao Xi smiled lightly, looking very relaxed: “Brother Wen, don’t worry about me, I broke up with Na Luo yesterday, and he can’t beat me.”

After saying this, Xiao Xi Say goodbye to everyone, and rush towards Tiandao League alone.

After a two-hour flight, Xiao Xi finally arrived at the main altar of the Tiandao Alliance.

call!

When she landed in the main altar hall, Xiao Xi couldn’t help taking a deep breath when she saw the scene in front of her.

I saw that thousands of elite disciples were neatly lined up on the square in front of the main hall, giving people a sense of solemnity and solemnity, and the discussion hall was even more majestic.

However, Xiao Xi did not panic at all.

“Who is it?”

As soon as Xiao Xi’s feet landed, the surrounding elite disciples of the Heavenly Dao Alliance drank coquettishly and gathered around.

“I’m looking for you Tianzun.” Xiao Xi said.

Wow...

the voice fell, and the surrounding elite disciples were furious and scolded.

“Bold, you can see Tianzun if you want to see him?”

“Tell me honestly, what is the purpose of breaking into our Tiandao Alliance main altar?”

In a loud shout, an elite disciple headed by him raised his hand and pointed at Xiao Dao. Xi: “Take it immediately!”

Chapter 3684

Wow... The

voice fell, and the other elite disciples exploded with internal energy, and they were about to attack Xiao Xi.

“Stop!”

At this moment, a reprimand came, followed by Luo Jue striding over with a dignified expression.

When he got to the front, Luo Jue looked around and scolded: “Presumptuous, this is my VIP, how dare you be so negligent? All retreat.”

Hearing this, the elite disciples quickly dispersed.

“Sorry!” Luo Jue looked at Xiao Xi with a smile: “At the beginning of the Tiandao Alliance, these disciples didn’t understand the rules.”

After speaking, Luo Jue’s smile grew stronger and continued: “I thought that the girl would go back on it. Oh, I didn’t expect you to come, hehe, I’m really honored to have such trust from the girl.”

At the end of the story, Luo Jue looked around and found that only Xiao Xi came alone, and he felt more at ease. .

Haha...

This Xiao Xi is actually alone, in this case, the raid on the Qinglong clan is more certain.

Xiao Xi smiled and said, “Let’s go.”

Luo Jue nodded, then thought of something, and politely said: “Wait a minute, girl, let me explain the matter, and let’s go.” With that, he walked quickly to the hall .

When they got to the main hall, Luo Jue called Guo Dong, and whispered: "Send the order immediately, everyone will follow quietly, don't follow too closely, I will leave a mark along the way."

"Understood!" Guo Dong nodded quickly.

Luo Jue explained a few more words, and then walked out of the hall, set off with Xiao Xi, and rushed towards Shenlong Island.

Along the way, Luo Jue showed a full of gentlemanly demeanor, chatting and laughing with Xiao Xi.

Feeling Luo Jue's humor, Xiao Xi gradually put down her guard, but what she didn't know was that there were hundreds of thousands of members of the Heavenly Dao Alliance following her more than a dozen miles away.

Speaking of which, it is easy to get lost at a distance of more than ten miles, but Luo Jue secretly left a mark along the way, so the members of the Tiandao Alliance easily followed.

After several hours of traveling, Luo Jue and Xiao Xi finally arrived at Shenlong Island.

call!

At this moment, suspended in mid-air, looking at Shenlong Island in front of him, Luo Jue was so shocked that he couldn't help taking a deep breath.

What a spectacular, secluded place.

But even if it was hidden, I finally found it.

For a while, Luo Jue was indescribably excited, and there was undisguised excitement in his eyes.

"This is Shenlong Island." Xiao Xi looked at Luo Jue and said seriously, "Because this is the first time I've brought outsiders, so please wait here, I'll go and tell my sister first."

"Okay!"

