

## The ultimate husband in Chinese chapter 3731-3740

Chapter 3731

What?

Hearing this, Gongcheng's heart was shocked, and he was completely stupid. He stared at Yue Feng blankly, speechless and full of fear.

What does this man call your majesty? Bing Yao?

He actually called His Majesty's name...

"Yue Feng!"

Just when Gong Cheng was stunned, he saw Bing Yao's face full of joy, and quickly stood up from the throne.

The next second, Bing Yao walked quickly to Yue Feng, looked at it carefully, and said softly: "It's really you, you didn't die, it's really incredible."

When she said this, Bing Yao was absolutely beautiful. There was a happy smile on his face.

Speaking of which, Bing Yao has a cold and arrogant personality. No matter who she treats, she always looks cold and arrogant, but she is an exception to Yue Feng.

Yue Feng?

At this moment, whether it was Gongcheng, the surrounding messengers, and those ghosts, they were all stunned and shocked.

This person is Yue Feng, who is famous in the Kyushu Continent?

Three years ago, wasn't he involved in the vortex of chaos, and his life and death were unknown?

"Gongcheng."

At this moment, Bing Yao tilted her head and looked at Gongcheng quietly: "This man is Yue Feng, he is my friend and a hero of the Kyushu continent, you are indiscriminate, Do you know the guilt for tying him up?" The

voice was not loud, but there was a suffocating majesty.

Swish.

Gongcheng was sweating profusely, he quickly knelt down, and stammered: "Your Majesty, the crime of the minister!"

Immediately, Gongcheng said to Yue Feng ashamed: "Your Excellency Yue Feng, I have eyes but don't know Mount Tai. Your lord doesn't remember villains, forgive me for my mistakes." To

be honest, Gongcheng is the guardian of Mingdu. , in the ghost world, his status is extraordinary. If it were someone else, he would never apologize so humbly and admit his mistake, but Yue Feng is different. This is a famous figure in the Kyushu continent, and he is a friend of His Majesty. Do you dare to apologize?

Seeing Gongcheng's terrified face, Yue Feng waved his hand and said with a smile: "You don't have to be so panic, don't blame those who don't know..."

"Thank you, Your Excellency Yuefeng." Gongcheng wiped the cold sweat off his forehead, and felt a lot of relief in his heart. breathed.

Immediately, Gong Cheng quickly exited the hall.

"Yue Feng!"

At this moment, Bing Yao smiled lightly and asked Yue Feng, "What the hell is going on? How did you escape from the chaotic whirlpool and return to the Kyushu continent?"

Yue Feng took a deep breath , said with a wry smile: "That's a long story!" In the next ten minutes, Yue Feng explained his own experience in detail.

Wow....

Knowing this, whether it was Bing Yao, the envoys around, and those ghosts, they all stood on the spot.

Shocked, utterly shocked.

Yue Feng actually became the Nine Heavens Profound Sage, second only to the Nine Heavens God!

The entire hall was silent.

Looking at Bing Yao and the expressions around him, Yue Feng smiled, took out the magic mirror on his body, and said with a serious face: "The Demon Lord Gone is very evil, so the ancestors of Honghuang asked me to come and bring the magic mirror into

the In the depths of the netherworld, suppressing it is no trivial matter, and it cannot be delayed for a moment.”

Hearing this, Bing Yao reacted and nodded again and again: “I will accompany you immediately.”

Saying that, Bing Yao personally took Yue Feng into the depths of the netherworld and suppressed Gone in the magic mirror.

After doing this, Bing Yao and Yue Feng returned to the main hall.

“Yue Feng!”

Just sitting down, Bing Yao’s beautiful face showed a bit of solemnity: “You just returned to the mainland of Kyushu, you should not know that something happened to Shenlong Island?”

Shenlong Island?

Chapter 3732

Hearing this, Yue Feng was stunned for a moment, and quickly asked, “What happened to Shenlong Island?” His tone was somewhat urgent.

Bing Yao let out a light sigh of relief: “Half a month ago, God’s Domain sent a messenger named Luo Jue to establish the Heavenly Dao Alliance to rectify the entire Jiuzhou rivers and lakes. At that time, many sects joined.”

“This Luo Jue’s city is very deep . Two days ago, Luo Jue led the Tiandao Alliance to attack Shenlong Island. After a fierce battle between the two sides, the Qinglong family was defeated and surrendered to Luo Jue.”

“Just now, I called my subordinates to discuss how to intervene in these matters. , I didn’t expect you to come back.”

