

The ultimate husband in Chinese chapter 3721-3730

Chapter 3721

“The Demon Lord Gone isn’t dead?”

Finally, the Nine Heavens God reacted and looked at the ancestors of Honghuang blankly, his voice trembling: “This... how is this possible? Master didn’t watch him with his own eyes back then. Has the Primordial Spirit been destroyed?”

At this time, the Nine Heavens God was indescribably nervous and fearful, and completely lost the calmness that the God Domain Master should have.

You must know that the Demon Lord Gone is too big, and it was transformed by the evil thoughts of Pangu, the creator of the world.

As we all know, after Pangu opened up the world, he died of exhaustion. The breath he exhaled after he died became clouds and mist, his voice became thunder, his left eye was called the sun, his right eye became the moon, thousands of strands of hair were called the sky full of stars, and fresh blood it is called rivers, lakes and seas, muscles and bodies are called rolling mountains.

However, in addition to these, Pangu’s spirit, because of both good and evil, gave birth to gods and demons.

Because the demons follow the belief of ‘the strong wins, and the strong are respected’, which is completely different from the ‘Dao, law and nature, harmony of all things’ pursued by the gods, so the battles between the gods and demons continued for nearly 10,000 years.

Later, the ancestors of the Great Desolation were born and led the realm of the gods, defeated the demons in one sentence, and killed the Demon Zun Gone, so that the primordial spirit was destroyed and dissipated beyond the nine heavens. Since then, the demons have also disappeared.

Thousands of years later, the ancestors of the prehistoric accepted Nuwa as a disciple. Nuwa was full of qualifications. With the support of the ancestors of the prehistoric, Nuwa mixed soil and water, attached her own blood and spiritual power, and used willow branches to point her. to be shaped in his own image, to create human beings.

After that, humans and gods lived together in a world and lived in peace with each other. With the help of gods, humans learned to use fire, catch food, and later build their own tribes.

Later, the ancestors of Honghuang created the realm of gods, separated gods and humans, and created the realm of ghosts.

It can be said that the time of the war between gods and demons is far longer than before the emergence of human beings, at least 100,000 years ago. In this case, knowing that the Demon Lord Gone was not dead, it was naturally difficult for the Nine Heavens God to calm down.

call!

At this time, seeing the expression of Jiutian God, the ancestor of Honghuang exhaled softly and said slowly: "Don't make such a fuss, you must know that Demon Lord Gone is the result of Pangu's evil thoughts, and it is impossible to completely destroy it. When the teacher defeated him, he expected this!"

Speaking of which, the ancestors of Honghuang showed a bit of complexity: "So back then, after I handed the Divine Realm to your brother Brahma Emperor, I have been nine days away. Traveling, while comprehending the mystery of heaven, on the other hand, is also exploring the traces of the Demon Lord Gone, who knows, the years are passing, 30,000 years have passed, and there is still no clue."

This chapter is provided by . Visit for daily update.

"This time, the grievance between you and the demon clan, The entire Divine Realm was a bloody storm, so the teacher decided at the time to pursue the Demon Lord Gone for the time being, and come back to deal with the affairs of the Divine Realm first. As a result, when crossing the chaotic void, I sensed Gone's remnant aura..." Huang Lao Zu looked solemn and said slowly.

wow.

Hearing these words, the Nine Heavens God froze there, unable to recover for a long time.

The real Yutian Palace was also in an uproar!

The priests standing on both sides opened their mouths wide, their faces full of shock.

If the Demon Lord Gone is not dead, it will be troublesome.

At this moment, the ancestor of Honghuang looked at the Nine Heavens God, and said again: "So, the grievance between you and the demon clan is not a big deal at all, and preventing the return of the Demon Lord Gone is the top priority now. Heavy."

Uh...

Nine Heavens God looked ashamed.

At this moment, the entire Yutian Palace was even more silent, and a drop of a needle could be heard clearly, each with a heavy expression.

Chapter 3722

Sensing the change in the expression of the Nine Heavens God, Empress Nuwa, who had been silent beside her, walked out slowly and smiled lightly: "Junior Brother, don't be too nervous, even if the Demon Lord Gone is not completely destroyed, what you have now As long as we unite as one and protect the Divine Realm well, the Demon Lord Gone will not have a chance to take advantage of it!"

When she said this, the voice of Empress Nuwa was very soft and soft. But it gave people a sense of arrogance and righteousness, which spread throughout the entire Yutian Palace.

call!

Hearing this, whether it was the Nine Heavens God or the priests present, they all nodded in agreement!

"Senior sister is right." Jiutian God looked firm, looked around, and said loudly: "I, Jiutian God, swear here, if the Demon Lord Gone is attacked, I will take the lead and fight to the end!"

