

The ultimate husband in Chinese chapter 3711-3715

Chapter 3711

At this moment, Yue Feng's voice spread and echoed in the Yutian Palace.

quiet!

The whole place was silent.

At this time, whether it was Ao Lin or the surrounding gods and soldiers, all eyes were focused on Yue Feng, which was extremely complicated.

This kid is really outrageous and dares to provoke His Majesty the Nine Heavens in public.

The Nine Heavens God also had a gloomy expression on his face.

"Haha!"

After a few seconds, the Nine Heavens God sneered, with a bit of contempt in his eyes, and said to Yue Feng: "You really don't know how to live or die, thinking that you have the power of Bird Ancestor, you can be arrogant?"

"Tell you , even if you have the power of bird ancestors, you just resisted a thunderbolt, but in my eyes, it's just an ant."

"Aren't you very resistant? Let me see how many thunderbolts you can withstand. "The last sentence came out, Jiutian God's face was grim, and he raised his hands suddenly.

Boom!

In an instant, the sky above the entire Yutian Palace was filled with thunderous luck, and the whole world was filled with a strong chilling aura.

In the heart of the Nine Heavens God, the Yue Feng in front of him, who was able to resist the next thunderbolt just now, was entirely dependent on luck and the power of bird ancestors in his body. One thunderbolt was already the limit he could bear.

In this case, if Tianlei is triggered again, Yue Feng will not be able to resist, and he will definitely die.

Phew...

Seeing this scene, the surrounding priests, as well as Ao Lin, were extremely excited.

Like the Nine Heavens God, they also believed that Yue Feng was only relying on the power of Bird Ancestor to let down the sky thunder just now, and at this time, the Nine Heaven God once again triggered the sky thunder, and Yue Feng would definitely not be able to stop it, only the ashes disappeared. end.

At the same time, the white tiger king and the colorful spirit phoenix on the execution platform also changed their expressions, and they sweated for Yue Feng.

“Yue Feng!”

Worried, Qi Cai Lingfeng couldn't help shouting at Yue Feng: “Be careful, the thunder is powerful today, don't resist it.” The

voice fell, and the surrounding White Tiger King, and The other demon clan members also nodded.

To be honest, Yue Feng appeared at a critical moment. The White Tiger King and the Colorful Lingfeng were very moved and delighted in their hearts. However, no matter how strong Yue Feng was, he was just a human being. How could he be the opponent of the Nine Heavens God?

Feeling the worries of the White Tiger Kings, Yue Feng smiled slightly, his expression indifferent: “It's just a mere sky thunder, you don't have to worry.”

Seriously, if it was before, facing the Nine Heavens God causing the sky thunder, Yue Feng must be panicked. But things are different now. With the help of Emperor Brahma, Yue Feng not only successfully passed the five elements of body tempering, but also realized Jiutian Xuansheng Gong. His strength is not what it used to be, and he does not panic at all.

“Ignorance ants, go to hell!”

Seeing Yue Feng's indifferent face, the Nine Heavens God was furious, shouted loudly, and immediately raised his right hand.

Bang bang bang ... In an

instant, I heard a sound of thunder, constantly coming from the rolling dark clouds above my head, and then, the dark clouds swelled violently, and then bolts of lightning ripped apart the heaven and the earth, slashing straight down.

Thousands of lightning bolts slashed straight down together. This scene was too shocking.

quiet!

At this moment, the entire Yutian Palace was surrounded by deathly silence, even if a needle fell on the ground, it could be heard clearly! The gods and soldiers present at the scene looked at Yue Feng with a hint of indifference, as if they had seen a dead man.

Since the establishment of God's Domain, in the tens of thousands of years, no one has been able to withstand so many thunderstorms. Waiting for this Yue Feng, I am afraid that not even the slag will be left.

Chapter 3712

You must know that Guiguzi was also punished by the Nine Heavens God with thunder in Guixian Mountain half a month ago. At that time, Guiguzi only suffered a few hundred thunders, and he was about to die. And even if this Yue Feng has the power of Bird Ancestor, his strength is not much stronger than Guiguzi.

Therefore, it is impossible for him to withstand so many thunderstorms.

Huh....

On the execution platform, the White Tiger King and the Seven-colored Lingfeng are one of a kind, each with a pale face, staring at Yue Feng, extremely anxious and worried.

This Yue Feng is too stubborn, how could he, a human being, be able to stop so many thunders?

Anxious, the White Tiger King and Qi Cai Lingfeng wanted to break free and help Yue Feng, but they were all tied up with five flowers and their breath was extremely weak, so they could only watch.

