

The ultimate husband in Chinese chapter 3801-3810

Chapter 3801

“In the past 30 years, I have handled more than 100,000 antiques, and I have never missed it. Besides, businessmen are based on integrity, and I can’t ruin my job. You say yes Isn’t it?”

“Look at this jade fan, the texture is warm and moist, but it is carved from top-quality white jade, and the patterns on it are exquisitely carved. It is entirely from the palace.”
The

shop owner talked eloquently.

Huh...

For a time, everyone on the outside of the door nodded subconsciously, and they all agreed.

“Yeah, this jade fan is exquisitely carved, it doesn’t look like a fake.”

“Fakes won’t have such a warm luster.”

“Not bad...”

Bai Yunfei also showed a smile after hearing the comments of the people around him.

Everyone said it was true, but Yue Feng said it was fake, and it was clear at a glance who was right and who was wrong.

Thinking to himself, Bai Yunfei looked at Yue Feng with ridicule on his face: “Yue Feng, everyone’s eyes are sharp, what else do you have to say?” The

voice fell, and Xiao Xi on the side couldn’t help it: “Young master said this jade fan is fake, it is fake.”

Xiao Xi has extraordinary confidence in Yue Feng’s achievements in the antique industry.

call!

At this moment, Yue Feng breathed a sigh of relief, first glanced at Bai Yunfei, then at the shop owner, and said slowly, “This jade fan is indeed a top-quality white jade, and the carving is also top-notch, but unfortunately, it is not from the Song Dynasty. It’s a high-quality imitation in the past two years!”

“The black traces in the carvings on it, at first glance, seem to have been left behind after hundreds of years of precipitation, but they are not!”

“This is an old-fashioned method. It is painted with special pigments.”

“After smearing, it is buried in the soil, and then taken out after a month. After special polishing, it has the illusion of years of precipitation.”

” I have to say, this kind of old-fashioning method is very clever, but fakes are fakes, and the facts cannot be changed.”

Finally, Yue Feng looked at the shop owner with a smile: “You said that you were born in an antique family, and your vision is very accurate. , but this time, you have misunderstood.”

“This...”

Hearing this, the shop owner’s face flushed and he was speechless for a while.

At the same time, the surroundings were also silent, and the crowd watching the excitement couldn’t help but whisper.

“What Yue Feng said is the truth, is the jade fan really a fake?”

“It’s hard to say...”

“Interesting, if it’s true, the person on the other side spent two million to buy it, but it really became a big deal. “

The discussions around him kept coming, Bai Yunfei frowned, and he lost his previous self-confidence.

The next second, Bai Yunfei looked at Yue Feng and said unhappily: “You said that this jade fan is a fake, it’s just a one-sided statement, who can prove it?” The

voice fell, and many people around nodded.

“Yes, there is no evidence!”

“It’s true or false, how can you prove it?”

Yue Feng said indifferently: “If you don’t believe it, you can find an authoritative person to be firm and firm.”

Bai Yunfei frowned and turned his head to look. To the shop owner?

The shop owner hurriedly said, "Don't worry, handsome guy. The items in my shop are 100% guaranteed to be true. It can be verified by authoritative people. Today, Antique Street opened. It is said that Master Yuan Xingzhi is also here. I will invite him to come."

When he said this, the shop owner looked confident.

The shop owner believes in his own eyesight very much. This jade fan cost hundreds of thousands of dollars to collect, and it will never be fake. When Master Yuan Xingzhi arrives, everything will be concluded.

Master Yuan Xingzhi?

Chapter 3802

Hearing this, everyone around was in an uproar, and they were all inexplicably excited.

You must know that Yuan Xingzhi is the most famous antique master in the Diyu Continent. If he is there, you can tell at a glance whether this jade fan is real or fake.

The shop owner walked out of the shop quickly and went to invite Yuan Xingzhi.

After a while, I heard a burst of restlessness in the crowd, and then I saw the shop owner walking in slowly with a gray-haired old man.

The old man looked in his 60s, was in good spirits, dressed in a gray and white long gown, and had a good temperament.

It was Yuan Xingzhi.

Seeing Yuan Xingzhi, everyone around was inexplicably excited.

"I'm going, it's really Master Yuan Xingzhi."

"Wait for this jade fan, whether it's true or not, we can find out."

In the discussion, Yue Feng stood there, a leisurely and comfortable.

Yue Feng knew Yuan Xingzhi, not only knew him, but also knew him very well. You know, Yue Feng and Yuan Xingzhi are both disciples of Kang Lianping. Moreover, Yue Feng was an early apprentice and was considered Yuan Xingzhi's senior brother.

