

The ultimate husband in Chinese chapter 3766-3770

Chapter 3766

Not bad, Guo Dong drove away those onlookers, the purpose was to take advantage of Ji Hongshang. You must know that Guo Dong is a famous lecher. At this time, when he met Ji Hongshang who was injured, what happened? Possibly missed opportunity?

“Hey..”

“The guardians have been blessed for a few days...” The

surrounding Heavenly Dao League elites also laughed wickedly and followed suit. As Guo Dong's subordinates, these elite disciples naturally understand Guo Dong's lecherous nature.

Swish!

At this moment, Ji Hongshang was ashamed and angry, and threw off Guo Dong's hand, then clenched her heart and said coldly: “Guo Hufa, please respect yourself, if you do this again, don't blame me for being rude!”

When saying this, Ji Hongshang couldn't express the grief and anger.

Today is really unlucky. Not only did he not kill Yue Feng and avenge his sister, but he also met a villain like Guo Dong.

Want to resist?

Seeing the strange weapon in Ji Hongshang's hands, Guo Dong was stunned for a moment, and then said with a smile: “Sect Master Ji, I didn't say what to do with you, why would I use a knife or a gun? Besides, in our Tiandao Alliance site. Come on, you still want to do it with me?”

Clap!

As soon as the voice fell, Guo Dong's internal force was running, and he suddenly shot, a palm cut on Ji Hongshang's wrist, and in an instant, he heard a crisp sound, and his heart fell to the ground.

At the same time, Ji Hongshang also trembled, standing unsteadily, she let out a coquettish cry, and took a few steps back.

To be honest, if it were normal, Guo Dong would not be able to destroy Ji Hongshang's weapon so easily, but at this time Ji Hongshang was severely injured and had no power to fight back.

Hahaha...

Seeing this scene, the surrounding Heavenly Dao League disciples all laughed out loud, looking at Ji Hongshang playfully and making fun of them.

“Oh, the beauty is angry...”

“Tsk tsk... this is the strength of the head of the Five Poison Sect, but that’s all.”

“Your Majesty, the head of Ji has a very strong personality, which is just in line with your appetite. “

Hearing these ridicules, Ji Hongshang was ashamed and angry.

At this moment, the disciples of the Five Poison Sect who were tied up couldn’t bear it any longer, and they yelled loudly.

“You bastards.”

“Will your Heavenly Dao Alliance bully the less and fall into trouble?”

“Thanks to your self-proclaimed Heavenly Dao, you are just a bunch of bastards...”

While shouting, many The disciples of the Five Poison Sect struggled desperately and wanted to break free. At this time, they all had one thought. Even if they died, they couldn’t watch the sect master suffer humiliation.

“Looking for death!”

Seeing this situation, Guo Dong Guo Dong smiled coldly, walked over quickly, slapped his hands, and slapped them one by one.

Papapa...

a dozen slaps down the face, all the disciples of the Five Poison Sect fell to the ground and their faces were swollen.

Guo Dong still felt displeased, he pulled out his long sword, pressed it against the heart of a disciple of the Five Poison Sect, and said fiercely: “Ma De, dare to insult our Heavenly Dao Alliance, I think you are all tired of living.” The

voice fell, Guo Dong Dong is about to stab him with a sword.

“Stop!”

At this moment, Ji Hongshang's body trembled, and she hurriedly shouted: "Guo Dong, don't hurt my disciples!"

Guo Dong stopped, turned his head to look at Ji Hongshang, and showed a wicked smile: "I can give you such a face and spare their lives, but I have one condition, it depends on whether the head of Ji is worthy of cooperation. "

What conditions?" Ji Hongshang asked subconsciously.

"Hey..."

Guo Dong smirked and walked over slowly: "It's very simple, as long as Sect Leader Ji accompanies me to drink a few glasses of wine, I will not only kill them, but maybe even let you go.

" At that time, Guo Dong looked at Ji Hongshang, showing a bit of greed and wretchedness.

Chapter 3767

Swish!

Hearing this, Ji Hongshang's body trembled, and her heart was even more ashamed and angry.

This Guo Dong is too shameless.

He is the dignified head of the Five Poisons Sect, who is pure and clean, how can he accompany him to drink?

At this moment, the disciples of the Five Poison Sect who fell to the ground were also furious and shouted.

"Sect Master, I can't agree."

"It doesn't matter if we die, the dignity of the Five Poison Sect can't be lost."

"I mustn't agree to him..."

The shouting kept coming, Guo Dong frowned, very irritable .

Seeing Ji Hongshang clenching her lip and still unwilling to respond, Guo Dong suddenly lost his patience and shouted: "Ma De, kill them all for me!"