At this moment, under the gaze of the surroundings, Yue Feng hovered there proudly, looking at the thousands of thunderbolts coming straight from him, his expression was indifferent, and he had no intention of dodging.

boom! boom! boom!

Finally, thousands of lightning bolts, like sharp swords piercing the sky and the earth, slammed into Yue Feng's body in unison. In an instant, the entire Yutian Palace was surrounded by thunder and dust and smoke!

Swish!

At this moment, whether it was Ao Lin or the gods and soldiers present, they all cheered, and they couldn't hide their excitement.

In their hearts, these thousands of thunderbolts fell together, and Yue Feng's primordial spirit must be destroyed, and there is no possibility of surviving.

As for the White Tiger Kings on the execution platform, all of them looked sad and grief-stricken. In particular, Qi Cai Lingfeng burst into tears and burst into tears.

Yue Feng, why are you so brave? That's a thousand thunders.

"what?"

At this moment, the surrounding dust and smoke gradually dissipated, and I don't know who exclaimed. In an instant, the audience was silent, and everyone was stunned.

I saw that, in the dust and smoke, Yue Feng was suspended there quietly, with a cold and arrogant expression. All over the body, after the bombardment of thousands of heavenly thunders just now, not a single scar was left.

Not only that, but Yue Feng was surrounded by a layer of golden light, and the golden light contained incomparably powerful power.

This...

Seeing this scene, whether it was the Nine Heavens God, or Ao Lin and the surrounding gods and soldiers, they were all stunned, their heads buzzing.

He... he actually resisted all the thunder.

How is this possible? He's just a human.

Wow...

After a short silence, the demon clan on the execution platform let out a cheer, and they were all very excited.

Especially the White Tiger King, under shock, he couldn't help muttering to himself: "Queen Suzaku really did not see the wrong person, this Yue Feng is indeed the savior of our demon clan."

While muttering to himself, the White Tiger King's eyes filled with excitement. Tears, you must know that Tianlei is the strongest doom in God's Domain. For tens of thousands of years, no one has resisted so many Tianlei at once, but Yue Feng in front of him did it.

Can you not be excited that the Yaozu can meet such a powerful ally?

"Nine Heavens God!"

At this moment, Yue Feng was suspended there, looking at the Nine Heavens God with a half-smiling smile: "If you have any other means, use them."

When he said this, Yue Feng looked indifferent, but his heart was incomparable. Excited and happy.

Ha ha...

This Nine Heavens Sacred Profound Art is really powerful, and there are thousands of heavenly thunders.

But having said that, in the Immortal Tomb, I was fortunate to have been appreciated by Emperor Brahma, otherwise, I and the White Tiger King would have been wiped out.

Chapter 3713

Call!

As soon as the voice fell, the surroundings of Yutian Palace were suddenly silent! All eyes are on Yue Feng!

Crazy, so crazy!

This Yue Feng is obviously challenging the Nine Heavens God.

A human being who dares to challenge the supreme dominion of the Divine Realm is something unique.

At this moment, the face of Jiutian God was instantly gloomy. You know, in front of so many subordinates, what is the majesty of being so provocative by Yue Feng? Where will you put your back?

For a time, the surrounding atmosphere was extremely solemn, and everyone around held their breath.

Finally, at this time, I only saw Jiutian God laughing, staring at Yue Feng and saying coldly: "Okay, very good, since I took the throne, you are the first to challenge me."

When saying this, The nine-day God is not smiling. He was really furious.

In the next second, the figure of the Nine Heavens God erupted, heading straight for Yue Feng.

Jiutian God was several hundred meters away from Yue Feng, but under the urging of the figure, he was in front of Yue Feng in the blink of an eye.

When they got to the front, Jiutian God stared at Yue Feng with absolute contempt in his eyes: "It is very rare for you to withstand so many thunderstorms, but you are not qualified to challenge me!"

Om!

The voice fell, and a vast and terrifying breath burst out from the body of the Nine Heavens God. In an instant, the entire Yutian Palace was surrounded by darkness, and the sun and the moon were dark.

An unfathomable terrifying pressure filled the entire world.

In the next second, Jiutian God slowly raised his right hand and hit Yue Feng with a palm!

Nima!

Such a terrifying power...

Feeling the power of Jiutian God's eruption, Yue Feng's face changed, and it was too late to dodge, so he had to activate Jiutian Shengxuan Gong and attacked it with a palm.

boom!

