

## The ultimate husband in Chinese chapter 3781-3790

Chapter 3781

“I’m going!”

Just as these rich second-generations were discussing, I heard someone in the crowd exclaim, and then, I saw a slender and graceful figure appearing in front of everyone.

A deep burgundy dress, with light steps, exquisite curves, and delicate facial features, revealing a bit of charm, it is simply unbelievably beautiful.

It was Ji Hongshang.

Whoa!

As soon as Ji Hongshang appeared, the entire gate of Zhongzhou University exploded.

For a time, the eyes of everyone present would be focused on Ji Hongshang, especially the rich second generation, all of whom looked straight.

Beautiful, so sexy.

Is this a female teacher from Zhongzhou University? So beautiful.

“Tsk tsk...”

After a few seconds, several rich second-generations surrounded by the luxury car came over while laughing and admired Ji Hongshang up close. They were all playboy disciples in Zhongzhou City, relying on the family Back, lawless.

At this time, in the hearts of these rich second generation, Ji Hongshang in front of her should be a new female teacher from Zhongzhou University. She has no background, so she is even more unscrupulous.

Among these rich second-generations, the leading one had ear studs and looked at Ji Hongshang up and down. He was extremely arrogant and didn’t care about so many students around him watching.

This person’s name is He Yuan, and his family is in the logistics business. Seeing Ji Hongshang at this time, she was instantly fascinated.

“Oh, I didn’t expect that there are such sexy beauties in Zhongzhou University!” While admiring Ji Hongshang, He Yuan laughed and laughed with his companions, his voice was particularly harsh.

This chapter is provided by . Visit for daily update.

The voice fell, and several companions beside him were booing!

“Yeah, we come every day, but we haven’t seen each other.”

“This beauty is really superb.”

“Haha, Brother Yuan, you’re going to be lucky today.”

When they said this, these rich second-generation did not care about Ji Hongshang at all. right in front of you.

Facing this situation, Ji Hongshang’s delicate face did not fluctuate at all.

Yes, she appeared at the entrance of Zhongzhou University with the purpose of Xu Wan.

It’s very cold.

Seeing that Ji Hongshang didn’t react at all, He Yuan became more enthusiastic, and walked up directly with a few companions, looking at Ji Hongshang with a smile:

“Beauty, dare to ask Fang’s name? It’s really fate that we can meet here. Ah, why don’t you find a place to have a few drinks?”

“Go away!”

Ji Hongshang frowned, spit out a word coldly, without even looking at He Yuan.

Where is the little bastard from, he really doesn’t have long eyes.

Um?

Hearing this, He Yuan and several of his companions were stunned.

This beauty is very hot.

At this time, hearing the movement here, the surrounding students, as well as Xu Wan, all looked towards this side.

Finally, He Yuan reacted and looked at Ji Hongshang with great interest: “Tsk tsk, the beauty of the personality is really straightforward, haha... My name is He Yuan, I...”

Before he finished speaking, he was interrupted .

“Snapped!”

I saw Ji Hongshang's jade hand raised, and the shot seemed light, but He Yuan couldn't dodge at all. Hearing a crisp sound, He Yuan's whole body was like a cannonball, and he flew out directly.

"Ah!"

He Yuan screamed in agony, flew out dozens of meters, and finally landed heavily on the ground, spit out several mouthfuls of blood, and then closed his eyes, not knowing his life or death!

What the hell!

Chapter 3782

Seeing this scene, several of He Yuan's companions are all straight with cold hair, their legs are weak, and they can't stand firmly. This beauty is actually a cultivator, and her strength is so powerful?

At the same time, the students who were watching the excitement around were also dumbfounded. They stared at Ji Hongshang without blinking, unable to say a word!

Xu Wan was also stunned, shocked.

This beauty is so powerful, but He Yuan and these dudes deserved it.

"Hello!"

Just when Xu Wan was muttering in her heart, Ji Hongshang slowly walked over, with a slight smile on her delicate face: "Girl, are you Xu Wan?"

Xu Wan was stunned. Nodding her head, "Yes!"

When she answered, Xu Wan was inexplicably nervous. She only felt that the woman in front of her had a strong aura.

Ji Hongshang smiled: "That's right, I'm a friend of Wen Xiaoyu, I want you to do me a favor, come with me!"

Friends?

Xu Wan frowned lightly, how could such a beautiful female friend never hear Wen Xiaoyu mention it?

Muttering in her heart, Xu Wan shook her head: "Sorry, I still have something to do." After speaking, she was about to turn around and leave. Xu Wan hasn't set foot in

society yet, but her intuition tells her that if she goes with the woman in front of her, bad things will happen.

