

## The ultimate husband in Chinese chapter 3851-3860

### Chapter 3851

Facing the ribbon attack of the eight saintess of Huanxiang, the elders of fire are all in a hurry.

Chi Chi Chi...

After a few rounds, Elder Huo was wrapped tightly by the ribbons and lost their combat effectiveness in an instant.

What?

Seeing this scene, Nalanqing was shocked and at the same time extremely anxious.

I thought it would be easy to take Luo Jue today, but I never thought that at a critical moment, Luo Jue actually called eight saintesses to help.

Now the elders of Huo have all been caught, and he is the only one left, afraid of danger.

Haha...

At this moment, Luo Jue was in a very happy mood, and mocked at Nalanqing: "Your subordinates have already been arrested, I advise you to go ahead and capture."

Nalanqing bit her lip tightly and did not respond. Motivated his inner strength to continue the fierce battle with Luo Jue.

At this time, Huanxiang and Ziyang came one after another, and together with Luo Jue, surrounded Nalanqing.

For a time, Nalanqing's situation was even more dangerous.

At this time, on a hillside not far away, three figures came quickly.

It was Bai Yunfei, Su Qingyan, and Ji Hongshang.

Phew...

This chapter is provided by . Visit [for](#) daily update.

After landing on the hillside, Bai Yunfei saw several figures fighting in the air, and his eyes instantly fell on Nalanqing.

It seems that this is the suzerain of Xia Yinzong.

“Looking at the situation, the strength of this Xia Yinzong is much worse than that of the Tiandao Alliance.” Bai Yunfei said slowly: “The battle is almost over.”

When the words fell, Su Qingyan said softly, “It’s not surprising that the Heavenly Dao Alliance is bullying the less!”

When she said this, Su Qingyan looked at Nalanqing with a bit of sympathy.

“Haha!”

Bai Yunfei smiled slightly: “Xia Yinzong openly fought against the Tiandao League. This courage is admirable. I will help them. Qingyan, you can watch the play here.” The

voice fell, Bai Yunfei urged The moving figure, like a cannonball, rushed towards the battlefield.

Speaking of which, Bai Yunfei helped Xia Yinzong. On the one hand, he only wanted to please Su Qingyan, and on the other hand, he wanted to befriend Xia Yinzong.

Before breaking into the ghost world and failing to rescue Mozun, Bai Yunfei realized that he was weak and needed a strong ally, and Xia Yinzong was undoubtedly the most suitable.

At this time, the battlefield is here.

Facing Luo Jue, Nalanqing had already been besieged by the eight saintesses, and was almost unable to hold back.

Suddenly, a figure burst out and slapped Luo Jue with a palm.

It was Bai Yunfei.

Luo Jue reacted quickly, and hurriedly greeted him with a palm, only to hear a breath vibrating, Luo Jue’s body was shocked, and he took a few steps back in the air.

At the same time, Bai Yunfei was also shaken back more than ten meters away.

“Bai Yunfei?”

After stabilizing his figure, Luo Jue’s gaze fell on Bai Yunfei, shocked and angry.

Mad, even this guy.

In a panic, Luo Jue said coldly to Bai Yunfei: “Bai Yunfei, what are you doing here?”

Shuh!

At the same time, Nalanqing's eyes also fell on Bai Yunfei, and he was very curious.

Who is this person? Why help me?

Facing Luo Jue's glare, Bai Yunfei's face was calm and calm: "I just happened to pass by, the so-called 'the road sees injustice and draw a knife to help', I can't see how you Tiandao alliance bully the less." The

voice fell, Nalan Qing couldn't help but said, "Thank you for being a chivalrous warrior, and helping each other with justice."

Although he didn't know Bai Yunfei's identity yet, Nalanqing was very grateful for the other party's righteous action.

Chapter 3852

Bai Yunfei smiled slightly, and said to Nalanqing, "You're welcome!"

Seeing the two of them greet each other like no one else, Luo Jue's face was extremely gloomy and angry.

At the Celebration Banquet of the Heavenly Dao Alliance, Bai Yunfei took the initiative to challenge him, and he and he would not win or lose. At that time, Luo Jue invited Bai Yunfei to be the deputy leader of the Heavenly Dao Alliance, but Bai Yunfei laughed and left, which made Luo Jue very embarrassed.

At this time, seeing that he could capture the Sect Master of Xia Yinzong alive, Bai Yunfei came out to disrupt the situation again.

The more Luo Jue thought about it, the more angry he became, and looked at Bai Yunfei coldly: "Last time we couldn't decide the winner, this time let's fight again."

Buzz!

As soon as the voice fell, Luo Jue burst into a powerful breath and charged directly.

"I can't ask for it." Bai Yunfei smiled lightly.

Saying that, Bai Yunfei's whole body exploded, and he fought with Luo Jue in mid-air.