"I will also follow . Your Majesty, swear to resist the powerful enemy!"

At this moment, the priests of the entire Yutian Palace were also infected, and their blood boiled.

Seeing this situation, the ancestors of Honghuang nodded in relief.

Although the disciple of Nine Heavens God is sometimes too arrogant and selfish, at critical moments, he will still take care of the overall situation.

"Master!"

At this moment, Nuwa thought of something, and couldn't help but said to the ancestor of Honghuang: "The other junior brother, Brahma Emperor, is still trapped in the Immortal Tomb. I don't know what Master plans to do?"

" At that time, Nu Wa's beautiful face showed a bit of worry. She has a soft personality, and whether it is the Nine Heavens God or the Brahma Emperor, she is very caring.

When the words fell, Jiutian God looked embarrassed and bowed his head in shame.

At that time, in order to compete for the dominion of the God Realm, he made a bet with his senior brother Brahma Emperor, which led him to enter the Immortal Tomb. It can be said that Brahma Emperor can be trapped for 30,000 years, and he can't get rid of the relationship.

Now that Master knows the truth, he will definitely punish himself.

Huh...

Just when the Nine Heavens God was secretly frightened, he saw the ancestor of Honghuang sighed and said slowly: "Emperor Brahma, although he has an upright character, but sometimes he is stubborn and trapped in the immortal tomb, maybe he is also The doom."

"Wait a little longer, when he has an understanding in the immortal tomb, the teacher will bring him out."

At this time, the ancestor of the Great Wilderness, his expression was indifferent, and his words were neither happy nor angry, you must know , For an existence like him, whether it is state of mind or Taoism, it has reached a realm unimaginable by ordinary people, and nothing will cause a trace of turbulence in his heart.

Moreover, 30,000 years is out of reach for human beings, but for gods, it is only a matter of time. After all, gods have extremely long lifespans.

Under such circumstances, what happened to the Brahma Emperor may not be able to be relieved for Yue Feng, but to the ancestors of the Great Wilderness, it is just a trivial matter.

"Got it, Master!" Nuwa nodded.

Seeing that Master didn't mean to blame, the Nine Heavens God was also secretly relieved.

At this time, Nuwa thought of something and couldn't help but say: "By the way, what about that Yue Feng? After the master sealed him

Jiutian Xuansheng , how did he arrange it?" He was interrupted by a voice from outside Yutian Palace.

Chapter 3723

"Tsk tsk... Ancestor of the Great Desolation, I haven't seen you for so many years, you are still so powerful."

This voice resounded like a blast of thunder, resounding over the Yutian Palace, and at the same time, the sky and the earth suddenly became dark. After sinking down, in an instant, whether it was the Nine Heavens God or the priests who were still present, they sensed a terrifying force condensing rapidly in the high sky outside the Imperial Palace.

This power is different from the fearful power of the ancient ancestors, but it is full of extreme evil and evil.

Swish!

Hearing this voice, whether it was the ancestor of the Great Desolation, or the God of Nine Heavens, their expressions changed.

Although tens of thousands of years have passed, they are all too familiar with this voice.

It was the Demon Lord Gone.

.....

At this moment, the prison is here.

In the darkened cell, Guiguzi sat cross-legged, his face weak, completely lost his former style.

It has been five days since he was imprisoned by the Nine Heavens God, and I don't know what happened to Yue Feng in the sealed land of the demon clan.

Whoa!

At this moment, the prison door was pushed open, and then, two figures walked in quickly, it was Ao Lin and Yue Feng.

"Yue Feng?"

Seeing Yue Feng, Guiguzi's heart was shocked, and the whole person was stunned.

Oops, there was Ao Lin who came in. Could it be that Yue Feng was also arrested?

"Master!"

At this time, Yue Feng was also very excited when he saw Guiguzi, and rushed over, his face was full of shame: "The disciple is not filial, and the master suffers."

When he said this, Yue Feng felt extremely uncomfortable.

Because he saw that Guiguzi was wearing a dirty robe at this time, his face was pale, how could he still have the demeanor of a generation of masters. You must know that Guiguzi is the first person in the ages. I don't know how many people look up and see it, but at this time, he is so implicated by himself. Can you not feel sad?

Feeling Yue Feng's sadness, Guiguzi smiled slightly and said that he was fine.

In the next second, Guiguzi's face became solemn: "How did you find this place?" As he spoke, he did not forget to glance at Ao Lin next to him. Eyes full of vigilance.

Yue Feng took a deep breath: "Master, I'm here to take you out."

Take me out?

