

The ultimate husband in Chinese chapter 3861-3865

Chapter 3861

Bang Bang Bang...

In less than ten minutes, with the help of the eight saintess of Huanxiang, Yue Feng and Wen Chou Chou finally successfully broke through the Heavenly Demon Formation.

In the blink of an eye, Yue Feng and the Ouyang family, as well as the eight Huanxiang, disappeared into the night.

boom!

Seeing that the Ouyang family had successfully escaped, Luo Jue's face was hideous.

Under the containment of so many elite disciples, they even formed a Tiansha formation, but they were finally run away by the Ouyang family. When this matter spread, the Tiandao Alliance became the laughing stock of the world.

"Pass my order!" In the

next second, Sen Leng's voice came from Luo Jue's mouth: "Include the Ouyang family on the list of purges. In the future, if you meet people from the Ouyang family in the rivers and lakes, kill them."

When he said this, Luo Jue's eyes were full of resentment.

Yue Feng, if you dare to betray God's Domain, I will make you pay a heavy price.

"According to the order!" The

voice fell, and the tens of thousands of elite disciples of the Heavenly Dao League who were present responded in unison.

Luo Jue stopped talking nonsense, ordered someone to clean up the battlefield, and immediately sent the news of the betrayal of Yue Feng and the Nine Heavens Saintess to God Domain.

When Yue Feng first appeared, Luo Jue knew that he had underestimated Yue Feng when he showed his true strength. At that time, Yue Feng relied on his own strength to push back himself and Bai Yunfei at the same time, and his strength was unfathomable.

Under such circumstances, it is not an easy task for the Tiandao Alliance to exterminate the Ouyang family, and it needs to ask God's Domain for help.

This chapter is provided by . Visit [for daily update](#).

After sending the message, Luo Jue instructed the people around him: "In the next two days, the deity needs to retreat and recover. There is nothing particularly important, so don't disturb me."

After that, Luo Jue entered the secret room and began to treat the injury.

The previous palm of Sun Dasheng was too cruel. Even if Luo Jue had Primordial Spirit, it would take at least two days to recover.

...

the other side.

After Bai Yunfei and Nalanqing formed an alliance, they separated halfway.

Afterwards, Bai Yunfei showed his figure and flew to the hillside near Tiandao League. I saw that Ji Hongshang and Su Qingyan were still there.

Um?

After landing, Bai Yunfei glanced at the main altar of the Tiandao Alliance and frowned.

I saw that the entire Tiandao League main altar was in a mess, and everyone from Yue Feng and Ouyang's family was no longer there. Only the disciples of the Tiandao League were cleaning up the battlefield.

"What's the situation?"

Seeing this scene, Bai Yunfei frowned secretly, and asked Ji Hongshang, "What about Yue Feng and the Ouyang family?"

Ji Hongshang breathed a sigh of relief and explained the situation in detail just now. : "Just now, after the Sect Master left, the Ouyang family fought with the Heavenly Dao League, and later, the Nine Heavens Holy Maiden suddenly shot to help the Ouyang family break through the siege..."

What?

Hearing this, Bai Yunfei frowned, and his mood instantly became worse.

Before secretly controlling Sun Dasheng to raid Luo Jue, the purpose was to make the Ouyang family and the Tiandao Alliance fight against each other. As long as the relationship between Yue Feng and the God Realm is strained, the God Realm will focus on Yue Feng. As long as God's Domain's gaze is diverted, Bai Yunfei will have

the opportunity to go to the Ghost Realm to rescue Demon Venerable for the second time.

It can be said that this plan is perfect.

However, he never thought that Luo Jue and Tiandao League did not catch Yue Feng, but let him run away.

Moreover, the Nine Heavens Saintess even betrayed God's Domain in order to help Yue Feng.

The more Bai Yunfei thought about it, the more annoyed he became.

"Bai Yunfei!"

Chapter 3862

At this moment, Su Qingyan couldn't help but ask: "What happened before? Why did Sun Dasheng suddenly attack Luo Jue?"

