

The ultimate husband in Chinese chapter 3981-3990

Chapter 3981

As the filling power became stronger and stronger, the secret room collapsed instantly, and a dazzling blood-colored light pierced through the sky and through the heavens and the earth.

Boom...

At the same time, the whole earth shook violently, and the sky was dark clouds rolling.

At this moment, both Bai Yunfei and the disciples of the Five Poison Sect came out to watch.

I saw that Demon Lord Gone was suspended in midair, with blood-colored lightning flashing above his head, and a terrifying aura constantly erupted from his body, sweeping the world.

This...

Seeing this scene, all the disciples of the Five Poison Sect were stunned, only their legs felt weak.

Is this the power of the rebirth of Your Excellency Demon Venerable?

Haha...

Bai Yunfei looked up at Gone's figure with excitement and madness in his eyes.

I did it, I really did it.

Mo Zun succeeded in giving birth, and he finally fulfilled his ancestor's last wish.

Whoosh!

Just when Bai Yunfei was very excited, he saw a slender figure in the air not far away, coming quickly.

The curves are graceful, and the delicate facial features reveal a bit of anxiety.

This chapter is provided by . Visit [for](#) daily update.

It is Nalan Wushuang.

Huh ...

Soon, Nalan Wushuang landed quickly and looked up at Gone in mid-air, his delicate body trembled, and his mind was a little messy.

What a terrifying breath, this figure...somewhat familiar.

At this time, Bai Yunfei came slowly and said with a smile, "Miss Nalan, why are you here? But you came just in time, do you see? This is the great Lord Mozun."

"Your Excellency Mozun, will take us with you. , Let's fight against God's Domain together..."

Nalan Wushuang didn't seem to hear Bai Yunfei's words, and his eyes were always on Gone in mid-air.

"This figure..."

After more than ten seconds, Nalan Wushuang reacted and murmured: "I think I have seen him, he was in a pool full of blood, and my mother seemed to be there at the time."

"..."

Nalan Wushuang covered his head in pain.

At this time, some incomplete fragments appeared in Nalan Wushuang's mind, and those fragments were exactly the scene of Nalan Qing's murder. It's just that Nalan Wushuang has not been able to connect these fragments together.

Speaking of which, it was impossible for Nalan Wushuang to take Wangyou Water, but at this time, he saw the Demon Lord Gone, and at the same time, under the shroud of his great power, the effect of Wangyou Water gradually disappeared, and then he remembered it. Some.

Memory restored?

Seeing this situation, Bai Yunfei frowned secretly, and then said with a fake smile: "Miss Nalan, since you are a little uncomfortable, why don't you go to the back and rest first."

Nalan Wushuang nodded, what happened to himself? Why all of a sudden, my mind is in a mess.

At this time, Nalan Wushuang did not realize that a catastrophe was waiting for her.

Soon, in a secret room at the back, Bai Yunfei suddenly shot and sealed Nalan Wushuang's acupuncture point.

"You..." Nalan Wushuang was furious.

Because he didn't fully recover, Nalan Wushuang still didn't understand how Bai Yunfei, who was an ally, suddenly attacked him.

Before she could finish speaking, Bai Yunfei laughed evilly and interrupted her words: "Miss Nalan, don't be nervous, I'm here to reunite you with your mother!"

At this time, Your Excellency Mozun has been reborn successfully. Xia Yinzong also has no value in using it.

Reuniting yourself with your mother?

Nalan Wushuang's delicate body trembled, and she had a bad premonition!

"Hehe!"

At this time, Bai Yunfei smiled, his tone full of teasing: "Miss Nalan, you haven't remembered it yet?"

After speaking, Bai Yunfei's face showed a trace of grimness: "Your mother doesn't It was not killed by Yue Feng, but was dedicated to His Excellency Mozun by me. Speaking of which, I have no grudges with your Xia Yinzong, and I even got your help. I shouldn't have done this. But who made your mother pure and innocent? What about the body of yin?"

"Now, Your Excellency Demon Venerable, has been reborn successfully, so I don't need to keep you anymore!"

Om!

At this moment, Nalan Wushuang's mind went blank! The whole person was stunned. Then, some fragments kept flashing in my mind, and finally they were connected together....

I remembered, and I remembered... In an

instant, with Bai Yunfei's reminder, Nalan Wushuang instantly thought of that time. The scene was filled with anger and grief in his heart, and his delicate body kept trembling.

It's him, all this is Bai Yunfei...

It was not Yue Feng who really killed his mother, but Bai Yunfei and Mozun...

I blamed Yue Feng and blamed him.

Chapter 3982

“Bai Yunfei!”

Under the grief and anger, Nalan Wushuang blushed and stared at Bai Yunfei: “You better kill me immediately, otherwise, I will not let you go!”

” The tragic death of her mother, Nalan Wushuang’s delicate body trembled, and her heart was cut like a knife.

“Begging to die?”

Facing Nalan Wushuang’s glaring glares, Bai Yunfei smiled contemptuously and said lightly, “You want to die, but I won’t let you die!” The

voice fell, Bai Yunfei took out a blood-colored elixir from his body and left. When he got to Nalan Wushuang, he opened her lips and quickly stuffed it inside.

It is the soul-devouring bloodworm.

Bai Yunfei planned to get rid of Nalan Wushuang directly, but after thinking about it, Your Excellency Mozun has just been reborn.

Gudong!

Bai Yunfei’s speed was very fast, and before Nalan Wushuang could react, the soul-eating bloodworm had already swallowed it.

“You... what did you give me to eat?” Nalan Wushuang shouted at Bai Yunfei in shock and anger.

Bai Yunfei sneered: “What are you nervous about? You’re not even afraid of death, but a small pill?”

Bai Yunfei’s tone became colder, staring at Nalan Wushuang: “The pill I gave you just now. In the medicine, there is a soul-devouring blood worm, which is hatched with the power of the demon soul

. Your life is in my hands now, I want you to die, you can die!”

