

The ultimate husband in Chinese chapter 3871-3880

Chapter 3871

Princess Yueying?

Hearing this, King Guangping smiled contemptuously: “Ren Yingying, when I ascended the throne, I expelled you from the royal family, you are no longer a princess.”

“But since we have a blood relationship, I will forgive you this time. You are reckless, you step back.” The

voice was not loud, but there was no doubt.

Ren Yingying is Yue Feng’s woman, how could she be allowed to enter the imperial mausoleum?

“You...”

Hearing this, Ren Yingying’s delicate face instantly flushed red, and she was indescribably angry.

This King Guangping is too shameless. He killed his father to seize the throne and expelled himself from the royal family. These things came out of his mouth, but it was such an understatement.

Thinking of his father’s tragic death, Ren Yingying’s delicate body could not stop trembling.

Seeing this scene, Yue Feng couldn’t help it, he stepped forward and said to King Guangping: “King Guangping, you are really shameless, your throne was snatched, what qualifications do you have to expel Yingying from the royal family? ?”

“The most ridiculous thing is that you killed the royal father and still looked at peace of mind, which is extremely shameless.”

After saying that, Yue Feng looked around and continued: “To put it bluntly, King Guangping wants to swallow the ancient tomb for himself. He just said before that this imperial mausoleum belongs to the royal family, and Yingying is obviously a princess, but when it comes to the mouth of King Guangping, she is no longer qualified

. , Yue Feng’s face was serious, but he was secretly sneering in his heart.

Ren Yingying was despised by King Guangping, and Yue Feng naturally had to come forward.

Yue Feng thought about it, since Bai Yunfei was not there and could not find out the situation of the Great Sage being controlled, he helped Ren Yingying enter the ancient tomb by the way. It's just that the imperial mausoleum is now being guarded by the people of King Guangping, and it is difficult to enter. The only way is to incite the surrounding sects and disrupt the situation.

This chapter is provided by . Visit for daily update.

Whoa!

The voice fell, and the people in the arena all nodded in agreement.

“Yue Feng is right.”

“Yeah, back then, the King of Guangping killed the previous emperor in front of the Jiuzhou Jianghu sect. It really doesn't make sense for Princess Ying to enter the imperial mausoleum.”

“Needless to say? He just wants to swallow the ancient tomb for himself.” The

surrounding discussions came from you and me, and King Guangping sat there with a gloomy face, very angry.

At the same time, King Guangping also stared at Yue Feng coldly.

How dare this Yue Feng incite the surrounding Jianghu Sect to deal with me? Ma De, when he gets the inheritance of his ancestor Chi You, he will kill you first.

“Shut up!”

At this moment, the commander of the Imperial Forest Army couldn't bear it anymore, strode out, looked around and roared: “You are so bold, to slander Your Majesty with Yue Feng? You don't want to live anymore?”

” This remark, the various sects who were still whispering about it, couldn't help it at this time, and they all retorted.

“Who are you frightening? Your Apocalypse Royal Family wants to swallow the ancient tombs and kill us all?”

“That is, your Apocalypse Royal Family is so majestic, you won't let anyone else say anything.”

“If you really want to fight, just let it go. Come here, we have so many sects, are we still afraid of your Tianqi royal family?”

I have to say that Yue Feng's incitement was very successful. At this time, the major sects present expressed their dissatisfaction with King Guangping, which seemed very united.

Of course, the unity is only on the surface, and all the sects present took the opportunity to roar, and the ultimate goal is to enter the ancient tomb and snatch the treasures.

"Okay, very good!"

Listening to the attitudes of the various sects, King Guangping's eyes were gloomy, and he nodded: "You sects, also follow Yue Feng to make trouble."

After saying that, King Guangping raised his hand and waved: "The Imperial Forest Army is on alert! "

Om!

The voice fell, and the surrounding Royal Forest Army exploded with internal force, and a hundred thousand Royal Forest Army broke out together, and the gathered force instantly distorted the sky!

Is the royal family coming for real this weather?

Seeing this scene, the major sects present all frowned secretly. Immediately, they ordered their disciples to confront the Royal Forest Army.

wow...

Chapter 3872

However, at this moment, I saw not far away, tens of thousands of figures came quickly, and the all-black outfits were the elites of the Tiandao Alliance.

Headed by a golden armor, domineering and unparalleled.

It was Gong Ao.

hiss!

What a strong breath!

This... Who is this?

Seeing Gong Ao, all the masters from all continents present were shocked, their eyes focused on Gong Ao, and they were speechless for a long time.

Under the shroud of Gong Ao's breath, everyone present felt breathless.

"Where is this sacred!"