What?

Upon learning of these circumstances, Yue Feng’s expression changed.

The Qinglong family actually surrendered to that Luo Jue? No wonder the entire Shenlong Island is so desolate.

However... the Qinglong family is powerful, how could a small messenger of the god’s domain force them to surrender by force? There must be something odd about this.

Thinking to himself, Yue Feng smiled slightly at Bing Yao: "Bing Yao, thank you for telling me this, I'm going to leave, we have a chance to reminisce."

When he said this, Yue Feng looked indifferent, but his heart was incomparable. anxious.

Unexpectedly, after walking for so long, so many changes have occurred in the Kyushu mainland.

...

On the other side, the Ouyang family!

In the hall, Sun Dasheng, Wen Chouchou, and Ren Yingying were all sitting there with solemn expressions, and the atmosphere in the entire hall was extremely depressed.

A day ago, the news that Shenlong Island was breached by the Heavenly Dao Alliance came, and the entire Ouyang family was in an uproar. Whether it was Wen Chou Chou or Sun Dasheng and others, they couldn't believe that the mighty Dragon Clan was defeated.

Just now, the Tiandao Alliance sent someone to send an invitation to invite Tianmen, Huaguoshan, and Changsheng Hall to participate in the celebration feast. At that time, Wen Chou Chou realized that this matter was no trivial matter, and hurriedly called everyone to discuss it.

"Uncle Wen."

Yue Wuya was the first to speak about this matter: "Do we want to go to the Celebration Banquet of the Tiandao Alliance?"

Although Yue Wuya is already the sect master of Tianmen, he still often asks Wen Chou Chou on important matters.

As soon as the words fell, Ren Yingying said seriously: "This is a Hongmen banquet. If we enter, it will be very dangerous. Luo Jue has ulterior motives and will definitely not let us off easily."

Wen Chou Chou nodded in agreement: "Yes, Tiandao Alliance. After subduing the Qinglong clan, the power has grown, and then it is time to deal with us."

"What are you afraid of?"

At this moment, Sun Dasheng was dissatisfied and shouted: "Tell me, let's go to this celebration ceremony, After all, we are also the three famous sects in Kyushu, if we are afraid, wouldn't we make the world laugh?"

“The big deal, then we will fight that Luo Jue to the death.”

Hearing this, Wen Chou Chou couldn't help but say: “Great Sage, calm down. Luo Jue has already recovered the Qinglong clan. If we start a war with him, do you think there is a chance to win?”

“

The girls and Xiao Yuruo also nodded.

“Yeah, don't be too impulsive!”

“Brother Wen is right, let's discuss how to deal with this matter.”

Hearing everyone's words, Sun Dasheng was very angry and muttered: “Then you say , what should we do? Should we go or not.”

This...

For a time, everyone looked at each other in dismay, and there was no proper way. The entire hall was silent.

“Go, why not?”

At this moment, a magnetic and loud voice came from outside the hall.

Swish!

Hearing this voice, whether it was Wen Chou Chou, Ren Yingying and everyone else, their hearts were shocked.

This...this voice....

is him! ! !

Chapter 3733

Whoever was present, whether it was Wen Chou Chou and Sun Dasheng, or Ren Yingying and Xiao Yuruo, were the people who were the closest to Yue Feng, so it was obvious at once that it was Yue Feng's voice coming from outside.

Whoa!

The next second, in shock, everyone got up and walked quickly outside the hall.

hum!

Outside the hall, everyone was stunned when they saw the scene in front of them, their minds were blank, and their eyes were instantly rosy!

I saw a handsome and tall figure standing quietly outside the hall, with a handsome and cold face, with a somewhat cynical smile, not Yue Feng, who else?

This...

is this Yue Feng?

Are you dreaming....

At this moment, whether it is Wen Chou Chou, Sun Dasheng, or Ren Yingying's daughters, they are all stupid. At that time, a few rubbed their eyes in disbelief and looked again.

That's right, it's really Yue Feng, it's Yue Feng!

He's not dead..

I didn't read it wrong. He really didn't die, and he came back alive..

"Brother Wen! Great Sage! Yingying, Yuruo..."

At this moment, Yue Feng's eyes slowly looked over. Sweeping over the person, I was also full of emotion, my eyes were sore, and I almost shed tears.

For more than three years, in these three years, Yue Feng has always wanted to return to the mainland of Kyushu to reunite with his family. At this time, his wish was finally fulfilled.

