

## The ultimate husband in Chinese chapter 3831-3840

### Chapter 3831

But... This Bai Yunfei is so powerful that he can't beat him at all.

Thinking of this, Wen Xiaoyu was indescribably desperate.

Speaking of which, Wen Xiaoyu had thought about telling Wen Chou Chou, but he had already stolen the ghost token, and his girlfriend's life was also in Bai Yunfei's hands, so he held back.

.....

On the other side, the Ouyang family.

At this time, the sky was already bright.

In the room, the atmosphere was very depressed, Sun Dasheng lay there, breathing weakly, his face was pale, and the situation was even worse than before.

Li Nan stood there quietly beside the bed, his eyes red from crying.

From the time Sun Dasheng was in a coma until now, Li Nan has been standing by the side. It has been several hours now. She only feels physically and mentally exhausted.

At this time, Li Nan kept praying in his heart, praying for Sun Dasheng to wake up.

Li Nan and Sun Dasheng have been married for many years, and they have been in love with each other.

Squeak...

At this moment, the door of the room was suddenly opened, and then Su Qingyan walked in quickly, with a bit of eagerness on her delicate face, holding a jade bottle in her hand.

Arriving in front of him, Su Qingyan handed the jade bottle to Li Nan: "Quick, take it for the Great Sage!"

Li Nan took the medicine bottle, opened it and saw some blood in it, she suddenly trembled and was stunned: "Qingyan, is this blood?"

This chapter is provided by . Visit for daily update.

When he said this, Li Nan was full of surprise, not understanding why Su Qingyan asked the Great Sage to take this blood.

call...

Su Qingyan sighed lightly, bit her lip, and said complicatedly, "This blood can save the Great Sage."

Hearing this, Li Nan's body was shocked, and she was very happy. Cigarettes don't lie to themselves. At that time, Li Nan didn't think much, and gave the blood to Sun Dasheng.

Soon, after Sun Dasheng took it, his pale face regained a hint of rosy.

Really can.

Seeing this scene, Li Nan couldn't be more happy, grabbed Su Qingyan's hand tightly, and couldn't help asking, "Qingyan.. What kind of blood is this? Where did you get it?"

"Ren Yingying helped the Great Sage exorcise the failure.

After that, Yue Feng was helpless.

At this time, it was incredible that Su Qingyan had brought magical blood.

Su Qingyan smiled lightly, it seemed very relaxed, but the smile was very far-fetched, and slowly said: "This is Bai Yunfei's blood, his practice is quite special, he injured the Great Sage, and only his blood is there. can be rescued."

What?

Li Nan's body trembled, and the whole person was stunned: "You...you went to Bai Yunfei?"

At this time, Li Nan was moved and complicated.

That Bai Yunfei is both righteous and evil, not a kind at all, but Su Qingyan took the risk and got the blood of the Great Sage from him.

Shocked, Li Nan recovered and said, "You don't know yet, Yue Feng is back. After seeing the situation of the Great Sage, he went to Tiandao League to find Luo Jue."

Yue Feng is back?

Su Qingyan's heart trembled, and she showed a smile: "That's great, I'm relieved that he's back safely."

As she said that, Su Qingyan's delicate face showed a trace of sadness, she took out a letter from her body and handed it to Li Nan: "Sister Li Nan, I'm leaving in a moment, you help me give this letter to Yue. Wind!"

Go?

Li Nan looked at her incredulously: "Are you going? Where are you going?"

Chapter 3832

Su Qingyan sighed softly, a glint of light flashed in her eyes, full of grief, but she still forced a smile and said: "I just go out for a walk, yes, the letter must be given to Yue Feng!"

After saying this, Su Qingyan turned and left the room.

Su Qingyan didn't want to say anything about her promise to go away with Bai Yunfei, because she knew that once she said it, Li Nan would definitely stop her.

To be honest, Su Qingyan also thought of going back on her word, since Sun Dasheng is all right, there is no need to keep his promise to find Bai Yunfei.

But Su Qingyan knew in his heart that Bai Yunfei was powerful, and once he made a slip of the tongue, Bai Yunfei would definitely not give up.

Therefore, after thinking about it, Su Qingyan decided to keep her promise.

"Qingyan!"

Seeing Su Qingyan's unwillingness to leave, Li Nan hurriedly chased out, but Su Qingyan had already gone far.

Li Nan was so anxious that he was going to inform Wen Chou Chou, but at this moment, Sun Dasheng woke up and called softly, "Wife..."