"I don't know, looking at the clothes, it seems to be from the realm of the gods..."

"The realm of the gods?"

Shocked, all the sect masters present couldn't help but whisper.

Gong Ao? !

why did he come here?

Seeing Gong Ao, Yue Feng was stunned for a moment, and was very puzzled.

At this time, Yue Feng didn't know that Luo Jue had been assassinated by Bai Yunfei and put the blame on himself, and Gong Ao, who was in front of him, had come to Xing Shi to ask for his guilt.

"Yue Feng!"

When he got to the front, Gong Ao's eyes locked on Yue Feng, and he said angrily: "You killed Luo Jue, but you left behind mad words, are you going to betray God's Domain?"

Although Luo Jue's status is not high, he is the God of the Nine Heavens. The messengers sent represent the entire Divine Realm. Yue Feng killed Luo Jue to provoke the entire Divine Realm.

Even if Yue Feng is the Nine Heavens Profound Sage, he cannot tolerate it.

What?

Hearing this, Yue Feng was stunned, only feeling inexplicable.

I killed Luo Jue, where did this come from?

Could it be that the Great Sage attacked Luo Jue before, causing him to die of serious injuries? But this is impossible, Luo Jue has the primordial spirit, how could Sun Dasheng's palm kill him?

Swish!

At the same time, the surrounding people were also in an uproar.

“What’s the situation?”

“Yue Feng killed Luo Jue of the Heavenly Dao Alliance?”

“That Luo Jue is very strong, so Yue Feng can kill him?”

Listening to the surrounding discussions, Yue Feng gradually calmed down.

The next second, Yue Feng smiled at Gong Ao: “Gong Ao! You said I killed Luo Jue? Is there any evidence?”

Evidence?

Gong Ao sneered, his expression very sad and angry: “Yue Feng, you are a Nine Heavens Profound Sage and a famous hero in Kyushu, don’t you dare to admit what you have done?”

” Luo Jue, who died in the process of healing, after he succeeded, he wrote a rant on the wall, ‘Whoever commits me, kill Wushe, and Yue Feng will leave the words.’” The

voice fell, and a figure walked out quickly, pointing at Yue Feng and shouting. : “Your Excellency Special Envoy’s words are true. I was at the scene at the time. Yue Feng, you killed Your Excellency Tianzun. Today, you must give me justice to the Tiandao Alliance.”

There is such a thing.

Knowing these circumstances, Yue Feng frowned, without the slightest anger, but pondered.

Who is framing me?

Speaking of which, Yue Feng must have been very angry if he had encountered such a situation before, but he has experienced so many things in the past few years and suffered countless slanders and slanders, and Yue Feng is used to it.

Chapter 3873

“Gong Ao!”

Thinking in his heart, Yue Feng didn’t talk nonsense, and his face was serious: “It’s a pity that Luo Jue died, but I tell you clearly, Luo was not killed by me, someone deliberately framed it. Me.”

“If I really wanted to kill Luo Jue, when I left the Heavenly Dao League with the Ouyang family, I could have done it at that time, why would I sneak up on assassination?”

Hearing this, Gong Ao pondered. ..

what Yue Feng said seems to have some truth, but...

thinking about it, Gong Ao looked directly at Yue Feng, shook his head and said: "Yue Feng, don't make sophistry, in the entire Kyushu, apart from you, Who can take Luo Jue's life?"

Although he was a little shaken just now, Gong Ao finally decided that it was Yue Feng who killed Luo Jue.

After all, Yue Feng has the Primordial Spirit and is fully capable of killing Luo Jue, but apart from Yue Feng, there is no other person in the entire Jiuzhou rivers and lakes. After all, humans cannot defeat the Primordial Spirit.

Phew...

Seeing that Gong Ao identified himself as the murderer, Yue Feng took a deep breath: "Well, since you insist on identifying me as the murderer, then I can't do anything about it. What do you want?"

Gong Ao clenched his fists without hesitation. Said: "Follow me back to God's Domain immediately and meet Your Majesty."

Yue Feng chuckled: "What if I don't want to?"

"Then I have to offend you." Gong Ao said.

Hearing this, Yue Feng couldn't help laughing, looking at Gong Ao's eyes, showing a bit of playfulness: "Gong Ao, we have fought before, you can't beat me."

Shah!

At this moment, Gong Ao's face turned red, very embarrassed. Because Yue Feng said it well, the two sides had fought before, and Yue Feng easily defeated Gong Ao at that time.

