

## The ultimate husband in Chinese chapter 3771-3780

### Chapter 3771

At this moment, in the dark and incomparably dark depths, the shaking continues.

A sexy and cold figure appeared slowly, and his delicate face was full of solemnity.

It was Bingyao.

I saw that on the stone platform in the depths of the netherworld, the sealing magic mirror was quietly placed there, and a dozen seals were deployed around it, but even so, a terrifying aura continued to permeate from the sealing magic mirror. come out.

Obviously, the vibrations in the entire depths of the Nether came from within the sealed magic mirror.

“Jie Jie...”

Just as Bing Yao was getting closer, she saw a ferocious face emerge from the sealing mirror, and her eyes were extremely blood red, making her heart palpitate.

It was the Demon Lord Gone who was trapped in the sealed magic mirror.

At this time, Demon Lord Gone’s eyes, through the magic mirror, locked Bing Yao firmly: “Tsk tsk, you are the new Hades of the underworld? I didn’t expect it to be a sexy beauty.

” When the magic mirror was sealed in the depths of the netherworld, Bing Yao also helped, but at that time, the Demon Lord Gone was still asleep, so he had never seen it.

Hearing this, Bing Yao’s delicate face did not fluctuate in the slightest, and said coldly: “Mozun Gone, the magic mirror is infinite, you can’t rush out, don’t struggle.”

Haha...

Listen At this point, Demon Zun Gone couldn’t help laughing, and his tone was arrogant: “Do you think the ancient ancestor can really trap me? Tell you, it won’t be long before my subordinates will come to save me. “

The day when I regain my freedom will be the day when God’s Domain will be destroyed. If you are a little Pluto, if you are a little bit more sensible, you will remove the seal around this place.”

Subordinate?

Bing Yao's eyebrows knitted together, she couldn't help muttering secretly.

In the war between gods and demons tens of thousands of years ago, all the demons were wiped out, only the Demon Lord Gone, leaving a ray of thought, floating in the nine heavens.

In this case, where did he come from?

Thinking to herself, Bing Yao slowly said: "Devil Gonia, it is your destiny to be sealed in the depths of the netherworld. Don't be alarmist in front of me, I won't eat your way!"  
After

speaking, Bing Yao slowly Raising his jade hand, he deployed an enchantment in the depths of the entire netherworld, so as to isolate the movement of the sealed magic mirror.

Last night, Bing Yao was too lazy to talk nonsense with Demon Lord Gone, and directly exited the depths of the underworld.

"Stop..."

When he left the depths of the underworld, a roar from the Demon Lord Gone kept coming from behind: "Let me out, or you'll regret it... wait for me to regain my freedom. , the first one to destroy the ghost world..."

A loud roar made Bing Yao feel inexplicably terrified.

Soon, back in the hall of Mingdu, Bingyao immediately summoned all the messengers and ghost messengers.

"Pass my order to completely block the path of ghosts from all human worlds to the ghost world." Bingyao sat there, her delicate face extremely solemn: "And, strictly guard against these ghost paths."

Said Then, Bing Yao took out a letter and handed it to a messenger: "Immediately take this letter to the Kyushu continent and give it to Yue Feng. Remember, you must give it to him in person."

Saying this At the time, Bing Yao was extremely serious.

I don't know why, but after meeting Demon Lord Gone, Bing Yao knew that the other party could not escape from the magic mirror, but she always had a bad feeling in her heart.

“Yes, Your Majesty!” The messenger held the letter, daring not to neglect, and hurriedly set off for the Kyushu Continent.

.....

On the other side, Diyu Continent.

At this time, on the road leading to Zhongzhou City, a man and two women were walking leisurely.

It was Yue Feng, Su Qingyan, and Xiao Xi.

### Chapter 3772

Before being asked by Ji Hongshang for trouble, Yue Feng didn't take it to heart at all. He was in a good mood with Su Qingyan and Xiao Xi all the way.

“Master!”

At this moment, Xiao Xi suddenly thought of something, with a bit of sadness in her expression: “Today seems to be the anniversary of my aunt's death.” A few years ago, Duan Yu raided the Ouyang family and killed Yue Feng's Mother Su Yue, Xiao Xi was there at the time.

In Xiao Xi's heart, Yue Feng is the closest person, Yue Feng's parents are her parents, so Su Yue's death anniversary has always been in her heart.