Li Nan was surprised and happy when he heard the voice, and hurried over to take Sun Dasheng. He helped him up: "You're finally done, that's great..." As he said that, he threw himself into Sun Dasheng's arms and wept with joy.

.....

Su Qingyan left the Ouyang family and went directly to the Junting Hotel.

Seeing that Su Qingyan kept his promise, Bai Yunfei was extremely excited.

A few minutes later, in the hotel room.

“Light smoke!”

Bai Yunfei sat there and looked at Su Qingyan with a smile: “I didn’t expect you to come so soon, I’m really happy, speaking of which, I originally planned to let you take me to appreciate the local customs of Zhongzhou City. , but there is something urgent for the time being, so we have to leave.” When he said this, Bai Yunfei looked regretful.

In Bai Yunfei’s heart, getting along with Su Qingyan was important, but the family’s mission was even more important. He had already obtained the ghost token, and he had to go to the ghost world as soon as possible to investigate the whereabouts of Demon Venerable.

“Okay!” Su Qingyan nodded, her delicate face did not fluctuate at all.

When he agreed to Bai Yunfei’s request, Su Qingyan’s heart was dead, and it didn’t matter where he went.

Bai Yunfei smiled: “Then you take a rest first, I’ll explain some things, and then let’s go.” The voice fell, and Bai Yunfei left the room.

When they got outside, Bai Yunfei called Ji Hongshang over.

Soon, Ji Hongshang rushed over and complimented Bai Yunfei: “Congratulations to the sect master, you got your wish.”

This Bai Yunfei, without any effort, can let Su Qingyan obediently follow him. admire.

Bai Yunfei waved his hand: “Okay, stop flattering, prepare immediately, we are going to Qingcheng Mountain.”

Qingcheng Mountain, located in the southwest of Di Yuan Continent, there is a hidden passage at the foot of the mountain, connecting the road of the ghosts, Kyushu Continent, there are several ghost roads, and the one under Qingcheng Mountain is the closest to Zhongzhou City.

“Yes.” Ji Hongshang didn’t dare to be negligent, she answered and went to prepare.

Half an hour later, Bai Yunfei took Su Qingyan and Ji Hongshang to Qingcheng Mountain.

.....

On the other side, Tiandao Alliance.

Yue Feng did not stop at all along the way, flying for two consecutive hours, and finally arrived at the main altar of the Tiandao Alliance.

At this time, in the reception hall behind the main altar.

Luo Jue withdrew his subordinates, smiled and saluted at Yue Feng and said, "Xuansheng suddenly arrived, I don't know what to do?" His mouth was polite, but his eyes flashed with arrogance.

Before Luo Jue deliberately went to God's Domain to ask Jiutian God for instructions, and learned that Jiutian God and Yue Feng had a bad relationship, he suddenly had a care in his heart.

Seeing Yue Feng again at this time, Luo Jue's heart naturally lost the respect he had before. Nine Heavens God doesn't take Yue Feng seriously, what else is there to be afraid of?

### Chapter 3833

Yue Feng took a deep breath, no nonsense, and directly told Sun Dasheng's situation.

Having said that, Yue Feng said seriously: "Luo Jue, is there any way you can save the Great Sage, or do you have a Spirit Fruit on your body?" The

Spirit Fruit contains the essence of heaven and earth, which the Great Sage eats will not only increase his lifespan, but also have the effect of reborn. , At that time, Yue Feng will use the power of Yuanshen again to help him expel the power in his body, so he will not be afraid that Sun Dasheng can't bear it anymore.

"Your Excellency Xuansheng!"

Luo Jue smiled apologetically: "Even you are helpless, how can I save Sun Dasheng? Moreover, I am just a small messenger, and I am not qualified to enjoy the spiritual fruit. You must know that the spiritual fruit is His Majesty the God of Nine Heavens, and the exclusive tribute of Empress Hua Zhao."

After speaking, Luo Jue's eyes flashed, and he continued: "However, Your Excellency Xuansheng can go to God's Domain and directly meet His Majesty the God of Nine Heavens, and ask His Majesty to grant spiritual fruit to save him. Sun Dasheng."

When he said this, Luo Jue had a relaxed expression, and he had a high-hanging attitude.

Phew...

Hearing this, Yue Feng took a deep breath and frowned secretly.

He could see that Luo Jue didn't want to help.

