Chapter 3701

Nima!

Seeing Ao Lin coming, Yue Feng scolded secretly, and without thinking too much, he immediately summoned a ball of heavenly sparrow spirit flames and threw it at Ao Lin.

hum!

The moment the Sky Sparrow Spirit Flame appeared, the surrounding temperature suddenly rose, and the air was extremely distorted.

Feeling the scorching temperature of Tianque Lingyan, Ao Lin frowned, not daring to take it hard, and subconsciously dodged aside.

Yue Feng's reaction was also very fast, and he took this opportunity to run towards the depths of the palace complex.

"Want to run?" Ao Lin reacted, snorted coldly, and quickly caught up!

Nima!

Seeing Ao Lin chasing after him again, Yue Feng cursed inwardly, complaining in his heart.

If I can't get rid of this Ao Lin, how can I save Master?

What makes Yue Feng speechless is that the palace complex in front of him is too big. You must know that the Beiyang Imperial City in the Kyushu Continent is already big enough, and this one is dozens of times larger than the Beiyang Imperial City. It can be said that it is boundless.

Yue Feng ran for a few minutes, only to feel that the distance between Ao Lin and himself was getting closer and closer, and he was about to catch up. Moreover, because he was in a panic and was not familiar with the environment, Yue Feng could not tell the direction and was completely lost.

Um?

Just when Yue Feng was in a hurry, he saw that there was a palace in front of him. This palace was very strange. Other palaces were made of white jade, but this one was a black palace.

When he got to the front, Yue Feng clearly saw that the gate of the palace was engraved with a few words: forbidden area of the holy palace, violators are conceited.

This chapter is provided by . Visit for daily update.

Forbidden place?

Seeing this, Yue Feng's heart moved. He rushed in without any hesitation at the time. You must know that since Yue Feng became a cultivator, he has no idea how many forbidden places he has passed through.

Not only did he not panic, but Yue Feng felt a little fortunate that this was the forbidden area of the Holy Palace, so Ao Lin might not dare to chase in, so he would be temporarily safe.

Huh...

Sure enough, seeing Yue Feng rushing into the black palace, Ao Lin did not catch up, but stopped, his expression full of caution and complexity.

Seeing this scene, Yue Feng was completely relieved, and a smile appeared on his face at the same time.

The next second, Yue Feng taunted Ao Lin: "Chasing? Why don't you chase?" What about the

strength? When you arrive at the forbidden area, don't you dare to come in?

"Haha!"

Facing Yue Feng's sneer, Ao Lin chuckled and said coldly: "Boy, you have entered the dead place, you don't need me to do it yourself, why do you need to go in?"

What do you mean?

Hearing this, Yue Feng frowned.

Om....

It was at this time that I heard a powerful aura surge in the black palace behind him. Yue Feng looked back subconsciously, and when he saw it, the whole person was blinded.

I saw that in the black palace, a black vortex was constantly twisting and changing, and at the same time, a strong breath was constantly surging.

At first glance, this black vortex looks like a chaotic vortex that distorts space, but Yue Feng clearly feels that the power that pervades this black vortex is even more bizarre than that in the chaotic vortex.

what is this? Portal?

After being stunned for two seconds, Yue Feng reacted and couldn't help but muttered in his heart.

Phew...

But at this moment, a terrifying suction force erupted from the black vortex and directly enveloped Yue Feng. All of this happened so suddenly that Yue Feng didn't have time to react.

In the next second, Yue Feng's figure flashed, and he was directly sucked into the black vortex.

"You can't live by yourself!"

Seeing this scene, Ao Lin looked contemptuous, muttered to himself, turned around and walked towards the Yutian Palace.

Yue Feng didn't know what the black vortex was, but Ao Lin knew it clearly. The black vortex was connected to an independent special space. In this special space, an extremely terrifying existence was sealed. Yue Feng was sucked into it. Absolutely nine deaths.

Chapter 3702 The

other side.

After being sucked in by the black vortex, Yue Feng only felt that the world was spinning.

I don't know how long it took, the dizziness disappeared, Yue Feng opened his eyes and was stunned.

I saw that there was a dim world in front of me, surrounded by gray, boundless and boundless, as if entering a chaotic world.

What the hell is this place?

At this moment, Yue Feng stood there, his face confused.

At this time, Yue Feng clearly felt that in this chaotic world, the power of his own primordial spirit seemed to be suppressed, and he could not exert it at all.

That feeling, as if he had changed back to an ordinary person, made Yue Feng very frightened.