Phew...

Hearing this, Yue Feng took a deep breath and instantly became sad.

Thinking of his mother, Yue Feng felt a pain in his heart. When Duan Yu attacked the Ouyang family, Yue Feng rushed back in time, but he was still a step late. Especially when he thought of his mother's tragic death, he felt extremely sad and guilty.

At this time, Su Qingyan took Yue Feng's arm and said softly, “Fortunately, Xiaoxi reminded me that today is the anniversary of my mother's death. Let's go back to Donghai City to worship.” The

mainland of Kyushu pays attention to returning leaves to their roots, so Su Yue died that year. Later, Yue Feng saw that she was buried in the ancestral tomb of the Yue family in Donghai City.

Um.

Yue Feng nodded, then the three of them turned around and rushed towards Donghai City.

After an hour's journey, the three of Yue Feng arrived at the Yue Family Ancestral Hall. At this time, the Yue Family was no longer as glorious as it used to be, and the entire ancestral hall was calm.

puff.

The moment he entered the ancestral hall, Yue Feng saw Su Yue's spiritual position at a glance. At that time, he knelt down: "Mom... my son is here to see you..."

Without saying a word It's over, with tears streaming down my face.

Su Qingyan and Xiao Xi also had a sad look on their faces, and moved forward slowly, burning incense to worship.

For a time, the atmosphere in the ancestral hall was extremely dull and solemn.

Because he missed his mother, Yue Feng stayed in the ancestral hall for a long time, until it was getting dark, he took Su Qingyan and Xiao Xi away.

Hula... As

soon as I walked out of the ancestral hall, I heard footsteps. In a blink of an eye, a group of people rushed out of the woods, each with a knife in their hands, and surrounded the three Yue Feng.

Yue Family Ancestral Hall, on a hillside by the sea, has beautiful scenery, but it is relatively remote, especially at night, very few people come here.

Where did these stubborn hair thieves come from?

Yue Feng frowned, and when he saw the appearance of this group of people, he couldn't help but burst into laughter.

Haha...

Are these people playing role-playing?

I saw that this group of people looked fierce, but their faces were covered in graffiti, some with a turtle, some with an elephant, and they were indescribably funny.

At the same time, Su Qingyan and Xiao Xi couldn't help but pursed their lips and laughed.

“Ma De!”

Seeing that the three Yue Feng were not afraid, they were still able to laugh. The big man at the head couldn't help but scolded, “How dare you laugh? Quickly, take out all the valuables on your body.”

This person is Song Gang , is the leader of a small group of pirates in the waters near Donghai City. Speaking of which, after Yue Feng established Tianmen, he had rectified the coastal strength of Donghai City. Originally, there were no pirates.

It was only later that Hades caused chaos in Kyushu, and Tianmen had no time to take care of him, so there were many pirates near the coast of Donghai City.

robbery?

Seeing this, Yue Feng frowned and sneered: “You guys are so bold, do you know where this place is? Dare to rob here.”

Chapter 3773 The

voice fell, and Xiao Xi also said: “Do you know who he is? The former master of Tianmen, Yue Feng! The second young master of the Yue family.”

Yue Feng?

Hearing this, Song Gang and the surrounding companions were stunned for a moment, and then burst into laughter.

Haha... After laughing, Song Gang looked up and down at Yue Feng: “You are Yue Feng? I'm still the Supreme Being of Jiuzhou

. Who will I scare?”

At that time, in the Kyushu continent, no one knew it and no one knew it. It can be said that Yue Feng died three years ago, so how could he appear in Donghai City at this time?

Seeing that they didn't believe it, Yue Feng didn't bother to talk nonsense, and said lightly: “Whether you believe it or not, hurry up and stop messing with me!”

At the same time, Su Qingyan also said softly: “You guys, we have no money? “

No money?

Song Gang sneered and muttered, his eyes fell on Su Qingyan's sexy figure, and his eyes straightened instantly.

beautiful!

pretty!

Unexpectedly, in such a remote place, you can meet such a sexy beauty.

At this moment, the corner of Song Gang's mouth twitched, and he looked at Su Qingyan with a smile: "Beauty, since you have no money, then you can come with me, hehe, as long as you follow me, I promise not to treat you badly!"

