

## The ultimate husband in Chinese chapter 3811-3815

Chapter 3811

Swish!

Hearing this, Nalanqing's beautiful face suddenly turned gloomy: "Really?"

"Really!"

"As far as I know, when you established Tianmen, the slogan you preached was 'Do the way for the sky'. Now you want to stay out of trouble?"

"Is that so..."

Seeing Yue Feng's resolute attitude, Na Lanqing bit her lip tightly and said coldly, "Elder Feng, since Yue Feng is so ignorant, first Put him in the stone prison, give him some time to think about it, when he figured it out, bring him to see me again!"

He showed his sincerity, but Yue Feng was so ignorant of praise, so he let him go like this, Xia Yin Where does Zong's face go?

"Yes!"

Elder Feng responded, took Yue Feng and locked him in the stone prison behind.

What the hell!

At this moment, Yue Feng wanted to cry but had no tears. He didn't agree to form an alliance, so he locked me up. Isn't this difficult for a strong man?

Depressed, Yue Feng wanted to break free, but after taking Zhenyuan Dan before, the power of his primordial spirit was still suppressed, and he was completely powerless.

...

on the other side, Zhongzhou.

Wen Chou Chou and Ren Yingying, as well as Sun Dasheng and the others, divided their troops and blocked a hundred miles of Zhongzhou City, but after searching for more than two hours, there was still no trace of Yue Feng.

This chapter is provided by . Visit [for](#) daily update.

Anxious, Sun Dasheng decided to return to downtown Zhongzhou and search again.

Sun Dasheng has a grumpy personality, so Wen Chou Chou asked Su Qingyan to accompany him.

At this moment, Sun Dasheng and Su Qingyan, with dozens of subordinates, searched the periphery of Zhongzhou City, and came to Tianzhong Park.

Tianzhong Park is the largest park in Zhongzhou, covering an area of 10,000 mu, with a beautiful environment and an artificial lake, which is a scenic spot of the symbol of Zhongzhou.

It was already late at night, but the night view of Tianzhong Park was even more charming.

Sun Dasheng ordered his subordinates to search Tianzhong Park carefully, knowing that this place is very large and there are many hiding places. If the two mysterious old men did not take Yue Feng out of Zhongzhou City, they would most likely hide here.

Soon, dozens of subordinates searched for a few minutes before returning to report.

“The whereabouts of Your Excellency Yue Feng have not been found.”

“However, two suspicious persons were found by the lake not far away.”

Several of his subordinates approached Sun Dasheng and said in a complicated tone.

Suspicious people?

Hearing this, Sun Dasheng and Su Qingyan looked at each other, and they were inexplicably excited.

“Go, go and have a look!” In the

next second, Sun Dasheng didn't have time to think about it, he greeted everyone, and hurried towards the lake.

When I got to the lake, I saw two figures standing quietly in a pavilion. One of them was a woman who was very eye-catching.

This woman, dressed in a long burgundy dress, set off her tight figure, indescribably charming and sexy. However, there was a heart-pounding danger in those eyes.

Just like a beautiful snake.

The man is handsome, with handsome features, but there is a bit of gloom in his eyes.

It was Bai Yunfei and Ji Hongshang.

This woman seems to be Ji Hongshang, the Sect Master of the Five Poison Sect? !

Seeing Ji Hongshang, Sun Dasheng was stunned. Ji Linglong died suddenly, and his sister Ji Hongshang took over as the head.

beautiful!

For a time, Sun Dasheng couldn't help but admire secretly.

The beauty of this Ji Hongshang is no less than that of her elder sister Ji Linglong.

It's just... The Five Poison Sect is far away in Xicang Continent, how could Ji Hongshang, the suzerain, be in Zhongzhou?

The next second, Sun Dasheng fell on the man next to Ji Hongshang. When in Kyushu, such a character appeared.

Chapter 3812

Before Tiandao League held a celebration feast, Sun Dasheng did not participate, so he did not know Bai Yunfei.

It's them?

At this moment, Su Qingyan also trembled, looking at Bai Yunfei and Ji Hongshang, it was extremely complicated.

How could the Sect Master of the Five Poison Sect be with Bai Yunfei?

Noticing Su Qingyan's expression, Sun Dasheng couldn't help but ask curiously, "What's wrong?"

Hu...

Su Qingyan exhaled softly and said slowly: "It's nothing, I'm just curious, two days ago I After attending the Celebration Banquet of the Heavenly Dao Alliance with Yue Feng, this Ji Hongshang stopped him on the way, saying that he wanted to avenge her sister. In the end, Yue Feng taught him a lesson."

What else?

Hearing this, Sun Dasheng scratched his head.

At this time, Su Qingyan continued: "The man beside her is called Bai Yunfei. He is the patriarch of a hidden family. He is both righteous and evil. Now that he is with Ji Hongshang, it is really suspicious."