Seeing this situation, Ji Hongshang didn't have time to think about it, she quickly caught up, raised her hand and touched Xu Wan's acupuncture point.

In an instant, Xu Wan's body trembled and she couldn't move.

Snapped!

At this time, Ji Hongshang snapped her fingers not far away, a car drove over quickly, and then a few people got off and put Xu Wan on the car.

All this happened so fast, the surrounding students didn't understand what was going on, and the car had already left the school gate.

At this point, in the car.

Xu Wan was tapped on the acupuncture point, unable to move at all, feeling extremely frightened and nervous.

"You..."

After a few seconds, Xu Wan endured the panic in her heart and stared at Ji Hongshang who was sitting in front: "You are not Wen Xiaoyu's friend, who are you? Why are you arresting me?"

Ji Hong Chang turned back, with a bit of slyness on his delicate face, and smiled slightly: "Don't be nervous, you will know when you get there, my name is Ji Hongshang, from the Five Poison Sect of Xi Cang Continent!"

Five Poison Sect ?

Hearing this, Xu Wan's heart trembled. Although she was still a student of Zhongzhou University, after becoming Wen Xiaoyu's girlfriend, Xu Wan also learned a lot about the world of Kyushu.

The Five Poison Sect is the first sect in the Western Cang Continent.

How could Wen Xiaoyu get involved with such a sect?

Thinking of this, Xu Wan's heart became even more nervous.

Unconsciously, the car drove for more than an hour.

When the car stopped, Ji Hongshang ordered someone to cover Xu Wan's face with a black cloth. Now, Xu Wan panicked even more. Ben was also thinking of finding an opportunity to send a message to Wen Xiaoyu, telling him his location, and asking him to save him, but now he is covered with a black cloth, and he has no idea where he is.

After being covered with a black cloth, Xu Wan was led by Ji Hongshang for more than ten minutes.

This...

Finally, when the black cloth on her face was taken off, Xu Wan was immediately flustered when she saw the environment in front of her.

I saw that there was a dilapidated cottage in front of me. As far as my eyes could see, there were wrecks everywhere. It was obviously abandoned for a long time. And around this cottage, there are many disciples of the Five Poison Sects guarding it.

Almost on guard.

What is this place? Will the other party kill people?

Seeing this, Xu Wan was nervous.

At this time, Xu Wan did not know that this abandoned valley was the former Valley of the Wicked. Yue Feng had just founded Tianmen and wiped out the Valley of the Wicked, forcing the leaders of the Valley of Wicked to surrender. Later, Yang Jian led the Northern Ying army to attack Zhongzhou. Shi, Yue Feng and the major sects also retreated to the Valley of the Wicked as their last resistance.

Now, a few years later, the place has become extremely desolate.

Chapter 3783

At this time, under the signal of Ji Hongshang, several disciples of the Five Poison Sect took Xu Wan to the dilapidated hall of the cottage.

In the hall, Bai Yunfei sat there leisurely.

"Sect Master, Wen Xiaoyu's girlfriend has been caught." Ji Hongshang said respectfully.

Bai Yunfei nodded, then looked up and down at Xu Wan, and showed a slight smile: "I didn't expect this kid to be so beautiful, the girlfriend he is looking for is so beautiful."

Huh...

Feeling Bai Yunfei's gaze, Xu Wan was confused. comfortable.

Xu Wan clearly felt that Bai Yunfei in front of her looked handsome and unrestrained, but there was a chilling evil spirit in those eyes.

Soon, Xu Wan reacted and asked Bai Yunfei: "You... Who are you?"

"It doesn't matter who I am?"

Bai Yunfei smiled indifferently, and said leisurely: "Girl, don't be nervous, I just want to use you to lure Wen Xiaoyu out, it won't hurt you!"

Said, Bai Yunfei gestured to Ji Hongshang: "It's up to you next."

Ji Hongshang nodded, then walked over to Ji Hongshang. In front of Xu Wan, she was about to take out the phone from her, and then brought Wen Xiaoyu over.

"Don't touch me..."

At this moment, Xu Wan was tapped on the acupuncture point and couldn't move, but she was so anxious that she shouted at Ji Hongshang: "You despicable villains want to harm Xiaoyu. Brother, I won't let you succeed." As

she spoke, Xu Wan spat at Ji Hongshang, trying to stop her from searching her body.

Ji Hongshang reacted quickly and stepped aside, but her anger was aroused.

"I don't know how to lift up!" The cold words came out of Ji Hongshang's mouth. As she spoke, she suddenly raised her right hand and slapped Xu Wan's face with a fierce slap!

