Chapter 4001

“Yes, Sect Master!”

Upon hearing the order, Ji Hongshang responded, and then ordered the surrounding elites of the Five Poison Sects to burst out and come towards Nalan Wushuang.

“You are all the murderers who killed my mother, go to hell.”

Seeing Ji Hongshang and many disciples of the Five Poison Sect erupting, Nalan Wushuang’s delicate face showed no nervousness at all, but instead let out a coquettish cry. , directly meet.

“Don’t be impulsive!”

However, at this moment, Haotian Divine Sovereign who was not far away couldn’t help shouting, and said anxiously at Nalan Wushuang: “Why did you rush out? There are too many opponents, you are not an opponent, Hurry up, I’ll hold them back...”

When he said this, Haotian Divine Sovereign was about to come to help, but he was entangled by the ancient poisonous scorpion and couldn’t get away at all.

Although Nalan Wushuang created Bai Yunfei, which relieved a lot of pressure on the Haotian God, but at the beginning, facing the siege of Bai Yunfei and the ancient poisonous scorpion, the Haotian God consumed a lot of the power of the primordial spirit.

Under such circumstances, Haotian Divine Sovereign alone is more than enough to fight the ancient poisonous scorpion, but if he wants to help Nalan Wushuang, he is helpless.

Hearing this, Nalan Wushuang calmed down, but at this time Ji Hongshang was surrounded by the crowd, and there was no chance to escape.

Bang bang bang...

In the blink of an eye, Nalan Wushuang and Ji Hongshang and the others fought fiercely in mid-air.

In the beginning, Nalan Wushuang was able to deal with it easily, but gradually it became unbearable. Speaking of which, Nalan Wushuang’s strength was much higher than Ji Hongshang, but when he attacked Bai Yunfei just now, he used all his internal strength. .

Under such circumstances, facing the siege of Ji Hongshang and the hundreds of elites of the Five Poison Sect, there was nowhere to parry.

boom!

Finally, Ji Hongshang found an opportunity, attacked from behind, and slapped Nalan Wushuang on the back.

At this moment, Ji Hongshang's delicate face was full of pride and coldness: "This is the end of the sneak attack on the sect master, honestly lead to death!"

"Shut up!"

Nalan Wushuang's face was cold: "You are just a A dog beside Bai Yunfei wants to kill me, it's not that easy!" As the

voice fell, Nalan Wushuang endured the pain, slowly raised his jade hand, and a strong internal force wave was released from around her!

I saw the surrounding air suddenly tore apart, and then, a white phoenix condensed out, whistled and hovered beside Nalan Wushuang! The loud phoenix ming spread throughout the audience!

"Baifeng pervades the sun." The

cold four words came out of Nalan Wushuang's mouth, and then he waved his jade hand.

Bai Feng Guanri is a unique skill of the Xia Yin sect, and only the master can practice it. Half a year ago, Nalan Wushuang successfully understood this trick under the guidance of Nalan Qing, but he never used it. Can't help it.

"Huh!"

In an instant, Bai Feng let out a loud cry and flew directly to Ji Hongshang!

This trick Bai Feng Guanri has reached Ji Hongshang in the blink of an eye! It looks like it's about to hit her!

At this moment, Ji Hongshang's pretty face changed, almost pale. She never thought that Nalan Wushuang would be able to burst out with such terrifying power after being slapped by her.

At this critical moment, Ji Hongshang didn't have time to think about it, she quickly mobilized all her strength, raised her jade hand, and saw a layer of protective film condensing in the air!

“boom!”

Bai Feng slammed hard on the protective film, making a loud noise, and saw that the protective film shattered instantly, Bai Feng also disappeared, and Ji Hongshang groaned and was directly sent flying.

At the same time, the surrounding Five Poison Sect disciples were also shaken back.

Taking advantage of this opportunity, Nalan Wushuang's delicate body flashed, rushed out of the siege, directly thinking about the distant horizon, and at the same time did not forget to turn around and shouted at Haotian Divine Monarch: “You must hold on, I will come back to help you. Yes .”

Hearing this, Haotian Divine Monarch showed a smile, and then continued to fight with the ancient poisonous scorpion.

Swish!

Seeing this situation, Ji Hongshang's delicate face was extremely ugly, and she scolded the surrounding disciples of the Five Poison Sect: “What are you doing, chasing, chase after me, chase to the ends of the earth and catch me too. “

Chapter 4002

“Follow the order!”

In an instant, thousands of elite disciples of the Five Poison Sect responded and chased Nalan Wushuang one by one.

Speaking of which, if it was before, with Nalan Wushuang's strength, these disciples of the Five Poison Sect would not be able to catch up with her, but Nalan Wushuang had just used the unique skill 'Baifeng Guanri', which consumed most of his internal energy, and the flight speed at this time was also too fast. been affected.

At this time, in midair.

Nalan Wushuang bit his lip tightly and flew forward with all his strength. The Ouyang family and the members of the Xia Yin Sect must be anxiously waiting and must rush over to join them.

She thought about it, and after meeting with Wen Chou Chou and everyone, she would kill the Five Poison Sect.

Huhuhu... At this moment, Nalan Wushuang clearly felt that there was a wave of aura behind him. Listening to the movement, it was obvious that many people were chasing after him.

Nalan Wushuang looked back subconsciously. Seeing this, he suddenly became anxious.

He saw that in the mid-air behind him, there were thousands of disciples of the Five Poison Sect, chasing after him.

