

## The ultimate husband in Chinese chapter 3741-3750

### Chapter 3741

At this time, there were tens of thousands of people at the banquet, all waiting for Luo Jue to appear.

Whoa!

At this time, there was a sudden commotion at the entrance of the banquet, and then, everyone's eyes quickly looked over, and they were all dumbfounded.

I saw the entrance of the banquet, and two figures walked in slowly.

There is a man and a woman, the man is handsome and cold, the woman is graceful, and the beauty is indescribable.

It was Yue Feng and Su Qingyan.

Speaking of which, when the Ouyang family was negotiating before, Yue Feng originally planned to come alone, but Wen Chou Chou felt that it was dangerous and everyone opposed it at the time. In desperation, Yue Feng had to agree to bring one person and finally chose Su Qingyan.

You must know that Su Qingyan used to be the sect master of Wenzong. Not only is he strong, but he is also more Wenzong in handling things. At critical moments, he can help Yue Feng make up his mind.

Hiss...

As soon as Su Qingyan appeared, he instantly became the focus of the audience, and many men's eyes became straight.

Su Qingyan, the former Sect Master of Wenzong, the goddess of the East Ao Continent, is wearing a rose-red dress at this time, showing off her perfect and sexy figure to the fullest. The almost S-shaped curve almost made many men go crazy. .

"Beautiful, so beautiful!"

"This is Su Qingyan, the former Sect Master of Wenzong? It really lives up to its reputation."

For a while, many people present looked at Su Qingyan up and down, and there were many discussions.

"Huh? This man next to Su Qingyan..."

This chapter is provided by . Visit for daily update.

At this moment, someone in the crowd shouted, and all the eyes of the audience suddenly converged on Yue Feng.

This...

Is this Yue Feng?

At first, everyone's attention was on Su Qingyan, but when they saw Yue Feng, they were all dumbfounded.

Three years ago, wasn't Yue Feng caught in the chaotic vortex?

how? Is he still alive?

Feeling the eyes of everyone around, Yue Feng looked indifferent.

Then Yue Feng looked around and saw a lot of familiar faces, not far from the seats, the real Lingbao from the Wudang school, the master Jueyuan from the Shaolin school, Gongsun E, the head of Xiaoyao...

They are all in the garden. The head of the sect of the mainland.

Seeing this group of acquaintances, Yue Feng felt extremely happy, and went over to say hello with Su Qingyan.

"Real Lingbao, Master Jueyuan! Stay safe."

When he arrived, Yue Feng greeted him with a smile on his face.

Hearing Yue Feng's voice, whether it was Master Jueyuan, Master Lingbao and others, all of them were shocked. Looking at Yue Feng one by one, they were shocked!

Three years ago, Yue Feng was involved in the chaotic vortex, and his life and death are unknown since then.

At that time, Sun Dasheng and Wen Chou Chou built monuments on the top of the Kunlun site to commemorate Yue Feng. Not only that, but in the Kyushu rivers and lakes, many sects that had a good relationship with Tianmen also launched their own memorial activities.

It can be said that everyone believes that Yue Feng is dead. But he never thought that three years later, Yue Feng would come back safe and sound.

“Sect Master Yue, is it really you?” Spirit Treasure was the first to react, looking at Yue Feng with great excitement.

Yue Feng smiled slightly: “Who else would it be if it wasn’t me? I haven’t seen you for three years, the real person is still the same.”

Haha...

The real person Lingbao also laughed and said sincerely: “I didn’t expect that Sect Master Yue was involved in the chaotic vortex back then, and he could return safely. Seeing Sect Master Yue all right, I’m really happy from the bottom of my heart.”

## Chapter 3742

When he said this, Lingbao’s face was sincere.

Since the establishment of the Tiandao Alliance, the rivers and lakes of the Kyushu Continent have been broken all at once. It seems calm on the surface, but in reality, undercurrents are surging. For this matter, Lingbao is very anxious, but there is nothing to do. You know, Luo Jue is the domain of the gods. The messengers sent are of extraordinary status and unfathomable strength, and no one can match them.

Now that Yue Feng is back, he may be able to break this deadlock. After all, Yue Feng is recognized as the top powerhouse in the Kyushu continent.

When the voice fell, Master Jueyuan next to him recited a Buddha’s name: “Amitabha, Sect Master Yue can return safely, it is my great fortune in Kyushu.”

At the same time, Gongsun’e and the other heads also came over and greeted Yue Feng.

The atmosphere is pleasant and pleasant.

“Tsk tsk...”

However, at this time, a discordant voice came, with a bit of ridicule: “Isn’t this the famous Tianmen Sect Master Yue Feng? You are not dead, it’s incredible.. ..”