Luo Jue revealed a faint smile: "Thank you, Miss Xiaoxi." Her mouth was polite, but her eyes flashed with ruthlessness.

Xiao Xi didn't notice it, nodded, turned around and prepared to land.

Pfft...

But just as Xiao Xi turned around, she saw Luo Jue took out two long objects from her body, shot them into electricity, and stuck them directly on Xiao Xi's back spine.

It is the prison dragon thorn.

As a messenger of the God's Domain, Luo Jue is very aware of the weaknesses of the Qinglong family, so he prepared the dragon thorns in advance and prepared to raid Xiaoxi, because he knew that it would be difficult for him to win against Xiaoxi.

Luo Jue shot too fast, Xiao Xi didn't have time to react, her delicate body trembled, lost her balance instantly, and fell directly.

If Xiao Xi was still a human ten years ago, the dragon thorn would be useless to her, but at this time, Xiao Xi, who is a dragon, was attacked by Luo Jue with the dragon thorn, completely helpless.

Haha...

Luo Jue was very proud of the success of the raid, his figure flashed, and he grabbed Xiao Xi who was falling.

"You..."

At this time, Xiao Xi, shocked and angry, shouted at Luo Jue: "You let me go, why did you raid me? What did you stab me on?"

Chapter 3685

"Hehe!"

Hearing Xiao Xi's coquettish shout, Luo Jue smiled and said proudly: "Thank you for being the younger sister of the patriarch of the Qinglong clan, don't you know that this is the dragon thorn that specifically restrains your dragon clan? "

Prisoner dragon thorn?

Hearing this, Xiao Xi's body trembled and panicked inexplicably.

When she was on Shenlong Island, Xiandi never told Xiaoxi about the dragon thorn, so Xiaoxi never knew that there was such a thing in the world.

But this dragon thorn is really too evil.

At this time, Xiao Xi clearly felt that after the prison dragon thorn was pierced on her back, her whole body's strength was sealed, and she didn't even have the strength to stand.

“You despicable and shameless villain.”

Under the anger, Xiao Xi’s eyes spewed fire and stared at Luo Jue fiercely: “I warn you, if you dare to do anything to me, my sister and the entire Shenlong Island, I won’t let you go.”

When she said this, Xiao Xi regretted it very much.

If I had known that Luo Jue was so insidious, I should have waited for Long Xiang’er to go back. Long Xiang’er is experienced in all corners of the world and will definitely stop herself.

It’s just too late to say anything now.

“Haha...”

Hearing Xiao Xi’s words, Luo Jue couldn’t help laughing up to the sky and said word by word, “Miss Xiao Xi, don’t worry, I won’t do anything to you, I just want to keep you as a Hostage, so we can deal with the Qinglong family.”

What?

Xiao Xi’s heart trembled and she suddenly woke up. It turned out that this Luo was by no means to deal with himself, but the entire dragon family...

Just when Xiao Xi was stunned, Luo never stopped talking nonsense, grabbed her and flew towards the rear.

After flying for a few minutes, I saw more than a hundred large ships appear on the vast sea below. The ships were filled with elite disciples of the Heavenly Dao Alliance. From a distance, the darkness was overwhelming, which was very spectacular.

On the deck of a large ship, Huanxiang and Ziyang stood on the deck, and behind them were the heads of the various sects who joined the Tiandao Alliance.

Yes, this is Luo Jue’s plan, first let Xiao Xi lead herself to find the location of Shenlong Island, and then discuss the attack plan with Tiandao League.

call!

Seeing this scene, Luo Jue showed a confident smile and landed quickly.

When they arrived on the deck, the eight saintess and the heads all said in unison: “Tianzun!”

Luo Jue nodded, looked around and said, "Dragon Island is ahead, and you are ready to fight at any time." Saying, Throw Xiao Xi on the deck.

At this time, Xiao Xi had a prisoner dragon thorn on her back and completely lost her ability to move. Her pretty face was pale and very weak.

