

The ultimate husband in Chinese chapter 3966-3970

Chapter 3966

Seeing this, Yue Feng couldn't help muttering secretly.

These two pieces are obviously tortoise shells, but in the mouth of Yutong Xianweng, they are called 'spiritual bones'. What is the use?

"Senior!"

Just when Yue Feng was muttering secretly, Ren Yingying couldn't help but said, "This is obviously a turtle shell, but what kind of spiritual bone is it you call it?"

Ren Yingying is not only smart, but also has a personality. It's also more straightforward, and you can say whatever comes to your mind.

Yutong Xianweng looked depressed, and then looked at Ren Yingying like an idiot and said: "You girl, why don't you trust me? Let me tell you, this peeping at the spiritual bones of the sky, but the body of Xuanwu, the four innate spirit beasts. The oracle bones have the effect of foretelling prophets."

After speaking, Yutong Xianweng said to Yue Feng: "As long as you inject the power of the primordial spirit, you can see what will happen in the future from the spiritual bones of the sky, remember, Each piece of peeping into the sky can only be used once, so don't use it lightly unless it's a last resort." The

last sentence fell, Yutong Xianweng patted Yue Feng's shoulder, then flew high into the sky, and disappeared in the blink of an eye. in the public eye.

This...

At this moment, both Yue Feng and Ren Yingying were all shocked.

I thought these two oracle bones were just ordinary things, but I didn't expect to have the ability to predict the future.

After being stunned for a few minutes, Yue Feng reacted and said to everyone: "It's not too late, I should go too, you guys are here to recuperate and recover." After the

voice fell, Yue Feng moved his figure and flew into the air. , and then headed towards the Northern Ying Continent.

Um!

Wen Chou Chou everyone nodded and watched Yue Feng leave.

the other side.

Northern Ying Continent, the main altar of Shengzong.

In recent years, because of his concentration on Taoism, Lu Dongbin passed on the position of the Holy Master to his disciple Lei Shengyun. Lei Shengyun did not belong to the Five Elements Temple, but he was very talented and appreciated by Lu Dongbin.

At this time, in the bamboo forest behind the main altar, Lei Shengyun was sitting cross-legged in the pavilion, meditating.

Recently, the rivers and lakes in Kyushu have been turbulent. First, the Heavenly Dao League was born, and then Bai Yunfei stole the magic mirror in the ghost world, causing a lot of uproar.

However, the Sacred Sect rarely bothers about disputes in the rivers and lakes, so Lei Shengyun doesn't pay much attention to these things. What he has to do is to lead the entire Sacred Sect's disciples to concentrate on cultivating the Tao.

"Holy Master!"

At this moment, a female disciple walked in quickly and said respectfully, "There is a woman outside who claims to be the daughter of the Nine Heavens God and asks to see the Holy Master."

The daughter of the Nine Heavens God?

Hearing this, Lei Shengyun frowned and was very puzzled.

Shengzong has nothing to do with Divine Realm, the daughter of the Nine Heavens God, why did she suddenly find herself?

Thinking to himself, Lei Shengyun slowly got up: "Okay, go out and have a look." After speaking, he walked to the front hall.

call!

Soon, when he arrived at the front hall square, Lei Shengyun saw a graceful and charming figure suspended in mid-air. He was wearing a bright yellow court dress. His facial features were beautiful and delicate, and his curves were slender, but there was a bit of coldness between his brows. .

It was Princess Dongling.

Yutong Xianweng's fortune-telling is correct. Princess Dongling, after inquiring in many ways, learned that Lei Shengyun, the lord of the sect, is of pure Yang.

Whoa!

At this moment, many Saint Sect disciples came out and looked up at Princess Dongling in midair, all of them stunned.

What a beautiful beauty, this temperament is the real fairy.

Princess Dongling didn't pay attention to the gazes around her, she locked on Lei Shengyun tightly, and her red lips parted lightly: "You are the Lord of the Holy Sect, Lei Shengyun?" Huh

! Feeling the cold and arrogant gaze of Princess Dongling, Lei Shengyun secretly exhaled, nodded and said, "Yes, I am!"

Princess Dongling said nothing nonsense: "Follow me!"

Like a magpie, the jade hand raised, and a palm hit Lei Shengyun.

Speaking of which, Princess Dongling didn't want to be so reckless, but for Gong Ao's safety, she didn't care so much.

This....

what's the situation? How come you start it right away?

Princess Dongling's speed was very fast, and she was in front of her in the blink of an eye. Lei Shengyun was astonished.

Chapter 3967

Bang!