"Fengzi!"

"Fuck..."

Hearing Yue Feng's voice, Wen Chou Chou and Sun Dasheng reacted, and Qi Qi responded with incomparable surprise and joy on their faces.

The next second, Wen Chou Chou and Sun Dasheng came up almost at the same time, and hugged Yue Feng's neck from left to right.

"Fengzi, is it really you? Great, great..." Wen Chou Chou said excitedly. Speaking of which, Wen Chou Chou was calm, but when he saw Yue Feng returning safely, he was almost excited. speechless.

Sun Dasheng was also very excited, raised his hand and hammered Yue Feng's shoulder a few times, and scolded with a smile: "Fengzi, I'm not dreaming, haha... You actually came back, do you know that brother Wen and I are in Kunlun. On the top of the ruins, a stone monument was built to commemorate you."

"Grandma, I cried for a long time at that time, no, you must invite me to drink a few drinks to make up for it."

When saying this, Sun Dasheng said with a smile on his face. He smiled, but there were tears in his eyes.

Three years ago, I thought that Yue Feng was in the vortex of chaos, and there were no bones left. I never thought that Yue Feng came back safe and sound. After experiencing such great sadness and joy, even a man like Sun Dasheng could not restrain his emotions.

"Haha.."

Hearing the words of Wen Chou Chou and Sun Dasheng, Yue Feng was moved, but also indescribably warm, and laughed loudly: "It's me, I'm back, Dasheng, don't talk about a few drinks, just every day it's okay to invite you to drink, but I'm afraid you won't be able to drink me." The

three brothers hugged each other tightly, looking at each other and laughing.

"Yue Feng?"

At this moment, a soft voice came, trembling slightly.

It was Ren Yingying.

Seeing this, Wen Chou Chou and Sun Dasheng immediately stepped aside.

Yue Feng took a deep breath and looked at Ren Yingying with a smile: "Yingying..."

Chapter 3734

Ren Yingying's delicate body was trembling, she walked slowly, her delicate face was full of disbelief: "Yue Feng, is it really you? I...I'm not dreaming!" As

she said, Ren Yingying walked away. Come over, raise his jade hand and gently stroke Yue Feng's face, look at this, look at that, his eyes are full of expressions and thoughts.

"Yingying...it's me..." Yue Feng's nose was sour, he couldn't help holding Ren Yingying's hand, his voice was a little hoarse, and he couldn't stop crying.

After three years of absence, Yingying lost a lot of weight. For so long, she really suffered.

“Wow...”

Hearing Yue Feng's voice, Ren Yingying couldn't bear it any longer, she couldn't help herself, she suddenly fell into Yue Feng's arms, and couldn't help crying: “Yue Feng, I thought I will never see you again.. I miss you so much.. I miss you so much...”

Three years!

For three full years, during these three years, Ren Yingying often sat in the garden of the Ouyang family, recalling the scenes with Yue Feng, and occasionally fantasized that Yue Feng was involved in the chaotic whirlpool, which might be a disaster. , looking forward to one day Yue Feng will stand in front of him.

But three years later, these fantasies finally came to nothing.

Later, Ren Yingying no longer fantasized, she knew that Yue Feng might never come back. A month ago, Miao Ying suddenly appeared and said that Yue Feng was still alive. The day has come.

At this time, Yue Feng really came back, and all his thoughts turned into tears!

“Okay, okay..” Yue Feng hugged her tightly, feeling unspeakable guilt.

“Wow!”

At this moment, Xiao Yuruo, Long Qianying, Su Qingyan, and Er Qing who were next to her couldn't hold it any longer.

Whether it was Xiao Yuruo or the girls of Long Qianying, they felt the warmth on Yue Feng's body at this time, and they were all overjoyed to be sure that he was alive. Tears kept falling out!

Just like Ren Yingying, Xiao Yuruo has Together with Long Qianying, Su Qingyan, and the little fairy Erqing, when it was quiet at night, they began to miss Yue Feng.

And now, the man who had dreamed of seeing him suddenly came back, and all the girls couldn't help it.

His man didn't die, he didn't die...

At this moment, all the women hugged Yue Feng tightly, all their delicate bodies were trembling, tears blurred their vision.

“Husband, do you know how much Qingyan misses you? Do you know...”

“I never believed that you were dead. I dream of you every day...”

“Yue Feng, do you know? Our child was born. , I named him Yue Huaixian...”