Seeing this scene, Nalan Wushuang wanted to speed up, but just now, the internal energy was consumed too much, and he was completely powerless.

At this time, the thousands of elites of the Five Poison Sects behind them also discovered Nalan Wushuang, and they were very excited and shouted at the same time.

“Nalan Wushuang, you can’t run away, so just capture it!”

“You want to run away from the Sect Master,”

“Give it up, don’t struggle...” The

angry shouts kept coming, these Five Poison Sect disciples, Everyone is extremely excited, you know, catching Nalan Wushuang is a great achievement. Who doesn’t want to perform well?

In the past, these disciples of the Five Poison Sect did not dare to be arrogant in front of Nalan Wushuang, but now it is different. Nalan Wushuang consumes a lot of internal energy and is not afraid at all.

Huh....

Listening to these shouts, Nalan Wushuang just pretended not to hear it, and flew forward desperately, with a calm expression, but his heart was extremely nervous.

After finally escaped, he must not be caught back, otherwise, he would be in a doomed situation.

However, what made Nalan Wushuang depressed was that the heavens didn’t seem to help her tonight. It was a good day with the moon and stars sparse before, and suddenly there was heavy fog.

Nalan Wushuang was originally unfamiliar with the environment of the Five Poison Sect, and at this time, he was in the thick fog and immediately lost his way.

However, Nalan Wu couldn’t care less and flew forward desperately.

After flying for a few more minutes, Nalan Wushuang was extremely delicate and dripping with sweat. He landed on a mountain peak, rested for a while, and looked at the surrounding environment at the same time.

call!

Seeing this, Nalan Wushuang couldn't help but take a deep breath, and his heart sank to the bottom.

Oops, totally lost now.

I saw that there was a continuous mountain of peaks in front of me, and each peak was towering into the clouds. In addition, the fog was filled at this time, and the road could not be seen at all.

Seeing this situation, Nalan Wushuang just felt dazed.

Wow...

Just at this moment, footsteps came from behind again, and I saw those elite disciples of the Five Poison Sect chasing after them again.

The ghost doesn't go away.

Hearing the footsteps, Nalan Wushuang did not hesitate at all. Seeing that there was a mountain road ahead, he ran directly over.

"Still running?"

"Ma De, this woman can really run..."

"Hurry up, she won't run far."

Seeing this scene, the disciples of the Five Poison Sect were extremely annoyed and shouted one by one. At the same time, speeding up, chasing towards Nalan Wushuang.

Nalan Wushuang had flown all the way before, and was already exhausted. At this time, the mountains were foggy, and he couldn't tell the east, west, north, south, and south, and he was chased by thousands of elites of the Five Poison Sect.

Under such circumstances, Nalan Wushuang panicked and was chased to the top of a cliff.

Oops!

At the moment of reaching the top of the cliff, Nalan Wushuang's delicate body trembled as he looked at the cliff in front of him, and he quickly stopped, his delicate face also showed a bit of despair.

There is no road ahead.

Why it came out like this? Could it be... is this providence? Are you doomed to die here today?

Thinking to himself, Nalan Wu's eyes were full of sadness.

Haha....

At this moment, thousands of disciples of the Five Poison Sect at the back had already gathered around, and seeing the scene in front of them, everyone looked at each other and couldn't help laughing.

Chapter 4003

"You're still running, why aren't you running?"

"Nalan Wushuang, this is God's will, you betrayed the suzerain, and secretly raided, and now you have nowhere to go, you deserve it!"

"That's right, follow us obediently ! Go back and accept the Sect Master's disposal!"

Everyone's mockery came from you and me, and Nalan Wushuang's delicate face was full of grief and unwillingness.

call!

In the next second, Nalan Wushuang bit his lip tightly, looked at the thousands of Poison Sect disciples in front of him, and said coldly: "I betrayed Bai Yunfei? He killed my mother, this hatred is unbearable, I didn't kill it just now. He's blind."

"Want me to go back with you? Unless I die!" As the

voice fell, Nalan Wushuang's delicate body flashed, and he rushed directly into the crowd.

"Encircle her!"

"Yes, let's go together!"

Seeing that Nalan Wushuang dared to act at this time, thousands of disciples of the Five Poison Sect shouted and fought fiercely with Nalan Wushuang.

In the beginning, Nalan Wushuang was able to cope with it easily, but gradually he couldn't stand it anymore.

And the disciples of the Five Poison Sect were all restless. Ma De, it took so long for so many people to deal with a woman, and it was too embarrassing.

"It can't go on like this, let's use poisonous insects!"

Anxious, I don't know who shouted, and then everyone reacted, and they took out a huge spider from their bodies, and then threw them towards Nalan Wushuang.

As you can see, these spiders are the size of fists, dark red all over, and have crescent-shaped patterns on their backs.

This spider is called the blood widow. It is a poison specially raised by the Five Poison Sect. The Five Poison Sect is good at poisoning. Widows are the most sinister of all poisons.

As long as you are bitten by the blood widow, the poison will enter the heart through the blood, and then spread to the whole body.

It can be said that this blood widow is very scary.

Phew...

Seeing this scene, Nalan Wushuang's delicate body trembled, and his heart was extremely angry.

These people from the Five Poison Sect are too despicable. If they can't beat them, they use poisonous insects. These spiders look extremely sinister and must be careful.

Chi Chi...

Just when Nalan Wushuang was muttering secretly, countless blood widows let out a roar, sprayed venom from their mouths, and rushed over quickly.

Seeing this scene, Nalan couldn't wait to think about it, and quickly summoned his long sword and waved it to resist the attack of these blood widows.

