

The ultimate husband in Chinese chapter 3971-3980

Chapter 3971

Call!

Hearing this, God Sovereign Haotian took a deep breath and said coldly, "No matter what the truth is, if you leave God's Domain without authorization, it would be wrong to escape marriage. After sending you back to God's Domain, I will only come back to find the princess." The

voice fell, Haotian God Jun waved his hand and asked a few divine soldiers to escort Yue Feng back to the realm of the gods.

Faced with this situation, Yue Feng wanted to cry without tears.

Nima, this Haotian Divine Sovereign is so rigid, he has no brains at all. Once the Demon Venerable merges with Lei Shengyun's pure Yang body, he will be completely reborn, and it will be too late, but this Haotian Divine Sovereign has no sense of crisis at all.

...

the other side!

After Princess Dongling captured Lei Shengyun, she rushed to the Five Poison Sect immediately.

At this time, seeing that Princess Dongling had arrested a man and returned, the disciples of the Five Poison Sect did not dare to neglect, and hurriedly invited her into the front hall, and went to inform Bai Yunfei at the same time.

Soon, Bai Yunfei, accompanied by Ji Hongshang, walked slowly.

"Bai Yunfei!"

Seeing Bai Yunfei's appearance, Princess Dongling couldn't hide her anxiety, and pointed at Lei Shengyun, who was tied with five flowers, and said, "I have brought the person with the body of pure yang, and bring Gong Ao with you. Come out and meet me."

Shuh!

Hearing this, Bai Yunfei's eyes fell on Lei Shengyun, he felt the body of pure yang, and he was overjoyed.

Haha... This Princess Dongling is really different. In such a short time, she found the body of pure yang.

This chapter is provided by . Visit for daily update.

Excited, Bai Yunfei smiled at Princess Dongling and said, "Princess keeps her promise, which is admirable. I, Bai Yunfei, am not someone who goes back on his word."

Saying that, Bai Yunfei waved his hand: "Come on, bring Gong Ao out." The

voice fell, and several disciples of the Five Poison Sect hurried out, and after a while, the weak and embarrassed Gong Ao was brought over.

"Gong Ao!"

At this moment, Princess Dongling felt embarrassed, walked over quickly, released Gong Ao herself, and asked with concern, "Are you alright?"

Gong Ao shook his head: "It's alright!"

", Gong Ao turned his head and saw Lei Shengyun, his expression changed suddenly.

This... The princess really found the body of pure yang... That Demon Lord Gone, wouldn't he be able to be reborn soon?

Princess Dongling didn't notice Gong Ao's expression was wrong, she took his hand and strode away from the Five Poison Sect.

"Princess!"

At the foot of the mountain, Gong Ao finally couldn't help it, and asked Princess Dongling, "Who is that man you caught?"

Princess Dongling wrote lightly, "Lei Shengyun, the lord of the sect.

" Princess Dongling looked at Gong Ao seriously, and her eyes showed some tenderness: "I heard that the Holy Sect has a very high reputation in the entire Kyushu, but in my heart, it is not as important as your safety. Don't say A sect master, that is, the emperor, I want to arrest him too."

Hu...

Hearing this, Gong Ao was very moved, and at the same time he didn't know whether to laugh or cry.

The princess is so capricious.

At this moment, Princess Dongling thought of something and said slowly: "Speaking of which, it was very dangerous to capture this Lei Shengyun at that time, not only Yue Feng came to make trouble, but my cousin Haotian Shenjun also brought hundreds of thousands of people with him. The gods and soldiers have arrived at the Holy Sect."

What?

Haotian Divine Sovereign is also here?

At this moment, Gong Ao's heart jumped, and he became inexplicably nervous. You must know that Haotian Divine Sovereign has a detached status in the Divine Realm. He has come to Kyushu, which shows how serious the matter is.

Thinking to himself, Gong Ao's mind was a little messy, and he couldn't help but say, "Princess, what should we do?"

Princess Dongling hugged his arm and smiled, "What else can I do? Anyway, I ran away from marriage, and you are safe now. Now, the world is so big, let's find a place where there is no competition from the world and live a secluded life, okay?"

Seclusion?

Hearing this word, Gong Ao forced a smile on his face, but his heart was extremely bitter.

Although this world is big, it is all under the control of the Nine Heavens God. How can there be any place that is isolated from the world?

In contrast, Princess Dongling was in a good mood, took Gong Ao's arm and walked towards a town not far away: "I heard that the wine in Kyushu is also good, let's find a tavern to rest for a while, and then decide where to go. "

At this time, Gong Ao was in a mess, but he didn't want to disturb Princess Dongling's interest, so he went with her to find a tavern in the town.

Chapter 3972

"The shop owner, give me a few jars of good wine!"

At the private room of the tavern, Princess Dongling shouted, and then smiled at Gong Ao and said, "Today you escaped safely, we must celebrate! "

When she said this, Princess Dongling was in a good mood. Can you be happy that you can finally be with Gong Ao?

This...

Gong Ao was a little uninterested, hesitated, and tentatively said: “Princess, you have successfully helped Bai Yunfei to capture the body of Chunyang, the devil will be reborn soon, when the world is in chaos, let’s... ..”

Before he could finish speaking, he was interrupted by Princess Dongling: “No matter how chaotic the world is, my father and emperor are here. Besides, Master Honghuang’s ancestors have boundless magic power, and they were able to successfully seal the Demon Venerable before. I can deal with it easily.”

As she said that, Princess Dongling’s mouth twitched, and she smiled like a flower: “So we don’t need to worry about these things, we just need the company of the red dust, and feel at ease!”

“But...”

Hearing this, Gong Ao didn’t know whether to laugh or cry. He opened his mouth to say something, but he didn’t know how to say it.

Princess Dongling was a little displeased: “What? You are reluctant to be your commander? You don’t want to be with me?” While speaking, her red lips pursed, with a bit of coquettish anger, very charming.

Phew...

Seeing Princess Dongling like this, Gong Ao took a deep breath and was stunned.

In the next second, Gong Ao reacted quickly, shook his head and said, “How could it be? The princess loves me so much, it is a blessing that I will never be able to repair in my life.”

Princess Dongling smiled, and at this time, the shop owner brought some delicious wine.

“Come!”

At this moment, Princess Dongling was full of enthusiasm and poured two glasses of wine in person: “This first glass of wine, I wish us a new life!”

Feeling the princess’ straightforwardness and tenderness, Gong Ao was overwhelmed with emotion, and immediately raised He picked up the wine glass and touched Princess Dongling.

“Princess!”

After a glass of wine, Gong Ao was a little drunk and restrained, and asked tentatively, “What is going on with your marriage with Yue Feng?”

Speaking of which, Gong Ao had already guessed that it was Yue Feng pretended to be himself, which caused a misunderstanding, but at this time, I really wanted to hear Princess Dongling talk about the details at that time.

Yue Feng?

As soon as Yue Feng was mentioned, Princess Dongling's delicate face suddenly showed some anger: "That Yue Feng is too despicable, he pretended to be you in order to get the colored glaze water..."

Said this At that time, in addition to the anger on Princess Dongling's face, there was a hint of complexity in her eyes. You must know that at that time, Yue Feng impersonated Gong Ao, not only caused a misunderstanding, but also performed the ritual of Zhou Gong with her by accident.