Yue Feng and Jiutian God collided fiercely with their palms, and saw a violent aura impact, like a storm, swept away towards the surrounding.

Dengdengdeng...

In this powerful aura shock, no matter it was Ao Lin, or those priests, and the surrounding divine soldiers and generals, they were all shaken out, their qi and blood churned, and their faces paled.

After stabilizing his figure, Ao Lin and the eyes around him all stared at Yue Feng, shocked.

So strong!

This guy is actually able to compete with His Majesty the Nine Heavens God...

At the same time, at the moment when the palms collided, the Nine Heavens God and Yue Feng also took a few steps back in the air, and they saw that the Nine Heavens God's face changed, He immediately stabilized his figure.

Yue Feng's face also turned blue and then white, and then returned to normal.

“You...”

At this moment, Jiutian God stared at Yue Feng, his heart was extremely shocked, and his face was full of incredible!

This.. this is impossible!

Even if this Yue Feng possesses the power of Bird Ancestor, it is impossible for him to increase his strength so powerfully in a short period of time.

Feeling the astonishment of Jiutian God, Yue Feng showed a smile and said slowly: “Jiutian God, do you really think that I only have the power of bird ancestors?

” Myriad Heavenly Thunder?”

“To tell you the truth, I met your senior brother Brahma Emperor at the Immortal Tomb. He not only helped me with the ‘Five Elements Tempering’, but also passed on the Nine Heavens Holy Profound Art to me. Otherwise, how would I dare to challenge you? “

What?

Hearing this, Jiutian God’s body was shocked, but his mind was buzzing.

This Yue Feng not only passed the ‘Five Elements Tempering Body’, but also practiced the Nine Heavens Holy Profound Art?

No wonder it was able to resist thousands of thunders just now.

It’s just... Senior Brother Brahma Emperor, with a cold and arrogant temperament, how could he possibly pass on divine art to a human being? But the fact that this is the case makes people have to believe it.

Whoa!

Chapter 3714

Seeing this situation, the surrounding suddenly exploded.

Whether it was Ao Lin or the surrounding gods and soldiers, they stared blankly at Yue Feng, and they were all stunned.

You must know that the Brahma Emperor is the master of the previous generation of God’s Domain, and his strength is tyrannical, especially the ‘Nine Heaven Sacred Profound Art’ he has learned, which is infinitely powerful and profound, and is the number one miracle in God’s Domain. At this time, it was actually passed on to the human being Yue Feng.

At this moment, Jiutian God reacted and said coldly to Yue Feng: “Even if you learn Jiutian Shengxuan Gong, in my eyes, you are just a humble human being.” The

voice fell, and the figure of Jiutian God flickered, He came to Yue Feng again.

Yue Feng did not panic at all, and urged Jiutian Shengxuan Gong to meet him and fight with Jiutian God in the air.

Huh..

Seeing this scene, everyone in the audience held their breath and watched them all in a relaxed and happy mood.

You must know that the Nine Heavens God is not only the ruler of the God Realm, but also controls the fate of the human world and the ghost world. His strength is unfathomable. At this time, he and Yue Feng broke out in the air with all their strength, which can be said to be a rare battle in ten thousand years.

At the beginning, Yue Feng was able to cope with it easily, but gradually, he couldn't stand it anymore. You must know that the Nine Heavens God has been cultivating for tens of thousands of years, and his background is simply not comparable to him.

boom!

I don't know how many rounds of fierce battles have been fought, but when the Nine Heavens God found an opportunity, he slapped Yue Feng on the back, and heard Yue Feng let out a muffled groan. He fell heavily to the ground.

Although Yue Feng understood the Nine Heavens Holy Profound Art, he was still slightly inferior to the Nine Heavens God.

After all, this is the master of the God's Domain.

“Your Excellency Yue Feng!”

“Yue Feng! Yue Feng!!”

Seeing this scene, the White Tiger King and Qi Cai Lingfeng on the execution platform couldn't help exclaiming. Powerless.

“Boy!”

At this moment, the God of Nine Heavens stared at Yue Feng with a contemptuous tone: “How dare you challenge me with this little strength?” As he

spoke, God of Nine Heavens slowly walked towards Yue Feng.

A strong breath permeated the whole world.

Gudong!

Seeing that the Nine Heavens God was getting closer, Yue Feng couldn't help swallowing his saliva, secretly anxious.

Ma De, the God of the Nine Heavens is too strong. Even if you have practiced the Nine Heavens Holy Profound Art, you are no match. What should you do now?

