

The ultimate husband in Chinese chapter 3821-3830

Chapter 3821

What?

eat me?

Hearing this, Nalan Wushuang turned pale and panicked.

If I knew this earlier, I wouldn't come down just now.

Seeing Nalan Wushuang's expression, his heart was very happy.

This girl finally knew she was afraid.

That's right, Jiaolong suddenly became violent, and it was purely a performance. Nalan Wushuang kicked Yue Feng down before, which made Yue Feng very annoyed. At this time, he used Jiaolong to teach Nalan Wushuang a good lesson.

"Yue Feng!"

Seeing Jiaolong staring at him all the time, Nalan Wushuang panicked completely and shouted at Yue Feng: "Yue Feng, can't you communicate with it? Help me talk, don't let it eat me ..."

Seeking help from Yue Feng, Nalan Wushuang was reluctant, but he had no choice. In the current situation, he could only ask Yue Feng for help.

Otherwise, he will be eaten by the dragon.

Haha...

Seeing that Nalan Wushuang's clothes are soft, Yue Feng's heart is not happy, but there is no expression on his face, and he said lightly: "Girl, you have to kill me before, why should I talk to you? ?"

"You..."

Nalan Wushuang bit his lip, not knowing how to answer for a while.

This chapter is provided by . Visit [for daily update.](#)

In the next second, Nalan Wushuang let go of his previous pride and bowed his head: "Yue Feng, I was wrong before, I was too self-willed, don't care about me, forget it... I beg you."

Hearing this, Yue Feng pondered for a while, then nodded slowly and said, "Please, but I just said that I can't, so I have to say something."

Jiaolong's rage was just for performance, and Yue Feng didn't want Jiaolong to eat Nalan Wushuang, so he wanted to teach him a lesson.

Express?

Nalan Wushuang was stunned for a moment, then frowned, "How do you want me to express it?" Phew

!

Yue Feng scratched his head, thought for a while, and said with a smile: "Well, call me uncle. I'll help you talk!" This Nalan Wushuang is only a few years older than Yue Wuya. If so, it's not too much to call yourself uncle.

What?

Hearing this, Nalan Wushuang's delicate face suddenly flushed red, biting his lip in embarrassment.

This... This Yue Feng actually made himself call his uncle.

She is the eldest lady of Xia Yinzong, and her status is honorable, but this Yue Feng actually made such a request to him. Call him uncle, isn't this the elder?

This Yue Feng is clearly taking advantage of himself.

"Girl?"

Seeing her standing there, hesitating, Yue Feng couldn't help urging: "Do you scream? If you don't want to, I won't force it." As he

spoke, he admired up and down. Nalan is unparalleled.

This Nalan Wushuang is not only beautiful, but also has a superb figure.

Yue Feng's eyes made Nalan Wushuang's face even redder. He bit his lips and whispered: "Uncle... uncle"

When Nalan Wushuang shouted these two words, Nalan Wushuang's heart was shaking slightly. The sound is as thin as a mosquito, and you can't hear it if you don't listen carefully.

Gudong.

Hearing this uncle, Yue Feng showed a smile and was very satisfied.

However, Yue Feng still felt that it was not enough, so he stood up and leaned out, and said with a look on his face: "Girl, what did you call me? With such a low voice, who heard it?"

Nalan Wushuang was ashamed and angry.

This Yue Feng really doesn't have the slightest bit of formality, does he have to take advantage of it?

Chapter 3822 Thought, Nalan Wushuang

didn't show it, bit his lip tightly, almost bleeding, and shouted again: "Uncle.."

His face fell instantly. Nalan Wushuang is an arrogant and arrogant woman. She called Uncle Yue Feng twice in a row, feeling unspeakable in her heart.

"Well, really good!"

Yue Feng accepted it when he saw it, nodded, and said with a smile: "Okay, since you are so sincere, then I will help you to beg for mercy!"

With that, Yue Feng walked over to Jiaolong In front of him, he pretended to say: "Jiaolong, Jiaolong, this girl didn't mean to disturb you, so don't bother with him." As he

spoke, Yue Feng secretly stimulated the power of bird ancestors, injected it into Jiaolong, and whispered at the same time. Said: "I'll say what I'm saying, this power of the ancestors of birds, as long as you can successfully integrate, you can break through the bottleneck. That's all I can help. Whether it can be successful or not depends on you."

Yue Feng's actions were very Small, Nalan Wushuang couldn't see it at all.

Jiaolong was very grateful, nodded at Yue Feng, and immediately lay there, motionless, silently integrating the power of the ancestors of birds.

