

## The ultimate husband in Chinese chapter 3881-3890

### Chapter 3881

Seeing King Guangping's palm calling, Ren Yingying's delicate body trembled, without the slightest fear of death, but looked at Yue Feng and cried, "Yue Feng, why didn't you leave? Why?"

Saying this At that time, Ren Yingying's tears kept streaming down, blurring her vision.

She loves Yue Feng deeply, it doesn't matter if she dies, she doesn't want Yue Feng to die with her.

Hearing this, Yue Feng was heartbroken!

Yingying, why are you so stupid?

If you're gone, what's the point of my life?

"King Guangping!"

Seeing that Ren Yingying was about to die under the palm of King Guangping's hands, Yue Feng saw the stone bridge, and suddenly a flash of light flashed, and shouted, "If you still want the treasure in the hall, let her go immediately. "

Huh?

Hearing this, King Guangping was stunned and stopped subconsciously.

In the next second, King Guangping looked at Yue Feng and said coldly, "What do you mean?"

Yue Feng pointed at the stone bridge and said slowly, "On this stone bridge, there is a lost stone formation. You will lose yourself, and then you will fall into the abyss."

"Although there are many experts from the Jianghu sects in the ancient tomb, I am the only one who can crack this fascination array."

Having said this, Yue Feng took a deep breath . He said very firmly: "As long as you release Yingying, I will take you across the stone bridge and successfully enter the spiritual hall. If you don't agree, you will never want to go there.

"

King Guangping frowned and tilted his head to observe the stone bridge carefully. Only then did he find that the stone bridge was made of stones of different shades. Not only that, but every few steps, some strange symbols were also engraved.

Finding this, and thinking that Yue Feng did write and draw there before, King Guangping couldn't help but muttered in his heart.

Could it be that what Yue Feng said was true? On this stone bridge, is there really a powerful formation?

call!

A few seconds later, King Guangping reacted and looked closely at Yue Feng: "Okay, I'll let you two live a little longer."

Then, King Guangping tilted his head and sneered at Ren Yingying, "I count you today. Let's go."

To be honest, King Guangping wanted to take Ren Yingying's life immediately, because Ren Yingying was not only Yue Feng's woman, but also Princess Yueying, and more importantly, King Guangping took Ren Yingying's life. Ren Yingying's father's order, only ascended the throne as emperor.

Therefore, in order to avoid future troubles, Ren Yingying must die.

However, the most important thing in front of me is to get the treasure of the ancestor Chiyou as soon as possible, so let Ren Yingying go for a while. As long as you get the practice of the ancestor Chiyou, your strength will be greatly increased, and then killing Ren Yingying will be as easy as the palm of your hand.

In the face of King Guangping's cold words, Ren Yingying ignored them and walked towards Yue Feng quickly.

"Wow."

When she got to the front, Ren Yingying couldn't help herself, hugged Yue Feng tightly, and cried, "Yue Feng, I don't want to go, I want to be with you..."

Yue Feng showed a smile, He comforted: "Yingying, calm down, only in this way will there be nothing for the two of us. I have primordial spirit, King Guangping can't kill me at all, and you are my weakness. As long as you are safe, I have no worries, I understand. Is it?"

Yue Feng lowered his voice and continued: "I will now tell you how to cross the stone bridge, you must remember it clearly..."

Yue Feng's voice was very soft, only Ren Yingying could hear.

Yes, Yue Feng and Guangping Wang reached a deal on the surface, which was only a temporary stopgap measure.

Yue Feng thought about it, and when he arrived at the Lingdian, he attracted the attention of King Guangping, and let Ren Yingying, who was in the dark, snatch the treasure. Therefore, Yue Feng must quietly tell Ren Yingying how to pass the stone bridge.

Yue Feng firmly believed that with Ren Yingying's intelligence, even if she took King Guangping to cross the stone bridge first, she would be able to keep up quietly.

Ren Yingying Bingxue was smart, she understood what Yue Feng meant at once, and secretly remembered the method of crossing the stone bridge in her heart. On the surface, she made a reluctant look, hugged Yue Feng tightly, and kept crying .

## Chapter 3882

"Hey!"

At this time, King Guangping became a little impatient, and frowned at Yue Feng and urged, "Have you two been enough? If you grind again, I will regret it."