What?

Hearing this, Nalan Wushuang’s pretty face changed, completely stupid.

“Miss Nalan!”

Looking at her expression, Bai Yunfei showed a smile: "I know you are not afraid of death, but you should also consider Xia Yinzong. Once the soul-devouring bloodworm attacks, you will lose your mind and be completely controlled by me!

" So, you better listen to me, otherwise, I will urge the soul-devouring bloodworm to use your hand to destroy the entire Xia Yinzong."

"You..."

Nalan Wushuang bit her lip tightly, I was about to bleed, I wanted to curse, but I held back.

She never thought that Bai Yunfei would be so insidious, to actually give herself the soul-devouring bloodworm and threaten the entire Xia Yinzong.

.....

At this moment, in the sky outside the Five Poison Sect.

Boom

As the breath of Demon Lord Gone's body became stronger and stronger, the sky and the earth were surging, black mist covered the sky, and the originally sunny weather suddenly became dark and gloomy.

Not only that, the entire continent of Kyushu, the earth trembled endlessly, the river stopped flowing... Everywhere the beautiful mountains and rivers became worse than the wild and strange land.

Phew...

Seeing this scene, all the disciples of the Five Poison Sect present trembled, completely stunned.

Boom!

Under the violent earth shaking, there was a roar in the canyon not far from the main altar of the Five Poison Sects, and I saw that the huge trapping formations that had been jointly deployed by the various sects were collapsing one after another.

This huge trapping formation was built to deal with the ancient poisonous scorpion at that time, and it turned into a pile of ruins in less than a few minutes.

"Roar!"

The trapped formation collapsed, the ancient poisonous scorpion inside let out a roar, and the huge body rose into the sky, heading straight for the Demon Lord Gone in the sky.

The ancient poisonous scorpion had a brutal temperament. As long as it encountered a living creature, it would take the initiative to attack, regardless of the identity of the opponent.

“Ouch...”

At the same time, the poisonous people who were trapped with the ancient poisonous scorpion also swarmed out at this time. These poisonous people, whose previous identities were all elite disciples of the Heavenly Dao League, were covered in their bodies at this time. With highly poisonous up and down, one by one lost their senses and turned into a group of monsters.

Oops!

Seeing this scene, many disciples of the Five Poison Sect changed their expressions greatly and were terrified.

So many poisonous people, out of control, can't imagine the consequences.

At the same time of shock, the eyes of many people are also looking at the sky.

I saw that the ancient poisonous scorpion flapped its wings, and the speed was lightning fast, and in the blink of an eye, it was in front of the Demon Lord Gone.

“Hoho...”

At this moment, the ancient poisonous scorpion opened its bloody mouth, and at the same time it roared, it also sprayed out a cloud of poisonous mist, shrouding the Demon Lord Gone.

It's just that those poisonous mists were blocked by an invisible protective film when they reached the Demon Lord Gone.

At this time, the Demon Lord Gone, with absolute contempt in his eyes, sneered at the ancient poisonous scorpion: “I have always been a small poisonous insect, and dare to be presumptuous in front of the deity? Get off me.”

Chapter 3983

Om!

As soon as the voice fell, the Demon Lord Gone raised his hand and hit it with a palm, and saw a blood-colored palm shadow roaring out.

This palm shadow became bigger and bigger, and when it came to the ancient poisonous scorpion, it was several hundred meters in diameter, carrying a terrifying power.

puff.

At the moment of landing, the ancient poisonous scorpion let out a wailing, and its huge body smashed to the ground, like a mountain collapsing, and the surrounding dust was filled with smoke.

Wow...

Seeing this scene, all the disciples of the Five Poison Sect were stunned for a moment, and then burst into cheers.

As expected of the Demon Venerable, with just one move, the terrifying ancient poisonous scorpion was severely damaged.

At this time, the Demon Lord Gone quickly landed on the head of the ancient poisonous scorpion, and said proudly: "If you offend the deity, it should have killed you, but it is not easy for you to live from the ancient times to the present. Moreover, The deity has just been reborn, and it is the time to employ people, so from now on, you can do things for me." The

voice fell, and the Demon Lord Gone cut his fingers and dripped a drop of blood on the top of the ancient poisonous scorpion's head.

"Hooho..."

The moment the blood dripped on the top of his head, he saw the eyes of the ancient poisonous scorpion flickering with intense panic, and at the same time, the huge body twitched continuously.

After a few minutes, the ancient poisonous scorpion calmed down and was no longer so violent. The huge body was crawling in front of the Demon Lord Gone, looking extremely docile.

This...

At this moment, everyone present was dumbfounded.

Just two tricks to conquer the terrifying ancient poisonous scorpion?

The strength of this Demon Lord is simply too perverted.

“Haha...”

At this moment, a figure flew over quickly, with endless excitement and excitement on his face, it was Bai Yunfei.

When he got to the front, Bai Yunfei respectfully said to Demon Lord Gone:
“Congratulations, Your Excellency, you have conquered the ancient poisonous scorpion so smoothly.”

Facing Bai Yunfei’s flattery, Demon Lord Gone’s face did not show the slightest emotional fluctuation, and said lightly. : “It’s just a poisonous insect, nothing to make a fuss about.”

After speaking, the Demon Venerable motioned Bai Yunfei to approach, and taught a few formulas: “This is the formula to control the ancient poisonous scorpion. With it, you can rule the continent of Kyushu, just around the corner!”

Bai Yunfei remembered a good formula, and was inexplicably excited: “This subordinate must live up to the expectations of Your Excellency Mozun.”

After speaking, Bai Yunfei thought of something, and asked curiously: “Mozun passed the formula to me, do you want to leave Kyushu?”

