

## The ultimate husband in Chinese chapter 4021-4030

### Chapter 4021

Demon Venerable is concentrating on performing the Demon Blood Sacrifice, but his powerful perception senses the first time that an enemy is coming from outside the formation.

At this moment, when he sensed the eruption of thousands of divine soldiers, Demon Venerable didn't lift his eyelids, his cold and arrogant face showed a bit of contempt.

Heavenly Demon Blood Sacrifice, only Demon Venerable can mobilize, its power is terrifying, even if the Nine Heavens God comes, there is nothing to do, let alone thousands of divine soldiers.

"Don't go..."

Seeing this scene, Yue Feng's face changed greatly, he couldn't help shouting, and at the same time tilted his head and glared at Gong Ao.

At this moment, Yue Feng was speechless.

This Gong Ao, why can't he hold his breath, so eager for quick success will only backfire.

Under the shout, Yue Feng wanted to stop it.

However it was too late.

hum.

I saw that thousands of divine soldiers entered the scope of the Heavenly Demon Blood Sacrifice in the blink of an eye, but at this moment, they saw eighteen huge stone pillars bursting out with a dazzling light. One after another blood-colored enchantment.

Bang bang bang...

Thousands of divine soldiers didn't have time to react at all, and they slammed into the blood-colored barrier. Thousands of divine soldiers, without exception, the primordial spirit was directly destroyed, and after landing, only one skin and bones remained.

shit.

Seeing this scene, both Yue Feng and the remaining divine soldiers couldn't help but take a deep breath.

This chapter is provided by . Visit for daily update.

This.... this is too scary.

Shocked, Yue Feng looked at the Demon Lord Gone, who was floating in the air, and his eyes became more and more complicated.

As expected of the Supreme Being of the Demon Race, the power of Gone is too perverted. It is no wonder that the Nine Heavens God would spare no effort to deal with him. If he really wanted him to resurrect hundreds of thousands of tribes, the entire God Realm, and even the Kyushu Continent, would fall into a terrifying situation. of disaster.

Today, no matter what, he cannot be allowed to succeed.

Thinking of this, Yue Feng took a deep breath, his eyes fixed on the eighteen stone pillars, his mind turned quickly, and he thought about the solution.

hiss.

And Gong Ao next to him, even though he guessed the result, he couldn't help but gasp when he saw the bursting power of the blood-colored enchantment.

Shocked, Gong Ao couldn't help but asked Yue Feng, "Concubine, what should I do next?"

Yue Feng did not respond, but concentrated on studying the magic blood sacrifice formation in front of him.

After a full ten seconds, Yue Feng had a scruple in his heart, and said seriously to Gong Ao: "I think, I have found a way to solve it."

What?

Gong Ao was startled, and at the same time felt very unhappy, Mad, this is the formation deployed by the Demon Venerable, and Yue Feng found the weakness so quickly?

However, Gong Ao did not show it, but made a very respectful look: "The concubine is amazing, you have found the weakness of these stone pillars so quickly."

Yue Feng nodded, pointing to the two stone pillars in the northwest: "In front of me This formation is composed of a regular nine-gong formation and an anti-nine-gong formation, and at the same time with the help of the unique terrain of Fengmo Mountain."

“And those two stone pillars are the junction of the regular nine-gong formation and the anti-nine-gong formation. , that is, Shengmen, is the only place to enter.”

When he said this, Yue Feng looked serious.

Guiguzi once taught Yue Feng that all things in the world are inseparable from yin and yang, and the same is true of demons, and the blood sacrifice formation in front of him also contains the way of yin and yang.

Yue Feng studied it for a while, and soon saw that half of the eighteen huge stone pillars were formed by the nine palaces, and the other half were the anti-nine palaces.

Positive nine palace formations belong to yang, while anti-nine palace formations belong to yin.

Therefore, the only way to solve it is at the junction of the positive and negative nine palaces.

What Yue Feng said was serious, but Gong Ao could not understand it. Although he was the commander of the Divine Realm and had an extraordinary position, he didn't know anything about fighting techniques.

However, Gong Ao didn't care, and pretended to say: “Your Majesty, what do you need me to do?”

Yue Feng smiled slightly and pointed between the two stone pillars: “It's very simple, wait for you to break in with me, these stone pillars are between them. The blood-colored barrier formed between them is too strong, so when we enter, the two of us have to join forces, otherwise, it will be very dangerous.”

## Chapter 4022

said, Yue Feng's face showed a bit of confidence: “When I enter, I will use my own strength to deploy a protective film around it, but my primordial spirit is limited and I need you behind me. , input divine power for me, understand?”

It turned out to be the case.

Hearing this, Gong Ao's eyes flickered, he nodded, and said with a smile: “Don't worry, concubine, I will do my best.”

When he said this, Gong Ao's face was sincere, but his heart was extremely cold.

This Yue Feng, you stole my Princess Dongling and her virginity, and now, you want me to inject inner strength into you, what are you dreaming about?

Gong Ao thought about it, pretended to agree first, and when the critical moment came, he decided to abandon Yue Feng and let him die in this day's devil blood sacrifice formation.

Yue Feng didn't notice that there was anything wrong with Gong Ao, so he nodded gratified when he heard his answer.

Immediately, Yue Feng didn't have time to think about it, and ordered the tens of thousands of soldiers behind him: "Wait for Gong Ao and I to enter the big formation in front of you to inquire, don't act rashly, just guard the surrounding area, understand?"