At the same time of excitement, all the girls were talking about their lovesickness. Hearing this, Yue Feng felt extremely uncomfortable.

At the same time, Yue Feng felt extremely happy.

To be missed by so many confidantes, I am really the luckiest man in the world.

Thinking to himself, Yue Feng said, “I’m sorry, it’s all my fault.” As

he said that, Yue Feng raised his hand to help the girls wipe away the tears on their faces, smiled and comforted: “It’s all my fault, let me You are so miserable, but now that I’m back, I swear, I’ll never be separated from you again.”

Huh...

Hearing this, Ren Yingying and Xiao Yuruo’s girls stabilized their emotions one by one. It was at this moment that they suddenly realized that so many people around them were watching, and they quickly released their hands that were holding Yue Feng, their faces blushing. endlessly.

“Fengzi, come in quickly!”

At this time, Wen Chou Chou greeted with a smile: “You have been here for three years. You must tell us what you have experienced.” The situation was explained again, but Wen Chou Chou couldn’t hold back his curiosity.

The words fell, and Sun Dasheng also shouted: “Yes, Miss Miaoying said that you are trapped in the realm of the gods, tell us quickly, what’s going on.”

### Chapter 3735

Yue Feng smiled and returned to the hall with everyone.

After everyone sat down, Yue Feng told everything he had experienced in God’s Domain.

Of course, Yue Feng didn’t say anything about his being named the Nine Heavens Profound Sage and the Demon Lord Gone. You know, these things are too shocking, so Yue Feng decided to hide it from everyone for the time being.

Huh...

Hearing this, whether it was Wen Chou Chou or Ren Ying Ying and everyone else, they were all stunned for a long time.

“Fengzi!”

Finally, Wen Chou Chou recovered, and looked at Yue Feng with emotion: “You are really lucky, your identity was exposed by the God Realm, and the Nine Heavens God did not punish you, but let you go back Kyushu Continent.”

Yue Feng smiled and said, “Speaking of which, Master Guiguzi has more face. Otherwise, I may have to spend some days in God’s Domain.”

Since Jiutian Xuansheng didn’t say anything, Yue Feng simply concealed it. Guiguzi was implicated because of himself.

Hearing this, Wen Chou Chou didn’t ask any more questions.

After all, Guiguzi is the most amazing person in the past, and it is reasonable for the Nine Heavens God to see his face and let Yue Feng return to Kyushu.

“Yue Feng!”

At this time, Su Qingyan, who was sitting next to him, looked at Yue Feng with a smile, and couldn’t hide the expression in his eyes: “When you came back just now, you said that you promised to attend the Celebration Banquet of the Heavenly Dao Alliance, don’t you? You all know what happened in Kyushu during this period of time?” The

voice

fell, and the eyes of everyone around focused on Yue Feng’s face, waiting for his answer.

Yue Feng took a deep breath and nodded: “Of course you know, don’t forget, I have always been with Master Guiguzi in God’s Domain. Master is a master of fortune-telling and knows everything, so what happened in the Kyushu continent, You can’t hide it from me.”

Hearing this, everyone was stunned.

At this moment, Sun Dasheng couldn’t help saying: “Fengzi, since that’s the case, you should know that Luo is not easy to deal with...”

Before he finished speaking, Yue Feng interrupted with a smile: "It's okay. Son, I'm not afraid of the Nine Heavens God, and I'm still afraid of a little messenger from the divine domain?"

"Okay!"

Seeing Yue Feng's decision, Wen Chou Chou nodded and said, "In that case, let's go together!"

Yue Feng shook his head: "No, we're not going to fight, we don't need to go to so many people, when the time comes, I'll be alone." When he said this, Yue Feng looked relaxed.

He is the Nine Heavens Profound Sage, second only to the Nine Heavens God, and he is not afraid of Luo Jue's tricks.

What?

At this moment, both Wen Chou Chou and Ren Ying Ying were stunned.

In the next second, Ren Yingying's delicate face was full of solemnity: "This is absolutely impossible, then Luo Jue has ulterior motives, you are too dangerous alone." The

voice fell, and everyone around nodded.

"Yeah, it's too dangerous for you to be alone!"

"It's absolutely impossible."

"You finally came back, you can't take any more risks..."

Hearing everyone's words, Yue Feng was very moved, and immediately discussed with everyone, and finally had to agree and let Su Qingyan accompany him.

.....

On the other side, the Yellow Sea Continent.

In the southeast of the Yellow Sea Continent, deep in a mountain, there is a valley isolated from the world.