“Haha!” The

Demon Lord Gone smiled faintly, looked up at the cloud-covered sky above his head, and said with a playful expression: “Kyushu is just a little trouble for the deity, only by completely subverting the realm of the gods can we be considered a complete success. With

that said, the Demon Venerable exhaled softly and continued: “I heard from you before that the Nine Heavens God wants to marry his daughter, so the deity naturally wants to join in the fun.”

Buzz

.... I saw a powerful aura vibrating, coming from the layers of dark clouds.

Feeling this movement, Bai Yunfei looked up subconsciously.

hiss!

Seeing this, Bai Yunfei’s heart was shocked, and he couldn’t help taking a breath of cold air.

I saw hundreds of thousands of troops coming from the sky, wearing uniform golden armor. Hundreds of thousands of troops were suspended in mid-air, covering the sky and the sun, and the burst of breath caused the air to distort.

The headed one, wearing purple-gold armor, is full of divine power and majestic!

It is Haotian Shenjun.

What the hell!

Seeing this scene, Bai Yunfei's expression changed and he was shocked.

There are so many divine soldiers and generals in this divine domain?

Demon Lord Gone, on the other hand, looked indifferent.

"Mozun Gonie?"

At this time, Haotian Divine Sovereign stared at Mozun Gonie, unable to hide the shock in his heart: "You have been reborn successfully!"

At this time, Haotian Divine Sovereign was very shocked.

In his cognition, he always thought that the Demon Lord Gone had only obtained the body of pure yang, but had not obtained the body of pure yin, so he was still full of confidence when he was assigned to Kyushu by the Nine Heavens God.

At this time, seeing the successful rebirth of the Demon Lord Gone, the Haotian Divine Sovereign buzzed and was completely stunned.

However, Divine Sovereign Haotian had an extraordinary status, he quickly calmed down, and shouted at Demon Lord Gone, "Gonie, the way of heaven is magnificent, even if you are reborn successfully, you are not an opponent of God's Domain. I advise you to be obedient and capture it!"

"Haha."

Demon Lord Gone frowned, and the corners of his mouth raised a trace of disdain: "You are the nephew of the Nine Heavens God, Haotian God Sovereign, right? I've heard of you, although you have a detached status in the God's Domain, but you are not qualified to speak to me.

"Zungone didn't even care about the Nine Heavens God, so naturally he didn't take Haotian God Lord seriously.

Chapter 3984

Swish!

When the words fell, Bai Yunfei couldn't help but take a step forward and shouted at the Haotian God: "What are you? Dare to talk to Your Excellency Mozun like this?"

Mad!

Being ignored by the Demon Lord Gone, Haotian Divine Sovereign was already very annoyed. At this time, when he heard Bai Yunfei's clamor, he immediately became furious and shouted angrily: "You are courting death!" The

voice fell, Haotian Divine Sovereign exploded with divine power, and his figure turned into a streamer. Fly directly towards the white clouds.

hum!

In the blink of an eye, Divine Sovereign Haotian arrived in front of Bai Yunfei, raised his hand and waved, a purple-gold spear condensed out, bursting out with a dazzling light, stabbing Bai Yunfei's heart.

Bai Yunfei snorted coldly, mobilized the power of the demon soul, and attacked, blocking the attack of Haotian Divine Sovereign!

"Boom!"

In an instant, the two figures collided fiercely, making a loud noise, Bai Yunfei's face turned pale, he was shocked back dozens of steps, and a mouthful of blood spurted out!

Although Bai Yunfei has a demon soul and is powerful, unmatched in the Kyushu Continent, but facing the Haotian Divine Monarch head-on, it is still a bit inferior!

After all, Haotian Divine Sovereign is the existence of God in the Divine Realm, second only to Jiutian God in status and strength. The background is simply not comparable to Bai Yunfei.

Nima!

Bai Yunfei stabilized his figure, his face extremely ugly.

The strength of this Haotian Divine Sovereign is so terrifying?

He wanted to show off in front of Demon Lord Gone, but he didn't expect Haotian Divine Sovereign to be so powerful.

"Remains of the Demon Race, die!"

At this moment, Haotian Shenjun howled, his eyes locked on Bai Yunfei, and he rushed again.

Whoosh!

At this moment, the figure of Demon Zun Gone flashed and blocked in front of Bai Yunfei.

“With this little strength, I dare to be presumptuous in front of this deity.” An icy voice came from the mouth of Demon Lord Gone.

Originally, the Demon Lord Gone was disdainful of taking action.

But seeing Divine Sovereign Haotian seriously injuring Bai Yunfei in front of him, he suddenly became angry.

hum!

The voice fell, and a terrifying aura burst out from the body of Demon Lord Gone, sweeping towards the surroundings. In an instant, the sky and the earth were shrouded in a blood mist.

What a terrible breath!

Is this the power of Ma Zun after he was born?

At this moment, not only the Haotian Divine Sovereign, but also the hundreds of thousands of divine soldiers and generals around were dumbfounded, and their hearts were extremely shocked.

Demon Lord Gone did not talk nonsense, raised his hand and waved, and a bloody light burst out.

Haotian Divine Sovereign had no time to react at all, and the whole person was hit by the red light.

“Pfft...”

Haotian Shenjun groaned, his primordial spirit was severely injured, and the burly figure was directly shaken and flew out, flying a few hundred meters away, and finally landed on a hill, his face pale and extremely weak .

What? !

one move? !

With just one move, he severely damaged the famous Haotian Divine Sovereign?

Seeing this scene, the hundreds of thousands of divine soldiers and generals suspended in mid-air were stunned and couldn't help gasping for air!

puff...

At this moment, Divine Sovereign Haotian struggled to get up, staring closely at Demon Lord Gone, his eyes flashing with anger, and at the same time his heart was a little complicated.

It's over, it's over.

I thought that the Demon Lord Gone was still short of a pure yin body to be reborn, but he never expected that he would get both the pure yang body and the pure yin body. ..