"Crack!" A

crisp slap sounded, Xu Wan whispered, and the whole person took a few steps back and fell to the ground.

Bai Yunfei sat there, looking at him with a half-smile, without the slightest pity, now he just wanted to lead Wen Xiaoyu out as soon as possible, then controlled it, and finally threatened Wen Chou Chou. As for how Ji Hongshang treated Xu Wan, he didn't care at all.

At this time, Ji Hongshang found the mobile phone from Xu Wan, quickly found Wen Xiaoyu, and sent a message there.

Done.

Seeing this situation, Xu Wan's face was pale and completely desperate.

At the same time, I also prayed in my heart.

Brother Xiaoyu, don't come, don't come.

.....Zhongzhou

City, Longevity Hall Branch!

In the secret room, Wen Xiaoyu was sitting cross-legged and meditating. Originally, Wen Xiaoyu also lived in the Ouyang family. Later, in order to temper him, Wen Xiaoyu asked him to manage the branch in Zhongzhou City. Yu has always lived in the branch hall.

Recently, Wen Xiaoyu is cultivating the unique skills of the Hall of Longevity, and most of the time, he is in retreat.

Buzz...

At this moment, Wen Xiaoyu was completely immersed in the realm of cultivation, and suddenly, the mobile phone on his body vibrated.

Who is looking for me at this time?

Wen Xiaoyu frowned, and quickly took it out to take a look, and suddenly showed a smile, which was sent by Xu Wan.

Immediately, Wen Xiaoyu opened the message, and the whole person was blinded.

Just saw the news with only a short sentence: I am in the valley of the wicked in the north of Zhongzhou City, come and see me.

strangeness!

The Valley of the Wicked has been abandoned for many years, and it's still late at night. What is Xu Wan doing there?

Muttering in his heart, Wen Xiaoyu immediately called over, but what he didn't expect was that he heard the prompt tone of the other party's shutdown.

Chapter 3784

Shut down?

At this moment, Wen Xiaoyu had a bad premonition, sweating profusely, and stood up all of a sudden!

Afterwards, Wen Xiaoyu quickly walked out of the secret room, and rushed over directly thinking of the direction of the Valley of the Wicked.

.....

At this moment, in the Valley of the Wicked.

Ji Hongshang took Xu Wan's mobile phone, and after sending a message to Wen Xiaoyu, she destroyed the phone directly.

Seeing this situation, Xu Wan was frightened and angry, and kept shouting.

"It's too noisy!"

Bai Yunfei was upset by the noise, and waved at Ji Hongshang: "Take her out, that Wen Xiaoyu will come and notify me when he appears."

"Yes!" Ji Hongshang responded and quickly He ordered his subordinates to drag Xu Wan out.

When they got outside, under Ji Hongshang's signal, several disciples of the Five Poison Sect tied Xu Wan to a big tree.

"You..."

At this time, Xu Wan, panicked and angry, still kept shouting at Ji Hongshang: "You vicious woman, if you want to harm Brother Xiaoyu, you will not succeed.

" You'd better let me go, otherwise, Brother Xiaoyu won't let you go."

Xu Wan's shouts kept coming, Ji Hongshang frowned, and she was extremely irritable, and scolded coldly: "You give I shut up!" The sect master was resting in the hall and disturbed him, and he couldn't bear it.

However, Xu Wan had lost her mind at this time and did not listen at all.

"I can't keep my mouth shut, you kidnapped me, and you want me to shut up, is it a guilty conscience?" Xu Wan looked at Ji Hongshang fearlessly and retorted coldly.

At this time, Xu Wan's heart was much calmer than before.

The other party arrested him in order to lure Brother Xiaoyu out, so they wouldn't treat themselves like that before Brother Xiaoyu appeared.

"Okay!"

Seeing Xu Wan's fearless face, Ji Hongshang's mouth twitched, revealing a sneer: "I can't tell, you are a delicate female student, you are quite courageous, and dare to shout at me."

With that said, Ji Hongshang turned her hand over, and saw something fluffy in the palm of her hand.

hiss!

Seeing that thing, Xu Wan's body trembled, and she couldn't help taking a deep breath.

In the palm of Ji Hongshang's hand, there was a large black spider, and he saw that the spider was ten centimeters in size, with a dark body, but there was a scarlet in the eyes.

Obviously, this spider is highly poisonous.

"You..."

After a few seconds, Xu Wan reacted and looked at Ji Hongshang in panic: "What are you doing?"

"What are you doing?"