Because Yue Feng said it well, the power of bird ancestors can indeed help it break through the bottleneck.

Can he really communicate with Jiaolong?

Seeing Jiaolong calm down, Nalan Wushuang's delicate body trembled, both joyful and shocked, staring at Yue Feng blankly, his mind buzzing like a fool.

Afterwards, Nalan Wushuang heaved a sigh of relief.

It's finally all right.

At this time, Nalan Wushuang didn't know that he was completely fooled by Yue Feng.

"All right!"

At this time, Yue Feng turned around and said with a smile at Nalan Wushuang: "Our previous grievances have been completely written off. I still have something to do, so I will take a step first."

After that, Yue Feng was about to urge The figure flew up.

"Wait!"

However, at this moment, Nalan Wushuang shouted eagerly.

Yue Feng stopped, looked back, and saw Nalan Wushuang's hesitation.

"Big niece? Is there anything else?" Yue Feng said with a smile.

Facing Yue Feng's gaze, Nalan Wushuang was very embarrassed and said in a low voice, "Because I was resisting the raging fire of the Jiaolong just now, my internal strength was severely depleted and I couldn't fly up. You... can you bring me?"

Yue Feng He sighed secretly, nodded and said, "Okay, I'll take you up." Anyway, she has already taught her a lesson, and it's okay to take her out of here.

Having said that, Yue Feng realized something, and looked Nalan Wushuang up and down: "But, your clothes are all burnt out, if I hold you, I'm afraid it won't fit..."

Yes!

How to do this?

Nalan Wushuang's delicate face was flushed with shame, unable to express the embarrassment. Then he thought of something, and whispered: "Can't hold... Why don't you carry me?"

After saying this, Nalan Wushuang's face, inexplicably a little red.

To be honest, Nalan Wushuang didn't want to be so close to Yue Feng, but there was nothing he could do. At this time, his internal energy was severely exhausted, and he couldn't fly up alone. If he stayed here and waited for the next Jiaolong to be violent again, it would be troublesome.

Haha...

Hearing this request, Yue Feng couldn't help laughing and nodded: "Well, you called my uncle anyway, and it's okay for elders to carry you behind their backs."

The voice fell, Yue Feng came over, let Nalan Wushuang lie on his back, and then urged the figure to fly away from the hole.

Soon, at the top, Yue Feng and Nalan Wushuang said goodbye and left.

Huh...

At this moment, Nalan Wushuang stood there, watching Yue Feng's figure disappear into the sky, with some indescribable complexity in his heart.

This Yue Feng, who had fought against him several times, was always at a disadvantage.

Could it be that he is his destined nemesis?

What made her blush even more was that not only did he call Uncle Yue Feng, but he also asked him to leave the hole behind his back.

Chapter 3823

Thinking of this, Nalan Wushuang was less disgusted with Yue Feng than before, but more curious and interested.

This Yue Feng seems to be omnipotent.

How many secrets does he hide?

...

on the other side, Zhongzhou.

The Junting Hotel is the largest and most upscale hotel in Zhongzhou City. Of course, what can be consumed here is either rich or expensive, and it is simply not affordable for ordinary people.

Bai Yunfei and Ji Hongshang, after leaving Tianzhong Park, returned directly to the hotel room.

"Sect Master!"

As soon as she entered the room, Ji Hongshang thought of something, and couldn't help asking: "When I was in the park just now, the Sect Master kept his eyes on Su

Qingyan, and it seemed that the Sect Master was very interested in this woman. Bai Yunfei nodded without hesitation, smiled and said, “

Yes, this Su Qingyan is graceful and graceful, she is like a fairy descended from the world. I fell in love with her at the Celebration Banquet of Tiandao Alliance at that time.”

Said, Bai Yunfei said regretfully, “It’s a pity that she recognized Yue Feng and completely dismissed my favor.”

When it came to Yue Feng, Bai Yunfei became inexplicably angry.

Ma De, this outdated hero of Kyushu, not only was accompanied by a beautiful woman like Su Qingyan, but he was still in the antique street before, which made him very embarrassed.

Huh...

Hearing this, Ji Hongshang’s eyes flickered, and she quickly said to please: “Since that’s the case, when the Sect Master injured Sun Dasheng in the park just now, why didn’t he take Su Qingyan away? I found an opportunity to capture Su Qingyan and dedicate it to the sect master...”

When she said this, Ji Hongshang had a smile on her face, but there was a bit of cunning in her eyes.

In her heart, she and Yue Feng had an inseparable hatred. If she couldn’t kill him in a short period of time, she would arrest his woman and give it to Bai Yunfei, so that she could temporarily vent her anger.