"Take it!"

Thinking to himself, Haotian Shenjun issued an order to hundreds of thousands of soldiers and generals.

Whoa!

As soon as the words fell, hundreds of thousands of divine soldiers and generals burst out with divine power, attacking the Demon Lord Gone.

Demon Lord Gone snorted coldly, raised his hand gently, and rushed to the thousands of gods and soldiers in front of him. Before he could react, he was shocked and flew out by a terrifying force.

In the next second, Demon Zun Gone turned around and went directly to Divine Sovereign Haotian. He said coldly, "I was about to go to the Divine Realm, and you came over. Just in time, borrow your Purple Gold Divine Armor to use it."

When he said this, Demon Lord Gone volleyed and grabbed the purple gold armor of Haotian God, and then sealed Haotian God's Primordial Spirit.

After doing this, Demon Zun Gone commanded to Bai Yunfei: "The formula to control the ancient poisonous scorpion has been passed on to you, and it is not a problem to use it to hold the nerves of these

magical soldiers." Flash, disappeared into the rolling dark clouds.

At this moment, Bai Yunfei did not hesitate at all, and hurriedly recited the formula.

"Roar!"

At the moment when the formula sounded, the ancient poisonous scorpion let out a roar, and its huge body rushed towards hundreds of thousands of divine soldiers.

“Is this the ancient poisonous insect?”

“This thing is highly poisonous, everyone be careful.”

Chapter 3985

Facing the impact of the ancient poisonous scorpion, hundreds of thousands of gods and soldiers disappeared in an instant, and all of them were shocked.

“Ah!”

For a while, the sound of fighting and screams intertwined, constantly echoing over the entire Five Poison Sect.

...

the other side! Ouyang family!

With the help of Bai Long, Wen Chou Chou and the others successfully returned to Zhongzhou City.

At this time, in the hall, Wen Chou Chou gathered together to discuss the situation in front of him.

“Fengzi went to Shengzong, and I don’t know what happened.” Wen Chou Chou sighed, his face full of worry.

Phew...

The voice fell, and everyone around Ren Yingying and Sun Dasheng frowned.

hum!

Just when everyone was secretly anxious, suddenly, they sensed the ground under their feet, and there were bursts of violent vibrations! It was as if the world had collapsed!

shit.

what’s the situation?

Wen Chou Chou was taken aback and hurriedly walked outside. Ren Yingying followed closely behind.

When they got outside, everyone was shocked and inexplicable when they saw the scene in front of them.

I saw that the sky was densely covered with dark clouds, and a blood-colored fog enveloped the sky and the earth, and in the direction of Xicang Continent, blood-colored lightning flashed continuously in the clouds.

Feeling the blood-colored fog shrouded in the sky and the earth, everyone felt a sense of panic.

At this time, Wen Chou Chou saw the blood-colored lightning in the distance, and couldn't hide his deep shock: "With such a terrifying evil spirit, could it be that the Demon Lord was born?" The

Demon Lord was born?

Hearing this, everyone in Ren Yingying was shocked.

In the next second, Ren Yingying said: "But Yue Feng said before, wasn't that Demon Venerable sealed in the Magic Sealing Mirror? Even if he leaves the Magic Sealing Mirror, it's just a stray thought. In this case, how can he be reborn? ?"

Sun Dasheng and everyone were also puzzled.

At this time, Ren Yingying and everyone still didn't understand what conditions were needed for a demon to respect life.

Phew...

Wen Chou Chou took a deep breath and looked solemn: "No matter what the situation is, we must rush to the Five Poison Sect!"

...

On the other side, the Southern Cloud Continent.

Inside the splendid palace.

Long Qianyu stood at the door of the main hall and looked at the sky.

Behind her were the civil and military officials, as well as some royal guards. At this time, they looked at the sky in the distance, and their hearts were shocked.

In the past year, although the rivers and lakes of Kyushu have been surging, Long Qianyu did not intervene, but took the opportunity to continuously cultivate the power of the Nagumo royal family.

Just now, Long Qianyu called the civil and military officials to deal with the affairs of the state, and suddenly the mountain shook.

At this time, the blood-colored mist covered the sky and the earth in the direction of Xi Cang Continent, and everyone was stunned by such a vision.

Long Qianyu frowned, and said slowly, "Such a strange vision of heaven and earth must be related to that Demon Venerable."

Demon Venerable?

Hearing this, the civil and military officials behind them looked at each other and took a deep breath.

It is said that the Demon Venerable is not even afraid of the Nine Heavens God of the God Realm, and rebirth in Kyushu at this time will definitely set off a bloody storm.

"Immediately order the Imperial Forest Army."

At this moment, Long Qianyu's eyes flashed with determination: "Go to Xicang Continent to investigate the situation..."

"Yes!" The

voice fell, and the civil and military officials responded in unison.

A few minutes later, hundreds of thousands of Imperial Forest troops set off in a mighty manner, rushing towards the Xi Cang Continent.

...

on the other side, God's Domain.

Yuyao Xianyuan!

Yuyao Xianyuan is a private garden where Jiutian God and Empress Hua Zhao rested. The environment is beautiful and magnificent. Under normal circumstances, without the permission of Jiutian God, even high-ranking priests cannot easily enter.

Therefore, Yuyao Xianyuan has always been a quiet place. Today, Yuyao Xianyuan is extraordinarily lively.

Because today is the wedding day of Princess Dongling and Yue Feng, and the wedding will be held in Yuyao Xianyuan.

I saw that at this time, the Yuyao Xianyuan was lit up everywhere, and the garden behind the Xianyuan was even more crowded.

This time Princess Dongling's wedding, not only all the priests' dojos, but also some masters who retreated and practiced Taoism, also came.

