

The ultimate husband in Chinese chapter 3816-3820

Chapter 3816

Seeing Nalan Wushuang, Yue Feng frowned, and his mood became worse.

This unruly girl quietly came to the stone prison, there must be no good thing.

“Yue Feng!”

Just when Yue Feng was muttering to himself, Nalan Wushuang walked over leisurely and said with a smile, “I said before in Donghai City that I would not let you go.”

Yue Feng took a deep breath . He said lightly: “What do you want?”

Nalan Wushuang sneered: “It’s very simple, you kneel down to apologize to me, and you must be sincere. As long as I am satisfied, our grievances will be written off.” The voice was not loud, But there is no doubt.

What?

Kneel down to apologize to you?

Hearing this, Yue Feng couldn’t help laughing: “Girl, you didn’t wake up, did you?”

Seemingly guessing that Yue Feng would refuse, Nalan Wushuang’s face sank, and he said coldly: “Okay, it’s quite strong. That’s right.” With that, he pulled Yue Feng up and took him out of the secret room.

It was already late at night outside.

Nalan Wushuang grabbed Yue Feng tightly and walked towards the depths of the valley behind.

Yue Feng was inexplicably uneasy and couldn’t help but say, “Where are you taking me?”

Nalan Wushuang’s gloomy face ignored him.

Soon, at the entrance of a huge hole, Nalan Wushuang stopped.

What the hell!

At this moment, seeing the environment in front of him, Yue Feng was shocked and froze there.

I saw that the cave was extremely huge, with a diameter of several hundred meters and a depth of more than one hundred meters. At the bottom of the cave, there was a huge figure.

It was a Flood Dragon.

This Flood Dragon is nearly 100 meters long, covered with black and red scales, and has two horns on the top of its head. Because it has not yet transformed into a dragon, it has not yet grown dragon claws.

A pair of eyes, flashing blood-red light, full of suffocation, and a terrifying aura filled his body.

Although he hasn't turned into a dragon yet, Yue Feng was still surprised when he felt the strength of this dragon.

Crossing the Tribulation Realm...

"Yue Feng!"

Looking at Yue Feng's expression, Nalan Wushuang's delicate face showed a bit of pride and arrogance: "Have you seen this dragon? Yes, I'll give you one more chance, and immediately kneel down and apologize to me, otherwise, I'll throw you away."

"Even if you have Yuanshen body protection, but because of taking Zhenyuandan, your strength has not recovered. I can't stop this dragon."

Phew...

Hearing this, Yue Feng took a deep breath and said slowly: "Girl, don't scare me, you really left me, how to explain to your mother, don't forget Now, she's still waiting to join me..."

Before he could finish speaking, Nalan Wushuang interrupted with a sly look: "This is easy, when you are bitten to death by Jiaolong, I'll say it's you. I ran out, ended up breaking in here by mistake, and encountered a dragon.... No one would doubt me."

Nima!

At this moment, Yue Feng was about to cry without tears, this girl is too cunning, she can think of such a ruthless means.

Muttering in his heart, Yue Feng shrugged his shoulders, as I called it: "Whatever you want, it's impossible for me to apologize to you anyway. Besides, when I spanked you, I also explained that it wasn't intentional at all. Yes, if you really feel disadvantaged, you can also spank me, and we'll get it right."

Shua!

Nalan Wushuang's face turned extremely red, embarrassed and angry.

This Yue Feng is really shameless, he can say such shameless words.

"Stinky rascal!" The

next second, Nalan Wushuang said coldly: "I gave you a chance, if you don't take it, then you can't blame me." After saying that, Nalan Wushuang raised his foot and kicked Yue Feng directly. Down the hole.

Chapter 3817

Nima!

The moment his body fell, Yue Feng was shocked and angry.

This Nalan Wushuang is too cruel, just kicked me down like this?

Phew...

At this moment, Nalan Wushuang stood on the edge of the hole, with a delicate face, without the slightest regret, but with indescribable joy: "Dare to take advantage of me, that's how it ends."

After saying this, Seeing that it was still early, Nalan Wushuang did not rush back, but sat there cross-legged and began to meditate.

She thought about it, first to practice here for a while, and when it was almost dawn, she would go back and tell everyone that Yue Feng escaped from prison and escaped. By that time, Yue Feng had been bitten by Jiaolong and there were no bones left, even if her mother knew If you know the truth, you won't blame yourself.

...

below the burrow.

Huhuhu...