While speaking, Song Gang seemed to be arrogant, but he kept his attention on the surroundings.

Two days ago, Song Gang and his men were robbing a cruise ship when suddenly a powerful figure appeared and subdued Song Gang's group. In the next two days, Song Gang's group was in the hands of that powerful figure. , suffered a lot.

Two hours ago, Song Gang's group escaped while the powerful man was sleeping. Passing through the Song family's ancestral hall, they happened to meet three Yue Feng coming out, and they wanted to take the opportunity to rob a sum of money.

Song Gang was lecherous by nature, and seeing Su Qingyan so beautiful, evil thoughts suddenly arose.

At this moment, several of Song Gang's accomplices also burst into laughter.

"Tsk tsk, Brother Gang, this girl is really energetic!"

"Brother Gang, this beauty is really suitable for our sister-in-law."

"Haha, Brother Gang is blessed today."

Hearing these words, Su Qingyan's face brightened Red, extremely embarrassed and angry.

"Go away with the special code!"

Yue Feng also frowned, couldn't help but shouted angrily, his whole body filled with energy!

Madd?

In an instant, Song Gang and everyone's eyes locked on Yue Feng.

The next second, Song Gang gave Yue Feng a disdainful look: "Boy, you don't need the money, hurry up! But this beauty has to stay!"

Yue Feng was too lazy to talk nonsense, and said coldly: "I'll say it again, get out!

"Germany, court death!

Song Gang was instantly angry, raised his hand and waved, and held a long knife tightly in his hands: "Boy, give you a chance, don't you, go to hell!" The

voice fell, Song Gang clenched the long knife and slashed directly at Yue Feng.

In Song Gang's heart, Yue Feng looked at the thin and weak, not burly at all, and there was no threat at all, but he didn't know that Yue Feng was hiding his breath.

hum!

In an instant, an aura of internal strength erupted from Song Gang's body. With a long knife in his hand, he carried a cold glow. He just wanted Yue Feng's neck to come. This Song Gang is a piece of Martial Emperor's strength. A piece of air was distorted, and the momentum was amazing.

Seeing Song Gang burst out, Yue Feng's eyes were full of contempt, and the strength in his body burst out instantly!

"Boom!"

Hearing an air vibration, Yue Feng slowly raised his hand and saw a crimson flame jumping out.

It is Tianque Lingyan.

Speaking of which, in dealing with a role like Song Gang, Yue Feng's use of the Heavenly Sparrow Spiritual Flame was completely overkill, but the other party made unkind words to Su Qingyan, and Yue Feng was so angry that he couldn't take care of so much.

Hiss...

what a weird flame? What skill is this?

Chapter 3774

What a strong breath!

At this moment, Song Gang's accomplices all froze in place, their bodies trembling, and their hearts were extremely shocked.

Feeling the scorching flames, Song Gang also froze there, sweating profusely, and wanted to turn around and run away, but his legs were weak and he could no longer obey.

“Huh!”

Yue Feng didn't talk nonsense, he raised his hand and waved, and the flames floated directly thinking of Song Gang.

The flame seemed to be very slow, but it was in front of Yue Feng in the blink of an eye.

“Ah...”

Song Gang didn't have time to dodge, and was instantly enveloped in flames. He heard a scream, Song Gang's whole person was on fire, and in less than a few seconds, Guo Gang was already a charred corpse. .

sky! Terrible fire.

Seeing this scene, Song Gang's accomplices all trembled, and couldn't help gasping for air!

This guy, seemingly unremarkable, has such a terrifying strength.

Could it be... is he really the legendary Yue Feng?

“Wow, that's amazing...”

Xiao Xi smiled and clapped her hands: “Master, the power of this flame is stronger than your previous Bai Lian Leng Huo. It's too powerful.”

Hearing Xiao Xi's words Admiring, Yue Feng smiled slightly.

In the next second, Yue Feng's eyes became gloomy, and he looked around at Song Gang's other accomplices, saying word by word, “Who else is dissatisfied, come up!”

Puff! poof...

Hearing this, all of Song Gang's accomplices felt chills down their spines, then looked at each other in dismay, and all knelt down, all trembling and not daring to breathe.

“Heroes, spare your life!”

“Forgive your life...”