Ji Hongshang's delicate face was full of teasing: "You Isn't it very courageous? I will let you taste the taste of the evil spider, and tell you, this evil spider is a special poisonous insect raised by our five poisonous sects. When bitten, the whole body will be paralyzed, and then the skin will fester and change. People are not like people, and ghosts are not like ghosts."

"Since you are so strong, let's give it a try."

When she said this, Ji Hongshang's eyes flashed with revenge.

Ji Hongshang could not forget the tragic death of her sister, and although Xu Wan in front of her was not a direct relative of Yue Feng, Wen Xiaoyu's father, Wen Chou Chou, was his sworn elder brother, so Xu Wan and Yue Feng in front of her could be regarded as Affectionate.

In a short period of time, he couldn't kill Yue Feng to avenge his sister, so he took this Xu Wan to vent his anger.

Anyway, if she was bitten by the Evil Sky Spider, she would only become ugly, and she would not die, and it would not affect tonight's plan.

What?

Hearing this, Xu Wan's delicate body trembled, and she stared at the evil spider in Ji Hongshang's hands, sweating all over her body: "Don't come here, don't come here..."

## Chapter 3785

Ji Hongshang chuckled, looked at Xu Wan and

said coldly: "Now you know what you're afraid of? It's too late!" With that, Ji Hongshang took the evil spider and walked step by step.

Seeing Ji Hongshang approaching step by step, Xu Wan's pretty face turned pale, completely desperate, and tears poured out!

Being bitten by this Evil Sky Spider, it is better to die directly.

In desperation, Xu Wan bit her lip tightly, closed her eyes, tears kept falling from her face and wet her long skirt.

"Don't blame me..."

Seeing this situation, Ji Hongshang's beautiful face was full of coldness: "Who told you to be disobedient? Also, I'm not afraid to tell you that the reason why I treat you like this is completely because of Yue Feng, if he hadn't forced my sister to take Tongtian Pill a few years ago, my sister wouldn't have been poisoned to death."

"Your boyfriend, called Uncle Yue Feng, you are also a family, so you If you want to blame, then blame Yue Feng." As the

voice fell, Ji Hongshang suddenly made a jade hand, and saw the evil spider jumped out of her palm and came directly towards Xu Wan's face.

Xu Wan closed her eyes, looked at the sword in Ji Hongshang's hand, and stabbed it suddenly, she was completely desperate!

"Stop, you dare to hurt her, I will kill you!"

At this critical moment, a loud roar sounded, followed by a stream of light lasing like lightning, hitting the evil spider in the middle.

slap!

The Evil Sky Spider was hit by the streamer and shattered instantly, turning into a lump of flesh.

Immediately afterwards, the streamer was also stuck on the tree trunk next to it, and it was a dagger.

Whoosh!

At this time, a figure descended from the sky, the figure was tall and straight, and the facial features were handsome and cold, it was Wen Xiaoyu.

After receiving the news before, he found that Xu Wan's phone was turned off. Wen Xiaoyu didn't dare to stop for a while, and rushed to the Valley of the Wicked. As soon as he arrived at the Valley of the Wicked, he happened to see Ji Hongshang using the evil spider to deal with Xu Wan.

"Brother Xiaoyu!"

Seeing Wen Xiaoyu appearing, Xu Wan was extremely overjoyed and couldn't help but let out a coquettish cry.

At the same time, Xu Wan did not forget to remind: "This woman is very powerful, be careful!"

Wen Xiaoyu nodded, and then comforted: "Wan'er, don't be afraid, there is me." With the appearance of being tied up with five flowers, the anger in his heart is rising.

"Who are you?"

In anger, Wen Xiaoyu stared at Ji Hongshang with blood-red eyes, and shouted angrily: "I don't know you, why did you kidnap my girlfriend? If you don't give me a satisfactory answer today, don't want to leave here alive."

"Haha!"

Feeling Wen Xiaoyu's anger, Ji Hongshang did not panic at all, and said lightly: "Thank you for being the young master of the Hall of Longevity, and you don't even know me? Tell you, I am Ji Hongshang, the suzerain of the Five Poison Sect!"

While saying this, Ji Hongshang was shocked when she sensed Wen Xiaoyu's strength.

This kid, his grade is not over twenty years old, his strength is... It's already in the early stage of Transcending Tribulation Realm!

"What about the Five Poison Sect? Provoking me will result in death!"

Wen Xiaoyu's face filled with suffocation, and after shouting angrily, the figure erupted, directly thinking of Ji Hongshang coming.

Seeing Wen Xiaoyu rushing in, Ji Hongshang sneered, rose up, and fought fiercely with Wen Xiaoyu in midair.

bang bang bang...

I saw the figures of the two people constantly shuttle in mid-air, causing the surrounding air to be extremely distorted.

