

The ultimate husband in Chinese chapter 3991-4000

Chapter 3991

Buzz!

At the same time, the Xia Yinzong followers behind them also exploded in strength one after another.

“Stop!”

Seeing that the two sides were about to fight, suddenly, there was a coquettish shout, and then, a figure appeared in the sky, it was Nalan Wushuang.

“Sect Master!”

“Here comes the Sect Master...”

Seeing Nalan Wushuang, Elder Huo, and members of the Xia Yin Sect, they were all excited and shouted. When the head came back, the strength of Xia Yinzong had soared, and the people of the Ouyang family could hardly fly.

Oops!

At this moment, Wen Chou Chou and Ren Ying Ying’s heart skipped a beat, and their faces became solemn.

It’s just the people like Elder Huo and Xia Yinzong, the Ouyang family still has the strength to fight. Now that Nalan Wushuang has arrived, I’m afraid there will be no chance. After all, Nalan Wushuang is powerful, but it is obvious to all.

“Sect Master!”

As soon as he landed, Elder Huo hurried up to meet him and said excitedly, “These Ouyang Clan wanted to go to the Holy Sect to find Yue Feng, but we stopped them, haha, God has eyes.”

“Last time Throw them into the cave, and they escaped by chance, this time, they will all be wiped out, so as to avoid future troubles.” The

voice fell, and the surrounding Xia Yinzong members nodded in agreement.

“Yes, kill them!”

This chapter is provided by . Visit for daily update.

“First kill the Ouyang family, then kill Yue Feng, to avenge the former head...”

“Vengeance, revenge...” The

shouts of the Xia Yin clan members kept coming, Wen Chou The ugly people were calm on the surface, but they were extremely uneasy in their hearts.

Looking at the situation, this battle is inevitable.

However, Nalan Wushuang’s delicate face did not fluctuate in the slightest, and there was no hatred in his eyes, but a gleam of complexity.

The next second, Nalan Wushuang raised his jade hand: “Everyone, be quiet.”

Phew!

Hearing this, the Xiayin Sect members quieted down, and their eyes converged on Nalan Wushuang.

“I already know the truth about my mother’s death.” Nalan Wushuang bit his lip, endured the grief in his heart, looked around, and said loudly, “The murderer is not Yue Feng, but Bai Yunfei!

” Respect the students and sacrificed my mother...”

“So, our enemy is Bai Yunfei and Mozun, not Yue Feng and the Ouyang family.” At the end, Nalan Wushuang finally couldn’t hold back her tears. Stay and cry.

What?

At this moment, both Elder Huo and the surrounding Xia Yin Sect members were all dumbfounded.

And Wen Chou Chou and everyone were stunned.

It turns out... Bai Yunfei was the one who killed Nalanqing.

Soon, Wen Chou Chou everyone reacted, and they all showed a relieved smile, great, now the truth is revealed, and Feng Zi is finally cleared.

At the same time, there was a trace of sympathy for Nalan Wushuang in his heart. This Nalan Wushuang is too miserable, Bai Yunfei killed her mother, and she played around with her, not only that, but also used her to deal with the Ouyang family.

“Ma De!”

At this time, Elder Huo finally came to his senses, raised his hand and slapped a tree next to him, and was furious: "It turns out that the murderer is Bai Yunfei. If this revenge will not be avenged, I will swear not to be a human being!"

With that said, Elder Huo shouted at Nalan Wushuang: "Since we know the murderer, what are we waiting for? Let's kill the Five Poison Sect together and let Bai Yunfei pay the debt with blood!"

At this time, Wen Chou Chou came out and looked Nalan Wushuang said: "Bai Yunfei blamed Yue Feng for ulterior motives. Our Ouyang family is willing to help and get rid of Bai Yunfei together." When the

voice fell, he was about to leave with Xia Yinzong, but Nalan Wushuang stopped him.

"Thank you!"

Nalan Wushuang looked at Wen Chou Chou and everyone: "Thank you for disregarding the past. I'm really grateful for your willingness to help, but..."

After speaking, Nalan Wushuang paused and looked at Huo again. The elders: "But I can't go to see Bai Yunfei with you now. It's not that I don't want to take revenge, but that I go, which will only make the situation worse!"

Huh?

Hearing this, everyone looked at each other and were stunned.

What does she mean by that?

In the confusion of everyone, Nalan Wushuang's delicate face was full of helplessness: "To be honest, I was forced to take a poison by Bai Yunfei, called Soul Eater Blood Worm, in other words, I have been controlled by him..."

Chapter 3992

This...

Hearing this, Wen Chou Chou everyone was stunned.

Soul Eater?

At the same time, Elder Huo and the surrounding disciples of the Xia Yin Sect were filled with righteous indignation and scolded each other.

"This Bai Yunfei is really despicable to the extreme."

“Mad, let’s not say that he killed our former head, and now he is killing our current head...”

“It’s just a scum among scum.”

Among the anger of everyone, Elder Huo He was even more angry, and said to Nalan Wushuang: “If that’s the case, we have nothing to be afraid of. Our entire Xia Yinzong and Bai Yunfei are fighting, even if they all die, we can’t be at his mercy...”

The voice fell, and everyone around nodded in agreement.

Nalan Wushuang bit his lip tightly, and his delicate face was full of entanglements: “Elder Huo, don’t be so excited, how can I be afraid of death at this stage?”

” But I can’t take the Xia Yinzong adventure.”

Speaking of this, Nalan Wushuang looked at the Wen Chou Chou crowd standing opposite, and said slowly: “I came here this time to tell the truth. Give justice to the Ouyang family and Yue Feng.”

