

The ultimate husband in Chinese chapter 3901-3910

Chapter 3901

“Haha...”

Gonie looked at Su Qingyan up and down, watched it for more than ten seconds, and laughed with satisfaction: “I didn’t expect that this kid Bai Yunfei is so efficient in his work, in less than a day, Not only did he recruit enough 72 boys and girls, but he also managed to find a pure yin body with the most yin and softness.”

“Yes, haha.... not bad!”

When he said this, the Demon Lord Gone laughed wantonly , in a very happy mood.

It was a coincidence that Su Qingyan was the body of pure yin, and at this time, the Demon Lord Gone thought that Su Qingyan was brought to him by Bai Yunfei.

“You...”

Feeling the sinister aura from Gone, Su Qingyan’s body softened, and her voice trembled: “You... Are you a human or a ghost?”

With so many corpses around, There is also a pool of blood.

This is simply the devil of hell.

Hearing the question, Gone smiled evilly: “I am neither a human nor a ghost, I am the Demon Lord Gone.” Demon Lord

?

Hearing this, Su Qingyan was stunned, only to feel that her mind went blank.

What is the devil?

Seeing her expression, Gone said slowly: “It seems that you don’t know my identity, but it doesn’t matter, you will find out later, anyway, your pure yin body will be merged with me, how can I let you die You have to understand.”

After speaking, Gogne explained his origins and the things he needed to reshape his body in detail.

This chapter is provided by . Visit for daily update.

At the end of the story, Gone looked at Su Qingyan with a half-smiling smile: "It is the greatest honor of your life to help me reborn with your pure yin body.

"

Knowing the cause and effect, Su Qingyan couldn't help taking a deep breath.

The origin of the other party is so terrifying.

At the same time, Su Qingyan also suddenly realized that, it turned out that Bai Yunfei let himself follow him before, not because he liked him, but to give himself to Demon Venerable.

At this time, Su Qingyan didn't know that Bai Yunfei never thought of sending her out. It was a complete coincidence that she broke into this secret room by mistake and was spotted by Gone.

"Gududu!"

Just when Su Qingyan was in a panic, she saw a boiling sound coming from the blood pool, and then, the bloody smell in the secret room became more intense.

hum!

At the same time, a powerful aura erupted from the sealing magic mirror and shrouded Su Qingyan directly, accompanied by Gone's laughter: "Since you're here, don't leave, be nice here. Let's accompany the deity...haha!"

Su Qingyan's face turned pale and panicked as she felt the powerful breath of Gone.

No, I must not die here.

Thinking about it, Su Qingyan urged her inner strength, her delicate body flashed, and she rushed towards the outside.

Su Qingyan's strength is considered to be a peak powerhouse in the entire Kyushu, and his speed is very fast, and he is outside the secret room in a blink of an eye.

"Who is it?"

At this time, the disciples of the Five Poison Sect who were guarding outside were startled one after another. Seeing Su Qingyan rushing out of the secret room, they were all stunned, and then they all gathered around.

"Get out of here!" A

cold voice came from Su Qingyan's mouth, and in the next second, a powerful breath burst out from Su Qingyan's body, and in an instant, it rushed to the five poisons in front of him. The disciple of the sect was directly shocked and flew out.

hiss!

Seeing this scene, the other Five Poison Sect disciples present were all stunned.

what's going on? Isn't this Su Qingyan a distinguished guest? How do you turn your face away?

"What's the situation?"

At this moment, a low voice came, and then, a man and a woman came quickly.

Chapter 3902

It is Bai Yunfei and Ji Hongshang!

The next second, seeing the surrounded Su Qingyan, Bai Yunfei's heart sank, and the secret thought was not good. This Su Qingyan must have broken into the secret room of His Excellency Mozun at night.

Thinking to himself, Bai Yunfei said with a fake face: "Qingyan, what's the matter? Why did you fight with the disciples of the Five Poison Sect? This is all my own."

As soon as she finished speaking, Su Qingyan couldn't help it. Jiao shouted: "Bai Yunfei, you don't have to pretend, you said that you kept me by your side because you love me, but in fact you want to give me to Demon Venerable."

"You are too insidious, I want to leave here, go back Go to the Ouyang family and announce your conspiracy to the public!"

After saying the last sentence, Su Qingyan's figure was light, like a night elf, suddenly flying up, trying to break out of the Five Poison Sect's encirclement.

At this time, Su Qingyan felt very regretful in her heart.

When she promised to leave with Bai Yunfei, in addition to keeping her promise, Su Qingyan believed that although Baiyun Fei was both righteous and evil, it was not a big evil.

But when she saw that Demon Lord Gone just now, Su Qingyan realized that she was very wrong.

Bang bang bang...

Su Qingyan's strength is tyrannical, and the surrounding disciples of the Five Poison Sect were shaken to the ground before they could react.

Seeing this scene, Bai Yunfei didn't have time to think about it, his figure burst out and shot to stop Su Qingyan.

In the beginning, Su Qingyan was able to deal with it easily, but gradually it became unbearable. Within a few rounds, Bai Yunfei found an opportunity and quickly clicked on Su Qingyan's acupoint.