It's just that Princess Dongling is still awake at this time. How can such a thing that damages her innocence come out?

Mad!

Knowing these circumstances, Gong Ao clenched his fists tightly and was furious.

I had guessed correctly before, and it really was Yue Feng who faked himself.

Thinking about it, Gong Ao showed a smile and comforted Princess Dongling: "Okay princess, don't be angry anymore, this matter is over."

After speaking, Gong Ao's face was serious and sincere: "Princess It's really my honor to love me so much, don't worry, I will treat you with sincerity in the future."

"Pfft..."

Hearing this, Princess Dongling was very moved, and at the same time couldn't help laughing: "Okay, you know that I'm good to you, don't be so nauseous..."

While speaking, Princess Dongling once again Fill up the wine.

Gong Ao smiled, feeling much better at this time, and then chatted with Princess Dongling while drinking.

At this time, in Gong Ao's heart, although he and Princess Dongling were finally married, he still did not agree with Princess Dongling's arrangement. After all, Princess Dongling has a special status and she is also the commander of the Divine Realm. God must be furious.

So, this matter needs to be considered in the long run.

However, at this time, Princess Dongling was in a hurry. Gong Ao didn't want to say it directly, so he decided to find an opportunity in the future and discuss it with her.

Unconsciously, the two drank from afternoon to evening.

Speaking of which, Gong Ao and Princess Dongling were both from the Divine Realm and possessed Primordial Spirit. Drinking the liquor from Kyushu was like drinking water, but after several hours of booze, they couldn't stand the anesthesia of alcohol in the end.

"Gong Ao!"

At this time, Princess Dongling drank another glass of wine, her beautiful face was flushed with a hint of redness, and her eyes were full of drunkenness, she said slowly, "We will be married couples in the future, there is something to do. , if I keep hiding it from you, I'll be sorry."

Chapter 3973

"What's the matter?" Gong Ao smiled and said.

Princess Dongling bit her lip tightly and did not respond for a while, but fell into inner struggle.

Feeling that the atmosphere was not right, Gong Ao's expression became solemn: "Princess, what's wrong? Is it something to do with Your Majesty ?

"

....I'm not clear anymore..." After speaking, he briefly explained what happened with Yue Feng in the bedroom at that time.

At the end of the story, Princess Dongling was shy, with a bit of inferiority in her eyes, and she didn't look at Gong Ao.

To be honest, Princess Dongling intends to keep this matter a secret, but she loves Gong Ao so much that she feels that keeping this matter a secret is disrespect to Gong Ao.

When she was sober before, Princess Dongling was ashamed to open her mouth, but at this time, she said it through drunkenness.

What?

At this moment, Gong Ao's heart trembled, and the smile froze on his face.

Princess... Princess and Yue Feng...

After a few seconds, Gong Ao thought that he had heard it wrong, and looked at Princess Dongling closely: "Palace Master, you are... drunk, don't talk nonsense. Talk !"

When he said this, Gong Ao only felt uncomfortable in his heart.

He hoped that these were all fake, but looking at Princess Dongling's expression, it didn't look like it at all.

You must know that Gong Ao has admired Princess Dongling for so many years, and has always regarded her as a pure goddess in her heart. Suddenly, the goddess lost her innocence, which was like a bolt from the blue.

"Gong Ao!"

Princess Dongling shook her head and said drunkenly: "I'm not talking nonsense, it's all true, you know? I hate Yue Feng, but he is the Nine Heavens Profound Sage. I can't kill him at all!"

"Because of this, the father and mother wanted to hold a wedding for us in order to save the royal face."

"But I like you, so I ran away desperately. Come out..."

At the end of the sentence, Princess Dongling's eyes were so blurry that she couldn't hold it anymore.

At this...

At this moment, Gong Ao was completely stunned, only to feel his brain buzzing, and the whole person seemed to have lost all strength and was empty.

But looking at the grievance in Princess Dongling's eyes, Gong Ao squeezed out a smile and gently comforted: "Princess, you are so stupid, in my heart, you are the most perfect goddess, why would I mind this? Besides, It's not your fault that such a thing happened!"

Hearing this, Princess Dongling showed a smile: "Gong Ao, you are so kind to me..." After saying this, she fell into Gong Ao's arms. , fell into a deep sleep.

After drinking so much wine and telling the secret in her heart, Princess Dongling was relieved and rested peacefully in Gong Ao's arms.

At this moment, Gong Ao was holding Princess Dongling, but his heart was full of mixed feelings, especially under the anesthesia of alcohol, his mood was even more chaotic.

Mad!

Under the pain in his heart, Gong Ao's eyes gradually became blood red.

Yue Feng, you have taken away the princess' innocence, and I am at odds with you.

Thinking about it, Gong Ao gently picked up Princess Dongling and sent it to the upper room to rest, and then returned to the wine table alone.

“boom!”

Sitting back at the wine table, Gong Ao became annoyed the more he thought about it, and slapped the table with a slap in the face. In an instant, the table was torn apart, and several jars of fine wine were also shattered on the ground.

The tavern guy not far away was startled, but seeing Gong Ao's face, he didn't dare to come and ask.

At this time, Gong Ao felt extremely uncomfortable, why? Why it came out like this? I thought that if the princess rescued herself desperately, she would be able to live together, why must Yue Feng be mixed in?

I can't be reconciled...

“Continue serving me wine!” Gong Ao's eyes were blood red, and he shouted while patting the table.

He was in a bad mood, it was hard! Thinking of the princess' innocence being taken away by Yue Feng, Gong Ao's heart felt as uncomfortable as a knife twisted.

You know, that is the goddess that I have admired for nearly a thousand years.

Soon, the wine was delivered!

“Gudong, Gudong!”

Gong Ao directly opened the wine jar and poured it into his mouth with big mouthfuls. The so-called drunkenness relieves a thousand sorrows. Only when you are drunk can you be free from troubles.

However, Gong Ao kept things in his heart, and the more he drank, the more sober his mind became.

Not knowing how many altars he drank, Gong Ao left the tavern and walked aimlessly on the streets of the town.

Chapter 3974

It is already late at night. Although the town is not big, it is very lively. It is still crowded at such a late hour, and it is very lively. However, in Gong Ao's heart, there is a sense of desolation and loneliness.

Princess Dongling whom she admired was no longer perfect.

And as the special envoy of the Divine Realm, the leader of the Nine Heavens God was captured by Bai Yunfei, and he lost all the face of the Divine Realm.

These things went over and over in Gong Ao's mind, like a spell, constantly eroding his nerves.

Why?

Why is this happening?

hum!

Just when Gong Ao was struggling in his heart, suddenly, an incomparably terrifying pressure came from the sky, and soon, this powerful pressure enveloped the entire town.

Under the shroud of this terrifying atmosphere, I saw the crowds coming and going on the street, all of a sudden they were frozen in place, and they didn't move, as if they were frozen.

This... This is the coming of Haotian God?

Seeing this scene, Gong Ao instantly sobered up a lot.

Before showing up, he displayed such a terrifying power, and he could virtually immobilize the entire town's human beings. Those with this ability, except for the Nine Heavens God, were the Haotian Divine Sovereign.

Swish swish...