In the next second, the palms of the two sides collided fiercely, and Lei Shengyun only felt a vast and endless force coming, and with a grunt, the whole person took a few dozen steps back, and the blood in his body was churning.

However, with the strength of the pure yang body, he still resisted abruptly.

However, my heart is extremely shocked!

powerful!

This Princess Dongling is worthy of being the daughter of the Nine Heavens God. Her strength is simply too terrifying. She is already in the late stage of transcending tribulation, but she has to mobilize all her internal strength to barely block this palm!

Seeing this scene, the disciples of the Holy Sect below were even more shocked, and they all sweated for Lei Shengyun.

This seemingly light palm of Princess Dongling actually contained such a powerful force.

Simply incredible.

Is this the strength of the God's Domain powerhouse?

Princess Dongling hovered there quietly, her delicate face could not hide the cold arrogance, but she was also secretly startled, looking up and down at Lei Shengyun, her eyes glittering with admiration.

"The body of pure yang really lives up to its reputation, and it can actually block my palm." In the appreciation, Princess Dongling's red lips lightly opened, and she slowly said: "I have no grudges with your holy sect, but for Gong Ao's safety, I also I had no choice but to offend."

Om!

The voice fell, Princess Dongling slowly raised her jade hand, and saw a golden long sword slowly condensing.

This golden long sword was completely transformed from the power of Princess Dongling's Yuanshen. The golden light was dazzling and the momentum was amazing.

As soon as the golden sword came out, the entire sky above the Shengzong Mountain Gate was shrouded in golden light.

call!

At this moment, both Lei Shengyun and the surrounding Sect disciples were inexplicably frightened.

Especially Lei Shengyun, he just felt that he was out of breath.

Princess Dongling didn't talk nonsense. When she raised her jade hand, she saw that the golden sword radiated light, like a golden thunderbolt, bursting towards Lei Shengyun.

Lei Shengyun didn't have time to think about it, so he quickly activated his inner strength and pulled out his seven-star sword to resist.

The Seven-Star Sword, one of the treasures of the Four Great Sects of the Holy Sect, when Lu Dongbin passed the throne of the Holy Master to Lei Shengyun, he also gave the Seven-Star Sword to Lei Shengyun for self-defense.

The Seven-Star Sword is made of refined steel and meteorite iron from outside the sky. It is extremely tough and belongs to the purple-rank weapon.

However, when he blocked the Seven Star Sword in front of him, Lei Shengyun had no confidence at all.

Bang!

Soon, the golden sword broke out and slammed on the Seven-Star Sword. He saw the Seven-Star Sword instantly shatter. At the same time, Lei Shengyun also let out a groan, and the whole person was shocked and flew out. More than a hundred meters away, he fell heavily to the ground.

When fighting with Princess Dongling before, Lei Shengyun had already suffered some shock injuries. At this time, facing the attack of the golden sword transformed by Princess Dongling, he was completely unable to resist.

After all, the strength of Princess Dongling is not even Bai Yunfei's opponent, let alone Lei Shengyun who has just taken the throne of the Holy Master!

"Holy Master!"

Seeing this scene, many disciples of the surrounding Holy Sect couldn't help but exclaimed, and wanted to rush over, but Princess Dongling's burst of breath was too strong, and everyone felt that their legs were weak. Can't move.

"Lei Shengyun!"

At this moment, Princess Dongling slowly landed down, her eyes twinkling complicatedly, and said to Lei Shengyun, "Don't blame me, I do this because I have no choice but to! Who told you to have a body of pure yang? It's your fault."

After speaking, Princess Dongling looked around and continued: "Don't worry, after you die, I will do my best to protect your sect." The

last word fell, Princess Dongling slowed down. Slowly walked towards Lei Shengyun.

Huh

Watching Princess Dongling approaching step by step, Lei Shengyun was full of fear and doubts.

It turns out that this Princess Dongling came for her pure Yang body, but what use is her pure Yang body to her?

Seeing Princess Dongling getting closer and closer, Lei Shengyun struggled to stand up, but the attack of the golden sword just now was too strong, his heart was severely damaged, and he was completely powerless.

“Protect the Sect Master!”

“Come up together!”

At this moment, the surrounding Saint Sect disciples all reacted and rushed up with howling.

Seeing this scene, Princess Dongling’s beautiful face did not fluctuate in the slightest: “Go away!” The voice fell, and the jade hand waved gently, and suddenly a powerful breath swept out.

Bang bang bang...

The disciples of the Holy Sect were shocked and flew out before they rushed to the front, and their faces were pale.

Chapter 3968 It’s

over!