Guiguzi was stunned for a moment, and then said eagerly: "Don't mess around, this is a prison, how do you take me out, leave me alone, hurry up, and return to Kyushu as soon as possible."

Although I don't know how Yue Feng and Ao Lin Together, but Guiguzi knew in his heart that Yue Feng alone would not be able to take him out safely.

After all, this is the Heavenly Prison, and there are countless heavenly soldiers and generals outside, which are heavily guarded.

At this time, Guiguzi didn't know that Yue Feng had changed from a fugitive wanted by the Nine Heavens to a detached Nine Heavens Profound Sage.

call!

Feeling Guiguzi's worry, Yue Feng showed a smile: "Master, you don't have to worry, the matter is over." The

voice fell, and Ao Lin respectfully said: "Your Excellency Xuansheng, this is not the place to talk, let's bring it first. Go out with Mr. Guigu."

Your Excellency Xuansheng?

At this moment, Guiguzi was stunned and looked at Ao Lin with a frown: "What did he call him?"

Ao Lin didn't dare to hide it, and said respectfully, "Mr. Guigu, you don't know, Your Excellency Yue Feng has been named the Nine Heavens Profound Sage, second only to His Majesty the Nine Heavens..."

Seriously, Aolin was Jiutian God's appreciation is also a high authority. If it were otherwise, he would never be so respectful, but Yue Feng is different. He is not only a

Jiutian Xuansheng, but his status is higher than himself, and he is so appreciated by the ancestors of Honghuang. of.

What?

Hearing this, Guiguzi was stunned, staring at Yue Feng, speechless.

Chapter 3724

Yue Feng... turned out to be the Nine Heavens Profound Sage?

A few seconds later, Guiguzi was very happy, patted Yue Feng on the shoulder and said, "Okay, good, as expected of my most valued disciple, and it didn't disappoint me."

At this time, Guiguzi was indescribably happy.

He thought that Yue Feng was doomed this time, but he never imagined that in a blink of an eye, he would become the Nine Heavens Profound Sage.

Delighted, Ao Lin led the way, and Guiguzi and Yue Feng walked out of the prison.

Om...

As soon as I walked out of the Heavenly Prison, I heard a terrifying aura coming from the sky. In an instant, no matter it was Yue Feng, Guiguzi, or Ao Lin, they couldn't help but look up.

At this sight, Yue Feng's heart shuddered, and he took in a breath of cold air.

I saw a huge figure suspended above the vast sky. This figure was over a thousand meters high, like a mountain. Wearing black helmets and black armor, it was filled with a powerful aura, and it was unparalleled.

Especially those eyes, which shone with a sinister red light, making people shudder at the sight of them.

Yue Feng clearly felt that this huge figure was completely transformed from a powerful force, but even so, the powerful pressure that erupted was almost breathless.

At this time, the huge figure was looking down at Yutian Palace from a high place.

Outside the Yutian Palace, the ancestors of Honghuang, the God of Nine Heavens, Nuwa and many priests stood there one by one with solemn expressions.

What the hell!

Seeing this scene, Yue Feng's mind went blank and shocked.

Where is this huge figure sacred? Just a phantom can burst out such a terrifying aura.

"This..."

This, Guiguzi reacted, looked at the huge phantom, and muttered to himself: "Such a powerful demon power, is it the rumored demon?"

Demon?

Hearing this, Yue Feng hurriedly asked, "Master, what kind of demons?"

Since he was called a cultivator, Yue Feng only knew about the realm of the gods, the world of humans, the realm of ghosts and demons, and never knew that there were still demons. It was also the first time I heard it.

Guiguzi took a deep breath, looked at the huge figure in the air, and said slowly: "In legend, after Pangu opened up the world, he died of exhaustion, good thoughts turned into gods, evil thoughts turned into demons... Under the leadership of the ancestor, the demons were defeated, and the demons completely disappeared."

Speaking of this, Guiguzi couldn't hide the shock in his heart: "I didn't expect that the demons were not completely extinct..."

Because the demons were destroyed back then. At that time, human beings didn't exist yet, so in the history of human beings, there has never been a record of demons, but Guiguzi, as the first person through the ages, is familiar with ancient and modern times, so he knows a little bit about it.

However, Guiguzi didn't know that the huge phantom in mid-air was not an ordinary demon, but the Demon Lord Gone.

Hearing this, Yue Feng froze there, unable to recover for a long time.

"Ancestor of the Great Wilderness!"

At this time, Gone in mid-air stared at the ancestor of the Great Wilderness with blood-red eyes: "Didn't you expect that I would come so quickly? Haha, I listened to what you and your apprentice said just now. It's here."