Speaking of which, Ji Hongshang is much older than Wen Xiaoyu, and her cultivation background is deeper than Wen Xiaoyu. However, Wen Xiaoyu has recently practiced the technique of moving flowers and trees, and her moves are ever-changing, which makes Ji Hongshang very headache.

Ten minutes later, Ji Hongshang was still unable to suppress Wen Xiaoyu.

## **The ultimate husband in Chinese chapter 3786-3790**

### Chapter 3786

“This is Wen Xiaoyu’s son?”

At this moment, a faint voice. Immediately afterwards, a handsome figure walked out slowly, with a bit of coldness on his handsome face.

It was Bai Yunfei.

Seeing Baiyun flying out, Ji Hongshang’s delicate body flashed, she withdrew from the battle circle, and landed gently on the ground.

Wen Xiaoyu also landed on the ground, his eyes fixed on Bai Yunfei: “Who are you?”

When he said this, Wen Xiaoyu’s face was solemn, because he clearly felt that the handsome man in front of him was filled with aura, Unfathomable.

“My name is Bai Yunfei!” Bai Yunfei said with a leisurely expression, “I planned what happened tonight.”

“So you are the mastermind!” Wen Xiaoyu snorted coldly, without the slightest nonsense. Holding a long sword, he stabbed directly towards Baiyunfei.

To be honest, Wen Xiaoyu didn’t want to be so reckless, sensing Bai Yunfei’s unfathomable strength, but he had no choice, his girlfriend was still tied up, and he had to seize the opportunity.

“Haha...”

Feeling the power of this sword, Bai Yunfei’s mouth twitched, his face full of contempt: “Boy, even if your father is here, I don’t care about it, even with your strength, you dare to Showing off in front of me?”

The moment the voice fell, a powerful aura burst out from Bai Yunfei's body, and then his figure rose into the air.

hum!

The next second, Bai Yunfei waved his right hand, and a palm shadow burst out. He saw that this palm shadow was condensed by a powerful force, and the surrounding air was completely distorted wherever it passed!

Such a strong breath.

This chapter is provided by . Visit for daily update.

At this moment, Wen Xiaoyu's face changed greatly, and then all his internal power burst out, condensing on the long sword, trying to defeat Bai Yunfei's palm shadow.

"Brother Xiaoyu, be careful!"

Seeing this scene, Xu Wan was inexplicably panicked.

In the next second, Wen Xiaoyu held a long sword and collided with the palm shadow in mid-air. He saw that Wen Xiaoyu's long sword did not break the palm shadow. On the contrary, the long sword in his hand shattered directly, and Wen Xiaoyu's entire body shattered. The man was also slapped to the ground by the shadow of the palm.

boom!

The moment Wen Xiaoyu's figure slammed into the ground, a loud noise erupted, and in an instant, the entire Valley of the Wicked was filled with dust and smoke.

"Brother Xiaoyu."

Xu Wan was worried and heartache again, and couldn't help crying.

Ji Hongshang, who was standing not far away, and the surrounding disciples of the Five Poison Sect were extremely excited, looking at the figure of Bai Yunfei in the air, full of reverence.

The sect master is really amazing. In today's Kyushu, there should be no one who can match it, except for Luo Jue of the Heavenly Dao Alliance.

Especially Ji Hongshang, with a strange brilliance in his eyes.

With such a strong backer, are you afraid that you won't be able to kill Yue Feng?

After more than ten seconds, the dust and smoke gradually dissipated, and a large pit with a diameter of more than ten meters appeared in front of everyone. At the bottom of the pit, Wen Xiaoyu was lying there, his face was pale, and blood was overflowing from his mouth.

Obviously, Bai Yunfei's palm shadow just now completely injured him.

Whoosh!

At this time, Bai Yunfei slowly descended from the air, landed steadily on the ground, and then walked to Wen Xiaoyu step by step.

"I.."

At this time, Wen Xiaoyu endured the pain all over his body and stared at Bai Yunfei, shocked and unwilling to say: "I don't know you, why do you want to plot against me?"

Bai Yunfei smiled slightly: "I'm not trying to deal with you, but there are some things that require your father's help. It's a pity that he refused to see me, so I had to start with you!"

Chapter 3787 The

voice fell, Bai Yunfei took out a blood-red bead from his body, and saw that the bead was translucent, and there was a small black bug in it.

The next second, Bai Yunfei clicked on Wen Xiaoyu's acupuncture point and stuffed the beads into his mouth.

Gudong!

Before Wen Xiaoyu could react, the beads had already been swallowed into his stomach.