While muttering in my heart, Gong Ao saw that dozens of silhouettes slowly emerged in the air, all armored, majestic, and the leader wearing purple-gold armor, unparalleled domineering!

It is Haotian Shenjun.

Gudong!

Seeing Haotian Divine Sovereign appearing, Gong Ao secretly swallowed his saliva, feeling inexplicably nervous.

Speaking of which, Gong Ao's status in the Divine Realm is not low, and he is also greatly appreciated by the Nine Heavens God, but compared with Haotian God Sovereign, he is still much worse.

“Gong Ao!”

At this time, Haotian Divine Sovereign's eyes were locked on Gong Ao: “His Royal Highness has captured Lei Shengyun, the lord of the Holy Sect, and went to the Five Poison Sect to save you. Where is she now?”

asked At these times, Haotian Divine Sovereign's face was cold, without the slightest fluctuation.

After two hours of money, after Haotian Shenjun captured Yue Feng, he sent him directly back to God's Domain, and then returned to Kyushu to find Princess Dongling.

Passing by here just now, Haotian Divine Sovereign found Gong Ao walking down the street in despair, and immediately came down to ask.

This...

In the face of Haotian Divine Sovereign's questioning, Gong Ao only felt that his heart was suddenly suspended, and he was sweating profusely.

How to do? How should I answer myself?

With his mind spinning rapidly, Gong Ao took a deep breath and said, “Reporting to the Lord, after the princess replaced me with Lei Shengyun, she left immediately, and her subordinates did not know where she was.”

When answering , Gong Ao lowered his head deeply, not daring to meet Haotian Divine Sovereign.

Although he drank a lot of wine, Gong Ao was still very clear-headed and knew that he could not tell the whereabouts of Princess Dongling, because once he did, Haotian Divine Sovereign would definitely bring the princess back to the Divine Realm.

At that time, the plan of seclusion and escape will fail, and the princess must be very sad.

call!

Hearing this, Haotian Shenjun frowned and looked at Gong Ao suspiciously: "I don't know?"

Gong Ao was sweating coldly, but he still gritted his teeth and said: "I really don't know, maybe, she has returned to the realm of the gods. ."

"It's impossible!" Haotian Shenjun denied it, and said lightly: "I just came from God's Domain. If there is news about the princess, I won't be looking for so long!"

After speaking, Haotian Shenjun suddenly thought of something and stared at it closely. Gong Ao: "Gong Ao, I'll ask you one more question."

Gong Ao lowered his head, very respectful: "God, may I ask."

"Your Highness, Princess, has always been stubborn and willful, but this time he is desperate to save you." Haotian God The king looked at Gong Ao up and down, and said word by word: "For your safety, I did not hesitate to damage the prestige of God's Domain, and captured Lei Shengyun and gave it to Bai Yunfei. Why is this?"

Speaking of this, Haotian Divine Monarch's eyes flickered. : "Is there any secret between you and the princess?"

Putong!

The last sentence fell, Gong Ao's heart trembled, his legs were weak, he knelt down directly, his voice trembled: "Shenjun Mingjian, Princess Jinzhiyuye, I'm just a commander, how can there be a secret between us?"

Saying this At that time, Gong Ao was very flustered.

Haotian Shenjun has an upright personality, and is even more loyal to Jiutian God. With his personality, if he knows that he is going to run away with the princess, he will definitely not forgive himself lightly.

Perhaps, he will kill himself on the spot.

"Really?"

Feeling Gong Ao's nervousness, the corners of Haotian's mouth twitched, and he chuckled lightly: "But when I just left God's Domain, I heard rumors that you and the princess are in love with each other, not only that, you Have you ever written a love poem for a princess?"

Chapter 3975

Swish!

Hearing this, Gong Ao was completely panicked, knelt there trembling all over, and stammered to explain: "That's just a rumor, Her Royal Highness Princess has already made a marriage contract with Yue Feng, and they are about to get married soon. How dare I have a coveted heart?"

Haotian Shenjun pondered for a while, and said lightly: "If that's the case, then tell me, why does Her Royal Highness care so much about your safety?"

Princess Dongling actually arrested Chunyang in order to save Gong Ao. Giving the body to Demon Venerable to help him regenerate is a big taboo, and anyone else would doubt it.

Huh...

Gong Ao wiped the cold sweat from his forehead and whispered, "Maybe... Maybe the princess can't bear to see me in deep crisis because I've been loyal to Your Majesty for so many years, so she can help me.

"Gong Ao felt extremely uncomfortable.

The goddess she loves, she cannot admit it herself, and she has to make up lies to cover it up.

This is so frustrating.

But there is no way, in front of him is Haotian Divine Sovereign, who can easily kill his existence in seconds.

"Okay!"

Seeing Gong Ao's trembling look, Divine Monarch Haotian didn't ask any more questions, and nodded, "You don't have to be nervous, I just ask, if there is nothing between you and the princess, I'm relieved."

"You have to know that the princess is a golden branch and jade leaves, and her reputation is very important. You must be innocent. Even if you admire the princess, you must have your own measure. You must not be emotional and ruin your future."

"Yes, yes" Gong Ao didn't dare to refute, just nodded.

At this time, Haotian Shenjun stopped talking nonsense, looked around and said: "The whereabouts of the princess are unknown now, as the special envoy sent by God's Domain to Kyushu, you must not be slack in the slightest, please help me find the princess with all my strength, as soon as there is news, Just tell me immediately, do you know?"

“Yes!” Gong Ao nodded quickly.

At this moment, Gong Ao’s heart was also mentioned in his throat, because Princess Dongling was in a tavern not far away, if Haotian Divine Sovereign opened Yuanshen perception, everything would be exposed.

However, Gong Ao’s luck was good. God Sovereign Haotian didn’t investigate the whole town carefully, but after explaining a few words, he left with dozens of divine soldiers.

hum!

After Haotian Divine Sovereign left, the coercion that shrouded the entire town quickly disappeared, and for a while, the pedestrians who were locked there regained their freedom.

“What happened just now?”

“I don’t know..”

“I feel dizzy...it’s weird!”

Many pedestrians started talking, not knowing what happened just now.

Gong Ao’s eyes were dull, as if he could not hear the surrounding discussions, and walked towards the tavern step by step.

It was only a few hundred meters away from the tavern, but Gong Ao felt like he had walked for a long time.

How to do?

Gong Ao didn’t know how to get back to the tavern room, and when he got outside Princess Dongling’s door, his mind was still a little dazed.

I continue to travel the world with the princess, looking for a place to live in seclusion. Or.... send the princess back to the realm?

After wandering outside the door for a long time, Gong Ao finally made up his mind.

It is just a good wish to live in seclusion with the princess, and it is impossible to achieve. After all, Princess Dongling has a noble status. No matter where she lives in seclusion, the Nine Heavens God can easily find it.

Moreover, his career was also ruined, and he would even be executed by the Nine Heavens God.

More importantly, Princess Dongling's innocence was taken away by Yue Feng, which was an inextricable knot in Gong Ao's heart.

.....

in the room!

Princess Dongling woke up faintly after sleeping for a few hours.

Um?

The moment she opened her eyes, Princess Dongling was stunned, and saw that she was alone in the room, and Gong Ao disappeared.

"Gong Ao?"

In doubt, Princess Donglin called out softly.