"Today's Divine Realm is no longer as glorious as it used to be. It is too early to stop me and keep me from nine days.

"

At this moment, the ancient ancestor Jingjing and Gone looked at each other, but did not respond.

“Haha...”

Gone sneered and mocked: “What? The dignified ancestors of the great prehistoric didn’t even dare to say a word, wouldn’t it be because of fear, hahaha...” The

mad laughter echoed throughout the world. Echoing, extremely arrogant.

Swish!

When the voice fell, whether it was the Nine Heavens God or the many priests around, they were all furious.

In the next second, the Nine Heavens God finally couldn’t help it and shouted: “Goni, you are just a defeated general of my master, and you are not qualified to let my master take action.”

Chapter 3725

“If you really want to fight, pass me first!” The

voice fell, and the figure of the Nine Heavens God erupted, carrying an unparalleled power, and went directly thinking of Gone.

Speaking of which, facing Gone, Jiutian God was very flustered. After all, the other party was transformed from Pangu’s evil thoughts. The powerful power of the first trial also came from Pangu, but at this time, the other party was just a phantom of remnant thoughts, Jiutian God. Don’t panic at all.

Seeing the Nine Heavens God whistling, Gone snorted coldly, and there was even more disdain in his blood-red eyes.

“I’m talking to your master, what are you doing with your junior? Go away!” The cold words came from Gone’s mouth, and the next second, the huge figure slowly raised his right hand.

hum!

In an instant, the sky and the earth changed, and the wind and clouds were surging, and I saw a blood-colored light beam connecting the heaven and the earth and blasting towards the Nine Heavens God.

Hiss...

what a terrifying power!

Seeing this scene, Yue Feng couldn't help gasping for air, and the whole person was stunned, shocked beyond words. You must know that the strength of the Nine Heavens God, Yue Feng has experienced, is almost unfathomable.

But the power of this huge ghost in front of him is more than ten times stronger than that of the Nine Heavens God, which is unbelievable.

What shocked Yue Feng even more was that this huge ghost, called Jiutian God Junior....

Boom bang....

Just when Yue Feng was shocked, he saw that **** light, which directly slammed into Jiutian. On God, suddenly, a violent aura hit, like a storm, sweeping the whole world.

At the same time, I heard a groan from the Nine Heavens God, and the figure was directly shaken, and finally landed at the gate of Yutian Palace, his face was pale, and he was very embarrassed.

I go!

Just one move to defeat the ruler of God's Domain?

At this moment, Yue Feng only felt that his brain was buzzing and he was completely stupid.

And the many priests standing at the gate of Yutian Palace couldn't help gasping for air!

This Goni, at this time, possessed nothing but a wisp of remnant, and it was truly shocking that such a terrifying power could erupt.

The ancestors of Honghuang and Nuwa also had solemn expressions on their faces.

The next second, Nu Wa took a deep breath and said softly, "Let the disciple deal with him." As she spoke, she was about to urge her figure to rush up, but before she could leave, she was stopped by the ancestors of the Great Wilderness.

"You're not his opponent, I'll do it myself." Ancestor Honghuang said, his figure flashed, and he went into the air to confront Goni from afar.

"Goni, since you haven't completely perished at the beginning, and you still have a trace of life, you should repent completely." After looking at each other for a few seconds, the ancestor of Honghuang said coldly: "Also, you shouldn't come to God's Domain. You don't have a real body. And Demon Soul, you are not my opponent." The

voice was not loud, but it spread all over the world.

“Haha...”

Gone laughed, blood-red eyes full of madness: “What if I can’t beat it, as a Demon Lord, I can do whatever I want, even if it’s not your opponent, I will destroy it. Drop this God Realm.” The

last word fell, and Gone’s figure was like a mountain, directly thinking of the ancient ancestors.

There was no fluctuation on the face of the ancestor of the prehistoric land, and the divine power exploded all over his body, carrying a golden light, and went up to fight against Gone.

boom boom boom...

For a while, I saw the ancestors of the prehistoric and Gone, the terrifying power of the two erupted, violently collided, making the sky and the earth, the sun and the moon gloomy, the rolling dark clouds covered the entire sky, and the entire God Realm was shaking violently, as if it was about to be destroyed. .

Huh....

Seeing this scene, whether it is Nuwa, Jiutian God, or Yue Feng not far away, they are all excited. This level of battle, I am afraid that I have never encountered it once in tens of thousands of years.. In

the blink of an eye, a few hours have passed, and the Great Desolate Ancestor and Gone are still fighting fiercely.

“Goni, it’s over!” After being unable to stand for a

long time, the great ancestor lost his patience, and his mighty voice spread throughout the world, and then he raised his hand and waved, and a golden beam shot out, heading towards Gone.