However, Gong Ao was arrogant and arrogant. For the sake of face, he bravely said: "Yue Feng, don't play tricks on me, if you are a little more acquainted, then follow me to meet your majesty in the realm of the gods. Otherwise, don't blame me for being rude. "

That's what he said, but because he was afraid of Yue Feng's strength, Gong Ao didn't mean to take action!

Whoa!

Seeing this scene, the surrounding sects suddenly talked a lot, and looking at Gong Ao's eyes, they all flickered with complexity.

Looking at it like this, Yue Feng is about to tear his face with God Domain.

There's a good show here.

"Gong Ao!"

At this time, Yue Feng was too lazy to talk nonsense, and said to Gong Ao: "You don't have to be pretentious, just come directly if you want to do it. If you don't dare to do it, let the God of Nine Heavens come to see me in person."

Mad, this Gong Ao was really sick. Luo Jue's death was obviously framed, but he didn't believe it.

Hearing this, Gong Ao's face turned blue and white.

This Yue Feng was so arrogant that he even asked His Majesty to come to see him in person.

In anger, Luo Jue glanced at the people of the Ouyang family and said fiercely: "Yue Feng, I know that you are very strong and you fight alone. Maybe I am not your opponent, but don't forget, there are still people behind me. Tens of thousands of Heavenly Dao League elites."

"No matter how strong you are alone, it is impossible to guarantee that the people around you will be safe and sound?"

Nima!

Seeing Gong Ao threaten him with the Ouyang family, Yue Feng's face changed, and his anger was instantly ignited.

Family members have always been Yue Feng's opponents.

At this time, Yue Feng wanted to kill Gong Ao, but after thinking about it, he held back.

Because Gong Ao said it well, once he starts, he is not afraid at all, but Brother Wen and Yingying, they can't stop the siege of Tiandao Alliance.

How to do?

Could it be... Really want to go to God's Domain with Gong Ao?

"Boom!"

Just when Yue Feng was frowning secretly, suddenly, he heard a sound of zalei coming from the sky above the imperial mausoleum.

Whoa!

Hearing this thunder, whether it was Yue Feng or everyone present, they all looked up in unison, and saw that the sky above the entire imperial mausoleum was covered with dark clouds in an instant.

And between the thick clouds, red lightning can be seen, flashing constantly.

Chapter 3874

Seeing this situation, everyone was stunned, and they were all inexplicably excited.

“The ancient tomb is about to appear!”

“The ancient tomb is about to appear...”

While everyone was discussing, King Guangping stood up suddenly, his face also extremely excited.

As expected of the ancient tomb of Chiyou’s ancestor, such a powerful aura erupted before it appeared.

At the same time, Ren Yingying was also trembling, feeling the powerful breath coming from the clouds. For some reason, Ren Yingying’s blood was boiling, as if there was a mysterious power that was summoning herself.

It’s a strange feeling, I seem to be able to perceive the power of my ancestor Chi You.

Muttering in her heart, Ren Yingying was inexplicably excited.

“All the imperial guards obey the order!”

At this moment, King Guangping looked around, his eyes were extremely firm:
“Immediately guard the surroundings and wait for the next ancient tomb to appear. Those of these Jianghu sects who dare to break through will be killed!

” The Jianghu sect, how many people came, also kept them out of the ancient tomb.

After all, at this time, the ancient tomb of the ancestor Chiyou was never allowed to be touched by outsiders.

“Follow your orders!” The

voice fell, and the soldiers of the Royal Forest Army who were present responded with a bang, and the momentum was shocking.

Boom!

At this time, I saw a few thunders resounding in the clouds above the imperial mausoleum. Then, around the entire imperial mausoleum, the spiritual energy of heaven and earth surged wildly, and the powerful spiritual energy was raging, and almost everyone could not keep their eyes open.

A few seconds later, the surging aura of heaven and earth disappeared, and what appeared in front of everyone was a black vortex.

Obviously, this vortex is the entrance to the ancient tomb. You must know that the entrance to the ancient tomb of Lu Bu was like this black vortex.

Seeing this huge vortex, everyone present exploded.

“The entrance has appeared!”

“The movement just now is stronger than when the ancient tomb of Lv Bu appeared in the world. It seems that there must be something good in this ancient tomb.”

Shocked, many people wanted to enter from there. There was some hesitation when it came to the guards guarding the garrison. These sects all have their own ghosts, and they don't want to be the first to conflict with the Tianqi royal family.

Whoosh!

Seeing this situation, Yue Feng didn't have time to think about it, he pulled Ren Yingying and pushed his figure to rise into the sky, over the Royal Forest Army, and rushed into the black vortex.

Speaking of which, Yue Feng was not interested in Chiyou Ancient Tomb, and doing so was just diverting Gong Ao's attention.