"Master Yuan!"

At this time, the shop owner took off the jade fan and handed it to Yuan Xingzhi: "Come and see, is this from the court of the Song Dynasty, my guest, spent two million, why? You have to let him buy it with peace of mind."

Hmm!

Yuan Xingzhi nodded, then took the jade fan, looked at it over and over, and finally shook his head and said, "Boss, when you accepted this thing, you should have been careless, this is a high imitation fake, the color in the carved pattern is old. It has to be said that the method is very clever, but it is just a fake."

Having said that, Yuan Xingzhi patted the store owner on the shoulder: "Return the money to others."

What?

At this moment, the shop owner froze there, completely stupid.

At the same time, the surrounding people also exploded the pot in an instant.

"What? This jade fan is really a fake!"

"I went to, such a big store sells fakes..."

"The water in the antique world is so deep, this jade fan doesn't look like a fake. Yes, but it turned out to be a fake." The

surrounding discussion, you and I came, and Bai Yunfei was also stunned there, his face extremely gloomy.

Mad, originally thought that this Yue Feng just didn't have the money to buy a jade fan, so he deliberately talked nonsense, but he never expected that this jade fan is really a fake.

At this time, Bai Yunfei was staring at Yue Feng, his eyes flashing with unwillingness and anger!

I originally wanted to humiliate Yue Feng, but fortunately, in front of Miss Qingyan, I raised my image, but in the end, it was me who made a fool of myself in the end.

He was very reluctant to accept this fact.

"Handsome guy!"

At this moment, the shop owner quickly refunded the money, and apologized to Bai Yunfei: "I'm really sorry, when I bought this jade fan, I was the one who missed it and

almost caused you to lose so much. I'm so sorry for the money, I'm so sorry... Speaking of which, I really lost Master Yuan this time, otherwise, the shop's signboard would be smashed..."

Bai Yunfei did not speak, and stood there with a gloomy expression on his face. .

To be honest, Bai Yunfei really wanted to kill the owner of the shop at this time. If it wasn't for him selling fake products, he wouldn't be so shameless in front of Miss Qingyan, but so many people around him were watching, so he held back.

"Hey!"

At this time, Xiao Xi came over and mocked Bai Yunfei: "You don't know anything about antiques, but you are too embarrassed to buy a gift for Sister Qingyan, don't be ashamed, talk about antiques Achievements, you have studied for ten years, but you are not as good as the son."

When saying this, Xiao Xi looked at Yue Feng's eyes, full of admiration.

Su Qingyan next to her pursed her lips and smiled, indescribably charming.

Bai Yunfei's face was blue and white, and he couldn't say how to hold back his fire, but he couldn't come out.

Chapter 3803

"Brother Bai!"

At this moment, Yue Feng walked over slowly and smiled at Bai Yunfei: "If you want to please others in the future, you'd better be a little self-aware, don't pretend to understand if you don't know what you are not good at. In the end, it will only be laughable and generous!"

"I said it just now, this jade fan is a fake, you have to listen, but fortunately the shop owner has refunded the money to you, you don't need to thank me, if you buy antiques in the future , brighten your eyes..."

"You!"

Hearing this, Bai Yunfei was about to explode with anger, but he had nothing to refute.

"Okay, very good!" The

next second, Bai Yunfei showed a smile and gritted his teeth at Yue Feng: "As expected of a former hero of Kyushu, I learned it today, we will have a future."

Said, Bai Yunfei tilted his head towards Su Qingyan smiled and said: "Miss Qingyan, let's meet again." The

last word fell, Bai Yunfei gave Yue Feng a stern look, and then strode away.

At this time, the onlookers also dispersed one after another, but there were still some curious, who looked at Yue Feng and talked a lot.

"Is he really the former Tianmen sect master Yue Feng?"

"I don't see it, he also has research on antiques..."

"It may be fooled, but it is just right." During the

discussion, many people thought that , Yue Feng can taste the authenticity of the jade fan.

"Brother?"

However, at this time, Yuan Xingzhi walked up to Yue Feng with a happy face, and said excitedly: "I read it right, it's really you? Three years ago, you were involved in the vortex of chaos, and I and I Master is very sad when he finds out, but I didn't expect you to come back safely."

When he said this, Yuan Xingzhi held Yue Feng's hand tightly and was extremely excited.