The voice fell, the door was gently pushed open, and then Gong Ao walked in, he had been waiting outside the door.

"Princess!"

The moment he walked into the room, Gong Ao showed a smile: "Are you awake? Do you have a headache after drinking so much alcohol?"

Princess Dongling shook her head: "I'm fine, how can this Jiuzhou wine be compared to the Qiong Niu from God's Domain? I can drink more than a dozen jars. By the way, you are not allowed to call me a princess in the future, that's too outrageous. , we will be relatives in the future, you can just call me Dongling."

At this time, Princess Dongling didn't know that Gong Ao had changed his mind.

The ultimate husband in Chinese chapter 3971-3975

Chapter 3971

Call!

Hearing this, God Sovereign Haotian took a deep breath and said coldly, "No matter what the truth is, if you leave God's Domain without authorization, it would be wrong to escape marriage. After sending you back to God's Domain, I will only come back to find the princess." The

"Pfft..."

Hearing this, Princess Dongling was very moved, and at the same time couldn't help laughing: "Okay, you know that I'm good to you, don't be so nauseous..."

While speaking, Princess Dongling once again Fill up the wine.

Gong Ao smiled, feeling much better at this time, and then chatted with Princess Dongling while drinking.

At this time, in Gong Ao's heart, although he and Princess Dongling were finally married, he still did not agree with Princess Dongling's arrangement. After all, Princess Dongling has a special status and she is also the commander of the Divine Realm. God must be furious.

So, this matter needs to be considered in the long run.

However, at this time, Princess Dongling was in a hurry. Gong Ao didn't want to say it directly, so he decided to find an opportunity in the future and discuss it with her.

Unconsciously, the two drank from afternoon to evening.

Speaking of which, Gong Ao and Princess Dongling were both from the Divine Realm and possessed Primordial Spirit. Drinking the liquor from Kyushu was like drinking water, but after several hours of booze, they couldn't stand the anesthesia of alcohol in the end.

"Gong Ao!"

At this time, Princess Dongling drank another glass of wine, her beautiful face was flushed with a hint of redness, and her eyes were full of drunkenness, she said slowly, "We will be married couples in the future, there is something to do. , if I keep hiding it from you, I'll be sorry."

Chapter 3973

"What's the matter?" Gong Ao smiled and said.

Princess Dongling bit her lip tightly and did not respond for a while, but fell into inner struggle.

Feeling that the atmosphere was not right, Gong Ao's expression became solemn: "Princess, what's wrong? Is it something to do with Your Majesty ?

"

....I'm not clear anymore..." After speaking, he briefly explained what happened with Yue Feng in the bedroom at that time.

At the end of the story, Princess Dongling was shy, with a bit of inferiority in her eyes, and she didn't look at Gong Ao.

To be honest, Princess Dongling intends to keep this matter a secret, but she loves Gong Ao so much that she feels that keeping this matter a secret is disrespect to Gong Ao.

When she was sober before, Princess Dongling was ashamed to open her mouth, but at this time, she said it through drunkenness.

What?

At this moment, Gong Ao's heart trembled, and the smile froze on his face.

Princess... Princess and Yue Feng...

After a few seconds, Gong Ao thought that he had heard it wrong, and looked at Princess Dongling closely: "Palace Master, you are... drunk, don't talk nonsense. Talk !"

When he said this, Gong Ao only felt uncomfortable in his heart.

He hoped that these were all fake, but looking at Princess Dongling's expression, it didn't look like it at all.

You must know that Gong Ao has admired Princess Dongling for so many years, and has always regarded her as a pure goddess in her heart. Suddenly, the goddess lost her innocence, which was like a bolt from the blue.

“Gong Ao!”

Princess Dongling shook her head and said drunkenly: “I’m not talking nonsense, it’s all true, you know? I hate Yue Feng, but he is the Nine Heavens Profound Sage. I can’t kill him at all!”

“Because of this, the father and mother wanted to hold a wedding for us in order to save the royal face.”

“But I like you, so I ran away desperately. Come out..”

At the end of the sentence, Princess Dongling’s eyes were so blurry that she couldn’t hold it anymore.

At this...

At this moment, Gong Ao was completely stunned, only to feel his brain buzzing, and the whole person seemed to have lost all strength and was empty.

But looking at the grievance in Princess Dongling’s eyes, Gong Ao squeezed out a smile and gently comforted: “Princess, you are so stupid, in my heart, you are the most perfect goddess, why would I mind this? Besides, It’s not your fault that such a thing happened!”

Hearing this, Princess Dongling showed a smile: “Gong Ao, you are so kind to me...” After saying this, she fell into Gong Ao’s arms. , fell into a deep sleep.

After drinking so much wine and telling the secret in her heart, Princess Dongling was relieved and rested peacefully in Gong Ao’s arms.

At this moment, Gong Ao was holding Princess Dongling, but his heart was full of mixed feelings, especially under the anesthesia of alcohol, his mood was even more chaotic.

Mad!

Under the pain in his heart, Gong Ao’s eyes gradually became blood red.

Yue Feng, you have taken away the princess’ innocence, and I am at odds with you.

Thinking about it, Gong Ao gently picked up Princess Dongling and sent it to the upper room to rest, and then returned to the wine table alone.

“boom!”

Sitting back at the wine table, Gong Ao became annoyed the more he thought about it, and slapped the table with a slap in the face. In an instant, the table was torn apart, and several jars of fine wine were also shattered on the ground.

The tavern guy not far away was startled, but seeing Gong Ao's face, he didn't dare to come and ask.

At this time, Gong Ao felt extremely uncomfortable, why? Why it came out like this? I thought that if the princess rescued herself desperately, she would be able to live together, why must Yue Feng be mixed in?

I can't be reconciled...

“Continue serving me wine!” Gong Ao's eyes were blood red, and he shouted while patting the table.

He was in a bad mood, it was hard! Thinking of the princess' innocence being taken away by Yue Feng, Gong Ao's heart felt as uncomfortable as a knife twisted.

You know, that is the goddess that I have admired for nearly a thousand years.

Soon, the wine was delivered!

“Gudong, Gudong!”

Gong Ao directly opened the wine jar and poured it into his mouth with big mouthfuls. The so-called drunkenness relieves a thousand sorrows. Only when you are drunk can you be free from troubles.

However, Gong Ao kept things in his heart, and the more he drank, the more sober his mind became.

Not knowing how many altars he drank, Gong Ao left the tavern and walked aimlessly on the streets of the town.

Chapter 3974

It is already late at night. Although the town is not big, it is very lively. It is still crowded at such a late hour, and it is very lively. However, in Gong Ao's heart, there is a sense of desolation and loneliness.

Princess Dongling whom she admired was no longer perfect.

And as the special envoy of the Divine Realm, the leader of the Nine Heavens God was captured by Bai Yunfei, and he lost all the face of the Divine Realm.

These things went over and over in Gong Ao's mind, like a spell, constantly eroding his nerves.

Why?

Why is this happening?

hum!

Just when Gong Ao was struggling in his heart, suddenly, an incomparably terrifying pressure came from the sky, and soon, this powerful pressure enveloped the entire town.

Under the shroud of this terrifying atmosphere, I saw the crowds coming and going on the street, all of a sudden they were frozen in place, and they didn't move, as if they were frozen.

This... This is the coming of Haotian God?