In an instant, Su Qingyan's delicate body trembled, unable to move at all.

Although Su Qingyan is very powerful, he is still inferior to Bai Yunfei. After all, Bai Yunfei has a demon soul in his body, which is not something that a human cultivator can compete with.

"Qingyan!"

At this time, Bai Yunfei had a complicated face and walked slowly to Su Qingyan: "It's not what you think, I really like you, and I never thought of handing you over to Demon Venerable. Your Excellency."

After speaking, Bai Yunfei couldn't help but ask, "What did you see when you entered the secret room just now?"

When asking these questions, Bai Yunfei was very curious.

Why did Su Qingyan say that she was going to give her to Demon Venerable?

However, Su Qingyan bit her lip tightly and did not respond, her attitude was very indifferent.

Bai Yunfei had no choice but to instruct Ji Hongshang: "Take her down first!"

"Yes, Sect Master!"

Ji Hongshang responded and asked the disciple to hold Su Qingyan down.

call!

Seeing Su Qingyan being taken away, Bai Yunfei took a deep breath and hurriedly walked into the secret room.

Su Qingyan refused to say, Bai Yunfei had no choice but to go in and ask the Demon Lord Gone.

This...

The moment he entered the secret room, Bai Yunfei was stunned, and he sensed that the secret room was filled with an incomparably rich bloody aura, and on the magic mirror in the blood pool, Gone's face, looked extremely ferocious.

"Bai Yunfei!"

Seeing Bai Yunfei coming in, Gone's eyes flashed with urgency: "Did that woman catch her?"

Woman?

Hearing this, Bai Yunfei was stunned for a moment, then realized that Gone was talking about Su Qingyan, and his mood suddenly became complicated: "That... Your Excellency Mozun, what happened before?"

Gone said lightly, "Didn't you capture that woman with a pure yin body just now and present it to me? Why did you ask me what happened?"

What?

At this moment, Bai Yunfei's heart trembled, his brain buzzed, and his whole body was covered.

Su Qingyan is a pure yin body?

Speaking of which, with Bai Yunfei's strength, it is easy to detect Su Qingyan's physique, but he loves Su Qingyan, and out of respect, he has never explored Su Qingyan's physique.

Chapter 3903

Therefore, knowing that Su Qingyan is a pure yin body at this time, Bai Yunfei was extremely shocked.

After being stunned for more than ten seconds, Bai Yunfei came to his senses and said with a smile: "Your Excellency Mozun, you misunderstood, that woman just now is my confidante, her name is Su Qingyan, she accidentally entered by mistake. Come in."

Confidante?

Hearing this, Gone's face darkened.

Seeing the change in Gone's expression, Bai Yunfei's heart tightened, and he became inexplicably nervous, and quickly said: "Your Excellency Mozun, it will take you six days and six nights to leave your sunglasses!"

"During these six days, I will definitely help you find the body of pure yang and the body of pure yin. As for that Su Qingyan, please ask Your Excellency Mozun to let her live."

"Huh?"

At this moment, Mozun's expression did not fluctuate, and his eyes flickered. , just stared at him so lightly: "Bai Yunfei, do you like that Su Qingyan very much?"

This...

Hearing the question, Bai Yunfei was inexplicably flustered, and nodded his head: "Yes... Yes..." As soon as he finished speaking

, Gone's face was extremely gloomy, and he scolded: "Have you forgotten your identity and mission? You are a descendant of demons, how can you be greedy for the beauty of human women?!"

Here, Gone stared at Bai Yunfei, his eyes spitting fire: "Also, Ben respects the body shaping, it's very important, are you sure that within six days, you can find another woman with a pure yin body?"

"I..." Bai Yunfei was sweating profusely, lowered his head, and was full of fear: "Then what your Excellency means..."

Phew!

Before he could finish speaking, Demon Lord Gone took a deep breath and said coldly, "Bring Su Qingyan to see me immediately, she is a pure yin body, and she took the initiative to break in just now. This is God's will."

What?

In an instant, Bai Yunfei's face changed greatly, and he said anxiously: "Your Excellency Mozun, this..."

Before he finished speaking, Gone interrupted coldly: "What? You don't want to?"

At this moment, Bai Yunfei only felt His mind was buzzing, and he responded in a low voice unwillingly: "This subordinate... this is not what this subordinate means..."

At this time, Bai Yunfei was in a mess. Seeing the goddess you are in love with, why are you willing to give it to Your Excellency Mozun?

But... Your Majesty's order cannot be violated.

Confused in his heart, Bai Yunfei opened his mouth and said, "That's it, that Su Qingyan left the secret room just now and ran away, and his subordinates failed to intercept it.."

When he said this, Bai Yunfei looked serious, but said no in his heart. Out of anxiety.

Lying to deceive Your Excellency Demon Venerable, but it's a big treason, but there is no other way, only to say that Su Qingyan escaped.

Ran away?

Hearing Bai Yunfei's words, Gone's face changed, and he said lightly, "If that's the case, you can just take her back. You have a demon soul, and I believe you have this strength."

After that, Gone pondered. Going down, he continued meaningfully: "Bai Yunfei, there is a saying among human beings, called 'beautiful calamity', I hope you don't go astray and let the deity down! Alright, let's go, get me back quickly.