But... it's okay to go to God's Domain and ask Jiutian God for a spiritual fruit, but the time in God's Domain is completely different from the time in the human world. One day in God's Domain is equivalent to a month in Kyushu. This time, even if you get the spiritual fruit, the Great Sage is not good either.

Mad!

Luo will never help, nor can he go to God's Domain.

How is this good?

For a time, Yue Feng was unspeakably irritable, but soon, Yue Feng thought of Bing Yao. She is the current Hades, not only powerful, but also knowledgeable, so there must be a way.

Thinking about it, Yue Feng stopped talking nonsense and bid farewell to Luo Jue.

...

on the other side, the ghost world.

Because of the violent vibrations in the depths of the Nether, Bing Yao found out the reason, which came from the Sealing Magic Mirror. At that time, she ordered to seal all the paths of the ghost and strengthen the defense around the Nether.

For a time, the defense of Mingdu City doubled. Without this, there are dozens of patrol teams around Mingdu City, patrolling continuously.

It can be said that the entire Underworld is heavily guarded.

Shasha...At this time, on the soul-inducing road outside Mingdu, there was a sound of footsteps, the footsteps were very light, and then, a slender figure came from not far away.

This is a charming and sexy woman.

I saw that she was wearing a dark purple dress, her tight figure was looming, and she was extremely sexy. But this woman was filled with a dangerous aura, like a beautiful snake.

It was Ji Hongshang.

Half an hour ago, Bai Yunfei, Su Qingyan, and Ji Hongshang arrived at Mount Qingcheng. At that time, Bai Yunfei handed the ghost token to Ji Hongshang and asked her to go to the ghost realm on his behalf to investigate the trace of the Demon Lord.

You must know that Bai Yunfei has a demon soul, and once he enters the ghost world, his identity will be revealed. Therefore, just to be cautious, Bai Yunfei asked Ji Hongshang to be the vanguard.

Once the location of Demon Venerable was detected, Bai Yunfei would no longer have any concerns.

“Huh? There are people over there!”

“Who? Dare to trespass into the ghost realm?”

“Hi... so beautiful...”

As soon as Ji Hongshang appeared, it immediately attracted the attention of a team of patrolling soldiers. For a time, they were all attracted by Ji Hongshang's charming appearance.

But soon, these underworld soldiers came back to their senses and surrounded Ji Hongshang all at once, as if they were facing a great enemy.

Because Hades has just issued an order to prohibit anyone from entering the ghost world without authorization.

“Who are you?” The underworld soldier, headed by him, couldn't help but ask.

call!

## Chapter 3834

Ji Hongshang took a deep breath, her expression did not fluctuate in the slightest, and said lightly: “I was sent by the messenger of text. I have something to report to His Majesty the King of Pluto. This is the token of the messenger of text.” The token lights up.

To be honest, it was the first time that Ji Hongshang came to the ghost realm, and she was worried, but she wanted to have Bai Yunfei's backing, and she still had a ghost token in her hand, and she suddenly regained her confidence.

Ghost token?

Seeing the token, the surrounding soldiers suddenly became polite. Back then, when Hades recognized Wen Chou Chou as his messenger, there was no one who did not know about the entire ghost world at that time.

Although Wen Chou Chou is no longer a messenger, he is still a friend with the current Pluto, so these Pluto soldiers do not dare to be rude.

“It turns out that the person who is the messenger of text is disrespectful!” The leader of the soldiers said politely.

While talking, he couldn't help but stare at Ji Hongshang.

beautiful!

With a slender waist and straight long legs, this figure is simply too perfect.

In amazement, the leader of the underworld soldiers made a gesture of invitation: “At this time, His Majesty Pluto is in the main hall, let Xiaoxiao take you there.”

“No!” Ji Hongshang smiled lightly and refused: “You all continue to patrol, I'll just go in by myself.”

Ji Hongshang didn't want to meet Hades at all, but wanted to find the traces of Demon Venerable. How could these underworld soldiers follow?

The underworld soldier had no doubts, nodded, and let Ji Hongshang enter the city of Mingdu.

Huh...

The moment he entered the Mingdu City, and saw the wide street in front of him, and the Jian ethnic group that could not be seen at a glance, Ji Hongshang was extremely shocked. He didn't expect that this Mingdu would be so large.

It's just that the people who come and go on the street are all wandering spirits, all of them pale and lifeless.

After walking for a while, Ji Hongshang walked to a secluded corner and said softly, “Sect Master, I have already come in.”

