

## The ultimate husband in Chinese chapter 3691-3700

### Chapter 3691

After more than ten seconds, when the smoke dissipated, I saw Luo Jue standing there with a pale face, his robe was almost burned, and he looked very embarrassed.

However, in Luo Jue's eyes, there was no panic at all, but an endless coldness.

Whoa!

Seeing this scene, Long Xiang'er and the surrounding dragon powerhouses immediately cheered.

This Luo Jue was completely unable to stop the Empress's dragon flames. It seemed that the Dragon Clan had won this battle.

"Roar! Roar! Roar..."

Excited, many Dragon Clan powerhouses burst into power again and rushed into the Tiandao League crowd.

Speaking of which, the Tiandao Alliance had a large number of people and also destroyed the Heaven and Earth Formation on Shenlong Island. It had an advantage. However, at this time, the morale of the Dragon Race powerhouses was greatly boosted, and the momentum was like a broken bamboo, and the Tiandao Alliance could not stop it at all.

In a hurry, the heads of the Tiandao Alliance quickly ordered their subordinates to form a formation in an attempt to block the attack of the dragon powerhouse. However, the formation was just formed and was washed away by the dragon powerhouse.

"Ah..."

For a while, screams continued to be heard in the Tiandao League crowd, and they fell into a pool of blood under the attack of the dragon powerhouse.

Under such circumstances, many elites of the Heavenly Dao Alliance lost the courage to continue fighting, and lost and retreated.

At the same time, the heads of the various leaders also shouted at Luo Jue for instructions.

"Your Excellency Tianzun, we can't stop it..."

"Tianzun, why don't... let's retreat."

This chapter is provided by . Visit for daily update.

The voice of advocating retreat continued to come, Luo Jue's face was gloomy, extremely ugly, and anger flashed in his eyes.

Mad!

Luo Jue scolded secretly, and roared: "Shut up for me, this battle is only allowed to win, but not allowed to lose. If anyone dares to retreat, I will not forgive them lightly." After speaking, Luo Jue shouted to the sky, "Nine Heavens. Where is the saint?"

Om!

As soon as the voice fell, a wave of aura waves filled the air, and then, eight charming figures appeared in front of everyone.

Each one has a graceful figure, beautiful appearance, and immortal air.

It is the eight saintess Huanxiang and Ziyan.

When the Tiandao League and the Dragon Clan were fighting fiercely just now, the eight saintess Huanxiang and Ziyan had been wandering outside the battlefield and had no intention of joining the battle. In their hearts, the Qinglong Clan and Yue Feng had a lot of origins, and they couldn't bear to make a move.

Huanxiang and Ziyan, the eight saintess, have all discussed it, and when the battle is about to end, they will reappear and pretend.

But they didn't expect that at a critical moment, Luo Jue decided to order them to show up.

"Nine Heavens Saintess."

At this time, Luo Jue took a deep breath and said coldly: "This battle is very important, you must go all out, no matter how much you pay, you must help me subdue the Qinglong family."

"Otherwise, At that time, I will report to His Majesty the Nine Heavens God, saying that you are passive in the fight."

These words resounded through the sky, and there was no doubt.

Huh..

Hearing this, the eight saintess Huanxiang and Ziyan trembled and became inexplicably angry.

This Luo Jue is really too much. Just for his own merits, he even brought out the Nine Heavens God to oppress us.

“Sisters.”

At this moment, Zi Yan bit her lip lightly and said in a low voice, “What should we do? Join the battle?” The

voice was so small that only the eight saintess could hear it.

The voice fell, Huanxiang and the other saintess looked at each other, and then Huanxiang sighed and replied in a low voice: “This is the end, there is no way to do it, come on, just act like it, otherwise, this Luo Luo He will definitely speak ill of us in front of His Majesty the Nine Heavens.”

After saying the last word, Huan Xiang flew up and headed towards the giant dragon in the sky.

Whizzing...

Chapter 3692

Zi Yan and other saintess also urged their power, followed closely behind.

To be honest, the eight saintess didn't want to take action, but there was no way, Luo Jue's status was higher than them, and if he disobeyed, he would be charged with betraying God's Domain.

“Hoohoho...”

Nearly a thousand giant dragons hovering high in the sky saw the eight saintess coming quickly without any hesitation.

Huh...

Seeing this scene, everyone in the Tiandao League below looked at them with ecstasy.

Many men, their eyes are straight.

I saw that the eight saintess were fighting against the dragon in mid-air, and their figures were flying up and down.

Speaking of which, the eight saintess are very powerful, but in the face of nearly a thousand giant dragons, they still cannot turn the tide of the battle. After all, the Qinglong family is the first of the four innate retailers. With the strength of the eight saintesses, they can deal with several giant dragons. , is completely more than enough, but at this time, there are nearly a thousand giant dragons, and it is impossible to fight.