Qiang, Qiang, Qiang!

The words fell, and the surrounding Tiandao League elites drew their swords and chopped at the disciples of the Five Poison Sect.

“Don’t...”

Seeing this scene, Ji Hongshang was very anxious, and at the same time wanted to rush over to stop her, but she was extremely weak and completely powerless.

hum!

At this critical moment, a powerful aura erupted from not far away. In an instant, the disciples of the Heavenly Dao League who were present were shaken back one after another, and the swords in their hands fell to the ground.

“Ma De, who dares to meddle in his own business?” Guo Dong frowned, cursed angrily, and looked back at the same time.

hiss!

Seeing this, Guo Dong couldn’t help but take a deep breath.

The surrounding Tiandao League elites were also stunned, secretly shocked.

I saw a handsome man walking slowly from not far away, dressed in white, indescribably handsome and unrestrained, with a strong breath all over his body, with a faint smile on the corner of his mouth, showing a bit of rebelliousness.

It was Bai Yunfei who was tied with Luo Jue at the main altar of the Heavenly Dao Alliance.

In the blink of an eye, Bai Yunfei walked up to him, glanced at Guo Dong lightly, and said lightly: “You guys are really shameless, what you say is in line with the way of heaven, but you only do some bullying things.”

Bai said . Then, Bai Yunfei’s eyes were like electricity, and he looked around!

hum!

At the same time, a powerful aura filled Bai Yunfei’s body!

Phew...

Feeling the crushing force of the powerful breath, whether it was Guo Dong or Ji Hongshang and others, they all felt their hearts tighten, and they couldn’t breathe.

I have to say that Bai Yunfei’s aura is too strong.

Gudong!

At this moment, Guo Dong couldn't help but secretly swallowed his saliva.

"I won't talk nonsense with you, while I'm in a good mood, take your subordinates and get out of here..." At this time, Bai Yunfei glanced at Guo Dong coldly, and said coldly, no doubt!

Mad!

Hearing this, Guo Dong secretly clenched his fists and was furious.

This Bai Yunfei is too crazy, in the Tiandao Alliance's territory, dare to be so arrogant.

Ji Hongshang also stared blankly at Bai Yunfei, feeling inexplicably excited and excited.

Great, this Bai Yunfei and the Tiandao Alliance are not at odds, and both himself and those disciples are saved.

"Bai Yunfei!"

Chapter 3768

Finally, Guo Dong reacted, took a deep breath, and said patiently: "This is a matter of our Heavenly Dao Alliance and the Five Poison Sect, don't mind your own business!"

"Up and down. You know, this Bai Yunfei is too strong, and he had a draw with Tianmen before.

Bai Yunfei had a proud face, his expression did not fluctuate in the slightest, and said lightly: "I won't say the same thing a second time, I will get out immediately..."

Huh..

Hearing this, Guo Dong was completely angry, and his heart was ecstatic at that time. , shouted: "Bai Yunfei, I'll give you face, don't know how to praise, do you really think I'm afraid of you?"

After saying that, Guo Dong raised his hand and waved: "Give it to me!"

Even if Bai Yunfei is powerful , but only one person.

Whoa!

As soon as the voice fell, hundreds of Heavenly Dao Alliance elites burst into internal energy and rushed towards Bai Yunfei.

“Looking for death!”

Bai Yunfei snorted coldly, then slowly raised his hand, and saw a blood-colored light condensed, and then formed a thick red fog, directly shrouding the elites of the Heavenly Dao Alliance who rushed up.

Chi Chi...

I saw that where the red mist passed, there was a squeaking sound. Obviously, this fog contained extremely strong toxicity.

“Ah!” The

red mist filled the air at a very fast speed, and in the blink of an eye, many elites of the Heavenly Dao League were shrouded, and they saw that these disciples of the Heavenly Dao League, after inhaling the mist, bleed from their seven holes, and their skin instantly festered.

The screams were terrifying, and in less than a few seconds, more than a hundred disciples of the Heavenly Dao Alliance fell in a pool of blood and died tragically.

Hiss...

Seeing this scene, Guo Dong and the rest of the Tiandao League disciples were in a cold sweat and were extremely terrified.

And Ji Hongshang, whose body was trembling even more, looked at Bai Yunfei tightly, speechless in shock.

Very strong poisonous mist.

As the head of the Five Poison Sect, Ji Hongshang is also a master of poison, but at this time, she clearly felt that the power of the poisonous fog displayed by Bai Yunfei was more powerful than what she knew.

At this time, Guo Dong reacted, his voice trembled, and shouted: “Retreat, quickly retreat!” When the voice fell, he took the others and fled, and in the blink of an eye, he ran away without a trace.