Seeing this scene, all the heads of the present were indifferent, while the eight saintess Huanxiang and Ziyan frowned and couldn't bear it.

"Tianzun!"

Finally, Zi Yan couldn't help but said: "Since she has already brought you to the location of Shenlong Island, don't hurt her, let her go." The

voice fell, Huanxiang and the other saintess, They all nodded.

In their hearts, Xiao Xi and Yue Feng had a close relationship, and no matter what, they could not let Luo Jue hurt Xiao Xi.

"Humph!"

Hearing these words, Luo Jue snorted coldly, with no emotion in his tone: "If I let her go now, wouldn't I let her inform Shenlong Island?"

"Also, the Tiandao Alliance respects me, and all actions must be obeyed by me, so don't talk

nonsense." The voice was not loud, but it was unquestionable.

The ultimate husband in Chinese chapter 3686-3690

Chapter 3686

Oh...

Seeing Luo Jue's resolute attitude, Huanxiang and Ziyan looked at each other and sighed softly.

At this time, seeing the Shenlong Island ahead, getting closer and closer, Luo Jue raised his hand: "Stop advancing." The Qinglong family was very vigilant. Before understanding the environment of Shenlong Island, Luo Jue was very careful.

In an instant, Luo Jue's voice fell, and all the ships immediately slowed down.

call!

At this moment, Luo Jue stood on the bow of the boat and looked at the terrain of the next Shenlong Island, and suddenly couldn't help taking a deep breath.

Luo Jue clearly saw that the entire Shenlong Island is very large. Not only that, but also the Great Array of Heaven and Earth has been set up on the island. The cold outside is cut off.

Luo Jue, as the messenger of the Divine Realm, just glanced at it and understood that the place of Divine Dragon Island is in the deepest part of the wild and strange realm, it is dark and dark, and the Yin Qi is extremely heavy.

In this case, the Qinglong family on Shenlong Island can only use the fire spirit spar to expel the cold.

However, Luo Jue was surprised that such a huge formation of heaven and earth could be built on the island, because in his impression, although the Qinglong clan were powerful, they did not understand the formation technique very well.

At this time, Luo Jue did not know that the Heaven and Earth Array on Shenlong Island was deployed by Yue Feng at the beginning. It is precisely because of this that Yue Feng was named Dragon Lord by the patriarch of the Qinglong family, Xiandi.

“Everyone!”

After observing for a while, Luo Jue looked around and said seriously: “I'll enter the island first, and after I attract the attention of the Qinglong clan, you guys will land quietly.”

“Have you seen the Great Array of Heaven and Earth on the island? If I guess right, all the spar of fire spirits are in the eyes of the array. Your mission is to destroy the spar of fire spirit inside and break the Great Array. , and then join me.”

Luo Jue looked extremely serious when he said this. As long as this great formation of heaven and earth is broken, then all the Qinglong clan will be disturbed by the cold air, and they will have a better chance of winning.

This chapter is provided by . Visit for daily update.

“Understood!”

Hearing Luo Jue's order, the heads of the surrounding sects responded in unison.

Luo Jue nodded, stopped talking nonsense, tapped the deck with his toes, rose into the sky, and quickly walked towards Shenlong Island.

Wow....

Seeing this situation, hundreds of large ships started to move forward again.

.....

At this moment, in the main hall of Shenlong Island.

Xian Di sat on the throne, wearing a golden robe, delicate facial features and sexy curves, coupled with the powerful aura on her body, she had a different kind of style and was extremely charming.

On the two sides below, the dragon elites stood neatly.

In front of Xian Di, Long Xiang'er stood there respectfully.

"Your Majesty the Empress!"

At this time, Long Xiang'er's delicate face showed a bit of complexity: "I'm going to leave soon, do you have anything to say to Xiao Xi?"