" Yes, Your Excellency Mozun!"

Bai Yunfei responded with a bitter heart, and slowly exited the secret room.

The night outside was as cold as water, but Bai Yunfei's mood was extremely heavy.

How to do?

Do you really want to give Su Qingyan to Your Excellency Mozun?

"Sect Master!"

At this time, Ji Hongshang, who had been guarding outside, saw Bai Yun flying out, and hurried up to meet him, respectfully: "What happened? Sect Master's face is so ugly?"

Chapter 3904

Bai Yunfei glanced back at the secret room, did not respond, but walked quickly to the front hall.

Ji Hongshang's delicate face was full of doubts, so she quickly followed.

Soon, at the front hall, Bai Yunfei asked, "Where's Qingyan?"

"In the room!" Ji Hongshang quickly responded, "She was tapped by the sect master, and I sent many disciples to guard outside the door. I shouldn't be able to run."

Hearing this, Bai Yunfei nodded.

The next second, Bai Yunfei suppressed the depression in his heart and said in a low voice, "Su Qingyan has a pure yin constitution, which has been favored by Your Excellency Mozun, and needs to be reborn with her constitution."

What?

Ji Hongshang's delicate body trembled, and she was stunned.

Soon, Ji Hongshang reacted and said in a complicated tone: "The sect master agreed? But... Su Qingyan is the woman that the sect master likes!"

Bai Yunfei smiled bitterly, feeling irritable: "I like Su Qingyan. Qingyan, what can I do? I can't disobey the order of Your Excellency Demon Venerable."

At this time, Bai Yunfei was extremely tangled in his heart.

He didn't want to dedicate Su Qingyan to the Demon Lord Gone, but he couldn't let her go, because Su Qingyan already knew her plan. Once she was returned to the Ouyang family and the matter was completely exposed, it would be a big trouble.

After all, it still takes six days and six nights for Demon Venerable to get out of the sealed magic mirror. If anything goes wrong during this period, all the previous efforts will be in vain.

"Sect Master!"

Seeing the anxiety on Bai Yunfei's face, Ji Hongshang couldn't help but say: "You don't have to worry too much, my subordinates have come up with a way to save Su Qingyan's life and give an explanation to Your Excellency Mozun."

Bai Yunfei's eyes flashed, and he quickly asked, "What can I do?"

Ji Hongshang showed a smile and said slowly, "We will find a woman who looks similar to Su Qingyan, kill it, and bring it to Your Excellency Mozun. Go and see."

"Your Excellency Mozun knows that someone is dead, so he will definitely stop thinking. Moreover, Your Excellency Mozun is still trapped in the sealed magic mirror at this time, and he won't spend energy to perceive whether a female corpse is pure Yin or not. body."

When saying this, Ji Hongshang's face was full of confidence.

Huh...

Hearing this, Bai Yunfei felt instantly relieved, nodded approvingly and said, "Okay, this trick 'stealing the sky and changing the sun' is really good."

After speaking, Bai Yunfei thought of something again and frowned: "But if you do this, what should I do with Qingyan? As long as she is by my side, Your Excellency Mozun will know it sooner or later!" As soon as she

finished speaking, Ji Hongshang couldn't help laughing: "I also thought of this, to be honest, Five miles northwest of the main altar of the Five Poison Sect, there is a Tianxiang Valley, surrounded by mountains, with a beautiful environment and a very hidden location. It is difficult for outsiders to enter."

"If the sect master wants to keep Su Qingyan by his side forever, the only solution is to abolish Su Qingyan's dantian inner strength, and then imprison her in the Tianxiang Valley. In this way, you will not be afraid of Su Qingyan running out. If you don't talk about this, I won't talk about it. Your Excellency Mozun will never know, you still have Su Qingyan's life."

At this

moment, Bai Yunfei frowned and fell silent.

Ji Hongshang's method is indeed feasible, but if she does this, Su Qingyan will lose her freedom for the rest of her life.

Seeing Bai Yunfei's hesitation, Ji Hongshang continued: "Sect Master, this is the only way to get the best of both worlds. Although it is against your intention to imprison Su Qingyan, it is better than giving her to Your Excellency Mozun."

Huo ...

Hearing this, Bai Yunfei was sure, nodded and said: "Okay, just do as you said." After speaking

, Bai Yunfei ordered: "The woman who will replace Su Qingyan will be handed over to you!"

"Sect Master Don't worry!" Ji Hongshang responded, and then quickly walked out of the room.

Seeing Ji Hongshang walking away, Bai Yunfei took a deep breath and went directly to the room where Su Qingyan was imprisoned.

Chapter 3905

Soon, when I arrived at the door of the room, I saw dozens of disciples of the Five Poison Sect guarding outside.

Bai Yunfei looked indifferent and waved his hand: "You all step back."

Whoa!

The voice fell, and dozens of disciples of the Five Poison Sect walked away cleanly.

At this time, Bai Yunfei pushed open the door and entered, and saw Su Qingyan sitting on a chair, with her hands and feet bound, with anger and panic on her delicate face.