In short, Ji Hongshang is willing to do anything that is unfavorable to Yue Feng.

Haha...

Seeing the sincerity on Ji Hongshang’s face, Bai Yunfei couldn’t help laughing, shook his head and said, “Ji Hongshang, it’s rare for you to be so loyal, I’m very pleased, but about Su Qingyan, you can There ‘s no need to intervene.”

Immediately, Bai Yunfei looked out the window, with a hint of treacherousness on the corner of his mouth: “If I expect it well, within twelve hours, Su Qingyan will take the initiative to come to me.”

When the last sentence fell , Bai Yunfei’s face is full of confidence.

What?

Hearing this, Ji Hongshang was stunned for a moment, and then she asked curiously, "Why?"

Bai Yunfei said with an unfathomable expression on his face, and said slowly, "When I fought with Sun Dasheng before, I stimulated the power of the demon soul. , you have to know that ordinary people cannot resist the power of the devil soul, even if the strength of Sun Dasheng reaches the transcendence realm, the same is true."

"The longer the power of the devil soul stays in the human body, the more dangerous it is. It will be suppressed to the death, the whole person will become extremely weak, and finally will die."

"In this case, even if Hua Tuo is alive and Shennong comes in person, there is no way to do it. The only way to solve it is to use my blood as medicine. Only then can it be completely lifted."

After saying this, Bai Yunfei had a proud look on his face.

That's right, when he was in the park before, Bai Yunfei promised Su Qingyan on the surface to spare Sun Dasheng's life, but in fact, at that time, Sun Dasheng had already been attacked by the power of the devil's soul.

What?

Hearing this, Ji Hongshang's tender body trembled, staring blankly at Bai Yunfei, extremely shocked.

The power of the demon soul of the sect master is so overbearing.

Under the shock, Ji Hongshang was inexplicably excited and excited, and said softly: "So, if the sect master doesn't come to rescue, then Dasheng Sun will surely die?"

Hmm!

Bai Yunfei nodded and said with a smile: "That's right. Then Su Qingyan is a woman of temperament, she loves Yue Feng deeply, and Dasheng Sun is Yue Feng's sworn brother."

"What's more, when I injured Dasheng Sun, She is also there, so Sun Dasheng is at stake, and she will definitely not sit idly by."

Chapter 3824

After listening to the analysis, Ji Hongshang was extremely adored and couldn't help admiring: "The sect master's trick of 'waiting for labor' is really clever."

Haha... After

being praised, Bai Yunfei laughed and couldn't say it. proud.

...

At this moment, the Ouyang family.

With the help of Su Qingyan and many disciples, Sun Dasheng stumbled back to the Ouyang family manor.

At this time, Wen Chou Chou, Ren Yingying, and others came back one after another because they could not find any trace of Yue Feng.

puff.

As soon as he entered the front hall, Sun Dasheng's body softened, and he knelt on one knee directly on the ground. His breath was extremely weak, but with his strong willpower, he still did not faint.

"Great Sage!" Wen Chou Chou was taken aback and hurried up to greet him.

At the same time, Ren Yingying and others also gathered around, shocked and inexplicable.

"What's going on?"

Ren Yingying looked at Sun Dasheng's situation, her delicate face was full of astonishment, and then she said to Su Qingyan: "What happened? Who beat Dasheng like this?"

When saying this, Ren Yingying was angry and shocked.

You must know that the strength of Sun Dasheng has reached the transcendence realm, and he also has the axe weapon. When it comes to fighting alone, there are very few people in the entire Kyushu that can match him, but now he has suffered such a heavy burden. hurt.

Swish!

At the same time, the eyes of Wen Chou Chou and others also fell on Su Qingyan.

Su Qingyan sighed softly and explained the situation in detail at that time.

What?

Knowing the situation, whether it was Wen Chou Chou or Ren Yingying and others, they were all stunned.

Sun Dasheng and Bai Yunfei moved their hands?

That Bai Yunfei was so powerful that he could beat the Great Sage Sun like this...

At this moment, Su Qingyan's delicate face was very embarrassed: "It's all my fault, if I could have stopped the Great Sage in time, it wouldn't have happened now. This is what it looks like." The

voice fell, and Wen Chou Chou said comfortably: "Qing Yan, don't blame yourself too much, the Great Sage's temper is like kerosene, and he acts recklessly. If I was there at the time, I would have I can't stop it, so don't feel bad."

Ren Yingying nodded and comforted Su Qingyan at the same time.

"Boom!"