Phew...

It was at this moment that I heard a deep breath in the endless darkness.

“Who?”

Hearing the sound of breathing, Yue Feng was startled, and instinctively shouted, while walking along the sound.

What the hell! Is there really someone here?

Just after walking a dozen steps, Yue Feng’s heart trembled, and the whole person was stunned!

I saw a figure quietly suspended in the gray mid-air.

This is a man, dressed in black robes. The robes are worn out, but very clean. The man looks around thirty-five. His facial features are cold and handsome, and he is very handsome.

Especially the frantic long white hair, indescribably domineering.

“call...”

The man looked at Yue Feng from afar, and after an unknown amount of time, he let out a sigh: “I didn’t expect that, after so many years, the first person to come in was actually a human.

” An irresistible mighty coercion.

Gudong!

Under this pressure, Yue Feng secretly swallowed his saliva and said cautiously: “Dare to ask, who is the senior? Where is this place?” The

man chuckled: “I am the Brahma Heaven Emperor, as for this place, It is a place in the God Realm that has been forgotten by the gods, and I call it the Immortal Tomb.”

Brahma Emperor? Cactus?

Hearing this, Yue Feng froze there, feeling inexplicably nervous.

The four words Brahma Emperor sounded very domineering, and it seemed that his identity was unusual.

However, even this kind of existence is trapped here, can't I get out? Muttering

in his heart, Yue Feng squeezed out a smile and said politely: "Your Excellency Emperor, how can I get in and out of this place? Please point me to a clear way."

"Go out?"

Just like a joke, he couldn't help but taunted: "You are very naive, even I have been trapped here for 30,000 years, and you still want to go out as a human?"

What?

When the voice fell, Yue Feng's brain was buzzing, and the whole person froze.

what did he say? He's been stuck here for 30,000 years?

"You, a human, can come here, it seems unusual."

Just when Yue Feng was secretly shocked, he saw the Brahma Emperor looking at him with a half-smile but a bit of abusive tone: "Let me test your abilities and see what's special." The

voice fell . , Brahma Emperor slowly raised his right hand.

Uh...

At this moment, Yue Feng only felt a powerful force, and instantly imprisoned himself, and then, the whole person suddenly rose up in the sky, as if an invisible thug lifted him up.

Chapter 3703 The

trough...

At this time, Yue Feng was in a panic. Under the crushing force of that terrifying force, he only felt that his whole body was about to explode.

Under the panic, Yue Feng's voice was weak and hoarse: "Former...Senior...have mercy, this will kill people..." When he said this, Yue Feng almost cried.

Nima, his luck was too bad. He thought that he had entered a forbidden area and could get rid of that Ao Lin, but it was passed to this place called Xianren Mound, and he also met the Brahma Emperor.

It would be utterly unfortunate to die in the hands of the Brahma Emperor like this.

“Hmm...”

However, facing Yue Feng’s pleas, Emperor Brahma didn’t seem to hear it at all, and while urging energy and crushing Yue Feng, he muttered to himself: “It’s really not simple, but the body is a mortal body. Possessing the primordial spirit...”

“Huh? Also possessing a different fire...”

Hearing

this, Yue Feng couldn’t help gasping for air, and was extremely shocked.

Nima, this Brahma Emperor is too terrifying, not only can he perceive his own primordial spirit, but also know that he has a strange fire...

eh?

Just when Yue Feng was secretly shocked, all of a sudden, the Brahma Emperor discovered something and called out in amazement: “Good boy, you still have the power of the ancestors of birds?” As

he spoke, the Brahma Emperor tore off Strength, Yue Feng lost his balance and fell to the ground.

“Boy!”

At this time, the Brahma Emperor hovered proudly in the air, staring at Yue Feng with burning eyes, his tone was complex, but also a bit commanding: “You are a human, how can you have the power of bird ancestors? Hurry up, or call Your primordial spirit is destroyed.”

When he said this, the Brahma Emperor tried his best to restrain the excitement in his heart!

You must know that the Brahma Emperor and the Suzaku family have a very close relationship. After Pangu opened up the world, there were four major spiritual beasts born in the world, namely Qinglong, Baihu, Suzaku, and Xuanwu. These four congenital spirit beasts have extremely arrogant personalities, but Suzaku is the Emperor Brahma.

Since Pangu opened up the world, there has been only one person who can conquer the four innate beasts, the Brahma Emperor.

It was only later that the Brahma Emperor encountered some troubles. In desperation, he cancelled the master-servant relationship with Suzaku. However, in the heart of the Brahma Emperor, he always had some special feelings for Suzaku.