Nalan Wushuang, as the head of Xia Yinzong, is very powerful, and his swordsmanship is also excellent. With a long sword, it is difficult for those blood widows to approach, but gradually, under the consumption of internal strength, Nalan Wushuang's speed slows down. .

Pfft...

Finally, a few blood widows found an opportunity and rushed up from behind. One of them jumped onto Nalan Wushuang's back, his fangs bit Nalan Xinran's shoulder at once, and the poison was injected into it.

At that moment, Nalan Xinran only felt a buzzing sound in his head, and the moment went blank, and at the same time, a sense of numbness came.

Oops!

Nalan's heart trembled with joy, knowing that he was poisoned, and he was instantly furious. With a wave of his long sword, he swept away several blood widows from his body, but his delicate body trembled faintly, and he could hardly stand still.

"Haha..."

Seeing this scene, the surrounding disciples of the Five Poison Sect were all extremely excited and shouted one by one.

"Nalan Wushuang, you have been poisoned by the blood widow, and you won't last long!"

"Surrender, don't struggle..."

Hearing this, Nalan Wushuang's delicate face was full of gloom.

"A bunch of bastards, get out of the way!" In the

next second, Nalan Wushuang clenched his teeth and gave a coquettish shout, then used all his strength to send out a palm force, heading towards the crowd.

boom!

This palm hit, only to hear a thunderous roar, and saw Nalan Wushuang's delicate body trembling, and a mouthful of blood spurted out, the palm just now completely exhausted all her inner strength.

However, the surrounding elite disciples of the Five Poison Sect were also shocked by this palm and retreated.

Taking this opportunity, Nalan Wushuang did not hesitate at all, with a glint of determination in his eyes, turned around and jumped off the cliff.

Nalan Wushuang has a strong personality and would rather die than give in.

What?

Seeing this scene, the expressions of these Five Poison Sect disciples changed, and they wanted to rush over to stop them, but it was too late.

Chapter 4004

Soon, everyone reacted, rushing to the cliff one by one, and saw the bottom of the cliff, the fog filled the bottom, where is the figure of Nalan Wushuang?

For a time, these elite disciples of the Five Poison Sect looked at each other, each with a gloomy expression.

“Ma De, this woman has such a strong personality...”

“Yes, she has been poisoned by the blood widow... The credit for her, she actually flew like this!”

“Forget it, so Gao will definitely die if she falls, let’s go back to the sect master!” After the

discussion, everyone quickly returned to the main altar of the Five Poison Sect.

.....

the other side!

Nalan Wushuang landed quickly, landing for more than ten seconds. Suddenly, his body was shocked, and he didn’t know what he fell on. The pain came, and Nalan Wu’s eyes went black and he fainted.

Time passed by minute by minute.

On the half-waist of the cliff, Nalan Wushuang woke up faintly, and the moment he opened his eyes, he felt severe pain all over his body.

I didn’t even die?

Nalan Wushuang endured the severe pain and looked at the environment she was in. She was immediately very fortunate. It turned out that she had smashed into a tree growing on a cliff before, and then hung on it.

However, at the same time, Nalan Wushuang felt extremely sad.

She clearly felt that the blood widow’s poison had invaded her heart, and her whole body was weakened by the poison’s paralysis.

What if you didn’t fall to your death?

In the end, isn't it going to be poisoned?

call...

In despair, Nalan Wushuang took a deep breath and looked down!

I saw that there was a stone platform extending out more than ten meters below. Although it was only a few square meters, it was also a foothold.

Seeing this scene, Nalan Wushuang took a deep breath, even if he was poisoned, he couldn't just sit still, so he might as well jump off the stone platform to see if there was a way out.

Maybe you shouldn't die.

Thinking to himself, Nalan Wushuang didn't move rashly either. He hung on the tree and rested quietly. After a few minutes passed, he felt a little better, and only then did he lightly jump to the stone platform below.

Um?

As soon as he arrived on the platform, Nalan Wushuang suddenly looked happy.

I saw that there was a narrow cave next to the stone platform. The cave was meandering, revealing a cold atmosphere, and I didn't know where to go.

To be honest, Nalan Wushuang didn't really want to go in. After all, this area is still under the control of the Five Poison Sect.

But there is no road ahead, and this stone platform is far from the bottom of the abyss, and I don't know how deep it is.

Nalan Wushuang stood there weighing for a moment, and finally decided to enter the cave to have a look.

This cave is very narrow, and the inside is crooked. Nalan Wushuang played with 12 points of spirit and carefully passed through.

Unconsciously, after walking for nearly ten minutes, Nalan Wushuang saw that a light appeared in front of him. At that time, my heart was overjoyed, and I quickly accelerated my pace.

Phew...

Soon, Nalan Wushuang successfully walked out of the cave and was stunned when he saw the scene in front of him.

I can see that there is a beautiful valley in front of me, a quiet forest in front, the grass next to it is full of exotic flowers and plants, and a stream next to it flows through, the stream is gurgling and crystal clear.

beautiful!

At this moment, Nalan Wushuang stood there in a daze, her delicate body trembled slightly, and the whole person was going to be stupid. Almost forgot about the pain.

This place is so beautiful, it's like a paradise.

I really did not expect that there is such a charming place near the Five Poison Sect.

At this time, Nalan Wushuang did not know that the valley he came to was the Tianxiang Valley where Bai Yunfei imprisoned Su Qingyan. This place is very hidden, and it is difficult for ordinary people to find it. Nalan Wushuang also happened to break in by accident.