This valley has beautiful scenery and is surrounded by a virgin forest. Because of the high and steep mountains, it is inaccessible.

This valley is called Cloud Valley because the sky is surrounded by clouds and mist all the year round.

In the depths of Yungu, there is an antique Jian ethnic group. Here, it is the most mysterious family in the Yellow Sea Continent, Baiyun Villa!

Baiyun Villa has been passed down for thousands of years and has a profound background. It can be said that in the rivers and lakes of the Yellow Sea Continent, there is hardly a sect that can compare with the long history of Baiyun Villa.

## **The ultimate husband in Chinese chapter 3736-3740**

### Chapter 3736

However, Baiyun Villa has been living in seclusion in Yungu and has never communicated with rivers and lakes, so very few people know about it.

The current patriarch of the Baiyun Mountain Villa is named Baihe. He is in his sixties, and his cultivation is unfathomable. Moreover, in the Qimen Dunjia technique, he also has extremely high attainments.

Among the patriarchs of Baiyun Villa, Baihe is definitely outstanding.

At this moment, Baiyun Villa is quiet and peaceful.

On the square behind the manor, the disciples of the Baiyun family were lining up neatly, trying to practice martial arts. Bai He sat on a chair beside him, giving pointers from time to time.

Buzz!

At this moment, in the forbidden area of the manor not far away, there was a burst of strong vibrations. This vibration caused the entire Yungu to shake violently, as if there was an earthquake.

what's the situation?

In an instant, many disciples who were cultivating stopped one by one, with complex expressions and inexplicable fear.

And Bai He, who was sitting there, also had a solemn expression on his face.

At this moment, a clan elder walked over quickly and respectfully said to Bai He: "Patriarch, within the forbidden area, there is a sudden tremor. Could it be that there are treasures in the world? In the past twenty years, every time treasures appear in the Kyushu continent, they must A vision has happened!"

Whoosh!

The voice fell, and the whole square suddenly burst into a heated discussion. Those disciples were all excited and inexplicable, and their eyes all converged on Bai He.

It would be great if there were treasures under Baiyun Villa.

Under everyone's attention, Bai He looked indifferent, shook his head and said, "What treasure? Don't talk nonsense, maybe there is a problem with the formation I researched."

This chapter is provided by . Visit for daily update.

When he said this, Bai He's expression was calm, but his eyes showed a bit of complexity.

Huh...

Hearing this, everyone around was secretly sighing, feeling a little lost.

It turned out that the patriarch was studying the formation in the forbidden area, and Bai was happy.

"Father!"

At this moment, a handsome figure walked quickly from the front hall, with sharp-cut facial features and a graceful demeanor, about twenty-five grades.

It is Baihe's only son, the young owner of Baiyun Villa, Bai Yunfei.

Bai Yunfei is intelligent since he was a child, and is a rare cultivation genius. When he was fifteen years old, he broke through the Emperor Wu. His current strength is even more unfathomable. , As a result, Bai Yunfei can't go out and venture out, otherwise, the rivers and lakes of the Kyushu continent must be a different pattern.

When he got to the front, Bai Yunfei asked Bai He, "Father, there is a sudden vibration in the forbidden area, what's the matter?"

"No big deal!"

Bai He said lightly: "Maybe something happened to the formation I was studying, let's go. Come and see me!"

After that, Bai He looked around: "Everyone continue to practice, don't be lazy."

After speaking, Bai He took Bai Yunfei and walked towards the forbidden area behind.

Um?

Soon, when he reached the secret room in the forbidden area, Bai Yunfei was stunned.

I saw that everything in the secret room was normal, and the formation deployed by my father was intact, and it didn't look like it had experienced a shock at all.

Under the doubts, Bai Yunfei couldn't help but ask: "Father, there is nothing wrong with this. The formation is good, where did the vibration just now come from?"

Bai He looked solemn and did not respond. Instead, he walked slowly to a wall and opened the hidden mechanism.

Kachacha... The

next second, the mechanism was triggered, and a secret passage appeared slowly in front of me.

This...

Seeing this secret passage, Bai Yunfei was stunned. He grew up so big, and I have been to this secret room many times. This is the first time I know that there is a secret passage hidden here.

Chapter 3737

Bai He took a deep breath and said lightly: "Don't ask more, come with me!"

At this time, Bai He had an unprecedented solemnity on his face.

Saying that, Bai He walked into the dark passage first.