Sun Dasheng Her eyes widened: "You mean that Fengzi's arrest has something to do with them?"

Su Qingyan nodded and said softly, "I'm just guessing like this, whether it's true or not, I'll find out when I ask later. It's over!" Su Qingyan couldn't hide the anxiety in her eyes when she said this.

In the Antique Street before, Yue Feng embarrassed Bai Yunfei in public.

But now, Bai Yunfei and Ji Hongshang are together again, which is really suspicious. After all, Ji Hongshang wanted to kill Yue Feng and avenge her sister.

"ZiZhi...Isn't this Miss Light Smoke?"

Just as he was talking, he saw Bai Yunfei walking over slowly, with a smile on his face, and his eyes kept looking at Su Qingyan: "We are really destined to meet again so soon. I don't know much about antiques, that jade The fan thing made Miss Qingyan laugh."

After losing face in Antique Street before, Bai Yunfei was very upset, so he asked Ji Hongshang to accompany him to relax, but he never thought that he would touch him here again. Arrived at Su Qingyan.

Bai Yunfei's gaze made Su Qingyan feel uncomfortable.

Mad!

Seeing this situation, Sun Dasheng was also a little angry. This kid looked at Su Qingyan so recklessly, was he courting death?

"Ji Hongshang?" The

next second, Dasheng Sun walked over quickly and asked Ji Hongshang, "Ji Hongshang, where is Fengzi? Does the two old men who raided Fengzi have anything to do with you?"

When Sun Dasheng saw Bai Yunfei for the first time, it was inconvenient to talk to him, so he could only question Ji Hongshang.

In Sun Dasheng's eyes, since Ji Hongshang wanted to kill Yue Feng to avenge her sister, what happened today would definitely be irrelevant.

"What did you say..."

Ji Hongshang was stunned for a moment, her delicate face was full of doubts: "What two old men?"

This Sun Dasheng has a sick mind.

“Why are you pretending to be confused?”

Sun Dasheng said impatiently, “Hurry up and explain, where did those two old men take Fengzi.”

Huh?

Seeing that Sun Dasheng’s tone was not good, Bai Yunfei frowned secretly.

In the next second, Bai Yunfei couldn’t help but ask Ji Hongshang, “Who is this person who is chattering non-stop?”

“Sect Master!”

Ji Hongshang replied softly: “This person is the head of Huaguo Mountain, Sun Dasheng, who has a peerless divine weapon to open the sky, and is very powerful. Let

‘s be careful.” When saying this, Ji Hongshang looked at There was a bit of fear in Sun Dasheng’s eyes.

You must know that the three Yue Feng brothers have a high reputation in the Diyuan Continent, especially this Sun Dasheng, who has a hot personality, which has made countless Jianghu Xiaoxiao stunned.

More importantly, he also has a peerless divine weapon to open the sky.

strong?

Bai Yunfei smiled disdainfully and looked at Sun Dasheng.

But it’s just a robbery.

Chapter 3813

At the same time of contempt, Bai Yunfei’s eyes also flickered with a bit of evil.

mad.

In the antique street before, Yue Feng made me lose face, and now I meet his sworn brother here, no matter what.

Thinking to himself, Bai Yunfei looked at Sun Dasheng and said coldly: “Yue Feng’s matter has nothing to do with us, don’t make a fool of yourself here.”

“What are you talking about?” Sun Dasheng suddenly got angry and shouted.

Having said that, Sun Dasheng was about to rush over, but was stopped by Su Qingyan.

“Great Sage!”

Su Qingyan bit her lip tightly, her tone was very solemn: “Don’t be impulsive, this Bai Yunfei is very strong, and can tie Luo Jue, don’t be reckless.”

What?

Can this guy draw a tie with Luo Jue?

Hearing this, Sun Dasheng was shocked, but it was not false at all, and he still stared at Bai Yunfei coldly.

“Miss Qingyan!”

At this moment, Bai Yunfei showed a smile and said to Su Qingyan, “Looking at how anxious you are, what happened?” On the

surface, he was concerned, but in his heart he was gloating.

If something happened to Yue Feng, wouldn’t he have a chance to approach Su Qingyan?

Su Qingyan sighed softly, and then said the matter simply.

Haha...

Knowing the situation, Bai Yunfei felt indescribably happy. Yue Feng was actually taken away, haha... This is really good news.

At this time, Su Qingyan asked seriously: “Bai Yunfei, does this matter have anything to do with you?”

“Ms. Qingyan!”

Bai Yunfei smiled all over his face, as if he didn’t think it was a big deal: “How does this matter have anything to do with me? If I want to deal with Yue Feng, do I still need to use this method? As I said, this Yue Feng doesn’t know what mysterious force has offended.”