Luo Jue was in Tianqi Imperial City at the beginning. When the Kyushu Conference was held, Long Xiang'er was very anxious when he learned of the situation. Because the Qinglong family and the God Realm had an inextricable feud, the God Realm suddenly sent messengers to the Kyushu Continent, which was completely bad news for the Qinglong family.

However, at that time, Xiaoxi was still in retreat, and Long Xiang'er had no choice but to return to Shenlong Island alone and report the situation to Xiandi.

call!

Xian Di breathed a sigh of relief, her delicate face was full of solemnity, and exhorted: "No need to talk, after you return to the Ouyang family, no matter what, you must bring her back to Shenlong Island."

"Yes!" Long Xiang'er responded, bowed to Xian Di, and was about to set off.

"Your Majesty the Empress!"

However, at this moment, a dragon warrior rushed in and shouted, "No, there is a person who broke into Shenlong Island. Our patrol team can't stop it."

Chapter 3687

What?

Hearing this, the entire hall was in an uproar, whether it was Xian Di or Long Xiang'er, they were all shocked and furious.

The next second, Xian Di stood up abruptly, her delicate face covered with frost: "Who is the other party?"

"Bang!" Before he could finish the words

, only a loud bang was heard, and the door of the main hall was directly slammed open, tight. Then, a figure strode in.

The look is leisurely, and the bearing is extraordinary.

It was Luo Jue.

Swish!

At this moment, the eyes of the entire hall were all focused on Luo Jue.

"Ma De!"

At this moment, a tall figure walked out quickly and glared at Luo Jue: "Who are you? Dare to trespass on Shenlong Island and seek death?"

It was Ryuzaki.

Like Long Xiang'er, Ryuzaki is also an emissary of the divine dragon. He is powerful and the most powerful assistant under the throne of Xian Di.

At this time, Ryuzaki's eyes were locked on Luo Jue, his whole body was full of power, and he looked like he was about to shoot at any time.

At the same time, the other dragon powerhouses in the hall also glared at Luo Jue.

You must know that Shenlong Island is the habitat of the Qinglong family, and it has always prevented humans from entering, but this person in front of him not only broke in, but also dared to fight with the patrol team.

This is simply provoking the majesty of the dragon race.

Xian Di, who was sitting on the throne, also looked up and down at Luo Jue, her eyes flashing cold.

"Ha ha!"

Facing Ryuzaki's glaring gaze, Luo Jue did not panic at all, but with a relaxed expression, he said lightly, "You are not qualified to speak to me with your identity, so step back."

Om!

"You're courting death!" Ryuzaki roared, his whole body burst out, and he was about to do it!

After all, he is also a divine dragon messenger, but this person doesn't even care about him at all. For Ryuzaki, this is a complete humiliation, and he can't bear it no matter what.

"Long Qi!"

Seeing that Long Qi was about to explode, Xian Di suddenly said, "You step back first!" As she spoke, Xian Di's eyes were always on Luo Jue.

Ryuzaki was reluctant, but retreated anyway.

At this time, Xian Di looked at Luo Jue and asked coldly, "Who are you? Why did you break into my Dragon Island?"

When she said this, Xian Di suppressed her anger.

Like Ryuzaki, Xiandi was also very angry, but she acted calmly, knowing that the other party dared to barge in, her identity must not be simple.

Swish!

At this moment, the eyes of the entire hall also converged on Luo Jue!

This person dares to enter Shenlong Island! Who gave him the courage?

Luo Jue ignored the gazes of the surrounding dragon powerhouses, but looked at Xian Di and said with a smile, "Your Excellency is the patriarch of the Qinglong clan, you really have an extraordinary demeanor and an extraordinary bearing."

After speaking, Luo Jue looked around, He continued: "My name is Luo Jue, the Tianzun of the Tiandao Alliance."

Tiandao Alliance?

Hearing this, Xian Di's eyes flashed, faintly moved.

At the same time, the surrounding Long Xiang'er and Long Qi were also shocked.