“Palace Master Wen, Sect Master Sun, I have offended a lot before, please bear with me.” After the

last sentence fell, Nalan Wushuang bowed deeply to the crowd of Wen Chou Chou, absolutely The beautiful face is full of apology.

Uh...

Seeing this scene, Elder Huo was very embarrassed, but he quickly reacted, and together with Elder Feng and everyone, he also bowed to everyone Chou Chou.

Although Bai Yunfei was the stumbling block in this matter, it did bring a lot of trouble to the Ouyang family in the Xia Yinzong, and an apology was deserved.

“You are welcome!”

Facing Xia Yinzong’s apology, Wen Chou Chou showed a smile and said, “Since the truth has been found out, the past will be gone.”

Nalan Wushuang smiled lightly: “Thank you, Wendian Master Haihan. At

this time, Elder Huo couldn’t help but say: “Sect Master, what are you going to do next?”

When he said this, Elder Huo looked at Nalan Wushuang with deep pity, this girl was himself Looking at the grown up, now he is the head, it is a good time, but he has been hit by the soul-eating bloodworm.

It's a godsend.

Swish!

Elder Feng and other Xia Yin Sect disciples also looked at Nalan Wushuang.

Like Elder Huo, everyone felt uncomfortable at this time. Nalan Wushuang was so young, but was controlled by Bai Yunfei with the soul-devouring bloodworm. When something happened to her, Xia Yinzong was headless.

Is Xia Yinzong really bad luck?

"..."

In the face of everyone's attention, Nalan Wushuang's red lips lightly opened, and he said softly: "This soul-eating bloodworm is a poisonous mist unique to the devil, and we can't remove it at all."

"The only way is to I cut off contact with Xia Yinzong."

Speaking of this, Nalan Wushuang tilted his head and looked at Elder Feng: "Elder Feng, I will pass the position of head to you now, and then you will take Xia Yinzong back to the seclusion place, Waiting for a chance."

What?

Hearing this, both Elder Feng and others were stunned.

Is she going to give up the position of headmaster?

The next second, Elder Feng reacted, shook his head and said, "Sect Master, this is absolutely impossible, how can I be the Sect Master? And..."

At this time, Elder Feng was very excited, but he had not finished speaking. It was interrupted by Nalan Wushuang.

"Elder Feng." Nalan Wushuang snorted, looking at Elder Feng tightly, tears flashing in his eyes, very excited: "Don't you understand now? I was controlled by Bai Yunfei, if you continue to stay in Xia In Yinzong's words, Bai Yunfei doesn't need to take action himself, he can use me to kill you all."

"I've been hit by the soul-devouring bloodworm and there is no cure. This is the best way to save the hero Yinzong. Understand? "

Elder Feng froze there, not knowing how to answer for a while.

The surrounding Elder Huo people also looked at each other in dismay, each with a low expression.

The atmosphere also became depressed.

call!

At this moment, Wen Chou Chou, who was standing opposite, took a deep breath, walked over with a smile, looked at Nalan Wushuang and said, "Sect Master Nalan, calm down. In fact, the situation is not as bad as you think.

" At that time, Wen Chou Chou's face was relaxed.

Everyone behind Ren Yingying also smiled.

Swish!

At this moment, Elder Feng and Elder Huo all frowned secretly, and were very unhappy in their hearts.

The people of the Ouyang family are too much, our head is like this, can you still laugh?

Chapter 3993

Elder Huo has a strong temper, and he couldn't bear it anymore. He strode out, pointed at Wen Chou Chou, and shouted: "Wen Chou Chou, what do you mean?"

Just as he was talking, he was interrupted by Nalan Wushuang: "Elder Huo, don't be rude!"

Seriously, Nalan Wushuang has a arrogant temperament. If he had encountered this situation before, he must have been very angry, but he has managed so much during this time, and the whole person has become calm.

Seeing Elder Huo's rude remarks, Sun Dasheng couldn't help it, and shouted, "What do you mean? What's wrong with us laughing?"

Although the misunderstanding was resolved, the people of the Ouyang family, after all, were once trapped by the Xia Yin Sect. For several days, Sun Dasheng was still a little worried about this matter. Seeing that Elder Huo made a rude remark at this time, how could he hold back?

"Great Sage!" Wen Chouchou hurriedly stopped and signaled to Sun Dasheng not to be impulsive.

Immediately, Wen Chou Chou looked at Nalan Wushuang and said with a smile: "Sect Master Nalan, don't misunderstand, we are not laughing at you, to be honest, the Great Sage and my son Wen Xiaoyu also took Bai Yunfei's phagocytosis before. Soul blood worm."

"At that time, in the Tiandao Alliance, the great sage suddenly raided Luo Jue, and was secretly controlled by Bai Yunfei."

What?

Hearing this, whether it was Nalan Wushuang or Elder Huo and the others, they were all shocked.

At the same time, all eyes were focused on Sun Dasheng and Wen Xiaoyu, and they saw that the two looked as usual, and it didn't look like they were poisoned at all.

Upon realizing this, the members of the Xia Yin Sect were secretly surprised.

Seeing their expressions, Wen Chou Chou laughed again, and then said to Sun Dasheng: "Dasheng, where is the glazed water that Fengzi brought before? Give it to me."

Yue Feng had brought a lot of glazed water from the Divine Realm. At that time, Sun Dasheng and Wen Xiaoyu only took some, and there were a lot more.

Because of this, Wen Chou Chou was so relaxed when I learned that Nalan Wushuang was also hit by the Soul Eater Blood Worm.

"Brother Wen!"

Sun Dasheng almost jumped up, with a reluctant expression on his face: "You want to give them the Liuli purified water? Don't forget, Xia Yinzong almost killed us twice."

Hearing this, Wen Chou Chou He couldn't help laughing and said, "Great Sage, it's better to resolve the enemy than to settle it, forget it!"