If someone else was present at this time, they would definitely think that Ji Hongshang was a lunatic, so she would talk to herself.

In fact, Ji Hongshang communicated with Bai Yunfei through a spiritual link. You must know that Ji Hongshang took Bai Yunfei's demon blood at the time and had a special

soul contract with Bai Yunfei, so she could communicate through the air through spiritual power. .

“Yeah!”

As soon as the words fell, Bai Yunfei’s voice sounded in Ji Hongshang’s mind: “Yes, you are walking right in front of you now!”

At this time, Bai Yunfei, although far away from Qingcheng Mountain, can connect through the spirit. , sensing the situation within a kilometer around Ji Hongshang, at this time, relying on the induction of the Demon Venerable’s breath, he issued an order to Ji Hongshang.

Ji Hongshang did not neglect in the slightest. Under Bai Yunfei’s instructions, she kept walking forward, and soon, she reached the entrance to the depths of the netherworld.

“Sect Master!”

Seeing that there were a large number of underworld soldiers guarding the entrance to the depths of the underworld, Ji Hongshang quickly stopped and said, “I can’t get in, there are many underworld soldiers guarding it.”

“You don’t need to go in, Demon Venerable. I have already explored the location, you can come back now.” Bai Yunfei said lightly.

At this time, through the spiritual link, Bai Yunfei clearly sensed that the aura of the Demon Venerable was in the depths of the netherworld. Since the location of the Demon Venerable had been detected, Ji Hongshang’s mission was completed.

Because next, it was Bai Yunfei’s turn to go out in person.

“Yes, Sect Master!” After receiving the order, Ji Hongshang immediately walked out of the underworld and left the ghost world through the road of ghosts.

After leaving the ghost world, Ji Hongshang quickly joined Bai Yunfei.

“Sect Master!”

Ji Hongshang was excited and excited again when she got to the front: “Sect Master, are you sure you have investigated clearly?”

Bai Yunfei nodded: “Yes, if I feel good, he is in the depths of the netherworld.” Because Su Qingyan was on the side, Bai Yunfei did not directly say the word Demon Venerable.

“Bai Yunfei!”

At this moment, Su Qingyan, who had been silent, couldn't help but ask, "You sneak into the ghost world, whose whereabouts are you going to investigate?" Su Qingyan's delicate face appeared when she said this. , full of curiosity.

To be honest, Su Qingyan reluctantly followed Bai Yunfei, her heart was ashes, and she had no interest in anything. However, what Bai Yunfei and Ji Hongshang did today was really strange.

Chapter 3835

Haha...

Hearing Su Qingyan's question, Bai Yunfei couldn't help laughing, and said to himself: "Qingyan, this time I'm exploring the ghost world, I'm going to do an earth-shattering event. As long as this matter is completed, there will be great changes between heaven and earth, and I, Bai Yunfei, will also become a famous person for the ages."

Earth-shattering event?

Hearing this, Su Qingyan's delicate body trembled, and her heart trembled inexplicably.

At this moment, Bai Yunfei continued: "Qingyan, this matter is no trivial matter. I can't say it for the time being. I'll tell you after I finish it."

Bai Yunfei was cautious and didn't say anything about Demon Venerable.

Seeing Bai Yunfei say this, it was inconvenient for Su Qingyan to continue asking questions.

"Sect Master!"

Ji Hongshang, who was next to him, couldn't help but said, "What should we do next?"

Bai Yunfei took a deep breath and said slowly, "Since he knew that he was in the depths of the netherworld, he would naturally do so as soon as possible. Bring him out, the ghost world is very dangerous, I decided to go alone. It's just..."

Said, Bai Yunfei frowned, and his eyes showed a bit of worry.

Bai Yunfei knew in his heart that although he possessed Demon Venerable, his strength was enough to disdain Kyushu, but it was different when he arrived in the ghost world. If he broke into the depths of the Nether, he did not rescue Demon Venerable, and his identity was revealed, it would not be worth the loss.

Seeing Bai Yunfei's brows furrowed, Ji Hongshang couldn't help but say, "Sect Master, what are you worried about?"

Bai Yunfei didn't hide it, so he expressed his concerns. Ji Hongshang was his own, so he didn't hide it at all.

It turns out that the sovereign is worried about this...

After listening to Bai Yunfei's words, Ji Hongshang nodded suddenly, then thought for a while, and said with a smile: "The sect master's worries are not unreasonable, the ghost world is very dangerous, and you really need to act cautiously. I have a way to help the sect master hide his identity."