Is he the Heavenly Venerate of the Heavenly Dao Alliance? So, he is the messenger from God's Domain?

A few seconds later, Xian Di was the first to react, staring at Luo Jue: "You are the messenger from the God's Domain?"

"Not bad!" Luo Jue responded with a smile, with a relaxed expression.

Swish!

Chapter 3688

In an instant, the entire hall exploded. Whether it was Xiandi or the surrounding dragon powerhouses, they were full of anger. You must know that the Qinglong family was forced to enter the Kyushu continent because of the divine war launched by the gods.

It can be said that the Qinglong family has an inextricable hatred between the gods and the realm. How can they not be angry when they know Luo Jue's identity at this time?

Feeling the eyes of the entire hall, Luo Jue did not panic at all, and smiled at Xian Di: "Don't look at me like this, I am here this time, not to provoke trouble, but to represent His Majesty the Nine Heavens, to persuade you to surrender. "

You Qinglong family, originally the head of the four innate spirit beasts, possessed the power to penetrate the sky and the earth, but now you are huddled on a small island, why bother?"

"As long as you are willing to surrender, I think the Nine Heavens God Your Majesty, you must be very happy, when the time comes, you can return to God's Domain."

Luo Jue looked sincere when he said this.

However, Xian Di and the surrounding dragon powerhouses were unmoved.

"Shut up!" Long Xiang'er couldn't help but shouted coquettishly: "Our dragon clan has our own dignity and will never bow to any force. Even if you promise the best conditions, we will not agree." The

voice fell . , Ryuzaki and other dragon powerhouses next to him all nodded.

Luo Jue smiled, ignored it, and looked at Xian Di closely: "I have already said what I should say, but I came here with sincerity."

Phew!

Xian Di breathed a sigh of relief, and without thinking about it, she said softly, "What if I don't agree?"

Hearing this answer, Luo Jue sighed and looked very regretful: "If you are obsessed with it, I will have to destroy it. This Shenlong Island is over." The

voice was not loud, but it spread throughout the hall.

quiet!

At this moment, the entire hall was silent, and a needle could be heard clearly.

However, after a few seconds of silence, neither Long Xiang'er nor Long Qi couldn't help but laugh.

"Hahaha... What did he say? He wants to destroy Shenlong Island?"

"The messenger from this God's Domain is not very loud."

"Just relying on him, where does the courage come from?"

Ryuzaki and others The mockery of the dragon powerhouse, you and I came, and Xian Di couldn't help but sneered and looked at Luo Jue contemptuously: "Luo Jue, right, you alone can destroy Shenlong Island?"

" Haha."

Luo Jue smiled slightly, put his hands behind his back, and stood there proudly with a confident face: "If you don't believe it, let's wait and see."

At this time, the Tiandao Alliance should have broken the heaven and earth formation on the island.

Um?

Seeing Luo Jue's confident look, Xian Di frowned.

Long Xiang'er and Long Qi also frowned secretly, this Luo Jue is so confident, does he still have a helper?

Boom....

Just when Xian Di and Long Xiang'er were one of a kind, whispering in their hearts, suddenly, they heard an earth-shattering roar of life from outside, and the great formation of heaven and earth on the island collapsed instantly.

Xian Di's body was shocked, she stood up immediately, and shouted to the outside of the hall: "What happened outside?"

As soon as the voice fell, a dragon strong man ran in quickly, his face was ashen, and panicked: "Your Majesty the empress is not good Now , our great formation has been destroyed."

What?

Hearing this, both Xian Di and Long Xiang'er trembled and were furious.

Buzz.... Before

they could react, they heard a deafening sound! A burst of footsteps, breaking through the air!

Looking from a distance, I saw hundreds of thousands of Heavenly Dao League elites, holding swords, rushing in from all directions, surrounding the main hall!

Headed by the eight saintess, and the heads of various sects.