The ultimate husband in Chinese chapter 3726-3730

Chapter 3726

is a golden plate.

You can see that the golden plate is getting bigger and bigger, and finally the diameter has reached a kilometer. Not only that, on the edge of the golden plate, looming inscriptions flickered.

I go!

what is this baby?

Seeing this situation, Yue Feng was stunned, and his heart was inexplicably agitated.

Yue Feng could clearly see that the golden inscriptions that flashed out were extremely ancient characters, and in the changing of these inscriptions, they seemed to form an extremely powerful magic formation.

And this magic formation, in Yue Feng's "Baiqi God Formation", has never been recorded, and it is very mysterious.

"This..."

At this moment, Guiguzi next to him was extremely excited, his tone trembling: "Could it be... this is the legendary sealing mirror?"

Sealing the magic mirror?

Hearing this, Yue Feng was stunned for a moment, and quickly asked: "Master, what is the magic mirror?"

Guiguzi took a deep breath, concealed his inner excitement, and responded slowly: "The magic mirror was the essence of Pangu back then. It is transformed by Qi, possesses supreme divine power, and can restrain all evil spirits. This is a top-level magic weapon since ancient times, but I never thought that I would be able to see it today."

Hearing this, Yue Feng was extremely shocked.

Who is Pangu? That is the God of Creation. The power of the magic mirror transformed by his essence can be imagined.

"Ancestor of the Great Wilderness!"

This chapter is provided by . Visit for daily update.

At this time, watching the magic mirror coming quickly, Gogne's eyes flashed with madness and disdain: "In addition to being able to use magic tools, what else do you have? You have the ability to fight with me in a dignified manner."

When he said this, Gogne looked fearless, but was very flustered in his heart.

The Mirror of Sealing Magic is made of Pangu's essence, and it specializes in restraining demons. This is its own nemesis.

The next second, Gone wanted to dodge, but his body was too big, like a hill, so he couldn't react quickly, and the magic mirror was extremely fast, so he couldn't dodge at all.

boom!

Finally, the magic mirror came to the front and directly covered Gone.

It was at this moment that the ancestor of the prehistoric world quickly recited the incantation, and saw the magic mirror flashing with a dazzling golden light, and it quickly shrank to the size of a slap and flew back into the hands of the ancestor of the prefecture.

What the hell!

Seeing this scene, Yue Feng was shocked again.

This magic mirror is really a treasure, how can it get bigger and smaller?

Wow...

At the same time, the Nine Heavens God and the many priests around him burst into jubilation.

"Master's magical powers are truly admired by the disciples." Jiutian God smiled and praised sincerely.

The voice fell, and the surrounding priests also opened their mouths to respond.

"Thanks to the ancestors for successfully subduing the Demon Venerable..."

"The ancestors' magic power is boundless, shocking ancient and modern."

Under the compliments of many priests, Nuwa's face was calm.

When the prehistoric ancestor landed, Nuwa greeted him and said earnestly: "Master, since the Demon Lord Gone has been included in the magic mirror, we should act decisively and completely destroy him." The

prehistoric ancestor shook his head: "As my teacher, I said before that the Demon Lord Gone is the illusion of Pangu's evil thoughts, and he can't kill him at all. The only way is to suppress him in the depths of the ghost world."

Saying that, the ancestors of Honghuang waved at Yue Feng not far away.

Chapter 3727

Yue Feng was stunned and walked over quickly.

When he got to the front, Yue Feng couldn't hide his doubts, and said to the ancestor of Honghuang: "Senior ancestor, what is your order?"

"Yue Feng!" The

ancestor of Honghuang handed the magic mirror to Yue Feng with a serious face: "Yue Feng, after you return to Kyushu, be sure to bring the magic mirror into the depths of the underworld."

"Next, I will pass you a few seal formulas, remember, don't make any mistakes, once Gone escapes Out of the magic mirror, the consequences will be unimaginable."

Phew...

Hearing this, Yue Feng couldn't help taking a deep breath, and suddenly felt a heavy pressure.

He never thought that the ancestors of Honghuang would entrust such an important matter to himself.

"Master!"

Seeing this situation, Jiutian God was very unhappy: "This time is no small matter, it is better to let the disciples send people to the ghost world to make sure nothing goes wrong. Yue Feng is just a human being."

When saying this, Jiutian God looked at Yue Feng's eyes with a bit of contempt.

The matter of sealing the Demon Lord Gone is no trivial matter, and I don't know how capable this kid is, so that Master can value it so much.