Sun Dasheng muttered, although he was a little reluctant, he still took out the glazed water.

Swish!

At this moment, whether it was Nalan Wushuang or Elder Feng and others, their eyes suddenly converged on Wen Chou Chou's hand.

In the next second, Nalan Wushuang couldn't help but say, "Palace Master Wen, what is in your hand..."

Before he could finish speaking, he was interrupted by Wen Chou Chou: "Sect Master Nalan, this is called glazed water. It is the antidote for the soul-devouring bloodworm." As he spoke, he walked over and handed the glazed water to Nalan Wu's hands.

"Do you know why we firmly believe that Fengzi didn't harm your mother? Because during that time, Fengzi went to the God's Domain to look for glazed water to save the Great Sage and my son.

"We all have common enemies, and we have to work together in the future, don't we?"

Phew...

Hearing these words, Nalan Wushuang's delicate face instantly flushed red, filled with excitement and guilt.

At the same time, the surrounding Xia Yinzong followers were also emotionally ups and downs.

Pfft!

At this time, Elder Huo strode out, knelt down in front of Wen Chou Chou, and said ashamedly: "Palace Master Wen, you are so righteous, it's really admirable, you have been offended before." Excited: "You saved our head, you are the benefactor of our entire Xia Yinzong, please accept my worship." After the last word fell, he began to kowtow.

Putong putong...

For a time, the surrounding Xia Yin Sect disciples also bent their knees and knelt down a lot.

Wen Chou Chou quickly helped Elder Huo and laughed loudly: "I just borrowed flowers to offer Buddha, you really want to thank, just thank Feng Zi, haha..." The

voice fell, Wen Chou Chou and Elder Huo looked at each other and laughed.

At this time, Nalan Wushuang was also in a good mood, and then under Wen Chou Chou's reminder, he took the colored glaze water.

After taking it, Nalan Wushuang sat there, quietly waiting for the effect.

Huh...

Elder Huo and everyone are also full of smiles, with anticipation in their eyes.

Chapter 3994

A few minutes later, Nalan Wushuang stood up slowly, her delicate face was full of joy. At this time, she clearly felt that the special feeling of the soul-eating bloodworm in her body disappeared all at once. Two clean.

“Sect Master!”

Elder Huo quickly walked over: “What do you think?”

Nalan Wushuang smiled and said, “The soul-devouring bloodworm has disappeared, and this glazed water is really magical.”

Great!

Hearing this, all the members of the Xia Yinzong tribe immediately cheered.

Elder Huo was even more excited, and laughed loudly: “Haha, God still blesses our Xia Yinzong.”

After speaking, Elder Huo said to Nalan Wushuang impatiently: “Since the soul-devouring bloodworm has been resolved, that is the case. It shouldn’t be too late, let’s kill the Five Poison Sect immediately and seek revenge for Bai Yunfei. We have the Ouyang family alliance, even if Bai Yunfei is strong, he can still fight.”

“Yes!” After the

voice fell, Wen Chou Chou nodded: “As long as we unite as one and deal with Bai Yunfei and the Five Poison Sect, there will be no problem at all.”

Alas!

However, Nalan Wushuang sighed, shook his head and said, “Elder Huo, Hall Master Wen, your thinking is too simplistic, you probably don’t know yet that Demon Venerable has been reborn, and he has also subdued the ancient poisonous cockroach.. “...”

With that, Nalan Wushuang explained in detail what he had seen before.

At the end, Nalan Wushuang’s delicate face was full of solemnity: “You think that Bai Yunfei and the Five Poison Sect are easy to deal with, but you don’t know that at that time, hundreds of thousands of gods and soldiers were all killed by the ancient poisonous scorpion. They have retreated with Bai Yunfei. Their strength is far beyond your imagination, if we attack it

rashly, we will only suffer heavy losses, or even destroy them all!”

Hearing this, Wen Chou Chou couldn’t help but take a deep breath.

Even hundreds of thousands of gods and soldiers have been defeated?

This power is too perverted, isn't it?

For a while, the audience was silent.

A few minutes later, Nalan Wushuang thought of something, showed a smile, and said to Wen Chou Chou: "Don't worry, everyone, when I left the Five Poison Sect, the Demon Venerable was not there, we have to deal with Bai Yunfei and the Five Poison Sect, neither There's no way."

"What way?" Wen Chou Chou's eyes flashed and he quickly asked.

Swish!

At this moment, the eyes of everyone in the audience also converged on Nalan Wushuang.

Nalan Wushuang smiled lightly and said, "The Haotian Divine Monarch of the Divine Realm was injured by the Demon Venerable and locked in the dungeon of the Five Poison Sect. As long as the Haotian Divine Monarch is released, the Demon Venerable is not there, Bai Yunfei and the Five Poisons Zong Duo is not an opponent."

Haha...

Hearing this, everyone was extremely excited.

This way is great.

For the next half an hour, Nalan Wushuang and Wen Chou Chou discussed the details of the plan. After that, Nalan Wushuang returned to the Five Poison Sect with his only son.

...

the other side.

On the border of God's Domain, on an unknown mountain.

The Demon Lord Gone slowly landed with Princess Dongling.

"You devil, shameless..." After falling, Princess Dongling's eyes were full of resentment, and she kept scolding.

"shut up!"

Demon Lord Gone was full of sullenness and scolded coldly. This girl, who has been scolded all the way just now, how can she be scolded by a girl who is the supreme being of the Demon Race?

“I can’t stop talking...you are a Demon Venerable...” Princess Dongling said coldly with a fearless face, “But I pretended to be my cousin, secretly used poison, and now I am a defenseless woman, I don’t feel ashamed. “Hehe !