Hearing this, Yue Feng patted Ren Yingying's fragrant shoulder: "Okay, hurry up and leave!"

Ren Yingying responded, let go of her hand very reluctantly, and then turned to leave.

"Let's go!"

As soon as his forefoot left, King Guangping came over and said coldly at Yue Feng, "Don't play tricks with me."

After saying this, King Guangping was not at all worried that Yue Feng would attack him, because Yue Feng's strength was completely suppressed by the power of the ancient tomb, and he was beaten just now, very weak.

Yue Feng didn't talk nonsense, and took the first step to the stone bridge.

King Guangping quickly followed, staring closely at Yue Feng's pace, daring not to make the slightest mistake.

Not long after the two went to the stone bridge, they saw a slender figure walking quickly.

It was Ren Yingying.

After listening to Yue Feng's advice just now, Ren Yingying didn't really leave, but hid in a place where King Guangping couldn't see.

At this moment, according to the method taught by Yue Feng, Ren Yingying finally crossed the stone bridge, and Yue Feng and King Guangping entered the majestic spiritual hall.

Huh...

After entering the Lingdian, seeing the scene in front of me, whether it was Yue Feng or King Guangping, they were all stunned.

I saw that the huge palace was empty, there were no treasures piled up like mountains, not even a coffin, only a blood-red bead, suspended there quietly.

This bead, the size of a fist, exudes light, but it does not have any aura fluctuations, giving the impression that it is an ordinary bead that emits light.

strangeness!

Seeing this scene, Yue Feng frowned secretly, there is only one bead in this spiritual hall?

Also, there is nothing special about this bead.

This spirit hall is not fake, right? Or....beads are the only treasure, but the power is sealed?

At the same time, King Guangping was also frowning, some nameless fires, and he felt like he was being played.

Mad, why is there nothing but an inconspicuous bead?

Thinking to himself, King Guangping glared at Yue Feng and asked coldly, "Yue Feng, where are the treasures in the Spirit Hall?" During the questioning, King Guangping's eyes flashed with a strong killing intent.

Feeling the anger of King Guangping, Yue Feng did not panic at all, shrugged and said, "You ask me, who shall I ask? We came in together, how do I know where the treasure is?"

"Light, swept behind him.

At this moment, I saw a slender figure quietly following outside the door of the spirit hall.

It was Ren Yingying.

Seeing that Ren Yingying successfully followed, Yue Feng secretly breathed a sigh of relief.

Mad!

King Guangping didn't notice Yue Feng's small movements, and when he heard his answer, he couldn't help but hold back his fire.

At this time, Yue Feng looked around and said seriously: "The Great Emperor Chiyou has an extraordinary identity, and his spiritual hall must be different. I speculate that there must be institutions in this spiritual hall."

When he said this, Yue Feng , but secretly glanced at the beads floating there.

Chapter 3883

At this time, Yue Feng has already determined in his heart that this bead is the treasure left by Chi You. He said that there are organs in the Hall of Spirituality, just to divert the attention of King Guangping.

organ?

Hearing this, King Guangping was shocked and hurriedly searched around the spirit hall.

While searching, King Guangping did not forget to threaten Yue Feng: "Yue Feng, if you want to survive, help me find the organ together."

Speaking of which, King Guangping planned to take Yue Feng's life directly, but the treasures of the Spirit Palace have not been obtained yet, and Yue Feng has some accomplishments in the technique of organ formation, so it is still useful to King Guangping.

"Okay!"

Yue Feng nodded with a smile, pretending to be looking for the agency with King Guangping, but secretly beckoned to the door, signaling Ren Yingying, who was hiding outside the door, to get the beads.

At this moment, seeing Yue Feng's gesture, Ren Yingying didn't hesitate at all, her delicate body flashed, and she rushed directly into the spirit hall.

Swish!

Hearing the movement, King Guangping quickly turned around, but it was too late.

Seeing Ren Yingying's figure is light and agile, just in the blink of an eye, she has already taken the beads into her hands.

Mad!

Seeing this scene, King Guangping immediately understood something, and glared at Yue Feng: "Good you Yue Feng, you dare to play with me?!"

Seeing Ren Yingying, King Guangping immediately guessed that Yue Feng just let her go, It's all about acting for himself. In fact, Ren Yingying has been quietly following behind.