The ancestor of Honghuang frowned and said lightly: "I have already confirmed this matter." As

soon as the voice fell, Nuwa said: "Yue Feng is now the Nine Heavens Profound Sage, responsible for the affairs of the gods and the human world, let him do the most suitable thing to do."

Seeing that Senior Sister also said the same, although Jiutian God was very unconvinced in his heart, he couldn't say anything else.

Um...

At this moment, the ancestor of Honghuang trembled, and his face was a little pale. He had a fierce battle with Gone just now. Although he won a big victory, he also hurt a lot of vitality.

“Master...”

At this moment, whether it was Nuwa or Jiutian God, they couldn't help exclaiming, and at the same time went up to help the ancestors of Honghuang.

The ancestor of Honghuang shook his head, indicating that he was fine: “From now on, I need to retreat and retreat, there is no important thing, don't disturb me rashly, okay, everyone is gone.”

Said, the ancestor of Honghuang looked at Yue Feng, instructed: “Don't make any mistake about the Demon Lord Gone.” “Understood

!” Yue Feng nodded solemnly.

The ancestors of Honghuang explained some things and began to retreat.

A few minutes later, Yue Feng, Nuwa, and Guiguzi said goodbye and returned to the mainland of Kyushu through the portal.

hum.

At the moment when the light of the portal enveloped Yue Feng, Yue Feng was indescribably excited and excited.

Kyushu Continent...my Yue Feng is coming back!

.....

On the other side, the continent of Kyushu, the main altar of the Heavenly Dao Alliance.

In the main hall, Luo Jue was sitting on the throne with a smile on his face, and the heads below were also delighted.

Half a day ago, Luo Jue brought the members of the Tiandao Alliance and returned triumphantly. This time, he succeeded in subduing the entire Qinglong family. Can you be unhappy?

“Haha...”

At this moment, there was a burst of laughter from outside the hall, followed by a figure walking in slowly, dressed in a purple-gold dragon robe, with extraordinary extravagance, it was King Guangping.

Arriving in the main hall, King Guangping bowed deeply to Luo Jue: "I heard that the Tiandao Alliance has broken Shenlong Island and forced the Qinglong family to surrender. It's really gratifying." After

speaking, King Guangping's eyes flashed with ambition, and continued: "This matter has spread throughout the entire Kyushu, it is better to take the opportunity to subdue those royal families and sects who refuse to submit." The

voice fell, and the other heads of the present also nodded in agreement.

"Yes, at this time our Tiandao Alliance is at a time when morale is high."

Chapter 3728

"Furthermore, now we still have the help of the Qinglong clan to defeat Tianmen and those major sects in Huaguoshan. It can be said that it is easy to do."

Everyone's comments kept coming, Luo Jue sat there, but it was calm.

"Everyone!"

After a few seconds, Luo Jue took a deep breath and said with a smile, "We, the Heavenly Dao Alliance, follow the Heavenly Dao, and attack other sects rashly is very inappropriate. In this way, immediately prepare a celebration feast and invite Tianmen and Huaguoshan. The sects will participate, and when the time comes, let the Qinglong clan come out to shock the scene, and these sects will understand what is going on."

Phew...

Hearing this, King Guangping and the head of the present were stunned, and then They all smiled.

"Miao, Your Excellency Tianzun, I want to use the Qinglong family to deter the sects of Tianmen."

"Miao..."

Half an hour later, the news of the Tiandao League holding a celebration feast soon spread throughout the entire Kyushu. Immediately, Tianmen, Huaguoshan, and other sects that were not incorporated into the Tiandao Alliance received invitations.

.....

a day later. Dragon Island!

At this time, Shenlong Island was already desolate. After Xiandi agreed to surrender, she took the Qinglong family and followed Luo Jue to the Tiandao Alliance.

Whoosh!

At this moment, a figure descended from the sky and slowly landed on the main hall of Shenlong Island.

The man is tall and straight, with a unique temperament around him, it is Yue Feng.

When he returned to Kyushu, Yue Feng wanted to rush to the Ouyang family as soon as possible, but when he thought of the instructions of the ancestors, he immediately came to Shenlong Island. You must know that there is a deep well on Shenlong Island. The deep well is connected to the road of the soul. to the ghost world.

I go!

At this moment, looking at Shenlong Island in front of him, Yue Feng was stunned.

Yue Feng saw that Shenlong Island was deserted at this time, there was no one person in sight, the majestic hall in front of him was even more dilapidated, and there were traces of battles all around. Obviously, there was a war here.

what's the situation?

At this moment, Yue Feng only felt that his brain was buzzing, and he was suddenly stunned.

Shenlong Island is well-defended, and the fighting power of the Dragon Clan is amazing. Who has such great ability to make Shenlong Island like this?