At this moment, Jiutian God came to him, his eyes were cold: "Even if you are lucky, you can't change the situation in front of you, so accept your fate." The

voice fell, Jiutian God shot and slapped it directly above Yue Feng's head.

Mad!

Yue Feng was very unwilling, but under the terrifying pressure of the Nine Heavens God, he couldn't move, so he closed his eyes in despair.

At the same time, the white tiger king and the colorful phoenix on the execution platform were also anxious.

Yue Feng can't die, if he dies, the entire monster clan will also be destroyed.

Om...

Seeing that Yue Feng was killed by the Nine Heavens God, at this critical moment, a powerful breath came from the sky, filling the world.

At the same time, a low and old voice sounded between heaven and earth: "Stop."

It's just three words, but it contains the sound of thunder, buzzing and echoing in the ears of all the audience.

call!

Hearing this voice, whether it was the Nine Heavens God, the surrounding gods and generals, or the White Tiger Kings, their hearts were shaken.

In the next second, Jiutian God froze there, looking up at the sky, his expression was both excited and complicated, and he muttered to himself, "Master?"

Master?

Could it be that the ancestor of the Great Desolation is here?

Seeing Jiutian God's expression, Yue Feng's heart was shocked, and he couldn't help but look up into the sky?

Chapter 3715

Hiss!

Seeing this, Yue Feng was shocked, and the whole person was stunned.

I saw that in the sky, the rays of light were ten thousand feet, and in the rays of light, the colorful clouds turned into a huge lotus platform.

And on this huge lotus platform, there was an old man sitting quietly.

This old man, full of silver hair, fell down with a shawl. At this time, he was wearing a white robe, his face was peaceful, and he looked like an expert outside the world.

The old man had a kind face, but his whole body was filled with an aura that made all living beings surrender, especially those eyes, which seemed to be able to see through the past and the future. Yue Feng only touched this kind of eyes, and his heart trembled.

Gudong.

Two seconds later, Yue Feng reacted and couldn't help swallowing, trying to hide the shock in his heart.

This must be the ancestor of the Great Desolation. Except for him, looking at the entire Divine Realm, no one has such aura.

Yue Feng guessed right, the old man sitting on the lotus platform was the ancestor of the Great Desolation.

The ancestor of Honghuang is the most legendary sage and strong man after the great god Pangu.

According to rumors, it was the ancestors of Honghuang who founded God's Domain, and then shattered the void and went to nine days away.

"Master."

Just when Yue Feng was secretly shocked, he saw Jiutian God with a respectful look on his face, and bowed deeply to the ancestors of Honghuang: "You have returned from traveling nine days away?" The

voice fell, and many people around him The priests, as well as those god soldiers and generals, also knelt down and shouted in unison.

“Welcome to the ancestors of Honghuang.”

Thousands of people shouted in unison, and the momentum shook the sky.

Not only that, but even the White Tiger King on the execution platform, as well as the colorful phoenixes, all put away their previous pride, each with a look of respect.

shit.

Seeing this scene, Yue Feng was inexplicably excited, it was really the ancestor of the prehistoric.

Thinking about it, Yue Feng’s eyes slowly moved away from the ancestors of Honghuang, and was attracted by a figure next to the lotus platform.

I saw that there was a woman standing quietly in the seat behind the ancestors of Honghuang. This woman, wearing a long white dress, with tassels around the cuffs and waist, fluttered gently in the wind, her graceful body, looming, fairy spirit. Full.

beautiful!

What a beautiful woman.

At this moment, Yue Feng was stunned. Because the woman was standing there sideways, Yue Feng could not see her face temporarily, but Yue Feng could also clearly sense that the aura pervading the woman’s body made people not allowed to blaspheme .

Huh..

As if sensing Yue Feng’s gaze, the woman turned her head slowly, and in an instant, the moment the woman turned her head. Yue Feng felt that his breathing was about to stop in an instant.

Beautiful, really beautiful. Charming but not bewitching, glamorous but not cold.

For a while, Yue Feng’s mind went blank, as if all the beautiful words in the world were not enough to describe the beauty of this woman.

Who is this woman? To be able to accompany the ancestors of the Great Wilderness to appear together, the identity must be extraordinary.

“Senior Sister Nuwa.”

Just when Yue Feng was thinking about it, he saw Jiutian God smiled at this woman with a very polite tone: "Long time no see, Senior Sister is really the same."

"Senior Sister follows Master and travels together. Beyond nine days, I must have gained a lot."