Just like last time, I saw the two figures quickly shuttle in mid-air, but none of them could do anything.

This man is very strong.

Seeing this scene, Nalan Qing's delicate body trembled faintly, and her eyes looked at Bai Yunfei with a strange light. camp.

In the blink of an eye, ten minutes passed, and Bai Yunfei and Luo Jue fought more and more fiercely.

"All stop, don't fight."

At this moment, a shout came from not far away, and then, a group of people came quickly, it was Wen Chou Chou and Sun Dasheng.

However, Bai Yunfei and Luo Jue didn't listen at all and continued to fight fiercely.

hum!

Suddenly, a powerful aura erupted from the sky, and then, a figure swooped down like lightning.

When this figure fell between Luo Jue and Bai Yunfei, a strong vibration was heard. Luo Jue and Bai Yunfei only felt a powerful force coming, and they were shaken back.

After retreating dozens of meters, Luo Jue and Bai Yunfei stabilized their figures.

At this time, the figure slowly descended.

Knife-like facial features, sharp edges and corners, indescribably handsome and cold!

It was Yue Feng.

Swish!

Seeing that it was Yue Feng, whether it was Luo Jue or Bai Yunfei, they all frowned, their faces extremely ugly.

At the same time, the surrounding people were also in an uproar.

In particular, the disciples of the Tiandao Alliance were even more shocked.

"Is it Yue Feng?"

"This Yue Feng's strength is so terrifying that it can shock Lord Tianzun and Bai Yunfei at the same time?" During the

discussion, the eight saintess Huanxiang and Ziyang also looked at Yue Feng, one by one excited.

During this time, although the eight saintess Huanxiang and Ziyan were imprisoned in the stone prison by Luo Jue, they also heard the news of Yue Feng's return.

However, due to their status and Luo Jue's presence, the eight saintess endured their excitement and did not come forward to say hello.

Yue Feng!

Su Qingyan, who was watching not far away, trembled even more delicately, her eyes fixed on Yue Feng, and her heart was full of mixed feelings.

When she left the Ouyang family, Su Qingyan thought it would be difficult to see Yue Feng again, but she didn't expect to see her so soon.

At this moment, Su Qingyan wanted to go there, but in the end she held back.

As a woman of Yue Feng, she followed Bai Yunfei. There were so many people on the scene. If the matter was exposed, Yue Feng's reputation would be greatly damaged.

At this time, the main altar of the Tiandao Alliance is here.

"Yue Feng!"

Finally, Bai Yunfei reacted and looked at Yue Feng with a half-smiling smile: "What do you mean? Do you want to help the Tiandao League deal with me and Xia Yinzong? However, I haven't heard that Tianmen joined the Tiandao League. "

Chapter 3853

Swish!

The voice fell, and the eyes of the audience suddenly converged on Yue Feng.

Nalanqing frowned even more, looked at Yue Feng suspiciously, and muttered in his heart.

Could it be that what Bai Yunfei said was true, Yue Feng and Tianmen had already joined the Tiandao Alliance, so he would refuse when he proposed an alliance before.

At this moment, Luo Jue also looked at Yue Feng complicatedly, wanting to see how he responded.

Facing the eyes of everyone, Yue Feng frowned secretly, his heart was angry.

Mad, this Bai Yunfei is really insidious, so to speak, is deliberately provoking disputes.

Thinking to himself, Yue Feng said slowly: "We Tianmen have always advocated 'benefiting the rivers and lakes', and we have never participated in unnecessary battles, let alone joined the Heavenly Dao Alliance."

Phew...

Hearing this answer, Nalan breathed a sigh of relief. , the look has also eased a lot.

Fortunately... this Yue Feng has nothing to do with the Tiandao Alliance, otherwise, there will be an additional rival in the future.

"Haha!"

However, Bai Yunfei chuckled and said lightly, "Since it's not from the Tiandao Alliance, why do you have to go into this muddy water and mind your own business?"

"I just don't want to see the death of both parties, causing all the life in the rivers and lakes to be ruined. ." Yue Feng said coldly.

Bai Yunfei sneered without saying a word, with a look of disdain on his face: "Speaking of a high-sounding, who knows what idea you have in your heart, as I see it, you just want to fish in troubled waters.

" Appearing at this time is really worth scrutinizing."

When he said this, Bai Yunfei's face was gloomy.

Bai Yunfei wished that the rivers and lakes in Kyushu would be in chaos. At this time, when he saw that Yue Feng wanted to stop the fight between the two sides, he was very upset, and he said that he would pull Yue Feng into the water.

Luo Jue, who was standing not far away at this time, also frowned secretly at this time, looking at Yue Feng, very dissatisfied.

This Yue Feng, as the Nine Heavens Profound Sage, said that he had nothing to do with the Heavenly Dao Alliance...