Hearing the voice, Yue Feng and the people around looked back, and saw several Tiandao League disciples hurriedly approaching, the one in the lead, wearing a gorgeous soft armor, with a humble face.

It was Guo Dong.

Guo Dong is a slick person. After the eight saintess were imprisoned by Luo Jue, he won the trust of Luo Jue with his extraordinary flattery and flattery, and was finally promoted to the guardian of the Heavenly Dao League.

Today's celebration banquet is also fully responsible for Guo Dong.

call!

Seeing Guo Dong, Yue Feng frowned, this kid is a little familiar.

When I think about it, it seems to be the head of a small sect, called Guo Dong. From the looks of it, this guy is doing well in the Tiandao League.

At this time, Guo Dong swaggered up to him and looked at Yue Feng up and down: "Aiya, Sect Master Yue, it's really you."

After saying that, Guo Dong patted his mouth awkwardly: "Oh, almost Forget, you are no longer the sect master of Tianmen, I really did not expect, Yue Feng, you were involved in the vortex of chaos three years ago, and you can come back alive."

"But let me tell you, the current Kyushu is not It was Kyushu three years ago, and now the entire Kyushu is respected by the Tiandao Alliance, so no matter how beautiful you were in the past, when you come here at this time, do you need to understand honestly?"

When he said this, Guo Dong looked proud. .

In the past, when Guo Dong was the head of a small sect, he was often suppressed by Tianmen because he often did some shady deeds in the arena. Now that he has become the guardian of the Tiandao Alliance, he has achieved great success, and Guo Dong suddenly became proud.

In this case, Guo Dong did not take it seriously when he met Yue Feng, the former hero of Kyushu.

On the contrary, thinking of Tianmen's suppression, Guo Dong had to tease Yue Feng with a few words in front of everyone.

Speaking of which, Guo Dong knew that Yue Feng was very powerful, but this place was the main altar of the Heavenly Dao Alliance, so Guo Dong was sure that Yue Feng did not dare to mess around, so he mocked him a few words and was unscrupulous.

"Guo Hufa, this is Yue Feng, you have to be polite."

"That is, be careful if someone gets angry and ruins your cultivation..."

At this moment, Guo Dong's party members around him, and his relationship with Tianmen The bad sects started to coax one after another.

Hearing these yin and yang strange voices, Yue Feng smiled lightly and ignored it.

In Yue Feng's heart, Guo Dong and these are just a bunch of clowns jumping on the beam. Comparing with them will simply lower his identity.

However, Su Qingyan, who was on the side, couldn't bear it any longer, and said angrily to Guo Dong, "Hufa Guo, my husband and I are here to attend the banquet on behalf of Tianmen, Huaguoshan, and the Hall of Longevity. You said yin and yang strangely. Do you think this is interesting?"

Seeing Su Qingyan speak, Guo Dong's face was embarrassed, and he didn't know how to answer for a while.

"Qingyan!" At this time, Yue Feng whispered to Su Qingyan : "Do n't

pay attention to him, there is no need to care about this kind of person. Could it be that if a dog bites you, you will bite back?" At this point, Su Qingyan couldn't help laughing, and suddenly burst out laughing, her smile was like a flower, she was extremely charming, and in an instant, many men around were stunned.

### Chapter 3743

Yue Feng's voice was very small, but Guo Dong stood relatively close and could hear it clearly.

"What did you say?" Guo Dong was furious, glared at Yue Feng, and shouted.

Ma De, he is now the protector of the Heavenly Dao Alliance, but he was compared to a dog by Yue Feng.

Whoa!

At the same time, several Tiandao League disciples behind Guo Dong also came over and surrounded Yue Feng.

Seeing this situation, Yue Feng's expression remained the same, very indifferent.

Su Qingyan frowned and said coldly at Guo Dong: "Guo Dong, this is how your Heavenly Dao Alliance treats distinguished guests?"

Guo Dong sneered: "I don't mean anything else, but Yue Feng must be responsible for what he just said. , apologize to me." The

tone was cold and unquestionable.

At this time, Guo Dong had a gloomy face, and his eyes were even more cunning.

Being able to make the former Jiuzhou hero apologize to himself in public will not only dampen Yue Feng's spirit, but also make himself famous in Jiuzhou, why not do it?

Apologize?

Hearing this, Su Qingyan frowned, Yue Feng was arrogant, how could he apologize to Guo Dong?

At this time, Yue Feng looked at Guo Dong with a smile: "I didn't say anything wrong, why do I have to apologize to you?" After speaking

, Yue Feng looked around and said loudly: "Everyone is critical, my wife and I were just now. As for talking, I said 'the dog bites you, do you want to bite back?' This is just a whisper between our husband and wife, but this Guo Dong heard it and thought I was scolding him, which is really inexplicable."

Haha..