Seeing this situation, Lei Shengyun was completely desperate.

“Stop!”

At this critical moment, I heard a loud shout, and then I saw a handsome figure coming quickly, it was Yue Feng.

Whoa!

Seeing this scene, both Lei Shengyun and the surrounding Sect disciples were inexplicably excited.

Great, Yue Feng is here.

A few years ago, Yue Feng joined the Shengzong incognito, and it can be said that he had a deep relationship with the Shengzong. At this time, he appeared in time, and Lei Shengyun was saved.

Yue Feng?

At the same time, Princess Dongling was also shocked and said in surprise, "What are you doing here?"

Princess Dongling didn't have a good impression of Yue Feng. Seeing him appear at a critical moment, she messed up her plans, and even more so. It's nameless fire.

Yue Feng quickly landed in front of Lei Shengyun.

The next second, Yue Feng looked at Princess Dongling and said, "Of course I'm here to stop you."

After speaking, Yue Feng took a deep breath and continued slowly: "Princess Dongling, as the daughter of the Nine Heavens God, you should know what the rebirth of the Demon Lord Gone means, but instead of stopping you, you have to help him find the body of pure yang..."

At this time, Yue Feng was very fortunate.

Fortunately, Senior Yutong Xianweng had predicted that Princess Dongling would come to the Holy Sect. Otherwise, when she captured Lei Shengyun, it would be too late.

Wow...

Hearing these words, whether it was Lei Shengyun or the disciples of the Holy Sect present, they were all shocked and looked at Princess Dongling in a complicated way.

It turned out that she came to catch Lei Shengyun for the sake of the devil's respect for life.

However, she is the daughter of the Nine Heavens God, how could she help Mozun?

"Shut up!"

In the face of Yue Feng's accusation, Princess Dongling's tender body trembled, and she was so angry: "What qualifications do you have to teach me? If it weren't for you, Gong Ao and I would not have ended up in such a situation. It's you who made me look like this."

"As long as Gong Ao is all right, I'm willing to do anything. Whoever dares to stop it will die."

When she shouted this, Princess Dongling's delicate face was full of madness .
crazy!

It's crazy.

Yue Feng frowned secretly, and said word by word: "Gong Ao is in Bai Yunfei's hands, and there is no danger to his life for the time being. You don't have to do this. On the contrary, if you help Bai Yunfei find the body of pure Yang, it will be doomed..."

"Nonsense!"

Princess Dongling snorted coldly, with no expression on her face: "Yue Feng, even if you talk about the sky today, I have to take Lei Shengyun away, get out!"

Om!

As the voice fell, a terrifying aura erupted from Princess Dongling's body, and in an instant, the entire sky above the Holy Sect was distorted.

Immediately, Princess Dongling once again condensed the golden sword, and her figure rose up and came straight towards Yue Feng.

"Sect Master Yue, be careful!"

Seeing this situation, Lei Shengyun couldn't help shouting, his eyes were full of worry.

Yue Feng's face was also extremely solemn.

Mad, this Princess Dongling has lost her mind. It seems that this fight must be fought.

Thinking to himself, Yue Feng urged his figure to rush into the air, and fought fiercely with Princess Dongling.

call!

Seeing this scene, all the Saint Sect disciples present were inexplicably shocked.

Yue Feng, as the hero of Jiuzhou, has reached the peak of strength, while Princess Dongling, as the daughter of the Nine Heavens God, has unfathomable strength. The two fought in mid-air at this time, which was a once-in-a-millennium battle.

Especially Princess Dongling, that graceful curve, shuttled back and forth in mid-air, so charming that everyone below looked straight.

In the blink of an eye, Yue Feng and Princess Dongling fought for half an hour, and neither of them could defeat the other.

Speaking of which, Yue Feng possesses the power of Bird Ancestor, and his strength is not what it used to be, but Princess Dongling is the daughter of the Nine Heavens God.

Nima!

Under the fierce battle, Yue Feng was calm on the surface, but he couldn't tell the anxiety in his heart.

This Princess Dongling is completely crazy, and her strength is still so strong, how can she be subdued?

“Jade Dragon Consort, Your Royal Highness, please stop!”

Just when Yue Feng was anxious, suddenly, he heard a shout from the sky. The voice was thick and reverberated endlessly over the entire Sacred Sect.

At this moment, both Yue Feng and Princess Dongling were shocked.

The following Saint Sect disciples were even more shocked.

Phew...

The next second, everyone followed the voice, and all of them were dumbfounded!