Under such circumstances, the Brahma Emperor felt the power of Yue Feng's bird ancestors at this time, and naturally he could not calm down. You must know that Suzaku is the ancestor of all birds, and the power of bird ancestors in her body is her source power.

At this time, the power of bird ancestors appeared on a human being, which was too strange.

call!

At this moment, feeling the aggressive aura of Emperor Brahma, Yue Feng couldn't help taking a deep breath and

said carefully, "This is what Queen Suzaku passed on to me." With that, Yue Feng explained the situation at that time in detail. .

After saying this, Yue Feng secretly observed the expression of Emperor Brahma. I couldn't help but murmured in my heart, this Brahma Emperor is so excited, does it have any relationship with the Vermillion Bird Clan?

What?

Sure enough, upon learning of these circumstances, Emperor Brahma was faintly shocked, his face changed, his eyes widened, and anger and heartache flashed in his eyes.

A few seconds later, Emperor Brahma reacted and stared at Yue Feng: "You said Queen Suzaku is dead?"

"Yes!" Yue Feng nodded and said carefully: "At that time, she was raided by Jinpeng, and in an emergency, I had to Pass on the power of Bird Ancestor to me."

Speaking of which, Yue Feng couldn't help but wonder in his heart: "That.... Your Excellency the Emperor, you and Queen Suzaku..."

Before he finished speaking, he was taken by the Brahma Emperor. interrupted.

Chapter 3704

“It used to be my spirit beast.” Brahma Emperor said, with a bit of emotion in his eyes: “Later I cancelled the master-servant relationship with it, I thought that one day, if I could leave this immortal tomb, I can see her again, but I didn’t expect...”

Finally, the Brahma Emperor looked sad and sighed.

What?

At this moment, Yue Feng only felt his brain buzzing, staring blankly at Emperor Brahma, completely stupid.

Queen Suzaku...was his spirit beast?

It’s incredible.

Under the shock, Yue Feng took a deep breath and couldn’t help but ask: “Your Excellency Emperor, how did you get trapped here?” The

Brahma Emperor smiled bitterly, as if he didn’t want to mention his past, but he finally said it. : “It’s because I lost a bet with my junior brother.”

Yue Feng scratched his head: “Junior brother?”

Brahma Emperor glanced at Yue Feng and said lightly: “Yes, my junior brother, we worshiped the ancestors of Honghuang together at the beginning. Relationship. Very good, when the whole world was divided into the realm of gods, the realm of humans, and the realm of ghosts, the younger brother strongly supported me as the master of the realm of the gods.” Hearing this, Yue Feng couldn’t help taking a deep

breath

to hide his inner feelings. Shocked, after staying in God’s Domain for this period of time, Yue Feng had heard that the ancient ancestor of the Great Desolation was the most powerful god after the creation of the world.

Unexpectedly, the Brahma Emperor in front of him turned out to be the ancestor of the Great Desolation.

Just when Yue Feng was thinking about this, he heard the Brahma Emperor continue: “Later, I became the master of the gods and began to formulate systems, as well as rules and regulations to restrain the gods.”

“As a result, at this time, Junior Brother suddenly jumped out and said that I was too conceited, and the rules and regulations I had drawn up would not work at all.”

When he said this, Brahma Emperor’s eyes flickered with confusion.

Yue Feng was half-understood and couldn't help but ask: "Why doesn't it work?"

"Haha..."

Brahma Emperor smiled, but there was a hint of bitterness in his smile: "As a human, you should know that human beings It is very difficult for the world to enter the realm of the gods, and the rule I formulated at the time was that the realm of the gods established a sect in the human world, and then selected elite talents in the human world every ten years.

" Human beings are mostly greedy and don't need to do this."

"According to the younger brother's words, human beings should be allowed to fend for themselves. If there are human beings, they will cultivate to a certain realm by themselves, and they will only be accepted by the divine realm if they shatter the void and come to the realm of the gods.

"

Hearing this, Yue Feng couldn't help but sigh in his heart.

I really did not expect that such a thing happened in the Divine Realm tens of thousands of years ago.

To be honest, if the rules specified by the Brahma Emperor were really implemented, the world of the human world would not be what it is now.

Thinking to himself, Yue Feng thought for a while and asked again: "Then you, junior brother, are you still here now?"

Emperor Brahma pondered for a while, and smiled bitterly: "After I lost the bet with him, I will take the position of God's Domain Master. Let go out, I still remember that when he was in power, he claimed to be the God of the Nine Heavens..."