To be honest, if Nalan Wushuang hadn't fallen off the cliff and accidentally entered the cave on the platform, he would never have found it.

After being stunned for a few minutes, Nalan Wushuang reacted and walked towards the inside along the stream.

After walking for a while, the surrounding woods disappeared, and there was a meadow in front of me. At the end of the meadow, there was an elegant courtyard.

The courtyard is not big, with only a main house and a side hall, but it is very elegantly deployed, surrounded by wooden fences, and the side hall extends out, and there is a pavilion.

Chapter 4005

At this time, in the gazebo, a slender figure sat quietly.

A long white dress sets off the charming curves, giving people a fresh and unstained beauty, and the facial features are exquisite and beautiful, but there is a lingering sadness between the eyebrows, but this does not affect this woman at all. The temperament, the whole person sits there, like a beautiful painting.

It was Su Qingyan.

Ever since she was trapped here by Bai Yunfei, Su Qingyan has been thinking about how to get out every day, but her dantian has been abolished, and she is no different from ordinary people. Facing the towering mountains on all sides, she is completely helpless.

However, Su Qingyan did not despair, but kept hoping that Yue Feng would find her here.

Su Qingyan?

At this moment, Nalan Wushuang arrived at the gate of the courtyard, saw Su Qingyan's face, and was immediately stunned.

This...isn't this Yue Feng's woman?

Why is she here?

When Nalan Wushuang clashed with Yue Feng for the first time in Donghai City, Su Qingyan was on the side, and Nalan Wushuang knew it naturally. I just never thought that I would encounter it here.

Yue Feng?

Hearing the footsteps, Su Qingyan thought that Yue Feng was coming, but she was stunned when she saw Nalan Wushuang.

is her? Nalan happy?

For a while, the two women were stunned, staring at each other from a distance.

Huh...

Finally, Nalan Wushuang took the lead in reacting, and said to Su Qingyan complicatedly: "Su Qingyan, why are you here? What is this place?"

"This is Tianxiang Valley!" Su Qingyan replied softly.

Tianxiang Valley?

Nalan Wushuang frowned, and immediately thought of something, her delicate face couldn't hide the embarrassment: "That... I had some misunderstandings with Yue Feng before, and I was offended at that time. I'm really sorry, and now I apologize to you. Hearing this, Su Qingyan smiled: "

The past is over, don't take it to heart."

Trapped in Tianxiang Valley for so long, Su Qingyan didn't want to care about the past grievances, just thinking about how leave here.

Seeing Su Qingyan say this, Nalan Wushuang showed a smile and at the same time heaved a sigh of relief.

“Miss Nalan!”

At this time, Su Qingyan thought of something and asked, “How did you get in? Can you take me out?”

When asking these questions, Su Qingyan’s eyes were full of expectations. You must know that Nalan Wushuang is very strong. If she can come in, she must know the way out. It is not a problem to save herself.

Nalan Wushuang took a deep breath: “I fell off the cliff, accidentally found a cave, and then came in.”

So....

Hearing this, Su Qingyan was extremely excited: “That’s great for you.” As he was speaking, he was stunned when he noticed Nalan Wushuang’s state.

I hadn’t noticed it just now, but at this moment, Su Qingyan noticed that Nalan Wushuang’s face was blue, his breath was weak, and he could hardly stand still.

Obviously, there were signs of poisoning at this time.

Realizing this, Su Qingyan still wanted to ask, but Nalan Wushuang couldn’t hold it anymore, his eyes darkened and he fainted.

“Miss Nalan!”

Su Qingyan was taken aback when she saw this scene, she hurried over, helped Nalan Wushuang up, and sent her to the room to take care of her.

Two hours later, Nalan Wushuang woke up faintly, but the situation became more serious. The originally delicate face turned dark blue, and the lips were black.

“Are you awake?”

Seeing Nalan Wushuang awake, Su Qingyan who was sitting beside her quickly stood up.

Nalan Wushuang nodded and said gratefully: “Thank you.” This Su Qingyan is indeed a chivalrous girl, disregarding previous suspicions and taking care of herself.

At this time, seeing her face getting worse and worse, Su Qingyan felt pity and asked, “What’s going on?”

Alas!

Nalan Wushuang sighed and explained his energy in detail.

Hearing this, Su Qingyan's face was extremely complicated.

I really didn't expect that so many things happened during this time, and I didn't expect that Bai Yunfei would be so evil, not only killing Nalan Qing, but also controlling Nalan Wushuang.

"What about you?" Just when Su Qingyan was thinking about it ,

Nalan Wushuang couldn't help but ask, "Why are you trapped here? Also, why is your inner strength gone?"

It hit Su Qingyan's pain.

"I was also deceived by Bai Yunfei." Su Qingyan gave a wry smile, and then told what happened to her.

The ultimate husband in Chinese chapter 4006-4010

Chapter 4006

"Damn."

Knowing the situation, Nalan Wushuang gritted his teeth and couldn't hide his anger: "This Bai Yunfei is really despicable and shameless..."

Just as she was talking, Su Qingyan smiled bitterly and interrupted. Said: "Things have already happened, it's useless to say these things now, by the way, what poison did you get?"

"Blood Widow!"

Blood Widow?

Su Qingyan's body trembled, and her expression became solemn.

As the Sect Master of Wenzong back then, of course Su Qingyan knew about the Blood Widow, which is the most sinister poisonous insect of the Five Poison Sect. It can be said that everyone in the rivers and lakes is talking about it.