At this time, facing Bai Yunfei's harassment, Yue Feng was too lazy to talk nonsense, looked directly at Bai Yunfei, An Nai was angry, and asked: " Bai Yunfei, I'm not talking nonsense with you, where is Qingyan?" To

be honest, Yue Feng didn't want to ask this question in the eyes of everyone around him, but when he thought of Su Qingyan, he felt heartache, guilt, and couldn't help it. He questioned Bai Yunfei face to face.

I left for three years before, and I finally came back. I haven't reunited with Su Qingyan yet. As a result, in order to save Sun Dasheng, Su Qingyan flew away with Baiyun.

If Su Qingyan was lost like this, Yue Feng would never be happy in his life.

Su Qingyan?

Bai Yunfei was stunned for a moment, then sneered: "Yue Feng, what light smoke, I don't understand what you're talking about?"

Yue Feng took a deep breath and said word by word, "Don't pretend to me, you were seriously injured before. After the Great Sage, Qingyan left with you in order to let you treat the Great Sage, tell me, where is she now?"

When he said this, Yue Feng strongly suppressed the urge to act.

Feeling Yue Feng's anger, Bai Yunfei did not panic at all, but instead laughed and mocked: "Yue Feng, you are really interesting, your woman is gone, so you came to me for it? According to your meaning, other people's women I lost it, and they all came with me? I didn't open a women's shelter."

At this time, Bai Yunfei's eyes flashed with cunning.

Yes, he deliberately pretended to be confused to provoke Yue Feng. Only by angering Yue Feng can the situation in front of him be completely disrupted.

boom!

At this moment, the surrounding disciples of Xia Yinzong couldn't help laughing, and they all looked at Yue Feng with a bit of teasing.

Chapter 3854

"Is there something wrong with Yue Feng's brain?"

"Haha... I can't even look at my own woman..." The

surrounding discussion, you and I came, Yue Feng's anger rose, his fists clenched.

"Tokyo shut up!"

At this moment, Sun Dasheng couldn't help it, took a step forward, pointed at Bai Yunfei and cursed: "Bai Yunfei, do you want to be shameless? Qingyan is the woman of Fengzi, you Do everything possible to get it, and in the end, in the name of saving me, to force Qingyan to be soft to you, to be able to do such a despicable thing, are you considered a man?"

Sun Dasheng felt very guilty about Su Qingyan. At this time, seeing Bai Yunfei causing public opinion to mock Yue Feng, how could he hold back?

Swish!

Hearing Sun Dasheng yelling, Bai Yunfei put away his smile, his face extremely gloomy.

The next second, Bai Yunfei looked up and down at Sun Dasheng, his eyes full of contempt: "My defeated general still has the face to shout in front of me? Don't forget, I saved you before."

When he said this, Bai Yunfei's eyes flickered. Looking cold and severe, he really wanted to kill Yue Feng on the spot, but he was afraid of the strength of Yue Feng and Luo Jue, so he held back.

"Ma De, you..."

Hearing this, Sun Dasheng was furious and wanted to refute, but when it came to his mouth, he swallowed hard.

Because Bai Yunfei was right, he was indeed not his opponent, and it was also a fact that Bai Yunfei saved him.

Seeing that Sun Dasheng had nothing to say, Bai Yunfei chuckled and ignored it.

Immediately, Bai Yunfei's eyes fell on Yue Feng, and he sneered and said: "Yue Feng, you were once the Lord of Heaven's Gate, someone with status, don't make trouble here. Shame on you."

Nima!

Yue Feng clenched his fists tightly, trembling all over his body in anger.

This Bai Yunfei is really shameless, Qing Yan obviously left with him, but he doesn't admit it.

Sigh...

Seeing the situation in front of him, Nalan shook his head secretly, thinking that this Yue Feng was a hero who stood up to the sky, but he didn't expect that he would only focus on his children's private affairs, and the woman was gone, and he was given public information. It's really embarrassing to say it on occasion.

In contrast, this Bai Yunfei is quite good.

For a time, in Nalanqing's heart, his impression of Yue Feng was extremely bad, but he admired Bai Yunfei incomparably.

"Bai Yunfei!"

At this moment, Luo Jue, who had been silent all the time, suddenly shouted and glared at Bai Yunfei: "You are not too brave, you dare to be rude to Your Excellency Yue Feng." After speaking

, Luo Jue looked around. His expression was proud: "Everyone, Your Excellency Yue Feng is the Nine Heavens Profound Sage of my God Realm, and his status is second only to His Majesty the Nine Heavens God. Whoever dares to disrespect him is to oppose the Heavenly Dao Alliance and despise the God Realm." The

last sentence fell, Luo Jue Walking forward, he gave a deep salute to Yue Feng: "Your Excellency Xuansheng, this subordinate is not trying to reveal your identity on purpose, this Bai Yunfei is really abominable."