In the blink of an eye, two minutes passed, and I saw eight saintesses, completely suppressed by the dragon, all pale and dangerous.

Of course, the eight saintess didn't show their full strength. They all knew that this battle could not be won at all. Since they were pretending to show Luo Jue, they secretly retained their strength.

Mad!

Seeing this, Luo Jue clenched his fists tightly, and his anger rose.

These eight saintess really had their hearts toward the Qinglong family.

As the messenger of the God's Domain, Luo Jue is thoughtful and his eyes are like torches. At a glance, he can see that the eight saintess Zi Yan and Huanxiang have not exploded their full strength at all.

"Luo Jue!"

Just when Luo Jue was secretly annoyed, he heard Xian Di cry out, and the tender body came quickly, saying word by word, "You will definitely lose this battle, even if you have the help of the Nine Heavens Saintess, It can't change the facts, so die."

Om!

When the voice fell, Xian Di raised her jade hand and called Luo Jue's heart with a palm.

This palm seems to be light, but it is actually as fast as thunder. Under the surging force of the palm, the air around Luo Jue is suddenly torn apart, which is very shocking.

Seeing this scene, many people in the Tiandao League changed their expressions and couldn't help exclaiming.

"Tianzun be careful..."

"Tianzun..."

Hearing the exclamations of his subordinates, Luo Jue did not panic at all, on the contrary, a playful smile appeared on his face.

“Empress.”

Seeing that the palm was about to hit him, Luo Jue took a deep breath and shouted, “If you don’t want your sister to have an accident, stop immediately.” The

voice was not loud, but Xiandi could hear it . Clearly.

What?

Hearing this, Xian Di’s body was shocked, and she forcibly withdrew her palm strength, staring at Luo Jue: “What did you say?”

Luo Jue showed a smile, but did not respond immediately.

The next second, Luo Jue shouted at not far away: “Guo Dong, bring our prisoners up.” When he said this, Luo Jue’s face was full of pride and playfulness.

Wow...

The moment the voice fell, I saw Guo Dong and several Tiandao League disciples, holding a petite and exquisite figure, quickly coming.

This delicate figure, with a pale face, was tied up with five flowers, and his eyes were full of humiliation and grief.

Not Xiao Xi, who else would it be?

Luo Jue’s city is very deep. He knows that only relying on the hundreds of thousands of elites of the Heavenly Dao Alliance will not necessarily be able to defeat the Qinglong family, so he let Guo Dong hold Xiaoxi and hide in the dark, until the critical moment, and then use Xiaoxi. Threatening Sandy.

Swish!

At this moment, seeing Xiao Xi, Xian Di’s delicate body trembled, and she froze there.

Chapter 3693

At the same time, the eyes of the surrounding dragon powerhouses also converged, stunned on the spot.

“Sister.”

Finally, Xian Di reacted, her delicate face was full of worry and distress, and she said, “How are you?”

At this time, Xian Di was furious.

She clearly saw that Xiao Xi was tied up with five flowers, her delicate face was pale and weak, and she had obviously suffered a lot. Not only that, but there were also a few prison dragon thorns on her back.

what happened?

Isn't the younger sister in the Ouyang family? How could it fall into Luo Jue's hands?

"Sister!"

Seeing Xiandi, Xiao Xi couldn't help but feel ashamed, tears could not help but stay, she cried, "It's my fault, I was deceived by this Luo Jue, don't mind me..."

When she shouted these words, Xiao Xi's voice was weak. Under the seal of the prison dragon thorn, Xiao Xi didn't even have the strength to speak.

Swish!

Hearing this, whether it was Xian Di, Long Xiang'er, or the surrounding dragon powerhouses, they were filled with righteous indignation and glared at Luo Jue.

Especially Xian Di, under the anger, her delicate body trembled faintly.

This Luo Jue is really despicable. He even caught his sister. No wonder he was able to find the location of Shenlong Island.

Thinking to herself, Xian Di shouted at Xiao Xi, "Sister, don't be afraid, I'm here with my sister, don't be afraid..."

Although Xiao Xi has some responsibilities for today's events, but anyway, she is too young It's normal to be deceived by Luo Jue. The so-called sisters are deeply in love. Seeing Xiao Xi's weak appearance at this time, Xian Di is not willing to blame at all, only distressed.

At the same time, Long Xiang'er and Long Qi, as well as the surrounding dragon powerhouses, couldn't help but scolded Luo Jue one after another.

"Let your Highness go..."

"Sure enough, it's despicable and shameless, and actually deceived the Empress' sister..."

"Let her go..." The angry

shouts of many dragon powerhouses kept coming, Luo Jue stood there, Don't panic at all!