"Bai Yunfei!"

Seeing Bai Yunfei coming in, Su Qing's smoke didn't blow, and she said coldly, "What are you going to do? If you want to kill me, do it as soon as possible, otherwise, let me go immediately. ."

Alas!

Facing Su Qingyan's anger, Bai Yunfei was very helpless and sighed: "Qingyan, the matter of Demon Venerable is no trivial matter, that's why I keep hiding it from you. Now that you know, I won't let you go. , I asked you to report to Yue Feng."

After speaking, Bai Yunfei's face became solemn: "Also, I never thought of giving you to Your Excellency Mozun first, but you happened to be a pure yin body, and you broke in late at night. Mozun's secret room, this caused a misunderstanding, making Mozun think, I want to dedicate you to him."

Hearing this, Su Qingyan calmed down and frowned, "Then what are you going to do with me?"

Bai Yunfei showed a complicated smile: "Don't worry, I won't dedicate you to Your Excellency Mozun, but at the same time I won't let you go, so I can only wrong you!"

Su Qingyan is a smart woman, hearing this After speaking, I suddenly had a bad feeling in my heart.

hum!

At this moment, Bai Yunfei stopped talking nonsense, turned his power, and hit Su Qingyan's dantian with a palm.

At this time, Su Qingyan had been taped on acupuncture points, and her hands and feet were tightly bound, so she couldn't dodge at all. This palm was in the middle of her

dantian. At that time, Su Qingyan let out a pain, and her delicate face instantly turned pale.

Bai Yunfei's shot is very precise, and Su Qingyan is the goddess in his heart, so the strength of this palm is just right, while destroying the dantian, it does not hurt Su Qingyan.

"Bai Yunfei..."

At this moment, Su Qingyan's body trembled, she was furious, and her eyes looked at Bai Yunfei with incomparable resentment.

He...he actually abolished his dantian and cultivation.

Feeling Su Qingyan's anger, Bai Yunfei said slowly: "Qingyan, I was forced to do this, and only in this way can I ensure that you will continue to stay by my side." After

speaking, Bai Yunfei slowly came over, grabbed Su Qingyan's arm, urged the figure, flew into the air outside, and headed towards Tianxiang Valley.

"You...you let me go..."

"You devil, kill me." In the

air, Su Qingyan kept crying and struggling, but she lost her dantian and Xiuwei, and ordinary people undoubtedly cannot break free.

Bai Yunfei had a complicated face and never responded.

After ten seconds, Bai Yunfei saw Ji Hongshang on a mountain peak and immediately landed.

"Sect Master!"

At the moment of landing, Ji Hongshang hurried up to meet her and said respectfully, "The replacement woman has been found, and I will send someone to clean up this valley."

"Okay!" Bai Yunfei nodded.

Immediately, Ji Hongshang led the way and entered a hidden cave. Bai Yunfei took Su Qingyan and followed behind.

After walking for a few minutes, my eyes suddenly became clear, and a beautiful valley appeared. I saw that the valley was surrounded by steep mountain walls, almost ten thousand feet high, and the clouds were shrouded above.

Ji Hongshang is right, this valley is very hidden, even if the experts of the rivers and lakes fly through here and their vision is blocked by the clouds, they will not be able to find a valley here.

Su Qingyan was extremely sad and angry, and when she saw the place in front of her, her body trembled even more.

Why did Bai Yunfei take me to a place like this?

The ultimate husband in Chinese chapter 3906-3910

Chapter 3906

At this moment, under the guidance of Ji Hongshang, Bai Yunfei brought Su Qingyan to a quiet courtyard.

“Qingyan!”

Bai Yunfei let go of his hand, with a bit of apology in his eyes: “I know you blame me, but I have no other choice but to do it, I can’t let you go back to the Ouyang family, let alone put you back in the Ouyang family. Dedicated to Your Excellency Mozun, so I can only let you live here.”

“Don’t worry, I will always come to accompany you.”

After saying the last sentence, Bai Yunfei greeted Ji Hongshang to leave. Speaking of which, Bai Yunfei really wanted to stay here and accompany Su Qingyan for a while, but there were still many things that he needed to do by himself.

Done!

At this moment, Su Qingyan’s delicate body trembled, full of despair.

It turned out that Bai Yunfei planned to imprison himself.

Being imprisoned in such a place, it is better to die directly.

.....

the other side! Ouyang family!

In the hall, Yue Feng, Wen Xu, Ren Yingying and Chang’e were sitting there, all of them looking solemn and in a very bad mood.

After Bai Yunfei stole the magic mirror from the ghost world, Yue Feng sent people to inquire about Bai Yunfei’s news in the entire Kyushu. Now a day has passed, and he

has found nothing. Just now, Yue Feng checked the soul eater in Sun Dasheng and Wen Xiaoyu. Bloodworms.

And the result is still clueless.

Bai Yunfei and Su Qingyan disappeared, and Sun Dasheng and Wen Xiaoyu were in danger again. For a time, Yue Feng felt an unprecedented sense of frustration.

This chapter is provided by . Visit for daily update.

“Yue Feng!”