At this time, Luo Jue was respectful on the surface, but in his eyes But insidious.

Xia Yinzong raided the Heavenly Dao League, Yue Feng, as the Nine Heavens Profound Sage, doesn't want to help, instead he wants to be a peacemaker. Now I will expose your identity and see what you do.

Whoa!

At this moment, the audience was in an uproar.

"This.... Yue Feng is the Nine Heavens Profound Sage?"

"What's the situation, is it true or false?"

"You saluted without seeing Tianzun, can it still be fake?"

Chapter 3855

In the discussion around, Wen Chou Chou and Sun Dasheng were also stunned.

It turns out... Fengzi is the Nine Heavens Profound Sage.

It is no wonder that during this time, the Tiandao Alliance no longer bothered the Ouyang family.

However, under the shock, Wen Chou Chou and the others were not at all happy, but each one had a complicated mood. You must know that since the establishment of the Tiandao League, all sects of Jianghu have been forced to join in in a tough way.

Swish!

At this time, Nalanqing, Elder Huo, and the others looked at Yue Feng one by one with shock and anger in their eyes.

This Yue Feng turned out to be the Nine Heavens Profound Sage.

No wonder he refused to join the alliance with Xia Yinzong before.

Especially Na Lanqing, whose delicate face was a bit gloomy, and there was a kind of humiliation in his heart.

What the hell!

Looking at Luo Jue, who was respectful and courteous, and the gazes around him, Yue Feng was very depressed.

What's the matter with this Roger? He once explained to him that the identity of Jiutian Xuansheng must not be exposed, but he did not expect that he would say it in public.

However, this Luo Jue said it because he couldn't bear to see Bai Yunfei, so he made a name for himself. I can't blame him.

At this time, Yue Feng didn't know that Luo Jue did it on purpose.

Huh.... After a few seconds, Yue Feng

calmed down and said to Luo Jue, "Forget it, since you said it all, I don't blame you!"

Calm, but very depressed.

I thought I could persuade the two sides to stop, but now that the identity of Jiutian Xuansheng is exposed, it will definitely arouse the dissatisfaction of Xia Yinzong, and it will be difficult to persuade them again.

"Thank you, Your Excellency Xuansheng, for being magnanimous!" Luo Jue looked grateful.

Saying that, Luo Jue glared at Bai Yunfei: "Boy, are you going to be with Xia Yinzong and against our Heavenly Dao Alliance?"

At this time, Luo Jue was full of confidence.

When Yue Feng's identity is exposed, he can no longer be a peacemaker, and invisibly, he also stands on the opposite side of Xia Yinzong.

“So what?” Bai Yunfei smiled slightly, not panicking at all.

Bai Yunfei is not a fool, he immediately saw Luo Jue’s intentions, but even if the Heavenly Dao Alliance had Yue Feng to help, Bai Yunfei didn’t panic, because he still had a hidden trump card that he hadn’t brought out.

“Okay, very good!”

Bai Yunfei’s calmness made Luo Jue very unhappy. He nodded and said, “It seems that you are determined to fight against our Heavenly Dao Alliance.”

After speaking, Luo Jue raised his hand and waved: “All the disciples of the Heavenly Dao Alliance obeyed the order. No matter how much they pay today, they must take down Bai Yunfei and Xia Yinzong

.”

And, the momentum shook the sky, and immediately surrounded Nalanqing, Bai Yunfei and others.

In an instant, the atmosphere became tense, and the air was filled with a strong smell of killing.

“Luo Jue!”

Yue Feng frowned secretly and whispered to Luo Jue: “Don’t be impulsive, you were sent to Kyushu to maintain the tranquility of the rivers and lakes, not to cause battles in the rivers and lakes.”

When he said this, Yue Feng Seriously.

To be honest, Bai Yunfei is so hateful, Yue Feng also wants to get rid of him, but Bai Yunfei is surrounded by people from Xia Yinzong.

Moreover, the purpose of Yue Feng’s visit this time is to stop the fighting between the two sides. How can the situation be allowed to deteriorate?

What?

Hearing this, Luo Jue was stunned for a moment, and was very unhappy in his heart: “Your Excellency Xuansheng, what do you mean, you want to let them go? You also saw that it was the Tiandao League that Xia Yinzong raided first, if I let them go After leaving, how will the Heavenly Dao Alliance scare Kyushu in the future?”

“Also, this Xia Yinzong, as Xuanyuan Yuxie, is the target of His Majesty the Nine Heavens God’s name to be destroyed. If I listen to your arrangement, I will not be able to communicate with His Majesty in the future what.”

## The ultimate husband in Chinese chapter 3856-3860

Chapter 3856

This...