“Could it be that Your Excellency is really Your Excellency Yue Feng, please forgive us for being blind...” The

boss Song Gang, who can't even stop the opponent's move, who dares to be presumptuous!

At this moment, Su Qingyan frowned, looking at these people, she couldn't help but wonder, “Who are you? Why are you robbing here?”

Huh!

Hearing the question, a guy who was kneeling in front of Su Qingyan quickly responded: “Reply to this lady, we were eating in the nearby sea area...”

Buzz!

Before the words were finished, a powerful breath came from the sea in the distance.

Immediately afterwards, a delicate and clear voice came: “Song Gang, you are so bold, you dare to escape while I am sleeping, do you think you can escape from the palm of this girl's hand? Get out immediately before I get angry. Come to me.” The

voice was nice, but it had a strong aura.

Done!

Hearing this voice, all Song Gang's accomplices were pale and slumped on the ground, as if the end of the world.

Such a deep inner strength.

At this moment, Yue Feng also frowned secretly, while looking at the direction of the sea, he saw a delicate and sexy figure coming quickly.

This figure is very fast. One second, it was hundreds of meters away, and the next second, it was right in front of him.

I go!

Seeing the other party's appearance, Yue Feng was stunned.

I saw a seventeen- or eighteen-year-old girl, wearing an emerald green short skirt, full of youthful breath, delicate facial features, and endearing, but in those eyes, there was a look of arrogance and arrogance. .

At first glance, it is not a master to be provoked.

At this time, the girl glanced at Yue Feng three times, then looked around, and said coldly: "Are you still running?"

As she was talking, when she saw Song Gang's body, the girl frowned: "Death Who killed my slave! Did you kill him?"

When the last word fell, the girl Yu raised her hand and pointed at Yue Feng.

Chapter 3775

Call!

In the face of the girl's questioning, Yue Feng looked indifferent: "This person is blocking the road and robbing, and he has no power, shouldn't he deserve to die?"

As he said, Yue Feng felt the girl's strength and was secretly surprised.

It turned out to be the late stage of the Tribulation Realm.

A girl who is less than twenty years old is even stronger than Dasheng. You must know that Sun Dasheng's realm at this time will not transition to the middle stage of catastrophe.

Swish!

Hearing this, the girl frowned, looked around at Song Gang's accomplices, and said coquettishly: "Okay, you escaped while I was sleeping, and you still dare to rob? It's really a dog can't change it..."

Pfft...

Feeling the girl's anger, Song Gang's accomplices were so frightened, they hurriedly knelt on the ground and begged for mercy.

"I don't dare, I don't dare."

"Miss Wushuang, please spare your life."

When begging for mercy, these people's faces were pale, obviously afraid of this girl, and they were afraid to the core. And this girl, named Nalan Wushuang, was the powerful figure who subdued Song Gang and his group a few days ago.

Seeing this scene, Su Qingyan and Xiao Xi were secretly amazed.

You know, all of Song Gang's companions, all of whom are ferocious, are not good stubborn, but they are so frightened by a girl, it is incredible.

At this time, Nalan Wushuang glared at a few people: "I'll settle the account with you when I go back."

After speaking, Nalan Wushuang's eyes fell on Yue Feng with a charming face: "Even if they are wrong, you will You can't kill people, you have to apologize to me for killing my slave."

The sound is crisp, but unmistakable.

What?

At this moment, Yue Feng was stunned there, both angry and funny.

This girl's tone is not small, and she still wants me to apologize to you?

Thinking of this, Yue Feng smiled slightly: "Little girl, your subordinates stole my money and was killed by me. He deserved it, why should I apologize?"

Hula...

As he was talking, he heard a voice not far away. There was a sound of footsteps, and I saw dozens of figures rushing over. These people, each with a sword and a sword, are of good strength.

When they got to the front, these people stood behind Nalan Wushuang, and they were extremely respectful.

These people are all pirates operating in the nearby coastal areas. In the past month, they have been subdued by Nalan Wushuang.

Phew...

Seeing the scene in front of them, these pirates were stunned.

The next second, a young woman came out and couldn't help but asked Nalan Wushuang, "Miss, why did Song Gang die?"

The woman looked in her twenties and wore a long pink dress. Sexy and charming, the strength is not weak, the fifth paragraph of Wuhuang.

This woman's name is Xiao Rong, and she is Nalan Wushuang's personal maid.