“Trash.”

Bai Yunfei said with a look of contempt, lightly spit out two words, and then flicked the dust off his body.

At this time, Ji Hongshang reacted from the shock, struggled to stand up, walked up to Bai Yunfei, bit her lip and whispered, “Thank you, Hero Bai, for your help!”

Bai Yunfei looked Ji Hongshang up and down, and smiled: "Don't rush to thank you, although I was passing by, I didn't help you for nothing!"

This...

Hearing this, Ji Hongshang was stunned.

At this time, Bai Yunfei continued: "Looking at your situation, it should be the dantian meridian, which has been severely damaged, and it will be difficult to recover in a short time. In this way, I will help you heal, but if you have conditions, you must bring the Five Poison Sect to join. Me."

After competing with Luo Jue at the main altar of the Tiandao Alliance, Bai Yunfei planned to set up a new sect to facilitate the investigation of the news of the Demon Venerable. At this time, he happened to pass by here and rescued Ji Hongshang, it was natural threw an olive branch.

You must know that the Five Poison Sect is also a well-known sect in Xicang Continent, and it is the object that Bai Yunfei attracts.

What?

Ji Hongshang's tender body trembled, and she never thought that Bai Yunfei would make such a request.

Soon, Ji Hongshang calmed down: "What if I don't agree?"

When answering, Ji Hongshang was very straightforward. You must know that when the Tiandao Alliance was established, Luo Jue once sent people to the Five Poison Sect. Ji Hongshang was asked to bring the Five Poison Sect into the Heavenly Dao League, but Ji Hongshang decisively refused.

At the beginning, he rejected the invitation of the Tiandao Alliance, so how could he join Bai Yunfei at this time?

"Haha..."

Seemingly guessing that Ji Hongshang would answer like this, Bai Yunfei smiled lightly: "Rejecting my fate is death, don't forget, your life was saved by me, I can save you, or you can Kill you."

Chapter 3769

Said, Bai Yunfei looked around at the disciples of the Five Poison Sect, and continued: "You and your disciples are all seriously injured. I want to kill you, but

it's easy." When saying this , Bai Yunfei's face was light and cloudy, but there was a chilling aura all over his body.

"You..."

Hearing this, Ji Hongshang's tender body trembled, and she was inexplicably panicked.

This Bai Yunfei is powerful, and has a perverse temperament, both righteous and evil. If he does not agree, I am afraid that he will really kill people.

But... if he joins, the Five Poison Sect will cease to exist. In the future, under the Jiuquan, how can you see the ancestors of the Five Poison Sect?

"Huh!"

After more than ten seconds, Ji Hongshang bit her lip and said: "I can bring the Five Poison Sect to join you, but there is one condition, you have to help me deal with Yue Feng. "

Ji Hongshang knows that if Bai Yunfei is not agreed today, the Five Poison Sects will be wiped out, and it is better to compromise temporarily than to die.

Moreover, Bai Yunfei is powerful, if he can agree to deal with Yue Feng, that would be the best.

Haha...

Hearing this, Bai Yunfei was stunned for a moment, and then he couldn't help laughing: "What conditions did I have at that time, a mere Yue Feng, it's not worth mentioning at all, well, I will promise you."

In Bai Yunfei In my heart, Yue Feng's weight is not as good as Luo Jue's, so naturally he won't take it seriously.

Afterwards, Bai Yunfei smiled and said slowly: "From now on, you are the guardian of Bai Zong!"

At this moment, Ji Hongshang no longer hesitated, knelt down and said respectfully, "I have seen the Sect Master! "

Um!

Bai Yunfei nodded in satisfaction, then pulled out a dagger and cut his fingers.

In an instant, blood gushed out.

Seeing this scene, Ji Hongshang was stunned.

Sovereign, what is this going to do?

Snapped!

Just when Ji Hongshang was secretly surprised, Bai Yunfei suddenly approached and tapped on her acupuncture point, forcing Ji Hongshang to open her mouth, and then dripped the blood from her finger into her mouth.

All this happened so fast that Ji Hongshang didn't react at all, and swallowed the blood directly.

"Sect Master!"

At this time, Ji Hongshang was inexplicably frightened, and at the same time a little happy, because she clearly felt that after swallowing the blood, a strange force merged into her dantian.

Under this circumstance, the wounds that had been severely injured by Yue Feng were recovering quickly....

So the blood of the sect master is so miraculous?

Seeing Ji Hongshang's stunned look, Bai Yunfei smiled slightly: "Don't panic, my blood can not only heal you, but also strengthen your strength.