“

Demon Zun Gone frowned at her, and said proudly: “Don’t come with me like this, you are the daughter of the Nine Heavens God, who am I not going to catch you?”

“You’d better let me go . Otherwise, my royal father will not spare you!” Princess Dongling took a deep breath and said word by word: “Even if you are the supreme being of the demon race, so what if you are successfully reborn? This divine domain is still my father’s divine domain, and You, you are just a drowning dog who doesn’t even have a family...”

“Okay!”

Hearing this, the Demon Lord Gone smirked angrily: “What a eloquent girl, it seems that I underestimated you before, no Let me teach you a lesson, you really don’t know how good I am.”

Saying that, Demon Lord Gone walked over step by step, slowly raising his right hand.

“What are you doing?”

Feeling bad, Princess Dongling shouted in a trembling voice, frightened and frightened.

Chapter 3995

“What are you doing? I’ll abolish your primordial spirit first.” When he got to the front, the Demon Lord Gone said coldly, a blood-colored light condensed from the palm of his hand, and hit Princess Dongling’s primordial spirit the next second. .

Ong!

At this moment, Princess Dongling’s delicate body trembled violently, her primordial spirit was instantly destroyed, the pain came, and she almost fainted.

“Aren’t you very good at scolding? Continue?” The corner of the Demon Lord Gone’s mouth evoked a trace of cruelty, and he looked down at Princess Dongling: “Without the primordial spirit, you are not as good as a waste person, I tell you, wait until you return to Kyushu. , I will reward you to my subordinates.”

“Guess, if your royal father knew that you were tainted by my subordinates, would he be mad? Hahaha...”

Princess Dongling crawls There, trembling non-stop, hearing this, he was even more ashamed and angry.

Without Primordial Spirit, I am inferior to ordinary people in Kyushu. If I am defiled by Demon Venerable’s subordinates again, I might as well die.

“Tsk tsk...”

However, at this moment, a sigh suddenly came from not far away: “Dangtang Demon Venerable, it’s really not ashamed to insult a weak woman!”

“Who?”

Demon Venerable Gone’s face changed. Shen snorted angrily and turned his head to look back at the same time.

I saw a gray figure walking slowly on the white clouds, with silver hair and white beard, immortal style, and a red garlic nose that was very eye-catching. It was Yutong Xianweng.

Jade Child Fairy?

At this moment, Demon Lord Gone’s face changed, and his eyes were also a little dignified.

Tens of thousands of years ago, after the Shenmu War, the body of the Demon Lord Gone was destroyed. With a ray of remnant, he drifted nine days away. He had met Yutong Xianweng and naturally knew him.

“Senior Xianweng!”

At this moment, Princess Dongling was also extremely excited.

Before and Yue Feng escaped from God’s Domain, it was all thanks to Yutong Xianweng. Can you be unhappy when I see you again now?

Yutong Xianweng smiled at Princess Dongling and signaled not to be nervous.

“Yu Tong Xian Weng!”

At this time, the Demon Lord Gone couldn’t help but said: “This is a grudge between me and the Divine Realm, I hope you don’t interfere!” The

voice was not loud and full of arrogance.

Yutong Xianweng smiled and said, "I naturally don't care about the grievances between you and God's Domain, but this girl has a destiny with me, and I can't watch you bully me."

Destiny?

Hearing this, Demon Lord Gone frowned.

Yutong Xianweng smiled and continued: "Don't believe me? I knew a friend before, named Yue Feng, and this princess is Yue Feng's wife, isn't she destined to me?"

Shuh!

At this moment, Princess Dongling's face turned red all of a sudden.

She had never regarded Yue Feng as her man, but she never thought that at this dangerous last moment, she would still be able to touch Yue Feng's light.

Demon Lord Gone's eyes also flickered.

"What do you want?" After a few seconds, Demon Lord Gone said coldly.

Yutong Xianweng stretched his waist and sat on the stone next to him with an indifferent look: "I don't want to do anything, you let her go, and then it's time to ask Jiutian God to settle the account, just go and settle the account!"

"Haha... .."

At this moment, Demon Lord Gone seemed to have heard a joke and laughed loudly: "Yutong Xianweng, are you negotiating terms with me? Do you have the qualifications? You are not my opponent to fight alone."

Yutong Xian Weng nodded: "Yes, I can't beat you, but don't forget, I am not the only immortal." As he spoke, he deliberately looked back at the distant horizon.

Made!

Does he have any help?

Seeing this situation, Demon Lord Gone's face instantly turned gloomy, extremely ugly.

To be honest, fighting alone, Demon Lord Gone is quite sure to crush Yutong Xianweng, but if there are a few more immortals from the sky, it will be different.

You must know that the strength of the immortals outside the sky is much stronger than the gods of the gods, and it is not easy to provoke them.

“You’re not leaving yet?”

Seeing the expression of the Demon Lord Gone, Yutong Xianweng said with a smile: “When my companion comes, if you want to leave, it will be over.” Huh

....

Demon Lord Gone Shen Taking a breath, he said coldly: “Very good, Yutong Xianweng, I have written down what happened today.” The voice fell, and the figure turned into a blood mist and went away.

The ultimate husband in Chinese chapter 3996-4000

Chapter 3996

Watching the Demon Lord Gone go away, Princess Dongling breathed a sigh of relief.

The next second, Princess Dongling thanked Yutong Xianweng: “Thank you Xianweng.”

Yutong Xianweng waved his hand: “Don’t be polite, I stole your father’s royal meal before, and now I save your life. , it can be regarded as two clear, hehe...”

After speaking, he came to check Princess Dongling’s injury.

“Hey... Yuanshen has been destroyed, this is a little troublesome.” After the inspection, Yutong Xianweng frowned and said slowly.