While talking, Ji Hongshang took out a bottle of ointment from her body, and she saw that the ointment was green and translucent, like emeralds, but it gave people a feeling of shivering.

Obviously, this is a highly poisonous form of the Five Poison Sect.

"This is..." Bai Yunfei frowned. Vigilance in his eyes.

When he reached his realm, he could immediately sense that this ointment contained severe toxicity.

Ji Hongshang smiled and said with relief: "Sect Master, don't be nervous, this is the 'Kurong San' of our Five Poison Sect. As the name suggests, as long as this ointment is applied to the face, the skin will shrink and deform, and then the facial features will be deformed. A complete change has taken place."

Speaking of this, Ji Hongshang's delicate face showed a bit of confidence: "When the sect master uses it and changes his appearance, he will not worry about his identity being discovered. After the event is completed, the sect master will After taking the antidote, your appearance will change back."

Haha...

Hearing this, Bai Yunfei was overjoyed, and quickly asked Ji Hongshang to apply ointment to himself.

A few minutes later, Ji Hongshang finished painting and said with a smile, "It's done, Sect Master!" After saying that, Ji Hongshang handed over a mirror.

Bai Yunfei took the delicate photo and nodded again and again, very satisfied.

I saw in the mirror, under the action of the ointment, on my face, wrinkles appeared on the skin, and it was like a few decades old all of a sudden, completely lost the handsome look before, but an old and ugly man image.

Great, he changed his appearance, even if he failed to rescue Demon Venerable, his identity would not be exposed.

At the same time, Su Qingyan, who was standing not far away, was also secretly shocked.

These five poisonous sects, worthy of being the sects that made the entire Kyushu's color change, it is incredible that there is such a highly poisonous sect.

"Sect Master!"

At this moment, Ji Hongshang smiled lightly and said to Bai Yunfei: "This is dry and loose, there is a time limit, if you don't take the antidote for twelve hours, the poison will spread all over the body, wait a minute. I'll give you the antidote first, just in case."

Twelve hours?

Hearing this, Bai Yunfei smiled casually: "There is enough time, yes, after I go to the ghost world, you should leave Qingcheng Mountain temporarily, so as not to be discovered and cause suspicion."

"Yes, Sect Master!" Ji Hongshang nodded. nodded.

## **The ultimate husband in Chinese chapter 3836-3840**

### **Chapter 3836**

At this moment, the ghost world.

In the Great Hall of Mingdu, Bing Yao sat on the throne, her delicate face did not show any mood swings.

On the two sides below, the captains of more than a dozen patrols are standing there respectfully, reporting the situation of today's inspections one by one.

Since the martial law in the ghost world, Bingyao issued an order for these patrolling soldiers to report the situation every day.

At this point, the captains will report the situation.

"Your Majesty!"

At this moment, one of the captains suddenly thought of something, took a step forward, and respectfully said to Bing Yao: "When this subordinate was on duty, a woman who claimed to be sent by Wen Chou Chou was holding a ghost token. , Said to meet His

Majesty, there are important things to discuss. I don't know if His Majesty has seen this person."

The woman sent by Wen Chou Chou?

Hearing this, Bing Yao frowned: "What woman? I have never summoned me."

Shah.

At this moment, the captain of the underworld soldier was shocked, and he was inexplicably flustered.

Oops, have you been deceived? That woman didn't want to see His Majesty Hades at all, but had other plans?

Bing Yao also realized that something was wrong, and her tone became cold: "Honestly speaking, what was the situation at that time?"

Pfft!

The captain of the underworld soldiers trembled, and quickly knelt on the ground, stammered out the situation at the time, and finally said, almost crying: "Your Majesty, I saw the ghost token at the time, and I didn't think much about it, just Put her in the Underworld..."

This chapter is provided by . Visit for daily update.

"You..."

Bing Yao was very angry and glared at the captain of the soldiers: "As the patrol captain, why are you so negligent? Just say a woman was let in?" After speaking

, Bing Yao made a decisive decision: "Quick, pass my order and block the entire Mingdu City, be sure to find that woman."

Although Bing Yao still doesn't know who that woman is, she doesn't know why, but she always has some bad premonitions in her heart.

At this time, Bing Yao didn't know that that woman was Ji Hongshang of the Five Poison Sect, and had already left the ghost world at this time.

"Yes! Your Majesty." The

voice fell, and all the captains of the underworld soldiers in the hall responded in unison.