Over the years, due to the turbulent situation in Kyushu, the waters near Donghai City have spawned many pirate gangs, robbing merchant ships and bullying the people, making the nearby fishermen miserable.

And just a month ago, this girl named Nalan Wushuang suddenly came here, defeated the nearby pirate gangs one by one, and forced these pirates to be his slaves by cruel means.

No one knew where Nalan Wushuang came from or where he was trained, but only knew that she was very strong, and there was a maid named Xiao Rong by her side.

Hearing Xiao Rong's question, Nalan Wushuang let out a sigh of relief, then raised his chin and pointed at Yue Feng: "He killed him."

Shuh!

As soon as the words fell, whether it was Xiao Rong or the pirates around, their eyes suddenly converged on Yue Feng.

This person is so courageous, who dares to kill Miss Nalan.

### **Chapter 3776**

Under the gazes of everyone, Yue Feng was not at all panic, and his face was calm.

It's just that there is some emotion in my heart. The girl in front of me is not only powerful, but she even recruited a group of pirates to be her subordinates, which is a bit interesting.

At this time, Xiao Xi couldn't help it, and said to Nalan Wushuang, "It's impossible to apologize, girl, do you know who he is? He is Yue Feng, the founder of Tianmen, and the hero of the Kyushu continent."

Yue Feng?

Hearing this, the surrounding pirates changed their faces and exclaimed.

"Tianmen Yuefeng?"

"It turned out to be him... No wonder he has such a special temperament."

"The two beside him are his confidantes, they are really beautiful..."

Exclamations kept coming, Nalan Wushuang also frowned, and couldn't help looking up and down at Yue Feng.

In the next second, Nalan Wushuang chuckled and said lightly: "What if you are Yue Feng? My people, there is someone I can teach you. You killed Song Gang, you must apologize to me.

"Nalan Wushuang glanced at Su Qingyan and Xiao Xi, and continued: "If you insist on refusing to apologize, just keep one of them and lose one life."

I went, my tone was not small.

Yue Feng frowned, looked at Nalan Wushuang, and couldn't help laughing: "Girl, you are young, but your tone is not small, I tell you clearly, I can't apologize, and I won't lose one life. My life."

With that, Yue Feng greeted Su Qingyan and the two, and turned to leave.

"Stop!"

This chapter is provided by . Visit for daily update.

Seeing this scene, Nalan Wushuang snorted, her figure flashed, and stopped in front of Yue Feng. At the same time, she raised her jade hand and hit Yue Feng's heart with a palm.

The little girl is very angry.

Seeing Nalan Wushuang's shot, Yue Feng frowned, and without any hesitation, he also slapped and greeted him.

boom!

Immediately, when the two of them touched their palms, they heard a dull vibration. Immediately afterwards, Nalan Wushuang was knocked back a few meters by the air.

And Yue Feng also took a few steps back. When he shot, Yue Feng did not use all his strength, otherwise, Nalan Wushuang would have been severely injured.

"You..."

Nalan Wushuang stabilized his delicate body and looked at Yue Feng with a bit of solemnity.

This Yue Feng is indeed a hero of Jiuzhou, and his strength is really strong. It can be said that since his debut, he has encountered the strongest opponent.

No one knew that Nalan Wushuang came from a secret cultivation sect, the Xia Yin sect.

Like the Bai family, Xia Yinzong has been out of the world for nearly ten thousand years. He never walks around in the rivers and lakes, and never asks about the rivers and lakes. Therefore, no one has ever known that there is such a sect.

Nalan Wushuang, as the leader of the younger generation of Xia Yinzong, is extremely talented and has an arrogant personality. At this time, when he encounters a strong opponent like Yue Feng, the fighting spirit in his heart is immediately aroused.

“Being known as the hero of Jiuzhou, there are indeed two times.” Nalan Wushuang looked at Yue Feng closely, with a bit of confidence on his delicate face: “Let me see how strong you are!”

Om!

The voice fell, Nalan Wushuang’s internal force exploded, and the surrounding air was instantly distorted.

Yue Feng shook his head: “You are not my opponent!”

“Stop talking nonsense, don’t fight me today, don’t think about leaving.” Nalan Wushuang said with a charming face: “Otherwise, you will apologize to me. “

Nima!