The next second, Su Qingyan looked at Nalan Wushuang seriously: "Miss Nalan, do you believe me?"

Nalan Wushuang was stunned for a moment: "What?"

Su Qingyan smiled lightly: "You should have heard of, Yue Feng once learned some medical theory from senior Shennong, and later, Yue Feng passed on some medical skills to me."

"Although I still don't know how to develop the antidote for hemorrhagic widow, there are strange things everywhere in Xianggu today. Hua Yicao, if you believe me, I want to try to develop an antidote."

Su Qingyan's eyes were full of sincerity when she said this.

Speaking of which, she didn't like Nalan Wushuang, but they were all mutilated by Bai Yunfei, and Nalan Wushuang was so miserable, Su Qingyan felt pity and decided to help her.

More importantly, treating Nalan Wushuang is equivalent to saving himself. After all, he still needs to rely on Nalan Wushuang to get out of here.

Great.

This chapter is provided by . Visit [for](#) daily update.

At this moment, Nalan Wushuang showed a smile without hesitation: "You are willing to save me, I am naturally grateful, how can I not believe you?"

With that said, Nalan Wushuang looked at his blue hands, smiled bitterly, and continued: "Anyway, I'm already like this, if I don't want to cure it, I will die. You don't have to worry about anything, even if the antidote fails, I will I don't blame you."

Hu....

Hearing this, Su Qingyan breathed a sigh of relief, showed a smile, signaled Nalan Wushuang to rest, and then walked out of the courtyard to collect the exotic flowers and plants outside.

After a while, Su Qingyan collected dozens of herbs, set up a fire in the room, and started to brew the antidote.

Su Qingyan knew nothing about alchemy, and did not know how to make medicinal pills, but simple cooking was fine. ,

At this moment, looking at Su Qingyan's busy appearance, Nalan Wushuang was lying there, not interrupting by speaking, but watching quietly, deeply moved, and at the same time extremely looking forward to it.

Su Qingyan was once the suzerain of Wenzong and Yue Feng's woman, and Yue Feng's achievements in alchemy had long been famous in the world. As his woman, Su Qingyan would definitely be able to develop an antidote.

Finally... After half an hour, Su Qingyan wiped the sweat on her forehead, and then poured out the brewed antidote. In an instant, an herbal scent filled the room.

Great, it came out so quickly.

Seeing this scene, Nalan Wushuang was inexplicably excited.

Su Qingyan was also extremely relaxed. She came over with the soup and said to Nalan Wushuang: "The herbs I choose are all to restrain toxicity, so there should be no problem, but I don't have full confidence."

"I believe you." Nalan Wushuang smiled, then took the soup and drank it directly.

After drinking the soup, Nalan Wushuang sat cross-legged and began to adjust the strength of his dantian.

Su Qingyan stood quietly by the side, her delicate face full of anticipation.

hiss.

A few minutes later, Nalan Wushuang suddenly frowned, his face was blue, but it was pale, and the cold sweat on his forehead was very painful.

"Miss Nalan!"

Seeing this situation, Su Qingyan was startled, and quickly walked over: "How are you?"

Nalan Wushuang endured the pain and smiled bitterly: "This antidote doesn't seem to work. The poison has not been suppressed, but has become more serious."

As he was speaking, a burst of pain came, and Nalan Wushuang couldn't bear it any longer, curled up there, his delicate body trembled continuously, and his face became more and more blue. .

This...

At this moment, Su Qingyan was completely panicked.

How could this be? The herbs you chose are obviously to restrain the poison, how come they have no use at all, and they have exacerbated the deterioration of the situation?

At the same time of doubt, Su Qingyan couldn't express regret.

He was really too careless and had no attainments in medicine, so he rashly prepared an antidote for Nalan Wushuang.

How is this good?

Chapter 4007

“Uncomfortable!”

At this time, Nalan Wushuang opened his red lips and said weakly: “I’m so uncomfortable... Sister Qingyan, am I going to die?” My own person, I call my sister.

Su Qingyan took a deep breath and gently comforted: “Don’t worry, I will definitely find a way to save you.”

After speaking, Su Qingyan recalled some knowledge of medical skills taught by Yue Feng, and wanted to find a solution from it, however, In the current situation, how could it be so easy to come up with a solution?

Seeing that Su Qingyan was also a little panicked, Nalan Wushuang was completely desperate.

Could it be... that’s God’s will.

Can’t escape death after all?

At this time, Nalan Wushuang felt that his internal organs and internal organs were paralyzed by the poison, and the blood in his body lost its temperature. At the same time, an indescribable pain continued to come.

Under such circumstances, Nalan Wushuang couldn’t bear it at all, and the charming body kept rolling.

With the continuous invasion of the poison, Nalan Wushuang’s eyes finally lost their previous light, and the eyeballs turned dark green, and the delicate face looked extremely hideous.

“You...”

Su Qingyan was taken aback when she saw Nalan Wushuang’s appearance: “What’s wrong with you?”

At this time, Nalan Wushuang’s eyes flashed with a strange green light, as if he had fallen into evil spirits. Same, very weird.

Su Qingyan didn't know that the blood widow's poison had already invaded Nalan Wushuang's sensory nerves. Under such circumstances, Nalan Wushuang gradually lost his mind and was on the verge of going crazy.

Snapped!

At this moment, Nalan Wushuang suddenly sat up and grabbed Su Qingyan's arm.

Nalan Wushuang shot quickly, Su Qingyan had no inner strength, and was no different from ordinary people, and could not dodge at all.