I saw that in the center of the garden, there was a huge wedding table. The wedding table was carved from a whole piece of colorful jade, with dazzling glaze and dazzling light, surrounded by strange flowers and plants.

In the air, all kinds of strange birds are constantly circling and soaring, and it seems that they are also witnessing a beautiful moment.

To the north of the wedding table, there are two thrones, on which sit the Nine Heavens God and Empress Hua Zhao.

The ultimate husband in Chinese chapter 3986-3990

Chapter 3986

saw that the God of the Nine Heavens is dressed in a golden dragon robe, which is very powerful, and Empress Hua Zhao is also dressed in a gorgeous phoenix robe, which sets off the charming curves and at the same time shows the royal majesty.

Although it was a major event in his daughter's marriage, the Nine Heavens God did not have too many smiles on his face.

He already had an opinion on Yue Feng, and betrothing his daughter to Yue Feng was even more helpless. Under such circumstances, there was naturally not much joy.

But Empress Hua Zhao was full of smiles. No matter what, today is her daughter's big day, so she should be happy no matter what.

At this time, all the guests on the seats on the two sides below have basically arrived.

I saw that the one sitting in the first place on the right was Guiguizi.

At this time, Guiguizi, wearing a purple robe, immortal style, had a bit of relief and joy on his face.

I thought that the conflict between Yue Feng and Jiutian God would be the best, but it was the best that Yue Feng would marry Princess Dongling.

The so-called enemies should be resolved but not, but Yue Fengneng and Jiutian God have resolved their past suspicions. Guiguizi, who is a master, is naturally very happy.

“Congratulations, Your Majesty, congratulations, Your Majesty!”

“Today, the princess is very happy, and I take this opportunity to congratulate Your Majesty!”

At this moment, all the guests congratulated the Nine Heavens God and Empress Hua Zhao.

Hearing the congratulations, Empress Hua Zhao couldn't help smiling, and she was indescribably happy.

At this moment, the master of ceremonies came out slowly with a smile on his face. He first bowed to the God of the Nine Heavens, and then looked around: “The auspicious time has come, and the concubine and the princess are invited to enter!

” ”

This chapter is provided by . Visit for daily update.

As soon as the voice fell, I saw more than a dozen colorful phoenixes flying in the sky. These colorful phoenixes chirped in unison, and then opened their mouths and spewed out brilliant flames. In an instant, the entire sky was colorful.

This scene is even more shocking than tens of thousands of fireworks.

In the eyes of everyone, I saw a road formed by auspicious clouds, slowly extending, and then, Yue Feng and Princess Dongling walked side by side, stepping on the auspicious clouds and slowly walked out.

I saw that at this time, Yue Feng, wearing a red concubine's robe, was indescribably wise and martial.

Facing the envious eyes around him, Yue Feng had a smile on his face, but his heart was extremely bitter.

This wedding, Yue Feng was completely forced, how did he feel better?

Next to her was Princess Dongling, who was wearing a long red dress with patterns of dragons and phoenixes embroidered on it.

And like Yue Feng, Princess Dongling also forced a smile.

After being abandoned by Gong Ao, Princess Dongling's heart was ashes, and she had almost no feeling for the grand wedding in front of her.

call!

Under everyone's attention, Yue Feng and Princess Dongling came to the wedding stage.

"One day worship!"

At this moment, the master of ceremonies looked at the time, smiled and shouted.

Yue Feng and Princess Dongling held hands and bowed three times to Jiutian.

When bowing to Jiutian, Yue Feng was calm on the surface, but he couldn't tell the bitterness in his heart. After three times and nine bows, he and Princess Dongling were the real husband and wife.

But Princess Dongling didn't like her at all, and she didn't have any feelings for her either.

How does this work?

At this time, the master of ceremonies cleared his throat and prepared to shout a second time.

"Oh, there is really a wedding!"

However, at this moment, a playful voice was heard from the gate of Yuyao Xianyuan.

Swish!

Hearing the voice, whether it was Yue Feng, the Nine Heavens God, and the guests present, they turned their heads and looked over.

I saw a burly figure coming from the sky, dressed in purple gold armor, majestic.

It was the Demon Lord Gone.

However, at this time, the Demon Lord Gone was wearing the armor of the Haotian Divine Sovereign, and at the same time became the appearance of the Haotian Divine Sovereign. Speaking of which, the Demon Lord Gone had planned to make a big fuss about the wedding, but after thinking about it, he decided to impersonate the God of Haotian and play with the God of Nine Heavens.

Wow...

Seeing "Haotian Divine Sovereign", there was an uproar in the entire wedding scene.

"God Haotian?"

“Isn’t he in Kyushu, dealing with Demon Venerable? Why did he come back suddenly?”

“Yeah, it seems that he is very dissatisfied with this wedding.” As

the surrounding discussions came, Jiutian God also looked on his face . Gloomy, looking at ‘Haotian Divine Sovereign’, he said coldly, “Haotian, I asked you to watch Demon Zun in Kyushu, why are you back?”

Empress Hua Zhao next to her was also displeased. When the salute is interrupted, it is very unlucky.

At this time, the Nine Heavens God, and all the guests present, have not noticed that the person in front of him is not the Haotian Divine Sovereign at all, but the Demon Venerable in disguise.

Chapter 3987

Seriously, if someone impersonates, the Nine Heavens God and many guests can recognize it at a glance, after all, this is the realm of the gods. However, the Demon Lord Gone is powerful, and the Disguise Technique is unparalleled in the world.

More importantly, the Demon Lord Gone is wearing purple gold armor, and the purple gold armor is a symbol of the status of Haotian Divine Sovereign.

At this moment, Empress Hua Zhao calmed down, looked at Demon Zun Gone and said, “Haotian, your Majesty is asking you something! Why don’t you answer truthfully?”

Huh!