At this moment, Chang’e, who was sitting silently by the side, couldn’t help but speak to comfort: “Don’t worry, Zhu Bajie has already gone to invite Shennong, I believe he will come soon.”

Yue Feng nodded, this soul-devouring blood The insect was extremely sinister, and he had absolutely no choice but to pin his hopes on Shen Nong.

Just as he was talking, he heard Zhu Bajie’s laughter from outside: “Brother Yue Feng, I brought Shennong.”

Huh...

Yue Feng’s spirit was shocked, he quickly greeted him and went out, and he saw Zhu Bajie. He Shennong was walking slowly.

Seeing Shennong, Yue Feng was very excited and quickly greeted: “Senior Shennong!” Speaking of which, Yue Feng had studied medicine with Shennong, so he should be called Master, but Shennong didn’t care about these cumbersome etiquette, Yue Feng had to call senior.

Shennong nodded and exchanged a few words with Yue Feng, then began to check the situation for Sun Dasheng and Wen Xiaoyu.

For a while, the entire hall was silent.

Finally, Shen Nong finished his pulse, and his expression was very solemn.

Yue Feng hurriedly asked: “Senior, they are called soul-devouring blood worms in their bodies. I don’t know if the seniors have a way to save them.” When he said this, Yue Feng’s eyes were full of anticipation.

You must know that Shennong is an existence that has been named ‘Yaozu’. If he can’t solve it, it will really be over.

Swish!

At the same time, the eyes of Wen Chou Chou and the people around him also converged on Shen Nong.

Shen Nong pondered for a while, and said slowly: "When I was young, I once obtained an ancient book, which recorded the soul-devouring bloodworm, which was derived from the power of the devil's soul, and there is no way to crack it in the human world. " It's

over!

Hearing this, Yue Feng was struck by lightning, his mind went blank, and the only hope in his heart was instantly shattered.

The people around Wen Chou Chou looked even more gloomy.

At this moment, Shennong's words changed: "But it is not impossible to cure, in the realm of the gods, there is a kind of colored glass water, after taking it, it can dissolve the soul-devouring blood worms, but this colored glass water is dedicated to the Nine Heavens God. If you want to get a holy relic, it is almost as difficult as going to the sky."

Chapter 3907

Great! God's Domain has glazed water, which can save the great sage and Xiaoyu.

At this moment, Wen Chou Chou and Ren Yingying were extremely excited and excited, and at the same time, all eyes were focused on Yue Feng.

Yue Feng had been to God's Domain before, and he was still the Nine Heavens Profound Sage. There must be a way to get the glazed water.

Huh...

However, under the gazes of everyone, Yue Feng frowned and looked solemn.

This is troublesome. My relationship with the Nine Heavens God is not good, and I have been blamed for the assassination of Luo Jue before. More importantly, the great sage's wife, Li Nan, and the saintly daughter Zi Yan both died in Gong Ao's hands.

It can be said that at this time, Yue Feng and Divine Realm are already in a situation of hatred against each other. Going to Divine Realm in this situation is to throw themselves into the net.

Gotta figure out a way.

“Brother Yue Feng!”

Seeing Yue Feng’s bad face, Zhu Bajie couldn’t help but said, “Didn’t you go to God’s Domain before? What’s there to worry about? Didn’t the Tiandao Alliance build a lot of teleportation formations? Let’s go through together. The teleportation array enters the realm of the gods and finds the colored glaze water purification.”

“As long as the colored glazed purified water is obtained and the Great Sage and Xiaoyu are saved, it is not too late for us to seek revenge from Gong Ao.”

Zhu Bajie has a straightforward personality, and when he thinks of anything, he will say what.

The voice fell, and Chang’e, who was sitting opposite, also said softly: “Zhu Bajie is right, let’s enter the realm of the gods through the teleportation array, and then we will act according to the opportunity and get the glazed water.”

This time, Chang’e did not blame Zhu Ba . Keep your mouth shut. You must know that the Divine Realm is full of dangers, and Yue Feng alone will definitely not work.

Hearing this, Yue Feng did not respond, but fell into contemplation.

At this moment, Wen Chou Chou came over, reached out and patted Yue Feng’s shoulder: “Fengzi, Brother Zhu and Empress Chang’e are right, we just had a bad relationship with Divine Realm, you are too dangerous alone, it is better to have more people. Well, if you encounter a situation, you can also take care of it.”

Ren Yingying and the others also nodded in agreement.

call!

Yue Feng breathed a deep sigh of relief, looked around, and smiled: “I know you are worried about my safety, but I have to do this alone. If there are too many people, it’s easy to reveal where I am.”

Wow!

In an instant, there was an uproar in the hall.

At this moment, Wen Chou Chou wanted to dissuade him, but was interrupted by Yue Feng: “Brother Wen, you don’t understand the situation in the God’s Domain. There are patrolling soldiers everywhere, and there is nowhere to hide.”

When he said this, Yue Feng seriously.

In fact, there is another important reason that Yue Feng didn't tell, that is, the overall strength of God's Domain is too tyrannical. Although Wen Chou Chou is not weak, but there is no primordial spirit, going to God's Domain is to be abused.

For a while, the hall was silent, and everyone was extremely worried.