"Understood!"

Tens of thousands of divine soldiers responded in unison.

At this moment, Yue Feng stopped talking nonsense, and said to Gong Ao: "Okay, you can act." After the

voice fell, Yue Feng moved his figure and went directly to the blood sacrifice formation.

Gong Ao took a deep breath and followed closely behind.

Soon, Yue Feng and Gong Ao arrived at the position of Shengmen. The eighteen stone pillars that stood up seemed to have spirituality. When they sensed someone approaching, a blood-colored mist came out.

The blood mist quickly filled the air, and soon shrouded the surrounding area of the formation, drowning Yue Feng and Gong Ao at the same time. Not only that, in the blood mist, there is also a powerful force to suppress.

This... The

blood fog filled the air, directly blocking the line of sight. Watching the situation in the distance, tens of thousands of divine soldiers, instantly saw the figures of Yue Feng and Gong Ao, and they became inexplicably nervous.

What a weird blood fog.

Consort and Your Excellency Gong Ao, will something happen?

While nervous, these divine soldiers thought of Yue Feng's previous explanation, and they were not good at acting rashly.

At this time, Yue Feng is here.

Feeling the suppression of the power in the blood mist, Yue Feng looked as usual and did not panic at all.

hum!

In the next second, the Primordial Spirit and the power of Bird Ancestor were directly activated to form a protective film all over the body. It was seen that the protective film was pale gold with some red lines on it, which was very strange.

Yue Feng not only possesses Primordial Spirit, but also possesses the power of Bird Ancestor. This situation is unique in the entire Divine Realm, so the protective film deployed is completely different from others.

Huh...

Seeing this scene, Gong Ao's expression was complicated, and his heart was even more shocked.

I can't see that Yue Feng's strength is so strong, and the protective film deployed, I'm afraid that he can't break it with all his strength.

Under the shock, Gong Ao strengthened his determination to kill Yue Feng. After all, in dealing with such a powerful enemy as Yue Feng, one cannot have the slightest soft-heartedness, otherwise there will be endless troubles.

"Gong Ao!"

Seeing Gong Ao stunned, Yue Feng turned his head and said, "Get into the protective film, and then help me. Remember, you can't stop in the middle, otherwise we are both in danger."

Gong Ao calmed down and quickly With a sound, he entered the protective film, and then put his hand on Yue Feng's back, activating his divine power.

Feeling that Gong Ao had stimulated the divine power, Yue Feng no longer hesitated, and walked slowly towards the Shengmen. As long as he passed through the Shengmen and entered the inside of the Heavenly Demon Blood Sacrificial Array, Yue Feng was sure to interrupt the Demon Lord Gone.

However, Yue Feng didn't notice that Gong Ao, who was behind him, lost the respectful expression on his face, but was extremely hideous.

At this moment, in mid-air.

Um?

Yue Feng and Gong Ao approached the blood sacrifice formation, and the Demon Lord Gone felt it instantly, but he was at a critical moment and could not escape.

For a time, Demon Lord Gone was furious and anxious.

At the same time, Demon Venerable's eyes locked on Yue Feng through the blood mist, and he was also a little shocked.

His own Heavenly Demon Blood Sacrifice Array, in the real God Realm, no one can break apart from the ancestors of the Great Wilderness, and this guy has found his life so easily.

Incredible.

Seeing Yue Feng and Gong Ao, they were about to pass through the gate of life and enter the blood formation.

Chapter 4023

At this moment, Yue Feng's face was calm, but his heart was extremely excited.

As long as you enter the blood formation, you are half successful.

Whoosh!

However, at this moment, Gong Ao suddenly withdrew his hands, then turned around and flew out quickly.

While flying backwards, Gong Ao did not forget to turn his head and sneered at Yue Feng: "Yue Feng, you want to break this formation and make great achievements, don't be delusional, and you stole my Princess Dongling, Go to hell." After the

last word fell, Gong Ao laughed proudly, then accelerated his speed and rushed out of the blood mist.

mad.

At this moment, Yue Feng was extremely frightened and angry. He never thought that at this most critical moment, Gong Ao would be plotting against himself behind his back because of personal grievances, regardless of the overall situation?

Click!

Gong Ao fled, Yue Feng alone could not resist the terrifying pressure from the blood formation, he heard a crisp sound, and the protective film around his body shattered instantly.

hum!

Without the protective film, a terrifying and unparalleled blood formation pressure erupted, and Yue Feng groaned.

At this time, the blood formation was outside.

Gong Ao rushed through the blood mist and returned to the front of the tens of thousands of divine soldiers.

This...

Seeing this situation, tens of thousands of divine soldiers looked at each other in dismay, very puzzled.

what's the situation?

Didn't the concubine and the commander of Gong Ao go to explore the great formation together? Why is only the commander of Gong Ao coming back now?

Facing the gazes of tens of thousands of divine soldiers, Gong Ao had a sad expression on his face, and pretended to say, "The concubine is too arrogant and self-confident, and if he insists on entering the large formation, this commander will not listen to any persuasion."

What?

Hearing this, tens of thousands of divine soldiers were stunned.

This concubine is too conceited, and even broke into the blood formation alone.

I have to say that Gong Ao's acting is very similar, and these tens of thousands of magic soldiers have no doubts.

At this time, Gong Ao glanced back and said regretfully: "The concubine entered hastily, and I am afraid that I will die. I need to go back and report to Your Majesty as soon as possible about this matter. You continue to stay here and pay attention to the situation of the big formation."