Demon Lord Gone’s eyes flickered, and then he showed a smile, pretending to be very respectful: “Your Majesty, Empress, please forgive me for being abrupt, my subordinate has just won a major victory in Kyushu, and I am very excited, so I will come back quickly to announce the good news.

”, Mozun Gone looked at the two Yue Fengs on the wedding stage, and continued: “I forgot that the princess is getting married today.”

Hearing this, Jiutian God’s face softened and asked: “What major victory, Let’s hear it.” Compared with Princess Dongling’s wedding, the God of Nine Heavens is more concerned about the Demon Lord’s affairs.

Swish!

At this moment, many of the guests present also looked closely at the Demon Lord Gone.

Yue Feng was also inexplicably excited. If the Demon Lord Gone was suppressed, it would be great, and Kyushu would be spared a catastrophe.

Seriously, whether it is God's Domain or Demon Venerable, Yue Feng doesn't like it much, but in contrast, he still prefers God's Domain in his heart. After all, Demon Venerable is too evil. Kyushu is also a catastrophe.

While muttering in his heart, Yue Feng looked at the 'Haotian Divine Sovereign' in front of him, and had a feeling he couldn't tell.

There is something wrong with this 'Haotian Divine Sovereign', but I can't tell what is wrong.

"His Majesty!"

Just when Yue Feng was thinking about it, he saw the Demon Lord Gone slowly walking up and said to the Nine Heavens God: "At that time, the Demon Lord was hiding in a sect called the Five Poison Sect, and his subordinates led the army to besiege the Five Poison Sect. At the time, the Demon Venerable was merging with the body of pure yang, but it was interrupted by his subordinates in time."

"The fusion of the pure yang body of the Demon Venerable was interrupted, and he was backlashed. He was very weak, and his subordinates took the opportunity to grab the seal. The magic mirror, and sealed the Demon Venerable in the forbidden area of the Five Poison Sect."

Wow!

Hearing this, there was an uproar in the audience, all eyes focused on Demon Lord Gone, revealing deep admiration and excitement.

As expected of Divine Sovereign Haotian, the matter of Demon Venerable was settled so quickly.

At the same time, the Nine Heavens God is also full of joy, and his mood is extremely comfortable.

You must know that the matter of Demon Lord Gone has always been a thorn in the heart of Jiutian God. After the magic mirror was snatched from the ghost world, Jiutian God's heart has been hanging.

After all, Demon Venerable's strength is terrifying, even if the Nine Heavens God personally goes out, he is not an opponent!

At this time, Haotian Divine Sovereign has solved this biggest hidden danger, can you not be excited?

“Haotian, is the place where you sealed the Demon Lord, is it safe?” Jiutian God looked closely at the Demon Lord Gone and asked.

Although his heart was uplifted, Jiutian God still maintained some caution. Demon Venerable Gone smiled: “Don’t worry, Your Majesty, Demon

Venerable has been trapped by his subordinates, it is difficult to fly, and there are hundreds of thousands of gods and soldiers around him guarding him, he can’t run!”

Zungone had a smile on his face, but his eyes were cold.

“Ha ha...”

Hearing this, Jiutian God couldn’t hide his excitement, nodded in approval and said: “Okay, very good, Haotian, you really did not disappoint me, Demon Venerable lost the chance to be reborn, and our God Realm can be considered to have no hidden worries.”

Speaking, what did Jiutian God think of, and continued: “By the way, what about the magic mirror?”

“It’s on the subordinate.” The

Demon Lord Gone responded, and then slowly stepped forward and took out a mirror from his body. Presented to the God of the Nine Heavens.

It’s the magic mirror.

After the Demon Lord Gone left the sealed magic mirror, this treasure was worthless, and it was just used to gain the trust of the Nine Heavens God.

When Jiutian God got the magic mirror, he was in a better mood and waved his hand: “Come on, give a seat to Haotian God!”

After saying this, Jiutian God said to Demon Lord Gone: “Haotian, you have done a great job this time. Today’s wedding in Dongling, I must drink a few more glasses, and when the wedding is over, I will reward you well.”

Chapter 3988 The

voice fell, and several maids had prepared their seats, right next to the Nine Heavens God.

Haotian Divine Sovereign’s status in the Divine Realm was originally second only to Jiutian God, and it was natural to sit next to Jiutian God.

“Thank you, Your Majesty, Hong En!” The Demon Lord Gone was grateful and sat down unceremoniously.

Whoa!

Seeing this scene, the surrounding guests saluted the Demon Lord Gone in unison, and congratulated them one by one.

“God is mighty!”

“Congratulations to God for successfully subduing Demon Venerable!”

“It’s really a blessing for me to have a heavenly general like Divine Lord guarding me...”

Compliments from the surroundings kept coming, Demon Venerable Gone was sitting there, smiling. language.

This time, Yue Feng, who was standing on the wedding stage, was feeling ups and downs, very depressed.

I thought that the sudden arrival of ‘Haotian Divine Sovereign’ would interrupt the wedding, but now it seems that I am still too naive.

“Okay!”

At this time, the Nine Heavens God slowly raised his hand and said lightly, “Everyone, be quiet.” After saying that, he motioned to the master of ceremonies to continue presiding over the wedding.

Upon receiving the signal, the master of ceremonies hurried up, but when he was about to speak, his face suddenly changed, and then his legs became weak and he slumped on the ground.

what happened?

Jiutian God’s face sank, and he was about to scold, but his brows were suddenly furrowed.

Strange, it was fine just now, why suddenly felt weak and unable to exert any strength?

Not only that, the power of the primordial spirit in the body was also suppressed by a strange force. This... This seemed to be a sign of poisoning. For a time, the Nine Heavens God trembled faintly, and he couldn’t sit still.

And Empress Hua Zhao next to her, her delicate face also showed a trace of paleness.

Like the Nine Heavens God, Empress Hua Zhao was also weak all over.

“Hehe!”