Shuh...

At this moment, Yue Feng was shocked and completely stunned.

Nima, after a long time, Brahma Emperor's junior brother turned out to be the God of Nine Heavens.

When he thought of Jiutian God, Yue Feng suddenly became angry. At that time, he just wanted to leave the realm of the gods. In desperation, he pretended to be Jiutian God. However, Jiutian God actually arrested Master Guiguzi for his own face.

Chapter 3705

After a few seconds, Yue Feng calmed down, and then looked at the Brahma Emperor curiously: “Your Excellency, what bet did you make at that time?”

Although from the current situation, the Brahma Emperor must have lost at that time, otherwise , and will not stay in this dark immortal tomb.

However, Yue Feng wanted to know about the situation at that time.

call!

The Brahma Emperor pondered, his expression fluctuated, and he seemed to be caught up in memories.

After a few minutes, the Brahma Emperor said slowly: “My brother and I are betting on human nature. I firmly believe that all human beings are kind, industrious and hardworking, while my brother believes that humans are greedy and evil.”

“To demonstrate this, I I made a bet with my younger brother, and then locked a human being in a fairy fruit forest, and then gave him a magic manual. At the same time, I sent a fairy to guard it.”

“At that time, I told that person that as long as you keep yourselves safe and practice magic, you can stay there. God’s Domain, but you can’t leave the fairy fruit forest, and you can’t pick and eat the fairy fruit without authorization. Because I bet that this human will work hard to cultivate the magical power according to my instructions.”

“And the junior brother concluded that this human will definitely pick the fairy fruit and eat it, because as long as Taking one immortal fruit will increase your lifespan by 500 years, that person will definitely not be able to resist such a big temptation.”

Hearing this, Yue Feng couldn’t help laughing dumbly: “In the end, that person ate the immortal fruit.”

“Yes.

Brahma Emperor nodded slowly, with a complex expression on his face: “That person not only picked the fairy fruit, but also defiled the fairy... So, I lost, and I lost very thoroughly.” I

went.

Knowing this was the case, Yue Feng was immediately stunned. That person was really daring. Not only did he pick the fairy fruit to eat, but he even defiled the fairy.

At this time, the Brahma Emperor continued: "After I made this bet, according to the previous bet, I self-destructed my primordial spirit, and then entered the immortal mound for meditation, and my junior brother took over my rule in the God's Domain."

Saying, Brahma The emperor was very emotional: "In a blink of an eye, 30,000 years have passed..."

Self-destructing Primordial Spirit?

At this moment, Yue Feng's heart skipped a beat, and his mind went blank.

This Brahma Emperor has no Primordial Spirit, yet his strength is still so powerful. Wouldn't it be even more terrifying if he had Primordial Spirit?

Later, Yue Feng thought about the bet between Brahma Emperor and Jiutian God, and after careful consideration, he always felt that something was wrong in those places.

Even if it was a bet between two brothers and sisters, there was no need to be so ruthless. The one who was going to lose would destroy his Yuanshen, and he would have to go into a dark place like the Immortal Tomb to meditate.

Could it be that this was deliberately set up by the Nine Heavens God in order to seize the throne?

Thinking of this, Yue Feng couldn't help but say: "Your Excellency Emperor, have you ever thought about betting at that time that your junior brother secretly used a trick."

Shah!

Hearing this, Emperor Brahma's face changed, and his expression became solemn: "What do you mean?"

"You think." Yue Feng analyzed: "If it is an ordinary human being, how could it be possible to steal it if you knew that you had given a warning. After the fairy fruit, you still defile the fairy? This is too courageous."

"So I suspect that your junior brother secretly manipulated that person at the time. That's why you lost so thoroughly."

After the last sentence, Yue Feng secretly observed the expression of Emperor Brahma.

The Brahma Emperor fell silent, not responding, but thinking about something.

"correct!"

Chapter 3706

After a few minutes, the Brahma Emperor thought of something, and asked Yue Feng: "You said before that you got the power of the bird ancestor in the sealed land, where is the sealed land?"

Yue Feng Without concealing it, he responded: "When the God Realm launched a god war, all the demon clans were sealed up. The demon clan are the four innate spirit beasts, as well as other spirit beast groups..."

Launching a god battle?

Hearing this, the Brahma Emperor frowned.

Yue Feng continued: "I don't know the specifics, but as far as I know, the God Realm started the war because the four innate spirit beasts refused to surrender to the God Realm, which caused the Nine Heavens God to be furious..."