Just as he was talking, he saw that Sun Dasheng couldn't hold it anymore, his eyes were closed, he fell to the ground all of a sudden, and he fainted!

"Great Sage!"

"Brother..."

Seeing this scene, everyone was shocked, and immediately carried Sun Dasheng to the backyard room.

When they got to the room, Wen Chou Chou began to take the pulse of Sun Dasheng, and Ren Yingying watched anxiously from the side.

call!

Soon, Wen Chou Chou finished the pulse, frowned, and was secretly shocked. He clearly felt that there was a very domineering force in Sun Dasheng's body, and this force would stubbornly suppress Sun Dasheng's dantian meridian. In this situation It caused Sun Dasheng to be very weak.

Even, there is a danger of death at any time.

"Brother Wen!"

At this time, Ren Yingying couldn't help but ask: "How is the situation of the Great Sage?"

Chapter 3825

Wen Chou Chou sighed, told the situation, and then sighed: "What kind of exercises is this Bai Yunfei practicing? It's so weird, it completely blocked the meridians and dantian of the Great Sage.

"Wen Chou Chou thought for a while and continued: "It seems that there is only one way. Let's join forces and force this power out of the Holy Saint."

Hearing this, Ren Yingying, Su Qingyan and the others nodded quickly.

At this time, everyone didn't know that what remained in Sun Dasheng's body was Bai Yunfei's unique power of the devil's soul.

In the next ten minutes, Wen Chou Chou and Ren Yingying began to join forces to expel the power of the devil's soul for Sun Dasheng. However, the power of the devil's soul was too overbearing and could not be dispelled at all.

Seeing this situation, Su Qingyan felt even more guilty.

If I knew this earlier, in the park before, I had to stop Sun Dasheng and Bai Yunfei from doing anything.

But it's too late to say anything now.

If Sun Dasheng has three strengths and two weaknesses, will Yue Feng know the truth when he comes back, will he blame himself? Even if he didn't blame him, he would not be at ease for the rest of his life.

Thinking of this, Su Qingyan's heart sank to the bottom.

"How should this be done?"

Just when Su Qingyan was thinking wildly, Wen Chou Chou also began to panic, and was anxiously circling around the room.

And everyone in Ren Yingying was very worried.

At this time, Dasheng Sun, with his eyes closed, lay motionless on the bed, his breath was very weak, and he could stop at any time. Just now, everyone couldn't expel the power of the demon soul in his body, so they injected internal power and temporarily saved Sun Dasheng's life.

But this approach does not cure the symptoms.

Sun Dasheng... may stop breathing at any time.

“Okay!”

Depressed, Wen Chou Chou looked around and said in a somber tone, “Don’t panic, I was very tired when I searched for Feng Zi’s traces, you should go to rest first, I am here to guard the big boss. Sage.”

After speaking, Wen Chou Chou ordered to the disciples outside the door: “Send someone to go to various places to look for famous doctors, and the speed is faster.”

Hearing this, Ren Yingying nodded and left the room one after another, just now in order to find Yue The whereabouts of the wind, tossing about most of the night, is indeed very tired.

Su Qingyan followed everyone out of the room, looking in a trance.

In Su Qingyan’s heart, she always believed that Sun Dasheng was with her before being severely injured by Bai Yunfei. At this time, Sun Dasheng is in danger, she has the main responsibility, how can she have the mood to rest,

Bai Yunfei?

At this moment, Su Qingyan’s eyes flashed, and she suddenly thought of something.

Sun Dasheng was injured like this by Bai Yunfei, and only he could save Sun Dasheng.

Yes, go find Bai Yunfei.

Thinking to herself, Su Qingyan said to Ren Yingying: “You guys go to rest, I’ll go out for a while, and I’ll be back soon.” When the words

fell, Su Qingyan quickly left the Ouyang family manor.

At this time, it was the middle of the night, and the bustling city of Zhongzhou seemed extremely quiet.

Su Qingyan was smart, knew that Bai Yunfei had a special status, and was accompanied by Ji Hongshang. With this clue, he quickly found the Junting Hotel where Bai Yunfei was staying.

When they arrived at the hotel lobby, Su Qingyan passed the front desk and called Bai Yunfei’s room.

Speaking of which, in an occasion like the Junting Hotel, it pays great attention to the privacy of customers, and it is impossible for people to make phone calls casually, but Su Qingyan is a member of the Ouyang family, with an extraordinary identity, and the lady at the front desk of the hotel does not dare to neglect her at all.

Soon, the room phone was connected.

“What’s the matter?” After connecting, a deep voice came from the phone, it was Bai Yunfei.