Although Yuan Xingzhi and Yue Feng didn't meet much, he was always grateful to this senior brother. You must know that when Yuan Xingzhi first apprenticed, he helped people misread a lot of antiques.

Once, Yuan Xingzhi made a mistake in the identification, which led to heavy losses for the customer. The customer almost found someone to kill him. Later, Yue Feng found out and appeared in time to save Yuan Xingyi's life.

In this case, although Yue Feng was several decades younger than Yuan Xingzhi, Yuan Xingzhi always respected this senior brother.

At this time, he suddenly saw Yue Feng, who had disappeared for three years, how could Yuan Xingzhi not get excited?

Feeling Yuan Xingzhi's excitement, Yue Feng showed a smile: "Junior brother, I haven't seen you for so many years, you have improved a lot in the taste of antiques, not bad."

What?

Seeing this scene, all the people around were dumbfounded.

You heard right, the famous antique master in Earthquake Continent is actually called Senior Brother Yue Feng?

Shocked, utterly shocked.

Especially those who thought that Yue Feng was blind, were even more stunned.

Even Yuan Xingzhi is his junior brother. It seems that Yue Feng's attainment in antiques is not a mystery, but a real talent.

After a few words with Yuan Xingzhi, Yue Feng took Su Qingyan and the two away from Antique Street.

It's getting late, and it's time to go back for dinner. Yingying and Yuruo are all waiting.

On the way back to the Ouyang family, Yue Feng and Su Qingyan walked and chatted while admiring the night view of Zhongzhou City. I have to say that Zhongzhou City is indeed one of the largest cities in Diyu Continent. It is really too prosperous.

Especially this night scene is simply fascinating.

"Yue Feng?"

As he was walking, he heard a cold voice from behind.

Suddenly hearing someone call his name, Yue Feng was stunned for a moment, and Su Qingyan and Su Qingyan looked back together.

What the hell!

Chapter 3804 I

saw that there were two old men standing quietly at a distance of more than ten meters. The two old men were both in their seventies, wearing exactly the same ancient black robes, with a bun on their heads. Look, it's like crossing over.

Not only that, but the two old men were also filled with a powerful aura.

Yue Feng was very surprised and couldn't help but said, "It's Yue Feng, I don't know where the two seniors are from? What are you looking for?"

When he said this, Yue Feng was very puzzled. The old man doesn't know you?

At the same time, Su Qingyan and Xiao Xi were also very curious.

Hearing Yue Feng's answer, one of the old men nodded slowly and said, "We are the elders of Xia Yinzong, the old man is Elder Feng, and he is Elder Huo."

After introducing himself, Elder Feng looked closely at Yue Feng: "We are The master will see you and come with us." His

tone was cold and unquestionable.

Xia Yinzong?

Hearing this, Yue Feng frowned and said with a wry smile: "You two, I don't seem to know the suzerain of your Xia Yin Sect. Besides, I have something to do." After speaking, he greeted Su Qingyan and the two to leave.

Seeing this situation, Elder Feng frowned and shouted coldly: "Stop!" The

voice fell, Elder Feng's inner strength was urged, and the figure erupted, like lightning, coming towards Yue Feng.

hum!

I saw that where Elder Feng passed, the air twisted and vibrated, which was amazing.

What the hell!

Seeing Elder Feng burst out, Yue Feng was taken aback.

He clearly felt that the strength of this elder Feng was close to the realm of ascension, that is to say, he was only one step away from breaking the void and entering the realm of the gods.

In Kyushu, there is still such a terrifying existence.

Under the shock, Yue Feng didn't have time to think, mobilized the power of Yuanshen, quickly avoided the blow of Elder Feng, and said at the same time: "Elder Feng, I have nothing to do with your Xia Yinzong, there is no need to do it as soon as you come up. Let's go."

"You humiliated our eldest lady and said that you have nothing to do with our Xia Yinzong? Today, no matter what, you have to come with us!" Elder Feng said coldly, raised his hand and called towards Yue Feng.

This palm is even more severe than before.

The eldest lady of Xia Yinzong? Who is it? ,

Yue Feng was full of confusion, and at the same time, he didn't have time to think about it.

"Yue Feng!"

"Young Master!"

Seeing this scene, Su Qingyan and Xiao Xi were so anxious that they moved their figures and prepared to rush up to help.

"This is a personal grievance between our Xia Yinzong and Yue Feng, and no one should interfere!" Elder Huo, who had been silently watching the battle, said coldly, and immediately blocked Su Qingyan two.