When the voice fell, there was laughter around, and many people looked at Guo Dong with a playful look.

Swish!

At this moment, Guo Dong's face flushed, and he was about to explode with anger. It wasn't enough for Yue Feng to scold him once. He had to repeat what he just said in front of everyone.

In anger, Guo Dong pulled out his long sword and glared at Yue Feng: "Okay, very good, see if you plan to leave safely today." As he said that, a powerful breath burst out from Guo Dong.

The atmosphere instantly became solemn, and the swords were drawn.

Seeing this scene, Master Lingbao, Master Jueyuan and everyone couldn't stand it any longer, and they all started talking.

"Guo Hufa, Sect Master Yue is just joking with you, there is no need to take it seriously."

"Yeah, everyone thinks that peace is the most valuable..." The

persuasion continued to come, Guo Dong looked grim, and said coldly: "Shut up, This is a matter between me and Yue Feng, whoever interferes again will have a hard time with our Heavenly Dao Alliance."

Ma De, Yue Feng dares to mock me in public, so he must give him some color.

Moreover, taking advantage of the opportunity, it can also shock and deter other sects that have not joined the Tiandao Alliance, and kill the chickens as an example.

Huh..

Seeing Guo Donglaizhen, Lingbao Zhenren and Master Jueyuan, they all sighed secretly and stopped talking.

To be honest, whether it is the real person Lingbai or Master Jueyuan, they are not afraid of Guo Dong, but the Tiandao Alliance behind him is not easy to mess with.

At the same time, the other sects around were also standing not far away, watching the excitement with a half-smile, no one came up to speak to Yue Feng, no one was stupid, and none of them wanted to offend the Tiandao Alliance.

Seeing this, Guo Dong showed a sneer.

Yue Feng, ah Yue Feng, no one can speak for you, how can you fight against our Heavenly Dao Alliance alone.

"Yue Feng!"

At this time, Su Qingyan was also a little anxious, and whispered to Yue Feng: "What should I do?"

When she said this, Su Qingyan couldn't help but glance at Guo Dong, her beautiful face On, showing anger, she never thought that Guo Dong would embarrass Yue Feng in public.

Chapter 3744

To be honest, Su Qingyan didn't take Guo Dong seriously, but if he really wanted to fight, he and Yue Feng would probably suffer a loss. After all, this is the main altar of the Tiandao Alliance.

Feeling Su Qingyan's anxiety, Yue Feng smiled lightly, "It's okay, don't panic!" After hearing this, Su Qingyan stopped speaking.

She knew that Yue Feng was so calm, there must be a solution.

Seeing Yue Feng's indifference, Guo Dong lost his patience and said coldly, "Yue Feng, I'll give you a chance to kneel down and apologize to me immediately. The unpleasantness just now is over."

Hehe...

Yue Feng chuckled lightly and was about to speak.

However, at this moment, a handsome figure came over slowly.

Dressed in a white long gown, he was graceful and extraordinary, and his body was filled with an unfathomable aura.

It was Bai Yunfei.

"The Tiandao Alliance is really powerful."

When he got to the front, Bai Yunfei looked up and down at Guo Dong, and smiled lightly: "You Tiandao Alliance claim to be the Supreme Lord of the Nine Kyushu Regions, but at the banquet, you did this kind of bullying. Aren't you afraid of ruining your reputation?"

When he said this, Bai Yunfei couldn't help but glance at Su Qingyan.

A day ago, after Bai Yunfei became the patriarch, he selected more than a dozen elite disciples and began to roam the rivers and lakes to investigate the news of the Demon Lord. Half a day ago, he learned that the Celestial Dao Alliance held a celebration ceremony, and all the sects in Kyushu came, but Bai Yunfei did not. After hesitating, he brought people to the main altar of the Tiandao Alliance.

Speaking of which, Bai Yunfei had planned to go to the banquet to quietly investigate the news about Demon Venerable.

Of course, Bai Yunfei didn't want to stand up for Yue Feng, but for Su Qingyan.

Bai Yunfei didn't know Su Qingyan, but it was the first time he saw him today, but he was deeply fascinated by Su Qingyan and was shocked.

Swish!

At this moment, the eyes of the audience all converged on Bai Yunfei.

"Who is this?"

"I don't know, I've never seen him before, but he has a very special temperament."

“Yeah, I didn’t expect such a person to exist among us in Kyushu...”

During the discussion, Yue Feng was also stunned for a while, and then asked Su Qingyan in a low voice, “This is your friend?”

Su Qingyan shook her head.

“Ma De!”

At this time, Guo Dong also reacted and glared at Bai Yunfei: “Who are you kid? You want to be the first bird?”