Yue Feng's speed was very fast. Those Yu Lin army only felt their eyes blurred, but they didn't know what was going on. The figures of Yue Feng and Ren Yingying had disappeared into the vortex.

“Yue Feng!”

Seeing Yue Feng and Ren Yingying rushing into the vortex, Gong Ao angrily rebuked: “You want to abscond in fear of crime? All the disciples of the Heavenly Dao Alliance obey the order and chase after me!” As the

voice fell, Gong Ao burst into the vortex.

Wow...

At the same time, the disciples of the Tiandao Alliance followed closely behind and followed Gong Ao into the vortex to capture Yue Feng.

Mad!

Seeing this scene, King Guangping was furious.

This Yue Feng, not only broke into the ancient tomb of the ancestors, but also led the Tiandao League into it.

However, what made King Guangping even more angry was still behind.

“Yuefeng and Tiandao League entered...”

“Can’t let them take the lead, rush...”

“Yes, let’s rush together!”

Seeing Yue Feng and Tiandao League, they rushed into the ancient tomb one after another. The sects reacted and shouted, breaking through the containment and interception of the Imperial Forest Army and entering the vortex.

In the chaos, Wen Chou Chou took the Ouyang family and took the opportunity to enter the ancient tomb.

Seeing that the situation was getting more and more out of control, King Guangping’s face was ashen, and he roared, “Stop them, stop...”

Chapter 3875

Hearing the order, the Imperial Forest Army waved their long knives and began to intercept the strong sects who rushed into the vortex. However, there were so many sects that could not be stopped at all. In the blink of an eye, all the sects present rushed in. more than half.

“Waste...”

Seeing this scene, King Guangping was so angry that he vomited blood, and then shouted: “Don’t stop it, go in quickly.” After saying that, he moved his figure and rushed directly into the vortex.

Anyway, it couldn't be stopped. The most important thing now is to enter the ancient tomb and find the exercises and treasures left by the ancestor Chi You as soon as possible.

.....

in the tomb!

After entering the vortex, Yue Feng only felt that his eyes were dark and the world was spinning. In this case, Yue Feng held Ren Yingying tightly and did not dare to let go.

Because I don't know how big the tomb is, after letting go, if the two are scattered, it will be troublesome.

Pfft!

After an unknown amount of time, Yue Feng and Ren Yingying finally stepped on the ground.

Yue Feng took a deep breath, then looked around and was stunned.

I go!

This tomb is too big!

I saw that there was a black Jian ethnic group in front of me, and I couldn't see the edge at a glance, it was even bigger than the imperial city.

Moreover, the buildings in front of them are relatively simple in shape, not as exquisite as the palace, but each building is incomparably majestic and has a sense of ancient vicissitudes.

Not only that, but there are more than a dozen huge statues of warriors standing on the periphery of this building.

Each of these warrior statues is dozens of meters high, each holding a giant sword, with a solemn expression, whether it is the facial features or the armor, they are all carved lifelike.

Seeing this, Yue Feng couldn't help but muttered, "Why are there so many warrior statues around this ancient tomb?"

Ren Yingying took Yue Feng's arm and did not respond, but looked around at the statues in a trance.

Um?

At this time, Yue Feng found that the eyes of these warrior statues were all hollow, giving people a very strange feeling.

How can such a beautiful statue have no eyes?

“Yue Feng!”

At this moment, Ren Yingying reacted and said complicatedly to Yue Feng: “How do I feel that these statues have life?”

When she said this, Ren Yingying had an indescribable emotion in her heart.

When he first arrived at the imperial mausoleum, Ren Yingying had a feeling of being summoned in the dark. After entering the ancient tomb, the feeling became even stronger, as if there was a mysterious force waiting for him in the ancient tomb.

At this time, seeing these huge warrior statues around, Ren Yingying is both unfamiliar and close relatives, and there is a feeling of blood connection.

There is life?

Hearing this, Yue Feng was stunned for a moment, and then smiled: “Yingying, are you hallucinating? How can such a big statue have life? It’s impossible...”

As he said, Yue Feng looked around, making sure that Gong Ao and the disciples of the Tiandao League were not nearby, so he walked forward with Ren Yingying.

hum!

Just after walking a few steps, I saw the empty eyes of the warrior statues around, suddenly revealing red rays of light, followed by violent breaths, bursting out of the warrior statues, and these breaths gathered together, forming a terrifying coercion.

What the hell!

Feeling this coercion, Yue Feng’s expression changed. He clearly felt that his Primordial Spirit power was suppressed, and he couldn’t use it at all, as if he had become an ordinary person.

What power is this? Can you suppress Yuanshen?