"Xiandi!" In the

next second, Luo Jue's mouth twitched, looking at Xiandi with a half-smile, and said slowly: "I won't say more nonsense, you have seen the current situation, stop immediately, otherwise, I will As soon as you give an order, this little sister of yours will disappear." After the

voice fell, Luo Jue gave Guo Dong a wink.

Guo Dong understood, immediately pulled out the long sword on his body, placed it on Xiao Xi's neck, and shouted, "All stop, otherwise, I will cut her throat immediately!"

When he said this, Guo Dong's eyes were full of excitement.

Success or failure is now in one fell swoop. If you can force the Dragon Clan to surrender later, you will be a great hero...

"Stop."

At this moment, Xian Di did not hesitate, bit her lip tightly, and shouted loudly: " Stop it!"

When she shouted these words, Xian Di looked at Luo Jue coldly, wishing to cut him into eight pieces, but finally held back, Xiao Xi is her sister, how can she bear to watch it?

Xian Di could clearly see that Guo Dong's long sword was tightly clinging to Xiao Xi's neck. As long as Luo Jue gave an order, her sister would die.

call!

Hearing Xian Di's order, all the dragon powerhouses at the scene stopped one after another, and even the giant dragons in the air landed one after another and changed back to their human form.

At this moment, whether it was Long Xiang'er or Long Qi and those dragon powerhouses, they all stared at Luo Jue with incomparable grief and anger.

Ma De, obviously victory is in sight, but this Luo Jue has captured the Empress' sister.

So unhappy!

Chapter 3694

“Luo Jue!”

At this time, Xian Di's delicate face was full of gloom and coldness, she held Luo Jue tightly, and said tenderly, “Let her go immediately.”

“Haha!”

Luo Jue smiled slightly, with a leisurely expression, There was a bit of drama in his eyes: “Empress, you don't have to be so excited, as long as you listen to me, I will never hurt her one bit.”

After speaking, Luo Jue looked serious and said word by word. : “Take all your subordinates of the Dragon Clan, surrender immediately, and swear that you will always be loyal to the Divine Realm.”

When he said the last sentence, Luo Jue's attitude was firm and unquestionable.

Swish!

Hearing this, whether it was Xian Di, or Long Xiang'er and the surrounding dragon powerhouses, their hearts were shocked and their anger rose.

And Ryuzaki, with such a hot personality, even clenched his fists and his eyes were blood red.

quiet!

For a time, the entire Shenlong Island was silent, and a drop of a needle could be heard clearly.

Whether it is everyone in the Tiandao Alliance or the eyes of the surrounding dragon powerhouses, they all converge on Xiandi, wanting to see how she answers.

Especially the heads of the various sects, all of them were inexplicably excited, looking at Luo Jue's eyes with admiration.

As expected of Tianzun, the original Tianzun dream had been defeated, but in a blink of an eye, Tianzun reversed the situation.

If the dragon queen in front of her surrenders, according to Tianzun's previous promise, the sect participating in the battle this time will get a dragon spirit beast.

When thinking of the dragon spirit beast, everyone present became even more excited.

“Luo Jue!”

Finally, Xian Di reacted, with no expression on her delicate face, she looked at Luo Jue and said lightly: "You know the strength of your Heavenly Dao Alliance better than I do, according to the situation just now, within an hour, your subordinates will definitely have the whole army. Overwhelmed."

"So, let's exchange the terms, you let my sister go, and I will let you all leave Shenlong Island safely."

When she said this, Xian Di's eyes were firm.

The Qinglong family, which has lasted for tens of thousands of years, has never bowed its head to any force, how could it be possible to surrender to the God Realm?

When the voice fell, Long Xiang'er and the surrounding dragon powerhouses nodded.

"Yes, let your Highness go quickly, otherwise, none of you will want to leave alive."

"But a defeated general dares to threaten our Empress?"

"Release His Highness..."

All the Dragon Clan experts shouted loudly. Shouting, loud and loud.

However, Luo Jue was unmoved and looked at Xiandi with a smile: "Empress, do you think you are qualified to tell me the conditions? God's Domain adheres to the way of heaven and manages the nine-day world, which is completely in line with the way of heaven, and your Qinglong family surrenders. God's Domain, it's not a humiliation of your identities, why are you so persistent?"

"Also, your sister's life is just in my mind. If you really don't care about her life or death, then I have to admit it."

Saying this At the time, Luo Jue looked serious, but he was a little uneasy in his heart.

Mad, it would be troublesome if this Xian Di Ning died unyielding.

"Sister!"

At this time, Xiao Xi suddenly became excited, and kept crying at Xiandi: "I'm sorry, if I hadn't trusted him, he wouldn't have brought Tiandao League to find Shenlong Island, it's my fault Now, I exposed the location of Shenlong Island."