What angered him even more was that Ren Yingying stole the beads.

Facing the anger of King Guangping, Yue Feng smiled lightly.

"King Guangping!"

At this time, Ren Yingying also smiled and mocked at King Guangping: "No matter how insidious you are, you can't compare to Yue Feng's ingenuity. This bead is a treasure, but unfortunately you are mortal and don't know the goods!"

Said After finishing this, Ren Yingying, under Yue Feng's gesture, mobilized her internal force and crushed the beads.

Huhu...

In an instant, I saw a group of dazzling blood-colored rays of light burst out and quickly merged into Ren Yingying's body.

Ren Yingying only felt an incomparably vast force, filling her limbs and bones, and she was instantly overjoyed.

What a powerful force.

Yue Feng also showed a smile, but still asked worriedly: "Yingying, how are you?" To be honest, Yue Feng is not very sure whether this bead is a treasure left by Chiyou, but it is empty. There is really no mechanism around the hall, so Ren Yingying can only risk rushing in and steal the beads.

Feeling Yue Feng's worry, Ren Yingying smiled and shook her head: "I'm fine. This bead is indeed a treasure, and it contains very powerful power..." As

she was talking, Ren Yingying frowned suddenly, beautiful His face was extremely red, showing pain, and then, the delicate body also trembled.

The power contained in the beads is too strong, and Ren Yingying's physique is weak and seems to be unbearable.

At this time, Ren Yingying only felt as if she was being put on a stove, her body was indescribably hot, and at the same time, a violent force collided recklessly in the meridians.

Oops!

Seeing this scene, Yue Feng was secretly anxious. If he had known this, he should not have let Yingying crush the beads and absorb the power inside.

"Grab my treasure? I'm going to kill you!"

At this time, King Guangping reacted, with a roar, the figure erupted, like a cannonball, rushing directly towards Ren Yingying.

Yue Feng was taken aback and wanted to rush over to block it, but Yuanshen was suppressed by the power of the ancient tomb and could not be used at all.

hum!

In the blink of an eye, King Guangping rushed in front of Ren Yingying, raised his hand and hit it with the palm of his hand, and saw a dazzling light burst out from Ren Yingying's body, forming an extremely strong anti-shock force. King Guangping didn't have time to react at all. People were directly knocked out.

Flying more than 100 meters, King Guangping landed heavily on the ground, spurting out a mouthful of blood.

Madd, how could this be?

Chapter 3884

King Guangping stood up quickly, his eyes fixed on Ren Yingying, and he was furious.

The power contained in Ren Yingying's body is too terrifying, even under such circumstances, it can even knock me out.

At the same time, Yue Feng was also stunned, and did not expect that the power contained in the beads would be so powerful.

At the same time, Yue Feng was even more worried. Can Yingying withstand such a terrifying power?

hum!

Just when Yue Feng was muttering secretly, he saw Ren Yingying being enveloped by a red light. At the same time, the power that had been filled in the ancient tomb before madly poured into the spirit hall and gathered towards Ren Yingying. ..

In this case, Yue Feng's primordial spirit, which had been suppressed, recovered instantly.

"Yingying!"

After regaining the power of Yuanshen, Yue Feng didn't have time to think about it, and rushed towards Ren Yingying.

Speaking of which, Yue Feng's primordial spirit had regained his strength, and it was almost easy to kill King Guangping, but King Guangping was already injured and no longer threatened. More importantly, Yue Feng was worried about Ren Yingying's situation at this time. Phew

... A meter away from Ren Yingying, Yue Feng could clearly feel the violent force surging in Ren Yingying's body.

.

Yue Feng's face was full of anxiety: "Yingying, how are you?"

"I...I feel so uncomfortable..." Ren Yingying's delicate face was extremely red, showing a bit of pain.

At this time, Ren Yingying only felt that she was about to explode at any time.

call!

Hearing this, Yue Feng took a deep breath and gently comforted: "Yingying, don't be afraid, I won't let you have any trouble." While speaking, Yue Feng's mind quickly turned, thinking about the countermeasures.

What made him depressed was that the power in Ren Yingying's body was not only powerful, but also very strange. In a short period of time, it was difficult to find a way to deal with it.