The wind whistled in his ears, Yue Feng was tied with his hands, and he landed quickly. Seeing that he was about to end, Yue Feng took a deep breath, stared at the stone wall, and moved his body laterally out to slow down the force of the fall. .

Pfft... But

even so, when he landed, Yue Feng felt the blood surge, and a mouthful of blood spurted out.

Speaking of which, with Yue Feng's strength, it is impossible for him to be injured when he falls from a height of several hundred meters, but his hands are tied at the moment, and the effect of Zhenyuan Dan in his body has not been completely eliminated. In this case, nature was shocked.

Swish!

Hearing the movement here, Jiaolong, who was lying not far away, straightened up instantly, and those blood-red eyes also locked Yue Feng at once.

In the next second, Jiaolong quickly swam his huge body and came towards Yue Feng.

Tonight, the moonlight is bright, and Jiaolong absorbs the essence of the moonlight. At a critical moment, he is suddenly disturbed by a stranger, and his brutality is directly inspired.

At this moment, there was only one thought in the dragon's mind, which was to kill the person in front of him.

Oops!

Seeing the dragon coming quickly, Yue Feng's expression changed.

Ma De, the effect of Zhenyuan Dan in the body has not completely disappeared, and he fell and injured again just now. In this situation, how can he beat the dragon in front of him?

“Roar!”

Just as Yue Feng was muttering secretly, the Jiaolong was as fast as lightning, and had already rushed to the front, its huge head raised high and looked down at Yue Feng, then opened its bloody mouth.

That's right, the beast ring!

At this critical moment, Yue Feng couldn't tell how nervous he was, and then he thought of something, struggled to break the ropes of his hands, and then took out the beast-fighting ring. He shouted at Jiaolong: "Bastard, don't be arrogant!"

Although the effect of Zhenyuan Dan in the body has not completely disappeared, it is still no problem to break the rope of his hands.

Um?

Hearing Yue Feng shouting, Jiaolong stopped instantly, his blood-red eyes were full of doubts!

what happened?

Why did the aura on this person suddenly change?

At this time, Jiaolong clearly felt that Yue Feng in front of him had an aura that made him kind, and this kind of aura was emitted by the beast-fighting ring.

Fortunately, there is a beast ring!

Seeing Jiaolong stop, Yue Feng secretly breathed a sigh of relief.

Immediately, Yue Feng took a deep breath and urged the beast ring to communicate with the dragon in front of him: "I didn't mean to break into your territory, I just fell down because I was framed."

"We don't have any grievances, so don't kill each other. ."

As he spoke, Yue Feng secretly stimulated his internal strength to expel the remaining Zhenyuan Dan medicinal power in his body. As long as he returned to his peak state, he would not be afraid of the dragon in front of him.

"Um?"

Chapter 3818

Hearing Yue Feng's words, Jiaolong's huge body was faintly shocked, and his eyes flashed with surprise: "Can you talk to me?"

It didn't know that Yue Feng was able to communicate with it through the beast ring.

call!

Feeling Jiaolong's shock, Yue Feng smiled slightly and explained: "Don't be surprised, I understand a little animal language."

At this time, Jiaolong thought for a while, his eyes flashing gloomy: "Even if you didn't intentionally disturb me, but you broke in My territory interrupted my cultivation, and I will not let you go." The

tone was stern and unquestionable.

You must know that this Flood Dragon is only one step away from turning into a dragon, so today it will absorb the essence of moonlight, but at the most critical moment, it was interrupted by Yue Feng.

After this failure, we have to wait another ten years. How can Jiaolong not be angry?

Under the anger, Jiaolong stopped talking nonsense, and swept his long tail, ready to wrap Yue Feng.

Nima!

Seeing Jiaolong attacking again, Yue Feng couldn't help but scolded, and then said: "Wait, didn't you just interrupt your cultivation because of me? Judging from your situation, it should be about to transform into a dragon, I can help you. ."

When saying this, Yue Feng's face was serious.

When he sensed the strength of this Flood Dragon just now, Yue Feng could see that it had reached the bottleneck stage, and he was only one step away from turning the Flood Dragon into a dragon, but he was disturbed by himself.

Speaking of which, if it were three years ago, Yue Feng would never have been so open-hearted, but at this time, Yue Feng, with the power of bird ancestors in his body, can completely help him get through the bottleneck period.

What?

Hearing this, Jiaolong was stunned for a moment, and then he said with disdain: "I'm really shameless. I have practiced for thousands of years, and I don't know how many hardships I have gone through. You can help me with just a few words. Do you think I will believe it?"

"You want to delay time and run away, right?" The

last sentence fell, and Jiaolong's eyes flashed gloomily.