For a time, Yue Feng was extremely horrified.

When he noticed Ren Yingying’s situation, Yue Feng was stunned!

The ultimate husband in Chinese chapter 3876-3880

Chapter 3876

found that Ren Yingying's delicate face was as usual, without the slightest bit of pain, obviously not affected by the terrifying coercion.

Is Yingying okay?

For a time, Yue Feng was completely confused.

"Yue Feng?"

At this time, realizing that Yue Feng's face was wrong, Ren Yingying's delicate face was full of surprise and worry: "Why are you so weak?"

"It's the aura that erupted from these warrior statues, Suppressed my power." Yue Feng said.

Ren Yingying's tender body trembled, her eyebrows knitted tightly: "Why am I alright?"

Yue Feng looked at the warrior statues, thought for a moment, and responded, "This is Chiyou's ancient tomb, and Chiyou is your Tianqi royal family. Our ancestors have the same bloodline, so you are not affected." As he

spoke, Yue Feng pointed to the Jian ethnic group in front of him: "Let's not talk about it for now, let's quickly explore the ancient tomb."

Hmm!

Ren Yingying nodded and followed Yue Feng.

Because the primordial spirit was suppressed, Yue Feng was very careful when exploring forward.

I don't know how long I walked, but after crossing a line, I saw a huge square in front of me. In the square, there are tens of thousands of people from all corners of the world.

Obviously, these people from Jianghu Zongmen were passed here after entering the ancient tomb.

However, what shocked Yue Feng and Ren Yingying was that the people of the sect gathered in the square were crazy and were killing each other! The scene was chaotic.

This chapter is provided by . Visit for daily update.

The people of these sects are all crazy, their eyes are blood red, and they have completely lost their minds.

“Death, die for me!”

“Don’t rob me of treasures from the ancient tomb!” In the

roar, the people of these sects shot extremely fiercely, with blood sprayed, and the ground was dyed red!

Seeing this scene, Ren Yingying was shocked.

What’s the situation? Why are these sect people crazy?

Muttering in her heart, Ren Yingying couldn’t help but said, “Yue Feng, what’s wrong with these people?”

Huh.

Yue Feng took a deep breath, looked around the warrior statues in the distance, and said, “Obviously, the power of these warrior statues around is too strong, and these people can’t bear it, so they all lost their minds.”

“Look at this . The situation, this ancient tomb of Chiyou is even more dangerous than the ancient tomb of Lu Bu.”

When he said this, Yue Feng took a closer look at the melee crowd in front of him and found that there were no Wen Chou Chou and Ouyang family members, and he was relieved.

However, I was also a little anxious in my heart.

Although the Wen Chou Chou people are powerful, they are not guaranteed to lose their minds and kill each other like the people in front of them.

If the Ouyang family killed each other, it would be troublesome.

Thinking of this, Yue Feng said to Ren Yingying: “Come on, Brother Wen and the others must have come down, let’s find them quickly!”

Ren Yingying is smart, and Yue Feng’s worries, she also thought of it, and nodded immediately, and Yue Feng The wind went around the square and went inside to search for Wen Chou Chou and others.

Finally, after passing through a Jian ethnic group, there was a huge gap in front of him. This gap was several hundred meters wide, and there was an abyss below. There was absolutely no possibility of surviving if it fell.

And between this gap, there is a stone bridge. The whole stone bridge is made of stones of different shades. Yue Feng saw that every few steps on the stone bridge, some special runes were engraved. .

This stone bridge, seemingly simple, has hidden mysteries.

Opposite the stone bridge, is a small altar, and behind the altar, is a majestic palace.

Obviously, this palace is the spiritual hall where Chiyou was buried.

Chapter 3877

Chiyou's spiritual hall?

Yue Feng was very excited when he saw the palace opposite the stone bridge.

At the same time, looking at the stone bridge in front of him, Yue Feng couldn't help frowning secretly.

Above this stone bridge, it seems to be a mysterious stone formation.

It is recorded in "Baiqi Shenzheng" that the Lost Stone Array is a very ancient formation, very mysterious. Once someone enters, they will lose themselves.

It's just that this kind of formation has not been seen in the Kyushu Continent for a long time, and there are only a few sentences in the records of "Bai Qi Shen Formation", and there is no way to deploy or crack it.

However, Yue Feng didn't panic at all. With his accomplishments in the formation, it was not difficult at all to break the formation.

"Yue Feng!"

At this time, Ren Yingying was also very excited and took Yue Feng's hand: "After the stone bridge, it is the ancestor's spiritual hall. Let's go in."

With that, Ren Yingying was about to pass the stone bridge . .