Whoosh! Whoosh! Whoosh....

just when Yue Feng was secretly anxious, he heard a wave of auras coming from outside the hall. Hundreds of thousands of sect masters crossed the stone bridge and gathered outside the hall.

I saw that these sect masters were all very embarrassed, some were injured, some were covered in blood, and they were affected by the power of the ancient tomb before. These sect masters killed each other, and the casualties were very heavy.

At this time, the power that enveloped the entire ancient tomb was absorbed by Ren Yingying, and these people also woke up.

Mad, how did these people cross the stone bridge?

Seeing this, Yue Feng frowned secretly.

In the next second, Yue Feng thought of something.

Obviously, after Ren Yingying absorbed the power of the beads, not only did the power shrouded in the entire ancient tomb disappear, but the mysterious stone formation on the stone bridge also lost its effect.

Swish!

Seeing the situation in the hall, everyone present was stunned.

what's the situation?

Why is this temple so empty? Also, how did Ren Yingying go crazy?

“Everyone!”

At this time, King Guangping endured the pain of the shock and shouted at the crowd: “You are about to kill Ren Yingying, the treasure of the Spirit Palace is in her body...”

Shuh!

Hearing this, everyone's eyes were locked on Ren Yingying, all of them like dormant beasts, waiting for an opportunity.

These sects came here from thousands of miles to snatch the treasures in the ancient tombs. At this time, they learned that the treasures were on Ren Yingying, how could they miss them?

Mad!

Seeing this, Yue Feng clenched his fists tightly, and the anger in his heart rose.

This King of Guangping is really despicable and sinister. He wants to incite everyone to besiege me and Yingying?

Chapter 3885

Under the anger, Yue Feng looked around and said coldly: "Whoever doesn't want to die, just come up." The

loud voice spread throughout the ancient tomb, and everyone only felt the eardrum buzzing, and their hearts were buzzing. Even more shocked.

This Yue Feng is indeed a person who is famous in Kyushu, and his skills are too deep.

Under the shock, everyone present looked at me, I looked at you, and no one dared to be the first to rush.

"Yue Feng!"

At this moment, a cold voice came, and then, only the people outside the door gave way and saw Gong Ao walking step by step.

I have to say that Gong Ao's aura was very strong, and when he appeared at this time, the audience instantly became quiet.

Gong Ao?

Seeing Gong Ao, Yue Feng frowned, and then sneered: "As a special envoy of the Divine Realm, wouldn't you also care about the treasures of this ancient tomb?" As

he spoke, Yue Feng observed Ren Yingying's situation.

I saw that Ren Yingying's face was flushed at this time, her eyes were blurred, and it was obvious that she was going to be unable to hold it.

In the face of Yue Feng's mockery, Gong Ao did not respond, but carefully observed Ren Yingying.

Um?

In the next second, feeling the power in Ren Yingying's body, Gong Ao's face changed, very shocked.

The power of the demon soul?

Everyone present only knew that the power contained in Ren Yingying's body was very terrifying, and they knew nothing about his origin, but Gong Ao came from the realm of the gods, and he sensed it at once.

While shocked, Gong Ao also had some doubts in his heart.

Isn't that Demon Lord Gone sealed in the ghost world? Why is there still the power of the demon soul in Chiyou's ancient tomb?

Confused, Gong Ao no longer thought about it, but looked at Yue Feng seriously: "Yue Feng, let's not mention Luo Jue's death for now, there is a more important matter that requires you to make a decision. "

Decision?

Hearing this, Yue Feng frowned and said coldly, "What do you want to say?"

Gong Ao pointed at Ren Yingying and said word by word, "The power in her body is the devil's soul, and the devil's soul is the power of the devil. The source, when you were in the realm of the gods, you saw with your own eyes the Demon Lord Gone was sealed by the ancestors of the prehistoric wilderness, you should know what the demon soul represents."

"Although she is your woman, once she successfully fuses the demon soul, it will change. Cheng Mo, as the Nine Heavens Profound Sage, you should kill her immediately."

"As long as you kill her, even if you commit the crime, I believe that His Majesty the Nine Heavens will not blame you for Luo Jue's affairs."

Saying this At the time, Gong Ao looked serious.

Whoa!

At this moment, the audience was in an uproar.

"What is a demon soul in Ren Yingying's body?"