At this time, the Demon Lord Gone, who was sitting there, tilted his head to look at the Nine Heavens God, and said with a half-smile, “Your Majesty, are you uncomfortable?”

At the same time as he spoke, there was a hint of playfulness in his eyes.

Nine Heavens God was shocked and inexplicable. Just as he was about to speak, he was interrupted by the Demon Lord Gone.

Demon Lord Gone stood up slowly and said lightly: “Your Majesty, do you feel that your whole body is weak and weak, and your primordial spirit is suppressed? You can’t exert any strength?”

” Hearing this, Jiutian God’s face changed suddenly, and he looked at him in shock

and anger: “Haotian, what the hell is going on?” Very proud: “What’s the matter? You are still God of the Nine Heavens, and you don’t even know when you were poisoned.” What? Jiutian God was shocked and angry, and his heart was also extremely shocked. He really was poisoned, but...what the poison is so powerful, he didn’t even notice it at all! Seeing the expression of God in the Nine Heavens, the Demon Lord Gone became more and more complacent, and pointed to the magic mirror placed beside him: “This magic mirror was contaminated with ‘Tianluosan’ before. Your Majesty should have heard of this kind of poison.” Tian Rose! ? Hearing these three words, Jiutian God was completely stunned as if struck by lightning.

Tianluosan is rumored to be a type of poison that only demons can cast.

Tens of thousands of years ago, when the gods and demons were fighting, the demons used Tianluosan, which led to the fall of many gods. Repression is very evil.

It’s just... the Demon Lord Gone has been caught, how can there be Tianluosan poison on this magic mirror?

“You...”

Under the shock in his heart, the God of Nine Heavens stared at the Demon Lord Gone coldly: “You are not Haotian... in the end...” Before he finished speaking

, he saw the “God Haotian” in front of him. Jun’, his face changed a little bit, and finally he turned into the appearance of the Demon Lord Gone. In an instant, the Nine Heavens God was extremely shocked, his mind was buzzing, and it was blank.

He... he is the Demon Lord?

What the hell!

At the same time, the surrounding guests, as well as Yue Feng, were also stunned.

Especially Yue Feng, looking at the Demon Lord Gone, his mind was messy, and at the same time, he was a little surprised.

No wonder how you look at this Haotian Divine Monarch, why do you feel that something is wrong, it turns out that he is faked by Demon Venerable.

The surrounding guests were shocked, and they all responded quickly. " Demon Lord Gone?"

"You dare to use such despicable means against His Majesty..."

"It's too wild, do you think that our God's Domain is uninhabited?"

Come up, we must unite to deal with the Demon Lord Gone.

Ha ha!

Seeing this scene, Demon Zun Gone didn't panic at all, looked around, and said coldly and proudly: "I dare to break in alone, and I'm not afraid of your siege, this day, Luosan's poisonous, nine-day gods have been recruited, Do you think you can escape?"

Chapter 3989

After finishing the last word, the expressions of the surrounding guests changed drastically.

"My primordial spirit has been suppressed..."

"Me too..." Amidst the

exclamations, many guests slumped on the ground!

At the same time, Yue Feng was also weak all over, sitting on the ground with his buttocks, Tian Luo San was so poisonous that even the Nine Heavens God could not resist, let alone Yue Feng.

"You..."

Seeing this scene, Jiutian God was so angry that he almost exploded with anger, staring at the Demon Lord Gonie: "Gonie, what do you want?"

” At the wedding, he was caught in the trick of the Demon Lord Gone, what will be the dignity in the future?

“Haha...”

Demon Lord Gone looked up to the sky and smiled, with a bit of resentment in his eyes: “In the war between gods and demons, my demons were killed and injured, and I managed to escape, wandering for thousands of years outside the nine heavens, After that, I was trapped in the magic mirror by the immortal ancestor of the Great Desolation. After so many years of hatred, what do you think I would do?” As he

spoke, the corner of Demon Venerable’s mouth evoked a hint of abuse: “But don’t be nervous. , I won’t destroy all of you today, it’s too boring, and I’m not relieved.” The

last word fell, Mozun’s figure flashed, and when he reached the wedding stage, he grabbed Princess Dongling’s wrist.

“You...”

Princess Dongling was very frightened and cried, “Let me go, let me go...” While shouting, she tried to break free, but she was also hit by Tianluosan, and her delicate body was sore. Powerless, unable to break free.

At the same time, the surrounding guests also opened their mouths to stop it.

“Let go of the princess...”

“Shut up!”

“Dignified Demon Venerable, is it only such a despicable method?” The

surrounding angry shouts kept coming, and Demon Venerable Gone didn’t seem to hear it.

In the next second, Demon Zun Gone looked closely at the Nine Heavens God and said word by word, “Aren’t you going to marry your daughter today? I’ll take your daughter away and give it to my subordinates.”

“You God Realm God of God, always believes that he represents justice, and our demons are evil, then I will trample your so-called justice under my feet. Hahaha...” The

last word fell, and the devil Gone laughed. He took Princess Dongling to the sky and disappeared from sight in the blink of an eye.

“Goni!”

Seeing this scene, Jiutian God was furious, roared, and fainted directly.

On the day of her daughter's big wedding, she was taken away by Demon Venerable, and Demon Venerable threatened to give her daughter to his subordinates, such a humiliation that no one else could bear. Phew

... At this moment, Yue Feng looked at the direction in which the Demon Lord Gone disappeared, and his heart was extremely complicated. Princess Dongling fell into the hands of Demon Venerable, and these were troublesome. Although Yue Feng didn't want to marry Princess Dongling in his heart, he also didn't want to ruin the wedding in this way. ... on the other side, Kyushu! Near the Five Poison Sect, the fierce battle continues. Speaking of which, it is quite easy for hundreds of thousands of divine soldiers and generals to deal with a small Five Poison Sect.