.....

the other side.

The entrance to the depths of the netherworld.

Just now, Bing Yao issued an order to block the entire Underworld City. In this case, the entrance to the depths of the underworld was also doubled to guard.

For a time, the entire Underworld City was heavily guarded.

hum.

At this moment, a powerful breath came from a distance, and then, a figure was as fast as lightning, directly breaking into the ghost world and the entrance to the depths of the netherworld.

It was Bai Yunfei.

I saw that Bai Yunfei's handsome face was now dark and ugly.

Just now, after Bai Yunfei used Ku Rong San, he directly broke into the ghost world.

"Who is it?"

"This person is uglier than a ghost..."

Seeing Bai Yunfei, the many underworld soldiers guarding the entrance suddenly cast their gazes and became alert.

Bai Yunfei didn't care about the gazes of these underworld soldiers, his ugly face was full of coldness.

Chapter 3837

"I don't want to start killing people, get them all away!" Bai Yunfei spoke slowly, and his cold voice spread throughout the audience.

Anyway, Bai Yunfei was not afraid of revealing his identity, and he had no scruples at all.

Whoa!

In an instant, the soldiers present were shocked when they heard this.

"What did this ugly guy say?"

"Running to the ghost world to be wild, is it impatient to live?"

“What happened today? There was a woman who sneaked into the Underworld City before, and now there is another ugly monster...”

During the discussion, the gazes of these underworld soldiers were all staring at Bai Yunfei with contempt from the bottom of their hearts.

“Ugly, do you know where this place is?”

“You dare to be presumptuous even at the entrance of Netherworld, I think you have a long life.”

At this time, a captain of the underworld soldiers strode over and looked at Bai Yunfei up and down: “Boldly Crazy, dare to be wild in the capital city of the Underworld...” As he said, he took out a soul-locking chain from his body, and was about to lock Bai Yunfei.

“Go away!”

However, before the captain of the underworld soldiers approached, Bai Yunfei snorted coldly. The next second he raised his right hand, and the power of the demon soul was activated. He saw a ray of light flickering out and slammed directly into the captain of the underworld soldiers. body.

“Ah...”

Captain Mingbing couldn't react at all, he let out a miserable cry, his body flew dozens of meters away, and the moment he fell to the ground, his soul flew away.

The power of the demon soul, which is different from the power of human beings, can scatter the soul, and it is the nemesis of these underworld soldiers.

hiss!

Seeing this scene, the other underworld soldiers present couldn't help gasping for air, and they were all dumbfounded.

what's the situation?

This... this ugly monster is just a human being, who can actually disperse the soul of the underworld soldiers.

This power is terrifying.

“Be vigilant, someone is making a riot in the Underworld City.”

“Woooooo!”

After being stunned for a few seconds, several Underworld soldiers shouted loudly, and at the same time blew the horn of the enemy's attack. Hearing the movement, he came quickly.

For a time, the entrance to the depths of the underworld gathered nearly ten thousand underworld soldiers.

Seeing this scene, Bai Yunfei didn't panic at all, and a powerful fighting spirit permeated his body: "Since you all take the initiative to die, then you can't blame me!"

Om!

The moment the words fell, Bai Yunfei slowly raised his hand, and a dark blue flame burned in his palm, and the surrounding air was instantly distorted.

This dark blue flame was created by the power of the demon soul.

This fire is not a different fire, but it is more terrifying than a different fire, and can burn the soul.

call!

The next second, Bai Yunfei didn't talk nonsense at all, he raised his hand and waved, and that dark blue flame roared out!

Seeing this scene, the soldiers present were inexplicably frightened.

boom!

The dark blue flames, like bombs, exploded upon encountering the underworld soldiers, and then formed a sea of blue fire. In an instant, those underworld soldiers were too late to dodge, and were instantly submerged in the sea of flames.

For a time, what was originally a gloomy and terrifying Nether entrance turned into a Shura slaughterhouse.

Bai Yunfei was like a tiger entering a flock, barely encountering any resistance, and entered the depths of the underworld smoothly.

hum....

Chapter 3838

The moment he entered, Bai Yunfei immediately sensed a strong sense of power, coming from the depths of the netherworld.

At this time, Bai Yunfei was indescribably excited, and he clearly felt that this power came from the Demon Venerable.

Moreover, the further you go inside, the stronger this power becomes.