Bai Yunfei looked suspicious, but he didn't dare to ask any more questions, so he quickly followed.

hiss!

After entering the dark passage, Bai Yunfei couldn't help sucking in the cold air. The steps in front of him couldn't see the end at all, and he didn't know how long they were, as if they were leading to the center of the earth!

The further you go down the steps, the bigger the space around you!

Beneath the manor, there is something unique, and it is the first time that I have grown up here since I was a child.

For a time, Bai Yunfei's heart became even more puzzled.

After walking for a while, I saw that the passage in front was blocked by a layer of water-like membrane, and there was a strange wave of power fluctuations on it.

"Father, what is this?" Bai Yunfei couldn't help but asked.

Bai He succinctly replied with two words: "Enchantment."

Enchantment?

Hearing this, Bai Yunfei was stunned for a moment, and he wanted to ask again, only to see that his father had passed through the barrier, and immediately followed closely.

After passing through this barrier, Bai Yunfei clearly felt that the space below was filled with a powerful force, but the passage had not yet come to an end.

The further down he went, the more shocked Bai Yunfei felt in his heart.

Because every time you walk a certain distance, there will be an enchantment, and every time you pass through an enchantment, the power in the surrounding air will become stronger, but Bai Yunfei does not panic at all, but has an inexplicable excitement.

In the dark, Bai Yunfei sensed that the power filling the air had an inexplicable intimacy, like the feeling of being connected by blood.

I don't know how long I walked, and I passed through the eighteenth floor barrier. Finally, Bai Yunfei followed Bai He to the end of the dark passage. He saw that what appeared in front of him was a huge open space. This open space contained the entire cloud valley. size.

In the middle of this open space, there is a circular boulder platform.

On the stone platform, sat a burly figure, wearing black armor, motionless, as if petrified, without the slightest sign of life.

Even so, seeing the burly figure, Bai Yunfei felt breathless.

Who is this person? Looks like he's been dead for a long, long time.

At this moment, Bai Yunfei stared at the burly figure on the stone platform, and his heart was shocked.

After being dead for so long, yet still giving people such a powerful aura, his identity is by no means simple.

Phew...

Shocked, Bai Yunfei was deeply attracted by something in front of the burly figure. It was a drop-shaped spar that was quietly suspended in front of him.

The spar is the size of a fist and exudes a dazzling light. Not only that, but a strong aura is permeating from this spar.

At this time, Bai Yunfei immediately realized that the power that pervaded the entire underground space was emanating from this spar.

What treasure is this?

And this person, who is it?

“Yunfei!”

Chapter 3738

Just when Bai Yunfei was muttering secretly, Bai He slowly opened his mouth and said, “Do you know what our ancestors did?”

“Father, why did you ask this all of a sudden?” Bai Yunfei was stunned, and then responded subconsciously. Dao: “When I was a child, you told me that our ancestor of the Bai family was a peerless powerhouse. Later, because of the vendetta, he was forced to live in seclusion in Yungu. This is also written in the family tree passed down from generation to generation...” He

didn't say anything . After that, Bai He shook his head and interrupted: “That's not true.”

Isn't it true?

Hearing this, Bai Yunfei stayed there, feeling a little confused.

What is written on the family tree is actually fake?

Seemingly guessing Bai Yunfei's thoughts, Bai He said slowly: “Our Bai family hides a huge secret, and this secret is very important to the survival of our Bai family, so what is written on the family tree is only for the family. What the ordinary members in the middle of the world see, the truth is known only by the patriarchs of all dynasties.”

Said, Bai He took a deep breath and looked extremely solemn: “Yunfei, you are an adult, we will rely on you in the Bai family, I am now Let me tell you the truth.”

“The ancestors of our Bai family were not humans, but demons. Demons were born after the creation of the world and were transformed by the evil thoughts of the great

god Pangu. Therefore, they have always been incompatible with the gods transformed by Pangu's good thoughts. .."

"Tens of thousands of years ago, a war broke out between the gods and demons. The demons were defeated and dissipated nine days away, and the other members of the demon race were also killed by the gods one by one, but our ancestors were lucky enough to escape at that time. A catastrophe."

"In order to escape the pursuit of the gods, the ancestors fled everywhere, and was rescued by a human woman. After that, the two sides fell in love with each other. After having children, the ancestors took the identity of human beings and lived in seclusion in the Kyushu continent. With the Bai family."

"Because we want to avoid the pursuit of God, our Bai family has lived here for generations."

What?