"Damn it. .."

At this moment, Brahma Emperor's face instantly darkened, and anger flashed in his eyes.

Yue Feng was startled and quickly said: "What's the matter? Your Excellency?" The

Brahma Emperor couldn't hide his anger, and said, "I lost the bet at that time, and after giving way, Junior Brother promised me that he would always maintain the balance of the God Realm. I don't use force easily, but I didn't expect that after I entered the immortal tomb, he immediately launched a divine battle to force the four major spiritual beasts to surrender..."

"But it's no wonder, when I lost the bet, the Qinglong, Baihu four The great spirit beasts have been persuading me not to be too serious, and even more to persuade me not to give up the dominion of the divine realm."

"Now it seems that it is precisely because the four spirit beasts support me that the junior and junior are dissatisfied, so he will activate the gods. Battle."

Alas...

Hearing this, Yue Feng sighed secretly.

This Brahma Emperor still does not understand that everything in those years was set up by the Nine Heavens God. He deliberately made a bet with the Brahma Emperor to

force the Brahma Emperor to abdicate, and then launched a war of gods to establish his prestige...

However, this Brahma Emperor has always been in a state of 'the authorities' fans, so he has never figured it out.

This chapter is provided by . Visit for daily update.

Even if you want to understand now, it's too late.

At this time, the Brahma Emperor was very annoyed and regretful: "Damn, I knew this earlier, I should have listened to the words of the four great spirit beasts and didn't give up my seat to the junior brother. I didn't expect the junior brother's city to be so deep, and he actually deceived me 30,000 yuan. Years."

Hearing this, Yue Feng was a little dumbfounded, but still comforted: "Your Excellency Emperor, it is not too late for you to understand now, I have released the demon clan from the sealed land, and I am with the Nine Heavens God at this time. There is a fierce battle in Yutian Palace."

"Since Your Excellency the Emperor has figured out the past, it is better to take the junior out of here and stop this battle."

When he said this, Yue Feng's eyes were full of urgency.

It's been more than an hour since I entered this immortal tomb, and I don't know what's going on in the Yutian Palace, whether the White Tiger King and Qi Cai Lingfeng are still struggling.

However, with the help of Emperor Brahma, I believe that the situation will soon be restored.

call!

Under Yue Feng's eager gaze, Emperor Brahma gave a wry smile, shook his head and said, "I told you just now that without my primordial spirit, I can't get out at all, so I stayed here for thirty thousand years, so you Do you think I can take you out?"

What?

Yue Feng's ability was full of expectations, and when he heard this, he instantly became desperate.

Nima, if you say that, you will never be able to get out?

"However..."

Just when Yue Feng was extremely depressed, he heard Brahma Emperor Yu Feng turn around and said slowly, "You have Primordial Spirit, and there is a possibility of leaving, but your strength is too low."

Having said that, the Brahma Emperor looked up and down at Yue Feng, and continued: "You have the power of Bird Ancestors, and you can still meet me here. It is considered that we are destined. From now on, I will pass on the Nine Heavens Holy Profound Art to you, I hope you can understand it well. As long as you practice it, you can leave the immortal tomb."

Chapter 3707

Nine Heavens Holy Profound Art?

Hearing this, Yue Feng froze there, staring blankly at Emperor Brahma, with inexplicable ecstasy in his heart.

This practice method is very domineering when I hear it, it should be very powerful.

"Haha..."

Looking at Yue Feng's expression, the Brahma Emperor immediately guessed his thoughts and smiled: "This Nine Heavens Holy Profound Art was passed down to me and my junior brother by Master Tongtian Che. The power of the earth, so, after you have comprehended your studies, you can't use it easily, do you understand?"

"Understood!" Yue Feng nodded again and again, inexplicably excited.

Haha... I

thought I was trapped in this immortal tomb and could only wait to die, but I didn't expect that Liu Anhua would become a disciple of the Brahma Emperor in a blink of an eye.

Just like a dream.

"Don't be too happy for now."

Just when Yue Feng was extremely excited, he saw Brahma Heavenly Monarch with a serious face: "Not everyone can practice this Nine Heavens Holy Profound Art, although you have Primordial Spirit, you can have a good physique. It is not enough, you need 'Five Elements Tempering', only after successfully passing through 'Five Elements Tempering', you have the body of the Holy Spirit, can you practice the Nine Heavens Holy Profound Art."

Five Elements Tempering?