Princess Dongling smiled sadly: “Thank you for your concern, senior, I’m so glad I didn’t die.”

After speaking, Princess Dongling thought of something, and looked around: “By the way, what about your companion, senior?”

“Haha.. .”

Hearing the question, Yutong Xianweng couldn’t help laughing, like a child who had done a prank, and said mysteriously: “Shh, keep your voice down, I scare that Demon Venerable just now, I’m used to being alone. , what kind of companions are there?”

Pfft...

Seeing his appearance, Princess Dongling forgot her sadness for a while, and couldn’t help laughing out loud.

“Okay, we also have fate. I will take you to a place to see if I can help you reshape the primordial spirit.” Yutong Xianweng said, helping Princess Dongling up, stepping on the auspicious clouds towards the distant sky And go.

.....

the other side.

After Nalan Wushuang and Wen Chou Chou bid farewell to everyone, they rushed back to the Five Poison Sect immediately.

This chapter is provided by . Visit for daily update.

In the back hall, I saw Bai Yunfei sitting there, sipping tea leisurely, next to Ji Hongshang and several female disciples of the Five Poison Sect, standing there quietly.

Seeing Nalan Wushuang coming in, a smile appeared on Bai Yunfei’s face, and he said lightly, “You’re back so soon? How is the situation?”

Nalan Wushuang bit his lip, hiding his inner tension, and said respectfully, “My subordinate. Fortunately, the Ouyang family was almost wiped out by our Xia Yin Sect, and now there is only one Yue Feng, who has disappeared!”

“Okay, okay...”

Hearing this, Bai Yunfei’s face was full of excitement, and he nodded in approval: ” Yes, I knew you wouldn’t let me down, it’s getting late, you should go and have a rest!”

“Well...” Nalan Wushuang replied softly, and then exited the hall.

When they got outside, Nalan Wushuang heaved a sigh of relief.

Fortunately, he pretended to be very similar, and temporarily deceived Bai Yunfei, and he was not aware of his contact with the soul-eating bloodworm.

Next, it’s time to find an opportunity to release Haotian Divine Sovereign from the dungeon.

...

at night, in the back mountain prison of the Five Poison Sect.

Divine Sovereign Haotian was all tied up, sitting in the corner of the cell, very embarrassed.

Mad, the dignified Haotian Divine Sovereign, was imprisoned in such a place, it was a great shame.

Cursing secretly in his heart, Divine Sovereign Haotian wanted to stand up, but he was hit hard by Demon Lord Gone before, so he couldn't use any strength.

This is how to do!

Do you really want to be stuck here forever?

For a time, Haotian Shenjun was sweating profusely. At this moment, I heard footsteps coming from outside the door. The footsteps are very soft!

squeak—

A few seconds later, the iron door was quietly opened with a gap, and then a slender figure walked in.

Haotian Divine Sovereign suddenly became alert, stared at it, and was stunned!

I saw that the visitor was a young woman, dressed in black, unable to hide her graceful curves, and her facial features were exquisite, but she was a little dignified at this time.

It is Nalan Wushuang!

During the day, the dungeon is surrounded by patrolling disciples, and Nalan Wushuang has no chance at all and can only wait until night.

“It's you?”

Seeing Nalan Wushuang, Haotian Divine Sovereign suddenly turned gloomy: “What did Bai Yunfei send you to do?” He knew that the woman in front of him was Bai Yunfei's subordinate, so naturally he would not be polite.

Huh...

Nalan Wushuang let out a sigh of relief, first looked outside the cell, and then lowered his voice: “Your Majesty, don't get me wrong, I'm here to help you!”

Help me?

Haotian Shenjun smiled coldly, not believing it at all.

Nalan Wushuang quickly explained: “I don't dare to lie to the gods. To be honest, I am the head of the Xia Yinzong...” In the next few minutes, Nalan Wushuang explained the grievance between himself and Bai Yunfei in detail. Say it.

At the end, Nalan Wushuang said ruthlessly: "Bai Yunfei and I are inseparable, and I hope you can help me take revenge to save you from this adventure."

Chapter 3997

Hu...

Hearing this, Haotian Shenjun pondered for a moment, and finally nodded: "Okay, I will believe you once."

Seriously, Haotian Shenjun doesn't really believe in Nalan Wushuang, but his own The situation, there is no other way, it is better to take a risk.

Seeing his promise, Nalan Wushuang was also relieved, and quickly said: "Your Excellency, how can I help you?"

When he said this, Nalan Wushuang looked up and down at the Haotian God, with a delicate face very complicated. I saw that what tightly bound Haotian Divine Sovereign was not an ordinary iron chain, but a rope formed by special power.

Not only that, but strange runes flashed on the rope. Nalan Wushuang could feel that those runes contained strong power.

Seeing Nalan Wushuang's embarrassed look, Haotian Shenjun couldn't help laughing.

"This is easy!" In the

next second, Haotian Divine Sovereign directed at Nalan Wushuang and said, "It's very easy to help me break the bondage. You can use all your power and hit me on the top of my head, and the magic lock on my body will disappear. That's it." The

Heavenly Demon Spirit Locks, the special ropes on Haotian Divine Monarch's body, were transformed from the power of the Demon Soul.

What?

Hearing this, Nalan Wushuang's delicate body trembled, and his eyes widened: "I'll hit your head with all my strength, is this...?"

" took his life?"

Seeing her surprised face, Haotian Divine Sovereign couldn't help but smile and said: "You don't have to be nervous, there is a big difference between gods and humans, the top of the human head is very fragile, but gods are different, the only way to open my primordial spirit at this time, otherwise If so, my power will always be sealed by the demon lock of this day."