Hearing this, Yue Feng pondered and was very entangled.

How is this good?

Oops!

At this moment, seeing the elites of the Heavenly Dao Alliance surrounding him, Na Lanqing bit her lip tightly, her delicate face showing a bit of anxiety.

The Tiandao Alliance has Yue Feng to help, and it is difficult to deal with it now.

However, Bai Yunfei had a calm look on his face, tilted his head and said to Nalan Qing: “Don’t panic, although there are many people, it’s not enough to be afraid of.”

Hearing this, Nalan frowned secretly.

At this time, this Bai Yunfei can still be so calm, this person is really unusual.

“Bai Yunfei!”

At this time, Sun Dasheng came out and shouted: “You better tell the whereabouts of Qingyan, otherwise, I will tell you to die today without a burial.”

In Sun Dasheng’s eyes, the situation in front of him is irrelevant. What he cares about is to help Fengzi find Su Qingyan as soon as possible, otherwise, he will be uneasy for the rest of his life.

Facing the clamor of Sun Dasheng, Bai Yunfei smiled contemptuously, and then gently recited a spell in his mouth.

When chanting the mantra, Bai Yunfei’s voice was so soft that only he could hear it.

hum!

This chapter is provided by . Visit for daily update.

No one else could hear this spell, but Sun Dasheng could hear it clearly. In an instant, he felt a buzzing sound in his mind, and it went blank.

what's the situation?

Sun Dasheng shook his head and was extremely surprised.

Why is my brain a little groggy all of a sudden?

Sun Dasheng still didn't know that he was affected by Bai Yunfei's spell.

At that time, Bai Yunfei's blood for treating Sun Dasheng contained the soul-eating bloodworms, which can control people's thinking. Just now, Bai Yunfei recited the incantation and gave instructions to the soul-eating bloodworms in Sun Dasheng's body.

However, Bai Yunfei was very secretive, so everyone present did not see it.

Even Sun Dasheng himself didn't know what was going on.

Haha...

Seeing that Sun Dasheng was in a trance, Bai Yunfei showed a smile, and then said slowly: "Sun Dasheng, how can I say that I also saved you, I really want to talk about grievances, I heard that Luo Jue also had some festivals with you."

"And now you want to help Luo Jue to deal with me, isn't that appropriate?"

Hu...

Hearing this, neither Wen Chou Chou nor Yue Feng took it seriously.

With such a clumsy and aggressive method, you want the Great Sage to deal with Luo Jue?

The Great Sage would not be so stupid.

"Not bad!"

However, what was unexpected was that Sun Dasheng nodded subconsciously. At this time, Sun Dasheng was controlled by the soul-eating bloodworm, and he completely and unconditionally agreed with Bai Yunfei's words.

"Go to hell!" In the

next second, Sun Dasheng shouted, his figure rushed out like a cannonball, and slapped Luo Jue's back with a savage palm.

At this moment, suddenly, a loud shout came from behind! Immediately afterwards, a figure, lightning fast, rushed from behind Luo Jue and slapped Luo Jue with a palm!

Um? At this time, Luo Jue was focusing on Bai Yunfei and everyone in Nalanqing. He didn't expect Sun Dasheng to attack him from behind, but he quickly turned his head when he felt the danger coming from behind.

Seeing Sun Dasheng, Luo Jue was shocked, and the whole person was stunned.

"Luo Jue! You're going to die for me!" Sun Dasheng's face was grim, revealing endless madness.

### Chapter 3857

At this time, Sun Dasheng, under the influence of the soul-eating bloodworm, has lost his mind, and kept shouting: "You die, die..." During the

howling, Sun Dasheng's inner strength surged, shot with one palm.

"Great Sage, what are you doing?" Seeing this scene, Yue Feng's expression changed, and he couldn't help crying.

Luo Jue is the messenger sent by the God Realm, and also the leader of the Heavenly Dao Alliance. His identity is extraordinary. If he is injured by the Great Sage, the God Realm will definitely not let it go.

Thinking to himself, Yue Feng wanted to stop Dasheng Sun, but it was too late.

boom!

Sun Dasheng's speed was too fast, and Luo Jue had no time to dodge. This palm slammed into Luo Jue's back, and he heard a dull vibration. Luo Jue groaned and was sent flying.

Pfft!

After flying more than 100 meters, Luo Jue fell heavily to the ground, spurring out a mouthful of blood, his face was pale, and he almost fainted.

Speaking of which, Sun Dasheng and Luo Jue are far apart in strength. Under normal circumstances, it is impossible to hurt Luo Jue at all, but Luo Jue just played against Nalanqing and Elder Huo, and his strength was exhausted. At this time, facing Sun Dasheng's full blow, naturally he couldn't stop it.

Wow...

Seeing this scene, the audience was silent, and everyone was stunned.