When asking these questions, Su Qingyan's eyes were full of doubts.

At that time, when Sun Dasheng raided Luo Jue, Su Qingyan saw it, but because the distance was too far, he only saw Sun Dasheng suddenly make a move. The specific situation was completely unknown.

"Haha..."

Bai Yunfei smiled slightly and said casually, "Who knows? Maybe Sun Dasheng is not happy with him." Su Qingyan has been in the Ouyang family for so many years, how can she tell the truth?

Saying that, Bai Yunfei looked at the sky: "Okay, it's getting late, let's go back to rest."

Su Qingyan wanted to continue asking, but seeing Bai Yunfei say this, she had to shut her mouth.

A few minutes later, Bai Yunfei, Su Qingyan, and Ji Hongshang left the hillside and returned to the resting town.

After returning to the town, Su Qingyan was a little tired and went to rest early.

At this time, Bai Yunfei met Ji Hongshang alone.

At this time, in the room.

“Sect Master!”

Ji Hongshang’s delicate face also revealed a bit of curiosity: “What happened in the main altar of the Tiandao Alliance before? How could Sun Dasheng attack Luo Jue? Could it be the Sect Master...”

Before she could finish speaking, Bai Yunfei’s mouth curled into a smile: “Yes, I secretly issued an order to the soul-eating bloodworm in Sun Dasheng’s body, and Sun Dasheng was controlled.”

Hearing this, Ji Hongshang’s eyes lit up, He couldn’t help but exclaimed: “Sect Master is a good way, this trick to kill people with a knife is really wonderful.”

Hehe...

Bai Yunfei smiled, with a little bit of anger in his eyes: “What’s so wonderful? I thought that the Tiandao Alliance and the Ouyang family would be defeated this time, but who would have thought that the Holy Maiden of the Nine Heavens actually helped the Ouyang family escape. We are surrounded by the Heavenly Dao League.”

Said, Bai Yunfei was very irritable: “Then Yue Feng is the Nine Heavens Profound Sage, and his status is higher than Luo Jue. OK.”

What?

Yue Feng is the Nine Heavens Profound Sage?

At this moment, Ji Hongshang’s delicate body trembled, and she was stunned.

After being stunned for a few seconds, Ji Hongshang reacted and subconsciously said: “The Sect Master wants the relationship between Yue Feng and God’s Domain to be completely broken.”

“Yes!” Bai Yunfei nodded and frowned: “Once Yue Feng When the relationship with God Realm is deadlocked, God Realm will focus on dealing with Yue Feng and have no time to take care of him. At that time, we will have the opportunity to enter the ghost realm again and rescue Your Excellency Mozun.”

Thinking of rescuing Mozun before, at a critical moment, Being destroyed by Yue Feng, Bai Yunfei’s anger rose.

Mad, Yue Feng, this stumbling block, must be removed.

Ji Hongshang didn’t speak, trying to think about countermeasures.

A few seconds later, Ji Hongshang thought of something and said to Bai Yunfei: "Sect Master, before Dasheng Sun attacked Luo Jue, although he did not kill him, Luo Jue was seriously injured."

"If Luo Jue suddenly died tonight . , and there is evidence left by Yue Feng at the scene, then Yue Feng and Divine Realm are directly connected, so there is absolutely no chance for reconciliation."

Shua!

Hearing this, Bai Yunfei's eyes flashed: "What do you mean, let's get rid of Luo Jue tonight, and then put the blame on Yue Feng?"

"Yes!" Ji Hongshang nodded.

Ha ha....

Bai Yunfei looked up to the sky and laughed, and his mood suddenly improved: "Okay, this method is good. Just do as you said." After speaking

, Bai Yunfei thought of something: "I'll go to Tiandao League later, you stay here, look good. Su Qingyan, don't let her find out that I am leaving."

Bai Yunfei knew that although Su Qingyan left the Ouyang family, she still had Yue Feng's heart, so her plans must be kept secret.