After saying this, Gong Ao rushed towards Yuyao Xianyuan with a few divine soldiers.

.....

On the other side, Kyushu.

Located on the southern border of the Tianqi Continent, there is a huge ruin. This place was originally the top of the Kunlun Peak, the first divine peak in Kyushu. Later, the top of the Kunlun Peak collapsed, forming this ruin.

At this time, in an open space in the center of the ruins, hundreds of thousands of troops gathered.

This army, wearing a uniform golden armor, each has a strong momentum, but at this time, each one is more embarrassed.

That's right, these hundreds of thousands of troops were the gods and gods who followed Haotian God to besiege the Five Poison Sects and were then defeated by the Demon Lord Gone. After the defeat at that time, these gods and gods retreated to the Kunlun ruins.

Whoosh.

At this moment, in the distance, a figure came quickly, looking like a golden meteor from a distance, with a powerful aura all over his body.

It is Haotian Shenjun.

Haotian Divine Sovereign has vast magical powers. Through perception, he quickly knew the location of hundreds of thousands of divine soldiers and generals. He rushed over without thinking about it.

I saw that in the hands of Haotian Divine Sovereign, he was still holding a figure tightly, dressed in white, very handsome, but his face was weak and inexplicably embarrassed.

It's not Bai Yunfei, who else would it be?

“Shenjun!”

“His Royal Highness.”

Seeing the appearance of Haotian God, many gods hurriedly surrounded them, and they were all excited.

One of the divine generals said cautiously, “Shenjun, we are relieved to see that you are all right.” The

voice fell, and the other divine general followed suit: “Since the divine emperor was caught by Nagone, we have tried our best to do everything possible. Contact with God's Domain, but we have used many methods, and we are completely unable to get in touch with God's Domain.”

Is there such a thing?

Hearing this, Divine Sovereign Haotian frowned secretly, and immediately activated his divine power to try to get in touch with the Divine Realm, but it also failed.

For a time, Haotian Shenjun was inexplicably anxious.

How could this be?

At this time, Divine Sovereign Haotian didn't know that all the portals in God's Domain were destroyed by Demon Lord Gone.

Chapter 4024

"You guys, continue to try to connect with God's Domain."

After a few seconds, Haotian God Sovereign took a deep breath and instructed a few generals.

"Yes, His Royal Highness!"

Several gods responded, and hurriedly walked to the side, urging the primordial spirit to try to contact the gods.

Haotian Shenjun took Bai Yunfei aside, his face was gloomy, and he asked coldly: "Bai Yunfei, where is the Demon Lord?" Getting

in touch with God's Domain and inquiring about the whereabouts of the Demon Race are both very important.

Feeling the suffocation of Haotian Divine Sovereign, Bai Yunfei took a deep breath and said with a smile: "Haotian Divine Sovereign, didn't I say it before? Your Excellency Mozun is uncertain, and I don't know where he is." After

speaking, Bai Yunfei looked Looking at the ruins in front of him: "Perhaps, Your Excellency Mozun is nearby, be careful..."

Bang!

Before he finished speaking, Divine Monarch Haotian's eyes flashed coldly, and he clenched his fists, smashing them into Bai Yunfei's heart.

Bai Yunfei groaned, and a mouthful of blood spurted out.

"Bai Yunfei, don't challenge my patience." Haotian Shenjun said coldly, looking down at Bai Yunfei.

Bai Yunfei endured the pain and did not respond, thinking about how to get out.

It's just that I was hit hard by Haotian Divine Sovereign before, and I haven't responded yet. At this time, I was punched by him again, and I only felt that the demon soul was about to collapse. In this case, unless the demon lord arrives, there is no possibility of escape at all. .

But Bai Yunfei thought about it, no matter what, he would spend it with Haotian Divine Sovereign.

Seeing that Bai Yunfei didn't speak, Haotian Shenjun sneered: "Don't say it, right? You think it's enough to pretend to be dumb? If I destroy your demon soul, what do you think will happen?"

Om!

The voice fell, Haotian Divine Sovereign raised his right hand, and saw a ball of golden light flickering up, and a golden dagger was condensed by divine power.

Bai Yunfei was shocked, and then he remembered something and laughed: "God Haotian, Your Excellency Mozun is in my demon soul and cast a forbidden spell, you can't destroy it!"

When he said this, Bai Yunfei said Proud face.

He was right, after the Demon Lord Gonie successfully possessed a physical body, in order to reward Bai Yunfei, he blessed a forbidden spell in his demon soul.

With the protection of this forbidden spell, even if Bai Yunfei suffered severe injuries, the demon soul would not be destroyed.

Forbidden spell? !

Hearing this, Divine Sovereign Haotian frowned, and immediately sensed Bai Yunfei's demon soul. Sure enough, he sensed a powerful forbidden spell hidden in that demon soul.

Knowing this, Haotian Divine Sovereign was very angry.

Mad, in this kid's demon soul, there is a forbidden spell blessed by Demon Lord Gone.

Annoyed, Haotian Shenjun thought of something, and said coldly: "Okay, I can't destroy your demon soul, and there are other ways to teach you!" The

voice fell, and Haotian took out a piece from his purple gold armor. A golden whip.

The golden light of the whip circulates, and it contains extremely strong power.

It's the whip.