"A trip to Shenlong Island." Bai Yunfei sensed that Demon Venerable's aura finally appeared on Shenlong Island, so he couldn't wait to check it out.

After saying this, Bai Yunfei stepped aside and untied the ropes on the other disciples of the Five Poison Sect.

call!

Ji Hongshang was a smart woman. Seeing that Bai Yunfei was reluctant to say more, she naturally did not dare to ask more, so she sat cross-legged on the ground and began to heal her injuries and regain her strength.

Soon, half an hour later, Ji Hongshang recovered completely, and rushed towards Shenlong Island with Bai Yunfei.

After several hours of traveling, Bai Yunfei and Ji Hongshang finally arrived at Shenlong Island.

Bai Yunfei quickly found a deep well through the induction of the demon soul, and this deep well was the entrance to the ghost world. Bai Yunfei clearly felt that the breath of Demon Venerable disappeared completely near this deep well.

strangeness!

At this moment, Bai Yunfei frowned, very puzzled.

Chapter 3770

The breath of Demon Venerable disappeared here. Could it be that he was brought into the deep well?

Bai Yunfei has just stepped into the rivers and lakes, and he still doesn't know where the deep well connects.

"Sect Master!"

Seeing Bai Yunfei's dignified expression, Ji Hongshang couldn't help but said softly, "This seems to be the road to the ghost world, is the sect master going to the ghost world?"

Ghost world?

Hearing this, Bai Yunfei was shocked.

Below this deep well, the connection turned out to be the ghost world?

Muttering in his heart, Bai Yunfei really wanted to go down and find out, but then he thought, if he broke into the ghost world, I was afraid that he would not be able to find the whereabouts of the devil, and he would be alerted by the ghost world, and then it would be troublesome.

After all, the ghost world is not something that ordinary people can break into.

"Ji Hongshang, is this the only way to the ghost world?" Bai Yunfei asked.

Ji Hongshang thought for a while: "On the continent of Kyushu, there are several ways to enter the ghost world." After

speaking, Ji Hongshang couldn't help but ask: "What is the sect going to do in the ghost world?"

"Looking for the traces of Demon Lord ." Bai Yunfei pondered and said lightly.

Speaking of which, Bai Yunfei didn't want to tell Ji Hongshang so quickly, but he had to be alone. It was too difficult to find the Demon Lord. One more person to help would bring more hope.

Bai Yunfei was not afraid that Ji Hongshang would betray him.

You know, Ji Hongshang drank his demon blood, and Bai Yunfei's life was already under the control of Bai Yunfei.

Demon?

Hearing these two words, Ji Hongshang was stunned, her mind went blank!

Demon Venerable... such a domineering name, what kind of existence is this, I have never heard of it before.

Seeing her puzzled face, Bai Yunfei took a deep breath and explained the origin of demons and gods, as well as the enmity, in detail. Finally, Bai Yunfei said lightly, "Our entire Bai family is the descendants of demons.

" We have waited for thousands of years just to revive the splendor of the Demon, and finding Your Excellency Demon is the most crucial step, now you understand."

This...

Hearing this, Ji Hongshang's tender body trembled faintly . , staring blankly at Bai Yunfei, shocked.

No wonder Bai Yunfei and Luo Jue were tied at the main altar of Tiandao Alliance before. It turned out that he was not a real person, but a descendant of the devil.

In shock, Ji Hongshang was also inexplicably excited.

With this powerful backer, are you afraid that you can't kill Yue Feng and avenge your sister?

Thinking of this, Ji Hongshang tried her best to calm herself, and said, "Thank you for your trust, Sect Master, and tell your subordinates."

After saying that, Ji Hongshang looked around Shenjing: "Sect Master said just now that Your Majesty's breath has arrived. This place has completely disappeared. I guess that Your Excellency Mozun must be in the ghost world."

"As far as I know, Yue Feng has some origins with the ghost world, and his sworn brother Wen Chou Chou has been the messenger of Hades, so I think that if we want to investigate the whereabouts of the Demon Venerable without knowing it, if we directly

break into the ghost world, it will definitely cause a lot of trouble, it is better to start with Yue Feng and Wen Chou Chou

.

”, Bai Yunfei pondered for a while, nodded and said: “Okay, I will listen to you, you can set off now and go to Diyuan Continent.”

After that, Bai Yunfei and Ji Hongshang quickly left Shenlong Island and rushed towards Diyuan Continent.

.....

At this time, the ghost world.

Om, hum, hum....

In the depths of the silent Netherworld, from today onwards, there have been waves of vibrations, and for a time, the Yin soldiers in the entire Netherworld are inexplicably terrified.

Feeling the shock, Bing Yao also attached great importance to it and went to the depths of the underworld to investigate.