Chapter 3863

"Understood, Sect Master!" Ji Hongshang responded, then left the room to monitor Su Qingyan.

Bai Yunfei took advantage of the night to leave the town and head towards the Heavenly Dao Alliance.

.....

On the other side, God's Domain.

In the Yuyao Immortal Garden, strange flowers and plants are blooming brightly.

In the pavilion, the Nine Heavens God accompanied Empress Hua Zhao, admiring the beautiful scenery in front of her, and the atmosphere was peaceful and warm.

"Your Majesty!"

At this moment, the commander Gong Ao walked over quickly and respectfully said to the Nine Heavens God: "There is urgent news from Luo Jue."

Swish!

Jiutian God looked unhappy: "This Luo Jue, what's the matter?" Suddenly being disturbed, Jiutian God was very unhappy.

In the next second, Jiutian God sensed the news in the talisman, and his expression suddenly changed.

"It's simply lawless." The

Nine Heavens God was furious: "Yue Feng, relying on the identity of the Nine Heavens Profound Sage, actually instructed the people around him to take action against Luo Jue, and the Nine Heavens Saintess actually disobeyed Luo Jue's orders..."

Luo Jue was sent to Kyushu by himself, and Yue Feng was disrespectful to himself if he dared to attack him. After learning about the situation, Empress Hua

Zhao also frowned and was furious: "This Yue Feng really has no rules at all, and I don't know what the master thought before, but he is going to be named the Nine Heavens Profound Sage."

The woman of the Nine Heavens God also called the ancestor of Honghuang as the master.

call!

Jiutian God took a deep breath, thought for a while, and then ordered Gong Ao: "Gong Ao, please take my hand letter to go to Jiuzhou later, and warn that Yue Feng that you are not allowed to interfere in the affairs of the Tiandao Alliance in the future.

" The boy who has passed the shit luck really takes himself seriously.

Speaking of which, when the ancestor of Honghuang named Yue Feng as Jiutian Xuansheng, he wanted him to deal with the affairs between God's Domain and Kyushu. Jiutian God suddenly asked Yue Feng not to interfere, which was equivalent to disobeying the wishes of the ancestor of Honghuang.

But the Nine Heavens God didn't panic at all, because the ancestors of Honghuang were still in retreat at this time, and they didn't know when they would be able to come out.

"Yes, Your Majesty!" Gong Ao responded quickly.

...

On the other side, Tiandao Alliance.

It was already late at night, and the entire Tiandao Alliance main altar was silent.

However, because of the previous raid by Xia Yinzong, the entire Tiandao League main altar was strengthened, patrolling soldiers could be seen everywhere, and disciples guarded each entrance.

The entire Tiandao Alliance main altar is like a copper wall and an iron wall, and the worship is strict.

Whoosh!

At this moment, I saw a figure flying from the sky in the distance, like a ghost, avoiding the patrolling disciples and sneaking into the rest area of the main altar.

He was dressed in black, with handsome facial features, and his eyes were a bit gloomy.

It was Bai Yunfei.

Bai Yunfei's matter was neat and tidy, he decided to kill Luo Jue and put the blame on Yue Feng, and sneaked into the Tiandao Alliance that night.

At this moment, in a secret room behind the main altar of the Tiandao Alliance.

Luo Jue sat there cross-legged, eyes closed, immersed in the realm of cultivation and recovery, the entire secret room was silent, almost audible for needles falling.

Shasha...

Suddenly, there was a light脚步 sound outside the secret room. The脚步 sound was very soft, but Luo Jue was still aware of it.

Mad!

Luo Jue opened his eyes immediately, his face full of displeasure, and said coldly to the door: "Didn't you say it? There is nothing special, don't disturb the deity."

At this time, Luo Jue thought that he was a disciple of the Heavenly Dao Alliance. to report the situation.

Chapter 3864

Squeak.

As soon as the voice fell, the door of the secret room was gently pushed open, and then, a dark figure walked in slowly.