Seeing this scene, Gong Ao instantly sobered up a lot.

Before showing up, he displayed such a terrifying power, and he could virtually immobilize the entire town's human beings. Those with this ability, except for the Nine Heavens God, were the Haotian Divine Sovereign.

Swish swish...

While muttering in my heart, Gong Ao saw that dozens of silhouettes slowly emerged in the air, all armored, majestic, and the leader wearing purple-gold armor, unparalleled domineering!

It is Haotian Shenjun.

Gudong!

Seeing Haotian Divine Sovereign appearing, Gong Ao secretly swallowed his saliva, feeling inexplicably nervous.

Speaking of which, Gong Ao's status in the Divine Realm is not low, and he is also greatly appreciated by the Nine Heavens God, but compared with Haotian God Sovereign, he is still much worse.

"Gong Ao!"

At this time, Haotian Divine Sovereign's eyes were locked on Gong Ao: "His Royal Highness has captured Lei Shengyun, the lord of the Holy Sect, and went to the Five Poison Sect to save you. Where is she now?"

asked At these times, Haotian Divine Sovereign's face was cold, without the slightest fluctuation.

After two hours of money, after Haotian Shenjun captured Yue Feng, he sent him directly back to God's Domain, and then returned to Kyushu to find Princess Dongling.

Passing by here just now, Haotian Divine Sovereign found Gong Ao walking down the street in despair, and immediately came down to ask.

This...

In the face of Haotian Divine Sovereign's questioning, Gong Ao only felt that his heart was suddenly suspended, and he was sweating profusely.

How to do? How should I answer myself?

With his mind spinning rapidly, Gong Ao took a deep breath and said, "Reporting to the Lord, after the princess replaced me with Lei Shengyun, she left immediately, and her subordinates did not know where she was."

When answering , Gong Ao lowered his head deeply, not daring to meet Haotian Divine Sovereign.

Although he drank a lot of wine, Gong Ao was still very clear-headed and knew that he could not tell the whereabouts of Princess Dongling, because once he did, Haotian Divine Sovereign would definitely bring the princess back to the Divine Realm.

At that time, the plan of seclusion and escape will fail, and the princess must be very sad.

call!

Hearing this, Haotian Shenjun frowned and looked at Gong Ao suspiciously: "I don't know?"

Gong Ao was sweating coldly, but he still gritted his teeth and said: "I really don't know, maybe, she has returned to the realm of the gods. ."

"It's impossible!" Haotian Shenjun denied it, and said lightly: "I just came from God's Domain. If there is news about the princess, I won't be looking for so long!"

After speaking, Haotian Shenjun suddenly thought of something and stared at it closely. Gong Ao: "Gong Ao, I'll ask you one more question."

Gong Ao lowered his head, very respectful: "God, may I ask."

"Your Highness, Princess, has always been stubborn and willful, but this time he is desperate to save you." Haotian God The king looked at Gong Ao up and down, and said word by word: "For your safety, I did not hesitate to damage the prestige of God's Domain, and captured Lei Shengyun and gave it to Bai Yunfei. Why is this?"

Speaking of this, Haotian Divine Monarch's eyes flickered. : "Is there any secret between you and the princess?"

Putong!

The last sentence fell, Gong Ao's heart trembled, his legs were weak, he knelt down directly, his voice trembled: "Shenjun Mingjian, Princess Jinzhiyuye, I'm just a commander, how can there be a secret between us?"

Saying this At that time, Gong Ao was very flustered.

Haotian Shenjun has an upright personality, and is even more loyal to Jiutian God. With his personality, if he knows that he is going to run away with the princess, he will definitely not forgive himself lightly.

Perhaps, he will kill himself on the spot.

"Really?"

Feeling Gong Ao's nervousness, the corners of Haotian's mouth twitched, and he chuckled lightly: "But when I just left God's Domain, I heard rumors that you and the princess are in love with each other, not only that, you Have you ever written a love poem for a princess?"

Chapter 3975

Swish!

Hearing this, Gong Ao was completely panicked, knelt there trembling all over, and stammered to explain: "That's just a rumor, Her Royal Highness Princess has already made a marriage contract with Yue Feng, and they are about to get married soon. How dare I have a coveted heart?"

Haotian Shenjun pondered for a while, and said lightly: "If that's the case, then tell me, why does Her Royal Highness care so much about your safety?"

Princess Dongling actually arrested Chunyang in order to save Gong Ao. Giving the body to Demon Venerable to help him regenerate is a big taboo, and anyone else would doubt it.

Huh...

Gong Ao wiped the cold sweat from his forehead and whispered, "Maybe... Maybe the princess can't bear to see me in deep crisis because I've been loyal to Your Majesty for so many years, so she can help me.

" Gong Ao felt extremely uncomfortable.

The goddess she loves, she cannot admit it herself, and she has to make up lies to cover it up.

This is so frustrating.

But there is no way, in front of him is Haotian Divine Sovereign, who can easily kill his existence in seconds.

"Okay!"

Seeing Gong Ao's trembling look, Divine Monarch Haotian didn't ask any more questions, and nodded, "You don't have to be nervous, I just ask, if there is nothing between you and the princess, I'm relieved."

"You have to know that the princess is a golden branch and jade leaves, and her reputation is very important. You must be innocent. Even if you admire the princess, you must have your own measure. You must not be emotional and ruin your future."

"Yes, yes" Gong Ao didn't dare to refute, just nodded.

At this time, Haotian Shenjun stopped talking nonsense, looked around and said: "The whereabouts of the princess are unknown now, as the special envoy sent by God's Domain to Kyushu, you must not be slack in the slightest, please help me find the princess with all my strength, as soon as there is news, Just tell me immediately, do you know?"

"Yes!" Gong Ao nodded quickly.

At this moment, Gong Ao's heart was also mentioned in his throat, because Princess Dongling was in a tavern not far away, if Haotian Divine Sovereign opened Yuanshen perception, everything would be exposed.

However, Gong Ao's luck was good. God Sovereign Haotian didn't investigate the whole town carefully, but after explaining a few words, he left with dozens of divine soldiers.

hum!

After Haotian Divine Sovereign left, the coercion that shrouded the entire town quickly disappeared, and for a while, the pedestrians who were locked there regained their freedom.

"What happened just now?"

"I don't know.."

"I feel dizzy...it's weird!"

Many pedestrians started talking, not knowing what happened just now.

Gong Ao's eyes were dull, as if he could not hear the surrounding discussions, and walked towards the tavern step by step.

It was only a few hundred meters away from the tavern, but Gong Ao felt like he had walked for a long time.

How to do?

Gong Ao didn't know how to get back to the tavern room, and when he got outside Princess Dongling's door, his mind was still a little dazed.

I continue to travel the world with the princess, looking for a place to live in seclusion. Or.... send the princess back to the realm?

After wandering outside the door for a long time, Gong Ao finally made up his mind.

It is just a good wish to live in seclusion with the princess, and it is impossible to achieve. After all, Princess Dongling has a noble status. No matter where she lives in seclusion, the Nine Heavens God can easily find it.

Moreover, his career was also ruined, and he would even be executed by the Nine Heavens God.

More importantly, Princess Dongling's innocence was taken away by Yue Feng, which was an inextricable knot in Gong Ao's heart.