"Miss Nalan, calm down..."

Su Qingyan was very panicked, but she still patiently persuaded: "Don't worry, I will definitely find a way to save you..." Su Qingyan said this, Light smoke is very regretful.

If I had known that this situation would turn into this, I should have been more cautious before letting her drink the medicine in such a hurry.

If only Yue Feng was here, he would definitely know how to crack the blood widow's poison.

"Sister Qingyan..."

Just when Su Qingyan was extremely frightened, she saw Nalan Wushuang speak softly and said weakly: "Don't panic, I don't...will not hurt you....I want to pass on all my inner strength to you."

"My current situation is incurable, I just died like this, I'm not reconciled... You were killed by Bai Yunfei and became an ordinary person, so I put Pass on your inner strength to you, and you can leave..."

When he said this, Nalan Wushuang looked hideous, but his eyes flashed sober.

Yes, Nalan Wushuang is going to pass all her cultivation to Su Qingyan. She knows that she can't do it anymore, and there is no cure. She can only pass all her power to Su Qingyan and let her kill Bai Yunfei for herself. , can be considered dead.

What?

Hearing this, Su Qingyan's tender body trembled, and she stared blankly at Nalan Wushuang, unable to speak for a long time.

She...she wants to pass on all her cultivation to herself?

How can this work?

Thinking of this, Su Qingyan shook her head again and again: “Miss Nalan, don’t think about it, you will be fine.”

“My situation, I know it myself.” Nalan Wushuang smiled bitterly, her eyes twinkling with complexity, said slowly: “Don’t be sad, I just want to die in a meaningful way.”

“You should know the highly poisonous effect of the blood widow, and I will go into trouble later. At that time, not only will I die, but I may also hurt myself. You, so, will you accept it? Even if my last wish is fulfilled.”

Nalan Wushuang’s expression was very calm when he said this.

To be honest, she was very unwilling to die like this, but there is no other way to do so.

call!

Su Qingyan took a deep breath, and although she was reluctant, she reluctantly accepted the reality.

It’s just that I am still a little puzzled: “Miss Nalan, my dantian has been destroyed, and I can only re-cultivation unless I have the treasures of heaven and earth. It seems unrealistic that you want to pass all the internal power to me...

” After speaking, Nalan Wushuang laughed, and then interrupted weakly: “Sister Qingyan, you may not know that our Xia Yinzong has a secret technique called ‘Reversing the Universe Dafa’. Even if you have never practiced, you can get all the power of the caster...”

Chapter 4008

What?

Hearing these words, Su Qingyan moved slightly, there is such a strange practice in this world?

When she was secretly shocked, Nalan Wushuang was holding Su Qingyan’s wrist with one hand, and the other hand was touching the dantian position on Su Qingyan’s waist, and began to inject internal force.

In an instant, Su Qingyan’s delicate body trembled, only to feel a powerful force pouring in continuously.

“Miss Nalan, don’t do this.... You must still be saved...” Su Qingyan was very anxious, she couldn’t help but stop her, and she wanted to struggle at the same time, but at this time she was no different from ordinary people. Can’t break free at all.

“Sister Qingyan!”

Nalan Wushuang said with a wry smile while inputting his power: “I have no hope. After you get my power, you must help Yue Feng and eradicate the scum of Bai Yunfei..”

“And... ..to take Kyushu out of the control of the God’s Domain...”

Buzz...

When he said this, Nalan Wushuang urged the ‘Reversing the Universe Dafa’ to mobilize all his own power. There was no violent internal force surging, and the entire courtyard was shaking violently.

I saw that the power that Nalan Wushuang escaped formed white storms, and the power was amazing.

And this power, like a tide, poured into Su Qingyan’s body.

boom!

Finally, the strength in Nalan Wushuang’s body was completely exhausted, and the whole person was at the point where the oil was exhausted, his face was extremely pale, and his delicate body fell down softly.

However, with a slight smile on his face, he looked at Su Qingyan and said, “Sister Qingyan, what I said just now.... Please!” After the last word fell, Nalan Wushuang slowly closed his eyes.

“Miss Nalan!”

Seeing this scene, Su Qingyan’s heartache was indescribable, she burst into tears, and then walked up to check on Nalan Wushuang’s situation. She didn’t believe that Nalan Wushuang died just like that.

Om...

However, before taking two steps, Su Qingyan’s delicate body trembled, and she clearly sensed that an incomparably violent force was surging in her body.

Su Qingyan had already turned into an ordinary person, but suddenly she was given such a tyrannical power, and naturally she couldn’t bear it. At that time, she groaned, her delicate body fell to the side, and fainted.

After an unknown amount of time, Su Qingyan slowly woke up.

The moment he opened his eyes, he saw Nalan Wushuang lying there, motionless, with a dark blue face and no breath.

“Miss Nalan!”

Su Qingyan collapsed in an instant, shouted tremblingly, and then went over to say that Nalan Wushuang was in her arms, tears streaming down her face.

Speaking of which, she had no friendship with Nalan Wushuang, and even had some misunderstandings, but for some reason, seeing Nalan Wushuang end so miserably at this time, Su Qingyan felt very sad.

Tears fell down, and she didn't know how long she cried. Then Su Qingyan slowly stood up, dug a hole in the back of the courtyard, and buried Nalan Wushuang in it.

After doing this, Su Qingyan sat cross-legged in the pavilion and began to integrate Nalan Wushuang's power.

Buzzing...