"You... what did you give me to eat?" Wen Xiaoyu couldn't help asking, shocked and angry.

Bai Yunfei looked indifferent: "The thing you swallowed just now is called the soul-devouring blood worm, after swallowing it, it will penetrate into your brain, fuse with your essence and blood, and use your essence and blood as the "

And I can completely control this soul-eating bloodworm, as long as you obey me, I will keep you safe, otherwise, this soul-eating bloodworm will drain your blood."

"I advise you not to try to expel it, because it is fused with your blood essence and cannot be expelled. Understand?"

Soul Eater Bloodworm?

Hearing these words, Wen Xiaoyu was shocked and his whole body was cold.

Such a strange name must be extremely terrifying, but... I have been in the arena for several years, why have I never heard of this kind of thing?

At this time, Wen Xiaoyu didn't know that the soul-eating bloodworm was cultivated by Bai Yunfei with the blood of the devil's soul.

A few seconds later, Wen Xiaoyu glared at Bai Yunfei, gritted his teeth and said, "You want me to work for you? Stop daydreaming. Even if I die, I won't be your lackey.

"Xiao Yu was about to bite his tongue and commit suicide.

In Wen Xiaoyu's heart, his father Wen Chou Chou is a famous hero in the world, and he has to be like his father, standing in the sky, how can he surrender to Bai Yunfei at this time?

Pa...

Bai Yunfei seemed to expect Wen Xiaoyu to do this, so he reached out and snapped his fingers.

At the moment when his fingers snapped, Wen Xiaoyu only felt a buzzing sound in his brain, and his whole body was instantly paralyzed, and he couldn't even obey his tongue.

Obviously, Bai Yunfei motivated the soul-devouring bloodworm.

"In my hands, life and death are under my control." Bai Yunfei looked at Wen Xiaoyu with a half-smile, and his tone was unquestionable: "I want you to die before you can die."

With that, Bai Yunfei's figure flashed, When he got to Xu Wan, he took out another bead with a soul-eating bloodworm and force-feed her to swallow it.

"You..." Swallowing the

soul-devouring blood worm, Xu Wan's delicate body trembled, and her face was extremely pale.

At the same time, Wen Xiaoyu's face changed greatly, and he howled at Bai Yunfei: "Bastard, you have to force me, just come at me, why are you feeding her poisonous insects?"

Bai Yunfei chuckled: "Don't do this. , how can I force you to submit?"

"I know, you are strong and strong, and you are not afraid of death, but you don't want to see with your own eyes, your girlfriend has become a human, a ghost, right?" The

last sentence Bai Yunfei said it very leisurely, but it gave people a shuddering feeling.

Xu Wan was terrified, her legs were weak, and she felt that she could not stand still. She looked at Wen Xiaoyu for help: "Brother Xiaoyu..."

Xu Wan was in her youth, and she loved beauty the most, and couldn't imagine herself The scene of the skin festering all over.

call!

Facing Xu Wan's terrified eyes, Wen Xiaoyu gritted her teeth secretly, and fell into a fierce struggle in her heart.

If you don't agree, you can preserve your reputation.

Chapter 3788 If

you don't accept softness, Wan'er will suffer inhuman pain.

"Okay!"

After a few minutes, Wen Xiaoyu finally compromised, looked at Bai Yunfei and said, "What do you want me to do for you?"

Seriously, to surrender to Bai Yunfei, Wen Xiaoyu resisted in a thousand ways. .

But there is no way, the lives of himself and his girlfriend are in the other's hands, it's nothing to die, but Xu Wan can't be implicated.

"Sure enough, there is love and righteousness."

Seeing that he finally agreed, Bai Yunfei showed a smile and said lightly: "What I want you to do is very simple. Your father, Wen Chou Chou, used to be the messenger of Hades, and there is a piece that symbolizes the messenger of Hades. The ghost token of identity, I want you to quietly take this ghost token and give it to me."

When he said this, Bai Yunfei seemed relaxed, but his eyes flashed with a little urgency.

You must know that the ghost token is the symbol of the messenger of the Pluto. With this thing, even ordinary people can freely enter the ghost world and avoid the investigation of the underworld soldiers.

Speaking of which, with Bai Yunfei's strength, he can directly break into the ghost world. Even Bing Yao can't stop him, but if he does, he can't hide the matter of possessing a demon soul.

Ghost token?

Hearing this, Wen Xiaoyu was shocked, and looked at Bai Yunfei blankly, speechless.

Of course, Wen Xiaoyu knew that his father, Wen Chou Chou, had been the messenger of Hades and treasured a token of the ghost world, but that token, the place where Wen Chou Chou hid was very hidden, and it was not easy to find it.