Hearing this, Yue Feng was stunned, and he couldn't help but say, "What is 'Five Elements Tempering'?"

" said.

Hearing this, Yue Feng nodded and couldn't wait to say, "Then let's start."

Seeing his expression, the Brahma Emperor smiled and said, "You have a plan in your heart, it is not easy to temper your body with the five elements, you have to endure unimaginable pain. ."

call!

Yue Feng gritted his teeth secretly, nodded and said, "I can."

As long as he can leave here, he is not afraid of any hardships.

"Okay!"

Seeing Yue Feng's serious face, Emperor Brahma stopped talking nonsense, then raised his hand and waved, and suddenly, the entire gray space around him quickly distorted and changed.

At the same time, Yue Feng was slowly dragged into the air by an invisible force.

Om... The

next second, I saw a sea of fire formed around, and this sea of fire quickly enveloped Yue Feng. This sea of fire was formed by the real fire of the five elements that was only available in God's Domain.

The raging Five Elements True Fire continued to burn, and he saw that Yue Feng's body was flushed red.

However, Yue Feng has the spirit of the sky bird, so he doesn't panic at all.

I don't know how long it took, the sea of fire finally disappeared, and Yue Feng successfully passed through.

"Not bad!"

Seeing this scene, Brahma Emperor nodded approvingly: "You have a strange fire in your body, so you can easily pass through this fire, but you have to be careful next time." The

voice fell, Brahma The emperor raised his hand again, and saw that the surroundings were suddenly white and became a world of ice and snow.

Hiss...

At this moment, Yue Feng's body trembled suddenly, and he felt extremely cold all over his body.

Holy crap, it's so cold!

In an instant, Yue Feng's whole body trembled, as if his whole body was frozen.

At the beginning, Yue Feng could still bear it, but as time went on, the cold from all around him became stronger and stronger.

"Ah!" The

endless cold invaded, and Yue Feng finally couldn't help it. He screamed loudly. At the same time, he had to mobilize the power of his primordial spirit to resist the cold.

However, at this moment, I heard the Brahma Emperor shout: "Don't push the power to resist, otherwise, the body will fail. All you can do is to endure..."

Ren...

heard With these words, Yue Feng immediately gave up urging his primordial spirit, and continued to endure with gritted teeth.

Time passed by minute by minute.

I don't know how long it took, and the Five Elements Body Tempering finally came to an end. I saw that Yue Feng was soaked in cold sweat, his face was pale, and he was in an indescribable embarrassment. It was like he walked through the gate of hell.

"Okay!"

At this moment, Emperor Brahma looked at Yue Feng, his eyes full of admiration: "You can pass through the five elements so smoothly, it seems that you are really extraordinary, now I will teach you the Nine Heavens Holy Profound Art, you must get rid of distracting thoughts, Concentrate on understanding."

Chapter 3708 The

voice fell, and the Brahma Emperor said the formula.

At this moment, Yue Feng gathered his energy and memorized the formula, then closed his eyes, sat cross-legged, and entered into the practice.

.....

On the other side, Yutian Palace!

At this time, the fierce battle between the demon clan and the gods was drawing to a close.

I saw that the White Tiger King, Qi Cai Lingfeng and other demon tribesmen were covered in blood, extremely weak, and had almost no strength to fight.

boom!

At this moment, a god general burst out, slapped the White Tiger King with a slap on the back, and heard the White Tiger King roar, and the huge figure fell to the ground, completely losing his combat effectiveness.

“White Tiger King!”

Seeing this scene, Qi Cai Lingfeng and other demon clan members exclaimed in surprise.

And taking advantage of the distraction of the colorful spirit phoenix, countless gods and soldiers rushed up to restrain her.

At the same time, the surrounding demon tribes were also tied up by five flowers.

Done!

Seeing this scene, the eyes of the White Tiger King were full of unwillingness and despair.

I thought that leaving the sealed land, I could settle the old account with the Nine Heavens God, but in the end it was a fiasco.

Fortunately, Your Excellency Yue Feng escaped in time, and now he should rescue Mr. Guigu.

call!

Seeing this scene, the Nine Heavens God suspended in mid-air showed a cold and arrogant smile.

At this moment, Ao Lin came quickly and said respectfully, "Your Majesty, all the demon clans have been captured."

Nine Heavens God nodded, and then thought of something: "What about that Yue Feng?"

Ao Lin quickly responded: "That Yue Feng broke into the Immortal Tomb, and if nothing else happened, he was already dead inside."

Hmm!