"What is a demon soul?"

Yue Feng was also stunned in the discussion.

Is there a demon soul in that bead? How is this possible? This is the ancient tomb of Chiyou, how could there be a demon soul?

Muttering in his heart, Yue Feng sneered at Gong Ao: “Gong Ao, stop talking nonsense to me, what kind of demon soul? You are just alarmist.” With that, Yue Feng

stood in front of Ren Yingying with a determined expression: “I have me today. Now, no one wants to touch Yingying’s finger.”

Yingying is the woman she loves deeply, how could she kill her with her own hands?

call! Hearing this, Gong Ao took a deep breath and said sternly

: “Yue Feng, I gave you advice, but if you don’t listen, then I can’t do anything!”

The sect master said: “Everyone, the demon soul is extremely evil. Once this woman is successfully merged, the rivers and lakes of Kyushu will be a bloody storm. Please all the rivers and lakes, and cooperate with the Tiandao Alliance to eradicate this threat.”

The

voice fell, and everyone around looked at each other, and then nodded. go along.

“It is my duty to eliminate demons and guard the way.”

“Yes, we are obliged!”

Everyone said to me, and they all looked righteous and dignified. In fact, they didn’t really want to help, but wanted to To snatch the demon soul.

After all, the power contained in this demon soul is too strong, who wouldn’t be moved.

## **The ultimate husband in Chinese chapter 3886-3890**

Chapter 3886

“Yue Feng!”

Seeing this situation, Gong Ao showed a smile: “See, you bless the demons and violate the way of heaven, and you are already the target of public criticism. I know you are very powerful, but you alone can stop it. The Jianghu sect living in the field?” After the

voice fell, Gong Ao’s inner strength exploded and charged directly towards Yue Feng.

Wow...

At the same time, the surrounding sect masters also came to besiege Ren Yingying.

“Go away!”

Seeing Gong Ao rushing towards him, Yue Feng couldn't be bothered to talk nonsense, so he shouted angrily, and slapped him towards him.

boom!

In the next second, Gong Ao and Yue Feng touched their palms, and with a loud noise, Gong Ao's figure was shaken back several dozen meters, while Yue Feng stood proudly, as steady as a rock.

Repel Gong Ao with one palm, Yue Feng didn't have time to think about it, turned around and hugged Ren Yingying, rushing directly towards the outside of the spirit hall.

call!

At the moment of rushing out of the spirit hall, Yue Feng waved his hand and released the heavenly sparrow spirit flame, forming a crimson wall of fire behind him.

hiss!

What a terrifying flame... In an

instant, whether it was Gong Ao or the sect masters around, all of them had solemn expressions, and they could feel that the crimson flame was extremely hot!

This chapter is provided by . Visit for daily update.

In horror, Gong Ao and the masters of the sect diddged back one after another. However, taking advantage of this opportunity, Yue Feng had already left the tomb with Ren Yingying in his arms.

To be honest, with Yue Feng's current strength, he is not afraid of Gong Ao and these sects at all, but the situation of Ren Yingying is unknown, and Yue Feng does not dare to fight.

boom!

Seeing that Yue Feng successfully escaped, Gong Ao's face was extremely ugly.

"All disciples of the Tiandao League obey the order." A cold voice came from Gong Ao's mouth: "Yue Feng blesses

the demons, betrays the realm of the gods, and after leaving the ancient tomb, you can follow me to clear the Ouyang family."

Yue Feng, who wiped out the Ouyang family, returned to God's Domain, and could also give an explanation to the Nine Heavens God.

“According to the order!” The

voice fell, and the disciples of the Tiandao League who were present responded with a bang.

...

the other side.

At the foot of Qingcheng Mountain, at the entrance of the secret road of ghosts, two figures stood quietly, a man and a woman.

The men are handsome and unrestrained, and the women are charming.

It was Bai Yunfei and Ji Hongshang.

“Sect Master!”

At this moment, Ji Hongshang smiled all over his face: “I got the news just now that the major sects have rushed to the Tianqi Emperor’s Mausoleum. It is said that Chiyou’s tomb is now alive, and Yue Feng and the Ouyang family also went.”

Hearing this, Bai Yunfei felt extremely relieved: “Okay, this is a god-send opportunity, this time, I will be able to successfully rescue Your Excellency Mozun.”