"Boy!"

Seeing that he was silent, Bai Yunfei said coldly: "I will give you ten days, within ten days, if I can't see the ghost token, what will be the consequences, you know better than me, understand?"

"Understood!" Wen Xiaoyu nodded, reluctantly, but at this time, he had no choice.

.....

On the other side, God's Domain!

In the Palace of Heaven, the God of Nine Heavens is sitting on the throne, sipping wine leisurely.

In the open space in the hall, more than a dozen fairies were dancing gracefully. The surrounding musicians were playing soft music, and the atmosphere was peaceful.

Since the ancestor of the Great Desolation appeared, he first dealt with the affairs of the demon clan, and then sealed the Demon Lord Gone. The hidden dangers of the gods were completely eliminated. In this case, the Nine Heavens God had no worries and was relaxed.

"Your Majesty."

At this moment, I saw a figure, walked quickly into the hall, and knelt there with a complicated expression.

It was Luo Jue.

Seeing Luo Jue, Jiutian God frowned, raised his hand to signal the dancing fairies to step back, and then asked, "Luo Jue, didn't I ask you to rectify the situation in Kyushu? Why did you come back?"

Although Luo Jue has no power Ao Qiang, but resourceful and experienced, is the most valued subordinate of Jiutian God. This time, Jiutian God also placed high hopes on rectifying the situation in Kyushu.

“Your Majesty!”

Luo Jue knelt there with a complicated look on his face, and responded, “Your Majesty, I created the Heavenly Dao Alliance in the Kyushu Continent, intending to unify the rivers and lakes of Kyushu. Afterwards, I talked to my subordinates alone and made a lot of rules for me.”

“As soon as Xuansheng Jiutian intervened, many things of his subordinates could not be carried out smoothly. Therefore, this subordinate returned to God’s Domain this time, just wanted to ask His Majesty, the people of Kyushu. The affairs, the subordinates are going according to their own plans, or obey the Nine Heavens Profound Sage.”

It was that Yue Feng again.

Hearing this, Jiutian God frowned and his face became gloomy.

When it comes to Yue Feng, the Nine Heavens God is full of fire.

#### Chapter 3789

This Yue Feng first entered the realm of the gods by mistake, then impersonated himself, and then released the demon clan from the sealed land to besiege the Yutian Palace, and at that time, he could kill Yue Feng immediately, but in At a critical moment, Master Honghuang Patriarch appeared. The master not only helped Yue Feng to speak, but also sealed him as the Nine Heavens Profound Sage.

But now, when Yue Feng returned to Kyushu, he interfered in Luo Jue’s affairs.

Luo Jue is his own person, and he can be regarded as the imperial commissioner sent by God Domain to Kyushu. Yue Feng is pointing fingers at him, but he doesn’t take himself seriously.

Thinking to himself, the Nine Heavens God slowly said: “Then Yue Feng, it was only because of good luck that he was named the Nine Heavens Profound Sage by my master. This Nine Heavens Profound Sage is just a false name and has no real power.

” Just follow your own plan, don’t pay attention to that Yue Feng. Do you understand?”

When he said the last sentence, there was no wavering on Jiutian God’s face.

Huh...

Hearing this, Luo Jue's originally gloomy mood suddenly relaxed, showing a smile, and quickly said: "This subordinate understands."

This time when he returned to God's Domain, Luo Jue just wanted the attitude of Jiutian God. You know, when he learned that Yue Feng was the Nine Heavens Profound Sage, Luo Jue was very puzzled. He didn't understand why a human being could have such a respected identity.

But now, from the words of the Nine Heavens God, Luo Jue clearly felt that His Majesty did not appreciate this Yue Feng, on the contrary, there was a strong disgust in his words.

Knowing this, Luo Jue had a bottom line.

At this time, Luo Jue thought of something, hesitated, and asked, "Your Majesty, what if Yue Feng objected to the plan drawn up by your subordinates?"

"Resourceful, there should be a way."

Saying that, Jiutian God thought of something, and continued: "By the way, after you return to Kyushu, start to investigate Xuanyuan's sins. As far as I know, after Xuanyuan's death, his subordinates' desires and sins were hidden. Get up."

Xuanyuan Yuxie?

Hearing this, Luo Jue was stunned.

Tens of thousands of years ago, gods and humans coexisted in the same world. Later, gods assigned rank and discriminated against humans. At that time, Emperor Xuanyuan, the emperor of the human race, led humans to compete with gods.

However, the result of the confrontation ended in the failure of mankind.

And Xuanyuan has also become a thorn in the eyes of God's Domain.