Under the fusion, Su Qingyan only felt a pure power, filling the whole body, and the strength continued to rise...

Nalan Wushuang was right, it was urging the 'Reversal of the Universe' Under the premise, Su Qingyan not only regained the primordial spirit, but also successfully integrated all the power of Nalan Wushuang.

call...

At this moment, Su Qingyan slowly opened her eyes, a bit of determination flashed in her eyes, and then her figure rose up and flew out of the valley.

.....

On the other side, on a hillside more than ten kilometers away from the main altar of the Five Poison Sect, Wen Chou Chou, the members of the Ouyang family, and the members of the Xia Yin Sect were quietly guarding here.

At this time, everyone's faces were extremely anxious.

After negotiating with Nalan Wushuang before, she returned to the Five Poison Sect, looking for an opportunity to release Haotian Divine Sovereign, and then came back to join everyone, but after Nalan Wushuang left, several hours had passed, and she still hadn't come back.

Ugh!

At this time, Sun Dasheng finally couldn't wait any longer, and muttered: "After so long, there is no news, will this Nalan Wushuang deliberately set a trap for us?" The

voice fell, and many people from the surrounding Elder Huo and Xia Yinzong, They all frowned secretly, and there was a bit of displeasure in their eyes.

Immediately, Elder Huo couldn't help but said: "Master Sun, what do you mean by this? We are already allies, why do you talk like this?"

At the same time, Wen Chou Chou also blamed Sun Dasheng: "Dasheng, don't mess around. Said that if the head of Nalan hasn't come back for so long, he must be in trouble. After all, that Bai Yunfei is not an ordinary person."

Chapter 4009

Hearing this, Sun Dasheng scratched his head and stopped talking.

"Go!"

At this time, Wen Chou Chou lost his patience, and ordered a disciple of the Hall of Longevity behind him: "Go to the main altar of the Five Poison Sect, check the situation, and remember not to be discovered."

"Yes, Hall Master!" When the voice fell, the disciple responded and took advantage of the night to head towards the main altar of the Five Poison Sect.

Phew...

Seeing that disciple's figure go away, everyone couldn't help but exhale, and everyone felt inexplicably uneasy in their hearts.

For some reason, everyone had a bad feeling at this time.

"Palace Master..."

After half an hour, the disciple came back quickly, panting and sweating profusely.

Wen Chou Chou hurriedly asked, "How is the situation?"

At the same time, the eyes of everyone around were also focused on the disciple, waiting for his answer.

The disciple wiped off his sweat and said excitedly: "Palace Master, good news, I just arrived outside the Five Poison Sect's main altar, and I saw in mid-air that the Haotian Divine Sovereign was fighting with the ancient poisonous scorpion."

“The Five Poison Sects are now completely under martial law. It is said that Bai Yunfei was also seriously injured by Haotian Divine Sovereign.”

Great!

Hearing this news, whether it is Wen Chou Chou, or Sun Dasheng and Ren Yingying, everyone is inexplicably excited.

Elder Huo and the members of the Xia Yin Sect looked at each other in dismay.

Immediately, Elder Huo couldn't help but ask: “Is this the only one? Is there any news about our head?”

This...

The disciple scratched his head and said very embarrassedly: “No, there were many disciples patrolling around the main altar at that time. I didn't dare to stay for a long time, so I came back.”

At this

moment, Elder Huo and the Xia Yin Sect Division Everyone frowned, secretly anxious.

Without the news of the head, could it be that she really had an accident?

“Everyone, don't panic!”

Seeing the expressions of Elder Huo and everyone, Wen Chou Chou smiled slightly and comforted: “Since my disciples didn't see the head of Nalan, it means that she is fine, maybe she is just trapped inside, So I can't meet with us.” The

voice fell, and Ren Yingying also said: “Yeah, don't worry too much.”

Hu...

Elder Huo took a deep breath and said, “If that's the case, then what are we waiting for? Let's rush in together, kill Bai Yunfei, and clear the siege for the Sect Master.” The words

fell, and the surrounding disciples of the Xia Yin Sect responded.

At this time, Sun Dasheng was also inspired to fight, nodded and said: “Yes, since Haotian Divine Sovereign has been released, let's not wait, rush in and kill yourself.”

“Okay!”

Seeing the high spirits of the crowd, Wen Chou Chou was instantly infected, and he shouted with enthusiasm: "Everyone obeys the order and can go to the Five Poison Sect's main altar to rescue the head of Nalan and kill Bai Yunfei!"

"Kill Bai Yunfei!"

"Kill Bai Yunfei!"

In an instant, everyone shouted in unison, then rushed down the hillside, and slaughtered the Five Poison Sect's main altar.

.....

At this moment, the Five Poison Sect's main altar is here.

The fierce battle in mid-air continued.

But at this time, apart from the huge ancient poisonous scorpion, the enemies that Haotian Divine Sovereign faced, there were also a gossip formation formed by several thousand disciples of the Five Poison Sect.

Below, Bai Yunfei sat on a chair and directed the operation of the great formation.

Bai Yunfei is extremely intelligent, talented, and has some accomplishments in the formation technique. It is not a problem to direct everyone to deploy the gossip formation.

In this case, Haotian Divine Sovereign was completely trapped.

"Shenjun Haotian!"

At this time, Bai Yunfei was full of smugness and pride, and shouted at the God of Haotian in mid-air: "Even if Nalan Wushuang helps you unlock the locks of the demons, you will not be able to escape the five poisons. Zong."

"You have seen the current situation, give it up!"

Give up?