Facing Guo Dong’s anger, Bai Yunfei did not panic at all, and smiled slightly: “In Xia Baiyunfei, the current owner of Baiyun Villa, we, Baiyun Villa, have been away from the world for thousands of years and have been living a life of indifference to the world, and we only came out to explore the arena yesterday.”

Hearing this, many people around were suddenly surprised . .

It turned out to be a reclusive family, no wonder I hadn’t seen it before.

Guo Dong frowned and said coldly, “Since it’s the first time you’ve come out to explore the arena, don’t meddle in your own business.”

Bai Yunfei smiled and said with a serious face, “You’re right, by the way, this time I Come uninvited, to participate in the celebration feast of your Heavenly Dao Alliance, it is for the prestige of your Heavenly Dao Alliance, and I plan to join your Tiandao Alliance today.”

Saying that, Bai Yunfei’s handsome face showed a bit of disappointment: “In my heart, the Tiandao Alliance is a ‘benevolence and righteousness first’ organization, but only after I came today did I know that the Tiandao Alliance will only use power to bully others, alas, it’s really let down. People are disappointed, it seems that at the beginning, my expectations for the Heavenly Dao Alliance were too high.” The

last word fell, Bai Yunfei shook his head with emotion, and looked very regretful.

At the same time, Bai Yunfei’s eyes were also quietly paying attention to Su Qingyan’s reaction.

This...

Hearing these words, Guo Dong was stunned there, extremely embarrassed.

Chapter 3745

At the same time, everyone around is also talking about it.

“This Bai Yunfei has some truth in what he said.”

“Shh, keep your voice down, this is the main altar of the Tiandao Alliance...”

Nima!

Hearing the discussions around, Guo Dong looked complicated and didn't know how to deal with it for a while.

You must know that the purpose of Luo Jue's celebration banquet today is to deter those sects who have not joined, so that these sects can actively join the Tiandao Alliance.

But now, Bai Yunfei's words have invisibly damaged the reputation of the Heavenly Dao Alliance.

Thinking of this, Guo Dong really wanted to take action against Bai Yunfei and drive him out directly, but doing so would be even more counterproductive. After all, there were all the sects of Jianghu in Kyushu.

call!

Seeing this situation, Yue Feng breathed a sigh of relief and couldn't help looking up and down at Bai Yunfei.

This Bai Yunfei has quite a set of tricks, and in just a few words, Guo Dong was left speechless.

“This...”

Finally, Guo Dong reacted, squeezed out a smile and said to Bai Yunfei: “Master Bai, you misunderstood, this is just about me and Yue Feng, and has nothing to do with Tiandao Alliance.

”, Guo Dong glared at Yue Feng: “I won't care about you for the sake of this Bai Zhuangzhu.” After speaking, he greeted the surrounding Tiandao League disciples to leave.

To be honest, Guo Dong didn't want to let Yue Feng go so easily, but Bai Yunfei stepped in and held it back for the time being. After all, a hidden family like Baiyun Manor, but Tian respects the target to win over, can't offend him.

Seeing Guo Dong's harsh words, Yue Feng chuckled lightly, pretending he didn't hear it.

Su Qingyan also breathed a sigh of relief, and then smiled at Bai Yunfei: "Thank you, Master Bai, for speaking up." Speaking of which, Bai Yunfei had been staring at herself just now, Su Qingyan was very uncomfortable, but anyway, Bai Yun Fei also helped out, and out of courtesy, I naturally wanted to thank him.

"You're welcome!"

Bai Yunfei said with an indifferent face, and said with a smile: "Walking through the rivers and lakes, it is natural to ask for help."

After speaking, Bai Yunfei came over and stretched out his hand towards Su Qingyan: "You are a legend. The goddess of Dongao Continent in the middle, Miss Su Qingyan, my name is Bai Yunfei, I just started roaming the arena yesterday, I have heard the name of the goddess for a long time, I will take care of you in the future." As he

spoke, Bai Yunfei admired Su Qingyan up close . .

Beautiful, so beautiful.

"Hello!" Su Qingyan smiled lightly, shook hands with Bai Yunfei, and immediately retreated to Yue Feng's side, acting restrained and generous.

Shaking hands with him simply gave him a lot of face. This Bai Yunfei spoke very politely, but his eyes kept looking back and forth on his body, which made people uncomfortable.

Immediately, Su Qingyan began to introduce: "This is my husband Yue Feng, the former Sect Master of Tianmen." As she spoke, Su Qingyan held Yue Feng's arm affectionately, looking happy.

Obviously, Su Qingyan wanted Bai Yunfei to understand that he already had a man, so that he should not have any thoughts about him.

"Haha..."

Seeing this scene, Bai Yunfei's mouth twitched, and he glanced at Yue Feng lightly: "Once the Tianmen Sect Master? That is to say, it is nothing now? Please forgive my ignorance, I have never heard of it. "

Speaking, Bai Yunfei looked regretful, and continued: "I didn't expect such a beautiful and sexy beauty to have a home, what a pity..."