Ugh!

Seeing Jiaolong's reaction, Yue Feng couldn't help laughing, and then he looked calm and calm: "I, Yue Feng, never do anything unsure, let alone lie and deceive people."

“You should also perceive it . Come out, I am not an ordinary human, I have primordial spirit in my body. Not only that, but I also have the power of bird ancestors.” At the

end, Yue Feng looked proud: “You say, do I have the ability to help you?” The voice fell. , Yue Feng raised his hand gently, and saw a group of blood-colored beads that were burning with flames, suspended.

It is the power of bird ancestors.

Huh...

Seeing this scene, Jiaolong’s huge body trembled faintly, and his blood-red eyes stared at Yue Feng, indescribably shocked.

This person is not lying, he really has the power of bird ancestors?

According to legend, the power of the ancestors of the bird contained infinite power in the Vermillion Bird of the four innate spirit beasts, but now it is actually in a human being, which is really incredible.

“Okay...”

Finally, Jiaolong reacted and nodded at Yue Feng: “I’ll trust you once!”

Yue Feng smiled and said, “Don’t worry, before you help you get through the bottleneck, you also Do me a favor, I took Zhenyuan Dan, and the power of the medicine has not been completely eliminated.”

“What you have to do is to protect the law beside me and let me regain my peak strength.”

Hearing these requests, Jiaolong nodded in agreement without hesitation.

Afterwards, Yue Feng sat there cross-legged and began to expel the Zhenyuan Pill from his body.

...

on the other side, above the hole in the ground.

Nalan Wushuang practiced for a while, then slowly stood up.

Two hours have passed, and Yue Feng has been bitten to death by Jiaolong, right? But why didn’t you hear any movement just now?

Muttering in his heart, Nalan Wushuang mobilized his inner strength, got up, and flew towards the bottom of the hole.

Chapter 3819

Huh?

A few seconds later, Nalan Wushuang landed to the bottom, and when he saw the situation in front of him, his body trembled and he was stunned.

I saw that the huge body of Jiaolong was coiled there, like a hill, not moving at all.

In the open space in front of Jiaolong, a figure was sitting cross-legged, meditating and meditating. His facial features were cut like a knife, and he was indescribably handsome and cold.

Who is it if it's not Yue Feng?

what's the situation?

Seeing this scene, Nalan Wushuang was stunned for a moment, only to feel that his mind was blank.

This Jiaolong didn't even attack Yue Feng...

Not only that, but this Jiaolong seems to be helping Yue Feng to protect the law... It's incredible.

Huh....

At this moment, Yue Feng heard the movement, slowly opened his eyes, and saw that it was Nalan Wushuang, and suddenly felt a little angry.

Mad, this girl actually came down, she must want to see if I was bitten to death by Jiaolong.

Thinking to himself, Yue Feng endured the anger in his heart, and his face remained calm.

"Yue Feng?!"

Finally, Nalan Wushuang couldn't bear it any longer. Looking at Yue Feng, he asked, "Why are you all right?"

At this time, Nalan Wushuang's mind was blank. Feng was able to coexist peacefully with Jiaolong.

What a surprise.

Feeling Nalan Wushuang's surprise, Yue Feng chuckled lightly: "Why should I be in trouble? You really hope that I will be bitten to death by Jiaolong? The result is very disappointing, right?"

Having said that, Yue Feng stood up slowly and continued: "To tell you the truth, I can communicate with it, this Jiaolong is in a good mood tonight, so our well water will not cause river water."

What?

Hearing this, Nalan Wushuang's delicate body trembled, and the whole person was stunned.

Soon, Nalan Wushuang reacted, and his delicate face was full of disdain: "Can you communicate with Jiaolong? Who are you lying to? Tell me, what the hell is going on?"

Yue Feng said with a relaxed expression: "Believe it or not!"

As he said that, Yue Feng secretly activated the beast ring and said to Jiaolong who was beside him: "With this girl here, it will be inconvenient for you to break through the bottleneck later, it seems that you want to help me. Acting in a play."

"Okay, what do you want me to do?" Jiaolong replied without thinking.

Yue Feng pondered for a while, and then told the plan.

Seeing Yue Feng standing there muttering, Nalan Wushuang became impatient: "Hey, what are you talking to yourself?"

At this time, Nalan Wushuang didn't know that Yue Feng was discussing plans with Jiaolong. .

"I'm talking to her." Yue Feng said with a relaxed smile: "The two of us were very harmonious here, but you suddenly broke down. It's in a bad mood now."