Hearing this, Jiutian God's expression softened. The Immortal Tomb is an independent space derived from the creation of the world. The environment inside is harsh and very dangerous, and there is still his brother Brahma Emperor trapped inside.

The Brahma Emperor has been imprisoned for 30,000 years, and he must have gone into trouble.

In this case, Yue Feng will surely die if he enters the Immortal Tomb.

"Your Majesty!" At this time, Ao Lin pointed at the White Tiger King and the other demon clan members, asking for instructions, "How to deal with these demon clans?"

Jiutian God didn't even think about it, and said coldly, "Prepare the platform of punishment immediately. "

Yes!"

Ao Lin responded and hurried to prepare.

Two hours later, a huge execution platform was built, and the White Tiger King, Colorful Lingfeng, and other demon clan members were all tied up with five flowers and brought up.

"The White Tiger King, the Xuanwu King."

At this time, the Nine Heavens God stared at the White Tiger King, and said coldly: "Even if you escaped from the sealed land, you are not my opponent, and now I will give you a chance to tell me Loyalty, never betray. I will spare you." The

White Tiger King did not respond, but snorted coldly.

The King Xuanwu and Qicai Lingfeng next to him also looked like they were going to die.

"Okay!"

Seeing this situation, Jiutian God's face became gloomy, and he stopped talking nonsense: "Since you want to die, I will fulfill you."

The voice fell, and Jiutian God slowly raised his right hand.

hum!

In an instant, the sky and the earth changed color, and dark clouds gathered in the sky. Immediately afterwards, among the rolling dark clouds, thunder and lightning ripped apart the clouds.

Yes, God of the Nine Heavens, are you going to draw out the thunder to annihilate all the monsters in front of you?

In the heart of Jiutian God, if these monsters do not surrender, they must be removed decisively, otherwise there will be endless troubles.

Thunder?

At this moment, whether it was the White Tiger King or the Colorful Lingfeng, their hearts trembled.

Chapter 3709

As spirit beasts, the White Tiger King and the colorful spirit phoenixes, every time they reach a certain level of cultivation, they also need to break through the calamity, so they know the power of Tianlei well.

After a few days and nights of fierce battles, the White Tiger King, the Colorful Lingfeng, and the Xuanwu King were almost completely exhausted.

call!

At this time, the White Tiger King's face was extremely pale, but his eyes were filled with determination.

Looking at the thunder and lightning above his head, the White Tiger King's eyes were blood red and he was full of pride: "King Xuanwu, Qi Cai Lingfeng, although we lost this battle, we did not lose face to the demon clan from the beginning to the end."

"Also, Your Excellency Yue Feng has successfully escaped, and I believe that he will definitely come back to avenge us."

"Isn't it Tianlei, I haven't paid attention to the White Tiger King."

When he said this, the White Tiger King looked mad, and his eyes were even more intense. Is flashing rebellious.

The voice fell, and the Xuanwu King and the colorful Lingfeng next to him nodded in agreement.

“That’s right, we’ve done our best anyway and died without complaint!”

“The White Tiger King is right, Your Excellency Yue Feng, he will definitely avenge us!”

“Although we lost this battle, we also killed a lot of magic soldiers. God general, I have no regrets.”

At this moment, the White Tiger King, Xuanwu King, and Qi Cai Lingfeng looked at each other with a smile on their faces, but they couldn’t tell the sadness in their hearts!

After finally leaving the sealed land, I haven’t had time to display my ambition to revitalize the demon clan, but all of them will be destroyed. I’m so unwilling.

For a time, a dull atmosphere enveloped the entire execution platform.

Whether it is the White Tiger King, the Xuanwu King and the Colorful Lingfeng, all of them have fearlessness in their eyes, but their hearts are full of despair.

“Death is imminent, there is so much nonsense!”

Seeing this scene, Jiutian God snorted coldly, then stopped talking nonsense, raised his hand and waved, directly arousing Tianlei.

boom!

In an instant, I saw a thunder and lightning, from the billowing dark clouds, slashed directly towards the execution platform, like a beam of light connecting the heaven and the earth, which was very shocking.

Seeing this scene, all the White Tiger Kings closed their eyes and waited for death to come.

And the many priests watching around, as well as the gods and soldiers, all had a look of indifference. In their hearts, the monsters in front of them dared to provoke the God of the Nine Heavens, and they didn’t care about the realm of the gods at all, and it was not a pity to die.

Om....

However, at this time, I saw an earth-shattering roar from the palace group not far away.

This roar, no less than the surging of the sky, shocked the world.

what happened?