.....

in the room!

Princess Dongling woke up faintly after sleeping for a few hours.

Um?

The moment she opened her eyes, Princess Dongling was stunned, and saw that she was alone in the room, and Gong Ao disappeared.

“Gong Ao?”

In doubt, Princess Donglin called out softly.

The voice fell, the door was gently pushed open, and then Gong Ao walked in, he had been waiting outside the door.

“Princess!”

The moment he walked into the room, Gong Ao showed a smile: “Are you awake? Do you have a headache after drinking so much alcohol?”

Princess Dongling shook her head: “I’m fine, how can this Jiuzhou wine be compared to the Qiong Niu from God’s Domain? I can drink more than a dozen jars. By the way, you are not allowed to call me a princess in the future, that’s too outrageous. , we will be relatives in the future, you can just call me Dongling.”

At this time, Princess Dongling didn’t know that Gong Ao had changed his mind.

The ultimate husband in Chinese chapter 3976-3980

Chapter 3976

Uh...

Hearing this, Gong Ao was a little embarrassed, then nodded and said, “Okay.”

“Where did you go just now?” Princess Dongling asked curiously.

Gong Ao thought for a while, and made up a reason at random: “I went outside to inquire about the situation nearby to see if there is a place with a good environment and a place to stay.”

Princess Dongling showed a smile: “It’s really thoughtful, then Have you found it?”

“I found it!”

Gong Ao smiled and said, "It's just a few dozen miles away!"

When he said this, Gong Ao looked serious, but was a little flustered in his heart. It was made up for the purpose of making Princess Dongling relax his vigilance.

Princess Dongling was very happy, clapped her hands and said, "Great, when we arrive, let's build a small wooden house, no, let's build a beautiful pavilion..."

While speaking, Princess Dongling couldn't wait to pull Gong Ao out of the room.

Papa...

But as soon as he walked out of the room, Gong Ao suddenly raised his hand and tapped Princess Dongling's back a few times, sealing her Primordial Spirit power.

Princess Dongling walked in front, completely not expecting that Gong Ao would suddenly take action, unprepared. At that time, her delicate body trembled, and she couldn't move.

"Gong Ao..."

At this moment, Princess Dongling's beautiful face was full of astonishment. She looked at Gong Ao and said, "What are you doing?"

This chapter is provided by . Visit for daily update.

Gong Ao sighed, because of his guilty conscience, he didn't dare to talk to Dongling at all. The princess looked at each other and said slowly: "My Royal Highness, I'm sorry, I did this out of necessity."

"You are a high princess, and I am just a small commander. Although I am greatly used by Your Majesty, I am not worthy of you at all. I wrote love poems for you before, and it was completely over my head, so you treat me as a clown, Forget it."

Gong Ao felt very uncomfortable when he said this.

He didn't want that either.

But messing around with the princess is completely digging one's own grave.

"Are you crazy?"

Hearing this, Princess Dongling's body trembled and she was so anxious: "What nonsense are you talking about? Don't you like me? Now that we are together, why do you want to do this again?"

Gong Ao did not In response, she knocked Princess Dongling unconscious and carried her into the sky.

After half an hour's flight, Gong Ao arrived at the top of a mountain. Before, Haotian Shenjun agreed with him that after finding Princess Dongling, he would meet here.

When he reached the top of the mountain, he saw that Haotian God Monarch was meditating there, and he sent all the hundreds of thousands of divine soldiers and generals from the Divine Realm to all parts of Kyushu to look for Princess Dongling.

Huh...

Hearing the movement, Haotian Shenjun slowly opened his eyes and saw Gong Ao coming with Princess Dongling in his arms. He immediately showed a smile, and at the same time he was a little curious: "What's wrong with Your Highness Princess?"

Gong Ao Jiang Dong Princess Ling put it down gently and said respectfully, "Returning to God, Your Highness, the princess just drank a little wine, but she hasn't woken up yet." After

speaking, Gong Ao thought for a while, and continued: "When this subordinate found the princess, she had already drank it. She was drunk, so I quickly brought her here." He did

n't dare to say anything about knocking the princess unconscious.

Um!

Haotian Shenjun nodded and praised: "Very good, although you were caught by Bai Yunfei before and lost the face of God's Domain, but finding the princess in time now can be considered to have made up for it! When you return to Kyushu, I will help you. Your Majesty said it."

In the mind of Haotian God, as long as the princess can be found as soon as possible, the process is not important.

"Many thanks, God!" Gong Ao was full of gratitude, and at the same time heaved a sigh of relief.

Fortunately, God Sovereign did not ask in detail, otherwise it would be difficult to answer.

...

the other side! Holy area.

In the sky prison behind Yuyao Xianyuan, Yue Feng sat there with a restless expression on his face.

I saw that there were divine soldiers guarding the sky prison. Not only that, but the two exits were also deployed with barriers, which were heavily guarded. It could be said that not a fly could get out.

Mad!

Faced with this situation, Yue Feng almost wanted to cry without tears.

He was under house arrest before and had a chance to escape, but now he is locked in the sky prison, with no chance at all.

How to do it?

In anxiety, Yue Feng suddenly thought of something, his eyes flashed, and then he took out something from his body.

It was Yutong Xianweng who gave him a glimpse of the spiritual bones before.

Chapter 3977

Yutong Xianweng said that this peeping spirit bone has the ability to predict the prophet, and can only be used when facing a desperate situation. At this time, isn't it the right time to be trapped in the sky prison and unable to escape?

Thinking to himself, Yue Feng did not hesitate, and directly injected the power of Yuanshen into the spiritual bones of the sky.

hum!

At this moment, I saw a ray of light blooming from the spiritual bones of the sky, and then, the air in the entire cell distorted and changed, and then transformed into an illusory scene.

I went...

Seeing the scene in front of him, Yue Feng couldn't help but gasp, and he was completely stunned.

I saw that in that illusory scene, it was the Imperial Palace of God's Domain, with the flames of war all around, and two figures were fighting endlessly above the palace.

One was extremely evil, and the other was wearing a golden dragon robe.

It is the Nine Heavens God and the Demon Lord Gone.

Because it was an illusory scene, Yue Feng couldn't hear the sound, but even so, he could feel the intensity of the battle.

This...

After watching this for a few minutes, Yue Feng regained his senses, only to feel his brain buzzing.

Seeing such a scene in the spirit bones of the sky, it shows that after a few days, the successful rebirth of the Demon Lord Gone is a fact, and it cannot be changed.

Thinking to himself, Yue Feng suddenly became anxious, staring at the illusory scene in front of him, wanting to see what else happened. But the illusory scene, which only existed for less than ten minutes, disappeared.

pat!

After the illusory scene disappeared, the peeping spirit bones also shattered directly, turned into powder, and dissipated in the air.

Seeing this, Yue Feng wanted to cry without tears.

Nima, I only have two peeping spirit bones in total, so I just consumed one? What made people speechless was that they only got the foreknowledge of being born with Demon Respect and would attack the Divine Realm. Others, there was no hint at all.

However, if the devil respects life, it is enough to shake the world.

Thinking of this, Yue Feng didn't have time to think about it, he quickly walked to the door of the prison and slapped vigorously: "Come on, come on!"

"What's the noise?"