"Don't!"

Just two steps away, Yue Feng stopped him: "Yingying, wait a moment, this stone bridge is a lost stone formation, if you enter rashly, you will lose yourself. At that time, if you are not careful, I will fall into the abyss."

Hearing this, Ren Yingying's delicate body trembled, and she quickly stopped.

Fortunately, Yue Feng was there, or else he would have ventured onto the stone bridge and the consequences would have been unimaginable.

Thankfully, Ren Yingying said, "Yue Feng, can you break this lost stone formation?"

Haha..

Yue Feng couldn't help laughing, couldn't help but leaned up and kissed Ren Yingying on the cheek: "You man, I am the hero of Jiuzhou, how can anyone in this world find it hard to live with me?"

Ren Yingying's delicate face was a bit blushing, and she said coquettishly, "Don't be ashamed, how can you brag about yourself?"

As she spoke, Ren Yingying's eyes were full of smiles. After all, Yue Feng's accomplishments in formation are truly unparalleled in the entire Kyushu.

Talking and laughing, Yue Feng walked slowly to the stone bridge, began to study the Lost Stone Array, and figured out how to crack it.

Ren Yingying stood aside, vigilant around him.

Whoosh...

But at this moment, there was a sudden burst of aura behind him, and then, a figure came over quickly.

Hearing the movement, Yue Feng and Ren Yingying hurriedly looked back, and their hearts were suddenly shocked.

I saw that the coming person was dressed in a golden dragon robe, with a proud expression, and his body was filled with a powerful aura, showing the royal majesty, and it was the King of Guangping.

King Guangping?

Seeing King Guangping, Yue Feng's expression changed and he frowned.

Nima, is this King Guangping so lucky? Found here so quickly.

At the same time, when he noticed the situation of King Guangping, Yue Feng was even more shocked. He clearly felt that King Guangping, like Ren Yingying, was not affected by the powerful atmosphere of the ancient tomb at all, and his strength was completely at its peak.

But soon, Yue Feng understood something.

King Guangping is the Emperor of Apocalypse, and he is of the same bloodline as Ren Yingying. The powerful force of this ancient tomb cannot suppress Ren Yingying, and naturally it has no effect on King Guangping.

After understanding this, Yue Feng felt depressed all of a sudden.

It's a little troublesome now, my Yuanshen is suppressed, and if I do it later, I can only rely on Ren Yingying, but fighting alone, how could Yingying be the opponent of King Guangping?

You must know that after King Guangping became the Emperor of Apocalypse, he often took the royal treasures of heaven and earth, and his strength was not what it used to be.

At the same time, Ren Yingying also frowned, and subconsciously tightened Yue Feng's arm.

Um?

Chapter 3878

At this moment, King Guangping also discovered the two Yue Fengs and was stunned.

The next second, when he saw the palace opposite the stone bridge, King Guangping's face was overjoyed, and he was very excited.

Haha...

Such a magnificent palace, it seems, this is the spiritual hall where the ancestor Chiyou was buried.

Excited in his heart, King Guangping's eyes fell on Yue Feng, unable to hide the resentment in his heart: "Yue Feng, it's really a narrow road for the enemy." When he said this, King Guangping's face was gloomy, but his heart was extremely complicated.

At that time, King Guangping brought tens of thousands of royal guard troops into the ancient tomb, but shortly after entering, the warrior statues around the ancient tomb suddenly burst out with a powerful aura.

In this case, King Guangping had to explore the ancient tomb alone.

When he arrived at this stone bridge, King Guangping thought that he was the only one who found the ancestor's spiritual hall, but he did not expect that Yue Feng and Ren Yingying were also there.

King Guangping was naturally not afraid of Ren Yingying, but he was extremely afraid of Yue Feng.

After all, Yue Feng is a famous figure in Kyushu, and his strength is unfathomable. But King Guangping holds his own identity, how could he show weakness?

At this time, King Guangping didn't know that Yue Feng's strength was also suppressed by the powerful aura of the ancient tomb.

Ha ha...

Seeing King Guangping's gloomy face, Yue Feng chuckled lightly and said lightly: "King Guangping, stop talking nonsense, opposite the stone bridge is the Chiyouling Hall. I am determined to get the treasure inside."

"Yingying and I are two people. , and you are only one person. You have no chance of winning at all, if you are acquainted, leave quickly!"

When he said this, Yue Feng had a proud face, but he was a little uneasy in his heart.

Before King Guangping didn't know that his strength was being suppressed, he should scare him away quickly.

"King Guangping!"