Su Qingyan and Xiao Xi were both frightened and furious, and joined hands to fight with Elder Huo.

However, Elder Huo, like Elder Feng, is close to the realm of soaring. Even if Su Qingyan and Xiao Xi join forces, they are not his opponents.

Papa...

In less than two rounds, Su Qingyan and Xiao Xi each took a palm, and then Elder Huo tapped the acupuncture point.

Not far away, the fierce battle between Yue Feng and Elder Feng continued.

During the fierce battle, Elder Feng became more and more frightened.

This Yue Feng, who is only in his thirties, is so powerful that he is close to the realm of soaring, and he can't suppress him. More importantly, he could not perceive Yue Feng's realm.

The strength of this Yue Feng is completely unfathomable.

Chapter 3805

Call!

Seeing the situation here, Elder Huo couldn't help taking a deep breath, and was also secretly shocked.

This kid Yue Feng is only in his thirties, and his strength is so terrifying, he actually possesses a primordial spirit? Instead of taking him down, Elder Feng was stubbornly suppressed.

It's incredible to have a primordial spirit at such a young age.

For a time, Elder Huo was stunned, unable to recover for a long time.

To be honest, Yue Feng has the primordial spirit, and it is difficult for ordinary people to sense it, but Elder Huo and Elder Feng are different. They are both close to the realm of ascension, and their perception is very keen.

In the blink of an eye, Yue Feng and Elder Feng fought for a few more rounds in midair.

Seeing that the situation was getting worse and worse for him, Elder Huo finally couldn't bear it anymore and shouted: "Yue Feng, if you continue to resist, I will be rude to them."

The moment the words fell, Elder Huo He raised his hands and hovered above Su Qingyan and Xiao Xi's heads.

Swish!

Hearing the shouting, Yue Feng did not stop immediately, but subconsciously looked towards Elder Huo, his heart was shocked, and his eyes were instantly blood red.

They saw that Su Qingyan and Xiao Xi were stabbed at the acupuncture points and could not move at all, while Elder Huo's palm was hanging above their heads. As long as they were slapped with internal force, the two women would lose their fragrance.

At this time, Yue Feng was not only shocked, but also extremely angry.

The next second, Yue Feng shouted: "Two seniors, you are not my opponents fighting alone, so you used my family to threaten, don't you feel ashamed?"

When he said this, Yue Feng wanted to rush over directly, but Still held back.

After all, the strength of these elders Feng and Huo is too strong, no matter how fast they are, they are not as fast as the other party, so they cannot take risks with the lives of Qingyan and Xiaoxi.

Ahem...

Hearing Yue Feng's sarcasm, Elder Huo's face flushed and he coughed a few times to cover up his embarrassment.

Because what Yue Feng said is right, he is a dignified and dignified elder of the hidden sect, and his strength is tyrannical. Looking at the entire Jiuzhou rivers and lakes, it can be said that he is the same as the peak. At this time, he even used two women to threaten Yue Feng, which is indeed humiliating to himself. identity.

But if you don't do this, there is no other way to make Yue Feng subdue.

Thinking to himself, Elder Huo smiled bitterly and looked at Yue Feng very seriously: "Yue Feng, I am helpless to do this. Who would have thought that the former Tianmen Sect Master was so powerful."

"As long as you stop, I won't hurt the two of them."

Hearing this, Yue Feng was very annoyed, but he was helpless, so he had to stop. He could see that Elder Huo was not joking, he really didn't stop, the other party might kill Su Qingyan and Xiao Xi.

Seeing this scene, Su Qingyan and Xiao Xi couldn't help but feel ashamed.

Ben also wanted to help Yue Feng, but it turned out to be a burden to him. But I have to say that the strength of these elders Feng and Huo is really too strong.

Phew...

At this moment, Elder Feng secretly breathed a sigh of relief, and glanced at Elder Huo gratefully.

Fortunately, Elder Huo was in a hurry, and restrained Yue Feng's family. If he continued to fight, he would really be unable to hold it.

"Elder Huo!"

At this moment, Yue Feng took a deep breath, looked at Elder Huo closely, and shouted: "I have stopped and let them both go!"

Elder Huo smiled slightly and said slowly: "Yue Feng, don't worry, as long as you obey us obediently, I will never hurt the two of them!"

After speaking, Elder Huo took a deep breath and said seriously: "I will capture it immediately, there can be no A little bit of resistance." When the last word fell, Elder Huo's face was firm and unquestionable.

At the same time, Elder Feng walked slowly and took out a golden elixir from his body: "Take this Zhenyuan Pill, and then come with us."