Having said that, Haotian Shenjun glanced outside the dungeon: "It's getting late, you hurry up..."

Hmm!

Hearing this, Nalan Wushuang nodded, and immediately activated all his internal strength, and raised his jade hand with all his strength and slapped it on the head of Haotian God.

boom!

A shock came out, and Nalan Wushuang only felt a powerful rebound force coming, his delicate body trembled, and he took a dozen steps back.

At the same time, the demon lock on his body also disappeared quickly.

"That's great!"

Nalan Wushuang was a little worried at first, but when he saw the Heavenly Demon's Chains disappear, he was instantly excited and excited.

Hu....

Haotian Shenjun took a deep breath, stood up and stretched his body. He lost his previous arrogance, but sincerely thanked: "Thank you."

After saying this, Haotian Shenjun's face became solemn, and he was attentive. Lan Wushuang said: "As soon as the demon lock disappears, Bai Yunfei will sense it. Hurry up and see the situation outside. I need to restore the power of the primordial spirit." After the

last sentence fell, the Haotian Shenjun sat cross-legged and began to run the primordial spirit. God, restore power.

Nalan Wushuang nodded, and without thinking about it, he hurriedly went outside the cell to check the movement.

hum!

As soon as he arrived outside the cell, Nalan Wushuang sensed a wave of aura, which came from the direction of the front hall. Nalan Wushuang hurriedly looked at it, and when he saw it, his body trembled.

Just saw, under the darkness of night, a handsome figure hurried towards the cell, wearing a white robe is particularly eye-catching, handsome face, showing a bit of solemnity.

It was Bai Yunfei.

What Haotian Shenjun said was right. The demon lock on his body was deployed by Bai Yunfei. Just now, the demon lock disappeared, and Bai Yunfei sensed it immediately.

Oops!

Seeing Bai Yunfei, Nalan Wushuang instantly became nervous, and at the same time wanted to go back to the cell to spread the news to Haotian Divine Sovereign, but Bai Yunfei was too fast, and he reached the entrance of the dungeon in the blink of an eye.

At this moment, Nalan Wushuang hurriedly hid behind a tree. Less than a few dozen meters away from Bai Yunfei, at that time a heart almost jumped to the throat, while secretly praying.

Don't be found, don't be found.

Speaking of which, Nalan Wushuang hated Bai Yunfei to the bone, and just now, he helped Haotian Divine Sovereign out of bondage. If it was before, he would definitely not hide, but face Bai Yunfei directly.

But after going through so much recently, Nalan Wushuang has become much calmer.

At this time, Nalan Wushuang knew very well that Bai Yunfei's strength was tyrannical. If he didn't hide, he would die alone, because the Haotian Divine Sovereign was still recovering the power of his primordial spirit, and it was impossible to come out to help in a short time. .

Chapter 3998

Bai Yunfei did not find Nalan Wushuang.

At the entrance of the dungeon, Bai Yunfei did not go in directly, but looked around, and then shouted: "come here!"

Bai Yunfei clearly felt that Haotian Divine Sovereign had broken away from the demon lock, and was recovering his energy inside at this time. God, enter rashly, relying on himself alone, there is no certainty to defeat Haotian Divine Sovereign.

After all, Haotian Divine Sovereign is second only to the existence of Jiutian God in the strength of the Divine Realm.

Whoa!

As soon as the voice came out, Ji Hongshang brought hundreds of elite disciples of the Five Poison Sect and rushed over to surround the entrance of the dungeon.

“Sect Master!”

After surrounding the entrance to the dungeon, Ji Hongshang respectfully said to Bai Yunfei: “Suddenly summoning your subordinates, could it be the Divine Sovereign Haotian...”

Before she could finish her sentence, she was interrupted by Bai Yunfei: “I sensed just now that Haotian Divine Sovereign broke through my Heavenly Demon Spirit Lock.”

What?

Hearing this, Ji Hongshang’s delicate body trembled, and she was stunned.

You must know that Bai Yunfei’s Heavenly Demon Spirit Lock is made of the power of the Demon Soul. It is very powerful. When the Haotian Divine Sovereign was captured, he was severely injured by His Excellency Demon Venerable. How could he break through the Heavenly Demon Spirit Lock?

While muttering in her heart, Ji Hongshang did not dare to ask.

“Ji Hongshang!”

At this time, Bai Yunfei’s face was solemn, and he ordered: “You don’t need to worry about it here for the time being. Immediately block all the exits of the main altar. I suspect that someone secretly helped Haotian God.”

Bai Yunfei is not a fool. In the situation of Tianshenjun, it is impossible to break through the bondage so quickly. The only explanation is that someone sneaked into the dungeon quietly.

“Yes, Sect Master!”

Ji Hongshang understood and responded, and hurried to deploy.

Oops!

Seeing this scene, Nalan Wushuang, who was hiding behind a tree not far away, instantly became anxious.

She negotiated a plan with Wen Chou Chou before, and went back to the Five Poison Sect alone, looking for an opportunity to release Haotian Divine Monarch from the dungeon, while Wen Chou Chou and the followers of Xia Yin Sect were a few miles away from the Five Poison Sect. Outside the hillside waiting for news.

At this time, Nalan Wushuang never thought that Bai Yunfei rushed over and blocked the entire Five Poison Sect.

In this way, Nalan Wushuang would not be able to meet with Wen Chou Chou, let alone pass on news.

“Shenjun Haotian!”

Just when Nalan Wushuang was secretly anxious, Bai Yunfei looked at the entrance of the dungeon with a cold tone: “Since I have broken through my demon lock, what are you still doing inside? Don’t you dare to come out? “

When he said this, Bai Yunfei’s face was cold, but his heart was a little unspeakable.