When he said this, Bai Yunfei did not hide his contempt for Yue Feng at all.

The reason why Bai Yunfei came out to help talk just now was entirely because he fell in love with Su Qingyan at first sight. At this time, seeing the woman he liked already had a husband and looked very loving, he was naturally very upset.

Under such circumstances, Bai Yunfei naturally didn't like Yue Feng at all.

Swish!

Seeing Bai Yunfei's attitude, Su Qingyan felt very unhappy in her heart, but with so many people around, it was difficult to show it.

## **The ultimate husband in Chinese chapter 3746-3750**

Chapter 3746

Yue Feng was even more indifferent, holding Su Qingyan by the hand: "Let's go, the banquet is about to start, let's find a place to sit."

After speaking, Yue Feng and Su Qingyan walked to the land of Diyuan area, found a vacant seat and sat down. After leaving for three years, Yue Feng's heart was up and down when he saw the various sects of the Kyushu continent gathered together again.

The next second, Yue Feng looked around, his expression suddenly stunned.

Is she here too?

I saw, not far away, in the area where the Southern Cloud Continent was located, under the escort of more than a dozen royal guards, sitting quietly, a slender figure, dressed in a long golden dress, was extravagant, with exquisite facial features and a charming figure.

There is a majesty that cannot be desecrated.

It is the current Queen of Nagumo, Long Qianyu.

I haven't seen each other for a few years, and this Long Qianyu has become even more sexy.

Swish!

At this moment, Long Qianyu also saw Yue Feng, and his body trembled.

Yue Feng actually came back alive?

After a few seconds, Long Qianyu calmed down, and there was a bit of gloom on his delicate face.

In the past three years, Long Qianyu has sent people to the Ouyang family more than once, intending to bring her sister Long Qianying back to the Southern Cloud Continent, but in the end they all failed.

Elder sister Long Qianying, and Yue Fengzhu had a dark fetus, and gave birth to the child, and threw it into the face of the Nanyun royal family, all because of Yue Feng.

To be honest, at this time, Long Qianyu really wanted to teach Yue Feng a good lesson, but he held back when he thought that this was the Tiandao Alliance.

This chapter is provided by . Visit for daily update.

Phew...

Feeling the hostility in Long Qianyu's eyes, Yue Feng took a deep breath, not knowing whether to laugh or cry.

After such a long time, this Long Qianyu still has resentment towards himself.

Whoa!

Just as Yue Feng was muttering secretly, he saw the audience restless. Then, Luo Jue slowly walked out of the hall, surrounded by more than a dozen elite disciples of the Heavenly Dao Alliance.

At this time, Luo Jue, dressed in a black-gold robe, with a smile on his face, exuded an imposing aura that should not be underestimated.

"See Tianzun!"

As soon as Luo Jue appeared, everyone in the Tiandao League shouted in unison, and the momentum was shocking.

At this moment, other sects who came to the banquet also greeted each other.

"Lord Luo, stay safe!"

"I haven't seen you for a while, but the Lord of the League is even better than before."

Although none of these sects joined the Tiandao Alliance, they did not dare to neglect Luo Jue. After all, This Luo Jue is not only the messenger from the Divine Realm, but also broke the Divine Dragon Island a few days ago. Who would dare to offend such an existence?

"Haha.."

Facing the greetings from the surroundings, Luo Jue was in a good mood, looked around and smiled: "All of you, in your busy schedule, you can participate in the celebration banquet of my Tiandao Alliance, my Tiandao Alliance is really full of brilliance. Ah, haha!"

"Everyone, sit down, you don't have to be polite!"

After saying this, Luo Jue went to the main seat and sat down, then raised his glass: "Come on, I'll give you a toast first."

At this moment, the audience was full of They raised their cups.

Soon, after three rounds of drinking, Luo Jue gestured to Guo Dong next to him.

Guo Dongxin understood and came out and said loudly: "Everyone, you must have heard the news that the Qinglong family hidden in Shenlong Island has been broken by our Heavenly Dao Alliance, and they bow their heads and surrender to our Lord Heavenly Venerate."

#### Chapter 3747

"Today's Tiandao League is at its peak, and it is just around the corner to unify the Kyushu rivers and lakes. In this case, I hope that the various sects present do not need to continue to wait and see."

"The current Kyushu rivers and lakes are the rivers and lakes of the Tiandao League. Joining the Heavenly Dao Alliance is the only choice for you sects."

Guo Dong's voice was loud and clear, and these words spread throughout the audience.

Huh...

Hearing this, the major sects present all looked at each other in dismay, each and everyone felt unprecedented pressure.