Finally, Ren Yingying couldn't help but said: "Yue Feng, are you sure you are going alone?"

"

It's too dangerous for him to go alone.

Yue Feng smiled and comforted: "Don't you believe me? I have a way to hide my identity!" After the voice fell, Yue Feng took out a bag from his body.

This is a bag of white powder, faintly glowing with fluorescence, which is very peculiar.

It is easy to disperse.

what is this?

Seeing the things in Yue Feng's hands, both Ren Yingying and everyone around were stunned. In the Kyushu Continent, Yi Rongsan is extremely rare, and there are very few people who have seen it, so everyone does not know it.

"I'll go!"

However, Zhu Bajie's eyes lit up, he strode over, stared at Yi Rongsan in Yue Feng's hand, and couldn't help but admire: "Yes, brother Yue Feng, this is a good thing. Do you still keep it?"

Others don't know Yi Rongsan, but Zhu Bajie is very familiar with it.

When Zhu Bajie and Yue Feng met for the first time, Zhu Bajie angered Yue Feng in order to let Yue Feng play with him. Later, Zhu Bajie used Yi Rongsan to pretend to be Emperor Hou Yi to win Yue Feng's forgiveness. .

At that time, Zhu Bajie had the last bottle of Yi Rong San left on his body and gave it to Yue Feng as a gift.

In Zhu Bajie's heart, that Yi Rong San was a non-renewable treasure. The bottle of Yue Feng should have been used up long ago, but he never expected that Yue Feng had gotten so much from nowhere.

Whoa!

Seeing Zhu Bajie's reaction, the whole hall was restless, and everyone's eyes were looking at Zhu Bajie curiously.

Ren Yingying couldn't help but ask, "Brother Zhu, what is this thing that deserves your surprise?"

Chapter 3908

"Haha..."

Zhu Bajie was excited, pointed at the powder in Yue Feng's hand and said: "This thing is called Yi Rongsan, it is a rare treasure, it can change a person's appearance when applied to the face. What? You don't know each other?"

What?

Hearing this, both Ren Yingying and Wen Chou Chou were all stunned and shocked.

Is there such a magical treasure in the world? Why haven't you heard it before?

At this time, Yue Feng explained with a smile: "According to my guess, this thing originally belonged to the God's Domain. Later, some of it lived on the Kyushu continent and was acquired by Big Brother Zhu by chance. So everyone doesn't know, and it's normal."

Said Then, Yue Feng looked around and continued: "My plan is very simple. I pretend to be Gong Ao and go to the Divine Realm to find a way to get the glazed water."

"Luo Jue just died and Gong Ao is busy rectifying the Heavenly Dao Alliance. So there is no chance to return to God's Domain, this is a good opportunity for me." The

last sentence fell, Yue Feng asked someone to bring a mirror, and then began to apply Yi Rong San on his face.

At this moment, the entire hall was silent, and everyone looked at it very strangely.

After two minutes, Yue Feng looked at himself in the mirror and said with a smile, "Okay." After saying that, he looked around with a smile on his face.

This...

At this moment, seeing Yue Feng's face, all present except Zhu Bajie were dumbfounded.

I saw that Yue Feng's face had changed to that of Gong Ao, it was exactly the same, and it was so ingenious that no flaws could be found.

Seeing everyone's reaction, Yue Feng was very confident. He used ventriloquism to imitate Gong Ao's tone and said, "How is it? No one doubts me, the special envoy of God's Domain, right?"

Haha...

When the words fell, Wen Chou Chou couldn't help laughing out loud, nodded at Yue Feng and said, "Fengzi, I didn't expect that you still have this skill, if that's the case, then you can go alone, but Be careful."

At first, I was worried that Yue Feng would be in danger by himself, but now Wen Chou Chou is more relieved when he sees him pretending to be Gong Ao.

Yue Feng nodded, and then said seriously: "The matter of Bai Yunfei and Mozun cannot be delayed. I guess that Mozun must be trying his best to get out of the sealing mirror, so we must find their whereabouts as soon as possible,"

heard Wen Chou Chou said this with a solemn expression: "Don't worry, I won't take it lightly, you can go to God's Domain with peace of mind! Leave it to me here."

After speaking, Wen Chou Chou thought of something, and continued: "And Su Qingyan, if there is any We will try our best to bring her back."

"Brother Wen, please!" Yue Feng responded, and then explained a few more words, and rushed directly to the teleportation formation of Tiandao Alliance.

Half an hour later, Yue Feng arrived at the main altar of the Tiandao Alliance.

The teleportation formation was on the mountain behind the main altar, but Yue Feng did not go directly, but took advantage of the night to enter the main altar.

It's just that it's not enough to change into Gong Ao's appearance. He also needs a golden armor. You must know that Gong Ao's status in the realm of the gods is not low, and the golden armor on his body is unique and cannot be imitated at all.

The only way is to sneak into Gong Ao's resting room and steal a set of golden armor, so that when he arrives in the God's Domain, he will not be suspected.

call!

After entering the main altar, Yue Feng was still a little nervous, but when he saw the situation in front of him, he breathed a sigh of relief.