His Excellency Mozun is not here, so he is not the opponent of the Haotian Divine Sovereign. But no matter what, he couldn’t let him escape from the Five Poison Sect tonight.

hum.

The voice fell, and a powerful breath burst out from the dungeon, and then, a figure shot out, standing proudly in the air.

It is Haotian Shenjun.

Swish!

Seeing Haotian Shenjun coming out, Bai Yunfei’s face changed suddenly, staring closely at Haotian Shenjun: “Finally out? Haotian Shenjun, I really underestimate you, I didn’t expect someone to quietly enter the dungeon to help you. “

Saying that, Bai Yunfei’s face showed a bit of grimness: “But I tell you, no matter who this person is, I will definitely catch him, and then cut off his head in front of you!”

“Hehe!”

At this point, Divine Sovereign Haotian looked contemptuous: “It’s just a dog at the feet of Demon Venerable, dare to bark in front of this sovereign? Get out of the way and tell Gone to come out and see me.”

Hearing this, Bai Yunfei’s face flushed red . , as if subjected to great humiliation.

“You are just a prisoner, what qualifications do you have to see Your Excellency Demon Venerable?”

Om!

The voice fell, and a powerful breath permeated from Bai Yunfei’s body, and then the figure erupted and hit the Haotian Divine Sovereign with a palm!

Bai Yunfei clearly felt that Haotian Divine Sovereign had just broken through the shackles of the Heavenly Demon Spirit Chain, and the power of his primordial spirit had not yet fully recovered. In this case, of course not afraid.

“Humph!”

Seeing Bai Yunfei burst out, Haotian Divine Sovereign smiled contemptuously, raised his hand and collided with Bai Yunfei’s palms!

Just hear a loud bang! At the moment when the two palms collided, a tyrannical fluctuation of internal force swept the audience!

Chapter 3999

Both Bai Yunfei and Haotian Shenjun were shocked, and immediately, both sides were shocked by the air by dozens of steps.

Obviously, the two sides are facing each other, and no one has taken advantage of it!

Mad!

However, Bai Yunfei stabilized the smooth scene of the figure, but he was secretly surprised, how is this possible? Haotian Divine Sovereign has just broken through the shackles of the Heavenly Demon Spirit Chain, how could the power of the Primordial Spirit recover so quickly?

“Beyond one’s own capabilities!”

Feeling Bai Yunfei’s astonishment, Haotian Divine Sovereign spit out a few words with contempt on his face.

Bai Yunfei became angry and quickly recited a spell.

Yes, he wants to summon the ancient poisonous beetle.

“Roar!”

The moment the mantra was chanted, a roar that shocked the heavens and the earth was heard, and then, a huge figure flew quickly from the forbidden area in the back mountain.

A huge body like a dragon, with a few pairs of wings growing on its back, and a sinister light flashing in its eyes.

It is the ancient poisonous beetle.

At the moment when the ancient poisonous scorpion appeared, the surrounding temperature dropped sharply. At this time, it was already early summer, but everyone around felt as if it had entered a cold winter.

Ancient poisonous beetle?

At this moment, Haotian Divine Monarch frowned, and instantly lost his previous arrogance, and his eyes became solemn.

Bai Yunfei's guess was good, the power of Haotian Divine Sovereign had not fully recovered, and it was more than enough to deal with Bai Yunfei, but if there was another ancient poisonous scorpion, it would be different.

You must know that the ancient poisonous scorpion was the most ferocious poisonous insect in the ancient times, and its strength was amazing.

hiss!

Seeing this scene, Nalan Wushuang, who was hiding in the dark, suddenly trembled, and couldn't help taking a breath of cold air.

Bai Yunfei summoned the ancient poisonous scorpion, and now Haotian Shenjun is a little troublesome.

Speaking of which, there is a thousand-year-old grievance between Xia Yinzong and Divine Realm. Nalan Wushuang should not worry about Haotian God, but at this time, she does not want Haotian God to have an accident.

After all, compared to the feud in the Divine Realm, Bai Yunfei killed his mother, and this feud was even more inseparable.

“Roar!”

At this time, under the instruction of Bai Yunfei, the ancient poisonous scorpion let out a roar, and its huge body came directly towards the Haotian Divine Sovereign.

At the same time, Bai Yunfei also burst into a figure, followed closely behind, rushing towards Haotian Divine Sovereign again.

“Very good...”

Seeing Bai Yunfei and the ancient poisonous scorpion attacking together, Haotian Shenjun sneered with a fearless face: “Don't think that if you can attract the ancient poisonous scorpion, you can defeat me.”

Om!

The voice fell, and a dazzling golden light erupted from the whole body of Haotian Divine Sovereign. In an instant, the entire sky of the Five Poison Sect was dyed with a golden color.

Powerful divine power, the people who suppress it panic!

“Crack!”

Immediately afterwards, the Haotian Divine Lord slowly raised his right hand, and he heard a crisp sound, followed by a long knife, which appeared in the hands of the Haotian Divine Lord.

The blade of this knife is more than three feet long, winding like a snake. Two flying dragons are carved on it, and the whole body is shining with golden light.

It is the unique weapon of Haotian Shenjun, the Heavenly Desolate Devil Slayer Blade.

The Heavenly Desolate Devil Slayer Blade is said to be made of special firefly iron from God's Domain, and it has been tempered by the fire of the sky for five hundred years before it finally takes shape. In the God's Domain Weapon Ranking, ranked third.

As soon as the Heavenly Desolate Devil Slayer Blade came out, a terrifying blade aura filled the air!

Gudong!

At this moment, the disciples of the Five Poison Sect who were watching the battle from a distance felt that it was difficult to breathe, and at the same time secretly sweated for Bai Yunfei.