The Tiandao Alliance has developed so rapidly. If I do not join these sects, I am afraid that it will be more difficult to develop in the rivers and lakes in the future.

But joining the Tiandao Alliance was a little unwilling.

After all, the various sects present, just pick one, have been passed down for thousands of years. Once merged into the Tiandao Alliance, how to face the sect martyrs?

Yue Feng sat there, but his face was calm, as if what was in front of him had nothing to do with him.

To be honest, Yue Feng doesn't care about Tiandao Alliance merging other sects at all, he just wants to see Xiandi and Xiaoxi now.

Yue Feng thought about it, and when the banquet was over, he would talk to Luo Jue alone.

“Haha...”

Just when everyone around was silent, a loud laugh was heard, and then, a handsome figure slowly walked out.

Wearing a white coat, he has an extraordinary temperament.

It was Bai Yunfei.

Swish!

In an instant, whether it was Luo Jue or the others present, their gazes converged on Bai Yunfei, and they were all shocked.

“This...isn't that Bai Yunfei just now?”

“I heard him say, what kind of hidden family belong to, what are you going to do now?”

This kid again!

Yue Feng, who was sitting there, was also stunned at this time, staring at Bai Yunfei, very puzzled.

This guy seems to like grandstanding.

“Guo Dong!”

At this moment, Luo Jue, who was sitting on the main seat, couldn't help but asked Guo Dong in a low voice, “Who is this person?” As he spoke, Luo Jue looked at Bai Yunfei .

This man is young, but his aura is very strong.

“Return to Tianzun!” Guo Dong quickly responded: “This person is Bai Yunfei, the patriarch of a hidden family.”

After speaking, Guo Dong took a step forward and shouted at Bai Yunfei, “Bai Yunfei, you suddenly left. Come out, but what do you think of our Tiandao Alliance?”

When he said this, Guo Dongqiang suppressed the anger in his heart.

Ma De, if it wasn't for this Bai Yunfei, he would have taught Yue Feng a lesson. What do you want to do now?

"Haha!"

Feeling Guo Dong's tone, Bai Yunfei smiled slightly and said, "Guo Hufa, don't be nervous, how can I have any opinion on your Heavenly Dao Alliance? On the contrary, I agree with what you just said, I'm leaving now. When I came out, I was going to announce to everyone that I would lead my Bai family to join your Heavenly Dao Alliance."

Saying that, Bai Yunfei's eyes flashed with a bit of complexity, and continued: "I think your Heavenly Dao Alliance will not refuse it, right?"

"This..."

Hearing this, Guo Dong was stunned for a moment, and then squeezed out a smile: "Patriarch Bai is a man of insight, and now joins us in line with the way of heaven, how could we refuse?"

Luo Jue, who was sitting on the main seat, also With a smile on his face, he felt extremely happy.

Chapter 3748

Haha...

It seems that this celebration banquet was very successful. This Bai Yunfei has already expressed that he wants to join the Tiandao Alliance. With him taking the lead, other sects will definitely join in one after another.

"But..."

Just when Luo Jue was secretly rejoicing, he saw Bai Yunfei turn around and say word by word: "Before I joined the Heavenly Dao Alliance, there are some things that I would like to ask this Luo alliance leader."

Guo Dong was stunned for a moment, then turned his head to look at Luo Jue.

Luo Jue was also stunned, then smiled and said: "This Patriarch Bai, if you have anything, just say hello."

Bai Yunfei took a step forward slowly and looked directly at Luo Jue: "As far as I know, the Heavenly Dao Alliance is organized by The various sects in the Kyushu rivers and lakes were merged, and the position of the leader of the alliance should naturally be

held by a capable person, but you have taken the position of the leader of the alliance solely by virtue of your identity as an envoy of the God's Domain, is that so?"

Voice ? It's not big, but it has an aggressive aura.

Swish!

At this moment, Luo Jue's face suddenly turned gloomy: "What do you mean?"

Luo Jue was very angry at this time.

This Bai Yunfei, who seems to want to join the Heavenly Dao Alliance, is actually here to pick things up.

Guo Dong was also on fire in an instant, glaring at Bai Yunfei, and shouted: "Tianzun is powerful, no one can match it, who is stronger than Tianzun in these nine states? Tianzun is self-proclaimed leader, which is understandable. "

At the same time, the surrounding sects couldn't help but whisper.

"What's the situation?"

"What is Bai Yunfei going to do?"

"Let's see..."

Hearing the discussions around, Bai Yunfei looked indifferent.

The next second, Bai Yunfei shook his head at Guo Dong and said, "Guo Hufa, you are wrong, even if this Luo alliance leader is very capable, there are so many heroes in the Kyushu continent, and it is necessary to find someone who is stronger than him. It's not difficult."