"If he wants to kill me, let him kill it. I caused this matter, and I will bear it."

"In any case, our dragon family can't give in."

After shouting the last sentence, Xiao Xi burst into tears, her eyes full of tears. is guilt.

At the same time, there is still a trace of reluctance and unwillingness in Xiao Xi's heart. She hasn't seen the young master come back safely, so she died like this, which is a pity.

Chapter 3695 Huh

...

Listening to Xiao Xi's cry, Xian Di was so distressed that she bit her lip so hard that she was about to bleed.

Surrender to the Divine Realm, Xian Di felt ten thousand resistance in her heart.

But if you don't agree, your sister will die tragically and beheaded in a different place.

"Okay!"

Seeing Xiandi's reluctance to make a decision, Luo Jue lost his patience and said slowly, "It seems that you don't intend to compromise, so I won't say more." After speaking

, Luo Jue said slowly. Jue raised his hand towards Guo Dong.

Yes, Luo Jue is betting that Xiandi won't have the heart to look at Xiao Xi, otherwise, the efforts just now will be in vain.

Hearing Luo Jue's signal, Guo Dong didn't hesitate, holding the long sword tightly, he was about to cut Xiao Xi's throat.

"Sister, goodbye."

At this moment, Xiao Xi laughed miserably and said to Xian Di, "Thank you for taking care of me all these years."

Then, Xiao Xi glanced at the sky and muttered to herself.

My son, see you in the next life.

"Wait!"

Seeing that the long sword was about to cut through Xiao Xi's throat, Xian Di's delicate body trembled, and she couldn't help but let out a coquettish cry.

In the next second, Xian Di took a deep breath and stared at Luo Jue: "Okay, I promise you."

When she said these words, Xian Di seemed to have used up all her strength, her delicate face was completely transparent. With a sense of powerlessness.

To be honest, she didn't want to surrender to the realm of the gods, but she didn't want to see her own sister die in front of her.

Hearing this, Guo Dong quickly stopped.

Whoa!

At this moment, whether it was Xiao Xi, Long Xiang'er, or the surrounding dragon powerhouses, they were all stunned.

"Your Majesty the Empress."

After a few seconds, Longzaki walked out quickly and shouted at Xiandi eagerly: "I can't agree!" The

voice fell, and the surrounding dragon powerhouses also responded.

"Yeah, our Qinglong family has endured humiliation for so many years, just to avoid God's Domain, how can we surrender to God's Domain at this time?

" ?"

"Your Majesty the Empress, think twice!"

When shouting these words, many Dragon Clan experts were all excited.

"Shut up!"

Xian Di's body trembled faintly, looked around, and shouted: "If I don't agree, do I want to watch my sister die tragically?" The

voice fell, and Long Qi and the surrounding dragon powerhouses instantly disappeared. She fell silent, and at the same time she couldn't help looking at Xiao Xi.

Yes, if he refuses to accept the softness, His Highness Xiao Xi will be in a different place.

Haha...

Seeing this scene, Luo Jue showed a smile, and his heart was indescribably excited.

Great, this Sandy actually agreed.

To be honest, when Luo Jue threatened Xiao Xi's life just now, he didn't have much confidence in his heart, because he knew that the dragon family was arrogant and would rather die than give up, or else they would not have left the realm of the gods, but he never expected that Xian Dizhen For the safety of Xiao Xi, he promised to surrender to the God Realm.

Under the excitement, Luo Jue felt extremely happy.

After conquering the Qinglong clan, he has made a great contribution. When the time comes, His Majesty the Nine Heavens God will definitely reward him.

Thinking of this, Luo Jue looked at Xiandi with a smile, and praised: "Yes, you can surrender, and Shenlong Island has also been spared a war. Well, now you can take an oath."

Phew...

hear this Saying these words, Xian Di hesitated, but she walked out slowly, looking in the direction of the Divine Realm, and said word by word: "I, Xian Di, the patriarch of the Qinglong clan, swear here at this time that the Qinglong clan will be loyal to the divine domain from now on, without betrayal. ."

"If the oath is violated, the thunder will hit the top!"

## **The ultimate husband in Chinese chapter 3696-3700**

Chapter 3696

When she said this, Xian Di lost her previous arrogance and looked serious.

Seriously, Xian Di didn't want to surrender in her heart, but she couldn't!

My sister's life is in Luo Jue's hands, and the position of Shenlong Island has been exposed. Even if Luo Jue's request is rejected today and we continue to fight with him, no matter the outcome, it will be difficult for the Qinglong family to have a peaceful life in the future, because God's Domain is The Qinglong family will not be spared.

Whoa!

Seeing this scene, the surrounding Tiandao League people suddenly cheered, and their faces were extremely excited.

"Haha...success!"

“The Qinglong family has finally surrendered.”