The ultimate husband in Chinese chapter 3806-3810

Chapter 3806 Zhenyuan

Dan?

Yue Feng frowned and looked puzzled.

His own alchemy technique has reached the realm of pureness and purity. The alchemy recipes in “The Promise Alchemy” are also thoroughly cooked. Why have you never heard of Zhenyuan Pill?

Seeing Yue Feng’s expression, Elder Feng smiled lightly: “Don’t be nervous, this is not a poison. After taking it, it can suppress your Primordial Spirit power. I did this just in case.”

When he said this, Elder Feng looked In Yue Feng’s eyes, a strange brilliance flashed.

When fighting against Yue Feng just now, Elder Feng sensed Yue Feng’s primordial spirit, and he was very shocked at that time. It is unbelievable that such a young person has a primordial spirit.

As for Zhenyuan Dan, it is the unique medicine of Xia Yinzong.

You must know that the founder of Xia Yinzong was Xuanyuan’s subordinate. Ten thousand years ago, Xuanyuan led his subordinates to fight against the gods. There were many ways to deal with the gods. This Zhenyuan Dan was one of them.

What? !

Can this elixir suppress my primordial spirit power?

At this moment, Yue Feng’s face changed and he was shocked. Who are these two old men?

At the same time, there was a bit of fire in my heart.

He clearly had the upper hand, but this elder Huo threatened Su Qingyan and Xiao Xi. If he knew this, he let Qingyan and Xiao Xi leave before he started.

“Okay, I’ll take it...”

Finally, Yue Feng took a deep breath, picked up Zhenyuan Dan from Elder Feng’s hand, and said slowly, “I hope you all count.”

This chapter is provided by . Visit for daily update.

“Yue Feng.”

“Young Master...”

Seeing this situation, both Su Qingyan and Xiao Xi trembled, and Qi Qijiao exclaimed.

On Su Qingyan's delicate face, she couldn't hide her worry, and said, "Don't eat it, what if it's poison?" The origins of these elders Feng and Huo are unknown, and their words must not be taken lightly!

When the words fell, Xiao Xi also shouted: "Young Master, don't worry about us, let alone agree to their conditions."

When she said this, Xiao Xi almost cried.

Three years, the son has been away for three years, and finally came back, how can he watch him take the other party's medicine pill, and finally be taken away by these two powerful old men?

"Qingyan, Xiaoxi!"

Feeling their worries, Yue Feng showed a smile: "Don't worry, I will be fine." With that, Yue Feng swallowed Zhenyuan Dan.

hum!

The moment he took the Zhenyuan Dan, Yue Feng only felt a buzzing sound in his head, and then, the power of the primordial spirit in his body was suppressed by a strange force, and he couldn't move it at all, it was very strange.

I go, it can really suppress the power of the primordial spirit.

Upon sensing this, Yue Feng was indescribably shocked. At the same time, he also became interested in Xia Yinzong.

"Okay!"

Seeing that Yue Feng kept his promise and took the Zhenyuan Pill, Elder Huo nodded approvingly: "Although you are a little frivolous in your actions, you can finally do what you say, not bad."

Seriously, Elder Huo I didn't have a good impression of Yue Feng at first. After all, this kid humiliated the eldest young lady Nalan Wushuang before, but at this time, seeing that Yue Feng kept his promise, his opinion of him suddenly changed a little.

Chapter 3807 In the

next second, Elder Huo tilted his head towards Su Qingyan and Xiao Xi and said, "This old man is also right with his words, so there is no need to embarrass the two of you. Your acupuncture points will be able to unravel on their own in half an hour. "

After saying this, Elder Huo and Elder Feng, with Yue Feng, left quickly.

“Yue Feng!”

“Young Master!”

Seeing Yue Feng being taken away, Su Qingyan and Xiao Xi stomped their feet in a hurry. The three of them left with their eyes wide open.

“Sister Qingyan, what should I do?” Anxious, Xiao Xi couldn't help but said, almost crying.

The son was taken away by the two tough old men, I'm afraid that there are more bad luck than good luck.

Su Qingyan was also worried, but she still gently comforted: “Don't worry, Xiaoxi, this is Zhongzhou City, let's rush to the acupuncture point as soon as possible, and bring the news back, then everyone will find a way together, and we will definitely be able to intercept these two. Old man, bring Yue Feng back safely.”

Hmm!

Hearing this, Xiao Xi nodded heavily, and finally, together with Su Qingyan, stimulated her inner strength and tried to open the acupuncture point.