Also, where have the Qinglong clan gone?

After being stunned for a few seconds, Yue Feng recovered.

Forget it, it's important to send the magic mirror to the ghost world first.

Muttering in his heart, Yue Feng found the deep well, passed through the enchantment seal outside, and jumped in directly.

After a few minutes, Yue Feng stepped on the ground with his feet, and finally came to the road of the ghost. The ghostly wind around him was frightening, but Yue Feng had the primordial spirit at this time, so he didn't panic at all.

Yue Feng has never been to the ghost world, but under the powerful induction force, he quickly locked the direction of the ghost world.

Huh...

After walking for about half an hour, Yue Feng finally saw that the outline of a huge city appeared in front of him. He saw that there were many underworld soldiers standing on the city gate, and around the city, there were also many soldiers. Many ghost soldiers are patrolling.

Unexpectedly, this ghost world is also so heavily guarded.

Thinking about it, Yue Feng walked straight to the gate of Mingdu City.

“Stop!”

As soon as he reached the gate of the city, Yue Feng was stopped by several underworld soldiers.

The leader of the underworld soldiers looked at Yue Feng up and down, and said coldly: “Where are the wandering ghosts and wild ghosts, sign up!”

This general was called Gongcheng, and he was the general defending the city of Mingdu. And the Pluto in his mouth is Bing Yao.

Chapter 3729

Three years ago, Duan Yu was killed by Yanhong who absorbed the power of Hades, and the underworld was in a state of no owner for a while. Later, Bingyao returned to the underworld and established himself as the new Hades.

Bing Yao was originally the underworld queen of the ghost world, with a supernatural status. When she established herself as the new underworld king, no one in the entire underworld dared to object.

After Bingyao came to power, many new regulations were drawn up, especially Mingdu was even more heavily guarded.

call! Facing the inquiry, Yue Feng looked relaxed and said, “I’m not a wandering ghost, I’m from the mainland of Kyushu, and I want to go into the depths of the underworld to do something.”

Not a ghost?

Hearing this, whether it was Gongcheng or the soldiers around him, their expressions changed.

In the next second, Gongcheng sneered and said coldly: “You are so bold, as a human, have you thought about the consequences of trespassing in the ghost world?” The

voice fell, and the surrounding underworld soldiers immediately dispersed, surrounding Yue Feng. up.

A human wants to enter the depths of the underworld? So suspicious.

“Don’t get excited...”

Seeing this situation, Yue Feng couldn’t help laughing and crying, and slowly explained: “I do have important things, my name is Yue Feng, and I was named the Nine Heavens Profound Sage by the ancestors of Honghuang. I am going to the depths of the underworld. Sealing the Demon Lord Gone, the situation is critical and urgent...”

When he said this, Yue Feng looked relaxed and relaxed.

He is the Nine Heavens Profound Sage, and his status is second only to the Nine Heavens God. The guard of the underworld in front of him should not be presumptuous.

Great Ancestor? Nine Heavens Profound Sage? Demon Venerable...

what’s all this mess? This kid is crazy.

Hearing this, Gongcheng and the surrounding underworld soldiers frowned.

“Bold!”

Soon, Gongcheng reacted first, with a gloomy face, and shouted at Yue Feng: “What a daring guy, not only wants to infiltrate the Mingdu, but also full of nonsense, just like you, what dare you call yourself? Nine Heavens Profound Sage? Come on, arrest him and bring him to the King of Pluto.”

Yue Feng was named Nine Heavens Profound Sage by the ancestors of Honghuang, and the news has not yet reached the ghost world, and Gongcheng is just a small guardian of the underworld. City officials, naturally do not know.

At this time, Gongcheng determined that Yue Feng was a human who had entered the ghost world by mistake.

hula.

As soon as the voice fell, more than a dozen underworld soldiers rushed up.

Hades?

At this moment, Yue Feng was thinking of resisting, but when he heard Gong Cheng’s words, he was stunned. Duan Yu claimed to be the new Hades, but at the summit of Kunlun, Yan Hong had swallowed all his power and vanished into ashes.

Could it be that the reputation of this city guard is someone else?

Thinking to himself, Yue Feng gave up the interruption and let these underworld soldiers be tied up.

Yue Feng thought about it, since there is a new Hades in the ghost world, it is better to say about the seal of the Demon Lord Gone!

Soon, Gongcheng brought more than a dozen underworld soldiers and drove Yue Feng into the underworld capital city.

call!

The moment he entered Mingdu City, seeing the scene in front of him, Yue Feng couldn't help taking a deep breath.

I saw that there were many shops in the entire Underworld City, which seemed to be very lively, but all of them were ghosts, each with a miserable face, and it was heart-wrenching to look at.