Said, Bai Yunfei took two steps closer, Looking at Su Qingyan, he said affectionately: "Seriously, how can Yue Feng be worthy of a peerless beauty like Miss Qingyan? Why don't you stop

looking for him and follow me in the future." While admiring Su Qingyan's appearance, Fei became more and more fascinated.

And Sun Dasheng next to him was directly ignored by him.

Swish!

Hearing these words, Su Qingyan's delicate face suddenly flushed red, and she couldn't tell the shame and anger: "Bai Yunfei, please respect yourself!"

At the same time, Sun Dasheng was even more angry.

Nima, this Bai Yunfei is too arrogant, to openly say such things to Su Qingyan.

This is Fengzi's woman.

Sun Dasheng became more and more angry the more he thought about it, he couldn't help it at all!

hum!

In the next second, Sun Dasheng's eyes were instantly blood red, and he directly stimulated his inner strength, and then a golden light flashed, and the opening axe also appeared in his hand!

"Where did the dead thing come from, give me death!"

With a roar, Sun Dasheng filled his body with murderous aura, and slashed it with an axe!

He had a fiery temper, and Yue Feng was taken away, and he was already irritable. At this time, seeing Bai Yunfei talking badly to Su Qingyan, how could he bear it!

"Roar!"

Only a dragon roar was heard, which came from the opening axe, and then a dazzling golden light ripped apart the night sky and swept away towards Bai Yunfei.

hiss!

Seeing this scene, Ji Hongshang's delicate body trembled, indescribably frightened, with such a strong aura.

Is this...is the power of the Divine Soldier?

However, Su Qingyan was so anxious that she couldn't help but whisper: "Great Sage, don't..." This Bai Yunfei, who can tie with Luo Jue, has extraordinary strength, even if the Great Sage has the axe to open the sky, I'm afraid it's not an opponent.

Shouting, Su Qingyan was about to go up to stop it, but it was too late.

Chapter 3814

Hehe...

Feeling the power of this axe, Bai Yunfei didn't panic at all, on the contrary, a trace of disdain evoked the corner of his mouth: "I don't know what the sky is so thick, do you think that you can be presumptuous in front of me if you have an axe?"

"At the moment of falling, a powerful breath burst out from Bai Yunfei's body, and then his figure flashed, avoiding the bombardment of the golden light.

After dodging, Bai Yunfei slowly raised his right hand.

"Clang!"

Bai Yunfei's palm seemed to be an understatement, but he slapped it precisely on the back of the axe, and a dull collision came out. Sun Dasheng only felt a powerful force coming, and the whole person was directly shocked by Linglong. go out.

After flying dozens of meters away, Sun Dasheng fell to the ground, his face pale, and a mouthful of blood spurted out at the same time!

Yes, with that palm just now, Bai Yunfei stimulated the power of the Demon Soul.

Speaking of which, at this time, the strength of Sun Dasheng has reached the middle stage of the Tribulation Realm. Such strength can completely disdain the entire Kyushu rivers and lakes. At the same time, he has the opening axe, and there are very few people who can match it.

However, facing Bai Yunfei, he couldn't resist even a single move.

So strong!

Seeing this scene, Su Qingyan's tender body trembled, extremely shocked.

This Bai Yunfei was so strong that the Great Sage spread his Heavenly Axe, and he couldn't even catch a single move.

Afterwards, Su Qingyan reacted, her delicate face was full of worry, and shouted at Sun Dasheng: "Dasheng, how are you?"

Huh..

Hearing Su Qingyan's question, Sun Dasheng took a deep breath and held back his body. Pained, he shook his head and said, "I'm fine."

As he spoke, Sun Dasheng stared at Bai Yunfei, his eyes couldn't hide his anger.

Madd, how could this be?

This kid is only in his twenties, and his strength is so terrifying that he can't even hurt him with the Heaven Opening Axe...

"You can't do it with just one move? Aren't you very powerful?"

At this moment, Bai Yun There was a contemptuous smile at the corner of Fei's mouth, and then he raised his hand again, and suddenly, a bloody light burst out, like a shock, coming towards Sun Dasheng.

Nima!

Feeling the power contained in the blood-colored light, Sun Dasheng's face changed, and he didn't have time to think about it. He held the Heaven-Opening Axe tightly and waved it in the air, forming a golden protective film that blocked his eyes.

boom!

The blood-colored light slammed into the protective film, and a loud noise erupted. The terrifying energy swept out, and everyone around was shaken out.

The protective film shattered directly, and Sun Dasheng was shocked and flew out again, flying more than ten meters away, landing heavily, his face was pale, and his breath was extremely weak.

At this moment, Ji Hongshang was indescribably excited and excited, looking at Bai Yunfei's eyes with reverence.

Strong, too strong.

Su Qingyan was anxious.

Oops, Sun Dasheng angered Bai Yunfei, now there is trouble.

"Sun Dasheng, right?"