Hearing this, Bai Yunfei only felt his brain buzzing, completely stupid.

The ancestors of the Bai family are not humans, but demons?

"Father!"

After being stunned for more than ten seconds, Bai Yunfei reacted, swallowed his saliva and asked, "So, the stone platform in front of you is the remains of an ancestor?"

After speaking, Bai Yunfei couldn't help but look at it. He glanced at the burly figure on the stone platform, and his heart shook inexplicably.

Bai He nodded: "Yes."

"Then what is the thing floating in front of him?" Bai Yunfei continued to ask.

call!

Bai He took a deep breath and responded, "That is the demon soul of the ancestors, you must know that demons are different from humans and gods. Human cultivation relies on dantian, god cultivation relies on primordial spirit, and demons rely on demon souls for cultivation. "

The ancestors escaped from the pursuit of gods and were severely injured in the escape, so after having children with human women, they died not many years ago, but before dying, they condensed their demon souls out of the body and waited for them. Descendants will take over the inheritance."

Having said that, Bai He pointed to the long dark path behind him: "The eighteenth-level barrier on the dark path was also deployed by the ancestors before they died, to prevent the gods from being noticed and to isolate the demon soul. Hearing

this, Bai Yunfei only felt confused and couldn't help but said, "Isn't it unnecessary for the ancestor to do this? He couldn't fight against God before his death, even if he left the demon soul, what's the use?"

"Ha ha!"

Bai He smiled and looked at Bai Yunfei with a deep expression on his face: "You are wrong, the ancestors did this, not to avenge the descendants after inheriting the devil's soul, but to wait for the resurrection of the devil."

"The ancestor is the most powerful devil. The trusted general, his Demon Soul, could sense the existence of Demon Venerable. At that time, Demon Venerable was defeated by God and dissipated in nine days, but the ancestors firmly believed that Demon Venerable did not die, because he was transformed by the evil thoughts of Pangu. He won't die."

"So, when the ancestor was dying, he left a legacy, which only the patriarchs of the past dynasties knew."

Hearing this, Bai Yunfei only felt his blood rise, inexplicably cheered up, and quickly Asked: "What is the content of the will?"

Bai He said with a serious face, "The content of the will is that when the ancestor's demon soul has a vision, it proves that the existence of the demon has been sensed. At that time, the Bai family will no longer shy away from the world, and must inherit the power in the demon soul, and then find the demon so that he can assist and assist him for the rest of his life."

"There was a sudden shock here just now, and it was the vision caused by the demon soul, in other words, It sensed the Demon Venerable."

Chapter 3739

Speaking of this, Bai He resisted his inner excitement and looked at Bai Yunfei closely: "Yunfei, inherit the demon soul of the ancestors, and then find the Lord Mozun, it is the responsibility of our Bai family."

"You are talented. Smart, he is the leader of the younger generation of our Bai family, and he is the heir to the patriarch, so this big responsibility will be handed over to you!"

Hu...

Bai Yunfei took a deep breath and stayed there for a long time. The ins and outs have come and gone, but the mood is still not calm.

This kind of thing, it is difficult for anyone to calm down.

In Bai Yunfei's heart, he thought that the family had been avoiding the world for other reasons, but he never thought that such a huge secret would be hidden.

"Father!"

Finally, Bai Yunfei came to his senses and said, "Then what should I do now?"

Bai He looked at the demon soul suspended on the stone platform, and said slowly, "Fusing the power of the demon soul, we are The descendants of demons have a very different physique from ordinary people, and can fully withstand the powerful power of the demon soul. So, you don't have to worry."

"Is the power contained in this demon soul very strong?" Bai Yunfei asked again.

Hearing this, Bai He suddenly laughed, looked at Bai Yunfei, his tone was profound: "As long as you successfully merge the demon soul, you are not afraid of even gods, do you think it is strong?" After speaking

, Bai He urged: "Go."

Hmm!

Bai Yunfei nodded, forced himself to calm down, then moved his figure, jumped onto the stone platform, took the demon soul in his hand, and then moved the power of his dantian, and began to merge.

hum! hum! hum!

In an instant, I saw the demon soul burst into a dazzling red light, instantly covering Baiyunfei, and at the same time, the power contained in the demon soul rushed into Baiyunfei's dantian.

At this moment, Bai Yunfei hurriedly held his breath, sat on the ground cross-legged, and began to merge this power.