“Tianzun is really powerful, and the Qinglong family has surrendered so quickly...”

Under the jubilation of the Tiandao League, Long Qi and Long Xiang'er, as well as the Dragon Clan powerhouses present, all looked gloomy and their morale dropped.

At this moment, Xiao Xi was also trembling, her heart was full of emotions, she was moved, and she blamed herself... It

was all her own, so she believed Luo Jue's words, otherwise, the Qinglong family would not be so aggrieved. God's Domain surrendered.

“Sister...” The

next second, Xiao Xi looked at Xian Di and wanted to say something, but after only two words, she couldn't go on, and the tears kept streaming down...

alas...

At the same time, the eight saintess Huanxiang and Ziyan not far away sighed softly one by one.

This chapter is provided by . Visit for daily update.

They never expected that the situation would change so much that Xian Di agreed to surrender.

But that's okay, the Qinglong family surrendered to the God's Domain, and there were fewer disputes.

“Okay, okay!”

At this time, Luo Jue was full of smiles, indescribably high-spirited, and nodded at Xian Di: “From now on, we are our own people, haha.” After

speaking, Luo Jue raised his hand to signal . Next, let Guo Dong let Xiao Xi go.

“Sister!”

When she was free, Xiao Xi rushed over, threw herself into Xian Di's arms, and burst into tears: “I'm sorry, it's all me... It's me who caused our Qinglong family to be like this... .”

When saying this, Xiao Xi burst into tears, which was pitiful.

Xian Di hugged Xiao Xi, feeling her guilt, and kept comforting: "Okay, okay, it's not your fault, maybe... this is the fate of our Qinglong family."

For a time, the two sisters met each other. Hug, the atmosphere is a bit sad.

This scene was in stark contrast to the cheers of the Tiandao League.

At this moment, Guo Dong's face was full of excitement, he knelt down at Luo Jue, and said loudly: "Heavenly Zun is mighty." When he shouted, Guo Dong's eyes were full of admiration.

Your Excellency Tianzun, first broke into the main hall of Shenlong Island alone, and then forced the entire Qinglong clan to surrender, whether it is courage or strategy, who can compare to the Kyushu mainland?

Whoa...

for a while, everyone in the Tiandao League also knelt down and shouted in unison.

"Tianzun is mighty!" A

burst of shouts spread throughout the entire Shenlong Island, resounding throughout the world.

Seeing this scene, Luo Jue smiled and raised his hand: "Everyone, get up."

After speaking, Luo Jue's eyes fell on the eight saintess not far away, his eyes froze, and he said loudly: "Come on! , take down these eight saintess."

Um?

Hearing this, the eight saintess Huanxiang and Ziyang were shocked.

what's the situation? This Luo Jue has already subdued the Qinglong family, why did he suddenly turn his head to deal with his own people?

Whoa!

At the same time, everyone around the Tiandao League was also stunned, but soon, they all reacted, urging their figures one by one, and quickly surrounded the eight saintess.

In the hearts of everyone in the Tiandao League, Luo Jue is a goddess. He just forced the Qinglong family to surrender. It can be said that he has made great contributions. This makes everyone admire him. Therefore, Luo Jue's orders are unconditionally executed.

Even when dealing with his own people, he did not hesitate.

Chapter 3697

Swish!

Seeing this, the eight saintess Huanxiang and Ziyang changed their pretty faces.

“Luo Jue!” In the

next second, Huan Xiang took a step forward and shouted at Luo Juejiao, “What do you mean?” Huan Xiang’s character was straight, and at this time, she was surrounded by members of the Heavenly Dao Alliance, and she didn’t panic at all.

On the contrary, Huan Xiang’s heart was very frightened at this time.

This Luo Jue is too hateful. Just now, he asked his sisters to help deal with the Qinglong family. In a blink of an eye, he had to cross the river and demolish the bridge.

At this time, Zi Yan and the other saintess also glared at Luo Jue.

call!

Seeing this scene, Xian Di and Long Xiang’er, as well as the surrounding dragon powerhouses, all looked suspicious.

What’s the situation?

Aren’t these eight saintess from the Heavenly Dao Alliance? Why did Luo Jue suddenly turn against them?

“Haha...”

Under the gazes of many around him, Luo Jue chuckled and said lightly to Huanxiang: “Why are you asking me? Today we come to Shenlong Island, what did you guys do? You know better than me. .”

“Passive battle, this one is enough to convict you.”

After the last sentence, Luo never stopped talking nonsense and shouted: “Take it.”

Speaking of which, Luo never wanted to tear his face with the eight saintess . , but they are inextricably linked with Yue Feng and the Ouyang family, which is extremely unfavorable for the Heavenly Dao Alliance to unify the Kyushu rivers and lakes in the future. In order to prevent the eight saintess from secretly colluding with the Ouyang family in the future, Luo never hesitated. , make a decisive decision.