The ultimate husband in Chinese chapter 3826-3830

Chapter 3826

Su Qingyan bit her lip tightly, hesitated for a few seconds, and said softly: “Bai Yunfei, it’s me!”

Huh...

Hearing Su Qingyan’s voice, Bai Yunfei’s attitude immediately changed Enthusiastic: “So it’s Miss Qingyan, it’s so late, do you have anything to do with me?”

When he said this, Bai Yunfei on the other side of the phone was polite, and his face was already smiling.

Haha...

As expected, Su Qingyan took the initiative to contact me before the twelve hours had passed. It seems that Dasheng Sun can’t hold it anymore.

Su Qingyan didn’t notice anything wrong, and said softly: “That.... I want to ask you something. Are you ready now? Can you talk to me?”

Hearing this, Bai Yunfei couldn’t be more excited, and hurry up He promised, “It’s my honor to meet a beautiful lady. You wait for me, I’ll come out immediately.” A

few minutes later, the private restaurant on the third floor of the hotel!

Because it was late at night, there were no customers in the restaurant.

At this time, Bai Yunfei and Su Qingyan were sitting by the window, and through the floor-to-ceiling glass windows, the night scene of the entire Zhongzhou City was unobstructed.

However, at this time, how could Su Qingyan be in the mood to enjoy the night view?

“Miss Qingyan!”

At this time, Bai Yunfei was sitting opposite, looking at Su Qingyan affectionately, indescribably intoxicated, and said, “Do you believe in fate? We met three times today, I think this Maybe it’s God’s arrangement, maybe it’s between us...”

Bai Yunfei's enthusiasm and eyes made Su Qingyan feel like he was on pins and needles, and couldn't help interrupting: "Bai Yunfei, please respect yourself, you should know that I already have The man is Yue Feng, and I'm in a hurry to find you so late."

This chapter is provided by . Visit for daily update.

Feeling Su Qingyan's indifference, Bai Yunfei was stunned for a while, but he was not angry, he said with a smile: "Okay, Miss Qingyan, please speak."

Phew...

Su Qingyan took a deep breath, a little hard to say, but still said He came out: "After the great sage was injured by you, the danger is at stake. I... I want to ask you to help save his life."

This...

Bai Yunfei pondered and smiled bitterly: "Miss Qingyan, I am this person. It's very principled. At that time in the park, I gave you face and spared his life, which is considered to be the best of my kindness and righteousness. Now you ask me to save him, isn't it appropriate?"

"Besides, you were there at the time, right? Sun Dasheng did it to me first."

When he said this, Bai Yunfei's face was serious, but his eyes flashed with slyness.

He had long expected that Su Qingyan would take the initiative to come to the door, how could he easily agree?

Hearing this, Su Qingyan suddenly became excited, looked at Bai Yunfei tightly, bit her lip and said, "Bai Yunfei, I can understand what you said, it was indeed the great sage's impulse at that time, but the enemy should be resolved. It's not appropriate, please raise your hand and save him, okay?"

At this time, Su Qingyan was completely in a hurry, as long as she could save Sun Dasheng, she completely abandoned her dignity.

Bai Yunfei didn't agree immediately, but said displeasably: "Miss Qingyan, don't blame me for speaking straight, then Dasheng Sun has nothing to do with you directly, why do you care so much about his life and death?"

"With the open axe, you can be arrogant, and something will happen sooner or later."

Alas!

Hearing this, Su Qingyan breathed a sigh of relief and said seriously: "But no matter what you say, he is always Yue Feng's sworn brother."

After saying that, Su Qingyan looked at Bai Yunfei with anticipation in her eyes: "Please You save him, okay?"

Mad!

Seeing her mention Yue Feng, Bai Yunfei frowned secretly, feeling very upset.

This Su Qingyan is Yue Feng when he opens his mouth and closes his mouth, what can I, Bai Yunfei, be inferior to him?

Chapter 3827

Thinking, Bai Yunfei's mouth twitched, and his eyes showed a bit of a smile: "Miss Qingyan, you may not know, Sun Dasheng has fallen into my unique practice, if this practice is unparalleled in the world, only use me His blood can be used as medicine to save his life."

"But in this way, my vitality will be greatly damaged. Speaking of which, I have known Miss Qingyan at first sight, but Miss Qingyan is lukewarm to me, and even My friends are not allowed, so how can I help save people?"

When he said this, Bai Yunfei looked indifferent, but his eyes kept looking up and down at Su Qingyan.

That's right, Bai Yunfei said this on purpose to make Su Qingyan completely let go of her restraint and dignity.

really!