Although Bai Yunfei is tyrannical, he is probably not an opponent to fight against a powerhouse like Haotian Divine Monarch.

Bai Yunfei also has a solemn expression, but because of the help of the ancient poisonous scorpion, he did not panic too much, but sneered: “Haotian Divine Monarch, are you going to show your housekeeping skills so soon?” The

voice fell, Bai Yunfei broke out again, and cooperated with the ancient poisonous scorpion to besiege Haotian Divine Monarch.

Bang bang bang...

For a time, the fierce battle broke out again, and the powerful force collided, causing the sky to roll with dark clouds, like the end of the world.

Phew...

Seeing this scene, Nalan Wushuang was extremely excited.

Haotian Divine Sovereign used a weapon, and now the situation can be reversed.

However, what she didn't expect was that Haotian Divine Sovereign used the Heavenly Desolate Devil Execution Blade, which did not change the situation, and was still suppressed by Bai Yunfei and the ancient poisonous scorpion.

Speaking of which, Haotian Divine Sovereign's Primordial Spirit has not been fully recovered, and even if he uses the Heavenly Desolate Devil Slayer Blade, there is still no way to change the situation.

Chapter 4000

Can't go on like this!

Seeing that the situation was getting worse and worse, Nalan Wushuang was completely anxious.

Thinking about it, Nalan Wushuang couldn't think too much, and her delicate body flashed and went directly behind Bai Yunfei.

Nalan Wushuang originally planned to wait until Haotian Divine Sovereign injured Bai Yunfei, and then find a chance to rush out, but he did not expect that the situation was getting worse and worse, so he had to take a risk.

At this time, seeing that Bai Yunfei's attention was all on Haotian Divine Sovereign, Nalan Wushuang knew that he could not do anything.

hum!

In the blink of an eye, Nalan Wushuang arrived behind Bai Yunfei, and the internal force revolved, bursting out all the power.

"Nalan Wushuang?"

Feeling the danger coming from behind, Bai Yunfei knew that something was wrong, so he quickly looked back and saw Nalan Wushuang, his heart was shocked, and he also understood something.

Obviously, Nalan Wushuang was the one who secretly entered the dungeon to help Haotian Divine Region.

"You are courting death!"

Realizing this, Bai Yunfei roared, and then subconsciously urged the soul-eating bloodworm in Nalan Wushuang's body.

However, what surprised him was that Nalan Wushuang didn't react at all, and he couldn't feel the breath of the soul-eating bloodworm at all.

what happened?

At this moment, Bai Yunfei's mind was buzzing and blank.

Impossible...

Soul-devouring bloodworm, the entire Kyushu has no cure, how did Nalan Wushuang get rid of it?

"Bai Yunfei!"

Seeing Bai Yunfei's expression, Nalan Wushuang's delicate face showed a bit of pride and hatred, and she said tenderly, "Did you not expect it? Let me tell you, I have taken the colored glaze water, and I have successfully driven out the soul-devouring blood. Worm, you are no longer under your control!"

"You kill my mother, I want you to pay for your debts with blood, go to hell!" As the words

fell, Nalan Wushuang burst out with all his strength, and slammed Bai Yunfei's back with a fist.

"Sect Master!"

"Be careful..."

Seeing this scene, the disciples of the Five Poison Sect watching the battle below couldn't help exclaiming.

At the same time, a slender figure not far away came flying quickly.

It was Ji Hongshang.

After the entire Five Poison Sect was under martial law, Ji Hongshang saw the fight broke out here. She didn't think much about it at the time, and rushed over immediately.

At this time, seeing Nalan Wushuang raiding Bai Yunfei, Ji Hongshang was furious, and immediately shouted: "Nalan Wushuang, stop!"

In Ji Hongshang's heart, she still needs to rely on Bai Yunfei to kill Yue Feng to avenge, how can you allow him to have an accident?

Jiao drinking, Ji Hongshang wanted to rush over, but the distance was too far, and it was too late.

At the same time, Bai Yunfei was frightened and wanted to dodge. However, Nalan Wushuang's speed was too fast, and there was Haotian Divine Sovereign in front of him, Bai Yunfei couldn't react at all,

Boom!

This palm slammed into Bai Yunfei's junior, and heard a dull vibration, Bai Yunfei groaned, and the whole person flew out at once.

Pfft!

After flying for more than 100 meters, Bai Yunfei sprinkled a rain of blood in the air, and finally fell heavily on the stone road below. The pain came, and Bai Yunfei broke out in cold sweat.

Bai Yunfei clearly felt that the power of the demon soul in his body was directly disordered, his blood was tumbling, and he almost fainted.

To be honest, with Nalan Wushuang's strength, it is very difficult to inflict heavy damage on Bai Yunfei, but Bai Yunfei just fought against Haotian Divine Sovereign, and the power of the devil's soul has been consumed a lot. This gave Nalan Wushuang a chance to take advantage.

Mad!

At this moment, Bai Yunfei was sweating profusely, and his eyes were like poisonous snakes, staring at Nalan Wushuang.

Damn, Nalan Wushuang's palm is too cruel, fortunately, he has a demon soul protection body, which offsets a lot of power, otherwise, he would be dead.

"Sect Master!!"

At this moment, Ji Hongshang rushed over and shouted at Bai Yunfei, "How are you?" As he spoke, he was ready to come and help.

"Don't worry about me, I can't die!"

Bai Yunfei shouted, then pointed at Nalan Wushuang in mid-air: "Kill her for me, kill her..."

When he shouted these words, Bai Yunfei's eyes were blood red, almost into madness.

Since he set foot in the rivers and lakes, Bai Yunfei has always been smooth sailing. He has always controlled others and played tricks on others. Today, he was attacked by Nalan Wushuang. How can he bear it?