WOW...

In an instant, the members of the Heavenly Dao Alliance erupted in internal force, and rushed towards the eight saintess of Huanxiang like a tide.

“Sisters!”

At this moment, Huan Xiang was so frightened that her delicate body kept shaking: “Since Luo never believes us, we don’t need to talk nonsense, let’s rush out together.”

After speaking, Huan Xiang flew up and took the lead in rushing. Enter the enemy group.

“Yes, this Luo Jue is so ruthless, we can’t sit still.” Zi Yan and the other saintess spoke one after another, followed by Huan Xiang, and fought fiercely with the members of the Tiandao Alliance.

Buzz buzz...

For a while, I saw the eight saintess, the figures were agile and elegant, and the speed was extremely fast, which only made people dazzled.

In this case, the surrounding Heavenly Dao Alliance members, although they were numerous, could not get close to the eight saintess at all.

This...

Seeing this scene, the surrounding dragon powerhouses all looked complicated.

Xian Di also frowned slightly, looking at Luo Jue with a bit of solemnity.

This Luo Jue was too cruel. As soon as he subdued the Qinglong family, he crossed the river and demolished the bridge to deal with his own people. Looking at this situation, it is difficult for the Qinglong family to have a good life in the future.

Ten minutes passed in the blink of an eye, and the members of the Tiandao Alliance had not yet subdued the eight saintess. On the contrary, under the continuous breakthrough of the eight saints, the formation was in chaos.

A bunch of trash.

Seeing this, Luo Jue frowned, then took out a few long needles as thin as hair from his body.

As you can see, these long needles are more than ten centimeters long, and they are faintly shining with white light.

The Immortal Feather Needle is made of a special kind of spiritual bird feather bone. It is very light and has almost no weight in the hand, but after being stabbed, its strength will be greatly weakened.

It is precisely because of its lightness that when this Immortal Feather Needle is cast, it is completely silent, and the person being stabbed is also unaware, making it hard to guard against.

Chi Chi...

At this moment, Luo Jue didn't hesitate at all, raised his hand and waved, and saw the few Immortal Feather Needles turned into white glows and went straight to the back of the eight saintess of Huanxiang.

Soon, Huan Xiang, who was stabbed first, trembled, and suddenly felt that something was wrong.

what happened?

Chapter 3698

At this time, Huanxiang, with a pale face and a doubtful heart, was fine just now, why is the power of the primordial spirit in the body suddenly unable to be activated?

Not only that, he was so weak that he could barely stand still.

“Haha...”

Seeing Huanxiang's expression, Luo Jue showed a smile and said with a smile: “Saint Huanxiang, give up, don't continue to struggle.” The tone was relaxed and proud, and there was a bit of drama in his eyes. .

Hearing this, Huanxiang suddenly understood something and glared at Luo Jue: “It's you...”

Before she could finish speaking, Luo Jue sneered and interrupted: “Yes, you have been hit with my fairy feather needle. , the power of the primordial spirit has been suppressed, and in a short period of time, it cannot be activated at all, so you should give up resistance.”

What?

Immortal Feather Needle?

When the voice fell, whether it was Huanxiang, or Zi Yan and the other saintess, they were all shocked and furious.

As the Nine Heavens Saintess, of course they knew that the Immortal Feather Needle would lose its resistance as long as it was stabbed, but they would never have thought that Luo Jue, as an envoy specially sent by the Nine Heavens God, would have such a despicable method. Secretly raiding...

“Luo Jue!”

Finally, Zi Yan bit her lip and couldn't help shouting at Luo Juejiao: “Thank you, you are still the messenger sent by the Nine Heavens God to represent the Divine Realm, using such despicable means, Don't you feel ashamed?”

Just as she was talking, Zi Yan's face suddenly turned pale, her delicate body trembled: “Oh, I really want to be hit with the Immortal Feather Needle.” The

voice fell, and the expressions of the other saintess also changed. , the body trembled.

“It's the Immortal Feather Needle... I'm also caught...”

“Me too...”

“Oops, let's be careless.” As

they said, Zi Yan and the other saintess, each with a weak body, slumped on the ground.

call!

Seeing this, Luo Jue showed a smile, then waved his hand: “Take it.”

Whoa!

As soon as the voice fell, several elites of the Heavenly Dao Alliance walked up quickly, tied Huanxiang and Ziyang, the eight saintess Wuhua, and then held them down.

Done!

At this moment, the eight saintess Huanxiang and Ziyang were all pale and a little desperate in their hearts.

This Luo Jue is ruthless, and falls into his hands, I am afraid that the evil will be more fortunate than good.

.....

On the other side, God's Domain, Yutian Palace.