“Bai Yunfei?”

Luo Jue was about to get angry, but when he saw it was Bai Yunfei, he was stunned.

Soon, Luo Jue reacted and said coldly: “Bai Yunfei, you are not too brave. You helped Xia Yinzong against our Heavenly Dao Alliance before, but now you dare to break in alone?”

” ?” The corner of

Bai Yunfei’s mouth twitched, revealing a smile, he looked at Luo Jue up and down, and said slowly: “I thought that the palm of Sun Dasheng would be able to injure you, but now it seems that my expectations for him are too high.”

Shuh!

Hearing the unspoken meaning in the words, Luo Jue frowned and said coldly, “What do you mean?”

Bai Yunfei smiled and said without hesitation, “Anyway, you are about to die, so I will tell you. Well, Sun Dasheng suddenly went crazy before because I was under my control.”

“I originally wanted you to fight the Ouyang family and you would lose both, but in the end, your Tiandao League was too disappointing, and finally let Yue Feng and the Ouyang family lose. The man ran away.”

What?

At this moment, Luo Jue’s heart was shocked, and he stared at Bai Yunfei in astonishment.

It turned out that Sun Dasheng suddenly went crazy and was controlled by him.

How did Bai Yunfei do it? You must know that the strength of Sun Dasheng, placed in the Jiuzhou rivers and lakes, is also an extremely strong person, and he was actually controlled by Bai Yunfei.

A few seconds later, Luo Jue recovered and said coldly to Bai Yunfei, “You came here late at night and told me this, so you’re not afraid that I will tell Yue Feng the situation?”

Hehe...

Bai Yunfei smiled contemptuously and said lightly: "Of course I won't worry, because you are going to die soon. The purpose of my visit this time is to get rid of you, and then put the blame on Yue Feng."

Hearing this After that, Luo Jue couldn't help but laugh: "Interesting."

Immediately, Luo Jue breathed a sigh of relief and said slowly: "Bai Yunfei, I admit that your strength is very strong, but don't forget, I am from God's Domain, With Primordial Spirit, even if you destroy my body, as long as my Primordial Spirit is still there, I will never die."

"Really?"

Bai Yunfei smiled and said, "Ordinary humans, of course, can't kill you completely, but What if the devil?"

Devil?

Luo Jue looked shocked and stared at Bai Yunfei: "Are you a demon?"

Bai Yunfei stopped talking nonsense, activated the power of his demon soul, slowly raised his hand, and saw a blood-red ball of light condensed. In an instant, a terrifying evil aura filled the entire secret room.

Demon soul?

Seeing the blood-red light ball, Luo Jue lost his composure in an instant, and was indescribably shocked. Looking at Bai Yunfei's eyes, he also revealed deep hostility.

At the same time, I was a little surprised.

No wonder Bai Yunfei is so unfathomable at such a young age that he has drawn with him twice.

It turns out...he is not a man, but a devil.

At this time, Bai Yunfei smiled evilly: "Luo Jue, you are the first to know my identity, and it is an honor to be killed by me."

Om!

Saying that, Bai Yunfei stopped talking nonsense, raised his hand and waved, the demon soul, carrying a terrifying power, roared up and came towards Luo Jue.

Luo Jue didn't have time to think about it, and urged all the divine power to resist.

However, Luo Jue's injuries had not recovered at this time, and instead of shaking the demon soul away, he let out a groan, and the whole person was enveloped by the demon soul.

Chi Chi Chi....

In the next second, I saw a golden light escape from Luo Jue's body and merged into the demon soul. That Jin Mang was Luo Jue's Primordial Spirit, and was being attacked by Bai Yunfei at this time. Demon Soul Devour.

"Ah..."

Luo Jue let out a shrill scream when the primordial spirit was swallowed up. He wanted to resist, but under the shroud of the demon soul, he couldn't move at all.

Chapter 3865

Bang!