However, Elder Huo's acupuncture technique was very unique. No matter how Su Qingyan and Xiao Xi tried, they couldn't get rid of it.

Finally, half an hour passed, and the acupoints unraveled on their own.

At this moment, Su Qingyan and Xiaoxi didn't have time to think about it, and hurried back to the Ouyang family.

A few minutes later, the Ouyang family hall.

Knowing that Yue Feng was taken away by two mysterious old men, whether it was Wen Chou Chou, Sun Dasheng and Ren Yingying, everyone was furious and panicked at the same time.

Xia Yinzong?

For a time, while everyone was anxious, they looked at each other in disbelief.

What kind of sect is this, why haven't you heard of it before?

“Quick!”

Soon, Wen Chou Chou was the first to react and shouted: "Call everyone immediately, block all exits in Zhongzhou City, and be sure to find the two old people and the whereabouts of Feng Zi."

Speaking of which, Half an hour has passed, and Yue Feng may not be in Zhongzhou anymore, but Wen Chou Chou still has a glimmer of hope in his heart.

When the words fell, Ren Yingying couldn't help but said: "Let's act separately, so the success rate is higher!"

Wen Chou Chou nodded in agreement.

A few minutes later, Wen Chou Chou and Ren Ying Ying and the others, divided over a dozen routes, and started a carpet-like search around Zhongzhou City.

The entire Zhongzhou City was also tightly sealed by the Ouyang family.

For a time, the bustling and prosperous Zhongzhou City was enveloped by a tense atmosphere.

.....

the other side!

Elder Feng and Elder Huo, took Yue Feng after more than two hours of flight, and finally arrived at Xia Yinzong.

I go!

At this moment, Yue Feng couldn't help taking a deep breath, and the whole person was stunned.

I saw that this Xia Yinzong was established in the deepest part of Wuying Mountain. This quaint Jian ethnic group was looming in the surrounding clouds and mist, like a fairyland.

The location of Xia Yinzong is extremely hidden, if it is not carried by the two elders, I am afraid that it will be difficult to find when passing through here.

Through the gate, Yue Feng could clearly see that the interior deployment of the Jian ethnic group was quiet and elegant, the corridors and pavilions were everywhere, and there were a lot of exotic flowers and plants among them.

Simply a paradise.

And on the plaque at the gate, a few elegant characters were written: Hidden World Heroes!

call!

Seeing this, Yue Feng couldn't help but take a deep breath, shocked.

I thought that I knew the rivers and lakes of Kyushu very well, but I never thought that at the junction of the Yellow Sea Continent and the Zhongyuan Continent, there was still a hidden seclusion gate.

Moreover, the environment of this Xia Yinzong is as charming as a picture scroll.

Chapter 3808

"Let's go."

At this moment, Elder Huo said lightly: "Follow us to see the Sect Master!" The voice fell, and Elder He Feng led the way.

Yue Feng nodded and followed behind.

Along the way, I could see the patrolling disciples of Xia Yinzong from time to time, five steps at a post, ten steps at a post, and Yue Feng felt that the more you went inside, the stronger the strength of these post post disciples.

The entire Xia Yinzong is almost heavily guarded.

I go!

Finally, in a spacious and bright hall, and seeing the scene inside, Yue Feng was suddenly stupid!

I saw that there were several people sitting in the hall. Two of them were old men, wearing the same black robes as Elder Feng, with white beards and white hair, and strong strength.

And in the innermost position, there is an exquisite throne.

On the throne, sat a woman who was alluring, wearing a long white silk dress, revealing her charming curves looming.

Not only that, but a powerful aura pervaded the woman.

It is the suzerain of Xia Yinzong, Na Lanqing.

Hiss...

At this moment, sensing Nalanqing's strength, Yue Feng's heart was incomparably shocked.

This woman... actually surpassed the realm of transcending tribulation and reached the realm of soaring. But why didn't they shatter the void and stay in Kyushu instead?

Immediately afterwards, seeing Nalan Wushuang beside Nalan Qing, Yue Feng was stunned for a moment, and then suddenly understood something.

is her!

Isn't this the unruly girl I met in Donghai City before?

It seems that she is the eldest miss of Xia Yinzong, no wonder she was so arrogant at the time, and she dared to speak harshly to me after defeating her.

At this time, Nalan Wushuang's eyes were also fixed on Yue Feng, and there was a bit of pride and gloom on her delicate face.