At this time, near the Yutian Palace, it was already dark and dark, and many monsters and gods and soldiers fell into the pool of blood one by one!

The two sides have been fighting here for two days and two nights.

In the past two days, the demon clan led by Yue Feng continued to suffer casualties. There were nearly two hundred thousand casualties. After two days of fierce fighting, there were only less than one hundred thousand left.

On the Divine Realm side, although a lot of troops have been lost, there are still nearly 300,000 divine soldiers and generals.

After all, this is the realm of the gods, and the Yutian Temple is attacked by the demon clan, and the gods and soldiers will continue to come to support from all directions. The more they gather, the more they will be killed.

Under this situation, the demon clan could no longer hold on, but the White Tiger King and Qi Cai Lingfeng, leading the remaining demon clan, were still clenching their teeth.

Whether it was the White Tiger King, Qi Cai Lingfeng and all the demon clan members, they all knew in their hearts that without Yue Feng, they would not be able to leave the sealed land. It was Yue Feng who gave them freedom.

Now Yue Feng's master, Guiguizi, was imprisoned in the heavenly prison by the Nine Heavens God, of course they would do their best to help.

Bang bang bang...

At this time, around the Yutian Palace, the fierce battle between the demon clan and the gods continued!

During the melee, Yue Feng held Fang Tianhua halberd tightly and was extremely brave!

Chapter 3699

At this time, Yue Feng had more than a dozen wounds all over his body, and his clothes were stained with blood, which was very tragic.

In front of him, the divine soldiers under the Nine Heavens God rushed up like a tide and surrounded him, unable to kill him at all.

After two days of fighting, Yue Feng's strength was almost exhausted, but he still gritted his teeth and persisted with his last breath.

Mad!

At this moment, looking at the magic soldiers who kept rushing up, Yue Feng cursed secretly, both annoyed and anxious.

I thought that with the momentum of the demon clan, I could catch God's Domain by surprise, and then took the opportunity to rescue Master Guiguzi, but I never thought that the reinforcements of God's Domain would come so quickly.

What made Yue Feng even more depressed was that two days had passed, and he didn't even know where the Heavenly Prison was, and was completely dragged into the Imperial Heaven Palace.

Not far from Yue Feng, the White Tiger King, Colorful Lingfeng, Lan Ling Peacock and Xuanwu King, all of them had almost exhausted their strength, all of them were pale, but their eyes were still firm, and they did not retreat in the slightest.

Like Yue Feng, the White Tiger King and Qi Cai Lingfeng were extremely anxious.

It's not good to fight like this. God's Domain's reinforcements continue to flow. If you continue to consume it, all the demon clan will be completely destroyed.

Pfft...

At this moment, a divine soldier took advantage of Yue Feng's unpreparedness, rushed up from behind, and stabbed Yue Feng's shoulder with a sword.

In an instant, blood spurted out, and Yue Feng couldn't help taking a breath.

"Your Excellency Yue Feng!"

Seeing this scene, both the White Tiger King and the Colorful Lingfeng couldn't help exclaiming.

In the next second, the figure of the White Tiger King broke out, rushed over directly, blocked in front of Yue Feng, knocked back a few divine soldiers, and shouted at the same time: "Your Excellency Yue Feng, this is not the way, let's block first, you hurry up and go. Heaven Prison, look for Mr. Guigu."

When he said this, the White Tiger King's tone was firm and unquestionable.

Yue Feng took a deep breath, and without thinking about it, shook his head and said, "No, I can't go!" The

demon clan in front of them were already at a disadvantage, and if they left again, they would be even more unable to stop them.

Hu...

Seeing Yue Feng's refusal, the White Tiger King became anxious and shouted: "You don't have to worry about us, you hurry up, let's go..." As he spoke, the White Tiger King burst into force and rushed towards the enemy group in front of him.

At the same time, Qi Cai Lingfeng not far away also bit his lip and shouted at Yue Feng: "Your Excellency Yue Feng, listen to the White Tiger King, you go first and find a way to rescue Mr. Guigu, here we block first. "

Okay!"

Yue Feng gritted his teeth, nodded his head, and immediately moved his figure to rush out of the battlefield.

"Stop him!"

Seeing the situation here, the Nine Heavens God suspended in the sky, his eyes locked on Yue Feng for a moment, and he shouted loudly, and his mighty voice spread all over the world.

Wow...

the voice fell, and suddenly there were hundreds of divine soldiers, urging their figures and rushing towards Yue Feng.

Yue Feng's eyes were instantly blood red, and he was holding Fang Tianhua halberd tightly. Ma De, the God of Nine Heavens had already stared at him. Under such circumstances, it was difficult to leave the battlefield.

At this moment, the White Tiger King roared wildly: "With me here today, none of you want to hurt Your Excellency Yue Feng." The voice fell, and the White Tiger King flashed, standing in front of Yue Feng, and greeted the hundreds of gods. soldier.