When he said this, Bai Yunfei looked confident.

The last time it was because of Yue Feng, it fell short. At this time, Yue Feng was in the ancient tomb of Chiyou, and he couldn’t take into account the ghost world at all.

Ji Hongshang was also full of smiles, and respectfully said: “I wish the sect master a triumphant return!”

Bai Yunfei laughed loudly, and then entered the road of attracting souls.

.....

At this moment, Yue Feng is here.

Yue Feng hugged Ren Yingying and rushed out of the ancient tomb. He ran all the way, not knowing how far he ran, and finally reached a forest. He was relieved to see that Gong Ao and the people from the major sects did not catch up behind him.

“Yingying!”

Yue Feng put Ren Yingying on the grass, his face full of worry: “How are you?”

## Chapter 3887

“Yue Feng.”

Listening to Yue Feng’s cry, Ren Yingying said softly: “I’m so uncomfortable, I feel like I’m going to die...”

When saying this, Ren Yingying was dripping with sweat and extremely weak. Those eyes are even more bloody red, which is indescribably scary.

“Don’t be afraid!”

Seeing this situation, Yue Feng was very distressed. He hugged Ren Yingying in his arms and comforted him: “Yingying is not afraid, I will help you integrate the power in the body!” After

saying that, Yue Feng supported Ren Yingying Done, then put both hands on Ren Yingying’s back, ready to help her integrate strength.

Um?

However, what shocked Yue Feng was that the power in Ren Yingying’s body was not only very powerful, but also extremely evil, and completely repelled from the power of his own primordial spirit.

In this case, the power in Ren Yingying’s body, not only was not guided by Yue Feng, but confronted with Yue Feng’s power.

This is not over yet. At this time, Yue Feng can clearly sense that the power in Ren Yingying’s body is exactly the same as that of the ugly man who broke into the ghost world before, and it is very evil.

Demon soul!

Perceiving these, two words instantly appeared in Yue Feng’s mind.

Could it be.... what Gong Ao said before was true?

In the bead of Chi You Lingdian, is the power of the devil contained?

call!

After being shocked for more than ten seconds, Yue Feng reacted and looked at Ren Yingying’s eyes with a bit of complexity and love: “Yingying, no matter what the power in your body is, I will never leave you.”

“I can’t help you integrate this power, you can only rely on yourself, but I will always be with you...” As

he said, Yue Feng sat next to Ren Yingying and helped her protect the law.

.....

On the other side, the Ouyang family.

In the hall, Sun Dasheng kept walking around with an anxious look on his face.

A vision appeared in the Apocalypse Continent, Yue Feng and Wen Chou Chou all went, and Sun Dasheng stayed in the Ouyang family at this time.

Not being able to follow everyone, Sun Dasheng was very depressed, and at this time, Yue Feng and Wen Chou Chou had been walking for several hours, and there was no news back, and Sun Dasheng couldn’t sit still.

“Boom!”

At this moment, a loud noise suddenly came from outside! The gate of the Ouyang family was instantly razed to the ground!

“What’s the situation?”

Sun Dasheng frowned and walked out quickly.

When he got outside, seeing the scene in front of him, Sun Dasheng was instantly furious!

I saw that the gate of the entire Ouyang family was directly shattered into powder, and outside, tens of thousands of disciples of the Heavenly Dao League were densely gathered.

Above these Tiandao League disciples, a figure hovered proudly, wearing golden armor, holding a golden spear, and the whole body was filled with suffocation, as if killing a god!

It is Gong Ao!

Seeing this scene, Sun Dasheng was furious and shouted at Gong Ao: “Who are you?”

Gong Ao sneered, with contempt in his eyes: “I am Gong Ao, the commander in front of the Nine Heavens Temple, this time down, Mainly responsible for investigating the case of Luo Jue’s murder. “

What?

Luo Jue is dead?

Hearing this, Sun Dasheng was stunned.

At this moment, Gong Ao continued: "I have found out that Luo Jue was assassinated by Yue Feng. Not only that, but Yue Feng also sheltered the demons and betrayed God's Domain. It was so outrageous that everyone got it and executed him!

", Gong Ao stared closely at Sun Dasheng: "So, this time, I am here to kill your Ouyang family and break the root of Yue Feng."