Seeing such a scene, Yue Feng couldn't help thinking of Wen Chou Chou in his mind.

Back then, Brother Wen strayed into the ghost world and was forced to be called the messenger of Pluto. Later, he was imprisoned for a long time because he angered Pluto. It is hard to imagine how much Brother Wen suffered in such a place.

At this time, in the Great Hall of the Underworld.

Bing Yao, dressed in a black robe, sat on the throne, with no expression on her delicate face.

On the two sides below, the messengers of Pluto, as well as the ghosts, stood there neatly, each with a solemn expression!

Half a month ago, news came from the Kyushu mainland that God's Domain sent an envoy named Luo Jue to set up the Heavenly Dao Alliance to rectify the situation in Kyushu. Bingyao was very calm when she learned of the situation.

The ghost realm has always had little contact with the realm of the gods, so what the realm of the gods does, Bing Yao is too lazy to worry about it.

But half a day ago, the Heavenly Dao Alliance actually broke the Shenlong Island and forced the Qinglong clan to surrender. At this time, Bing Yao couldn't sit still.

You must know that the Qinglong family has quite a relationship with Yue Feng, and in Bing Yao's heart, Yue Feng is regarded as a benefactor. If it wasn't for Yue Feng, Bing

Yao might still be trapped. At this time, when Yue Feng's allies were in trouble, Bing Yao naturally couldn't calm down.

Chapter 3730

"Everyone."

At this time, Bing Yao frowned slightly, looked around and asked, "The Qinglong family has been subdued by that Luo Jue. According to the news, this Luo Jue will still have to deal with Tianmen and Huaguo. What do you think of these sects, these things?"

Huh...

hearing this, the messengers below, as well as the many ghosts, all looked at each other, but none of them came out. Finally, a messenger came out and said in a complicated tone

: "These are all matters related to the Divine Realm and the Kyushu Continent. I don't think there is any need for us in the ghost realm to intervene..."

"Your Majesty!"

After shouting, Gongcheng walked in quickly, knelt down towards Bing Yao, and said respectfully: "Gongcheng, see your Majesty."

Bing Yao frowned, her beautiful face showed a bit of displeasure: "Gongcheng, as the guardian of the Underworld, what are you doing in the hall if you don't go on patrol?"

Shuh!

In an instant, all the eyes around him were focused on Gong Cheng.

Gongcheng scratched his head with an embarrassed look on his face, and hurriedly said: "Your Majesty, this subordinate has something important to report. Just now, at the gate of the city, my subordinate caught a human who sneaked in. This person is full of nonsense, calling himself Nine Heavens Profound Sage. , said he was going to enter the depths of the underworld..."

"My subordinates have already caught people, and they are tying them up outside the hall first."

Wow.

The voice fell, and there was a lot of discussion in the entire hall.

"Nine Heavens Profound Sage?"

“The name is quite intimidating, but why have you never heard of it?”

“It won’t be the messenger of the gods, the spy sent to meddle in the affairs of our ghost world, right?” The

discussion kept coming, and Bing Yao’s beautiful face instantly became solemn, and then she said coldly to Gongcheng. : “Put the person up.”

“Yes, Your Majesty!” Gong Cheng responded and walked out quickly.

After a few seconds, Gongcheng came back, with a man in a bundle.

It is Yue Feng!

Swish!

At this moment, the eyes of everyone in the hall focused on Yue Feng.

Yue Feng?

Seeing Yue Feng, Bing Yao’s delicate body trembled, and she was suddenly dumbfounded.

He... wasn’t he caught in the vortex of chaos? Are you blindsided?

Thinking to herself, Bing Yao rubbed her eyes and looked again, feeling both excited and happy.

It’s really Yue Feng, he’s not dead...

FUCK!

At this moment, when Yue Feng saw Bing Yao, he also stood there dumbfounded.

Bing Yao? The new Hades turned out to be her?

I haven’t seen each other for three years, this Bing Yao is even more temperamental.

At this time, Bing Yao, although wearing a black robe, couldn’t hide her exquisite curves, her facial features were exquisite and charming, especially the icy aura that kept her from a thousand miles away, which was simply intoxicating.

Um?

Seeing this scene, Gongcheng was stunned, and his mind was full of questions.

This... what's the situation? Why did His Majesty see this man with this expression?

Does... His Majesty know him?

Thinking about it, Gongcheng's heart beat faster, and he suddenly became a little nervous.

"Bingyao."

Finally, Yue Feng reacted and looked at Bingyao with a smile: "It's been a long time, don't come here. I didn't expect you to become the new Hades. Congratulations."