The whip of the gods, as the name suggests, can spur the gods. In the entire divine domain, there are three whips of the gods, which symbolize the supreme authority. Two of them are in the hands of the Nine Heavens God and Empress Hua Zhao, and the last one, At this time, it was on the body of Haotian Shenjun.

“Do you know what this is? With the whip, you can whip the gods, and of course you can deal with the remnants of the demon race like you!” Haotian Shenjun waved the whip, and a trace of cruelty appeared on the corner of his mouth.

Gudong!

Seeing the divine whip, Bai Yunfei swallowed subconsciously. Of course, he had heard of the divine whip. It was said that being whipped would make life better than death.

Although he was very flustered in his heart, Bai Yunfei still showed an indifferent look on his face: “Dignified Haotian Divine Monarch, is that all you can do?”

Haotian Divine Monarch snorted coldly, stopped talking nonsense, and raised his voice. Hit the whip, and slammed it hard.

“Crack!”

Hearing a thunderous explosion, a bloodstain appeared on Bai Yunfei's body. Not only that, but the depths of his soul were also severely tortured. That kind of pain was simply beyond the reach of ordinary people.

hiss!

Bai Yunfei couldn't help gasping for air, and his whole body twitched, but he had a tough personality, clenched his teeth tightly, and didn't make a sound.

Chapter 4025

Seeing that his expression was distorted, but he didn't cry out, Haotian Shenjun also became ruthless and shouted angrily: “Come on, where is the devil?”

Bai Yunfei showed a smile, but still didn't say a word Say!

Haotian Divine Sovereign was completely furious, raised the whip in his hand again, and threw it on Bai Yunfei.

“Crack! Slap! Slap!” The

whip of the gods flew up and down, like a soaring golden dragon, raging on every part of Bai Yunfei's body, and the crisp and loud whipping sound reverberated over the ruins.

Seeing this scene, the surrounding gods and soldiers were all terrified.

But Bai Yunfei didn't say a word from beginning to end.

.....

the other side.

Gong Ao hurried back to Yuyao Xianyuan with a few divine soldiers.

Soon, after seeing the Nine Heavens God, Gong Ao told the lie he had made up.

What?

At this moment, whether it was the Nine Heavens God, Empress Hua Zhao, and the surrounding priests, their hearts were shocked.

Immediately, Nine Heavens God reacted and looked at Gong Ao closely: "What did you say? Yue Feng broke into the blood formation deployed by the Demon Lord alone? Corpse... no bones left?

", Nine days God has great confidence in him in his heart.

You must know that it was the ancestor of the ancient ancestors, who, in front of the gods, sealed Yue Feng Jiutian Xuansheng, and the people who could make the ancestors look at him were by no means general.

Unexpectedly, the first time Yue Feng was sent to work, there was a problem.

Gong Ao knelt there, looking extremely sad, nodded and said, "Yes, Your Majesty, at that time, the subordinate tried to discourage it, because the blood formation was too weird, but the concubine didn't listen at all. , is the best in Kyushu, even the blood formation deployed by Demon Venerable can be easily broken, but the result..."

Hearing this, Jiutian God was very helpless: "Reckless, reckless... alas, Speaking of which, I believe in Yue Feng too much."

Empress Hua Zhao next to her was also extremely sad: "This Yue Feng is too conceited."

Phew!

Seeing this situation, Gong Ao secretly sighed in relief, his face was sad, but his heart was incomparably secretly delighted.

Haha...

You have deceived Your Majesty so easily, Yue Feng, Yue Feng, even if you die, you can't blame me. Who told you to take away my Princess Dongling?

At this time, Empress Hua Zhao thought of something, and asked Gong Ao: "By the way, did you see Dongling when you arrived at Fengmo Mountain?"

Gong Ao shook his head: "I didn't see it."

Saying that, Gong Ao was also secretly anxious.

At that time, there was indeed no sign of Princess Dongling around the blood formation. Could it be that she has been killed by Demon Venerable?

Hearing the answer, Empress Hua Zhao couldn't tell the sorrow, "My Dongling is too bitter, I was taken away by the Demon Venerable, let alone the newlywed husband died..."

For a moment, the audience was silent.

The atmosphere was indescribably depressing.

"Your Majesty!"

At this moment, a figure walked in quickly, it was Bai Yuexingjun.

When he got there, Bai Yuexingjun respectfully said to the Nine Heavens God: "Your Majesty, the portal has been built."

Great.

Hearing this, Jiutian God was very excited, and quickly said: "Quick, send a message to Jiuzhou immediately, ordering Haotian God to lead the army to return to God's Realm quickly."

"Yes, Your Majesty!"

... On the

other side.

Kyushu, Kunlun Ruins.

Papapa...

God Sovereign Haotian waved his whip, and he didn't know how many times he beat, and he saw Bai Yunfei was covered in bruises and was dying.

At this moment, Haotian Divine Sovereign put away the whip, indescribably annoyed.

This Bai Yunfei can't be killed and can't be killed, and even a whip can't make him surrender, it's really abominable.

"Shenjun!"

At this moment, a god general walked over quickly, his face full of joy: "We are in contact with God's Domain, just heard the news from His Majesty, ordering God's Lord to return to God's Domain at a rapid rate."

Hu...

heard With these words, God Sovereign Haotian took a deep breath, his gloomy expression softened, and then he asked, "What else did your majesty say?"

The god general didn't dare to neglect, and quickly said, "Your majesty also said that Demon Venerable went to seal demons. Shan, 100,000 is in a hurry."