At this time, Ren Yingying took a step forward and shouted at Wang Jiao of Guangping: "Aren't you very arrogant when you were outside the ancient tomb? At that time, as long as I dared to break into the ancient tomb, you would be rude to me. , and I'm in now, if you want to do something, just let the horse come over as soon as possible."

Ren Yingying Bingxue is smart, Yue Feng understood what he meant when he opened his mouth just now, and then quickly stood up and put on a pose with Yue Feng.

Mad!

Facing Yue Feng's aggressive aura, King Guangping's face was gloomy, and he was unspeakably annoyed.

If it wasn't for the fact that the Imperial Forest Army was insane, how could Yue Feng be so arrogant in front of him?

But if you really want to fight, how can you be the opponent of Yue Feng and the two?

While muttering in his heart, King Guangping's eyes flickered and he sneered: "Is there a real spiritual hall opposite the stone bridge? Not sure, you guys like to stay here, just do what you want."

“Wait until I find the real ancestor’s spiritual hall, Come back and settle accounts with you.”

After saying this, King Guangping turned around and strode away.

King Guangping was suspicious by nature, knowing that he was not the opponent of Yue Feng and the two of them. In order to avoid conflict, he deliberately said that the Chiyouling Hall opposite the stone bridge was fake.

Of course, King Guangping didn’t actually leave, but quietly returned, hid, and observed Yue Feng’s every move secretly.

Haha....

Seeing that King Guangping was scared away, Yue Feng couldn’t help showing a smile.

This King Guangping loves his face so much that he was afraid that he and Yingying would join forces to deal with him, so he deliberately found a reason to go down the stairs.

“Yue Feng!”

At the same time, Ren Yingying also laughed, took Yue Feng’s arm and said, “King Guangping was scared away by us.”

Yue Feng nodded: “King Guangping looked calm just now, but actually he was more than happy in his heart. We’re still panicking.”

After speaking, Yue Feng looked at the stone bridge in front of him: “However, King Guangping is suspicious by nature, and he will be back soon, so I need to speed up.”

Chapter 3879 The

last sentence fell, Yue Feng picked up a stone and continued to deduce it on the ground, looking for a way to crack the Lost Stone Array.

Ren Yingying continued to protect the law by the side.

At this time, the two of them did not know that King Guangping did not really leave, but hid in the shadow not far away.

call!

At this moment, watching Yue Feng squatting there, gesturing with a stone on the ground, the corner of King Guangping’s mouth twitched, and his eyes flashed a bit gloomy.

It turns out that this stone bridge has another mystery. Fortunately, I didn't make a rash move just now.

Thinking to himself, King Guangping held his breath and decided to wait and see what happened.

Time passed by minute by minute.

"It's done!"

I don't know how long it took, Yue Feng wiped the sweat off his face and smiled at Ren Yingying: "Yingying, I have found a way to crack the Lost Stone Array, follow me later!"

" !

Ren Yingying was full of joy and cheered: "I knew you could do it."

Then, seeing Yue Feng's hard-working, delicate face full of concern: "Yue Feng, you are sweating so much, are you alright? " It

's alright!"

Yue Feng shook his head, smiled and comforted: "It was a bit of a hassle to deduce the formation just now, but then again, the power of this ancient tomb is too strong, and my power is suppressed. Damn it."

Ren Yingying breathed a sigh of relief and said slowly, "Yeah, your power has been suppressed, not to mention Brother Wen and the others. Before we searched for a long time, we couldn't find Brother Wen and the others, but we did. Ancestor's spiritual hall."

Ren Yingying became inexplicably worried when she thought that Wen Chou Chou and others were unknown.

Yue Feng smiled and said, "Brother Wen, they have a great fortune and a great fate, so they should be fine. Moreover, we are the first to find the spiritual hall, it seems that it is God's will, let's cross the stone bridge quickly, perhaps within the spiritual hall, we can find a way to dispel the A powerful way to crush it."

Hmm!

Hearing this, Ren Yingying nodded and was about to go to the stone bridge with Yue Feng.

Mad! !

At this moment, King Guangping, who was hiding in the dark, was shocked when he heard the conversation between Yue Feng and the two, and he was surprised and angry.

This Yue Feng is really cunning, his power has been suppressed, but he just pretended to be okay and deceived me.

However, this Yue Feng's power was suppressed, and he had nothing to worry about.

Muttering in his heart, King Guangping didn't have time to think about it, and urged the figure to rush out directly.

hum!

At the moment of rushing out, King Guangping's internal strength exploded, and he slapped Yue Feng's back with a palm.

Feeling the danger coming from behind, Yue Feng quickly turned around and was shocked when he saw that it was King Guangping.

Nima, why did King Guangping come back so quickly?