Yue Feng couldn’t help laughing and laughing. She is such a good girl, so why do you like to fight and fight?

Muttering in his heart, Yue Feng looked back at the Yue Family Ancestral Hall, and said helplessly: “Okay, since you have to fight, let’s go to a farther place.” The

voice fell, Yue Feng showed his figure, and went to the seaside not far away. .

Next to it is the ancestral hall of the Yue family, as well as the spiritual position of his mother. Yue Feng did not want to destroy the ancestral hall because of the fierce battle with Nalan Wushuang.

Chapter 3777

Nalan Wushuang did not hesitate, her delicate body flashed, followed Yue Feng, and headed towards the sea.

call!

Seeing this situation, Su Qingyan and Xiao Xi looked at each other and quickly chased after them.

Xiao Rong and the pirates were also very excited, and they moved their figures one after another, and followed closely behind.

Soon, at the seaside, Nalan Wushuang stood pretty on a rock and said to Yue Feng: "Yue Feng, if you worship later, from now on, you will be my servant."

Hearing this, Yue Feng couldn't help laughing: "It's really shameless, then if you lose, what would you say?"

"Who is shameless, not necessarily, if I lose, it's up to you!" Nalan Wushuang responded coldly, the moment the voice fell, the delicate body came straight towards Yue Feng like a shock.

interesting.

Seeing Nalan Wushuang so confident, the corners of Yue Feng's mouth twitched, his figure erupted, and he fought Nalan Wushuang in mid-air.

Speaking of which, Yue Feng planned to defeat Nalan Wushuang with one blow, but seeing that the other party was so arrogant and confident, he planned to play with her more.

Bang bang bang!

I saw the silhouettes of Yue Feng and Nalan Wushuang constantly shuttle in mid-air, and a breath of aura vibrated, constantly spreading out, causing the sea water to surge and huge waves to rise.

Huh...

Seeing this scene, all the pirates watching the battle not far away were extremely shocked, and at the same time couldn't help but whisper.

"It's rare to see this level of battle."

"I didn't expect that Miss Nalan would be so strong that she could fight against Yue Feng without losing..."

"You said, who will win later?"

When the pirates' comments came, Xiao Rong's beautiful face couldn't help but said, "Is this still a guess? Of course, the young lady can win." When she spoke, Xiao Rong looked confident.

You must know that Nalan Wushuang is an unparalleled genius of the Xia Yinzong for thousands of years.

Hearing this, Xiao Xi, who was not far away, couldn't help but pouted: "I'm quite confident!"

Su Qingyan smiled lightly: "I don't care about them, let's just watch."

At this time, in midair.

Nalan Wushuang's long dress was flying, extremely agile, like an immortal descending from the earth.

However, Nalan Wushuang at this time was not at all easy, on the contrary, the more he fought, the more frightened he became. She clearly saw that every time she attacked, it was dismissed by Yue Feng's understatement.

How could this be?

What shocked Nalan Wushuang even more was that he could not perceive Yue Feng's realm, and the other party was like a vast ocean, unfathomable.

"I can't help you!"

Nalan Wushuang was completely anxious after standing for a long time, his red lips lightly opened, and he uttered a few words coldly: "Frightening Finger!" The voice fell, and he quickly raised his jade hand, flicked his fingers, and I saw a dazzling light rushing towards Yue Feng.

This dazzling light is like a sharp arrow. Wherever it passes, the air is torn apart, and its power is amazing.

Frightening Finger, one of the top martial arts of Xia Yinzong, few people have been able to practice it for thousands of years, but once it is practiced, it is extremely powerful.

Um?

Yue Feng frowned, very surprised, this girl has deep internal strength, and the skills she uses are so special.

Muttering in his heart, Yue Feng calmly raised his hand and deployed a protective film in front of him.

Chi Chi...

The next second, the light hit the protective film and instantly collapsed.

What?

Seeing this scene, Nalan Wushuang's delicate body trembled, staring blankly at Yue Feng, shocked.

Impossible, his fright finger can penetrate everything and no one can stop it, but it was easily blocked by this Yue Feng with a protective film.

#### Chapter 3778

This is absolutely impossible.

At this time, Nalan Wushuang still didn't know that Yue Feng had Yuanshen and was no longer an ordinary person. It is very easy to block her fright fingers.