What?

Demon Lord Gone went to Seal Demon Mountain?

Hearing this, Haotian Shenjun was shocked, but his mind was buzzing.

## **The ultimate husband in Chinese chapter 4026-4030**

Chapter 4026

Hundreds of thousands of demon tribesmen were buried under the Demon Sealing Mountain, and where the Demon Venerable went, it was obvious that he wanted to resurrect those dead tribesmen.

Thinking of this, Haotian Divine Sovereign did not hesitate, his figure flashed, and he rushed into the air and shouted: "Hurry up and gather, and return to God's Realm with this sovereign."

Wow... the

voice fell, and hundreds of thousands of gods and soldiers will quickly converge.

At this moment, one of the gods pointed at the dying Bai Yunfei: "His Royal Highness, what should I do with this?"

"Don't worry about it!" Haotian Shenjun said lightly without hesitation.

Although this Bai Yunfei has a demon soul, he has been whipped so many times by the beating god that he will not die or be disabled. Moreover, the most important thing now is to go to the realm of the gods to stop the demon sovereign.

Wow...

Soon, hundreds of thousands of divine soldiers and gods were assembled, and they hurried back to the realm of the gods with Haotian Divine Sovereign.

call!

Seeing Haotian Divine Sovereign leading the army to leave, Bai Yunfei breathed a sigh of relief, and then he couldn't hold it any longer, his eyes darkened and he fainted.

To be honest, Bai Yunfei couldn't hold it any longer after receiving hundreds of whips, but in front of Haotian Divine Sovereign, he didn't want to appear vulnerable, so he held on until now with his tenacious personality.

At this time, as soon as Haotian Shenjun left, Bai Yunfei's spirit relaxed, and he fainted immediately.

Whoa!

Not long after he passed out, he heard the sound of neat footsteps, and from a distance, he saw a mighty army of hundreds of thousands coming.

This chapter is provided by . Visit for daily update.

Uniform bright armor, holding a long spear, imposing like a rainbow.

It is the Imperial Forest Army of the Apocalypse Continent.

In front of the Imperial Forest Army was a splendid luxury carriage, pulled by eight white horses. It was very imposing. Inside the carriage, sat a figure with a powerful royal aura permeating its body.

It was King Guangping.

A month ago, a vision appeared in the Tianqi Emperor's Mausoleum, and then the ancient tomb of Chiyou descended. At that time, King Guangping was full of confidence, but in the end, Ren Yingying got the inheritance of Chiyou's demon soul.

This matter made King Guangping very annoyed. He vowed to find Ren Yingying to settle the account, but later the Ouyang family had been fighting with the Tiandao League.

A day ago, King Guangping got news that hundreds of thousands of god soldiers and generals had been found in the Kunlun ruins.

Um?

At this moment, hundreds of thousands of Imperial Forest troops arrived at the ruins, and they were stunned when they saw the situation in front of them.

Just saw the huge ruins, empty, where is there the shadow of the gods and soldiers?

However, someone with sharp eyes suddenly found Bai Yunfei who was unconscious, and suddenly shouted: "Look, there is someone there."

Shuh!

In an instant, all eyes turned to a dirt slope not far away.

I saw a figure lying there quietly, motionless, covered in blood, with a handsome and handsome face that was even weaker.

It was Bai Yunfei who was unconscious.

Seeing this scene, King Guangping frowned, and then waved his hand: "Drag over and see, who is he?"

"Yes, Your Majesty!" The

voice fell, and the two imperial guards walked over quickly and dragged the man away. come over.

Bai Yunfei?

At this moment, King Guangping observed closely, recognized Bai Yunfei at a glance, and was immediately stunned.

At the same time, everyone around was stunned.

Recently, Bai Yunfei has disturbed the entire Kyushu, how could he appear here? Also, it looks pretty bad.

"Quick!"

Finally, King Guangping came to his senses, and ordered to his side: "Take this person back to the palace and take good care of him."

When he said this, King Guangping couldn't hide his excitement.

You must know that Chi You, the ancestor of King Guangping, is also a member of the Demon Race. In other words, King Guangping and even the entire weather royal family, like Bai Yunfei, are descendants of the Demon Race.

Under this premise, King Guangping would not sit idly by when he saw that Bai Yunfei was in a coma.

More importantly, Bai Yunfei is a celebrity under Mozun. As long as he has a good relationship with Bai Yunfei, he will have the opportunity to approach Mozun in the future.

King Guangping thought about it, as long as he was appreciated by Demon Venerable, the Tianqi royal family would definitely dominate Kyushu.

#### Chapter 4027

"Yes, Your Majesty!" The

voice fell, and several soldiers of the Guards carefully lifted Bai Yunfei onto the horse's back, and then quickly returned to Tianqi Imperial City.

.....

On the other side, the Five Poison Sect.

After Ji Hongshang escaped, the remaining disciples of the Five Poison Sect also scattered like birds and beasts.

But there is still stubborn resistance.

It was not until dawn that the battle was completely over, and I saw that the five poisonous sects, which were full of vitality, were like hell on earth. Bloody smell.

Phew...

At this moment, the crowd of Wen Chou Chou, as well as the followers of Xia Yin Sect, were also relieved.

it's finally over.

But it is a pity that Ji Hongshang escaped at a critical moment, and before escaping, he also snatched the inner elixir of the ancient poisonous scorpion.

“That’s right!”