At the same time, Ren Yingying was also shocked.

"Yue Feng!" King Guangping was very fast, and in the blink of an eye, he was in front of him, shouting: "Your power has been suppressed, but just now you pretended to tease me, go to hell." The

voice fell, and King Guangping suddenly accelerated.

At this time, Yue Feng, Yuanshen was suppressed by the powerful force of the ancient tomb and could not dodge at all.

At the same time, Ren Yingying was also in a hurry and wanted to block King Guangping, but it was still a step too late.

"Boom!"

This palm hit Yue Feng directly, and a muffled sound was heard. Yue Feng's body was directly shaken and flew out, flying dozens of meters away, hitting a rock on the edge of the abyss, and a mouthful of blood spurted out.

Nima!

Yue Feng struggled to get up, his eyes fixed on King Guangping, unable to say anything.

Fortunately, I have Yuanshen to protect the body, otherwise, King Guangping's palm could really kill him.

Chapter 3880

"Yue Feng!"

Ren Yingying screamed and rushed up quickly, supporting Yue Feng, her face distressed: "How are you? How are you..."

When she said this, Ren Yingying almost cried .

Yue Feng took a deep breath and comforted in a low voice: "Don't worry about me, although King Guangping is very powerful, he can't kill me."

Yue Feng is not talking big words. On the premise that he has Yuanshen, King Guangping can seriously injure him. , but couldn't kill him, unless King Guangping had the strength to destroy Yuanshen.

Haha...

Seeing that Yue Feng was successfully severely injured, King Guangping was extremely excited, and laughed loudly in the sky: "Yue Feng, I warned you before that you are not allowed to step into the ancient tomb of my ancestors, but you didn't listen. It's God's will to be suppressed."

"Over the years, I've been dreaming about how to get rid of you, but today I finally got my wish." After the

last word fell, King Guangping walked step by step with a dazed expression on his face.

Whoosh!

Seeing this situation, Ren Yingying didn't have time to think, her delicate body flashed and blocked in front of Yue Feng.

"King Guangping, because you are still the emperor, don't you feel ashamed to make a secret raid?" Ren Yingying glared at King Guangping and scolded.

King Guangping smiled contemptuously: "Shame? Didn't you two pretend to scare me before? We are each other."

When he said this, King Guangping's eyes were always fixed on Yue Feng.

Such a once-in-a-lifetime opportunity to get rid of Yue Feng must not be missed.

“You...”

Hearing this, Ren Yingying blushed and was speechless for a while.

King Guangping stopped talking nonsense, the breath filled his body, and he rushed up directly.

hum!

At this moment, Ren Yingying didn't have time to think about it, she urged her internal force to face it, and at the same time shouted at Yue Feng: “Yue Feng, I'll stop him, hurry up, hurry up...”

When she said this, Ren Yingying was exquisite His face was full of determination.

She and Yue Feng have a deep sense of righteousness, how could she just watch Yue Feng die at the hands of King Guangping?

Swish!

Seeing this scene, Yue Feng's heart trembled, his eyes moistened instantly, and he shouted: “Yingying, don't...”

He just hit Guangping Wang in the palm of his hand. Although the injury was serious, it did not affect his walking.

It's just... how can I go in this situation?

“Go?”

Looking at Ren Yingying who was approaching, King Guangping sneered, with contempt flashing in his eyes: “Without Yue Feng's protection, you are just an ant in my eyes, today.... I can't go.” The

voice fell, and King Guangping moved his figure and fought fiercely with Ren Yingying.

At the beginning, Ren Yingying was still able to cope, but gradually it became unbearable. Although Ren Yingying's strength was not low, there was still a gap compared to King Guangping. After all, King Guangping has been an emperor for so many years, and his background is not that of Ren Yingying. Yingying can compare.

boom!

Finally, King Guangping found an opportunity and slapped Ren Yingying on the back with a palm. Ren Yingying groaned, and fell from the air, her delicate face was extremely pale, and her breath was weak.

“Yingying!”

Seeing this scene, Yue Feng couldn't help shouting, his eyes instantly blood red.

Immediately, Yue Feng shouted loudly at King Guangping: “King Guangping, if Yingying has three strengths and two weaknesses today, I will step on your Tianqi Imperial City and make you die without a burial place.”

When he shouted these words, Yue Feng's voice Completely hoarse and frantic.

Hehe...

Hearing this, King Guangping smiled contemptuously: “Yue Feng, when death is imminent, how dare you speak out against me? I want you to watch the woman you love die in front of you.” The

voice fell, and King Guangping rushed quickly . Come, raise your palm and pat it on Ren Yingying's head.