As you can see, the entire Tiandao Alliance main altar is empty, and occasionally a group of patrolling disciples can be seen, which is an extreme contrast compared to the heavily guarded situation before.

Seeing this, the people from the Tiandao Alliance also went to search for the whereabouts of Bai Yunfei and Demon Venerable. After all, the realm of the gods and the demons are incompatible, and the matter of Bai Yunfei robbing the magic mirror from the ghost realm has spread all over Kyushu.

Thinking of this, Yue Feng's mood was instantly incomparable.

The defense of the main altar of the Tiandao Alliance is weak, and it has given him an opportunity to take advantage of it, God's will.

Muttering in his heart, Yue Feng probed into the main altar, walked for a few minutes, and when he arrived at a duty room, he heard a voice calling for a wine order.

"Haha... Today the special envoy of God's Domain is not here, we can finally drink!"

"Okay, don't talk nonsense, you lost just now, you have to drink three glasses

!

"

With a shout, Yue Feng walked over, and through the window, he saw a few elite disciples of the Heavenly Dao League inside, gathered around the wine table, sparring with high spirits.

It seems that this is the place where elite disciples rest, and Gong Ao's room should not be here.

Chapter 3909

Thinking, Yue Feng is about to leave. As a result, just at this moment, I saw a disciple, swaying out, obviously drinking too much, ready to go to the toilet.

At this moment, Yue Feng's eyes lit up.

I was wandering around the main altar of the Tiandao Alliance, and I don't know when I found Gong Ao's room to rest. Why don't you grab this disciple and ask!

After making up his mind, Yue Feng didn't have time to think, rushed over, sealed the disciple's acupuncture point at once, and dragged him into a hidden corner.

"Your Excellency Special Envoy?"

The disciple was blocked from acupuncture points, unable to move, but still able to speak, when he suddenly saw Yue Feng, he instantly woke up from the alcohol, he was so nervous that his voice trembled: "This subordinate knows you're wrong... .."

Because Yue Feng used Yi Rong San, it was Gong Ao's appearance at this time, so this disciple thought it was Gong Ao coming back, and was almost terrified.

Because of the regulations of the Tiandao Alliance, drinking in the main altar is not allowed.

Yue Feng was too lazy to talk nonsense, and said straight to the point: "Where is the room where I rest?"

While talking, Yue Feng looked around.

What?

Hearing this, the disciple was completely stunned.

What's up with this special envoy? If you don't know your own room, you still need to ask someone else?

Seeing his puzzled expression, Yue Feng was a little impatient, and urged coldly, "Quickly tell me?"

The disciple didn't know the situation, but he didn't dare to defy it, and quickly pointed to a courtyard not far away: "It's there."

After getting the answer, Yue Feng nodded, then suddenly raised his hand and knocked the disciple unconscious. Then he hid him in the grass next to him.

After doing this, Yue Feng rushed towards the courtyard not far away.

Phew...

Soon, after entering the room, Yue Feng was relieved when he saw the deployment inside. He saw that the room was very luxurious and elegant. Not only that, but there was a gold piece hanging on the hanger next to it. Shiny armor.

Seeing the golden armor, Yue Feng didn't have time to think, and immediately walked over to change his clothes.

After changing into the golden armor, Yue Feng was very uncomfortable and only felt awkward. But I have to say that after wearing the golden armor, it really is very imposing.

However, Yue Feng didn't care about this, and when there were no patrolling disciples outside, he quickly left and rushed to the teleportation formation in the back mountain.

Ten minutes later, Yue Feng successfully entered the Divine Realm through the teleportation formation.

call!

At this moment, Yue Feng was suspended in mid-air, looking at the Yutian Palace not far away, his handsome and cold face showed a bit of complexity.

When he left God's Domain before, he had just been named the Nine Heavens Profound Sage, which can be said to be infinitely beautiful, but now, he has to pretend to be Gong Ao to come back.

It's really unpredictable.

Muttering in his heart, Yue Feng moved his figure to go directly outside the Yutian Palace, and said loudly, "Gong Ao asks to see His Majesty."

Speaking of which, Yue Feng planned to impersonate Gong Ao and find Liuli purified water by himself, but he didn't know Liuli Where is the clean water, if it wanders around, it will arouse suspicion.

After all, this is God's Domain, and even if Gong Ao's status is not low, he can't go anywhere.

So after thinking about it, Yue Feng decided to take a risk and ask for it directly from the Nine Heavens God.

"Come in!" The

voice fell, and the deep voice of the Nine Heavens God came from the Yutian Palace.

Yue Feng didn't hesitate and strode in.

I'm going, there's something wrong with the atmosphere.

As soon as he entered the Yutian Palace, Yue Feng noticed something was wrong, and saw the God of Nine Heavens sitting there with a gloomy face, and the many priests on both sides below also looked solemn.

A depressing atmosphere pervaded the entire Yutian Palace.

Seeing this situation, Yue Feng felt inexplicably uneasy, walked over quickly, knelt down and saluted: "My subordinate Gong Ao, see Your Majesty."

Hmm!