Seeing Nalan Wushuang's solemn face, Yue Feng smiled and said: "Girl, admit defeat, you are not my opponent!"

Nalan Wushuang bit his lip tightly and snorted: "I, Nalan Wushuang, never knew anything. It 's called admitting defeat." The

voice fell, Nalan Wushuang's delicate body trembled, and he came towards Yue Feng again.

Ugh!

Seeing her being so persistent, Yue Feng sighed secretly, turned around like a ghost, went around behind Nalan Wushuang, and slapped it out with a light palm.

After Yue Feng thought about it, he slapped Nalan Wushuang to the ground and ended the battle.

However, Nalan Wushuang reacted very quickly. Seeing Yue Feng's palm, he quickly moved his figure and flew up, preparing to avoid this palm, but Yue Feng's hand was like lightning, and he still did not avoid it in the end.

But unfortunately, because Nalan Wushuang's figure rose, Yue Feng's palm should have hit her on the back, but it turned out to be firmly slapped on her leg.

Snapped!

With a crisp sound, Yue Feng was stunned.

At the same time, Yue Feng couldn't help but admire the wonderful feeling.

At this moment, Nalan Wushuang trembled even more delicately, her delicate face was extremely red, and her heart was even more ashamed and angry.

This... this Yue Feng, actually hit his place.

In shame, Nalan Wushuang glared at Yue Feng, his eyes full of murderous intent.

“It’s shameless!”

Seeing this situation, Xiao Rong, who was watching the battle below, was also extremely angry, and couldn’t help but shouted coquettishly, “Just like this, he is still a hero of Kyushu, and his shot is so despicable.”

This Yue Feng, who is also a famous figure in Kyushu, actually shot the young lady. The place...

it’s abominable!

Whoa!

At the same time, the surrounding pirates also exploded in an instant.

“I’m going...”

“What’s the situation? What did I see just now?”

“Tsk tsk, I didn’t expect the world-famous Yue Feng to be...” The

voices of discussion kept coming, and Su Qingyan’s delicate face was also penetrating. With a bit of blush, I couldn’t tell the embarrassment.

She could see that Yue Feng didn’t do it on purpose, but being watched by so many people, he couldn’t make sense.

Xiao Xi was a little angry, and shouted at the pirates, “What nonsense are you talking about? The situation just now was very obvious. It was this Nalan Wushuang who didn’t avoid it, and was beaten by the son... in that place.”

However, no one listened to Xiao Xi’s words, and their eyes were all focused on the sky.

midair.

Nalan Wushuang pushed his figure and landed on a rock, glaring at Yue Feng, his face blushing: “Yue Feng, just like you, you are still called the hero of Kyushu? I think you are a rogue.”

Uh... ..

Feeling Nalan Wushuang's anger, Yue Feng scratched his head, also very embarrassed.

Nima, this is embarrassing.

But soon, Yue Feng reacted and tried his best to calm down: "It was an unintentional mistake just now, it can be said to be a coincidence, but then again, I made my debut earlier than you, so I can be regarded as your senior, and it's okay to slap you, even if It's to educate your junior."

Having said that, Yue Feng looked Nalan Wushuang up and down, and continued: "You little girl, relying on some skills, is arrogant, I will teach you a lesson today, so that you know that there is a heaven outside the sky."

"Bah!"

Hearing this, Nalan Wushuang was embarrassed and angry, and couldn't help spit: "Take advantage of me, and you are so grand, I think you are a scoundrel."

Chapter 3779

Oh!

Yue Feng was very helpless and smiled bitterly: "Girl, don't you know what's wrong, I have already controlled the power with that slap just now, otherwise, your ass has already bloomed, and you can still stand here and talk to me?"

"You..."

Hearing this, Nalan Wushuang's face was extremely red, and his delicate body trembled: "You shameless bastard, I have to kill you today!" The

voice fell, Nalan Wushuang's light figure With a swipe, he charged towards Yue Feng with astonishing energy.

Seeing Nalan Wushuang rushing towards him, Yue Feng shook his head. He didn't hold back at this time, and greeted him with a palm.

boom!

The palms of the two touched, and a dull vibration sounded. At this moment, Nalan Wushuang stepped back several steps in a row, her delicate body trembled, and her face was instantly ugly!