Especially Na Lanqing and Elder Huo and the others all looked suspicious.

Sun Dasheng attacked Luo Jue?

Yue Feng is Jiutian Xuansheng, and Sun Dasheng is Yue Feng's sworn brother. Logically speaking, aren't they in the same group as Tiandao Alliance?

Only Bai Yunfei stood there with a relaxed expression and a smile on his face.

Haha...

Yue Feng, ah Yue Feng, your sworn brother attacked Luo Jue, I see how you ended up.

And the many disciples of the Heavenly Dao Alliance were terrified.

"Tianzun..."

"Your Excellency Tianzun!"

Under the exclamation, many disciples of the Tiandao Alliance rushed over and helped Luo Jue up.

"You..."

At this moment, Luo Jue stared closely at Yue Feng: "Your Excellency Xuansheng, what do you mean?"

At this time, Luo Jue thought that Dasheng Sun's surprise attack on him was secretly instructed by Yue Feng. After all, Dasheng Sun was his sworn brother.

Yue Feng did not respond, but frowned and turned to look at Sun Dasheng.

At the same time, the eyes of Wen Chou Chou also fell on Sun Dasheng.

I saw that Sun Dasheng looked crazy, as if he was crazy, his eyes were blood red, and he kept shouting: "Death, you die for me..."

"Dasheng?"

Seeing this situation, Yue Feng was startled, Tried to shout.

However, Sun Dasheng seemed to be unable to hear, and was still muttering to himself.

what happened?

It's so good, why did the Great Sage lose his mind, like crazy?

At this moment, Na Lanqing on the opposite side reacted and said to the elder Huo people beside him, "Great, Sun Dasheng attacked Luo Jue. Let's take this opportunity to get rid of this scourge."

Om!

The voice fell, and Nalan Qing rose up, like a shock, coming directly towards Luo Jue.

Elder Huo did not hesitate and followed closely.

Today, Xia Yinzong raided the Tiandao Alliance, and the main purpose was to get rid of Luo Jue. At this time, Luo Jue was severely injured by Sun Dasheng. How could such a rare opportunity be missed?

Wow!

However, before Nalanqing and the others rushed to the front, they saw the eight saintess Huanxiang and Ziyan, who came quickly and protected Luo Jue behind him.

Speaking of which, the eight saintess Huanxiang and Ziyan did not want to help Luo Jue at all, but there was no way. When the Tiandao Alliance was established, the Nine Heavens God ordered the eight saintesses of Huanxiang to assist Luo Jue. At this time, Luo Jue if they die, they can't escape the responsibility.

Chapter 3858

Wow!

Seeing this scene, Nalan Qing frowned and stopped immediately.

When they fought just now, the strength of these eight saintess had already been seen. With them around, it would be very difficult to kill Luo Jue.

At this moment, Bai Yunfei walked over quickly and whispered in Nalanqing's ear: "Yue Feng and Luo Jue have already had an infighting, we just took the opportunity to leave."

Hearing this, Nalanqing felt a little unwilling . , but still nodded. He then greeted Elder Huo and everyone, and left quickly with Bai Yunfei.

"Yue Feng!"

When he flew into the air, Bai Yunfei did not forget to turn his head and laughed at Yue Feng: "You really helped us by letting Sun Dasheng raid Luo Jue, thank you very much." The

last word fell, Bai Yun said. Fei and Nalanqing had already flown several hundred meters away, and in a blink of an eye, they disappeared into the vast darkness.

Mad!

Hearing this, Yue Feng was indescribably annoyed, and at the same time muttered in his heart.

Could it be that... the Great Sage suddenly went crazy just now, and it has something to do with Bai Yunfei?

Thinking to myself, Yue Feng is about to go over and check the situation of Sun Dasheng carefully.

"Yue Feng!"

However, at this moment, Luo Jue shouted loudly: "I respect you as the Nine Heavens Profound Sage, and I am polite and patient with you everywhere, but you let Sun Dasheng sneak up on me. Are you going to betray God's Domain?"

Said After that, Luo Jue's face was grim: "Come on, take down Yue Feng and his group."

Whoa!

As soon as the voice fell, the surrounding Tiandao League elites immediately surrounded Yue Feng and everyone.

.....

the other side.

Bai Yunfei and Nalanqing left the main altar of the Tiandao Alliance, and they flew for more than ten minutes. After they were sure that the Tiandao Alliance was not chasing after them, they stopped.

"Bai Yunfei!"

Nalanqing was full of gratitude and smiled at Bai Yunfei: "Thank you so much before, but I don't know which sect you are from?"

Nalanqing looked at Bai Yunfei's eyes when he said this. , full of appreciation.

Bai Yunfei smiled slightly: "Sect Master Nalan is really polite. I come from the Baiyun family. My Baiyun family has always been in seclusion. Until recently, I began to set foot in the arena."