After walking for a few minutes, Bai Yunfei finally reached the deepest point, and he saw that at the end was a stone platform with a strange mirror quietly placed on the stone platform.

The power Bai Yunfei sensed came from this mirror.

This is... a magic mirror?

With the memory of the ancestors in the demon soul, Bai Yunfei immediately recognized that the mirror on the stone platform was the strongest magic weapon in the realm of the gods, the magic mirror.

Not only that, but there is also an enchantment around the stone platform.

It turned out that Your Excellency Mozun was sealed in this mirror.

Seeing this scene, while Bai Yunfei was excited, he was also a little frightened.

“Haha...”

At this moment, on the magic mirror, a ferocious face appeared, with blood-red eyes that made people terrified. At this moment, there was a trace of excitement as he looked at Bai Yunfei and said, “You finally Here it is .”

It was the Demon Lord Gone.

As a Demon Lord, although Gone had never seen Bai Yunfei before, but with the special induction of the Demon Soul, he also knew that the young man in front of him was his descendant.

Hearing Gone’s words, Bai Yunfei was so excited that he knelt down: “Junior Bai Yunfei, see Your Excellency Mozun.”

Hmm!

Gone responded without any nonsense: “Have you seen the barriers around the stone platform? Break these barriers, and then take the sealing mirror to leave the ghost world and go to a safe place. I will tell you how to I released it from the sealing magic mirror.”

“Yes, Your Excellency Demon Lord.” Bai Yunfei responded, then took a deep breath, activated the power of the demon soul, and slapped the barrier with his palm.

boom.

With a roar, a crack appeared in that enchantment.

Bai Yunfei used the power of the demon soul again, ready to hit the second palm.

“Stop!”

At this moment, a coquettish shout came, followed by a slender figure, coming quickly.

A black robe could not cover up that graceful body, and the whole body was filled with majesty that could not be desecrated, it was Bing Yao.

When she learned that someone was making trouble in the depths of the Netherworld, Bing Yao was shocked and angry, and rushed over in person.

“Who are you?” When she got

to the front, Bing Yao stared at Bai Yunfei, and said angrily, “You are not too timid, and dare to break into the depths of the underworld.” After

saying that, she saw that the barrier around the stone platform had already been captured by Bai Yunfei. Bing Yao was even more alarmed and furious when the crack opened: “You....you are the remnant of the demon race?”

At this time, Bing Yao sensed the power pervading Bai Yunfei’s body, just like Gone in the magic mirror. He immediately guessed Bai Yunfei’s identity.

Um?

Facing Bing Yao’s questioning, Bai Yunfei didn’t panic at all, but looked at Bing Yao up and down: “You are Pluto? I didn’t expect Pluto in the ghost world to be a beautiful woman.”

Said, Bai Yunfei looked indifferent, looked at Bing Yao and continued: “You are right, my ancestors are demons, this time I am here, as long as I rescue Your Majesty Mozun. If you know a little bit, let me bring Your Majesty Mozun with me. Leave, otherwise, I will turn your ghost world upside down.”

Hearing this, Bing Yao’s delicate face suddenly became extremely cold, and her heart was also extremely angry.

This person is not only extremely ugly, but also has such a crazy tone.

The dignified Lord of the Underworld, how could he allow him to be so presumptuous?

In the next second, Bing Yao's red lips lightly opened, and she said coldly: "It's not a small tone, you are alone, and you want to save the Demon Lord? I want to see how much you can do." When the

voice fell, Bing Yao Motivated by power, an ice sword appeared in his hand!

Just saw the ice sword, the whole body radiated with light, and the cold air was threatening.

Chapter 3839 In the

next second, the ice sword in Bing Yao's hand gently waved and stabbed Bai Yunfei directly!

"Om!"

I saw that where the sword passed, the surrounding temperature dropped sharply, and the air seemed to be frozen.

However, Bai Yunfei did not panic at all, raised his hand lightly, and placed a protective film in front of him lightly.

"Boom!" In the

next second, the ice sword stabbed on the protective film, and a roar was heard, the protective film shattered instantly, and Bai Yunfei was shaken back ten steps.

At the same time, Bing Yao also trembled, and Ling Kong was shaken back a few meters.

Obviously, this time, neither side took advantage of it.

How is this possible? !

After stabilizing her figure, Bing Yao's delicate face was full of solemnity, her eyes fixed on Bai Yunfei, she was extremely shocked.

This ugly monster, although he is the descendant of the devil, is also flesh and blood, and his strength is so powerful.