Yue Feng no longer released water, Nalan Wushuang was certainly not his opponent with that palm!

“You...”

Nalan Wushuang only felt stuffy in his chest, stabilized his figure, looked at Yue Feng in shock and anger, his face was full of incredible!

This.. how is this possible!

In an instant, this Yue Feng's strength was more than ten times stronger than before.

Could it be....he didn't do his best before?

What?

Seeing this scene, Xiao Rong, who was not far away, and the pirates were also stunned.

So soon to decide the winner? Before that...

At this time, Yue Feng showed a smile, looked at Nalan Wushuang and said lightly: “I said, you are not my opponent? It's getting late, and I won't play with you anymore.”

“We made a bet just now. If you lose, let me deal with it. You can tell what you say!”

Hearing this, Nalan Wushuang bit his lip tightly. What do you want?”

Yue Feng smiled: “Don't be nervous, I don't want your life, so let's call me a good brother, and forget the misunderstanding just now.”

Shuh!

Hearing this, Nalan Wushuang's delicate face turned red again, and at the same time, his eyes stared at Yue Feng coldly, ashamed and angry.

This Yue Feng, who just stood by himself as cheap, now wants to call him good brother...

How can there be such a shameless person?

At the same time, Xiao Rong and the pirates were also stunned.

This Yue Feng's condition is too casual, but then again, it's a bit shameless for Nalan Wushuang to call him a good brother.

As for Su Qingyan and Xiao Xi, they couldn't help but snicker.

We haven't seen each other for three years, but Yue Feng still likes to tease people so much.

At this time, seeing that Nalan Wushuang has been silent, Yue Feng smiled and said: "What? I was so confident before I started, but now that I lost, I don't recognize what I said?"

"You..."

Nalan Wushuang momentarily Angered, he finally bit his lip and whispered: "Good brother..." To

be honest, calling Yue Feng good brother, Nalan Wushuang felt ten thousand reluctance in his heart, but there was no way, he was willing to admit defeat.

After shouting this sentence, Nalan Wushuang stomped his feet, and then shouted at Xiao Rong and the pirates, "Let's go."

After walking a few steps, Nalan Wushuang looked back at Yue Feng and said coldly, "Yue Feng, I remember you. I will repay the humiliation you brought me today."

Hearing these threats, Yue Feng smiled slightly, not paying attention at all.

On the other side, the Ouyang family.

In the hall, Wen Chou Chou and Sun Dasheng were sitting there drinking tea and chatting.

It was Bai Yunfei and Ji Hongshang.

After investigating Shenlong Island, Bai Yunfei guessed that the demon might be in the ghost world, and then he listened to Ji Hongshang's suggestion and came directly to the Ouyang family.

At this time, the housekeeper walked out quickly, and bowed his hands at Bai Yunfei: "I'm sorry, the Palace Master Wen is missing, please come back."

No?

After touching the door, Bai Yunfei frowned, feeling very unhappy in his heart. He immediately smiled and left with Ji Hongshang.

Soon, in the hotel room where he was resting, Bai Yunfei looked annoyed: "Ma De, this article is ugly and ugly." When he said this, Bai Yunfei's eyes were full of gloom.

At this time, Bai Yunfei wanted to break into the Ouyang family directly, forcing Wen Chou Chou to help him and explore the ghost world, but he still held back.

After all, the Ouyang family has a high reputation in the rivers and lakes. If the matter becomes a big one, it is impossible to guarantee that it will not be leaked out.

"Sect Master!"

At this moment, Ji Hongshang walked over and said, "Since Wen Chou Chou refuses to see him, we might as well start with someone close to him. As far as I know, Wen Chou Chou's son is called Wen Xiaoyu. , let me check the situation of this Wen Xiaoyu."

Hmm!

Hearing this, Bai Yunfei nodded: "Okay, you go to check."

Ji Hongshang responded, then walked out of the room and instructed the disciples of the Five Poison Sect to check Wen Xiaoyu's situation.

Half an hour later, Ji Hongshang returned to the room and said with a smile: "Sect Master, there is a clue, this Wen Xiaoyu talked about a girlfriend, a student of Zhongzhou University, named Xu Wan, the two have a good relationship, we can use it. This Xu Wan, grab Wen Xiaoyu, and use Wen Xiaoyu to threaten Wen Chou Chou."