This Yue Feng, even if the strength is strong, so what? Haven't you been caught yet?

Nalan Wushuang felt extremely embarrassed and angry when he thought of the place where Yue Feng touched him at that time.

Swish!

At the same time, all the eyes of the entire hall suddenly converged on Yue Feng, and the elders present were secretly surprised.

Is this Yue Feng?

But in the thirties, do you have the primordial spirit?

Could it be... This Yue Feng is from the God Realm?

Thinking of this, the eyes of several elders looking at Yue Feng instantly revealed a strong hostility. You must know that the ancestor of Xia Yinzong, but Xuanyuan's subordinate, has an insoluble hatred with God Domain.

Na Lanqing also frowned, her delicate face showing a hint of coldness, looking down at Yue Feng.

Gudong.

At this moment, facing Nalanqing's eyes like autumn water, Yue Feng's eyes were straight, and he couldn't help swallowing.

Is this the suzerain of Xia Yinzong? This appearance, this temperament, even if Chang'e comes, it is not inferior.

"You are Yue Feng?!"

After looking at it for a while, Nalanqing said softly, "I know this Sect Master, why do I want to see you?" The

voice was not loud, but there was a strong aura.

call!

Yue Feng took a deep breath, glanced at Nalan Wushuang, and said with a wry smile: "Sect Master, if I guess correctly, it must be related to this Miss Nalan Wushuang. Speaking of which, she and I were just a misunderstanding.

"What misunderstanding?"

As soon as the voice fell, Nalan Wushuang couldn't help but say: "It is clear that you are not only bullying me, but also humiliating me..."

Said, Nalan Wushuang hugged Nalan Qing's arm, pleading: "Mother, don't talk nonsense with him, this kind of scoundrel, just kill it."

Chapter 3809 What the hell

!

Hearing this, Yue Feng's heart skipped a beat, and he almost wanted to cry without tears.

I just spanked your ass, completely unintentional, this is going to kill me?

This girl is too cruel.

At this time, Nalanqing also said with a solemn expression: "Wushuang, don't make a fool of yourself!"

After saying that, Nalanqing looked up and down at Yue Feng, and there was no emotional fluctuation on her beautiful face: "You said it was a misunderstanding, then Just explain."

Yue Feng nodded, took a deep breath, and explained the situation at the time.

At the end, Yue Feng shrugged his shoulders and said with a wry smile: “Your Majesty, I had just finished worshipping my mother when I was robbed by this young lady’s men. I shot back and killed it, which was a completely reasonable defense.”

“But You daughter, you insisted on asking me to apologize, and then forcibly fought with me, but when I lost the fight, you said that I bullied her.”

“I also accidentally ran into her place at the time, not on purpose at all.”

Hearing this , the whole hall was silent.

Elder Feng and several other elders all had complicated expressions.

With that said, it seems that the lady is making trouble unreasonably.

This...

Na Lanqing’s pretty face was also slightly red, and there was a bit of embarrassment in his eyes.

Nalan Wushuang suddenly became anxious and glared at Yue Feng: “You killed my man, do you still have reason?” This Yue Feng actually said that he was too much, which is really hateful.

Nalan Wushuang became angrier the more he thought about it, and he had to say more.

However, at this moment, Nalanqing said softly: “Wushuang, don’t talk for now.” After speaking

, Nalanqing looked at Yue Feng and said word by word, “Even if it’s about you and Wushuang, It was a misunderstanding, but what happened to the primordial spirit in your body?”

“You are from the God Realm, and you are not from Kyushu at all, right?”

When he said the last sentence, Nalanqing’s tone was extremely cold, and there was also a hint in his eyes. Strong killing intent.

At the same time, the surrounding elders also looked at Yue Feng coldly, all of them taking action at any time. The whole hall was tense and the atmosphere was depressed.

Uh...

Seeing this, Yue Feng couldn’t help swallowing his saliva!

What's the situation, how can I sense my Yuanshen, all of them are bitter and hated.

Could it be... this Xia Yinzong has a grudge against the God Realm?

Muttering in his heart, Yue Feng pondered for a while, then smiled and said, "I'm from Kyushu with real value, how can I come from the realm of the gods?"

"Then what happened to your primordial spirit?" Nalan asked coldly.

Yue Feng scratched his head and said with a smile: "That's it, three years ago, wasn't I caught in the chaotic vortex? At that time, I was transported to another human world called Roland Continent..."

"Afterwards, I left the Roland Continent and entered the Divine Realm. At that time, I accidentally broke into the Lingguo Garden and ate a lot of the spiritual fruit of the God Realm, and then condensed the primordial spirit..."