However, on the side of the Five Poison Sect, not only Bai Yunfei, the supreme powerhouse, was assisted, but also a huge ancient poisonous scorpion, plus tens of thousands of poisonous people.

Under such circumstances, it is difficult to say that the Five Poison Sects will be completely annihilated with hundreds of thousands of divine soldiers. On the contrary, under the poisonous attack of the ancient poisonous scorpion, the formation of these divine soldiers and generals was completely disrupted.

At this time, in the battlefield, a slender figure was particularly eye-catching, shuttled among dozens of divine soldiers and generals, like a smart butterfly.

It is Nalan Wushuang.

To be honest, Nalan Wushuang didn't want to help Bai Yunfei even though he hated God's Domain.

Nalan Wushuang is not afraid of death, but also does not want Xia Yinzong to be destroyed.

"Withdraw!"

"Quickly withdraw!"

Finally, under the poisonous mist attack of the ancient poisonous scorpion, many divine soldiers and generals were exhausted, howling and fleeing into the distance.

Some people took the lead in fleeing, and the remaining god soldiers lost the courage to continue fighting, and they all collapsed, and they all ran away in the blink of an eye.

Whoa!

Seeing this scene, the disciples of the Five Poison Sect immediately cheered.

Bai Yunfei was suspended in mid-air, a smile appeared on his face, and arrogance flashed in his eyes. So what about God's Domain, isn't it a slap in the ass?

Chapter 3990

At this moment, Nalan Wushuang urged the figure to fly over.

When they got to the front, Nalan Wushuang respectfully said to Bai Yunfei: "Sect Master, the enemy has retreated, I want to ask for instructions."

Bai Yunfei nodded: "Let's talk."

"I escaped from the forbidden area. When I came to ask for help, I sent people from Xia Yinzong to track the movements of the Ouyang family." Nalan Wushuang bit his lip and said softly, "Now that a day has passed, I must have found it. The Ouyang family."

"I want to destroy the Ouyang family first, and then bring all the members of the Xia Yin Sect to join the Five Poison Sect and the Sect Master. When the time comes, I will do my best to help the Sect Master fight the God Realm."

When he said this, Nalan Wushuang surfaced. Respectfully, complexion flashed in his eyes.

After knowing the truth of his mother's tragic death, Nalan Wushuang hated Bai Yunfei to the core, and it was impossible for him to help him deal with God's Domain. He said this just to escape.

Hearing this, Bai Yunfei pondered for a while, nodded and said, "Okay, when you destroy the Ouyang family, quickly bring Xia Yinzong to join me."

Hmm!

Nalan Wushuang nodded, and after saying goodbye to Bai Yunfei, he turned and left.

....

on the other side, Kyushu!

Located at the junction of Xicang Continent and Diyuan Continent, there is a mountain range that stretches for hundreds of miles, called Fuluo Mountain.

At this time, on the official road at the foot of Mount Fuluo, there are two waves of people confronting each other!

There was a smell of gunpowder in the air.

One of them is the followers of Xia Yinzong, led by Elder Huo!

Opposite Xia Yinzong, it was Wen Chou Chou, Ren Yingying, Ye Zhi Xin and others.

Half an hour ago, Wen Chou Chou led the crowd to the Five Poison Sect. After passing through the Fuluo Mountain area, they happened to meet the members of the Xia Yin Sect. Previously, the Ouyang family was trapped in the cave by Xia Yinzong, and almost died in the mouth of the dragon. When they encountered it here, the smell of natural gunpowder was full.

Swish!

At this moment, Elder Huo was suspended in the air, and his eyes fell on Sun Dasheng and Wen Chou Chou: "Sun Dasheng, Wen Chou Chou, let's see where you are going this time!"

When he said this, Elder Huo couldn't hide his inner anger!

Before throwing the Ouyang family in the cave, I thought they would be hard to fly, but I never thought that the Jiaolong in the cave, not only did not hurt them, but also said that they were successfully brought out. This is a shame for Xia Yinzong. .

Now that I meet the Ouyang family again, how can I easily spare them?

"Elder Huo!"

Wen Chouchou took a deep breath, looked at Elder Huo and said, "Fengzi said before your predecessor's death that something was wrong, he was framed, I hope you can calm down and don't take a step. Wrong, wrong step by step!"

Hehe...

Hearing this, Elder Huo sneered.

The followers of the Xia Yin Sect behind them all looked gloomy and cold, apparently not listening to Wen Chou Chou's words at all.

Mad!

Seeing this scene, Sun Dasheng couldn't bear it anymore and shouted: "Brother Wen, these people are dead brains, don't talk nonsense with them!"

After speaking, Sun Dasheng shouted at Elder Huo: "Ma De, you guys Xia Yinzong, don't deceive people too much, we have said before that this matter is a

misunderstanding, and you still have to press it step by step, do you really think we are afraid?

Sun Dasheng's fiery personality was almost instantaneous. At this time, he could no longer hold back the anger in his heart, and suddenly burst out: "The account that you left us in the cave before has not been settled! If you want to fight, let the horse come over, Don't talk nonsense."

Oh!

The last word fell, and Sun Dasheng's dantian's inner strength exploded, holding the opening axe tightly, and was about to rush up.

"Great Sage!"

At this moment, Wen Chou Chou grabbed him, his face full of anxiety: "Don't be so impulsive, this matter was originally a misunderstanding, if we really want to fight, the misunderstanding can't be solved! You forget How did you explain when Feng Zi was leaving?"

Wen Chou Chou was very speechless at this time.

For many years, this great saint's violent temper has not changed.

"Haha..." In the face of Sun Dasheng's clamor

, Elder Huo was also completely angry, and said coldly: "Very good, it seems that you are quite confident in your own strength, okay, then I will fulfill you!"

The elder's internal strength exploded, and a scorching breath burst out in an instant, and the surrounding air was instantly distorted.