Haotian Divine Sovereign was full of contempt, met Bai Yunfei's gaze, and a cold voice spread throughout the audience: "I am dignified Haotian Divine Sovereign, how can I submit to a bastard like you?"

Mad!

Hearing this, Bai Yunfei's face turned hideous, and he shouted at the surrounding disciples of the Five Poison Sect: "Everyone, listen, whoever can knock Haotian Divine Sovereign down from the air will be rewarded heavily."

Whoops!

As soon as the words fell, many disciples of the Five Poison Sect were extremely excited, and they burst out one after another, rushing towards the Haotian Divine Sovereign.

"Hahaha..."

Looking at the disciples of the Five Poison Sect swarming up, Haotian Shenjun had a fearless face and laughed loudly.

"Just relying on these little bastards, you want to take down my Haotian Divine Sovereign? Bai Yunfei, your kid is too naive!" Haotian Divine Sovereign roared and slapped it with a palm.

Chapter 4010

Bang Bang Bang...

This palm hit, the situation changed, at that time hundreds of disciples of the Five Poison Sect couldn't react, and they were directly sent flying. .

However, Haotian Divine Sovereign's aura was not as good as before, and faced with the successive attacks of the disciples of the Five Poison Sect, it was almost impossible to stop him.

When he rushed out of the dungeon before, Haotian Divine Sovereign's Primordial Spirit was not completely recovered, and after that, under the joint attack of Bai Yunfei and the ancient poisonous scorpion, it was consumed a lot.

Despite this, Haotian Divine Sovereign did not flinch in the slightest.

Huh...

Seeing this situation, Bai Yunfei was also anxious, his eyes were blood red, and he kept howling at the disciples of the Five Poison Sect: "Kill, kill me, his Primordial Spirit has been used up a lot, don't be afraid. .." The

voice fell, and all the disciples of the Five Poison Sect present seemed to have been beaten with blood.

Seeing this scene, Haotian Shenjun's face was cold, but his heart was secretly anxious.

If you go on like this, you won't be able to last long.

How to do?

Whoa!

Just when Haotian Divine Sovereign was secretly anxious, suddenly, there was a thunderous howl not far away. Immediately afterwards, hundreds of thousands of figures were seen, rushing in like a tide.

It is Wen Chou Chou, and the Xia Yin clan members.

Swish!

Seeing this scene, both Bai Yunfei and the surrounding disciples of the Five Poison Sect changed their expressions.

“God Haotian, we are here to help you!”

At this time, he rushed to the front, and Wen Chou Chou shouted at Haotian Divine Monarch in mid-air.

Immediately, Wen Chou Chou looked around with murderous aura all over his body: “Everyone obeys the order, and clears the Five Poison Sect and Bai Yunfei, and leaves none of them!” A little mercy.

“Yes!” The

voice fell, and everyone responded in unison, and immediately pulled out their weapons, without the slightest nonsense, and rushed directly into the crowd of disciples of the Five Poison Sect.

“Ah...”

The crowd of Wen Chou Chou came very suddenly, and the disciples of the Five Poison Sect couldn't react at all. They heard screams and screams, and in a blink of an eye, hundreds of them fell into a pool of blood.

“Wen Chou Chou...”

Seeing this scene, Bai Yunfei was so frightened that his face turned pale.

As soon as he said a few words, he was interrupted by Sun Dasheng: “Bai Yunfei, today is the time when you and the Five Poison Sect will be destroyed. Come and accept your fate.” After the words

fell, Sun Dasheng held the open axe and charged directly towards Bai Yunfei.

At the same time, Ren Yingying and Elder Huo also pulled out their weapons and rushed into the enemy group.

“Protect the Sect Master!”

Seeing this scene, dozens of elites from the Five Poison Sect rushed to meet him, intending to stop Dasheng Sun. However, before he got close, he was swept away by Sun Dasheng with an axe.

Oops!

Sun Dasheng was like a ferocious tiger, Bai Yunfei's face changed, and he suddenly panicked. He was seriously injured by Haotian Divine Sovereign before, and he has not recovered yet. At this time, facing Sun Dasheng, who is like a rainbow, he has no strength to fight.

Whoosh!

At this critical moment, a slender figure came quickly and blocked in front of Bai Yunfei.

It was Ji Hongshang!

Seeing Ji Hongshang, Sun Dasheng chuckled, his tone full of contempt: “Ji Hongshang, you are also a member of Kyushu, why do you want to help this devil Bai Yunfei?”

“Stop talking nonsense!” Ji Hongshang's pretty face was cold: “With me here, you can't even think about Sect Master Typhoid Fever.”

“Okay!”

Sun Dasheng nodded, his eyes flashing with a strong killing intent: “Since you are so obsessed, don't blame me, go to hell!” The voice fell and clenched tightly. Holding the opening axe, he rushed forward thinking of Ji Hongshang.

Seeing Sun Dasheng rushing in, Ji Hongshang bit her lip tightly, and did not retreat at all, but her delicate body flashed and directly attacked.

To be honest, Ji Hongshang knew that Sun Dasheng was powerful, but she had no choice. When she recognized Bai Yunfei as the master a few months ago, she tied the entire Five Poison Sect and Bai Yunfei together, and they both prospered and suffered losses.

If Bai Yunfei dies, the Five Poison Sect will also be in a state of doom.

So, you have to fight.

boom!

In a blink of an eye, the figures of Sun Dasheng and Ji Hongshang collided in mid-air, and a violent vibration sounded, and then terrifying internal force fluctuations swept away.