"Haha, the dignified Hades, his strength is nothing more than that!" Bai Yunfei chuckled lightly, his figure erupted and came towards Bing Yao.

"Arrogant!" The

cold words came out of Bing Yao's mouth, and then her delicate body rose up and fought fiercely with Bai Yunfei.

At the beginning, Bai Yunfei was very confident because of his demon soul, but gradually he couldn't hold it anymore, and was suppressed by Bing Yao. You must know that Bing Yao has existed for tens of thousands of years, and the background is not comparable to Bai Yunfei. of.

"Don't panic, kid, I'm here to help you!"

Seeing Bai Yunfei being beaten by Bing Yao, Gone, who was in the magic mirror, shouted at that time, followed by a violent demonic soul. into Bai Yunfei's body.

Although the magic mirror sealed Gone, it couldn't seal his power.

In an instant, with the influx of Gone's power, Bai Yunfei's strength instantly soared, and he was instantly extremely happy.

"Thank you, Your Excellency Mozun."

Bai Yunfei shouted, turned from defense to attack, and hit Bing Yao with a palm.

Bai Yunfei shot quickly, Bing Yao didn't have time to dodge, and immediately greeted him with a palm.

"Bang!" In the

"Pfft!"

Bing Yao's face was pale, a mouthful of blood spurted out, her delicate body trembled, and she was indescribably weak.

At the same time, Bing Yao's eyes were also looking at the magic mirror in shock and anger.

She never thought that the strength of the Demon Lord Gone was so terrifying that he could transmit his power to Bai Yunfei through a magic mirror.

Haha...

In the face of Bing Yao's glares, Demon Zun Gone laughed unabashedly, with a proud tone: "How is it? I told you before that my subordinates will come to rescue soon. Me. Now you believe it!"

“You are a little Pluto, you are not my opponent at all, now I will give you one last chance, surrender to me, and help him release me from the magic mirror, I am I won’t treat you badly.”

Bing Yao let out a pained cry, her delicate body trembled, and she staggered back from the slap.

At this time, Bingyao only felt a great shame! The dignified Lord of the Underworld was humiliated by an ugly monster at this time, how could he bear it?

It’s just that Bing Yao was severely injured by the palm of her hand just now, and she didn’t have the ability to resist at all.

“Your Majesty Demon!”

At this time, Bai Yunfei respectfully said to Gone, “This Pluto is so ignorant, how to deal with it?”

“Use your demon soul to scatter her soul.” Gone didn’t even think about it. I wanted to respond: “After killing her, take me away immediately, this is the ghost world, not a place to stay for a long time.”

When he said this, Gone was extremely excited.

Ha ha...

In his heart, Yue Feng was just an outdated hero of Jiuzhou, and he never took it seriously.

What the hell!

At this moment, seeing Bai Yunfei's face, Yue Feng was startled.

Nima, this person is uglier than a ghost.

At this time, Yue Feng didn't know that the person in front of him was Bai Yunfei, who just took 'Kurong Powder' and deliberately pretended to be so ugly.

However, in shock, Yue Feng quickly reacted: "You are so bold, you dare to haunt the ghost world, and you have to harm Hades. You are so daring and unreasonable." The

voice fell, Yue Feng used the power of Yuanshen, and shot it out with a palm. .

Hearing this, Bai Yunfei looked disdainful.

However, Gone in the sealed magic mirror, when he sensed Yue Feng's power, was taken aback and couldn't help shouting: "Be careful, this person has a primordial spirit and can hurt you."

After flying more than 100 meters, Bai Yunfei fell heavily on a stone, and the pain came, and he almost fainted.

For a time, Bai Yunfei was sweating profusely, and Yue Feng's palm was too terrifying. Fortunately, he had a demon soul to protect his body, otherwise, he would have died.

Just when Bai Yunfei was furious, he saw countless underworld soldiers rushing in like a tide.

"Take him!" Bing Yao shouted tenderly, showing a bit of weakness, but there was no doubt about it.

The voice fell, and countless soldiers rushed towards Bai Yunfei.

Mad!

Seeing this situation, Bai Yunfei didn't have time to think about it, he endured the pain, exerted the power of his demon soul, and waved a blue flame to block the underworld soldiers.

Taking advantage of the opportunity, Bai Yunfei quickly fled into the distance.

But when fleeing, Bai Yunfei did not forget to give Yue Feng a stern look: "Yue Feng, today's revenge will be repaid tenfold in the future."