At this moment, whether it was the Nine Heavens God, or the surrounding priests, and the White Tiger King on the execution platform, they were all stunned, and then turned their heads to look.

Seeing this, the audience suddenly became silent.

I saw that over the palace group, the situation was changing, the smoke and clouds were rolling, and finally a colorful auspicious cloud came out.

This...

seeing this scene, whether it is the gods of the gods or the demon clan, they are all stunned.

There are colorful auspicious clouds? What kind of peerless powerhouse came out?

In the shock, they clearly sensed that the spiritual energy of heaven and earth continued to merge into the colorful clouds, and the powerful breath condensed made people palpitated.

call!

At this time, the Nine Heavens God also had a solemn expression on his face. No, in the God Realm, there are very few people who can trigger colorful clouds. Except for himself, it is the brother Brahma Emperor who is trapped in the immortal tomb.

Chapter 3710

However, the Brahma Emperor has no primordial spirit and has been trapped for 30,000 years, and it is impossible to come out.

As I thought to myself, Jiutian God became more and more suspicious, and asked Ao Lin next to him: "You were sure that Yue Feng entered the forbidden area of the Holy Palace at that time?"

Gudong!

At this time, Ao Lin was also stunned, and said in fear: "Yes, my subordinates saw with their own eyes that Yue Feng was sucked into the Immortal Tomb."

After speaking, Ao Lin thought about it and continued: "Your Majesty, even if that Yue Feng was sucked into the tomb. If the wind didn't enter the Immortal Tomb, he couldn't have caused the colorful clouds."

Om...

As he was talking, he saw the colorful clouds suddenly floated up, almost as fast as lightning, and soon, it reached the sky above the execution platform, Just as it hit the sky thunder that fell down, a roar was heard, and the sky thunder dissipated in an instant.

At the same time, the colorful clouds slowly dispersed.

After the colorful auspicious clouds dispersed, a figure was quietly suspended there.

Knife-like facial features, indescribably cold and handsome.

It is Yue Feng!

At this time, Yue Feng was surrounded by a golden halo, constantly surging with waves of power fluctuations, which was extremely terrifying. Half an hour ago, Yue Feng successfully comprehended the Nine Heavens Profound Sacred Art in the Immortal Tomb, and his strength increased greatly. With the help of Emperor Brahma, he left the Immortal Tomb smoothly.

When he left the Immortal Tomb, Yue Feng wanted to bring the Brahma Emperor with him, but the Brahma Emperor was unable to leave without his Primordial Spirit. Yue Feng had no choice but to reluctantly bid farewell to Emperor Brahma.

Whoa!

At this moment, seeing Yue Feng, there was an uproar around the entire Yutian Palace.

In particular, the demon clan members were extremely excited, showing happy smiles.

"Haha..." The

White Tiger King was even more excited, and laughed at Yue Feng: "I knew that Your Excellency Yue Feng would definitely come back, haha..."

The colorful Lingfeng and Xuanwu King next to him also both Excited smile.

Huh...

On the Divine Realm side, it was deadly silent. The priests present, and the surrounding divine soldiers and generals, all stared at Yue Feng blankly, unable to calm down for a long time.

It's been a long time since I saw him, how has this kid's strength increased so much?

Not only did it trigger colorful auspicious clouds, but it also easily resisted a thunderbolt...

This...

At the same time, Ao Lin stared at Yue Feng blankly, his mind buzzing, completely stupid.

Impossible...

This Yue Feng was sucked into the Immortal Tomb, and it was impossible to come out.

In mid-air, Jiutian God looked at Yue Feng closely, showing complexity and shock.

This kid is really lucky to be able to come out of the immortal mound.

Yes, it must be relying on the power of bird ancestors in his body.

At this time, in the heart of the Nine Heavens God, Yue Feng can come out of the immortal mound and resist the next thunder, which must be related to the power of Bird Ancestor. Apart from this, there is no other possibility.

"White Tiger King!"

At this moment, Yue Feng was suspended in the air, and shouted at White Tiger King and Qi Cai Lingfeng: "Everyone, I'm sorry, I came back late."

When he said this, the anger in Yue Feng's heart rushed upwards. Because he clearly saw that the White Tiger King, Qicai Lingfeng, and the other demon clan members were all tied up by the five flowers, all scarred and weak.

In the next second, Yue Feng's eyes fell on Jiutian God and said coldly: "Jiutian God, immediately release the White Tiger King and them, otherwise, I will level your Yutian Palace!"