Jiutian God responded lightly, his face did not fluctuate in the slightest: "Gong Ao, I have issued an imperial order that the magic mirror was taken away from the ghost world, so that you cannot save it with all your strength, you must get the magic mirror back. .Why did you come back?"

"Or, have you taken back the magic mirror?"

When he said this, the Nine Heavens God suppressed his anger.

Half an hour ago, Jiutian God got news from Gong Ao, saying that the sealing magic mirror was taken away. Jiutian God was very angry at that time, and then immediately issued an imperial order, asking Gong Ao to do his best to snatch back the sealing magic mirror.

However, just after the imperial order was issued, Gong Ao came back. In the eyes of the Nine Heavens God, Gong Ao was obviously dereliction of duty, and naturally there was some fire.

Chapter 3910

At this time, the God of the Nine Heavens still doesn't know that what is in front of him is not the real Gong Ao at all, but Yue Feng pretending to be.

What the hell!

Hearing Jiutian God's questioning, Yue Feng felt a little flustered.

Looking at the situation, I came at the wrong time, will it be revealed later?

"Your Majesty!"

Muttering in his heart, Yue Feng's head turned quickly, and he quickly said: "Your Majesty, calm down, your subordinates have asked the members of the Tiandao Alliance to track down the whereabouts of the magic mirror, and this time returning to God's Domain, there is something important to report. ."

What's more important?

Jiutian God frowned and spit out a word coldly: "Speak!"

Yue Feng took a deep breath and pretended to say: "It's like this, the person who stole the magic mirror is called Bai Yunfei, this person is the descendant of the devil, There is a demon soul in the body."

"Before Bai Yunfei went to the ghost world to snatch the magic mirror, he had fought with people from the Tiandao Alliance. At that time, there were several backbones of the

Tiandao Alliance who were forcibly taken by Bai Yunfei. Worm, only the colored glazed water can crack it. Therefore, when my subordinates come back, I implore Your Majesty to show mercy and give me some colored glazed pure water, so that I can save the backbone of the Heavenly Dao Alliance.”

When he said this, Yue Feng had a face on his face. Serious and sincere.

When he entered the Yutian Palace just now, Yue Feng thought about it and said that someone in the Tiandao League had been caught by the soul-devouring bloodworm. After all, the Tiandao League was established by Luo Jue at the behest of the Nine Heavens God, and he would not ignore it.

And such a thing?

Hearing this, Jiutian God frowned.

At the same time, the surrounding priests also spoke up, accusing Yue Feng of being wrong.

“Commander Gong Ao, are you crazy? You actually asked Your Majesty for glazed water?”

“That’s right, do you know that glazed water is the most precious treasure in the God’s Domain, and only His Majesty can enjoy it!

“

The words of the priests, you sent me a sentence, and the Nine Heavens God sat there with an indifferent expression.

Obviously, in the heart of the Nine Heavens God, the lives of those in the Tiandao Alliance are not worth paying attention to at all, and they are not qualified to use glazed water for treatment.

Nima!

Seeing this situation, Yue Feng’s face was indifferent, but his heart was secretly angry.

This is too ruthless, the Tiandao Alliance was established by your God Realm anyway. At this time, I knew that someone in the Tiandao Alliance had been infected with the soul-devouring bloodworm, and it was so indifferent.

Although what he said was false, but seeing the reactions of the Nine Heavens God and the surrounding priests, Yue Feng was still extremely chilled for the Tiandao League.

Thinking to himself, Yue Feng looked anxious and said to the Nine Heavens God: "Your Majesty, this subordinate knows that it is a bit abrupt, but the few people in the Soul Eater Bloodworm are the mainstay of the Heavenly Dao Alliance. Unexpectedly, the strength of the Heavenly Dao Alliance has been greatly reduced, and at that time, the progress of ruling the entire Jiuzhou rivers and lakes will also be affected." To be

honest, Yue Feng didn't want to say these compliments in his heart.

But there is no way, in order to get the glazed water, you can only go against your heart once, anyway, it is not really to save the people of the Tiandao Alliance.

Huh....

Hearing this, Jiutian God thought for a while, then nodded slowly and said: "Gong Aiqing is right, okay, I'm sure."

Glazed water is a treasure in the realm of the gods, Jiutian God is really reluctant, but before his eyes The 'Gong Ao' said is right, the pawn of the Tiandao Alliance will be used in many places in the future, and it can't be done too well.

At this time, the Nine Heavens God did not know that he was deceived by Yue Feng. Seeing that Jiutian

God finally agreed, Yue Feng was overjoyed and hurriedly said: "My subordinates, for the members of the Tiandao Alliance, thank Your Majesty Hong En.

"

When you arrive at the Liuli Purified Water, hurry back to Kyushu, the matter of sealing the magic mirror cannot be delayed."

Then, what did Jiutian God think of: "By the way, you heard the news earlier that Yue Feng killed Luo Jue, even the Holy Maiden of the Nine Heavens. He also betrayed God's Domain, is the situation true?"

Yue Feng was originally in a very comfortable mood, but when he heard this question, he was stunned.

This... The

next second, Yue Feng scratched his head and pondered: "Your Majesty, this matter is the negligence of your subordinates. At that time, the situation was not ascertained, so I jumped to a conclusion."