Soon, in front of the main hall, the heads of the sects said in unison: "Your Excellency Tianzun, we are fortunate to have not been humiliated and successfully destroyed the grand formation."

Haha...

Hearing this, Luo Jue felt indescribably happy and praised. : "good very good!"

Chapter 3689

Speaking, Luo Jue looked back at Xian Di and was very proud: "How is it? You should believe it now, the great formation on your island has been broken by me, and soon, you will be affected one by one. The cold here is intruding."

"Under this circumstance, it's very difficult for your dragon race to fight against me, so be sensible and admit defeat!"

"Shhh!" After

hearing this, Xian Di's delicate face suddenly turned red. Ugly.

At the same time, Long Xiang'er and Long Qi in the hall were also extremely angry. Mad, this Luo Jue was so despicable that he secretly sent someone to destroy the great formation.

“I didn’t expect it!”

Finally, Xian Di reacted, glaring at Luo Jue and mocking: “After so many years, your God Realm is still so despicable and shameless.”

Although the incident happened suddenly, Xian Di also saw it. Luo Jue, broke into the hall alone, the purpose is to attract attention, so as to create opportunities for the Tiandao Alliance.

I have to say that Luo Jue’s plan was very successful, and the great formation on the island was really broken.

Without the Great Array of Heaven and Earth, all the Dragon Clan powerhouses on the island would have to suffer from the cold.

Thinking of this, Xian Di took a deep breath, and anger surged!

“You think that if you break the great formation, I will be soft. It seems that you still don’t know our Qinglong family.” Xian Di looked at Luo Jue closely, her eyes were cold, and she said word by word, “Don’t say you brought it today. Hundreds of thousands of people from the rivers and lakes of Kyushu, even the gods and soldiers who lead the realm of the gods, our Qinglong clan will not yield!” The

words were firm and firm.

“good very good!”

Hearing this, Luo Jue’s mouth twitched with a hint of gloom, and then he shouted loudly: “Everyone in the Tiandao Alliance, listen to this, today you will step down on Shenlong Island and kill them without leaving a piece of armor!”

“Kill!” The

voice fell, dozens of The elites of the Wantian Dao League responded in unison, and then they burst into internal force and rushed up directly.

Seeing this scene, Xian Di’s delicate face did not fluctuate in the slightest, and it was extremely cold.

“Fight!” In the

next second, the word Leng Leng came out of Xian Di’s mouth.

hum! hum! hum!

As soon as the voice fell, the dragon powerhouses inside and outside the hall all urged their energy, burst out, rushed into the sky, and turned into giant dragon forms one by one.

In an instant, the sky over the entire Shenlong Island was surging, and thousands of giant dragons were soaring up and down, which was extremely spectacular.

“Hoohoho...” In the

next second, thousands of giant dragons roared in unison, and then rushed towards the hundreds of thousands of Tiandao Alliance troops. Wherever the figure passed, the air was cut open by cracks!

“Ah...”

Thousands of giant dragons erupted at the same time, and the formed aura crushed, causing hundreds of thousands of elites in the Heavenly Dao League to feel a deep fear in their hearts. When he reacted, he was shocked by the terrifying power of the dragon, screaming constantly.

In just one round, nearly 10,000 people died in a pool of blood.

Mad!

Seeing this scene, Luo Jue cursed secretly, his face extremely gloomy.

In the next second, Luo Jue locked on Xiandi tightly, and sneered: “As expected of the Qinglong family, the strength is really strong, let me experience the strength of the dragon queen.”

Buzz!

The voice fell, Luo Jueyuan’s power exploded, and the surrounding air suddenly distorted.

Xiandi’s eyes were cold and she was about to respond, but was interrupted by Ryuzaki.

“Your Majesty, to deal with such a shameless person, you don’t need to take action yourself!”