At this moment, Elder Feng suddenly thought of something and looked around: “Why haven’t I seen the Sect Master?” The

voice fell, and everyone in the Xia Yin Sect also realized that it was not good.

Nalan Wushuang returned to the Five Poison Sect alone, looking for an opportunity to release Haotian Divine Sovereign, and then reunited with everyone, but at that time, Wen Chou Chou and Xia Yin Zong waited for several hours, but they did not see Nalan. The unparalleled figure, finally had no choice but to break in directly.

At this time, Haotian Divine Monarch had left safely, Ji Hongshang also fled, but only Nalan Wushuang was not seen. This has to be suspicious.

Wen Chou Chou, Ren Yingying and others also looked at each other in dismay.

Yes, after fighting for so long, the battle is over, and I haven’t seen Nalan Wushuang, so nothing will happen, right?

Soon, Wen Chou Chou took the lead in reacting, and comforted Elder Feng and everyone: “Don’t worry, Miss Nalan is lucky, she will be fine.”

After saying that, Wen Chou Chou looked around at the Five Poison Sect’s main altar: “The environment here is complicated. Maybe Miss Nalan ran into trouble and hid for the time being. Let’s look carefully to see if there are any secret passages, dark rooms, etc.”

In fact, Wen Chou Chou was not sure what happened to Nalan Wushuang . What, say that, just to appease the emotions of the Xia Yinzong tribe.

Huh....

Hearing this, Elder Feng and Elder Huo looked at each other and nodded.

“Palace Master Wen is right.”

“Quick, everyone goes to search. Even if this place is turned upside down, we will find the whereabouts of the head.”

After receiving instructions, the members of the Ouyang family and the members of the Xia Yinzong quickly dispersed. Kailai, carefully searched the main altar of the Five Poison Sect.

boom!

While searching, suddenly, the stone gate at the entrance to the main altar of the Five Poison Sect was smashed to pieces.

When the news came, the Ouyang family and the people from the Xia Yin Sect were all taken aback, and immediately gathered to check the situation.

This....

at the entrance of the main altar, seeing the scene in front of you, whether it is Wen Chou Chou or Elder Feng and everyone else, they are all stunned there.

I saw hundreds of thousands of troops swarming in, surrounding the entire Five Poison Sect general altar like an iron barrel!

These hundreds of thousands of troops, wearing uniform silver armor, armed with long spears, were imposing. Wen Chou Chou could see at a glance that this army had a unique mark on the hearts of no one.

It is the exclusive symbol of the Imperial Guard of the Nagumo Continent.

The Imperial Guard is the elite of the Nagumo Imperial Family! The combat power was amazing. Back then, Yang Jian led the Northern Ying army to attack the Nanyun Continent. It was these imperial guards who fought desperately to resist, and the Nanyun Continent was not destroyed.

At this time, this Guards Army suddenly appeared in the Five Poison Sect, which made the originally messy Five Poison Sect have an atmosphere of slaughter and solemnity.

Directly in front of the Janissaries is a chariot made of gold.

On the chariot, a slender figure sat quietly, dressed in a gorgeous dragon and phoenix robe, which showed the graceful figure vividly, but the beautiful face showed a hint of coldness.

The whole body is also filled with a royal majesty that cannot be desecrated.

It is Long Qianyu!

At that time, Mo Zun succeeded in shaping his body, causing a vision of heaven and earth. At that time, Long Qianyu did not hesitate, and directly led the army to check it out.

Long Qianyu?

At this time, seeing Long Qianyu, whether it was Wen Chou Chou or Sun Dasheng and others, his face became complicated.

## Chapter 4028

You must know that Long Qianyu had a marriage contract with Yue Feng before, but only a few years ago, Yue Feng had a relationship with her sister, the former queen, and Long Qianyu had a relationship with Yue Feng. The hatred grew, and after that, Long Qianyu sent troops to the Ouyang family more than once to forcibly take Long Qianying and the children, but they were all repelled by the Ouyang family.

It can be said that between Long Qianyu and the Ouyang family, there is an inexplicable and inexplicable grievance.

At this time, Long Qianyu suddenly led the army to appear, which was not a good thing for the Ouyang family.

Um?

At the same time, Long Qianyu also frowned.

She clearly saw that the entire Five Poison Sect's main altar was full of corpses and blood flowed into rivers, like a hell on earth. Not only that, but there was also the corpse of a huge beast lying on the open space not far away.

Didn't the devil respect him? Why is there no trace?

Thinking to himself, Long Qianyu looked at the members of the Ouyang family and the members of the Xia Yin clan, and realized that he was a step too late.

I have to say that Long Qianyu's aura is really strong, and the person who is almost overwhelmed can't breathe.

However, the Ouyang family, Xia Yinzong and others were not ordinary people, and they quickly recovered. Immediately, Elder Feng took a deep breath, took a step forward slowly, and said politely to Long Qianyu: "With such a phoenix appearance, it must be Her Majesty Queen Nanyun."

The situation on the mainland is still well understood.

In the entire Kyushu, only Nanyun Continent is ruled by the Queen, so Elder Feng immediately concluded that Long Qianyu was in front of him.

Long Qianyu's delicate face did not fluctuate in the slightest. He looked at him coldly, with a forceful aura: "Who are you?"

For more than a year, Long Qianyu has been staying in the palace, living in seclusion, and naturally does not know Xia Yinzong and others.

call!