What?

At this moment, both Sun Dasheng and the Ouyang family members present were all stunned. At the same time, they were also secretly shocked when they felt Gong Ao's breath.

Chapter 3888

This guy from God's Domain is very strong.

And Sun Dasheng was extremely frightened.

Mad, Fengzi stands tall, how could it be possible to assassinate Luo Jue and protect the demons? The Gong Ao in front of him must be talking nonsense.

Thinking to himself, Sun Dasheng frowned and glared at Gong Ao: "You are not bloody, and you are so bright, how could you do these things? I think you are deliberately looking for trouble." After speaking

, Sun Dasheng stared at Gong Ao: "Think about it. Destroy the Ouyang family, I'm afraid you don't have the ability!"

Om!

The voice fell, and a tyrannical aura erupted from Sun Dasheng's body! At the same time, a touch of golden light flickered, and the Heaven-Opening Axe was tightly held by him!

Immediately, the figure of Sun Dasheng broke out and went directly to Gong Ao.

To be honest, Sun Dasheng knew that Gong Ao in front of him was very strong, but he had a hot personality.

“Beyond one’s own strength!”

Seeing the explosion of Sun Dasheng, Gong Ao chuckled, his eyes full of contempt: “Today is the day when the Ouyang family is destroyed, and those who stand in my way will die!”

The moment the words fell, Gong Ao’s spiritual power exploded. , the golden gun suddenly waved in his hand!

hum!

A dazzling light burst out and burst towards Sun Dasheng.

Sun Dasheng frowned, not daring to underestimate the enemy, and hurriedly waved the Heaven-Opening Axe, bursting out a golden beam to meet him.

boom!

In the next second, the two rays of light collided, and there was only a loud noise. Sun Dasheng’s face was pale, and the volley was knocked back dozens of meters, but Gong Ao was suspended there proudly, not moving at all.

Although Sun Dasheng was powerful and possessed an axe to open the sky, Gong Ao’s background was not comparable to him at all. After all, Gong Ao came from the realm of the gods.

Mad!

Sun Dasheng stabilized his figure, looked at Gong Ao closely, and was furious.

This Gong Ao is worthy of being from the realm of the gods, and his strength is too strong!

At the same time, the expressions of the Ouyang family disciples below were also extremely horrified.

“Haha!”

In the face of Sun Dasheng’s glare, Gong Ao sneered: “I can’t see that you still have a magical weapon like the Kaitian Axe. It’s a pity that you have a magical weapon in your hands, and you can’t change the destruction of the Ouyang family. The end.”

Hearing this, Sun Dasheng blushed and was about to rush up again.

“Sun Dasheng, don’t be impulsive, we will help you.”

However, at this moment, a coquettish shout came from not far away, and then, several slim figures came quickly.

It is the eight saintess Huanxiang and Ziyan.

Seeing the eight magic fragrances, Sun Dasheng's expression was overjoyed, and the whole person was extremely excited!

With the Nine Heavens Saintess to help out, I am not afraid of this Gong Ao.

In the Tiandao League, the eight saintess Huanxiang and Ziyan left with Yue Feng, and then temporarily lived in the Ouyang family. Just now, the eight saintess were practicing in the secret room. When they heard the movement outside, they rushed over immediately.

Swish!

At this moment, seeing the eight saintess, Gong Ao's face instantly became gloomy.

At this time, Huanxiang was the first to speak: "Master Gong Ao, Luo Jue's death must be a little strange, Yue Feng acted brightly, how could he assassinate Luo Jue?"

"As for blessing the demons, there is no way to talk about it."

On the way here, Huanxiang heard Gong Ao's words and spoke for Yue Feng at this time.

As soon as the words fell, Zi Yan and the other saintess also nodded.

"Shut up!" The

voice fell, Gong Ao glared at Huan Xiang, and shouted: "You Nine Heavens Saintess, you should have helped Luo Jue to deal with the matters of the Tiandao Alliance, but now you betrayed the Tiandao Alliance and colluded with Yue Feng. , Today, I will get rid of you traitors for God's Domain."

Chapter 3889

Om!

The voice fell, Gong Ao's inner strength exploded, and a terrifying aura swept out from the whole body, and the surrounding air seemed to be stagnant in an instant! At the same time, the golden spear in his hand also flashed a dazzling light!

call!