Chapter 3969 I

saw hundreds of thousands of figures in the sky not far away, stepping on auspicious clouds, rushing in like a tide!

The uniform armor, each with a long spear, is like a rainbow!

Impressively, he is the god of the gods.

In front of these hundreds of thousands of divine soldiers was a chariot driven by eight heavenly horses. On the chariot stood a stalwart figure, dressed in purple-gold armor and holding a meniscus sword.

It is Haotian Divine Lord!

Haotian Divine Lord is the nephew of Jiutian God and the cousin of Princess Dongling. He is extremely powerful and has a detached status. It can be said that one person is above ten thousand people. When Yue Feng broke into the realm of the gods, Haotian Divine Lord was in retreat. Exit only recently.

This time, knowing that Yue Feng and Princess Dongling had escaped from the realm of the gods, the Nine Heavens God was furious, and ordered Haotian Shenjun to lead hundreds of thousands of divine soldiers and generals to come to Kyushu to arrest them.

After Haotian Shenjun came to Kyushu, he soon found out that Princess Dongling was coming to the Holy Sect. He didn't have time to think about it, and rushed over immediately.

This...

is this the magic soldier in God's Domain? This breath is too terrifying.

Seeing the scene in front of them, all the disciples of the Holy Sect were shocked, their gazes converged on Haotian Divine Sovereign, and they were speechless for a long time!

The sudden arrival of Princess Dongling just now shocked the entire Sacred Sect. At this time, so many divine soldiers and generals suddenly came. For a time, the entire Sacred Sect was silent.

"What's the situation?"

"Why are there so many divine soldiers and generals all of a sudden?"

Under the shock, many disciples of the Holy Sect reacted and couldn't help but whisper.

Haotian God?

At this moment, Princess Dongling's delicate body trembled faintly, looking at Divine Sovereign Haotian's eyes, it was also complicated and flustered.

Oops!

Cousin is here, now it's troublesome.

As Haotian Divine Monarch's cousin, Princess Dongling knows his personality too well. This cousin has an upright personality and is even more loyal to Jiutian God. If you let him know that he arrested Lei Shengyun for the sake of the devil's respect for life, then Done.

Haha...

On the other hand, Yue Feng, on the other hand, sighed in relief, feeling very comfortable.

These miraculous soldiers and generals came really just in time.

Although Yue Feng had never seen Divine Sovereign Haotian, he sensed the powerful aura that pervaded his body, and knew that the visitor was extraordinary.

More importantly, in front of her own people, Princess Dongling couldn't force Lei Shengyun to leave.

“Jade Dragon Consort, Your Highness Princess!”

At this time, the Haotian Divine Sovereign flew slowly, first looking at Yue Feng, then at Princess Dongling, and said slowly: “Your Majesty has an order for you to go back and get married as soon as possible, Don't miss the auspicious time.” The

voice was not loud, but there was no doubt.

What?

Hearing this, both Lei Shengyun and the surrounding Shengzong disciples were all stunned. They looked at Yue Feng one by one with amazement in their eyes.

Yue Feng wants to marry Princess Dongling?

As expected of the famous Jiuzhou hero, he is so awesome that he even married the daughter of Jiutian God.

Facing the envious and amazed eyes of everyone, Yue Feng was not happy at all, but extremely bitter.

This misunderstanding is really getting bigger and bigger.

At the same time, Yue Feng's brains turned quickly, thinking about the countermeasures in front of him, he must not return to God's Domain and marry Princess Dongling, he needs to think of a way to let this Haotian Divine Sovereign take Princess Dongling away.

Princess Dongling also bit her lip tightly, her eyes twinkling, thinking about something.

“Cousin!”

After a few seconds, Princess Dongling spoke first, and said to the Divine Sovereign Haotian: “I definitely want to go back to the Divine Realm, but please help me to persuade Yue Feng, he doesn't want to marry me, so he runs back privately. After arriving in Kyushu, I had no choice but to chase him here.”

When she said this, Princess Dongling looked aggrieved, but her eyes flashed with cunning.

Princess Dongling seems to be reckless, but she is actually very scheming. She knows that after the arrival of Haotian God, it is impossible for her to force Lei Shengyun to leave. The only way is to turn Haotian God's attention to Yue Feng.

Therefore, Princess Dongling made up a lie, saying that Yue Feng escaped from marriage, and she came to Kyushu to chase after Yue Feng.

I have to say that Princess Dongling is very similar. After saying this, tears flashed in her eyes, a pitiful look.

Chapter 3970

What?

When these words fell, there was an uproar in the audience. Many disciples of the Holy Sect looked at Yue Feng with complicated eyes.