Elder Feng exhaled and cupped his hands: "I'm going to be the elder of Xia Yinzong."

Xia Yinzong?

Hearing this, Long Qianyu frowned, a bit of contempt flashing in his eyes, what kind of Xia Yinzong, never heard of it.

Thinking to himself, Long Qianyu asked coldly: "What's going on here? Didn't you say that the devil respects life?"

Feeling Long Qianyu's contempt, Elder Feng didn't care, so he put the previous experience as simple as Say it again.

Demon is gone?

Knowing the situation, Long Qianyu frowned and thought secretly.

"What's the matter with him?"

However, at this time, the fiery elder Huo couldn't help it, and shouted at the elder Feng: "What kind of queen does she care, it's the most important thing for us to find the head now, you and her What are you talking about?"

Nalan Wushuang disappeared, and Elder Huo was anxious. At this time, seeing Long Qianyu putting on airs, he couldn't bear it any longer.

Swish!

Hearing this, Long Qianyu's pretty face froze, and he was very angry.

"Bold."

At the same time, one of the generals shouted angrily, pointing at Elder Huo and angrily: "Dare to be disrespectful to Her Majesty the Queen, courting death?" The

voice fell, and the hundreds of thousands of guards behind him swept together. Brush out the long knife.

In the face of this situation, Elder Huo was not wrong at all, he was about to refute with a sneer, but before he could speak, he was interrupted by Sun Dasheng.

“Long Qianyu!”

At this moment, Sun Dasheng took a step forward, looked directly at Long Qianyu, and said with a half-smiling smile: “What do you mean? Demons respect life, and it is about the safety of Kyushu. Our Ouyang family and Xia Yinzong, risking destruction, only after eradicating these minions from Demon Venerable’s subordinates, you appeared right after the fight.”

“When we were fighting with the Five Poison Sect, you disappeared. Now that the battle is over, you are here to show off your strength. Are you embarrassed?”

and Like Elder Huo, Dasheng Sun also has a hot personality. When he saw Long Qianyu trying to bully others, he couldn’t help it.

Hearing this, Long Qianyu was furious, and his delicate body trembled faintly.

But she held back.

“Everyone!” In the

next second, Long Qianyu looked around, his eyes swept over the members of the Xia Yin Sect and the Ouyang Clan: “The devil respects life, and it matters a lot. In this case, we on the mainland of Kyushu, need to be closely united!”

After speaking, Long Qianyu gave Sun Dasheng a deep look: “For the time being, put aside the previous grievances. So I don’t care about what you said just now.”

Chapter 4029

Huh?

At this moment, both Sun Dasheng and Wen Chou Chou were all stunned.

This Long Qianyu suddenly became so open-minded, not like her personality.

Soon, Wen Chou Chou reacted and smiled at Long Qianyu: “It’s best if you want to let go of the past. I don’t know what you plan to do next?”

Long Qianyu smiled and said slowly: “Wen Chou Chou, you are the hall master of the Hall of Longevity, and you have a long-term plan. You should be very clear about the situation in Kyushu. The Demon Venerable is so powerful that it is impossible to compete against it by relying on the strength of one party alone.”

“At this time, the Demon Venerable disappeared. Before he comes back, we must unite in Kyushu, and all the forces must be dispatched in a unified way to be able to compete against it.”

Speaking of this, Long Qian's tone was unquestionable: "So, I want you, the Ouyang family, and this Xia Yinzong, from now on, join us. This is a major event related to the safety of our Kyushu, I hope you can take care of the overall situation." The

last sentence fell, Long Qianyu's beautiful face was full of pride.

That's right, the reason why Long Qianyu didn't turn against Dasheng Sun just now was because he wanted to merge the Ouyang family and the Xia Yinzong.

Although Long Qianyu is a daughter, she is very talented. Before she became the queen, she was a famous female god of war in the Southern Cloud Continent. After becoming the queen, she vowed to develop the Southern Cloud Royal Family and call it the Supreme of Kyushu.

And recently, the matter of Demon Venerable has caused panic among people in Kyushu. For Long Qianyu, this is a great opportunity to make achievements.

As long as the Nayun Royal Family can be placed on the top of Kyushu, Long Qianyu will naturally not take the personal grievances in the past.

What?

what does she say?

At this moment, hearing Long Qianyu's words, the entire Ouyang family and even the members of the Xia Yin Sect were stunned. Then, one by one complex expressions.

This Long Qianyu is really ambitious. He actually wants to annex the Ouyang family and the Xia Yin Sect?

"Long Qianyu, don't do this!"

Finally, after a moment of silence, Sun Dasheng finally couldn't bear it anymore. He was the first to come out, staring at Long Qianyu and scolding: "You look down on yourself too much, But a female class, why let us join you and follow your command?"

Wen Chou Chou took a step forward and said, "Yes, we should be united in dealing with the Demon Venerable, but we don't have to join. You can do it, Long Qianyu, if you want to use this as an excuse to annex the Ouyang family, then I'm sorry, but I advise you to give up."

Hearing this, Long Qianyu chuckled and ignored it.

But one of the generals below was unforgivably angry, and scolded Sun Dasheng and Wen Chouchou angrily: "It's your honor to do things for Your Majesty if you don't know how to lift things up. Don't

you know how to lift things up.” Do you have the strength to refuse?”

Whoops!

Hearing these contemptuous words, everyone in the Ouyang family was extremely indignant.