Feeling Gong Ao's explosive breath, Huanxiang's delicate face was full of solemnity, and she said tenderly: "Sisters, this is the end of the matter, it's useless to talk more, let's go together."

"It is clear that God Domain will not easily bypass himself and other sisters, and it is useless to talk about Gong Ao at this time."

Whoa!

As soon as the words fell, Zi Yan and the other saintess nodded one after another, and then moved their figures to surround Gong Ao together with Huan Xiang.

At this time, in the hearts of the eight saintess of Huanxiang, since they chose to stand on Yue Feng's side, they must not allow Gong Ao to do whatever they want in the Ouyang family.

"Very good!"

Looking at the eight saintess of Huanxiang, who surrounded him in groups, Gong Ao did not panic at all, but a trace of contempt appeared on his face: "You blatantly helped the Ouyang family, and you dare to say that you did not rebel?"

"Even if you go together, it won't change the fate of the Ouyang family." The

voice fell, Gong Ao clenched the golden spear, and the terrifying power erupted again, the golden spear flipped in the air and stabbed directly at Huanxiang and Ziyan in front of him.

As soon as he saw where the golden spear had passed, the air was suddenly torn apart, and lightning flashed rapidly, which was amazing.

Phew...

Seeing this scene, the disciples of the Ouyang family below couldn't help sweating for the two Huan Xiang.

Sun Dasheng clenched his fists even more, his eyes blood red.

"Don't be mad!" In the

next second, Sun Dasheng shouted, and his figure erupted, waving the opening axe, and in front of Huanxiang and Ziyan, a protective film was condensed in an attempt to block the blow.

Seeing this scene, Huanxiang's tender body trembled, and she said: "Dasheng, don't come here."

Although Sun Dasheng's strength is strong, compared with Gong Ao, he is completely different from heaven and earth.

It's just too late!

"Boom!"

At the moment when the protective layer was formed, Gong Ao's golden spear slashed fiercely, and saw that the protective film instantly collapsed. Sun Dasheng was even more shocked, and he spit out a mouthful of blood, and his body fell heavily.

Gong Ao's face was full of arrogance, and he gave Sun Dasheng a contemptuous look: "It's beyond your own power!"

As he spoke, Gong Ao's figure burst out, and he fought fiercely with the eight saintess of Huanxiang in mid-air.

At the same time as the fierce battle, Gong Ao did not forget to issue an order to the surrounding Tiandao League disciples: "The Tiandao League obeys the order and destroys the Ouyang family, leaving no one behind!"

Before Yue Feng came back, he must make a quick decision.

"Kill!"

After receiving the order, tens of thousands of Heavenly Dao League elites howled and swarmed.

"Ah..."

Before many Ouyang family disciples could react, they screamed and fell in a pool of blood.

Seeing this scene, Sun Dasheng struggled to get up from the ground, his eyes were blood red, and he howled loudly: "Defend the Ouyang family!"

Under the encouragement of Sun Dasheng, the surrounding Ouyang family disciples were also crazy at this time, all eyes Blood red, fought fiercely with the elites of Tiandao League.

Speaking of which, the disciples of the Ouyang family are not low in strength, but Gong Ao came prepared this time. These tens of thousands of elites of the Heavenly Dao League were carefully selected.

In this case, the Ouyang family was completely suppressed and beaten.

“Haha... Today’s killing is really enjoyable...” During the fierce battle, a figure kept laughing wildly, waving the long sword in his hand, like a tiger entering a flock, the disciples of the Ouyang family fell one after another.

It was Guo Dong.

“Sun Dasheng, didn’t you expect such a day?” Guo Dong smiled and walked towards Sun Dasheng slowly.

If it was before, Guo Dong would not dare to be so presumptuous in front of Sun Dasheng. After all, the other party has the opening axe and his strength is terrifying, but now it is different. Sun Dasheng was shocked by Gong Ao twice and was seriously injured.

Guo Dong had suffered losses at the hands of Sun Dasheng, and at this time, he took the opportunity to take revenge.

"Don't come here!" Sun Dasheng's expression changed and he shouted.

My wife is not a cultivator, so rushing over like this is too dangerous.

"Tsk tsk..."