As the power of the Demon Soul's crushing became stronger and stronger, Luo Jue couldn't bear it at all, and his figure fell to the ground.

At this moment, Bai Yunfei didn't have time to think, he retracted his demon soul, then sat cross-legged, and began to integrate Luo Jue's disintegrating power.

Buzz...

At this time, Bai Yunfei, after absorbing the power of those primordial spirits, only felt that the power in his body became more pure, and at the same time, his strength continued to rise...

Seriously, if Bai Yunfei If it is an ordinary person, forcibly integrating Luo Jue's power of the primordial spirit is very likely to be backlashed, but he has a demon soul, and his physique is very different from ordinary people, so there is almost no obstacle to integrating the power of primordial spirit.

After half an hour, Bai Yunfei completely completed the fusion.

"Haha!"

At this moment, feeling the strong power in his body, Bai Yunfei couldn't help laughing up to the sky, his eyes flashed with evil light, and the whole person looked extremely evil.

Excited, Bai Yunfei didn't forget his business, he used his power to write a sentence on the wall with his fingers.

After writing, Bai Yunfei made sure that there were no clues left, so he turned and left the secret room, disappearing into the night.

At this time, it was not yet dawn, and the entire Tiandao Alliance main altar was silent.

There are still many disciples patrolling around, but no one has found Bai Yunfei's whereabouts, let alone that Luo Jue has been silently killed in the secret room.

hum!

Not long after Bai Yunfei left, he saw that in the sky above the Tiandao League, the wind suddenly surged, and an extremely strong aura quickly condensed. Then, a figure suddenly descended from the sky, golden light flashing all over his body, majestic and majestic.

It was Gong Ao.

After Jiutian God received Luo Jue's secret letter, he immediately sent Luo Jue down to deal with the situation.

Swish!

At this moment, the eyes of the entire Tiandao League disciples fell on Gong Ao, and they were all shocked.

What a powerful breath...

Guo Dong, who was still recovering from his injuries in the room when he heard the movement, quickly strode out, and when he went outside, he was also stunned when he saw Gong Ao floating in the air.

But soon, Guo Dong reacted and said loudly: "Who is coming?"

Gong Ao looked indifferent, with a proud look on his eyebrows, and said, "I am the special envoy of the God Realm, and immediately ask Luo Jue to come out to see me." The voice It was loud and powerful, and the entire Tiandao Alliance general altar could hear it clearly.

Gong Ao is the God of the Nine Heavens, the most respected subordinate, with a higher status than Luo, and naturally has the capital of arrogance.

God's Domain Envoy?

Hearing this, Guo Dong's heart trembled, he quickly accompanied his smiling face, and said respectfully: "It turned out to be Your Excellency Special Envoy, disrespectful and disrespectful!" With that, Guo Dong

said to the subordinates beside him: "Quick, go and invite Tianzun to come out."

The voice fell, and a disciple hurried to the back room. In less than a few seconds, he hurried back and said with a complicated expression: "Protection, my subordinate informed the situation, but Your Excellency Tianzun ignored it."

Ignore it?

Guo Dong frowned, could it be that Tianzun is at the critical moment of cultivation?

At this time, Gong Ao was also displeased. This Luo Jue, who came to the Kyushu Continent and became a Heavenly Venerate, has become bigger, and he didn't come out to greet me?

Guo Dong is good at observing words and expressions. Seeing that Gong Ao was a little unhappy, he quickly explained: "Your Excellency Special Envoy, Tianzun was injured before, compared to the critical time of healing, so..."

Luo Jue was injured?

Gong Ao was stunned for a moment, and before Guo Dong could finish speaking, he waved his hand and interrupted: "Forget it, since he is injured, take me to see him in the secret room." The

voice fell, and Guo Dong was in front. Lead the way and walk towards the secret room.

Soon, he reached the door of the secret room.

"Tianzun!"

Guo Dong stood outside the door and shouted cautiously: "The special envoy of God's Domain is here, and I invite Tianzun to come out and see."