"It's still talking nonsense . ." Nalan Wushuang looked contemptuous.

It's just a Flood Dragon, how could he be in a bad mood, this Yue Feng will talk nonsense.

"Roar!"

But at this moment, I saw the Jiaolong lying there, suddenly let out a roar that shocked the world, and the huge body suddenly stood upright, looking very manic.

Yes, this is exactly Yue Feng's plan to make Jiaolong show his rage.

hum!

Immediately afterwards, a red flame spewed out of the Jiaolong's mouth, forming a sea of flames that spread around.

In a blink of an eye, the bottom of the entire cave was completely enveloped in flames, and the air was filled with extremely scorching high temperature, like a huge stove.

"Hey!"

This time, Nalan Wushuang panicked, and quickly urged his inner strength to resist the scorching flame, and shouted to Jiaolong at the same time: "We meet often, calm down..."

Chapter 3820

She grew up in Xia Yinzong, and often met with Jiaolong, thinking that she could calm Jiaolong by speaking.

However, this was planned by Jiao Long and Yue Feng, how could he listen to her?

"Om!"

Seeing that Jiaolong didn't listen to his cry at all, Nalan stomped his feet in a hurry, then raised his jade hand and deployed a protective film around his body to block the surrounding flames.

In the beginning, Nalan Wushuang was very relaxed, but as the flood dragon continued to breathe out flames, gradually, the protective film she put down became somewhat unstoppable.

"Kacha, kacha..." In the

blink of an eye, a minute later, I saw that Nalan Wushuang's protective film, under the constant attack of the scorching high temperature, appeared one after another cracks.

How to do?

Nalan Wushuang was in a hurry, then looked at Yue Feng, and was stunned.

He saw that Yue Feng was standing in the flames with a relaxed expression on his face, and he was not affected at all. The raging fire did not harm him at all.

"You... how are you all right?" Nalan Wushuang couldn't help but said in surprise.

Yue Feng smiled slightly and said, "I have a strange fire in my body. Of course, the flames spewed by this dragon have no effect on me."

Possess a strange fire?

Hearing this, Nalan Wushuang's delicate body trembled, and his heart was extremely shocked.

This Yue Feng actually has a strange fire.

Wow...

Just when Nalan Wushuang was shocked, he saw the protective film around her completely shattered, and then, fire rushed up from all directions.

Nalan Wushuang was so anxious that he quickly urged his inner strength to resist.

Nalan Wushuang is powerful, and under the urging of internal force, it is difficult for the fire to cause damage to his skin, but the short skirt is inevitably burned.

Chi Chi...

In the blink of an eye, I saw that the short skirt on Nalan Wushuang's body was quickly burned to ashes and dissipated in the air.

Tsk tsk...

At this moment, seeing Nalan Wushuang's perfect curve exposed in the air, Yue Feng couldn't help looking up and down, secretly admiring in his heart.

I have to say that although this girl is unruly, her figure is still quite good.

Swish!

Sensing Yue Feng's gaze, wandering on his body, Nalan Wushuang's delicate face suddenly turned red and angry.

In the next second, Nalan Wushuang bit his lip and shouted coldly: "Yue Feng, close your dog's eyes."

He was pure and clean, but Yue Feng looked at him, how will he meet people in the future?

Close the dog's eyes?

Nalan Wushuang didn't say this, but after saying this, Yue Feng simply sat on the ground, put on a very comfortable posture, and continued to appreciate it.

"You!" Nalan Wushuang stomped his feet in anger, wishing he could rush over and kill him. It's just that the dragon in front of him was still in a state of rage, so he had to hold back.

For a time, Nalan Wushuang bit his lip and cursed Yue Feng hundreds of times in his heart!

"Roar, roar..."

I don't know how long it took, Jiaolong stopped breathing flames, with scarlet light flashing in his eyes, swimming around, looking extremely manic.

Seeing this, Nalan Wushuang was inexplicably nervous.

Finally, she couldn't bear it anymore, and said to Yue Feng, "What is it doing?"

Seriously, Nalan Wushuang hated Yue Feng to death, and didn't want to ask him at all, but there was no way that Yue Feng could communicate with Jiaolong. .

Yue Feng sat there lazily and said with a smile, "Do you still need to ask? This Jiaolong was absorbing the essence of moonlight just now to break through the bottleneck. As a result, you suddenly came down, causing its cultivation to be interrupted."

After speaking, Yue Feng glanced at Glancing at the Jiaolong, he continued: "It is very manic now, and it is estimated that you will be willing to give up after eating it."