"Is it?" Guo Dong laughed in anger and looked around: "Okay, then I'll ask Patriarch Bai to find me someone who is stronger than Tianzun."

Bai Yunfei smiled slightly and pointed Pointing to his nose: "You don't need to look for it. You are not talented. I feel that your ability is slightly stronger than that of League Lord Luo. If you don't believe it, you can set up a ring for me and League Lord Luo to learn from each other."

When he said this, Bai Yunfei was very confident . , with a bit of arrogance on his face.

Speaking of which, Bai Yunfei has no pursuit of power. He does this to better investigate the news of the Demon Lord. After all, the Heavenly Dao Alliance is powerful, and its disciples are all over Kyushu. Multiply.

As for discussing with Luo Jue, Bai Yunfei is even more confident. You must know that after integrating the power of the demon soul, Bai Yunfei's strength has reached a level that ordinary people can't imagine. Even if Luo Jue is from the realm of the gods, he is sure to defeat him. .

What?

At this moment, hearing Bai Yunfei's words, the audience immediately exploded.

"What did he say? He wants to discuss with Luo Jue?"

"This Bai Yunfei has such a big tone."

At this time, Su Qingyan also trembled, and couldn't help but said to Yue Feng: "Yue Feng, this is Bai Yunfei crazy? He actually challenged Luo Jue?"

Huo!

Yue Feng took a deep breath, observed Bai Yunfei, and responded: "This Bai Yunfei is not crazy, he dares to say that, there must be something to rely on, let's just watch it."

Saying so, Yue Feng was also very puzzled.

Because Yue Feng clearly felt that Bai Yunfei had a very powerful force in his body, and this force was completely different from the dantian power of other practitioners.

As for what this power is, Yue Feng can't perceive it.

To be honest, Yue Feng has the primordial spirit at this time, and anyone's cultivation situation cannot escape his discernment, but Bai Yunfei is different. He has a demon soul and hides the breath of the demon soul, so it is difficult for Yue Feng to perceive it.

Chapter 3749

"Huh!"

At this moment, Luo Jue, who was sitting in the main seat, also reacted and looked at Bai Yunfei with a half-smile: "You want to challenge me?"

When saying this, Luo Jue looked at Bai Yunfei. There was a bit of disdain in his eyes.

A human being who dares to challenge himself, who gave him the courage?

This kid is nothing but grandstanding.

Bai Yunfei stood proudly, nodded and said, "What? Can't you?"

Luo Jue smiled, but did not respond.

At this time, Guo Dong couldn't bear it anymore, strode out, and shouted at Bai Yunfei: "Just because you are the patriarch of a small hidden family, you are also qualified to challenge Tianzun? You want to play in the arena, right? I will play with you. "

Speaking, Guo Dong waved his hand, and immediately the surrounding Tiandao League disciples cleared a field to use as a competition arena.

Ha ha...

Seeing this, Bai Yunfei chuckled lightly and said lightly to Guo Dong: "Guo Hufa, it's not me who hit you, you are not my opponent at all with your strength, so don't be ugly!"

What Bai Yunfei said is true, because he has a demon soul, he really doesn't take Guo Dong in his eyes.

Mad!

Hearing this, Guo Dong only felt greatly humiliated, his face flushed, his eyes instantly bloodshot: "Okay, very good, with such a big tone, I don't know if your strength is as powerful as your mouth. "

If you want to compete with Tianzun, you have to pass me first."

At this time, Guo Dong was almost furious. As the guardian of the Tiandao Alliance, he was despised by the patriarch of a hidden family. How could he bear it? ?

"All right!"

Seeing Guo Dong's insistence, Bai Yunfei was very helpless: "Since you have to be a pawn, then I will fulfill you!"

Om!

The voice fell, and a terrifying aura burst out from Bai Yunfei's body. In an instant, the surrounding air seemed to be stagnant!

Bai Yunfei is a rare cultivation genius. Before he merged with the demon soul, his strength reached the fifth stage of transcending tribulation. Yesterday, he merged the power of the demon soul, and his strength was even stronger.

So strong.

Seeing this scene, everyone around was shocked.

Whoosh!

At this moment, Bai Yunfei slowly raised his right hand, his figure was as fast as lightning, and he slapped Guo Dong with a palm!

Feeling the speed of Bai Yunfei's lightning fast, Guo Dong's heart trembled, and he didn't have time to dodge, so he had to mobilize his inner strength and raise his jade hand to attack!

At this time, Guo Dong did not dare to be careless at all, and motivated all his inner strength!

Bang!

The palms of the two collided, and Guo Dong's body was shaken. He only felt a terrifying force coming. He stepped back several dozen steps in a row before he stabilized his figure. His face was pale, extremely weak, and his heart was extremely shocked.