Later, the whole world was divided into three realms, namely the realm of gods, the realm of human beings, and the realm of ghosts, completely dividing the gods from the human beings.

Because of this, the human beings headed by Xuanyuan have always been dissatisfied, but there was a war in the human world at that time, first the Chiyu war, and then the Rakshasa rebellion.

After the end of the human war, God's Domain took advantage of the time when humans were recuperating and sent divine soldiers and generals to launch a raid. In that raid, Xuanyuan was killed and his subordinates were killed and injured countless

times, but there was still a residual force that escaped the pursuit of God's Domain. Kill and hide.

As the most capable subordinate of Jiutian God, Luo Jue was very aware of this past event, but he did not expect that Jiutian God could still remember it after so long.

"Your Majesty, your subordinates must do their best to find out the whereabouts of Xuanyuan Yuxie." Luo Jue said seriously.

Um!

Jiutian God nodded with satisfaction and waved his hand: "Go, there are so many affairs in Kyushu, you can't be delayed."

"Yes, Your Majesty!"

Luo Jue did not dare to neglect, and hurriedly responded, and then withdrew from Yutian Palace.

.....

Foggy Mountain.

Wuying Mountain is located in the Yellow Sea Continent, at the junction with the Zhongyuan Continent. This mountain range stretches for thousands of miles. There is a huge canyon in the middle. The canyon is surrounded by fog all year round, so it is named Wuying Mountain.

The foggy shadow mountain area has a complex environment and few people.

Chapter 3790

However, the world does not know that in the fog-shrouded canyon, there is an antique pavilion and pavilion.

Xia Yinzong was established by Xuanyuan's subordinates back then.

For nearly 10,000 years, Xia Yinzong has produced many strong people, but because of indifference to fame and fortune, he has never set foot in the arena.

The current suzerain of the Xia Yin sect has been passed down for eighty-eight generations, and the current suzerain is a strange woman: Nalan Qing.

Nalan Qing, the mother of Nalan Wushuang.

At this moment, in the hall of Xia Yinzong.

Nalan sat there quietly, looking carefully, she was only in her thirties. She was wearing a pale yellow long qin. She had a compact body and a dignified temperament. She looked like a fairy in the sky.

And the whole body is filled with a terrifying aura.

At this time, if there are people from the rivers and lakes of Kyushu present, they will definitely be shocked, because this Nalanqing has surpassed the realm of transcending tribulation and has reached the realm of soaring.

It stands to reason that with her current state, she has broken the void and entered the realm of the gods, but Nalanqing still remains in the human world.

On the chairs on both sides under Nalanqing, a few elders sat there, each with immortal style and strength.

The elders with the lowest strength are also in the middle stage of Transcending Tribulation Realm.

You must know that Xia Yinzong was established by Xuanyuan's subordinates. Because of its hostile relationship with God's Domain, its strength has reached the point of soaring, and it is unwilling to enter God's Domain.

Although Xia Yinzong has not set foot in the rivers and lakes for thousands of years, he has been paying close attention to the situation in Kyushu.

In the past two months, God's Domain sent messengers to establish the Heavenly Dao Alliance in Kyushu. Knowing this at the time, Nalanqing thought about it again and again, and finally decided to let his daughter Nalan Wushuang investigate the situation.

Now, Nalan Wushuang has been away for a month, and no news has been sent back. Nalan Qing was concerned and called the elders to discuss.

"Sect Master!"

At this moment, an elder stood up and comforted: "Miss Xiao Rong is with her, Xiao Rong is calm, and with her by her side, Miss should be fine."

Hearing this, the other elders They also nodded in agreement.

"Yeah, and the young lady is talented and intelligent, and her strength is outstanding. Even if she encounters danger, she can turn a bad luck into a good one .

"

Wushuang is young, and despite his outstanding strength, he has no experience in the arena after all. Moreover, it is said that the messenger of the gods, Luo Jue, has a very insidious method. Even the Qinglong family was subdued by him. It's a secret plan."

When he said this, Nalanqing's beautiful face could not hide the worry.

"Mother!"

Just as he was talking, he heard a crisp cry from outside the hall, and then, two slim figures walked in quickly.

It was Nalan Wushuang and Xiao Rong.

"Miss!"

"Miss is back."

Seeing Nalan Wushuang coming back, all the elders present were overjoyed, showing loving eyes one by one.

These elders watched Nalan Wushuang grow up, and in their hearts, they were like granddaughters.

At the same time, Nalan Qing was also overjoyed, stood up and said, "Wushuang, you are back." After saying that, he waved his hand and motioned for Nalan Wushuang to sit beside him.