Seeing this scene, the white crane standing under the stone platform, his eyes flashed with excitement, and at the same time secretly prayed in his heart: the ancestors bless, bless Yunfei must be successfully integrated.

Unconsciously, the day passed.

The power of the demon soul was completely absorbed. Bai Yunfei opened his eyes, his face full of excitement.

At this time, Bai Yunfei clearly sensed that the power in his body was much stronger than before, and what made him even more excited was that after fusing the power of the demon soul, a technique emerged in his mind.

“Tianmojue!”

What a domineering name!

Bai Yunfei took a deep breath, and without thinking too much, he continued to sit there cross-legged, and began to practice according to the formula in his mind.

Seeing this situation, Bai He was very excited and quietly guarded the Dharma.

After another night, Bai Yunfei was done, and he completely understood the Heavenly Demon Art. Speaking of which, even if Bai Yunfei was talented and intelligent, it would take at least half a month to fully comprehend the Heavenly Demon Art. So, only for one night.

The son successfully merged the demon soul and practiced the success method, Bai He was very excited.

“Yunfei, you really did not live up to my expectations!” Bai He looked at Bai Yunfei with a smile, his eyes full of love and praise: “I will call everyone in a moment and announce that the family will be cancelled. Then I will pass on the position of the patriarch to you. “

After that, you will take people out to inquire about the news of Demon Venerable. Remember, we are the descendants of Demons, so we must not expose it, otherwise it will be known by God Domain, and the consequences will be unimaginable.”

“I see, father.” Bai Yunfei nodded quickly.

After the father and son said a few more words, they left the secret room. After that, Bai He called all the family members to gather in the front hall.

At this time, in the hall of Baiyun Manor.

Bai He sat there with a smile on his face, and Bai Yunfei stood aside, because he had just completed his practice, there was an indescribable aura all over his body, and he was in high spirits.

Chapter 3740

Around the hall, sit clan elders and elite disciples.

“Everyone!”

Seeing everyone gathered, Bai He smiled, looked around and said: “Now I announce two things, the first one, our Bai family has been away from the world for thousands of years, from now on, we don’t need to stick to the Yungu is over, and the disciples of the family can go outside.” “Second, I will officially pass the position of the patriarch to Yunfei

. From now on, you must help Yunfei and revitalize the family.” At these words, the entire hall was in an uproar, and many elite disciples were inexplicably excited and excited. “Finally able to venture into the arena? Great!” “Haha, I’m dreaming.” These elite disciples are all at a young age, and their hearts are all about fighting swords, but because of family rules, they can only go out. The dream of breaking through is suppressed in his heart, and at this time, the patriarch Bai He suddenly wants to lift this family rule, can you be unhappy? The elders, on the other hand, looked at each other with complicated expressions. Finally, one of the elders stood up and said complexly to Bai He: “Patriarch, living in seclusion in Yungu is a family rule handed down by our Bai family for thousands of years. It seems inappropriate to break it like this.” The voice fell, Several other elders also nodded in agreement. These elders are all old, and their thinking is a bit outdated. Hearing this, Bai He smiled slightly, and said, “Rules are established by people. If we keep complacent, how can our Bai family carry forward? I have made up my mind, and this is the decision.” Said, Bai He and Bai Yunfei looked at each other.

The ancestors are demons, and the father and son decided to temporarily hide it from the clansmen. After all, this matter is of great importance. Once it is leaked, it will be a disaster.

Seeing the patriarch’s insistence, the patriarchs were not very good at saying anything.

“Yunfei!”

At this moment, Bai He smiled at Bai Yunfei: “You are the patriarch now. Starting tomorrow, take the elite disciples of the family and go out to meet the world.”

“Okay, father!” Bai Yunfei nodded. , He knew that what his father said to see the world was actually to find the Demon Lord, but these could not be said in front of the clansmen.

At the same time, Bai Yunfei looked at the sky outside the hall, and his heart was filled with pride.

Kyushu Continent, I, Bai Yunfei, are coming.

After that, Luo Jue decided to hold a celebration feast and invited the major sects of Kyushu to further establish the prestige of the Tiandao Alliance.

Today is the day of the celebration feast.

I saw that there were nearly 10,000 seats in the square of the main altar of the Tiandao Alliance. The aisle was covered with a red carpet, and the surrounding flags were flying, which was very grand.

At this time, there were already quite a few people sitting on these seats. Looking at the past, it was crowded with people. From a distance, the darkness was overwhelming. It was very spectacular. These guests, in addition to various royal families, were masters of various continents.