When the words fell, Su Qingyan was completely anxious, her delicate face was full of worry, and she said eagerly: "Bai Yunfei, how can you save the Great Sage? As long as you say it, I can do it, I will promise you. "

Really?" Bai Yunfei smiled even more.

Su Qingyan bit her lip and nodded. Bai Yunfei

took a sip of tea leisurely, and said with a smile: "My conditions are very simple, as long as Miss Qingyan stays by my side from now on, I will promise to treat Dasheng Sun, how?"

Watching the change in Su Qingyan's expression closely, she felt uneasy in her heart.

After such a long prelude, Bai Yunfei's ultimate goal is to keep Su Qingyan by his side, but Bai Yunfei is not too sure, after all, Su Qingyan has a deep love for Yue Feng.

What?

Hearing this request, Su Qingyan's body trembled, and her whole body was stunned.

This Bai Yunfei, actually wants to stay by his side in the future? How is this possible? She is Yue Feng's woman, how can she be with other men?

"No!"

Su Qingyan's red lips parted lightly, her voice was soft, but her attitude was firm: "Bai Yunfei, stop joking, except for this condition, I can promise you everything else."

"I'm serious. Why are you joking?" Bai Yunfei also looked serious.

Su Qingyan bit her lip tightly, her mind was in chaos, and her heart was struggling.

"Miss Qingyan!"

Seeing Su Qingyan's hesitation, Bai Yunfei's words softened, his eyes full of expression, and he said seriously: "I didn't mean to embarrass you, to be honest, when I was in the Tiandao Alliance, I was right. When you fell in love at first sight, I swore at that time, I will definitely want you to be my woman in this life. Although you already have Yue Feng, I don't care."

After speaking, Bai Yunfei paused and continued: "Don't worry, I just want you to stay with me, I won't force you to do things you don't like, I just want to see you every day and be satisfied, promise me, okay?"

Su Qingyan bit her lip tightly, almost about to bleed, no response, mind buzzing, blank.

How to do?

If you don't agree, Sun Dasheng is really helpless.

Seeing Su Qingyan's reluctance to agree, Bai Yunfei laughed at himself: "It seems that I am abrupt. Since Miss Qingyan hates me so much, let's just let it go."

Saying that, Bai Yunfei stood up, pretend to go.

Su Qingyan was in a hurry, and quickly said: "Don't go...you...what you said just now, but is it true?"

When she said this, Su Qingyan's heart was trembling. As Bai Yunfei said, if you don't force yourself to do things you don't like, it's okay if you agree.

If you don't agree, the Great Sage is really helpless.

To be honest, Su Qingyan felt ten thousand reluctance in her heart, but Sun Dasheng was with her and was injured by Bai Yunfei. If something happened to Dasheng, Su Qingyan really didn't know how to face Yue Feng.

Su Qingyan thought about it, no matter what, she must save Sun Dasheng.

"Every sentence is true!"

Bai Yunfei said with a serious face, pointing to the sky and swearing: "If there is any lie, teach me to die without a place to be buried."

"Okay!"

At this moment, Su Qingyan nodded: "Then I promise. you."

Chapter 3828

When she said this, Su Qingyan's heart was bleeding. After agreeing, she would follow Baiyun and fly away, but if she didn't, there would be no other way.

You can't just watch Sun Dasheng die, can you?

Great!

Seeing that Su Qingyan finally agreed, Bai Yunfei was overjoyed and laughed loudly: "Miss Qingyan, don't worry, I'll keep my promise, and I'll go get the blood." The

voice fell, and Bai Yunfei hurriedly returned to the room.

Watching Bai Yunfei leave, Su Qingyan sat there, looking out the window, in a trance and a sense of loss.

.....

At this moment, the Ouyang family.

Because of Sun Dasheng's affairs, the entire family was shrouded in a depressing atmosphere.

Whoosh!

At this moment, a figure came swiftly from the sky in the distance, with knife-like facial features, indescribably cold and handsome.

It was Yue Feng.

After leaving Xia Yinzong, Yue Feng did not stop for a while, and rushed back to the family directly, for fear that Wen Chou Chou would be too worried.

“Young master is back!”

“Young master...”

Seeing Yue Feng’s return, many disciples of the family surrounded him with great joy.

At the same time, Wen Chou Chou and Ren Yingying came out one after another when they heard the movement. They were very happy to see that Yue Feng was safe and sound. At the same time, there was a bit of sadness between their eyebrows.

“What’s wrong?”

Seeing everyone’s expressions, Yue Feng suddenly had a bad premonition and couldn’t help but ask.