At this time, Bai Yunfei looked proud, looked at Sun Dasheng and said contemptuously, "I don't care how famous you are in Kyushu, if you provoke me, there is only one end, and that is death." After

speaking, Bai Yunfei took a step . Come step by step.

A terrifying aura filled the whole world.

Mad!

Sun Dasheng lay there, angry and unwilling at the same time.

After debuting for so long, he still owns the Heaven-opening Axe, but he can't even beat Bai Yunfei. It would be too useless to die in his hands again.

"No!"

Seeing that Bai Yunfei was about to walk up to him, Su Qingyan let out a coquettish cry, then ran over and stood in front of Dasheng Sun: "Bai Yunfei, don't go too far."

At this time, Su Qingyan, delicate His face was full of fear.

Speaking of which, she knew that even with Dasheng Sun, she couldn't beat Bai Yunfei, so rushing up at this time was undoubtedly courting death.

But... Sun Dasheng is Yue Feng's sworn brother, how could he just watch him be killed by Bai Yunfei.

Chapter 3815

Seeing Su Qingyan standing in front of him, Bai Yunfei frowned, then stopped.

"Miss Qingyan." In the

next second, Bai Yunfei showed a smile and said slowly, "This is your fault, he did it first, and now I'm countering him, I can only blame him for his inferior skills.

" At this point, Su Qingyan bit her lip tightly: "He was reckless just now, please don't kill him."

"Don't beg him!"

Sun Dasheng couldn't tell the fire, and shouted at Su Qingyan: "He killed me if he had the ability. Brother Wen and Fengzi will definitely avenge me." The

head of Huaguo Mountain, who is dignified, actually asked his brother's woman to help him intercede. How can he stand in the rivers and lakes in the future.

Seeing Sun Dasheng's stubborn face, Su Qingyan couldn't be more anxious: "Dasheng, listen to me, calm down!"

At this time, Bai Yunfei chuckled lightly, looked at Su Qingyan and said, "Okay, since Miss Qingyan spoke up. I'll leave him alone."

After speaking, Bai Yunfei looked down at Dasheng Sun and said word by word, "I thought the head of Huaguoshan was so powerful, but that's all, Dasheng Sun, see me later. , it's better to be honest, today I'll give Miss Qingyan a face, and next time I meet you, you won't be so lucky."

Sun Dasheng didn't respond, his face flushed, and he was extremely angry.

At this moment, Ji Hongshang chuckled lightly and said to Bai Yunfei: "Sect Master, you are really powerful, you defeated Dasheng Sun so easily, and your strength is completely the number one in Kyushu, what Yue Feng, Luo Jue, and others? The Sun Dasheng in front of you is not worthy of your shoes." As

she spoke, Ji Hongshang gave Sun Dasheng a contemptuous look.

Hearing these taunts, Sun Dasheng's glasses instantly turned blood red!

He has a hot personality, how can he tolerate others being so humiliated?

"Ma De, even if I die today, I will fight you all." Sun Dasheng roared, struggling to stand up.

Su Qingyan stomped her feet in a hurry, and quickly stopped him: "Great Sage, are you crazy?"

Speaking of which, Su Qingyan was also very angry at this time, but she knew very well that if Bai Yunfei was angered in front of her, she and she would be mad. Great sage, can't live anymore!

"Miss Qingyan!"

Seeing this scene, Bai Yunfei was not angry at all, but smiled at Su Qingyan with a relaxed expression: "It's getting late today, we will have an appointment later." After the voice fell, he took Ji Hongshang and left. .

"Quick."

Seeing Bai Yunfei go away, Su Qingyan breathed a sigh of relief, and then shouted at several disciples, "Quickly take the Great Sage back to heal your wounds."

Just now, the Great Sage Sun was knocked flying twice in a row by Bai Yunfei, and he was seriously injured. very serious.

Hearing this, several disciples helped Dasheng Sun up and rushed back to the Ouyang family.

...

this moment, the other side.

Xia Yinzong Stone Prison.

Yue Feng sat there cross-legged, closing his eyes and resting. Although his hands were still tied at this time, Yue Feng did not panic at all.

He clearly felt that the efficacy of Zhenyuan Dan in his body was slowly disappearing.

As long as the efficacy of Zhenyuan Dan has passed, and Yue Feng is about to leave, no one can stop him.

Time passed by minute by minute.

Squeak!

I don't know how long it took, I heard the cell door being gently pushed open, and then, a figure flashed in quickly.

Could it be that Nalanqing changed his mind and wanted to let himself go?

Hearing the movement, Yue Feng quickly opened his eyes, but he was stunned when he saw the scene in front of him.

I saw that the person who came was wearing a purple short skirt, with a slim and charming figure, but in those eyes, there was a glint of coldness and pride.

It is Nalan Wushuang.

how is she?