Yue Feng actually escaped from marriage?

This Princess Dongling, with a charming figure, delicate facial features, and a detached key position, is the daughter of the Nine Heavens God. It can be said that this is the dream of countless men.

And Yue Feng, actually escaped marriage... This is too dissatisfied.

What the hell!

Yue Feng didn't know whether to laugh or cry. He looked at Princess Dongling and retorted: "Your Highness, you can't talk nonsense. This time I'm in Kyushu, but we..."

Yue Feng thought carefully and immediately guessed that Dong Princess Ling said this on purpose so that she could become the focus of public opinion. How could this little trick make her succeed?

"Shut up!"

However, before he could finish speaking, he was interrupted by a coquettish shout from Princess Dongling.

Afterwards, Princess Dongling said hypocritically to the God of Haotian: "Cousin, I'm so in love with Yue Feng, but he's always in the dark. When you came just now, you saw it, I want to take him back to the realm of the gods, if he doesn't agree, he will meet I moved my hand...you must call the shots for me." As

he said, he pretended to wipe away his tears.

Swish!

Hearing this, Divine Sovereign Haotian couldn't bear it any longer, and shouted angrily at Yue Feng: "Good you Yue Feng, Your Majesty made an exception to betroth the princess to you. You not only escaped the marriage, but also disliked the princess in every possible way. It's really hateful. "

Speaking, Haotian Shenjun raised his hand and waved: "Come on, take Yue Feng to me immediately."

Whoa!

The voice fell, and hundreds of divine soldiers rushed towards Yue Feng.

What the hell!

Looking at these magical soldiers rushing up, Yue Feng was very depressed, and at the same time did not dare to neglect, he quickly moved his figure, dodged back and forth, trying to break free from the siege.

While dodging, Yue Feng shouted to Haotian Divine Sovereign: "Don't listen to her one-sided words. In fact, it was the princess who came to Shengzong to catch Lei Shengyun, because Lei Shengyun is a pure yang body. It can help the devil to live."

"She arrested Lei Shengyun in order to exchange Gong Ao with Bai Yunfei..."

However, Haotian Shenjun couldn't listen at all, and shouted angrily: "The more you say, the more outrageous, the princess is your majesty's daughter, how can she help Mozun is looking for the body of pure yang? Yue Feng, stop

talking nonsense, hurry up and capture it." After seeing hundreds of divine soldiers, Yue Feng could not be suppressed. Haotian Shenjun did not hesitate and sent thousands of divine soldiers. , launched an attack on Yue Feng.

Although Yue Feng's strength is tyrannical, he can't stand the siege of so many magical soldiers.

Huh ..

Seeing this scene, Lei Shengyun and the surrounding Saint Sect disciples wanted to help, but they didn't have the courage.

After all, this is a divine weapon in the realm of the gods, and he can't afford to provoke it at all.

More importantly, Yue Feng was arrested for escaping from marriage. This is a family affair, and it is not easy for outsiders to interfere.

Princess Dongling showed a smile, and looked at Yue Feng with a bit of drama.

With this little ability, do you still want to fight with me?

While muttering in her heart, Princess Dongling did not hesitate, her figure rose up, grabbed Lei Shengyun, and flew towards the sky in the distance, disappearing from everyone's sight in the blink of an eye.

"Sect Master!"

The disciples of the Holy Sect below exclaimed one after another, trying to catch up at the same time, but Princess Dongling was so fast that she disappeared in a blink of an eye.

Oops.

Seeing this scene, Yue Feng was also in a hurry and wanted to catch up, but there were magical soldiers everywhere, and he was completely helpless.

At this time, Yue Feng was very depressed.

I never thought that Princess Dongling could escape successfully by using such a crude method. After all, this Haotian Divine Sovereign is too simple in his mind, and it is just a muscle to believe in Princess Dongling so easily.

While depressed, Yue Feng also secretly rejoiced.

Fortunately, I heard what Yutong Xianweng said at the time. If Brother Wen and the others also came to the Holy Sect, facing hundreds of thousands of gods and soldiers, they would definitely be more fortunate and less fortunate, and there would be no return.

A few minutes later, as more and more gods and soldiers joined the battle, Yue Feng gradually couldn't support it and was tied up by five flowers.

"Shenjun Haotian!"

At the moment of being bound, Yue Feng looked helpless, and said to God Sovereign Haotian: "You were really deceived by Princess Dongling, she came to Shengzong just to catch Lei Shengyun and exchange it. Gong Ao's."

"You saw it just now, she has already captured Lei Shengyun."