This... this Bai Yunfei, seemingly ordinary, is actually so powerful! ?

What kind of exercises did he practice?

At this moment, Yue Feng was also secretly surprised that Bai Yunfei's strength was so powerful that Guo Dong was in the realm of tribulation, but he couldn't even catch a single move.

Moreover, this Bai Yunfei doesn't seem to have burst into full force yet.

quiet! During the entire celebration feast, there was silence, and a drop of a needle could be heard clearly.

Everyone was completely stunned by Bai Yunfei's strength.

Luo Jue sat there with a look of surprise on his face.

In the next second, Luo Jue slowly stood up from his seat and said to Guo Dong: "Guo Dong, you should step back. This Patriarch Bai is right, you are not his opponent."

"Yes, Tianzun." Guo Dong responded and stepped aside in shame.

Chapter 3750

At this time, Bai Yunfei smiled and said to Luo Jue: "Mengzhu Luo, am I qualified to challenge you now?" When he said this, Bai Yunfei put his hands behind his back and looked relaxed and freehand. .

“Haha!”

Luo Jue smiled slightly: “Since you want to discuss with me so much, then I will do what you want!” The moment the voice fell, Luo Jue’s figure flashed, and he had reached the center of the ring.

In the next second, Luo Jue looked at Bai Yunfei and said: “If you can defeat Guo Dong with one move, your strength is considered to be arrogant to Kyushu, but I want to remind you first, I am practicing God’s Domain Cultivation Technique, so you have to be careful. Point.”

When he said this, Luo Jue had a smile on his face, but his eyes flashed with contempt.

Speaking of which, Luo never wanted to fight against Bai Yunfei, which would lower his status, but Bai Yunfei challenged him in public. If he refused, he would be laughed at by the surrounding sects.

Whoa!

Seeing this scene, the audience was in an uproar!

In particular, Guo Dong, and the surrounding Tiandao League disciples were very excited.

“Heavenly Venerable is about to take action!”

“Heavenly Venerable’s strength is unfathomable, this Bai Yunfei will definitely lose miserably..”

At the same time, the eyes of other sect masters here are also focused on Luo Jue. , one by one looks extremely complicated.

“This Luo Jue actually agreed to Bai Yunfei’s challenge!”

“Although Bai Yunfei is powerful, he is not necessarily Luo Jue’s opponent.”

“Yeah, after all, Luo Jue is from God

’s Domain...” Many people whispered.

call!

At this time, Su Qingyan, who was sitting next to him, had a complicated expression on her delicate face, and then whispered to Yue Feng: “Who do you think will win?”

Yue Feng took a deep breath and shook his head: “It’s hard to say. !”

Everyone present believed that Luo Jue had won, but Yue Feng didn't think so.

Speaking of which, Yue Feng didn't know why he thought so, in short, Yue Feng had a feeling that this Bai Yunfei was not as simple as it seemed.

At this time, the arena is here.

Luo Jue stood there quietly, without the slightest fluctuation on his face.

Bai Yunfei stood not far away, confronting Luo Jue, with a relaxed smile: "I, Bai Yunfei, are truly honored to be praised by the leader of the Heavenly Dao Alliance."

After speaking, Bai Yunfei continued: "However, I Since you dare to challenge, you are not afraid of being injured or killed, so you don't need to be merciful when League Lord Luo takes action."

Possessing the power of demon soul, Bai Yunfei is very confident, because his father Bai He once said that the fusion of demon soul After that, God need not be afraid.

Swish!

Hearing this, Luo Jue's face instantly darkened, and he said coldly: "Okay, very good, you are quite confident, then I will do my best in

the future!" When saying this, Luo Jue endured his anger. , Mad, since becoming the leader of the Heavenly Dao Alliance, no one has ever dared to provoke him like this.

Luo Jue thought about it, he must let this white cloud fly later, he can't survive, and he can't die. In this way, it can also shock the surrounding sects.

Feeling the coldness in Luo Jue's eyes, Bai Yunfei didn't panic at all, and raised his hand: "Mengzhu Luo is the master, and I'm a guest, so please invite Luo first."

Luo Jue didn't bother to talk nonsense, snorted coldly, and his inner strength urged stand up.

hum!

In an instant, a terrifying aura erupted from Luo Jue's body, and in an instant, the surrounding air seemed to stagnate.

Feeling the terrifying aura on the stage, the masters of various sects around were all shocked, and they only felt that they could not breathe. At the same time, they subconsciously urged their inner strength to resist.

Strong, strong!

At the same time, Yue Feng also urged his energy to deploy a protective film in front of himself and Su Qingyan to help Su Qingyan resist Luo Jue's aura.

On the stage, Bai Yunfei was indifferent, as if he was not affected by this coercion at all.