Wen Chou Chou sighed and said, “Fengzi, you were kidnapped by two mysterious old men. We searched around Zhongzhou City. At that time, the Great Sage searched Tianzhong Park and met Bai Yunfei...”

” In the next few minutes, Wen Chou Chou explained the details.

At the end of the speech, Wen Chou Chou said extremely solemnly: “The Great Sage is still in a coma. A few famous doctors came here just now

.

Hearing this, Yue Feng was shocked. He didn’t have time to think about it, and hurriedly went to the backyard to visit Dasheng Sun.

Soon, when I got to the room, I saw Sun Dasheng lying there quietly, still in a coma, his eyes were closed, his face was pale, and he was extremely weak.

“Great Sage.”

Seeing this scene, Yue Feng’s eyes turned red!

“It’s all because of me, it’s all because of me...you became like this...” Yue Feng couldn’t tell the guilt, tears fell down, and his heart was cut like a knife.

Bai Yunfei!

In grief, Yue Feng clenched his fists tightly, his eyes were blood red, and his whole body couldn't stop shaking.

At this time, Yue Feng was extremely angry in his heart, Ma De, this Bai Yunfei actually labeled the Great Sage like this, this matter must not be taken lightly.

In anger, Yue Feng walked over quickly and began to investigate the situation of Sun Dasheng.

For a while, Wen Chou Chou and Ren Yingying, who followed up, all had expectations on their faces. You must know that Yue Feng had studied medical theory with Shen Nong, and he also had extremely high attainments in the art of alchemy. , Dasheng will definitely be fine.

However, after Yue Feng checked the situation, the whole person froze there.

The power in the Great Sage's body is so strange that it suppresses all the meridians and Dantian in the Great Sage's body. I have some attainments in medical theory, but this is the first time I have seen it.

Chapter 3829

What kind of exercises is Bai Yunfei practicing? So domineering.

Muttering in his heart, Yue Feng didn't have time to think, he helped Sun Dasheng up, and then sat behind him, urging the power of the primordial spirit, and began to expel the power in Sun Dasheng's body.

At this time, Yue Feng was very confident in his heart. He possessed the Primordial Spirit and the power of Bird Ancestor, so he could definitely expel the power in the Great Saint's body successfully.

Seeing this scene, the surrounding Wen Chou Chou, Ren Yingying and others held their breaths.

However, as soon as Yue Feng input the power of Yuanshen into it, he was resisted by the power in Sun Dasheng's body. For a time, the two forces were at a standstill in Sun Dasheng's body.

How strong is this force in the Great Saint?

At this moment, Yue Feng frowned secretly, and instantly lost his previous self-confidence.

“Ah...” The

two forces confronted each other in the body, and saw the unconscious Sun Dasheng, his face flushed, and there was a pain in the eyebrows, and at the same time, a loud cry came out, and his whole body trembled.

Oops!

Seeing this situation, Yue Feng was both self-blame and annoyed.

Although Sun Dasheng is powerful, he is flesh and blood after all. The power of Bai Yunfei is already the limit he can bear. Now that he has input the power of Yuanshen, Dasheng will definitely not be able to bear it.

Thinking to himself, Yue Feng quickly stopped.

“How is it?”

At this moment, Wen Chou Chou couldn't help but ask.

Yue Feng shook his head, with a look of shame on his face: “The power in the Great Saint's body is too strong, and it is difficult to forcibly expel it.”

While speaking, Yue Feng was thinking about Wuji Danshu, trying to find a way to deal with it, but after thinking about Wuji Danshu, Yue Feng still found nothing.

Nima!

At this moment, Yue Feng was completely anxious and at the same time extremely surprised.

This Bai Yunfei's cultivation technique is so bizarre that it is simply unheard of, but how did he cultivate to such a level when he was less than 30 years old?

At this time, Yue Feng did not know that Bai Yunfei's current strength was entirely dependent on the demon soul in his body.

There is almost no record of demons in the Kyushu Continent, let alone the power of demon souls.

Phew...

Seeing this scene, the faces of the surrounding people were also complicated, and there was no hope in their hearts.

Even Yue Feng was helpless. It seemed that this time, Sun Dasheng was doomed.

At this time, Yue Feng calmed down.

Up to now, I can only go to the Tiandao League to find Luo Jue. After all, Luo Jue is from the realm of the gods, and there must be a way to save Sun Dasheng.

After making up his mind, Yue Feng did not hesitate, told everyone to look after Sun Dasheng, and quickly left the Ouyang family.