At the same time, the White Tiger King did not forget to push Yue Feng: "Come on..."

Yue Feng didn't have time to react at all. He just felt a strong force and was pushed by the White Tiger King a few hundred meters away, to the point of the battlefield. Outside, the White Tiger King was suddenly surrounded.

Huh...

Seeing this scene, Yue Feng's blood was agitated, and he couldn't express his feelings.

I thought this White Tiger King was also a selfish hypocrite, but he never thought that at a critical moment, he would be so benevolent and righteous.

At this moment, the White Tiger King was surrounded by hundreds of magical soldiers and could not rush out at all. Suddenly, a magical soldier rushed behind the White Tiger King, and the long sword in his hand stabbed the White Tiger King in the back!

“Puchi!”

In an instant, blood spurted out, and half of the White Tiger King’s body was instantly dyed red.

Chapter 3700

Poof!

Originally, the White Tiger King had a lot of trauma, and his strength was almost exhausted. At this time, he was hit by another sword, and the whole person was instantly weak.

Before he could catch his breath, several more divine soldiers rushed up, and the weapons in their hands slashed at the White Tiger King one after another.

“Puchi! Puchi!” The

blood of the White Tiger King was like a spring, and he couldn’t hold it anymore. He suddenly fell from the sky and fell heavily on the roof of the Imperial Palace.

“Roar!”

The moment he landed on the top of the hall, the White Tiger King turned into a giant tiger, raised his head and roared, waving his claws, and suddenly dozens of divine soldiers were swept away.

Hiss...

Feeling the bravery of the White Tiger King, the other divine soldiers around him looked at each other in dismay! Extremely apprehensive.

This White Tiger King is worthy of being one of the four innate spirit beasts... After suffering such a serious injury, he can still burst out with such mighty power.

“White Tiger King!”

And Yue Feng, who rushed out of the battlefield, saw this scene, he couldn’t help shouting, and at the same time, there were tears in his eyes!

“Hooho...” The White Tiger King turned his head and roared at Yue Feng, his eyes flashing resolutely, signaling Yue Feng to leave quickly.

call!

At this moment, Yue Feng's eyes were extremely blood red, like crazy, and he shouted at the Nine Heavens God in the sky: "Nine Heavens God, listen to me, if anything goes wrong with the White Tiger King and Qi Cai Lingfeng, I will pay for your blood for your blood. Compensation." The

voice fell, Yue Feng wiped the tears from the corners of his eyes, gritted his teeth and thought about rushing behind the Yutian Palace.

To be honest, Yue Feng really doesn't want to leave like this, but the White Tiger King has already made a stance of breaking the boat. If he persists, the blood of the White Tiger King just now will be in vain.

Behind the Yutian Palace is a large-scale palace group, where in addition to the resting place of the Nine Heavens God, there is also the Heavenly Prison...

shuh!

Hearing Yue Feng's words, Jiutian God's face instantly turned gloomy, and he said coldly, "Stop him!" He is the dignified ruler of the divine realm, but he is threatened by a human being, how can he bear it?

As soon as the voice fell, he saw thousands of divine soldiers chasing directly towards Yue Feng.

"Help Your Excellency Yue Feng to break through."

Seeing this situation, Qi Cai Lingfeng let out a coquettish cry, and then led several hundred demon warriors to intercept the thousands of divine soldiers.

Taking this opportunity, Yue Feng accelerated and rushed into the palace group.

Mad!

The moment he rushed into the palace complex, Yue Feng heaved a long sigh of relief, Ma De, finally broke out.

At the same time, I was a little anxious in my heart, I had to hurry up a little bit, you must know that the White Tiger King and Qi Cai Lingfeng couldn't last long.

Um?

While muttering in his heart, Yue Feng suddenly frowned, only to feel a sharp breath behind him, and he quickly turned around and looked back.

Seeing this, Yue Feng was shocked.

I saw a figure, breaking through the siege of the colorful phoenix, came out of the sky, a golden armor, and the whole body was filled with powerful divine power.

It is Ao Lin, one of the six kings of the law under the throne of the Nine Heavens.

Gudong.

At this moment, feeling Ao Lin's strength, Yue Feng couldn't help taking a deep breath.

Such a strong breath, his strength is at least ten times stronger than that of Gong Ao.

Feeling Yue Feng's panic, Ao Lin's eyes were like torches, revealing a bit of contempt: "Yue Feng, you are very courageous, you dare to release the demon clan from the sealed land, and also disturb the Yutian Palace, don't think that there is a demon clan. Cover, you will be safe."

"Suffer to death!" As the

voice fell, Ao Lin slowly raised his hand, clenched a long black knife, and came straight towards Yue Feng.