Hearing this, Nalanqing nodded: "So it is, Then why do you have a grievance with the Tiandao Alliance?"

Hehe..

Bai Yunfei smiled and said righteously: "The Tiandao Alliance uses the guise of the Tiandao to actually rule the rivers and lakes of Kyushu and enslave us martial arts people, I Of course I can't stand it!"

Nalanqing nodded approvingly: "Sure enough, a hero is a young man, and Your Excellency is a model for us in the rivers and lakes of Kyushu. My Xia Yinzong is dealing with the Heavenly Dao Alliance and is lacking allies. I don't know if Your Excellency is willing or not. I am willing to join."

"I can't ask for it!" Bai Yunfei said without thinking.

...

At this time, the Heavenly Dao Alliance is here.

Under Luo Jue's order, the elites of the Tiandao Alliance launched an attack on Yue Feng and others.

Yue Feng and Wen Chou Chou, naturally, did not sit still and attacked immediately.

"Dangdangdang!" The

two sides continued to confront each other, and the sound of weapons colliding and roaring echoed throughout the entire Tiandao Alliance main altar.

"Luo Jue!"

At this moment, Yue Feng raised his hand and waved back several elite disciples of the Heavenly Dao Alliance, and then shouted at Luo Jue: "There was something wrong just now, you calm down first and let the disciples of the Heavenly Dao Alliance stop." The

voice fell, Wen Chou Chou also Then he shouted: "Yes, although the Great Sage is reckless, he is not so reckless. He made a surprise attack just now, and he must have another secret."

"Calm?"

Luo Jue's face was gloomy, and he said coldly: "Yue Feng, Wen Chou Chou, you don't have to be hypocritical any more... There is something strange, it's just that you and Bai Yunfei have planned a partnership." After

speaking, Luo Jue stared at Yue Feng: "Yue Feng, you are still the Nine Heavens Profound Sage. He actually helped Bai Yunfei and Xia Yinzong."

Chapter 3859

Call!

Facing Luo Jue's anger, Yue Feng took a deep breath and said lightly, "If you think so, I can't do anything about it." As he

spoke, Yue Feng looked at Sun Dasheng.

I saw that at this time, the madness of Sun Dasheng was gone, but he was in a trance, as if he had lost his soul, and his state was very bad.

"Brother Wen!"

Seeing this scene, Yue Feng did not hesitate at all, and shouted at Wen Chou Chou: "You are optimistic about the Great Sage, let's break through together." The voice fell, Yue Feng took the first step and rushed into the enemy group.

At this moment, Wen Chou Chou closely guarded Sun Dasheng and broke through with everyone.

Bang Bang Bang...

With a breath of vibration, I saw the Tiandao League disciples standing in front of everyone, groaning one by one, and they were directly shaken out.

Although the elites of Tiandao League are not weak, they are not the opponents of Yue Feng and Wen Chou Chou. Of course, Yue Feng, Wen Chou Chou and others did not kill the killer, but only shocked the disciples of the Tiandao League.

After all, the Tiandao Alliance is too powerful, and it will not benefit the Ouyang family if the situation expands.

For a time, with the cooperation of Yue Feng and Wen Chou Chou, the formation of the Tiandao Alliance was quickly disrupted.

"Trash."

Seeing this scene, Luo Jue couldn't do anything, and cursed: "A bunch of trash."

After speaking, Luo Jue shouted at the eight saintesses around him: "You don't have to guard me, hurry up and go. Help."

Hearing this, Huan Xiang and Zi Yan glanced at each other, but they didn't mean to do anything.

The eight saintess Bingxue were smart, and they could see that when Sun Dasheng raided Luo Jue, it was obviously not his original intention, but was controlled by someone, but Luo Jue used the topic to exterminate the Ouyang family.

Although the eight saintess and Yue Feng are not friends, they also have deadly friendships. How could they attack Yue Feng and the Ouyang family just because of Luo Jue's words?

Mad!

Seeing the eight saintess standing there motionless, Luo Jue said angrily: "What are you doing? Why don't you do it? Do you want to disobey?"

Huanxiang sighed softly and said lightly: "Your Excellency Tianzun, you are too injured, we I'll keep you."

Huanxiang knew that it was impossible to refuse directly, so she casually found a reason.

When the words fell, Zi Yan also said: "Yeah, if we leave, Wen Chou Chou and Yue Feng take the opportunity to raid you, we will lose more than the gains." The

other saintess also nodded.

The eight saintess have the same heart, and when Huanxiang opens her mouth, she knows what she means.

"Okay, very good!"

Hearing this, Luo Jue's face was extremely gloomy, and he laughed in anger: "After all, you just want to protect Yue Feng, and when you catch the Ouyang family, you will settle accounts with you."