At this time, Yue Feng, because he had been worried about Sun Dasheng's injury, did not realize that Su Qingyan was missing from everyone present.

A few minutes later, Yue Feng was alone and quickly rushed towards the Tiandao Alliance.

....

at this moment, Junting Hotel.

Su Qingyan sat in the private dining room, seemingly soft and peaceful, but she was secretly anxious.

Half an hour has passed, and Bai Yunfei has not come back. Has he regretted it?

“Light smoke!”

At this moment, I heard a warm call, and then Bai Yunfei came over with a look of excitement, holding a jade bottle in his hand.

“Qingyan...”

Bai Yunfei shouted and handed the jade bottle to Su Qingyan: “This jade bottle contains my blood, you can take it to Sun Dasheng, he will be fine. It's over!”

When he said this, Bai Yunfei's face was sincere, but there was a bit of insidiousness in his eyes.

Bai Yunfei did take his own blood, but in the blood, there was a soul-eating bloodworm.

Chapter 3830

In Bai Yunfei's heart, Sun Dasheng is Yue Feng's sworn brother, how could he save him for no reason? Even if Su Qingyan agreed to the conditions, she couldn't soften her heart.

Bai Yunfei's plan is very insidious.

The soul-devouring blood worm was hidden in the blood. At that time, after Sun Dasheng took it, there was no danger to his life on the surface, but invisibly, he was also under the control of Bai Yunfei.

“Great!”

Su Qingyan hurriedly stood up, a hint of joy finally appeared on her face, and then took the jade bottle.

Immediately, Su Qingyan opened the jade bottle, and saw that there was indeed some blood inside, with a hint of fishy smell, obviously Bai Yunfei had just taken it from himself.

“I’ll send the things back!” Su Qingyan said, then turned to leave.

Bai Yunfei quickly followed and said with a smile, “I’ll take you off.”

Outside the hotel, Bai Yunfei was indescribably happy: “Qingyan, don’t forget your promise.”

Hmm!

Su Qingyan bit her lip tightly: “Don’t worry, I, Su Qingyan, do what I say. I will come back to find you when I send things to the Ouyang family.”

His tone was calm, but deep in his heart, he was extremely sad.

When the words fell, Su Qingyan turned and left.

“Okay!” Bai Yunfei nodded and watched Su Qingyan go away.

Seeing Su Qingyan’s figure disappear into the night, Bai Yunfei prepares to return to the hotel room.

“Your Excellency!”

At this moment, a figure came, followed by a handsome figure, walking from not far away, with a bit of exhaustion and gloom on his angular face.

It was Wen Xiaoyu.

Seeing Wen Xiaoyu, Bai Yunfei put away his smile and said coldly, “It’s you, how did you do the things that were handed to you before?”

Three days ago, Bai Yunfei forcibly gave Wen Xiaoyu and his daughter My friend, took the soul-eating bloodworm to force Wen Xiaoyu to steal the ghost token.

Because of this, Bai Yunfei will stay in Zhongzhou temporarily.

“I got it.”

Hearing the question, Wen Xiaoyu took out something from his body and handed it to Bai Yunfei. It was a black token, like jade but not jade, with a gloomy chill all over his body.

It is the ghost token.

Bai Yunfei took the token, showed a smile, and praised: “Okay, very good, I really didn’t see the wrong person.”

After speaking, Bai Yunfei waved his hand and said lightly: “Okay, you can leave. “

However, Wen Xiaoyu stood there without any intention of leaving.

“Your Excellency!” In the

next second, Wen Xiaoyu hesitated and said slowly: “I have already helped you with the matter, and I have also obtained the ghost token for you. Now you can give me the antidote.”

Saying this At that time, Wen Xiaoyu was unspeakably embarrassed, and his dignified Young Master of the Hall of Longevity was at the mercy of an outsider, which was a great shame.

It is necessary to get rid of Bai Yunfei as soon as possible.

Antidote?

Hearing this, Bai Yunfei turned around and looked at Wen Xiaoyu with a half-smiling smile: “Boy, you haven’t recognized the situation yet? You are my subordinate now, and you will always serve me in the future.

” As for the soul-devouring bloodworm, I told you before that it merges with your essence and blood and cannot be driven out, understand?”

“Don’t talk about it, go back and wait for my next order. As long as you are loyal to me with all your heart, I will not treat you badly.”

After saying this, Bai Yunfei strode back to the hotel.

Mad!

At this moment, Wen Xiaoyu stood there, clenching his fists tightly, his eyes blood red.

Do you have to live in the shadow of Bai Yunfei all your life?

I'm so unhappy.