As soon as he finished speaking, two divine soldiers walked over quickly, with faces on their faces. Very displeased.

The one in the lead said coldly at Yue Feng: "Yue Feng, what tricks do you want to play? I warn you, although you are now the concubine of the Jade Dragon and will soon marry the princess, your Majesty has an order, no matter what you say. What, we won't believe you." The

voice fell, and another interface said: "Yes, if you still want to escape from God's Domain, don't waste your time."

Nima!

Hearing this, Yue Feng was very depressed and didn't bother to talk nonsense: "I'm trapped here, what else can I do. Take me to see Your Majesty, I have something important to report."

Demon Lord Gone was reborn, This is no small matter.

Yue Feng thought about it, and when he told Jiutian God about this matter, Jiutian God would definitely not sit idly by, and would definitely take measures to deal with it as soon as possible. At that time, the wedding would be postponed. The wind has a chance to leave.

In short, he could not stay in God's Domain no matter what, let alone marry Princess Dongling.

important thing?

Seeing Yue Feng's anxious face, the two divine soldiers looked at each other.

Immediately, one of them asked, "What's the matter? Make it clear, otherwise, we wouldn't dare to take you out privately."

Hu...

Yue Feng took a deep breath and told the story of Mo Zunsheng. In the end, Yue Feng urged: "Quick, you miss a big thing, you can't afford it!"

Hearing this, the two guards did not dare to neglect, and hurriedly took Yue Feng to meet the Nine Heavens God.

Soon, when he arrived at the main hall of the bedroom, he saw that the Nine Heavens God was resting on the dragon couch. Empress Hua Zhao was accompanied by a long dress, with graceful curves and dignified beauty.

Um?

Seeing Yue Feng being brought in, Jiutian God's face instantly turned gloomy.

In the next second, the Nine Heavens God glared at the two guards: "Why did you bring him?"

Puff!

The two guards hurriedly knelt down, and one of them said, "Your Majesty, calm down, Yue Feng said there is something important to report."

Chapter 3978 Jiutian

God frowned, waved them to step back, and then looked at Yue Feng: "What are you going to tell?"

At the same time, Empress Hua Zhao looked at Yue Feng unhappily: "Yue Feng, we will It is your blessing that Dongling betrothed to you, but you took her away from marriage, what tricks do you want to play now?"

Er...

Yue Feng smiled bitterly and said, "How dare I play tricks?" With that said, Yue Feng directly said the illusory scene he had just seen.

Of course, Yue Feng didn't say that he used the peeping spirit bone, but only said that the devil is reshaping his body.

What?

Hearing this, Jiutian God's expression changed, he stood up directly from the dragon couch, and looked at Yue Feng with burning eyes: "What you said is true?"

"It is absolutely true." Yue Feng nodded again and again.

Jiutian God took a deep breath and looked at Empress Hua Zhao, both of them inexplicably shocked.

If the Demon Lord Gone was really reborn, the consequences would be unimaginable.

"Your Majesty!"

At this moment, a loud shout came from outside the door, and then, Haotian Shenjun walked in quickly with a slender figure.

The facial features are exquisite, but the eyes are scattered, as if the soul has been lost.

It was Princess Dongling.

On the way back to God's Domain, Princess Dongling woke up and learned that she had been abandoned by Gong Ao, and she couldn't accept it for a while, and almost collapsed at that time.

At this time, although he calmed down, his heart was still ashes.

I go!

Seeing this scene, Yue Feng secretly complained.

I thought that Princess Dongling went to rescue Gong Ao, and then flew away, but I didn't expect that she was caught by Haotian God so quickly.

Jiutian God glanced at Princess Dongling and snorted coldly.

Madam Hua Zhao's delicate face also showed a bit of displeasure, and she reprimanded Princess Dongling: "Dongling, you are really fooling around, you are about to get married soon, why did you follow Yue Feng to Kyushu? "

You're going to have a family soon, you can't do this in the future, you know?"

Hmm!

Princess Dongling nodded. There was no slight fluctuation on her delicate face. Gong Ao's abandonment had hit her too hard. At this time, she didn't care about anything.

"Haotian!"

At this moment, Jiutian God thought of something, looked at Haotian God Monarch: "Just now Yue Feng said that Demon Lord Gone is rebuilding his body in Kyushu, is it true?"

Haotian God Monarch thought for a while. , nodded and said: "Yes, when I was searching for the whereabouts of the concubine and the princess, I got the news that the Demon Lord Gone has left the magic mirror." After speaking

, Haotian Shenjun couldn't help but glance at Dongling Princess: "Also, Demon Zun Gone also got the body of pure yang."

Princess Dongling is His Majesty's daughter after all. She gave the body of pure yang as a condition to exchange Gong Ao and gave it to Demon Zun. good.

Pure Yang body?

At this moment, Jiutian God was stunned for a moment and frowned: "What's going on?"

Although Jiutian God is the master of God's Domain, he doesn't know very much about the matter of Demon Lord Gone, much less that Demon Lord. What are the prerequisites for Goni's rebirth?

call!

Haotian God Sovereign took a deep breath and responded, "Go back to Your Majesty, follow the rumors I heard that Demon Venerable needs to merge with the body of pure yang before he can be completely reborn."

It turned out to be the case!

Hearing this, Jiutian God looked at Yue Feng with a very solemn expression.

Seeing this, Yue Feng is right, that Demon Lord Gone is really about to be reborn.

Thinking of this, Jiutian God ordered Haotian Divine Lord: "In this case, you immediately lead the army and stop Mo Zun before he is born." After

speaking, Jiutian God felt inappropriate: "No, I want to do this. Royal driving and personal expedition!"

Haha...

Seeing this scene, Yue Feng was calm on the surface, but he was very excited.

God of the Nine Heavens is going to go on a personal expedition, so the wedding between himself and the princess must be put on hold for the time being.

"Your Majesty!" But at this moment, Empress Hua Zhao stood up and stopped the Nine Heavens

God: "Your Majesty wants to go personally, what about the daughter's wedding?" I'm done."

But...

Empress Hua Zhao was so anxious that Mozun's matter was important, but her daughter's marriage couldn't be stopped just by saying it.

Chapter 3979

Seeing that the Nine Heavens God was about to set off with Haotian Divine Sovereign, Empress Hua Zhao suddenly thought of something and shouted, "Your Majesty, I remembered, there is no need to rush about the Demon Venerable."

Huh?

Hearing this, Jiutian God stood up and looked back at Empress Hua Zhao: "Why are you so sure?"

At the same time, Yue Feng also frowned secretly, looking at Empress Hua Zhao very puzzled.

That Demon Lord Gone, who has obtained the body of pure yang, can be reborn at any time, why is there no need to worry in her mouth?

At this moment, Empress Hua Zhao breathed a sigh of relief and smiled at the Nine Heavens God: "I talked to Master about Demon Zun before, and I remember that Master once said that it is very difficult for Demon Zun Gone to be reborn, not only You need a body of pure yang, and you also need a body of pure yin. Only when yin and yang work together can you reshape your body." After speaking, Madam Hua Zhao's tone became relaxed: "Then the Demon Venerable now only has a body of pure yang, and there is still one pure yin missing. As for the body, it's only half the battle, why should we be so nervous?"

I'll go!

Yue Feng was stunned, only feeling that his mind was blank?