Ryuzaki shouted, then rushed over, pointed at Luo Jue and cursed angrily: “What God’s Domain messenger is just a shameless and despicable person, just A villain like you is not worthy of fighting against the Empress.” The

voice fell, and a long spear appeared in Long Qi’s hand, and then his body flashed, the long spear drew a shock, and stabbed directly at Luo Jue’s heart.

Seeing Ryuzaki rushing in, Luo Jue chuckled lightly, with a bit of contempt flashing in his eyes, and then moved his figure to meet him!

Chapter 3690

Dang!

The next second, I saw Luo Jue and Ryuzaki, their figures staggered in mid-air, and with a loud noise, I saw Ryuzaki groan, and the whole person flew straight up, flying dozens of meters away, and finally fell. On the ground, a mouthful of blood spurted out, and his face was pale.

Although Ryuzaki is a divine dragon messenger with powerful strength, compared with Luo Jue, there is still a big gap.

Made.

At this moment, Ryuzaki trembled all over, staring at Luo Jue fiercely, full of shock and anger.

I thought I could fight this Luo Jue, but I didn't expect that the opponent's strength was so powerful!

Thinking to himself, Ryuzaki struggled to get up and was about to rush up again.

“Long Qi, you are not his opponent!”

At this moment, Xian Di said lightly, and then her delicate body trembled, and she rushed into the sky to confront Luo Jue.

At this moment, Xian Di stared at Luo Jue closely, with a cold tone: “You brought the Tiandao Alliance, broke into Shenlong Island, and destroyed our heaven and earth formation, I want you to die!”

Om!

The voice fell, and a powerful aura permeated from Xian Di, and then the jade hand lifted up and hit Luo Jue with a palm!

Xian Di seemed to be very slow, but in the blink of an eye, she was in front of Luo Jue.

“Clang!”

Seeing the speed of Xiandi, Luo Jue's face became solemn. He didn't dare to underestimate the enemy. He quickly raised his hand and collided with Xiandi's palms.

He heard a loud noise, and a tyrannical internal force fluctuation swept the entire dragon. Island sky.

Immediately afterwards, Luo Jue groaned, and Ling Kong was shaken back several dozen steps.

Obviously, with this palm down, Xian Di has the advantage. After all, she is the empress of the Qinglong clan. If she bursts out with all her strength, she will be much stronger than Queen Suzaku.

Mad!

Luo Jue stabilized his figure, looked at Xian Di closely, and was shocked.

I thought that if the great formation of Shenlong Island was broken, this dragon queen would be disturbed by the cold like other dragon powerhouses, but it seems that it has no effect on her strength at the moment.

“You die for me!”

Just when Luo Jue was secretly shocked, she heard Xian Di scream, flipping her wrist, a crimson flame appeared in her palm, and immediately threw it to Luo Jue!

hum!

This crimson flame was so powerful that the air burned wherever it passed.

This crimson flame is exactly the dragon flame unique to the Qinglong family.

“Om!”

Seeing Xiandi displaying Long Yan, Long Xiang'er below, and the rest of Long Qi were very excited.

“The Empress has used Dragon Flame!”

“Yes, burn this despicable and shameless guy to death.”

“Dare to provoke our Dragon Clan, that's how it ends!”

At this moment, many dragon Clan powerhouses around couldn't help shouting.

In their hearts, when Xian Di used Long Yan, Luo Jue would definitely be defeated. You must know that Long Yan is the essence of the power of the Qinglong family.

call!

Listening to the discussions around, Luo Jue's face was also extremely solemn. He didn't have time to think about it at that time, and the power of the primordial spirit was completely exploded, and a golden light flickered, and then a golden protective film was formed around Luo Jue.

At this time, Luo Jue, without the slightest carelessness, broke out with all his strength.

“Boom!”

At the moment when the golden protective film was formed, I saw that the ball of dragon flames had already arrived, and a loud noise was heard. Luo Jue was completely submerged in the flames, and thick smoke billowed around him!