Said At the same time, Luo Jue shouted at the scattered disciples of the Heavenly Dao League: "Jie Tiansha Array." The Heavenly Devil

Formation is the formation of the God's Domain. , Just in case, I brought the Tiandao League disciples to demonstrate this formation.

wow.

Hearing the order, the disciples of the Heavenly Dao League did not dare to neglect, and turned their figures one by one, quickly forming a huge formation, surrounding Yue Feng and others.

Formation?

Seeing this scene, both Wen Chou Chou and Ren Ying Ying frowned and felt inexplicably flustered.

After that, everyone's eyes converged on Yue Feng.

Yue Feng is skilled in the formation technique, and it should be no problem to break the huge formation in front of him.

However, Yue Feng also frowned.

What kind of formation is this, how come I've never seen it before?

"Fengzi, can this formation be broken?" Wen Chouchou asked loudly while resisting the attack of the surrounding Tiandao League disciples.

Chapter 3860

Call!

Yue Feng took a deep breath and smiled bitterly: "This should be the formation of God's Domain, I have never seen it before."

What?

Hearing this, Wen Chou Chou was stunned.

At the same time, the hopes in Ren Yingying's hearts were also instantly shattered.

Even Yue Feng can't break this great formation, what should I do? Could it be that the Ouyang family is really doomed today?

Feeling the anxiety of everyone, Yue Feng comforted: "Don't worry, everyone, I'll give it a try."

Master Guiguzi once said that the world's formations are inseparable from their origins, and they cannot escape the five elements of heaven and earth. Accomplishments may be able to find the flaws in this great formation.

After making up his mind, Yue Feng observed the law of operation of the Heavenly Demon Formation while fighting fiercely.

It's just that Yue Feng has the primordial spirit and can withstand the pressure of the Tiansha formation. However, Wen Chou Chou and Ren Yingying are both flesh and blood. They can handle it easily at first, but gradually they can't hold it anymore.

boom!

At this moment, more and more disciples of the Heavenly Dao League rushed up. Wen Chou Chou was inattentive and slapped a palm in the back. The whole person was shaken back a few steps, and his face was pale.

At the same time, Ren Yingying and the others consumed a lot of internal energy, and they could hardly stand it anymore.

Nima!

Seeing this scene, Yue Feng was sweating profusely, he couldn't go on like this.

Just now, the law of operation of this great formation has been seen, but the flaws in it have not yet been found. And Brother Wen and everyone can't hold it anymore.

at the same time.

Not far away, the eight saintess of Huanxiang were too anxious to see Yue Feng and everyone being trapped by the Tiansha formation.

The next second, Huanxiang bit her lip tightly and said softly: "Sisters, don't hesitate!" The voice fell, Huanxiang's delicate body rose up, and she went away directly thinking of the heavenly evil formation.

Yes, Huanxiang decided to help Yue Feng and break the Heavenly Demon Formation.

Whoosh whoosh.

When the voice fell, Zi Yan and the others did not hesitate at all, and moved their figures one after another, followed by Huanxiang.

"You..."

Seeing this, Luo Jue was furious and glared at Huanxiang Eight: "Reverse, you really want to rebel..."

Hearing this, Huanxiang turned back to Luo Jue Said: "Yes, we are going to rebel. Yue Feng is very affectionate and righteous. He has done so many things for Kyushu, and he has saved our lives before. Without him, our Holy Maiden of the Nine Heavens would have ceased to exist. If you deal with Yue Feng today, and we are indifferent, aren't we even worse than beasts?" After the

last sentence fell, Zi Yan and the other saintess also nodded.

“Okay!”

Hearing this, Luo Jue had a grim look on his face: “Very good, you all forgot your responsibilities for the sake of Yue Feng. When I capture the Ouyang family, I will destroy your primordial spirit.”

Luo Jue’s threat, Huanxiang Eight did not pay attention to it at all, but flew into the formation one after another.

“Yue Feng!”

When she got to the front, Huanxiang showed a smile and

said to Yue Feng: “We’ll help you.” Zi Yan followed up: “The weakness of this Heavenly Demon Array is in the southwest. Break through the encirclement in the southwest.”

As the saintess of Jiutai, Huanxiang and Ziyan naturally knew where the flaws in this Heavenly Demon Formation were.

call!

Hearing Huanxiang and Ziyan’s reminders, Yue Feng was so excited that he hurriedly shouted at Wen Chou Chou, “Brother Wen, break out with me to the southwest.”

At the same time, Yue Feng did not forget Gratefully nodded at Huanxiang Eight, and was very moved.

Yue Feng originally thought that the eight saintess of Huanxiang would be very good if they didn’t help the Tiandao Alliance to deal with themselves, but they never thought that they would openly betray Luo Jue.