This demon respects life, but also pays so much attention, not only needs the body of pure yang, but also needs the body of pure yin?

At the same time, the Nine Heavens God was also stunned there.

In the next second, God of Nine Heavens looked at Empress Hua Zhao: "Really?"

Empress Hua Zhao smiled lightly: "Shizun's words, are they still fake? According to me, we still have room for manoeuvre, let Haotian go to Jiuzhou As long as we don't let him get the pure yin body, we can be invincible against the Demon Lord Gone." After speaking, Madam

Hua Zhao looked at Yue Feng and Princess Dongling: "This side of the God Realm, let's continue. Arranging the wedding, after all, is a daughter's life-long event, what do you think, Your Majesty?"

call!

Jiutian God took a deep breath and showed a smile: "If this is the case, then do as the mother said."

At this time, Jiutian God's mood suddenly relaxed.

Because Empress Hua Zhao said it was right, as long as Demon Venerable was prevented from obtaining the body of pure yin, Divine Realm would be invincible.

Nima!

Seeing this scene, Yue Feng didn't know whether to laugh or cry, and his mood became depressed.

After tossing for a long time, this wedding still hasn't escaped.

At this time, the God of the Nine Heavens, as well as Empress Hua Zhao and Yue Feng, did not know that the Demon Zun Gone had obtained the body of pure yin long ago.

.....

the other side. Xia Yinzong.

After more than six hours, Nalan Wushuang and others, who were locked in the hall, finally unlocked the acupoints one by one.

“Quick!”

At this moment, Nalan Wushuang couldn't think much, and shouted at the crowd: “Go to the forbidden area in the back mountain.” The voice fell, Nalan Wushuang's delicate body flashed, and the first one rushed out of the hall.

After so long, Yue Feng and the powerful old man must have rescued Wen Chou Chou and everyone. But no matter what, go see the situation.

Elder Huo and Elder Feng did not dare to neglect, and followed closely behind.

call!

Soon, when they arrived at the forbidden area of the back mountain, seeing the scene in front of them, both Nalan Wushuang and Elder Huo were all stunned.

I saw at the bottom of the hole, Wen Chou Chou and the others were sitting cross-legged, each with a ruddy look, completely gone. very nice.

How could this be?

Seeing this scene, everyone in Nalan Wushuang was dumbfounded.

This Jiaolong is about to break through, and has a tyrannical personality. Under such circumstances, he didn't even attack Wen Chou Chou. It's incredible.

“Roar!”

At this moment, he heard a roar from the Flood Dragon, and then, a huge figure rose into the sky, and at the same time, a dazzling light burst out from the Flood Dragon's body.

Nalan Wushuang and everyone could clearly see that the deep black scales of the Jiaolong gradually turned into bright white, and then sharp claws slowly appeared under the abdomen.

Turn the dragon into a dragon!

This is going to turn into a dragon.

At this moment, everyone present was extremely shocked, and one by one was completely stupid.

Boom...

Just as the Jiaolong gradually transformed into a white dragon, the sky was suddenly covered with dark clouds, and then, lightning bolts cut through the sky and slammed down towards the white dragon.

Yes, this is exactly the thunder calamity that Jiaolong is about to face!

Chapter 3980

“Roar...”

Facing the thunder and lightning, Jiaolong raised his head and roared, with a posture of refusing to admit defeat, but his eyes flashed with nervousness. Know how many Jiaolong lost in this last step.

“We're here to help you!”

At this moment, the Wen Chou Chou people sitting cross-legged below opened their eyes one after another and rose into the sky.

Buzz Buzz...

The next second, Wen Chou Chou and everyone broke out in unison, and jointly deployed a protective film on the top of Jiaolong's head to help it resist the bombardment of thunder tribulation.

Boom boom boom... At

the moment when the protective film was formed, countless thunder and lightning crashed. In an instant, dust and smoke filled the distance for a kilometer, the cave collapsed, and the mountains shook, as if the world was ending.

Nalan Wushuang didn't have time to think about it, and retreated to dodge.

After more than ten minutes passed, the dust and smoke gradually dissipated, and a huge snow-white figure was seen hovering in the air. It was the Flood Dragon.

As for Wen Chou Chou, everyone stood on the back of the dragon, because they helped resist the thunder tribulation before, their faces were pale, but their faces were full of smiles.

“The passage of Xia Yinzong!”

At this time, Wen Chou Chou stood on the dragon's back and shouted at Nalan Wushuang below: “It is indeed a misunderstanding that Yue Feng killed your former head, but we still have it for a while. I can't show any evidence.”

“It's understandable for you to arrest us here, but we didn't plan to care about it. Besides, we will definitely find out the truth.

” Changliu, we will have an appointment in the future.”

The last sentence fell, Wen Chou Chou lightly patted the dragon's back, and the white dragon roared, rose into the sky, and disappeared between the clouds in the blink of an eye.

Damn...

At this moment, Nalan Wushuang's complexion changed, unspeakably ugly, and when she wanted to stop it, Wen Chou Chou and everyone had already driven away on the white dragon.

Nalan Wushuang was very angry at this time.

On his own territory, watching Wen Chou Chou and others leave, it is simply a great shame. What is even more unacceptable is that the Jiaolong in the forbidden area has become friends with them.

Behind them, Elder Huo and Elder Feng all had complicated expressions on their faces.

Soon, Nalan Wushuang reacted and ordered the elder Huo and everyone: “You go to trace the whereabouts of Wen Chou Chou and others immediately!”

After saying this, Nalan Wushuang's delicate body flashed and flew high into the sky, towards the direction of the Five Poison Sect. rush.

Today's Ouyang family has a white dragon to help out. It is very difficult for Xia Yinzong to deal with it, so he can only ask Bai Yunfei for help.

.....

At this moment, the Five Poison Sect.

In the secret room, the Demon Lord Gone looked at Lei Shengyun, who was tied with five flowers, and showed a smug smile.

"Haha..."

"The body of pure yang is really the body of pure yang."

"I'm finally going to be reborn, this day, I've been waiting for too long!"

Facing this situation, Lei Shengyun was inexplicably terrified: "You... Who are you?"

The man in front of him was covered in blood, and he couldn't see the slightest bit of skin, just like a demon, especially the breath that permeated his body, which made people feel terrified from the bottom of their hearts.

"who I am?"

Demon Lord Gone chuckled lightly: "I am the master of the whole world. And you are just my rebirth stage, an important supplement, you should feel honored."

Om!

The voice fell, and the Demon Lord Gone turned into a cloud of blood, directly covering Lei Shengyun.

"Ah..."

At this moment, Lei Shengyun felt that his entire body's strength and qi and blood were madly absorbed by the blood mist.

However, Lei Shengyun's power was completely insignificant in front of Demon Venerable.

boom!

Finally, Lei Shengyun's cry became weaker and weaker, his life stopped, and his figure fell to the ground, but after falling to the ground, only a skeleton remained.

At this time, the blood mist slowly condensed, restored the appearance of Demon Venerable, and then sat cross-legged and began to merge with Lei Shengyun's pure Yang body.

Buzz...

Under the fusion, I saw the bloody body of the Demon Lord Gone, slowly giving birth to skin, followed by eyes, mouth... At the same time, an incomparably terrifying and vast force filled the entire secret room.