When he said this, Yue Feng looked relaxed. , I was a little apprehensive.

Saying so myself, there shouldn't be any flaws...

Phew...

Hearing Yue Feng's explanation, the atmosphere in the entire hall instantly eased a lot.

Nalanqing nodded suddenly: "So it is."

At the same time, Elder Feng and several others also put down their guard.

Only Nalan Wushuang looked contemptuous and pouted, "It turns out that he stole the Spirit Fruit from the God's Domain to become so powerful, and he thought that he had cultivated to this level, it's nothing special."

Chapter 3810

Hearing Nalan Wushuang's mockery, Yue Feng smiled and ignored it.

The next second, Yue Feng looked at Nalanqing and said politely, "Your Majesty, I have said everything I should have said, and the misunderstanding has been resolved. Can I leave now?"

"Xiao Xi, you might be worried.

Nalanqing smiled lightly and responded, "Don't rush to leave. You were caught by the two elders, so you don't want to ask, what about our Xia Yinzong?"

Yue Feng was stunned for a while, then smiled: "If the sect master is willing to say it, I will naturally listen carefully." To

be honest, Yue Feng was also very curious about the origin of this Xia Yinzong.

After all, the sect master and the elders are close to the realm of soaring, which is unique among the sects of the entire Jiuzhou rivers and lakes.

Seeing Yue Feng's interested look, Nalan Qing nodded and said slowly, "Our Xia Yinzong was founded 13,000 years ago..."

In the next ten minutes, Na Lanqing nodded. The origin of Lan Qing's generals' hidden sect has been revealed without any concealment.

What?

At this moment, Yue Feng was stunned, his mind buzzing and blank.

It was Xuanyuan's subordinate who founded Xia Yinzong back then?

Moreover, Xuanyuan Huangdi, who was famous in the Kyushu Continent, actually died in the hands of God Domain.

Under the shock, Yue Feng couldn't help but say: "No, it is recorded in the history books that Xuanyuan Huangdi died that year, not..."

Before he could finish speaking, he was interrupted by Na Lanqing: "In those days, the forces of the Divine Realm infiltrated The human world has secretly revised human history books to cover up their despicable actions."

"God's Domain is doing this to maintain their noble status of 'following the way of heaven'. In fact, the gods in the God's Domain are all hypocritical and despicable people."

When he said this, Nalanqing's face was cold and his tone was full of Resentment.

Yue Feng smiled wryly.

It turns out that Xia Yinzong has avoided the world for so many years because of his grievance with God Domain.

At the same time, I was secretly glad in my heart.

Fortunately, I didn't reveal the identity of Jiutian Xuansheng just now, otherwise, I would be killed by Xia Yinzong as an enemy.

“Yue Feng!”

Just as he was thinking, he heard Nalanqing’s tone softened: “Now God Domain has sent a messenger named Luo Jue to establish the Heavenly Dao Alliance in an attempt to rule the Kyushu rivers and lakes.

”, you used to be the sect master of Tianmen, a hero of Kyushu, and you will not sit idly by.”

“And I, Xia Yinzong, are going to set foot in the rivers and lakes to fight against the Tiandao Alliance. I want to invite you to the alliance, I don’t know what you think.” The

last sentence fell. At that time, Nalanqing stared at Yue Feng closely, with a bit of anticipation in his eyes.

Yue Feng is powerful, and if he can form an alliance with him, he will definitely get twice the result with half the effort in the future against the Heavenly Dao Alliance.

“Mother!”

At this moment, Nalan Wushuang couldn’t help it, and said displeasedly: “This Yue Feng is a rogue, how can he be qualified to be our ally.”

“Don’t talk!” Frowning, he scolded.

Nalan Wushuang was very reluctant and stomped his feet, but still closed his mouth. shit.

At this time, Yue Feng was stunned.

This suzerain of Xia Yinzong wants to unite with me to deal with the Heavenly Dao Alliance?

Muttering in his heart, Yue Feng smiled, shook his head and declined: “Thank you Sect Master for your kindness. In the past three years since I left the Kyushu Continent, I have experienced a lot and learned a lot. I am no longer interested in the battles between the rivers and lakes. I want to live a peaceful life with my family.”

When he said this, Yue Feng’s expression was indifferent, but his heart was complicated.

After so many years of walking in the rivers and lakes, Yue Feng was very tired and didn’t want to participate in any more grievances and grievances.