The members of the Xia Yin Sect couldn't listen anymore, and they were filled with righteous indignation. Together with the members of the Ouyang family, they all started to refute!

“It's a joke, our dignified Yinzong has been passed down for nearly ten thousand years, but it is said to be a 'rabble crowd'? You Nagumo royal family, your tone is really not small!”

“Even if all forces in Kyushu unite and need to elect a commander, it will be not your turn to Nanyun Continent!”

“That's right, don't think we're scared because you have too many people!”

The Ouyang family and Xia Yinzong, who had just joined forces to deal with the Five Poison Sect and Bai Yunfei, were now more united in the face of Long Qianyu's strength.

Especially Long Qianyu's arrogant attitude made the Ouyang family and the people of Xia Yinzong even more upset.

“Okay, very good!”

Listening to everyone's rebuttals and ridicule, Long Qianyu's face flushed red, his anger rose, and he nodded coldly and said, “I planned to throw away the previous grievances and give you a chance, but I didn't expect you people, So ignorant of praise. Since you insist on courting death, then I will fulfill you!”

Speaking of this, Long Qianyu's eyes fell on Sun Dasheng and Wen Chouchou:  
“Especially your Ouyang family, I have repeatedly tolerated it, and even voluntarily backed down. , but you are toasting and not eating and drinking, and since that's the case, let's count it as an old account!”

Chapter 4030

When he said this, Long Qianyu couldn't hide his anger!

At the same time, Long Qianyu didn't forget to look around, trying to find Yue Feng's figure. After all, Yue Feng is the strongest in the Ouyang family. If he hides in the dark, it will be very troublesome.

At this time, Long Qianyu did not know that Yue Feng was not in the Kyushu continent at this time.

“If you want to do it, come.”

Sun Dasheng’s fiery personality is almost at a point. At this time, he can no longer hold back the anger in his heart, and suddenly burst out: “If you want to settle the account, okay, let’s make a good calculation today, You sent an army to encircle the Ouyang family and killed so many of us, and today you will pay your debts with blood!”

Om!

The words fell, and Sun Dasheng’s dantian’s inner power exploded, and he saw a golden light flashing, and the opening axe was tightly held in his hand.

At the same time, the elder Huo next to him was also full of fighting spirit, and said to the people around him: “Scholars can’t be humiliated. We were here before, how could we be at the mercy of a woman? Even if we die today, we can’t give in!”

“Not bad!”

“Isn’t it just the hundreds of thousands of Nanyun army? Fighting with them!”

At this moment, the elders of the wind next to them all nodded in agreement.

“Everyone obeys!”

Listening to the clamor of everyone, Long Qianyu’s beautiful face was full of murderous intent, and he shouted: “Destroy all these people, and leave none of them!”

Don’t blame me if you don’t have a chance. Ruthless.

“Yes!” The

voice fell, and the hundreds of thousands of Guardsmen, with great momentum, drew out their long knives one after another, and without a word of nonsense, rushed directly into the crowd of the Ouyang family and the Xia Yinzong.

“Ah!” The

Ouyang family and the Xia Yin Sect had just ended their fierce battle with the Five Poison Sect, and their strength had not recovered. Facing the attack of the Imperial Guards, many people could not react in time, and only heard a few screams. The few people didn’t have time to dodge and fell to the ground.

“You...”

Seeing this scene, Wen Chou Chou's face turned pale, glaring at Long Qianyu, extremely frightened: "Now the enemy of the entire Kyushu is the Demon Venerable, but you have to provoke disputes and kill each other, you are crazy "

Long Qianyu is suspended in the air, his delicate face is full of coldness: "Shut up for me, I tolerated everything about your sister in the past, and I gave you the last chance just now. It's yourselves. I'm not sure, no wonder !!"

Long Qianyu was inexplicably furious when he thought that Yue Feng and his elder sister had a dark knot on their backs when they had a child.

Angered, Long Qianyu lost his senses completely, pointed at Wen Chou Chou and shouted, "Damn you all, everyone should die!"

"Kill!"

Facing Long Qianyu, who had lost his sense, Wen Chou Chou stopped talking nonsense. , with a roar, holding a long sword in his hand, he rushed towards the Guards!

He knew that today Long Qianyu was determined to destroy the Ouyang family, so it was useless to talk too much, and he could only resist desperately!

"Kill!"

At this moment, the Ouyang family and the members of the Xiayin Sect also reacted, pulling out their weapons and fighting with each other.

However, the strength of the Ouyang family and the Xia Yin Sect did not recover. In the face of hundreds of thousands of imperial guards, the disparity in strength was too great. in a pool of blood.

clang! clang! clang!

In an instant, the sound of weapons colliding, roaring and killing, echoed over the entire Five Poison Sect!

The fierce battle is getting worse.

Although the strength of the two sides is too great. However, the Ouyang family, Xia Yinzong and the others did not flinch at all, they rushed forward without regard for their own lives, all of them were red-eyed.

A bloody smell gradually filled the air, and in mid-air, it seemed to condense into a layer of blood mist!

In the blink of an eye, ten minutes passed, and nearly half of the Ouyang family and Xia Yinzong had fallen!

However, the remaining people are still stubbornly resisting.

“Want to destroy us? Your strength is not enough!”

Sun Dasheng roared, his eyes were blood red, howling, and the opening axe he said swung out fiercely, and saw a golden light burst out, and suddenly, there were a few The ten Guards were swept away, blood spurting wildly, and after they landed, they lost their breath.
